

Revised 04/07/2022

CURRICULUM VITAE
BRIAN COYNE KAVANAUGH, PSYD ABPP-CN

Emma Pendleton Bradley Hospital
1011 Veterans Memorial Parkway
East Providence, RI 02906
(401) 432-1359
Brian_Kavanaugh@Brown.edu
BKavanaugh@Lifespan.org

EDUCATION

Undergraduate
Graduate School

Loyola College in Maryland, Psychology, Bachelor of Arts (BA), 2009
Antioch University New England, Clinical Psychology, Master of Science (MS)
& Doctor of Psychology (PsyD), 2014; Dissertation: "The Examination of Peer
Relationships in Adolescents with Cancer" Defended in May, 2013 Dissertation
Chair: Victor Pantesco, Ed.D.

POSTGRADUATE TRAINING

Internship (APA Accredited)

Kennedy Krieger Institute/Johns Hopkins University School of Medicine.
Pediatric Neuropsychology & Pediatric Psychology. Baltimore, MD. July 2013 –
June 2014.

Fellowship (APA Accredited)

E. P. Bradley Hospital/Alpert Medical School of Brown University. Pediatric
Neuropsychology. Providence, RI. August 2014 – August 2016.

PROFESSIONAL LICENSES AND BOARD CERTIFICATION

Board Certified in Clinical Neuropsychology, American Board of Professional Psychology (2021)
Board Certified Subspecialty in Pediatric Clinical Neuropsychology, American Board of Professional Psychology (2021)
Licensed Psychologist, Rhode Island # PS01545 (2016)
Licensed Psychologist, Massachusetts # 11235 (2019)

HOSPITAL APPOINTMENTS

August 2016- Present
August 2016- 2019

Pediatric Neuropsychologist, E. P. Bradley Hospital
Pediatric Neuropsychologist, Rhode Island Hospital

ACADEMIC APPOINTMENTS

July 2017- Present

Assistant Professor (Research), Psychiatry & Human Behavior
Alpert Medical School of Brown University

September 2016- June 2017

Instructor, Psychiatry & Human Behavior
Alpert Medical School of Brown University

OTHER APPOINTMENTS

Consulting Editor:
Ad Hoc Reviewer:

Journal of the International Neuropsychological Society (2019-present)
Archives of Clinical Neuropsychology; Child Neuropsychology; Journal of the
International Neuropsychological Society; The Clinical Neuropsychologist;
Journal of Clinical & Experimental Neuropsychology; Applied
Neuropsychology: Adult; Applied Neuropsychology: Child; Cognition &
Emotion; Aging and Mental Health; Journal of American Psychology;
Frontiers Psychology; Psychiatry Research; Brain and Cognition; Infant and
Child Development; The American Journal of Geriatric Psychiatry;
Neuropsychology Review; Epilepsy & Behavior; Schizophrenia Bulletin

Rhode Island consortium for autism research and treatment (RICART): A statewide, population-based resource for studies in autism. *Brown University Mind Brain Research Day*.
28. Ouyang, Q., **Kavanaugh, B.**, Righi, G., Crown, A., Schmidt, M., Pavinato, L., Brusco, A., & Morrow, E. M. (2019). Novel SLC9A6 mutations in patients with autism. *Brown University Mind Brain Research Day*.

INVITED PRESENTATIONS

1. "Clinical neuropsychology: Clinical and research applications." Tufts University, Clinical Psychology Seminar, Once per semester guest lecturer, March 2018-present (Local).
2. "Executive dysfunction in childhood and adolescent psychopathology." E. P. Bradley Hospital, Lunch & Learn Series, March 2018 (Local).
3. "Christianson syndrome: Ongoing research." First Annual CSA Family Gathering: Mid-Atlantic Region/Loop for Luke, May 2019, Columbia, MD (Regional).
4. "Executive dysfunction in childhood and adolescent psychopathology." Butler Hospital, Stress & Adversity Meeting, June 2018 (Local).
5. "Theta and gamma oscillations: Working memory and its modulation." Butler Hospital Neuromodulation Research Facility, May 2019 (Local).

6. “Brain-based approaches to ADHD and executive functions.” Children and Adults with ADHD (CHADD) Rhode Island Chapter Meeting, January 2020 (Local).
7. “The neuropsychology of childhood trauma.” Bradley Conference, October 2020 & April 2021 (Local).
8. “Cognitive remediation.” Tufts University, Cognitive-Behavioral Therapy class, October 2020 (Local).
9. “The neuropsychology of childhood trauma.” Boston College, Clinical Psychology Seminar, November 2020 (Local).

AWARDED GRANTS

Current

1. National Institute of Mental Health: K23 MH129853
04/01/22-03/31/27
Modulation of frontoparietal dynamics in adolescent working memory deficits
Role: **Principal Investigator**; Total direct costs: \$851,455
2. The COBRE Center for Neuromodulation (1P20GM130452 PI: Greenberg): Pilot Project Program
10/1/21-3/30/23
Modulation of frontoparietal dynamics underlying adolescent working memory deficits
Role: **Principal Investigator**; Total direct costs: \$92,000
3. Brain & Behavior Research Fund (formally NARSAD): Young Investigator Grant
1/15/22-1/14/24
The modulation of neural dynamics underlying working memory deficits in adolescent psychopathology
Role: **Principal Investigator**; Total direct costs: \$70,000
4. Carol Peterson Grant
07/01/21-06/30/23
A trial of two-week brain stimulation for teenagers with ADHD
Role: **Principal Investigator**; Total direct costs: \$70,000

Completed

1. Rhode Island Foundation: Medical Research Funds
04/01/18-10/30/21
rTMS and executive functioning training for working memory deficits in adolescent psychopathology
Role: **Principal Investigator**; Total direct costs: \$25,000
2. Thrasher Research Fund: Early Career Award Program
04/01/18-3/30/22
rTMS and executive functioning training for working memory deficits in adolescent psychopathology
Role: **Principal Investigator**; Total direct costs: \$25,000
3. U54GM115677 (PI: Padbury): Advance Clinical Translational Research Program Pilot Projects Award
12/08/20 – 9/07/21
Epilepsy and neurocognitive function in patients with neurogenetic disorders
Role: **Subaward Multiple Principal Investigator**; Total direct costs: \$75,000 (subaward)
4. APA Society for Clinical Neuropsychology: Early Career Pilot Study Award
07/01/2017-06/30/2018 (nce: -6/30/2019)
Cognitive training to treat neural, cognitive and behavioral levels of executive functioning deficits in children with anxiety/depressive disorders
Role: **Principal Investigator**; Total direct costs: \$15,000
