

06/2007/23/2025

CURRICULUM VITAE
Andrew Richard Luhrs, MD, FACS, FASMBS, DABS-FPMBS

Brown Surgical Associates
195 Collyer Street Suite 302 Providence RI 02904
Tel: 401 793-5701
Fax: 401 793-5171
Andrew.Luhrs@brownphysicians.org

EDUCATION

Undergraduate	Gordon College, BS in Chemistry, 2007
Medical School	Temple University School of Medicine 2009-2013, MD <i>Alpha Omega Alpha</i>

POSTGRADUATE TRAINING

Residency	Rhode Island Hospital/Alpert Medical School of Brown University 593 Eddy St Providence RI APC 4 Providence RI 02903, PGY1-5 General Surgery, 2013-2018
Fellowship	Duke Center for Metabolic and Weight Loss Surgery 407 Crutchfield St Durham, NC 27703 2018-2019

POSTGRADUATE HONORS AND AWARDS

2016	Russell White Humanitarianism and Ethics in Surgery Award Rhode Island Hospital and Brown University
2018	Russell White Humanitarianism and Ethics in Surgery Award Rhode Island Hospital and Brown University

HONORS AND AWARDS

2023	Deans Excellence in Teaching Award Warren Alpert Medical School at Brown University
------	--

PROFESSIONAL LICENSES AND BOARD CERTIFICATION

2013-2018	State of Rhode Island License #LP0276
2018-2020	State of North Carolina License #2018-00096

2019-Current	State of Rhode Island License #MD16693
2019-Current	American College of Surgeons Board Certified - #064465
2022-Current	State of Massachusetts License #291758
2023-Current	American Board of Surgery Focused Practice Designation – Metabolic and Bariatric Surgery

HOSPITAL APPOINTMENTS

2018-2019	Clinical staff, Durham Region Hospital, Duke University
2019-Current	Clinical staff, The Miriam Hospital
2019-Current	Clinical staff, Rhode Island Hospital
2019-2024	Clinical staff, Providence VA Hospital
2019-2025	Director of General Surgery Clinic, Rhode Island Hospital
2019-Current	Core Teaching Faculty for Minimally Invasive and Baraitric Surgery
2020-2025	Director Comprehensive Hernia Center, Lifespan/Brown Surgical Associates
2024-Current	Medical Director, Bariatrics, Morton Hospital
2025-Current	Director, Center for Medical and Surgical Weight Loss, Brown University Health
2025-Current	System Director for Robotic Surgery, Brown University Health

ACADEMIC APPOINTMENTS

2017-2018	Resident Curriculum Development - Chief Resident Alpert Medical School of Brown University, Providence RI
2019-2025	Assistant Professor of Surgery, Clinical Educator Alpert Medical School of Brown University
2024-Current	Minimally Invasive Surgery Fellowship, Associate Program Director Alpert Medical School of Brown University
2025-Current	Associate Professor of Surgery, Clinician Scholar Alpert Medical School of Brown University

OTHER APPOINTMENTS

2021-Current	Reviewer for Surgical Endoscopy
2023-Current	Reviewer for Scientific Reports – Nature
2025-Current	Reviewer for SOARD
2024-2025	Ad-hoc Trustee: Brown Surgical Associates
2025	Guest Editor Rhode Island Medical Journal December 2025 Issue

HOSPITAL COMMITTEES

2020-2023	Lead Consultant - Hospital Ethics Committee, Providence VA Medical Center
2021-Current	Chair – Robotic Steering Committee, Brown University Health

SOCIETY MEMBERSHIPS

2020-Current	Fellow of American College of Surgeons
2016-Current	Society of American Gastrointestinal and Endoscopic Surgeons
2018-Current	Fellow of American Society for Metabolic and Bariatric Surgeons
2019-Current	Rhode Island Chapter of the American College of Surgeons
2020-Current	Fellow of International College of Surgeons
2020-2022	SAGES – Member of Artificial Intelligence Task Force
2020-Current	SAGES – Member of Technology Assessment and Value Analysis Committee
2021-Current	New England Surgical Society
2021-Current	International College of Surgeons – Board of Regents
2022-Current	ASMBS – Member of Communications Committee
2023-Current	SAGES – Member of Hernia Committee
2023-2025	SAGES – Member of Robotics Committee
2025-Current	SAGES – Member of Fundamentals of Robotic Surgery Committee

PUBLICATIONS LIST

ORIGINAL PUBLICATIONS IN PEER-REVIEWED JOURNALS

1. **Luhrs AR**, Davalos G, Lerebours R, Yoo J, Park C, Sudan R, Park C, Tabone L, Omotosho P, Torquati A, Portenier D, Gueron D. Determining the Changes in Bone Metabolism after Bariatric Surgery in Postmenopausal Women. Surg Endosc. 2020 Apr; 34(4):1754-1760

ABSTRACTS

1. **Luhrs AR**, Kheirbek T, Marwaha J. *Effect of Time to CT on Outcomes in Traumatic Brain Injury*. Presented as poster to EAST 2017 Scientific Assembly
2. Soh I, **Luhrs AR**, Vithiananthan S, Cloutier D. *Body Mass Index as a Predictor of Surgical Site Infection After Laparoscopic Appendectomy: Reviewing Nine Years of NSQIP Data*. Presented as podium presentation to SAGES 2017 Scientific Assembly
3. **Luhrs AR**, Gueron D, Portenier D. *VIDEO: Endoscopic T-tube Placement for the Management of Staple Line Leak after Sleeve Gastrectomy*. Presented as a podium presentation at SAGES 2019.
4. **Luhrs AR**, Davalos G, Lerebours R, Seymour K, Yoo J, Jain-Spangler K, Sudan R, Park C, Gueron D, Portenier D. *Determining the Changes in Bone Metabolism after*

- Bariatric Surgery in Postmenopausal Women*. Presented as a podium presentation at SAGES 2019.
5. Narvaez A, **Luhrs AR**, Sudan R. *VIDEO: Robot-assisted Sleeve Strictureplasty*. Accepted as a podium presentation at ASMBS Weekend 2019.
 6. Narvaez A, Esteban Perez J, Guerron D, Yoo J, **Luhrs AR**. *VIDEO: Incidental Gastric Remnant Erosion in a Patient with Band Over Bypass*. Accepted as podium presentation at Obesity Week 2019.
 7. Esteban Perez J, Castro M, Narvaez A, Guerron D, Portenier D, **Luhrs AR**. *VIDEO: Laparoscopic Repair of an Iatrogenic Diaphragmatic Hernia in a Patient Undergoing RYGB*. Presented as podium presentation to SAGES 2020.
 8. Sarna M, Giorgi M, **Luhrs AR**. Metabolic Syndrome as a Predictor of Outcome in Primary Bariatric Surgery: an MSBAQIP Survey. Accepted as Poster to SAGES 2021.
 9. Varone A, **Luhrs AR**, Giorgi M. First Assistant Training Level as a Predictor of Outcome in Primary Bariatric Surgery: an MSBAQIP Survey. Accepted as Poster to SAGES 2021.
 10. Komaromi J, **Luhrs AR**, Giorgi M. *VIDEO: Emergent Laparoscopic Antrectomy with Bilroth II reconstruction for large perforated gastric ulcer*. Accepted as Podium Presentation to SAGES 2022.
 11. Zhang J, **Luhrs AR**. *VIDEO: Robotic extraperitoneal retrorectus parastomal “Pauli” hernia repair*. Accepted as Video Abstract to SAGES 2022.
 12. Spivak H, **Luhrs AR**. *VIDEO: Laparoscopic Palliative Gastrojejunostomy and Replacement of PEG Tube*. Accepted as Video Abstract to SAGES 2022.
 13. Koeller E, Giorgi M, **Luhrs AR**. Changes in Utilization of Robotic Bariatric Surgery From 2015-2020 and Effect on Patient Outcomes. Accepted as e-Poster to ASMBS 38th Annual Meeting 2022.
 14. Leenen D, Giorgi M, **Luhrs AR**. Comparative Analysis of Adjustable Gastric Band Revision to either Sleeve Gastrectomy or Roux-en-Y Gastric Bypass. Accepted as e-Poster to ASMBS 38th Annual Meeting 2022.
 15. Danise M, Giorgi M, **Luhrs AR**. Should we convert Roux-en-Y Gastric Bypass to Duodenal Switch? Accepted as Podium Presentation to ASMBS 38th Annual Meeting 2022.
 16. Spivak H, Giorgi M, **Luhrs AR**. Conversion of Sleeve Gastrectomy to Roux en Y Gastric Bypass vs Biliopancreatic Diversion with Duodenal Switch: Safe and Viable Options. Accepted as Top Paper to ASMBS 38th Annual Meeting 2022.
 17. Tindal E, **Luhrs AR**. *VIDEO: Laparoscopic Splenectomy for COVID-19-induced Autoimmune Hemolytic Anemia*. Accepted as Video Abstract to SAGES 2023.
 18. Layman I, **Luhrs AR**. *VIDEO: Colostomy Takedown with Intra-Stomal EEA Anastomosis*. Accepted as Video Abstract to SAGES 2023.
 19. Danise M, **Luhrs AR**. *VIDEO: Robotic Incarcerated Obturator Hernia Repair with Mesh*. Accepted as Video Abstract to SAGES 2023.
 20. Zhang, **Luhrs AR**. *VIDEO: Robotic eTEP Ventral hernia and Bilateral Inguinal Hernia Repair*. Accepted as Video Abstract to SAGES 2023.
 21. Leenan D, **Luhrs AR**, Giorgi M. *VIDEO: Robotic Extended Totally Extra-Peritoneal Repair (eTEP) of Combined Ventral and Inguinal Hernia*. Accepted as Video Abstract to SAGES 2023.

22. Gabinet N, Liu Y, Ortega-Goddard E, Giorgi M, **Luhrs AR**. The Incidence of Complications and Recurrence Following Robotic eTEP in BMI >35 Versus BMI<35 Patients. Podium presentations at SAGES 2024.
23. Koeller E, Liu Y, Ortega-Goddard E, Giorgi M, **Luhrs AR**. Active Smoking Increases Risk of Wound Complications in Robotic Enhanced-View Totally Extraperitoneal (eTEP) Retro-Rectus Ventral Hernia Repairs. Podium Presentation SAGES 2024.
24. Baldi C, **Luhrs AR**. Here's the GIST: Discovering and Definitively Managing a Gastrointestinal Stromal Tumor During Robot-Assisted Hiatal Hernia Repair. Accepted as Video Abstract to SAGES 2024
25. Law B, Liu Y, Tindal E, Ortega-Goddard E, Giorgi M, **Luhrs AR**. Stop Using Drains: A Retrospective Review of Drain Placement in Robot-Assisted Enhanced View Totally Extraperitoneal Retro-rectus Ventral Hernia Repair. ePoster at SAGES 2024
26. Nwaiwu C, Liu Y, Mitchell E, Tindal E, Ortega-Goddard E, **Luhrs AR**, Giorgi M. The Impact of Unilateral Transversus Abdominus Muscle Release on Outcomes in Robot Assisted Enhanced View Totally Extraperitoneal Ventral Hernia Repair. ePoster at SAGES 2024.

INVITED PRESENTATIONS

LOCAL

Feb 24, 2015	Deluca lectureship: Case presentation and discussion Brown University • Department of Pediatric Surgery
Mar 15, 2015	Grand Rounds: A protocolled approach to small bowel obstructions Brown University • Department of Surgery
Jun 14, 2016	Grand Rounds: Effect of Time to CT in Traumatic Brain Injury Brown University • Department of Surgery
Oct 10, 2017	Grand Rounds: Minimally Invasive Hernia Repair: Review of 20 years of data Brown University • Department of Surgery
Oct 29, 2019	Grand Rounds: Body Weight Homeostasis and Bariatric Surgery Brown University • Department of Surgery
Oct 13, 2020	Grand Rounds: Innovations in Hernia Surgery Brown University • Department of Surgery
Dec 1, 2022	Grand Rounds: What is a Surgical Endoscopist? A Paradigm Shift in the Management of Achalasia and Gastroparesis. Brown University • Department of Gastroenterology
Nov 19, 2024	Grand Rounds: A Road to Excellence: Development of Comprehensive Hernia Center Brown University • Department of Surgery

NATIONAL

March 23, 2017	Body Mass Index as a Predictor of Surgical Site Infection After Laparoscopic Appendectomy: Reviewing Nine Years of NSQIP Data. • SAGES – 2017 Scientific Assembly
April 4, 2019	Endoscopic T-tube Placement for the Management of Staple Line Leak after Sleeve Gastrectomy • SAGES – 2019 Scientific Assembly
April 5, 2019	Determining the Changes in Bone Metabolism after Bariatric Surgery in Postmenopausal Women • SAGES – 2019 Scientific Assembly
June 26, 2021	Role of Endoscopic Myotomy in Gastrointestinal Motility Disorders • International College of Surgeons - 82 nd US Section Annual Surgical Update
March 13, 2025	Top Controversies in Paraesophageal Hernia Repair. When to use Mesh? • SAGES - 2025 Scientific Assembly
March 26, 2026	Great Debates: Role for Fundoplication in Managment of GERD. • SAGES - 2026 Scientific Assembly
July 17, 2026	Management of hernia in the bariatric patient, should we push the boundaries? • Virginia Bariatric Society - 2026 Scientific Assembly

GRANTS

1. Comparing Outcomes of Robotic and Open Repair for Moderate and Large Ventral Hernia. SAGES 2020 Robotic Research Grant. \$27,762.50. March 3, 2020. Co-Investigator.

UNIVERSITY TEACHING ROLES

Course lecturer, PA533: “Surgery”, Bryant University, Smithfield RI, 2019-present, average class size 100.

Clerkship lecturer, Surgery Clerkship, Warren Alpert Medical School of Brown University, 2019-Current, average attendance 12

Fundamentals of Laparoscopic Surgery and Fundamentals of Endoscopic Surgery teacher for residents PGY1-4 at Brown University, bi-monthly, 5-10 residents ca. 2019-present

Faculty Administrator, Minimally Invasive and Bariatric Surgery Journal Club, Warren Alpert Medical School of Brown University, 2019-Present, average attendance 8

Faculty Lecturer, Minimally Invasive and Bariatric Surgery Service Conference, Warren Alpert Medical School of Brown University, 2022-Present, Medical Students, Residents and Fellows in Attendance. Average Attendance 20. Presented material includes DEI topics related to obesity and disparities in care.

Faculty Administrator, Minimally Invasive Surgery Fellowship Teaching Curriculum, Warren Alpert Medical School of Brown University, 2019-Present. Rewrote fellows curriculum to ensure all topics required by the Fellowship Council for certification are covered.

Faculty Research Mentor, Minimally Invasive Surgery Fellowship, Warren Alpert Medical School of Brown University, 2020-Present.

Course Director SURG4285: Surgery Boot Camp, Warren Alpert Medical School of Brown University, 2022-Present.

Course lecturer, IPC4315: “Common Topics in Surgery”, Warren Alpert Medical School of Brown University, Providence RI, 2022-present.

Faculty Mentor, 4th year medical students interested in surgical residency, Warren Alpert Medical School of Brown University, 2023-Present. Monthly Zoom Meetings to Prepare for Match During 4th year. Average attendance 5 students.

HOSPITAL TEACHING AND MENTORSHIP ROLES

Career mentoring, David Kim MD, obtained categorical General Surgery residency spot at Brown University, 2016, Plastic Surgery fellowship 2019

Career and research mentoring, Richie Goriparthi MD, presented poster at ASMBS Obesity week 11/2018, matched in MIS bariatric fellowship at Abington/Thomas Jefferson University 2019

Career mentoring, Alicia Alterio MD, matched in MIS/Bariatric fellowship at Brown University 2019, job search and career goals, obtained job as bariatric surgeon at Signature Healthcare, Brockton MA 2020.

Career and research mentoring Polina Zmijewski, chief resident, obtained job as faculty at UAB and research position in endocrine surgery 2020

Longitudinal Clerkship Mentor, The Warren Alpert Medical School of Brown University, Providence RI, 2019-2020, Student: Kathryn Sullivan MD’21

Career and research mentoring, Roberto Cortez, surgery resident, 2020, had peer-reviewed video accepted SAGES national meeting 2021 and 2022. Matched in Trauma/critical care fellowship in University of Miami 2021

Career and research mentoring, David Leenen, surgery resident, 2020, had peer-reviewed video accepted SAGES national meeting 2021, matched in MIS/Bariatric fellowship at Providence Portland Medical Center 2021

Career and research mentoring, Andrew Varone, surgery resident 2020, had peer-reviewed abstract accepted SAGES national meeting 2021, matched in trauma critical care fellowship at Shock Trauma, Maryland 2021; matched MIS fellowship at The Ohio State

Career and research mentoring, Matthew Sarna, surgery resident 2020, had peer-reviewed abstract accepted SAGES national meeting 2021, matched in MIS/Bariatric fellowship at Albany Medical Center 2021, manuscript published in Surgical Endoscopy in Jan. 2022

Career and research mentoring, Judit Komaromi, surgery resident 2021, had video accepted for podium presentation at SAGES national meeting, Denver, CO 2022

Career and research mentoring, Holden Spivak, surgery resident 2021, had video accepted for presentation at SAGES national meeting, Denver, CO, 2022, top paper podium presentation at ASMBS national conference 2022

Mentor in Surgery and Research, The Warren Alpert Medical School of Brown University, Providence RI, 2019-2022, Student: Anastasia Tillman MD'23 – COVID-19 and Obesity awarded Summer Assistantship Grant to work on the above.

Mentor in Surgery and Research, The Warren Alpert Medical School of Brown University, Providence RI, 2019-2020, Student: Sarah Hayes MD'21 – Utility of Upper GI Series in the Preoperative Work up of Primary Weight Loss

Longitudinal Clerkship Mentor, The Warren Alpert Medical School of Brown University, Providence RI, 2020-2021, Student: Mattie Boehler-Tatman MD'22

Longitudinal Clerkship Mentor, The Warren Alpert Medical School of Brown University, Providence RI, 2020-2021, Student: Daniel Oliveri MD'22

Surgery Clerkship Outpatient Preceptor, The Warren Alpert Medical School of Brown University, Providence RI, 2020-2021, Student: Zachary Silber MD'22

Surgery Clerkship Outpatient Preceptor, The Warren Alpert Medical School of Brown University, Providence RI, 2021-2022, Student: Gregory Cohen MD'23

Surgery Clerkship Outpatient Preceptor, The Warren Alpert Medical School of Brown University, Providence RI, 2021-2022, Student: Michael Kwok MD'23

Surgery Clerkship Outpatient Preceptor, The Warren Alpert Medical School of Brown University, Providence RI, 2021-2022, Student: Christopher Loh MD'23

Surgery Clerkship Outpatient Preceptor, The Warren Alpert Medical School of Brown University, Providence RI, 2021-2022, Student: Megan Duckworth MD'23

Surgery Clerkship Outpatient Preceptor, The Warren Alpert Medical School of Brown University, Providence RI, 2021-2022, Student: Marie Anderson MD'23

Mentor in Surgery and Research, The Warren Alpert Medical School of Brown University, Providence RI 2021-Current, Student Cassandra Fierro MD'25

Surgery Clerkship Outpatient Preceptor, The Warren Alpert Medical School of Brown University, Providence RI, 2021-2022, Student: Olivia Rocio MD'23

Surgery Clerkship Outpatient Preceptor, The Warren Alpert Medical School of Brown University, Providence RI, 2021-2022, Student: Ingrid Mader MD'24

Surgery Clerkship Outpatient Preceptor, The Warren Alpert Medical School of Brown University, Providence RI, 2022-2023, Student: Andrew Barton MD'25

Surgery Clerkship Outpatient Preceptor, The Warren Alpert Medical School of Brown University, Providence RI, 2022-2023, Student: Victoria Briody MD'25

Surgery Clerkship Outpatient Preceptor, The Warren Alpert Medical School of Brown University, Providence RI, 2022-2023, Student: Alexandra Helliwell MD'25

Surgery Clerkship Outpatient Preceptor, The Warren Alpert Medical School of Brown University, Providence RI, 2022-2023, Student: Rodrigo Berreta MD'25

Surgery Clerkship Outpatient Preceptor, The Warren Alpert Medical School of Brown University, Providence RI, 2022-2023, Student: Allison Navarrete-Welton MD'25

Surgery Clerkship Outpatient Preceptor, The Warren Alpert Medical School of Brown University, Providence RI, 2022-2023, Student: Katie Chiou MD'25

Surgery Clerkship Outpatient Preceptor, The Warren Alpert Medical School of Brown University, Providence RI, 2022-2023, Student: Sara Enos MD'25

Longitudinal Clerkship Mentor, The Warren Alpert Medical School of Brown University, Providence RI, 2020-2021, Student: Cameron Ayala MD'25

DIVERSITY, EQUITY, AND INCLUSION ACTIVITIES

Completed 6-part Justice, Equity, Diversity, & Inclusion (JEDI) Surgical Training Curriculum

Faculty Administrator, Minimally Invasive and Bariatric Surgery Service Conference, Warren Alpert Medical School of Brown University, 2022-Present, Medical Students, Residents and Fellows in Attendance. Average Attendance 20. Presented material includes DEI topics related to obesity and disparities in care.

Completed SAGES: Fundamentals of Leadership Development. Fundamentals of Leadership Development (FLD) is designed to teach surgical leaders how to build equitable excellence in academic surgery.
