Led the transition of a 48-member categorical pediatrics residency, with an affiliated combined internal medicine/pediatrics residency and a pediatrics/psychiatry/child psychiatry “triple board” program, through the transitional period following the resignation of a long-standing program director. Curriculum development, human resources, budgeting, remediation, and other challenges were part of this learning experience.

*2018-Present*      **Program Director, Medical Education Fellowship**  
Department of Emergency Medicine  
Rhode Island Hospital, Alpert Medical School of Brown

University

I direct a 2-year fellowship in medical education and education scholarship, primarily designed for graduates of accredited emergency medicine residency training programs. Fellows attain expertise in education theory, teaching practice, leadership, research, and administration. My primary role, in addition to administration of the program, is as a mentor to fellows, with a focus on building a scholarly portfolio and an introduction to the community of practice of emergency medicine education scholars.

2019-Present

**Associate Professor in Emergency Medicine and Pediatrics**

Alpert Medical School of Brown University  
Providence, RI

2019-Present

**Mentor, Master's Program in Health Professions Education**

Department of Learning Health Sciences  
University of Michigan, Ann Arbor, MI  
As a mentor, I am the primary contact between a masters-level graduate student and the University of Michigan's MHPE program. I help the student plan projects, guide the student through the performance of the Educational Professional Activities that comprise the program's curriculum, and participate in the program's faculty development and other activities.

2019-Present

**Mary B. Arnold Mentor**

Alpert Medical School of Brown University  
Office of Student Affairs  
I am a member of the inaugural cohort of longitudinal mentors and advisors in a 4-year mentoring program for AMS medical students. Administered through the Office of Student Affairs, I spend 4-8 hours weekly in direct student mentoring activities with my contingent of up to forty students (10 students per year in each of years I-IV), planning, and faculty development.

2022-2023

**Interim Assistant Dean for Faculty Development**

Alpert Medical School of Brown University  
I directed the Office of Faculty Professional Development and the Program for Educational Faculty Development at Brown's Alpert Medical School. This office oversees Brown's faculty development and continuing medical education enterprises. As Assistant Dean, I collaborated with medical school leadership and leaders and educators among the >2,400 faculty at Alpert Medical School.

**HOSPITAL APPOINTMENTS**

2007-2008

**Attending Physician**

Children's Memorial Hospital, Chicago, IL

2008-2011      Attending Pediatrician

2021-Present      Education Committee

American Academy of Pediatrics  
Section of Emergency Medicine

- 2021-2022 New England Group on Educational Affairs, Association of American Medical Colleges  
NEGEA Annual Meeting, Student-Resident Planning Committee
- 2021-Present Academic Track Leader, Medical Education  
Brown Emergency Medicine Residency Program  
Brown's EM residency program has identified a series of academic tracks, scholarly concentrations which allow residents to identify an area of academic interest in which they may pursue specific expertise and scholarly experience. I supervise those residents who have identified medical education as a career niche, ensuring that they receive mentorship and guidance in their pursuit of expertise and experience in this domain.
- 2021-2024 Program Faculty, Advancing Pediatric Educator eXcellence (APEX)  
I was accepted through a competitive application to become teaching faculty in APEX, a longitudinal national faculty development program for pediatric educators, anchored by sequential Pediatric Academic Societies (PAS) conferences. Participants learn educational theory and specific skills they then apply at their home institution with direct observation of teaching by a local mentor.
- 2022-Present Brown Emergency Medicine Board of Directors  
Elected Member  
BrownEM is an independent physician-led not-for-profit foundation comprising the faculty and administrators of the Department of Emergency Medicine. Its board members are elected by the foundation membership to represent the interests of the tripartite mission of clinical care, research and education.
- 2022-Present Sheridan Center Departmental Liaison  
The Harriet W. Sheridan Center for Teaching and Learning is the University-wide center for development of excellence in teaching and learning, with programming for faculty and students. In the liaison role, I communicate departmental teaching needs to the Center and keep departmental colleagues apprised of Center events, programs and services.
