COMMITMENT TO DIVERSITY, EQUITY, INCLUSION, JUSTICE & ANTI-RACISM

My commitment to Diversity, Equity, Inclusion, Justice, and Anti-Racism has largely been demonstrated through involvement and leadership in DEI committees, research and scholarship focused on LGBTQ+ mental health and understanding unique experiences at the intersection of sexual orientation and race, clinical roles centered around providing care to LGBTQ+ individuals, and teaching focused on providing affirming and anti-oppressive therapy. Past and present examples of this commitment are indicated with (DEI) next to relevant entries throughout this document.
