## UNIVERSITY TEACHING ROLES

**Bio-Med 450 Core Clerkship in Pediatrics** 1988-present  
 Outpatient: Supervise and precept 3rd and 4th year medical students completing the required primary care pediatric clerkship as they independently perform histories, physicals and develop an assessment and treatment plan. **Instruct 47 weeks each year, 20 hours per week, approximately 15-18 students each year**

**Service Attending** 1988-2012  
 In-patient: Supervise, precept, teach and supervise third year Medical Students during their in-patient core pediatric clerkship. **4 weeks /year 10 hours/week. 1-2 students/year.** This also involves 4 hours per week of prepared didactic sessions with the team.

**Bio-Med 463 Advanced Clerkship in Pediatrics** June 2000-2012  
 Service Attending  
 Precept, teach and supervise 4th year medical student completing sub-internship elective in Pediatrics. **4 weeks/year, 10 hours/week, 1 student/year**

**Bio-Med 459 Ambulatory Pediatrics** June 2000-Sept 2008  
 Precept and supervise 4th year students completing 4 week elective in the ambulatory urgent care setting. **12 weeks/year 30 hours/week, 2-3 students each year**

**Bio-Med 461 Ambulatory Longitudinal in Pediatrics** June 2002-2010  
 Supervise and precept 4th year students completing their longitudinal clerkship in the general pediatric clinic, **47 weeks/year, 4 hours/week, 2 students/year**

**Bio-Med 540 Community Health** Oct 2008 –May 2012  
Supervision of 4th year medical students working with refugee population including the development of community based lead education program, development of screening tool for ongoing care of refugees in a medical home setting, community garden/nutrition program for refugees, hearing screen in refugees.

**ACM-3589 Refugee Longitudinal Health Elective** October 2008-Present  
(formerly Bio-Med 461 Ambulatory Longitudinal in Pediatrics)  
Longitudinal 6-month elective with focus on medical home for Refugee children. **4 hours/week. 2 students /year**

**BIOL 6653 Refugee Health Advocacy Elective** 2011-2012  
Faculty Advisor 2012-2013  
MS1 and MS2 2013-2014  
12 students/year 2014-2015  
2015-2016  
2016-2017  
2017-2018  
2018-2019  
2019-2020

**Longitudinal Integrated Clerkship Student (LIC)** 2015-present  
4 hours/week  
Zachary Tabb  
Samuel Miller  
Alice Cao Shiliang  
Anna Delamerced  
Pranati Panuganti  
Pauline Bagatelis  
Jane Lindahl

**Resident Education** 2000-2019  
Annually supervise, teach and provide direct feedback and support to 20 pediatric trainees. This role includes direct observation, individual counseling and instruction, career counseling, and creation of didactic curriculum.

Resident Advisor:  
Individual advisor to 1- 3 trainees per year with frequent meetings to provide personal support, academic and interpersonal feedback, career and individual counseling and remediation if necessary.

Refugee Health Interpreter Series Dec 2008-Sept. 2009

Applied for and awarded grant for this project. Developed, created and organized this series and curriculum for refugee interpreters who provide health education to newly arrived refugees. Structured and supervised Alpert Medical School of Brown University first year students and pediatric residents in the development of the curriculum. The topics include lead, nutrition, injury prevention, women's health, sexually transmitted illnesses, health literacy, oral health, mental health and infectious diseases effecting refugees specifically.

Mentor to Pediatric Resident Scholars 2011-present

## Brown Resident in Global/International Health Track

Micropractice Supervision: 2013-Present

Supervision of 12 residents in their primary care longitudinal clinic

2400 pediatric primary care patients

Didactic session 1 hour each week.

Supervise, teach and provide direct feedback and support to 12 pediatric residents. This role includes direct observation, individual counseling, evaluation and instruction

### **Advising**

Resident Advisor/Mentoring: 2008 - 2019

Individual advisor to 2 trainees per year with frequent meetings to provide personal support, academic and interpersonal feedback, career and individual counseling and remediation if necessary.

### **Resident Advising/Mentoring**

15. Sarah Andiman - Community Health Clerkship Refugee Health/ Cross Cultural Communication
16. Anjali Chandra MS2 - Fostering Health-Development of Health Screen Form for RI children in foster care
17. VyVy Trinh - Peterson Grant- Refugee Health Allies Project
18. Shannon Marrero - MS4 - Independent Study - Refugee Health flow sheet for medical students taking Refugee Health Longitudinal
19. Morgan Congdon - Refugee Health Program Literature Search and Evaluation
20. Shiliang Cao - Hasbro Children's Hospital Fostering Health Project
21. Abass Noor - Community Health Worker Project Collaboration with Dorcas International Institute Rhode Island Foundation Grant-Curriculum Development
22. Divya Dethier - Community Health Worker Project Collaboration with Dorcas International Institute Rhode Island Foundation Grant-Curriculum Development
23. VyVy Trinh - Refugee Health Longitudinal Clinical Elective – 2016-2017
24. U Stephanie Asonye – Refugee Health Longitudinal clinical Elective 2017
25. Stephanie Maldonado – Medical Student Leadership Brown University Youth Tutoring and Enrichment (BRYTE) 2016-2018
26. Bryan Rego – Medical Student Leadership Leadership Brown University Youth Tutoring and Enrichment (BRYTE)- 2016-2018
27. Bryan Rego – Connect Soccer Academy (Refugee Soccer Team) –2017-2019
28. Sheyla Medina - Unaccompanied Minors Scholarly Concentration Global Health. 2016-2019. Published article “Unmet needs of unaccompanied minors from Central America: perceptions of professionals from multiple sectors in *Journal of Applied Research on Children*. August 2019.
29. Pranati Panuganti – Medical Student Leadership Leadership Brown University Youth Tutoring and Enrichment (BRYTE)- 2018-2019
30. Adrian Chiam– Medical Student Leadership Leadership Brown University Youth Tutoring and Enrichment (BRYTE)- 2018-2019
31. Kaelo Moahi– Medical Student Leadership Leadership Brown University Youth Tutoring and Enrichment (BRYTE)- 2018-2019
32. Stephanie Maldonado - Primary Care-Population Medicine Program Thesis 2018-2019
33. Garrett Bowen - Primary Care-Population Medicine Program Thesis 2018-2019
34. Matthew Wilson - Primary Care-Population Medicine Program Thesis 2018-2019
35. Jenna Berger -Refugee Health Longitudinal Clerkship Jan-April 2019

## **Post Graduate Advising Masters of Public Health**

**2010-present**

1. Jacqueline Perry - Injuries and Injury-Related Healthcare Utilization Among Pediatric Refugees vs Non-Refugees in Rhode Island
2. Akosua Adu-Boahene - Development of lead education video for Amharic speaking refugees

## **Post Graduate Brown University Refugee Youth Tutoring and Enrichment (BRYTE) Fellow-Alpert Medical School of Brown University**

- Rim Haile- 2019-2020
- Jennifer Katz - 2020-2021
- Joseph Lofton – 2021-2022

## **Undergraduate Program and Undergraduate Program in Liberal Medical Education:**

1. David Wieg - Community Health Worker Project Collaboration with Dorcas International Institute Rhode Island Foundation Grant-Curriculum Development
2. Abdirahim Mohamed- Leadership Brown University Youth Tutoring and Enrichment (BRYTE) 2017=2018
3. Meghan Mozea - Leadership Brown University Youth Tutoring and Enrichment (BRYTE) 2016-2017
4. Sara Hoban -Leadership Brown University Youth Tutoring and Enrichment (BRYTE)- 2017
5. Alexander Samaha - Leadership Brown University Youth Tutoring and Enrichment (BRYTE) 2017-2018
6. Samer Wahood- PLME- Leadership Brown University Youth Tutoring and Enrichment (BRYTE) 2018-2019
7. Natalie Feinstein-Leadership Brown University Youth Tutoring and Enrichment (BRYTE) 2019-2020
8. Adeniji, Moyinolouwa -Leadership Brown University Youth tutoring and Enrichment (BRYTE) 2019-2020
9. Samika Kanekar - Leadership Brown University Youth Tutoring and Enrichment (BRYTE) 2020-2021
10. Annika Prinz- Leadership Brown University Youth Tutoring and Enrichment (BRYTE) 2020-2021
11. Kayla Duran-Leadership Brown University Youth Tutoring and Enrichment (BRYTE) 2021-2022
12. Kyra Haddad- Leadership Brown University Youth tutoring and Enrichment (BRYTE) 2022-2023

## **International Teaching**

Dominican Republic  
Good Samaritan Hospital, La Romana  
Leader, Medical Outreach in the Rural Bateys  
Dominican Republic

March 2007,  
December 2008,  
January 2009  
February 2011

Developed this week long medical trip to the rural bateys of the Dominican Republic. Participants include Brown University undergraduates concentrating in health related fields (5-7 students per trip), Alpert Medical School of Brown University medical students (independent study credit), and Hasbro Children's Hospital pediatric residents.

This learning experience encompasses direct patient care for Haitian Dominicans in the sugar-cane villages as well as introduction to community education including work with the health promoters.

Port-au-Prince, Haiti. Medical Outreach

February 2010

Joined the efforts of the Dominican Republic Good Samaritan Hospital group (above) to provide medical care to selected communities in Port-au-Prince. Pediatric resident trainee accompanied me on the trip.

Port-au-Prince, Haiti

April 2010

Medical Outreach

Resident and medical student trainee participated
