EDUCATION

- Ph.D.** Psychology, Stanford University: January 1995
Mag.rer.nat. Co-terminal M.S., Psychology, University of Graz, Austria: June 1989
Mag.phil. Co-terminal M.A., Philosophy, University of Graz, Austria: June 1987

PROFESSIONAL EXPERIENCE

- 2010-present **Professor**, Department of Cognitive, Linguistic, & Psychological Sciences, Brown University
 2015-present **Co-Director**, Humanity-Centered Robotics Initiative, Brown University
 2008-2010 **Professor**, Department of Psychology, Brown University
 2007-2008 **Professor**, Department of Psychology, University of Oregon, Eugene
 2001-2007 **Director**, Institute of Cognitive and Decision Sciences, University of Oregon, Eugene
 2000-2007 **Associate Professor**, Department of Psychology, University of Oregon, Eugene
 1994-2000 **Assistant Professor**, Department of Psychology, University of Oregon, Eugene
 1990-1994 **Research Associate**, Bureau for Social Research, Graz, Austria
 1987-1991 **Project Associate**, Department of Psychiatry, University of Graz, Austria
 1987-1989 **Project Manager**, Road Safety Board, Graz, Austria
 1986-1990 **Research Assistant**, Psychology Department, University of Graz, Austria

AWARDS, HONORS

- Fellow (2024)**, Cognitive Science Society
Best paper award, *Theory and Methods* category, *International Conference on Human-Robot Interaction (HRI '21)*
Scientific Impact Award (2019), Society of Experimental Social Psychology, for 1994 journal article on social dominance orientation, with Felicia Pratto, Jim Sidanius, and Lisa Stallworth
Invited Visiting Scholar (October 2018), Carnegie Mellon University
Fellow (2018), Society for Personality and Social Psychology (SPSP)
Best publication award 2018, *Decision Analysis Society* for article co-authored with Ülkümen and Fox (2016).
Best paper award, *Enabling Knowledge* category, *International Conference on Human-Robot Interaction (HRI '15)*
Fellow (2013), Association of Psychological Science (APS)
President, Society of Philosophy and Psychology, 2009-2010
Posner/Boies Fellowship 2004, University of Oregon
Fellow (1995), Society for Experimental Social Psychology (SESP)
Outstanding Dissertation Award 1995, Society of Experimental Social Psychology (SESP)
Travel Awards: Society for Personality and Social Psychology (1992, 1994), American Psychological Society (1992), Provincial Government of Styria, Austria (1989)

GRANTS

- Department of Defense—Chief Digital and Artificial Intelligence Office (CDAO)**, Prototype OTA contract no. W519TC-24-9-2012, *Validation of a measure of trust in artificial agents*, \$215,763.00, 2024-2025
Deloitte and Touche LLP Research Collaboration Agreement, *DEFT - Developing and Evaluating a Framework for Trust Assessment* (PI). \$203,376, 5/2022 - 5/2024.

- Air Force Office of Scientific Research**, *Moral Justification to Foster Human-Machine Trust* (co-PI), FA9550-21-1-0359, \$997,000. 2021-2024.
- Department of Defense MINERVA Research Initiative**, *The Power of Moral Justifications to Foster Human-Machine Trust and Collaboration* (PI), \$399,894. Recommended for funding 2/2020, declined because co-PI changed affiliation, which eliminated a grant requirement.
- NSF Partnership for Innovation/Building Innovation Capacity (PFI:BIC) Award**, *Next generation robotic intelligence that provides psycho-social support for older adults* (PI), IIP-1717701 \$999,803, 2017-2020.
- Army Research Laboratory**, *Appropriate calibrations of trust for supporting soldier-robot teaming* (co-PI). Subaward T2C2S3D to General Dynamics Land Systems grant PO40282276, under Contract Number W911NF-10-2-0016 to RCTA. \$50,000, 2017-2018.
- Rhode Island Commerce Corporation**, Innovation Voucher in collaboration with Sproutel, Inc., *Evaluating psychosocial support provided by Jerry the Bear for Type 1 diabetes* (Project leader Malle), \$50,000, May 2017-July 2019.
- Defense Advanced Research Projects Agency (DARPA)**, *Foundations of Human-Machine Collaboration: Networks of Social and Moral Norms in Human and Artificial Agents* (PI), \$413,092, April 2016 – January 2017. (Managed as AFOSR FA9550-16-1-0045).
- Office of Naval Research (ONR)**, MURI: *Moral competence in computational architectures for robots: Foundations, implementations, and demonstrations* (co-PI; M. Scheutz, PI), Brown portion: \$1,377,030, 1/2014-12/2019.
- Brown University's Provost's Office**, *Humanity-Centered Robotics Initiative* (Co-director), \$1,020,000, 2015-2020.
- Office of Naval Research (ONR)**, *The role of affective phenomena in moral judgment* (PI), \$713,571, 1/2013-1/2017.
- John Templeton Foundation/FSU Research Foundation**, *Developing a model of the folk concept of free will and its impact on moral judgment* (PI), \$274,029; 2011-2013.
- Mellon Grant**, Brown University, \$7,000, 2010. (Sponsor for Andrew E. Monroe)
- NSF Award**: *Is there a hierarchy of social inference? Intentionality, mind, and morality* (PI), \$264,605; 2008-2011.
- Army/Department of Defense STTR Subcontract Award**: *Underlying cognitive processes of leadership behavior and development*, (Subcontract PI), \$40,000; 2002-2003.
- NSF CAREER Award** (Faculty Early Career Development): *The Folk Theory of Behavior: Implications for Social Perception and Interaction*, (PI), \$253,312; 1997-2001.
- NSF Instrumentation Award**: *Wireless Laboratory for Interpersonal Cognition*, \$45,372, 1997. (Co-PIs Malle, John Orbell)

TEACHING

Brown University

- UNDERGRADUATE:** **Social Psychology** as Psyc0210 (2009), as CLPS 700 (2010, 2011, 2016, 2017, 2018, 2019, 2023); **Blame and Punishment** CLPS 1750 (2020, 2022)
- GRADUATE:** **Foundations of Advanced Statistics** CLPS 2980 (2022, 2023), **Multivariate Statistics** as Psyc2080 (2009, 2010), as CLPS 2908 (2011-2015, 2017, 2018, 2019, 2020); **Social Cognitive Science Seminar** (2010); **Graduate Proseminar** CLPS2000 (2012, 2013, 2014).

University of Oregon

UNDERGRADUATE: **Cognitive Science** Psy 430 (2005, 2006, 2008); **Introduction to Psychology** HC 212 (1997, 1998, 2000, 2003); **Judgment and Decision Making** Psy 458 (twice 1995); **Moral Sentiments** Psy 410 (2001); **Other Minds** HC 431 (2004); **Self and Others** Psy 410 (1998,1999); **Social Psychology** Psy 456 (1995, twice 1996, 1998, 1999, 2002, 2007).

GRADUATE: **Intentionality** Psy 607 (1997); **Moral Sentiments** Psy 607 (2000); **Multivariate Statistics** Psy 613 (1996-2008); **Psychology and the Social World** Psy 615 (1996, 1997, 2004, 2005, 2007); **Social Cognitive Science Psychology** 607 (2007); **The Perception of Self and Other** Psy 607 (1996).

Journeys into the mind: Viennese roots of modern thinking (AHA teaching abroad, 2001)

Stanford University

The Person and the Decision (1993); **Mind, Brain, and Behavior** (guest lecture, 1993)

UNIVERSITY AND DEPARTMENTAL SERVICE

Brown University:

-
- Promotion committee for E. Festa, 2024-25
 - Graduate program advisor, 2023-current
 - Chair of promotion committee for J. Okonofua, 2023-24
 - Chair of search committee for lecturer in statistical methods, 2023-24
 - Director of graduate studies, CLPS, 2022-2023
 - Co-director, *Humanity-Centered Robotics Initiative (HCRI)*, 2012-
 - Associate chair, CLPS, 2013-2019
 - Co-organizer, *Societal Implications of Robotics Symposium (SIRoS)*, May 2015, March 2017
 - Co-chair of Associate Director search committee, *Humanity-Centered Robotics Initiative*, 2015-16
 - Chair of faculty search committee for Social Psychology, 2014-15
 - Faculty search committee, Cognition, 2012-13
 - Promotion committee, D. Sobel, 2012-13
 - Director of graduate studies, CLPS, 2010-2014
 - Graduate advisor for psychology, 2010-2013
 - Promotion committee for W. Heindel, 2009/10
 - Chair of Faculty search committee, Social Psychology, 2009/10
 - Co-departmental governance committee, 2009

University of Oregon:

-
- Chair, faculty search committee, Social/Affective Neuroscience (2006/7 and 2007/8)
 - Promotion committee for L. Moses (2007)
 - Joint Senate-Academic Affairs committee on course evaluations and online implementation (2007)
 - University of Oregon Faculty Senator (2006-2008)
 - Coordinator, Bend Psychology Program (2005-2008)
 - Search committee chair, Bend Research Associate (2005)
 - Director, Institute of Cognitive and Decision Sciences (2001-2004; 2004-2007)
 - Faculty search committee, Personality-Social (2003/4)
 - Director of graduate studies (1998-2001)
 - Co-chair, planning and program review committee, Psychology (2000-2001)
 - Executive Committee, Institute of Cognitive and Decision Sciences (1997-2001)
 - Tenure Committee for Sara D. Hodges (2000)

- Search Committee, Clinical (1999)
- Graduate Education committee (1997-1998)
- Planning Committee, Cognitive/Neuroscience (1997)
- Technical Support Survey, Psychology (1997)
- Chair of Psychology Human Subjects Committee (1996-1998)
- Organizer of Social-Personality area seminar (1996-1998, 2002-2006)
- Presentations on teaching with technology, summer course and technology fair (1996, 1997, 1999)
- Organizer of Hill Center of Social Cognition and Decision Making seminar (1996-1998)
- Supervision of Hill Center instrumentation (1996-2007)
- Search Committee, Institute of Cognitive and Decision Sciences (1996)
- Faculty Speaker at Psi Chi ceremony (1996)

PROFESSIONAL SERVICE

Co-chair, committee on “Embedding values in AI” as part of the IEEE Global Initiative on Ethics of Autonomous and Intelligent Systems (2017-2019)

Steering Committee Member, APA conference on *Technology, Mind, And Society* (2017-2018)

Member, Program Committee for *We Robot 2017, AIES (AI, Ethics, and Society)*, 2019

Founding Advisor, Psychology of Technology Institute, UC Berkeley (2016-)

Co-editor, Special Issue on *Explainable robotic systems* in ACM Transactions in Human Robot Interaction (2021)

Associate Editor, *Frontiers in Robotics and AI: Ethics in Robotics and Artificial Intelligence* (2015–2021)

Editorial Board, *Journal of Theoretical Social Psychology* (2017-).

Ad-hoc Associate Editor, RoMAN (2015, 2020), *Frontiers in Robotics and AI: Human-Robot-Interaction* (2020-), *Frontiers in Psychology* (2020-)

Ad-hoc Senior Editor, *Behavioral Science and Policy*, Spotlight on robotics and policy (2016-2017)

Senior Editor (Social Science), *Journal of Human-Robot Interaction* (2015-2017)

Editorial Board, *Personality and Social Psychology Review* (2010-)

Editorial Board, *Social Neuroscience* (2007–10).

Consulting Editor, *Personality and Social Psychology Bulletin* (2004).

Committee Member, SESP Dissertation Award (2003).

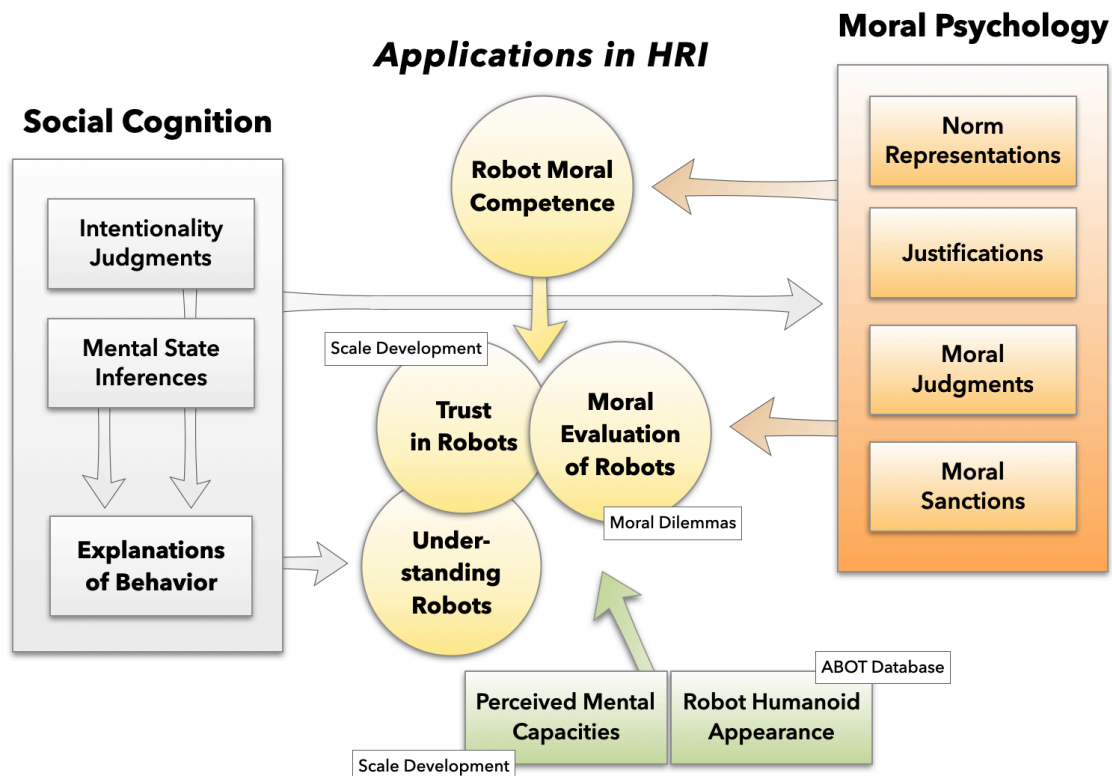

Conference and Workshop Organization:

- Workshop on *Explainable robotic systems* at the 2018 ACM/IEEE International Conference on Human-Robot Interaction, HRI '18
- International Workshop on *Morality and Robots: Moral HRI* (2018, Tokyo, Japan)
- Workshop on *Self-Driving Fast Toward Us—Social and Ethical Implications of Autonomous Vehicles* at the 3rd Robophilosophy conference (2018, Vienna, Austria)
- International Workshop on *Normative HRI: Ethics of and for Robots* (2017, Vienna, Austria)
- Interdisciplinary Conference on *Societal Implications of Robotics* (Brown, 2015 and 2017)
- *IEEE International Conference on Development and Learning (ICDL)/EpiRobotics* (Brown, 2015)
- *Society of Philosophy and Psychology Annual meeting* (Brown, 2013)
- Interdisciplinary Conferences on *Other Minds* (Oregon, 2003), *Evolution of Language out of Pre-language* (Oregon, 2001), and *Intentionality* (University of Oregon, 1998).

B. Invited or Refereed Presentations

2024

- Malle, B. F. (2024, June). *Multi-dimensional trust: History, evidence, and applications to individuals and systems*. Keynote presented at MULTITRUST 3.0. the 3rd International Workshop on Multidisciplinary Perspectives on Human-AI Team Trust, as part of the HHAI conference, Malmö, Sweden.
- Malle, B. F. (2024, March). *Human trust in artificial intelligence*. Invited presentation at the Conference on AI Ethics & Human-Computer Interaction, University of Graz, Austria, March 6-7, 2024.
- Malle, B. F. (2024, February). *Blaming badly, blaming well*. Invited presentation at the Moral psychology preconference to the Annual Convention of the Society of Personality and Social Psychology, San Diego, CA, February 8-10.

2023

- Malle, B. F. (2023, October). *What kind of robot should we build for older adults? Interdisciplinary explorations*. Invited talk at the International Medical Conference in 2023—Smart Health Care for Older Adults. Taichung Veterans General Hospital, Taiwan.

- Malle, B. F. (2023, October). *Multi-dimensional trust in humans, machines, and institutions*. Invited colloquium, Department of Psychology, National Taiwan University.
- Malle, B. F., & Ullman, D. (2023, August). *Measuring human-robot trust with the MDMT (Multi-Dimensional Measure of Trust)*. Refereed paper presented at the workshop on Trust, Acceptance and Social Cues in Human-Robot Interaction (SCRITA), as part of RO-MAN '23, Busan, Korea.
- Malle, B. F., & Aydin, Z. (2023, August). *Norm representations are graded: A replication in Turkish*. Refereed paper presented at the 13th International Conference on Cognitive Science, Seoul, Korea.
- Malle, B. F., & Phillips, E. K. (2023, August). *Do moral justifications mitigate blame for a robot's norm violation?* Refereed paper presented at the workshop on Human-Robot Interaction for Explainability in Robotics, as part of RO-MAN '23, Busan, Korea.
- Chi, V. B., & Malle, B. F. (2023, August). *Calibrated human-robot teaching: What people do when teaching norms to robots*. Refereed paper presented at the 32nd IEEE International Conference on Robot and Human Interactive Communication (RO-MAN '23), Busan, Korea.
- Chi, V. B., & Malle, B. F. (2023, March). *People dynamically update trust when interactively teaching robots*. Refereed paper presented at the 2023 ACM/IEEE International Conference on Human-Robot Interaction, Stockholm, Sweden.
- Malle, B. F., Rosen, E., Chi, V. B., & Ramesh, D. (2023, August). *What properties of norms can we implement in robots?* Refereed paper presented at the 32nd IEEE International Conference on Robot and Human Interactive Communication (RO-MAN 2023), Busan, Korea.
- Malle, B. F. (2023, May). *Artificial moral intelligence: Is it possible? Should we create it?* Invited lecture at the University of Helsinki, Finland, as part of the Moralities of Intelligent Machines initiative.
- Malle, B. F. (2023, April). *How to implement cognitive and social properties of norms in robots: The promise of behavior trees*. Invited presentation at the Dagstuhl Seminar *Normative Reasoning for AI*. Dagstuhl, Germany.
- Malle, B. F., Chi, V., & Rebola, C. B. (2023, November). *Older adults' understanding of signals communicated by robot companions for caregiving*. Refereed paper presented at the annual conference of the Gerontological Society of America (GSA), Tampa, Florida.
- Malle, B. F., Rosen, E., Chi, V. B., & Ramesh, D. (2023, March). *Robots capable of norm-appropriate action (not moral agency)*. Refereed paper presented at the Moral Agency workshop as part of the 2023 ACM/IEEE International Conference on Human-Robot Interaction, Stockholm, Sweden.

2022

-
- Malle, B. F. (2022, December). *Artificial moral agents: The future of robots in society?* Invited talk at Graz Lecture Series on Psychology and Technology, Steirische Gesellschaft für Psychologie. [remote]
- Malle, B. F. (2022, September). *Human and machine morality*. Invited colloquium in the Distinguished Speaker Series of the Cognitive Science program, Michigan State University.
- Malle, B. F. (2022, July). *Beyond fairness and explanation: Foundations of trustworthiness of artificial agents*. Invited talk at *Proceedings of the 2022 AAI/ACM Conference on AI, Ethics, and Society (AIES)*. Abstract at <https://doi.org/10.1145/3514094.3539570>
- Malle, B. F. (2022, June). *Explanations are not enough: The power of justification in repairing trust*. Invited talk at the 4th International Workshop on Explainable AI Planning (XAIP) as part of the 32nd International Conference on Automated Planning and Scheduling (ICAPS). [remote]
- Malle, B. F. (2022, May). *From explanation to justification to trust in human-machine interaction*. Keynote talk at the 4th International Workshop on EXplainable and TRAnsparent AI and Multi-Agent Systems (EXTRAAMAS 2022) [remote].

Malle, B. F. (2022, April). *The social-cognitive nature of norms*. Invited colloquium talk at the Psychology Department, Princeton University, NJ.

Malle, B. F. (2022, March). *Robots that explain, justify, and show norm awareness*. Keynote talk at the AAAI SSS-22 Symposium Series, "Closing the Assessment Loop: Communicating Proficiency and Intent in Human-Robot Teaming," Stanford University, CA.

Malle, B. F. (2022, February). *Norm for humans and robots*. Keynote talk at the International Workshop on Machines of Change: Robots, AI and Value Change, TU Delft, Netherlands.

2021

Malle, B. F. (2021, December). *A society's well-being depends on norms and their enforcement*. Invited talk at International Symposium for the Kokoro Research Center Interdisciplinary Research Project. [remote]

Malle, B. F. (2021, October). *Robots with norms: Teaching, learning, and evaluation*. Keynote presentation at the workshop "Building and Evaluating Ethical Robotic Systems," as part of the International Conference on Intelligent Robots and Systems (IROS). [remote]

Malle, B. F. (2021, July). *The moral element in human-robot interaction*. Invited talk at the Summer School of the Collaborative Research Center "Hybrid Societies," Chemnitz University of Technology. [remote]

Malle, B. F., Austerweil, J. L., Chi, V. B., Kenett, Y. N., Beck, E. D., Thapa, S., & Allaham, M. (2021, July). *Cognitive properties of norm representations*. Refereed paper presented at the 43rd Annual Meeting of the Cognitive Science Society, Vienna, Austria. [remote]

Ullman, D., Phillips, E., Aladia, S., Haas, P., Fowler, H. S., Iqbal, I. S., Mi, K. L., Riches, I. W., Omori, M., & Malle, B. F. (2021). *Evaluating psychosocial support provided by an augmented reality device for children with Type 1 diabetes*. Refereed paper presented at the International Symposium on Human Factors and Ergonomics in Health Care [remote].

Rebola, C. B., & Malle, B. F. (2021). *A longitudinal study of older adults' acceptance of robot companions and their effects on well-being*. Refereed paper presented at the Annual Meeting of the Gerontological Society of America, Nov 10, 2021. <https://scholar.uc.edu/concern/articles/2j62s6318?locale=zh>

Starr, N., Malle, B. F., & Williams, T. (2021, March). *I need your advice...human perceptions of robot moral advising behaviors*. Refereed paper presented at the 2021 TRAITS Workshop (The Road to a successful HRI: AI, Trust and ethicS) [remote].

Komatsu, T., Malle, B. F., & Scheutz, M. (2021, March). *Blaming the reluctant robot: Parallel blame judgments for robots in moral dilemmas across U.S. and Japan*. Refereed paper presented at the 2021 ACM/IEEE International Conference on Human-Robot Interaction [remote].

Ullman, D., Aladia, S., & Malle, B. F. (2021, March). *Challenges and opportunities for replication science in HRI: A case study in human-robot trust*. Refereed paper presented at the 2021 ACM/IEEE International Conference on Human-Robot Interaction [remote].

Malle, B. F. (2021, February). *The human road to explainable AI*. Invited presentation at the AAAI-21 Workshop on Explainable Agency in AI (Panel 2: Social Sciences), 35th AAAI Conference on Artificial Intelligence [remote].

2020

Malle, B. F., Ullman, D., & Phillips, E. (2020, November). *How trust and explainability are related: A multi-dimensional framework*. Invited talk at AAAI 2020 Fall Symposium on Artificial Intelligence for Human-Robot Interaction (AI-HRI). November 13-14. [remote]

Malle, B. F. (2020, November). *Ingredients of a moral robot*. Invited presentation at the Duke-Kunshan conference on Artificial Intelligence & Ethics, 11/05/2020. [remote]

Malle, B. F. (2020, October). *The virtue of low robot expectations*. Invited presentation at the Mini-Conference about Digital Partners and Robots and Algorithms, Graduate School of Business, Stanford University, October 7, 2020. [remote]

Malle, B. F., Rosen, E., Chi, V. B., Berg, B., & Haas, P. (2020, September). A general methodology for teaching norms to social robots. Refereed paper presented at the *29th IEEE International Conference on Robot and Human Interactive Communication (RO-MAN)*. [remote]

Malle, B. F. (2020, September). *When robot appearance matters and when it doesn't*. Invited talk at the International Conference on Robot Ethics and Standards (ICRES). [remote]

Malle, B. F. (2020, September). *A general methodology for teaching norms to social robots*. Paper presented at the 29th International Conference on Robot & Human Interactive Communication (RO-MAN). [remote]

Malle, B. F. and Ullman, D. (2020, September). *Trust in multiple dimensions*. Keynote talk at workshop on Trust, Acceptance and Social Cues in Human-Robot Interaction [remote]

Keynote address at the Jena Intergroup Workshop, July, 2020. Cancelled.

Plenary lecture at Robophilosophy, August 18-21, 2020. Declined.

2019

Malle, B. F. (2019, December). *Perceived mind and morality of machines*. Invited colloquium at Department of Frontier Media Science, School of Interdisciplinary Mathematical Sciences, Meiji University, Dec 8, 2019.

Malle, B. F. (2019, October). *Inferring robot mind from robot appearance*. Paper presented in refereed symposium, Annual Meeting of the Society for Experimental Social Psychology, Toronto, Canada. October 18, 2019

Malle, B. F. (2019, October). *Systematic and multidimensional perception of robot minds*. Refereed paper presented at Technology, Mind, and Society conference. October 4, 2019

Malle, B. F. (2019, October). *Developing an affordable robot companion for elderly support*. Refereed paper presented at Technology, Mind, and Society conference. October 4, 2019

Malle, B. F. (2019, May). *How to teach robots human norms*. Invited presentation at AI for Good Summit 2019, Geneva, Switzerland, May 29, 2019

Malle, B. F., Zhao, X., & Phillips, E. (2019, May). *Beyond anthropomorphism: Differentiated inferences about robot mind from appearance*. Refereed paper presented at the CHI Workshop on The Challenges of Working on Social Robots that Collaborate with People, Glasgow, Scotland.

Malle, B. F. (2019, April). *Trust in robots is multi-dimensional too*. Invited talk at Dagstuhl Seminar on Ethics and Trust: Principles, Verification and Validation, Dagstuhl, Germany, April 24, 2019.

Malle, B. F. (2019, April). *Robot appearance and perceived robot mind*. Invited paper presented at the conference Human Community & Perpetual Contact, Boston University.

Malle, B. F. (2019, February). *Machine morality*. Paper presented in refereed Symposium: Evolving perceptions of humans and intelligent machines, Annual Convention of the Society for Personality and Social Psychology, Portland, OR.

2018

Malle, B. F. (2018, December). *Consciousness in moral psychology*. Invited paper presented at Consciousness: Nature/Culture, A Max Planck Symposium. Dec 13-14, Berlin, Germany.

Malle, B. F. (2018, October). *Do people perceive machines as moral agents?* Invited talk at the Applied Ethics Center at University of Massachusetts, Boston, October 25.

- Malle, B. F. (2018, October). *What People See in a Robot: A New Look at Human-Like Appearance*. Invited talk presented at the Robotics Institute, Carnegie-Mellon University, October 12.
- Malle, B. F. (2018, October). *When do and should people trust robots?* Invited talk presented at the Center for Ethics & Policy, Carnegie-Mellon University, October 11.
- Malle, B. F. (2018, October). *Moral judgment: Cognitive and social, not so much emotional*. Invited talk presented at the Center for Behavioral Decision Research, Carnegie-Mellon University, October 9.
- Malle, B. F. (2018, September). *The robots are coming: Why should psychologists care?* Invited talk presented in the Psychology Department, Appalachian State University. September 21.
- Malle, B. F. (2018, July). *Human morality, robots' moral competence, and the deepest kind of trust*. Invited talk presented in the Federated Logic Conference 2018 Workshop "Robots, Morality, and Trust through the Verification Lens." Oxford University, Oxford, UK, July 19.
- Malle, B. F. (2018, June). Robots, norms, and trust. Invited presentation at Summit on "Human-Centered AI: Building Trust, Democracy & Human Rights By Design," Stanford University, June 11, 2019.
- Malle, B. F. (2018, April). *Toward a social-cognitive psychology of norms*. Invited talk presented in the Yale Psychology Department Developmental Brownbag series. New Haven, April 18.
- Malle, B. F., & Austerweil, J. A. (2018, April). *From value alignment to norm competence: How robots and AI will conform to human society*. Paper presented at the American Psychological Association's conference on Technology, Mind and Society. Washington, DC, April 5-7.
- Malle, B. F. (2018, March). *The role of norms in ethical robots*. Invited talk presented at the Workshop on Developing implicitly ethical and norm-competent robots. Pennsylvania State University, State College, PA, Mar 15-17.
- Malle, B. F., Scheutz, M., & Magar, S. T. (2018, March). *Evaluating the morality of human versus robot decisions*. Paper presented in the Symposium "Merging psychology and robotics: evidence for how humans perceive robots." Annual Convention of the Society for Personality and Social Psychology, Atlanta, GA.
- Malle, B. F. (2018, February). *Do autonomous vehicles need moral competence?* Paper presented in the workshop "Self-driving fast towards us: Social and ethical implications of autonomous vehicles. Robo-philosophy conference 2018, University of Vienna, Austria.
- Malle, B. F. (2018, February). *From binary deontics to deontic continua: The nature of human (and robot) norm systems*. Paper presented at the Robo-philosophy conference 2018, University of Vienna, Austria.
- 2017
-
- Malle, B. F. (2017, December). *People's perceptions of autonomous systems as moral agents*. Invited talk at Innovation Brownbag Series, MITRE corporation, Bedford, MA.
- Malle, B. F., & Magar, S. T. (2017, October). *AI in the sky*. International Conference on Robot Ethics and Safety Standards (ICRESS), Lisbon, Portugal, Oct 20-21.
- Malle, B. F. (2017, September). *What do people's moral judgments of robots tell us about the expected moral capacities of autonomous vehicles?* Invited talk at the Workshop on the Ethics of Automated Vehicles, Toulouse, France, September 14-15, 2017.
- Sarathy, V., Scheutz, M., Kenett, Y., Allaham, M., Austerweil, J., Malle, B. F. (2017, July). *Mental representations and computational modeling of context-specific human norm systems*. Paper presented at the 39th Annual Meeting of the Cognitive Science Society, London, UK.
- Malle, B. F. (2017, May). *Cognitive properties of norms in humans (and eventually robots)*. Invited talk at the Annual Conference on Advances in Cognitive Systems, Troy, NY.

- Malle, B. F. (2017, April). *From robot morality to human morality and back*. Invited speaker in Symposium “New Perspectives in Moral Psychology,” 89th Annual Meeting of the Midwestern Psychological Association, Chicago, IL.
- Malle, B. F. (2017, April). *Do people apply different morals to social robots?* Invited talk presented in the Department of Cognitive Science at Trinity College, Dublin, Ireland.
- Malle, B. F. (2017, April). *In blame and guilt, counterfactuals are for unintentional behaviors*. Invited symposium presentation at the British Experimental Psychology Society Meeting, Belfast, Northern Ireland.
- Malle, B. F. (2017, February). *What robot morality tells us about human morality*. Invited talk at the Northeastern Social Psychology Brownbag Series. Boston, MA.
- Malle, B. F. (2017, February). *The sophistication of human moral judgment*. Keynote presentation at Cognitiva, Congreso Colombiano de Psicología y Ciencia, Universidad de los Andes, Bogota, Colombia.
- Malle, B. F. (2017, January). *Research into human-robot interaction: Major questions and challenges*. Invited talk at the Psychology of Technology Preconference to the Annual Convention of the Society of Personality and Social Psychology, San Antonio, TX.

2016

- Malle, B. F. (2016, October). *Moral norms for robots*. Invited talk at the New Directions in the Psychology of Technology Research Conference. University of Southern California, Los Angeles.
- Malle, B. F. (2016, August). *Ethics within intelligent agents: Designing morally competent robots*. Invited talk at Workshop on Ethics in the Design of Intelligent Agents (EDIA16), The Hague, Netherlands.
- Malle, B. F. (2016, August). *How scenes activate social and moral norms: Theory and preliminary results*. Invited talk at the 2nd Workshop on Physical and Social Scene Understanding, Philadelphia, PA.
- Voiklis, J., Cusimano, C., & Malle, B. (2016, August). *Using moral communication to reveal moral cognition*. Refereed paper presented in the symposium “Mutual constraints in moral cognition and language” at the International Conference on Thinking, Brown University, Providence, RI.
- Voiklis, J., Kim, B., Cusimano, C., & Malle, B. (2016, August). *Moral judgments of human vs. robot agents*. Refereed paper presented at the IEEE International Symposium on Robot and Human Interactive Communication (RO-MAN 2016), New York, NY.
- Zhao, X., Malle, B.F., & Gweon, H. (2016, June). *When to take the other’s viewpoint? Prosocial and selective perspective taking in adults and four-year-olds*. Refereed paper presented at the 42nd Annual Meeting of the Society of Philosophy and Psychology, Austin, TX, USA.
- Monroe, A., & Malle, B. F. (2016, June). *Motivated or calibrated: Exploring the process of moral judgment*. Refereed paper presented at the 42nd Annual Meeting of the Society for Philosophy and Psychology, Austin, TX.
- Malle, B. F., Voiklis, J., & Kim, B. (2016, April). *Exploring contempt against the background of blame*. Invited paper presented at the Moral Psychology of Contempt Workshop, Brown University, April 29-30, 2016.
- Malle, B. F. (2016, April). Invited presentation and discussion in Session “Psychological Aspects of Dilemmatic Choice,” Conference on Moral Algorithms: the Ethics of Autonomous Vehicles. Center for Ethics and Human Values, Ohio State University, Columbus, OH, April 18.
- Malle, B. F. (2016, March). *Inevitable psychological mechanisms triggered by robot appearance: Morality included?* Refereed paper presented at 2016 AAAI Spring Symposium Series: Enabling Computing Research in Socially Intelligent Human-Robot Interaction. Palo Alto, CA, March 21, 2016.
- Malle, B. F., Scheutz, M., Forlizzi, J., & Voiklis, J. (2016, March). *Which robot am I thinking about? The impact of action and appearance on people’s evaluations of a moral robot*. Refereed paper presented at the Eleventh

Annual ACM/IEEE International Conference on Human-Robot Interaction (HRI '16), Christchurch, NZ.

Zhao, X. & Cusimano, C. & Malle, B. F. (2016, March). *Do people spontaneously take a robot's perspective?* Refereed paper presented at the 11th ACM/IEEE International Conference on Human-Robot Interaction (HRI'16), Christchurch, New Zealand.

Malle, B. F. (2016, January). *From prediction to intervention, with moral competence for robots as an example.* Invited presentation at the Future of AI symposium, New York University, New York, NY.

2015

Malle, B. F. (2015, November). *Inferring intentionality and mental states for moral blame.* Invited paper presented at the symposium, "How much mind do we need for responsibility? Intentionality between mentality and accountability," Center for Interdisciplinary Research (ZiF), Bielefeld University, Germany.

Voiklis, J., Cusimano, C., & Malle, B. F. (2015, November). *Building a moral lexicon to study (and implement) moral communication.* Refereed paper presented at the ECOM Workshop on Expressive Language. Philosophy Department, University of Connecticut.

Malle, B. F., Scheutz, M., & Austerweil, J. L. (2015, October). *Networks of social and moral norms in human and robot agents.* Refereed paper presented at ICRE 2015, Lisbon, Portugal.

Malle, B. F. (2015, October). *Blame, norms, and robots.* Invited talk at Istituto di Scienze e Tecnologie della Cognizione - CNR, Rome, Italy.

Malle, B. F. (2015, October). *How to build a moral robot.* Invited talk at ATR International, Brain Information Communication Research Lab, Kyoto, Japan.

Malle, B. F. (2015, October). *Mind, morality, and robots.* Invited talk, Department of Social Psychology, University of Tokyo, Japan.

Malle, B. F. (2015, October). *Blame and punishment: Similarities and differences.* Invited talk, Department of Psychology, Nagoya University, Japan.

Malle, B. F. (2015, October). *Affect and cognition in moral judgment.* Invited talk, Department of Psychology, Kobe University, Japan.

Malle, B. F., & Scheutz, M. (2015, October). *When will people regard robots as morally competent social partners?* Refereed paper presented at the 24th International Symposium on Robot and Human Interactive Communication, RO-MAN 2015, Kobe, Japan.

Zhao, X. & Cusimano, C. & Malle, B.F. (2015, July). *In search of triggering conditions for spontaneous visual perspective taking.* Refereed paper presented at the 37th Annual Conference of the Cognitive Science Society. Pasadena, CA, USA.

Korman, J. Cusimano, C. & Malle, B.F. (2015, June). *Fitting the final puzzle piece: Choosing between belief and desire in intentional action explanation.* Refereed paper presented at the Annual Meeting of the Society for Philosophy and Psychology, Durham, NC.

Malle, B. F. (2015, May). *Blame and punishment: Two distinct mechanisms of moral norm enforcement.* Refereed paper presented at the Conference on Social Norms and Institutions, Monte Verità, Ascona, Switzerland, May 10-15, 2015.

Malle, B. F. (2015, April). *Ethics of social robots and ethical social robots: A multi-disciplinary approach.* Invited talk presented on the occasion of Ethics Week, Department of Philosophy, Virginia Tech University.

Malle, B. F. (2015, April). *Human-machine collaboration: Framework, elements, methods.* Invited talk presented at the DARPA Workshop on Collaborating with Machines, Arlington, VA.

Malle, B. F. (2015, March). *Social robots and the tree of social cognition*. Refereed paper presented at the Workshop *Cognition: A bridge between robotics and interaction*, preceding the 2015 ACM/IEEE international conference on Human-robot interaction (HRI'15), Portland, OR.

Malle, B. F., Scheutz, M., Voiklis, J., Arnold, T., & Cusimano, C. (2015, March). *Sacrifice one for the good of many? People apply different moral norms to human and robot agents*. Refereed paper presented at the 2015 ACM/IEEE international conference on Human-robot interaction (HRI'15), Portland, OR.

2014

Scheutz, M., & Malle, B. F. (2014, November). *May machines take lives to save lives? Human perceptions of autonomous robots (with the capacity to kill)*. Invited paper at the Conference on Ethics of Autonomous Weapons Systems, University of Pennsylvania Law School.

Malle, B. F. (2014, October). *The next great challenge: Moral competence in robots*. Keynote address at the 3rd Northeast Robotics Colloquium (NERC), Brown University, Providence, RI.

Malle, B. F. (2014, October). *Social cognitive science: The interdisciplinary study of the mind in a social world*. Invited Cognitive Science colloquium, Princeton University, Princeton, NJ.

Malle, B. F. (2014, September). *Ethics for robotics and ethics for robots*. Invited presentation at the Brown Ethical and Responsible Conduct of Research Education (BEARCORE) training session for graduate students and postdoctoral fellows, Brown University, Providence, RI.

Malle, B. F. (2014, August). *Moral competence in robots?* Refereed paper presented at the Robo-Philosophy conference, Aarhus University, Denmark.

Malle, B. F. (2014, August). *From cause through intentionality to blame: A theory and its evidence*. Invited paper presented at the EASP preconference on "Causation, counterfactuals and blame." Amsterdam, The Netherlands.

Voiklis, J., Cusimano, C., & Malle, B. F. (2014, July). *A social-conceptual map of moral criticism*. Refereed paper presented at the 36th Annual Meeting of the Cognitive Science Society, Quebec City, Canada.

Scheutz, M., & Malle, B. F. (2014, May). *"Think and do the right thing": A plea for morally competent autonomous robots*. Invited talk presented at 2014 IEEE Ethics conference, Chicago, IL.

Malle, B. F., & Scheutz, M. (2014, May). *Moral competence in social robots*. Invited talk presented at 2014 IEEE Ethics conference, Chicago, IL.

Malle, B. F. (2014, April). *A social-cognitive theory of blame*. Invited talk at the Department of Psychology, Roger Williams University, Bristol, RI.

Malle, B. F. (2014, January). *Moral competence in humans and robots*. Invited talk at the 3rd Annual Karles Invitational Conference, Naval Research Laboratory, Washington, DC.

2013

Malle, B. F. (2013, December). *A social-cognitive theory of blame*. Invited talk at the Psychology Department, Gothenburg University, Gothenburg, Sweden.

Malle, B. F. (2013, October). *A theory of blame: Conceptual framework, cognitive processes, social act*. Invited talk at the Wharton School of Business, University of Pennsylvania, Philadelphia, PA.

Malle, B. F. (2013, October). *Moral judgment in humans (and robots)*. Invited talk at the Social area brownbag, Yale University, New Haven, CT.

Malle, B. F. (2013, July). *What would it take to build a moral robot?* Keynote address at the Annual Meeting of the International Association for Computing and Philosophy, University of Maryland, College Park.

Malle, B. F. (2013, April). *The manifold of social inferences: The ease and speed of judging intentionality, mind, and morality*. Invited talk in the Cognitive Science colloquium series at Indiana University, Bloomington, IN.

- Malle, B. F. (2013, March). *Hierarchies of inference in social and moral cognition*. Invited colloquium, Department of Cognitive Science, Rensselaer Polytechnic Institute, Troy, NY.
- Malle, B. F. (2013, February). *What blame tells us about moral cognition, social cognition, and culture*. Invited Social brownbag presentation at the University of Massachusetts, Amherst.

2012 and before

-
- Malle, B. F. (2012, October). *Myths of freedom and responsibility: How people think about free will and how it matters for moral judgment*. Invited colloquium at the Department of Philosophy and Religious Studies, Marist College, Poughkeepsie, New York.
- Monroe, A. E. Dillon, K. D. and Malle, B. F. (June, 2012) *Free will, the soul, and moral blame*. Refereed paper presented at the Society for Psychology and Philosophy Conference, Boulder, CO.
- Korman, J. and Malle, B.F. (2012, June). *Practical rationality in action explanation: A crucial role for belief reasons*. Refereed paper presented at the Annual Meeting of the Society for Philosophy and Psychology, Boulder, CO.
- Malle, B. F. (2012, April). *Blame and punishment: Sketches of cognitive processes, social functions, and cultural evolution*. Invited talk at the Friday Lecture Series, Department of Anthropology, Brown University.
- Monroe, A. E. and Malle, B. F. (2011, November). *The collapse of free will and morality?* Invited talk in the Cognitive Science brownbag series, Yale University, New Haven, CT.
- Malle, B. F. (2011, October). *Is there a hierarchy of social inferences? The ease and speed of judging intentionality, mind, and personality*. Invited talk at the Center for Decision Research, Booth School of Business, University of Chicago.
- Dillon, K. D. and Malle, B. F. (2011, February). *A robust hierarchy of social inferences across individual and group agents*. Invited talk in brownbag series, Philosophy Department, Yale University.
- Malle, B. F. (2010, October). *How people make sense of human action: From perception and inference to explanation and moral judgment*. Invited Kendon Smith Lecture, University of North Carolina at Greensboro.
- Malle, B. F. (2010, October). *Is there a hierarchy of social inferences? The ease and speed of judging intentionality, mind, and personality*. Invited Social-Personality Colloquium, Department of Psychology, Northeastern University.
- Malle, B. F. (2010, September). *Is there a hierarchy of social inferences? The ease and speed of judging intentionality, mind, and morality*. Invited Social-Personality Colloquium, Department of Psychology, University of Connecticut.
- Malle, B. F. (2010, June). *Philosophy and psychology: A post(r)amble*. Presidential address to the Society of Philosophy and Psychology, Portland, OR.
- Malle, B. F. (2010, May). *Moral judgment, intentionality, and free will*. Invited presentation at the Clinical Psychology Program, University of Bergamo, Italy.
- Malle, B. F. (2010, May). *Applying the F.Ex coding scheme to psychotherapy sessions*. Invited workshop at the Clinical Psychology Program, University of Bergamo, Italy.
- Malle, B. F. (2010, March). *Jumping out of the armchair: The empirical study of folk concepts of mind and action*. Invited presentation at the annual meeting of the American Philosophical Association–Pacific Division, San Francisco.
- Malle, B. F. (2010, March). *The underestimated subtleties of social cognition, folk psychology, and moral judgment*. Invited presentation at the Moral Psychology Workshop, Princeton University.
- Malle, B. F. (2010, February). *People's social and moral cognition of group agents*. Invited presentation at the Trager Symposium, Brooklyn Law School, New York.
- Malle, B. F. (2009, November). *Creating meaning: Folk explanations of behavior*. Invited presentation at the Department of Human Sciences, University of Bergamo, Italy.

- Malle, B. F. (2009, November). *Using the folk-conceptual theory of explanation*. Invited presentation at the Clinical Psychology Program, University of Bergamo, Italy.
- Malle, B. F. (2009, November). *Using F.Ex coding scheme for analyzing folk explanations of behavior*. Invited workshop at the Clinical Psychology Program, University of Bergamo, Italy.
- Malle, B. F. (2009, September). *Toward a hierarchical model of social perception: Relationships among intentionality, mind, and personality inferences*. Invited presentation at the colloquium series of the Department of Cognitive and Linguistic Sciences, Brown University.
- Malle, B. F. (2009, March). *Is there a moral bias in judgments of intentionality?* Invited presentation at the social psychology lunch talks, Psychology Department, University of Colorado, Boulder.
- Malle, B. F. (2009, March). *Toward a hierarchical model of social perception: Relationships among intentionality, mind, and personality inferences*. Invited colloquium at the Psychology Department, University of Colorado, Boulder.
- Malle, B. F. (2009, March). *Toward a hierarchical model of social perception: Relationships among intentionality, mind, and personality inferences*. Invited presentation at the Cognitive Science lunch talks, Yale University.
- Malle, B. F. (2008, September). *Is there a hierarchy of social inferences? The ease and speed of judging intentionality, mind, and morality*. Invited presentation at the Psychology Department, University of Melbourne, Australia.
- Malle, B. F. (2008, September). *Is there a hierarchy of social inferences? The ease and speed of judging intentionality, mind, and morality*. Invited presentation at the Macquarie Center for Cognitive Science, Macquarie University, Sydney, Australia.
- Malle, B. F. (2008, September). *Have we overlooked the fundamentally moral nature of social cognition? A challenge from studies suggesting blame guides intentionality judgments*. Invited presentation for the Workshop on Emotions, Imagination and Moral Reasoning, Macquarie University, Sydney, Australia.
- Malle, B. F. (2008, April). *Is there a hierarchy of social inferences? The ease and speed of judging intentionality, mind, and morality*. Invited talk at the Psychology Department, Brown University, Providence, RI.
- Malle, B. F. (2008, April). *How people explain behavior: A study in social cognitive science*. Invited colloquium at the Psychology Department, Brown University, Providence, RI.
- Malle, B. F. (2008, January). *Is folk psychology doomed? Challenges to the concept of intentional agency*. Invited talk at the Free Will and Science conference at Florida State University, in Tallahassee, FL.
- Malle, B. F. (2007, June). *Explaining explanations: How humans find meaning in social behavior*. Invited address at the annual meeting of the Society for Philosophy and Psychology conference, Toronto, Canada.
- Malle, B. F. (2007, April). *How people interpret and evaluate human behavior*. Invited talk at the conference on Understanding Other Minds and Moral Agency, The College of the Holy Cross, Worcester, Massachusetts.
- Malle, B. F. (2007, March). *Is there an inference hierarchy in theory of mind? Accessibility and speed differences in inferring intentionality, desires, and beliefs*. Invited talk at conference *Theory of Mind: Module or emergent property?*, Cognition and Behaviour Program, Netherlands Organization for Scientific Research.
- Malle, B. F. (2007, January). *The puzzle of intentionality and moral cognition*. Refereed paper presented at the Society of Personality and Social Psychology Annual Convention, Memphis, TN.
- Malle, B. F. (2006, October). *"Why did she ask me out?" How people make sense of human action*. Invited talk at Oberlin College, Oberlin, Ohio.
- Malle, B. F. (2006, October). *Finding meaning, managing interactions: The significance of behavior explanations*. Invited talk at the Columbia University Business School, New York, NY.
- Malle, B. F. (2006, October). *The actor and the observer in attribution: Historical and contemporary insights*. Invited talk at the Northwestern University Psychology Department, Evanston, IL.

- Malle, B. F. (2006, October). *Social cognitive science: A vision and first steps*. Invited talk at the Northwestern University Psychology Department, Evanston, IL.
- Malle, B. F. (2006, October). *Intentional agency: Foundational research and legal implications*. Invited lecture at the University of Wisconsin Law School, Madison, WI.
- Malle, B. F. (2006, March). *Seeing mind in behavior: How people understand other people*. Invited talk at INSEAD Business School, Fontainebleau, France.
- Malle, B. F., Nelson, S. E. (2006, January). *How bad is it? The role of explanations and intentionality in evaluations of objectionable behavior*. Invited symposium paper presented at the Society of Personality and Social Psychology Annual Convention, Palm Spring, California.
- Malle, B. F. (2005, October). *The magic of meaning: How people make sense of behavior*. Invited colloquium at the Department of Psychology, University of Tokyo, Japan.
- Malle, B. F. (2005, October). *Perceptions of intentionality: Cognitive or moral?* Invited colloquium at the Department of Psychology, Toyo University, Japan.
- Malle, B. F. (2005, October). *Intentionality and morality: Some answers, many questions*. Invited paper presented at Kobe Symposium on Intentionality and Law, Kobe University, Japan.
- Malle, B. F. (2005, October). Invited lecture series at Kobe University, Japan:
Attribution and theory of mind: A cognitive science perspective.
The grammar of human action.
Group agency and intentionality.
- Malle, B. F. (2004, May). *How the mind explains behavior*. Invited colloquium at the Department of Psychology, University of California, Davis.
- Malle, B. F. (2004, January). *The empirical study of folk concepts: What can we learn?* Invited paper in the symposium on *Folk Concepts: Philosophical and Psychological Perspectives*. Florida State University, Tallahassee.
- Malle, B. F. (2003, July). *Individual differences in theory of mind: A new direction for personality research*. Keynote address at the Biannual convention of the International Society for the Study of Individual Differences (ISSID), Graz, Austria.
- Malle, B. F. (2003, February). *Putting person and situation in their place: The landscape of folk behavior explanations*. Invited symposium paper presented at the Society of Personality and Social Psychology Annual Convention, Los Angeles, California.
- Malle, B. F. (2002, October). *Der Ursprung der Werte: Eine sozial-kognitive Analyse* [The origin of values: A social-cognitive analysis]. Invited paper presented at *Market, Value, and Feelings Symposium*, University of Graz, Austria.
- Malle, B. F. (2002, March). *Perceptions of intentionality in the social and legal world*. Colloquium at the Department of Psychology, Flinders University, Adelaide, Australia.
- Malle, B. F. (2002, March). *Mindreading and moral sentiments: Psychological patterns and legal implications*. Colloquium at the School of Law, University of Adelaide, Australia.
- Malle, B. F. (2002, March). *Social cognition, language, and theory of mind: How people talk about and grasp mental states*. Colloquium at the Department of Psychology, University of Melbourne, Australia.
- Malle, B. F. (2002, February). *Theory of mind and social psychology: History and promises*. Colloquium at the Macquarie Center for Cognitive Science, Macquarie University, Sydney, Australia.
- Malle, B. F. (2002, February). *Perceptions of intentionality in the social and legal world*. Colloquium at the Macquarie Center for Cognitive Science, Macquarie University, Sydney, Australia.
- Malle, B. F. (2002, February). *How folk psychology solves the problem of other minds*. Colloquium at the Department of Psychology, Victoria University of Wellington, New Zealand.

- Malle, B. F. (2001, November). *The social cognition of intentional action*. Invited paper presented at interdisciplinary conference on *Malingering and illness deception*, Woodstock, England.
- Malle, B. F. (2000, April). *Verbs of interpersonal causality and the folk theory of mind*. Invited paper presented at the Eighth Symposium on Linguistics. Rice University, Houston, Texas.
- Malle, B. F. (2000, February). *Putting the mind back into social cognition*. Invited talk at the joint colloquium series "New trends in social cognition" of the Institute of Personality and Social Research and the Institute of Cognitive Studies. University of California, Berkeley.
- Malle, B. F. (1999, January). *Interpersonal strengths: The role of people's folk theory of mind and behavior*. Invited paper presented at the first conference on Positive Psychology, Akumal, Mexico.
- Malle, B. F. (1998, May). Invited discussant and chair in *Tribute to Fritz Heider*. Annual preconference of the Society for Personality and Social Psychology, Washington, D.C.
- Malle, B. F. (1997, April). *How people make sense of human behavior*. Invited address at the Western Psychological Association Convention, Seattle, Washington.
- Malle, B. F. (1997, April). *Making sense of behavior*. Invited colloquium at the Department of Psychology, Oregon State University, Corvallis.
- Malle, B. F. (1994, May). *A plea for intentionality*. Invited colloquium at the Gordon Allport Society, University of California, Berkeley.
- Malle, B. F. (1994, February). *Judgments in social interactions: How people interpret beliefs, intentions, and actions*. Invited colloquium at the Institute of Cognitive and Decision Sciences, University of Oregon, Eugene.
- Malle, B. F. (1992, December). *The subjective side of personality: A schema approach to self-views*. Invited colloquium at the Gordon Allport Society, UC Berkeley.

C. Other Presentations and Posters

- Malle, B. F. (2022, December). *From norms to blame: Layers of morality*. Invited presentation in Yukiko Uchida's research lab meeting.
- Malle, B. F. (2019, October). *How the mind represents and processes norms*. Paper presented at Person Memory Interest Group, Toronto, Canada. October 17, 2019
- Malle, B. F., Bello, B., & Scheutz, M. (2019, January). *Requirements for an artificial agent with norm competence*. Poster presented at the 2nd Artificial Intelligence and Ethics conference (AIES'19), Honolulu, HI, USA.
- Malle, B. F. (2018, December). *Robots with norms*. Paper presented at the International Workshop on Morality and Robots: Moral HRI, Meiji University, Tokyo, Japan, Nov 30 - Dec 1, 2018.
- Ullman, D., & Malle, B. F. (2018, March). *What does it mean to trust a robot? Steps toward a multidimensional measure of trust*. Poster presented at the 2018 ACM/IEEE International Conference on Human-Robot Interaction, HRI '18.
- de Graaf, M. M. A., & Malle, B.F. (2018, March). *People's judgments of human and robot behaviors: A robust set of behaviors and some discrepancies*. Poster presented at the 2018 ACM/IEEE International Conference on Human-Robot Interaction, HRI '18, Chicago, IL, USA.
- Korman, J., Kim, B., Malle, B. F., & Sobel, D. (2018, March). *Understanding the 'aggression' in microaggressions: People blame microaggressions more harshly than other unintentional acts*. Poster presented at the 19th Annual Convention of the Society of Personality and Social Psychology, Atlanta, GA.
- Kim, B., Voiklis, J., & Malle, B. F. (2018, March). *The norm of proportionality in expressed moral criticism*. Poster presented at the 19th Annual Convention of the Society for Personality and Social Psychology, Atlanta, GA.

- Zhao, X., Jung, M., Ong, D., Costa, J., Feldman, O., Malle, B. (2018, March). *A heart for cooperation: Feeling another human's heartbeat promotes prosocial and cooperative behaviors*. Poster presented at the 19th Annual Convention of the Society for Personality and Social Psychology, Atlanta, GA.
- Korman, K., Zalla, T., Malle, B. F. (2017, July). *Action understanding in high-functioning autism: The faux pas task revisited*. Poster presented at the 39th Annual Meeting of the Cognitive Science Society London, UK.
- Cusimano, C., Thapa Magar, S., Malle, B. F. (2017, July). *Judgment before emotion: People access moral evaluations faster than affective states*. Poster presented at the 39th Annual Meeting of the Cognitive Science Society London, UK.
- Cusimano, C., Thapa Magar, S., & Malle, B. F. (2017, July). *Judgment before emotion: People access moral evaluations faster than affective states*. Poster presented at the Annual Meeting of the Society of Philosophy and Psychology, Baltimore, MD.
- Malle, B. F. (March, 2017). *AI in the sky: How people evaluate human and machine decisions in a lethal strike dilemma*. Presentation at the 2nd International Workshop on Normative HRI: Ethics of and for Robots. Austrian Research Institute for Artificial Intelligence, Vienna, Austria.
- Malle, B. F. & Magar, S. T. (2017, March). *What kind of mind do I want in my robot? Developing a measure of desired mental capacities in social robots*. Poster presented at the 2017 ACM/IEEE International Conference on Human-Robot Interaction, HRI '17, Vienna, Austria.
- Ullman, D., & Malle, B. F. (2017, March). *Human-robot trust: Just a button press away*. Poster presented at the 2017 ACM/IEEE International Conference on Human-Robot Interaction, HRI '17, Vienna, Austria.
- Beck, E. D., Malle, B. F., & Magar, S. T. (2017, January). *Emotion and information processing in dynamic blame judgments*. Poster presented at the Annual Meeting of the Society for Personality and Social Psychology, San Antonio, TX.
- Kim, B., Korman, J., & Malle, B. F. (2017, January). *Social media use and political affiliation predict moral judgment of microaggressions*. Poster presented at the Psychology of Technology Preconference to the Annual Convention of the Society of Personality and Social Psychology, San Antonio, TX.
- Kenett, Y. N., Allaham, M. M., Austerweil, J. L., & Malle, B. F. (2016, November). *The norm fluency task: Unveiling the properties of norm representation*. Poster presented at the 57th Annual Meeting of the Psychonomic Society, Boston, MA.
- Malle, B. F. (2016, October). *Blame and punishment: Discrepancies between the legal system and community moral regulation*. Paper presented in the symposium on "Punishment in Life and Law: New Perspectives from Psychology," Annual Meeting of the Society of Experimental Social Psychology, Santa Monica, CA.
- Kim, B., Korman, J., & Malle, B. F. (2016, August). *Moral social media: Heavy Facebook users accept harsher moral criticism for microaggressions*. Poster presented at the 38th Annual Conference of the Cognitive Science Society. Philadelphia, PA, USA.
- Zhao, X., Malle, B.F., & Gweon, H. (2016, August). *Is it a nine, or a six? Prosocial and selective perspective taking in four-year-olds*. Poster presented at the 38th Annual Conference of the Cognitive Science Society. Philadelphia, PA, USA.
- DiFabrizio, B., Korman, J., & Malle, B. F. (2016, June). *A hierarchy interrupted?: How valence and surprise alter the speed of social inferences*. Poster presented at the 42nd Meeting of the Society for Philosophy and Psychology, Austin, TX, USA.
- Franckh, J., Cushman, F., & Malle, B. F. (2016, June). *The accidental conscience*. Poster presented at the 42nd Annual Meeting of the Society for Philosophy and Psychology, Austin, TX.
- Korman, J., Malle, B. F., Leboyer, M., Gaman, A., & Zalla, T. (2016, May). *Inference or integration? Mechanisms of mental state understanding in high-functioning autism*. Poster presented at the International Meeting for Autism Research, Baltimore, MD.

- Beck, E.D. & Malle, B.F. (2016, January). *Emotion and morality: Disentangling cognitive appraisals' impacts on moral judgments*. Poster presented at the 17th Annual Convention of the Society of Personality and Social Psychology, San Diego.
- Korman, J., Zalla, T., & Malle, B. F. (2016, January). *Inference or integration? Social cognitive deficits in adults with Autism Spectrum Disorders*. Poster presented at the 17th Annual meeting of the Society for Personality and Social Psychology, San Diego, CA.
- Kim, B., Voiklis, J., & Malle, B. F. (2016, January). *Disentangling the badness and illegality of transgressions in everyday moral criticism*. Poster presented at the 17th Annual Convention of the Society of Personality and Social Psychology, San Diego.
- Zhao, X., Malle, B.F. & Gweon, H. (2016, January). *When (or when not) to adopt her view? Adults and children consider others' epistemic states to selectively take their visual perspectives*. Poster presented at the 17th Annual Convention of the Society of Personality and Social Psychology, San Diego, CA, USA.
- Zhao, X., Malle, B.F. & Gweon, H. (2016, January). *To adopt or not to adopt her viewpoint? Selective visual perspective taking in prosocial context in preschoolers and adults*. Poster presented at the Social Cognition Preconference, San Diego, CA, USA.
