

Craig A. Spencer MD MPH

1. Date of Preparation

February 2023

2. Personal Data:

Craig A. Spencer

Email: craig_spencer@brown.edu

Place of Birth: Detroit, MI

Citizenship: USA

3. Academic Appointments, Hospital Appointments, and Other Work Experience:

Academic Appointments

- 09/2022 – Present Associate Professor of the Practice
Department of Health Sciences, Policy, and Practice
Brown University School of Public Health
Providence, RI
- 11/2020 – 06/2022 Associate Professor of Emergency Medicine and Population and Family Health at the
Columbia University Vagelos College of Physicians and Surgeons
New York, NY
- 07/2018 – 10/2020 Assistant Professor of Emergency Medicine at CUMC
Columbia University Vagelos College of Physicians and Surgeons
New York, NY
- 07/2016 – 10/2020 Assistant Professor of Population and Family Health at CUMC
Mailman School of Public Health
New York, NY
- 07/2012 – 07/2018 Assistant Professor of Medicine at CUMC
Columbia University Medical Center
New York, NY
- 07/2011 – 07/2012 Assistant Professor of Clinical Medicine
Columbia University Medical Center
New York, NY

Hospital Appointments

- 11/2022 – Present Lifespan Health System
Rhode Island Hospital | The Miriam Hospital | Newport Hospital
Providence, RI
- 07/2011 – 06/2022 Attending Physician in Emergency Medicine
New York-Presbyterian Hospital
New York, NY

4. Education

- 07/2011 – 05/2013 Master's in Public Health (MPH)
Concentration: Public Health and Humanitarian Action
Columbia University Mailman School of Public Health
New York, NY
- 08/2006 – 07/2007 Chinese Language and Cultural Studies
Henan University
Kaifeng, China
- 07/2003 – 08/2008 Doctor in Medicine
Wayne State University School of Medicine
Detroit, MI
- 09/1999 – 06/2003 B.A. History
Wayne State University
Detroit, MI

5. Training

- 07/2011 – 06/2013 Fellowship Training in International Emergency Medicine
Columbia University Medical Center
New York, NY
- 07/2011 – 08/2011 International Committee of the Red Cross Certificate Training Course
Humanitarian Emergencies in Large Populations (H.E.L.P.)
Johns Hopkins Bloomberg School of Public Health
Baltimore, MD
- 07/2010 – 06/2011 Chief Resident in Emergency Medicine
New York Hospital Queens/Weill Cornell Medical Center
New York, NY
- 07/2008 – 06/2011 Residency Training in Emergency Medicine
New York Hospital Queens/Weill Cornell Medical Center
New York, NY
- 05/2004 – 06/2004 International Health Internship
Hôpital Saint-Louis Paris
Paris, France

6. Explanation of any gaps in work / training / education

Not applicable

7. Licensure and Board Certification

Licensure

- 07/2022 – Present Rhode Island State Medical License (MD18611)
04/2011 – 08/2022 New York State Medical License (261286)

Board Certification

- 06/2012 – Present American Board of Emergency Medicine

Professional Certifications

Basic Life Support (BLS) Certified

Advanced Cardiac Life Support (ACLS) Certified

Pediatric Advanced Life Support (PALS) Certified

Advanced Trauma Life Support (ATLS) Certified

Standards of Training, Certification and Watch keeping for Seafarers (STCW)

8. Honors and Awards

- 2022 2022 Global Peacemaker Award
Wayne State University Center for Peace and Conflict Studies
Detroit, MI
- 2021 Emmy Award
The National Academy Of Television Arts & Sciences, New York Chapter
"He Survived Ebola. Now This Doctor Is Battling Coronavirus" - May 24, 2020
[Health/Medical—News \(No Production Time Limit\)](#)
- 2021 Shorty Award
"He Survived Ebola. Now This Doctor Is Battling Coronavirus"
Winner in [Animations](#)
- 2020 Crain’s New York Business ‘Notable in Healthcare 2020’
One of ~100 New York health professionals to receive this recognition for
significant contributions during the covid-19 pandemic. This recognition is
meant to honor those working to fight health care disparities and other societal
problems that the pandemic accentuated and that are seen anew through the lens
of recent demonstrations against racial injustice.
- 2019 Visiting Lecturer in Human Rights and Humanitarian Action
Sciences Po Paris School of International Affairs (PSIA)
Paris, France
*One of two Columbia University faculty selected for a transatlantic semester-long faculty
exchange with French academic institutions in 2018-2019 as part of the Alliance
Program. Based in the Masters of Human Rights and Humanitarian Action, I taught an
extended version of my course “Lessons (Un)Learned in Humanitarian Assistance: A
Historical Perspective” to 35 students. Mentored students in human rights and
humanitarian action, leading panel discussions, and presenting at Sciences Po and other
European universities.*
- 2015 Global Peacemaker Award
Wayne State University School of Peace and Conflict Studies
Detroit, MI
- 2011 Academic Resident of the Year, Emergency Medicine
New York Hospital Queens/Weill Cornell Medical College
New York, NY
- 2011 Research Resident of the Year, Emergency Medicine
New York Hospital Queens/Weill Cornell Medical College

New York, NY

2008 Intern of the Year – Emergency Medicine
New York Hospital Queens/Weill Cornell Medical College
New York, NY

9. Academic Service

- 09/2017 – 11/2017 Co-director of New York-Presbyterian Hospital's Puerto Rico Response Team
Department of Emergency Medicine
New York-Presbyterian Hospital
New York, NY
Co-directed the adult emergency department's deployment to Puerto Rico as part of New York-Presbyterian Hospital's medical response activities in the aftermath of Hurricane Maria. Coordinated the recruitment and training of physician and nurse volunteers, organized clinical coverage during deployment, and contributed medical and logistical expertise from pre-deployment planning to post-departure debriefings.
- 07/2015 - Present Director of Global Health in Emergency Medicine
Department of Emergency Medicine
Columbia University Irving Medical Center
New York, NY
Provide mentorship to medical students, residents and faculty in global health, including overseeing projects at international sites, leading global health-focused journal clubs and providing career guidance.
- 01/2015 – Present Departmental Coordinator – Emergency Department Physician and Nursing Emerging Infectious Diseases (EID) Preparedness and Compliance
Department of Emergency Medicine
Columbia University Irving Medical Center
New York, NY
Coordinate the adult Emergency Department's compliance and preparedness training for Emerging Infectious Diseases, including arranging personal protective equipment training for clinical staff and ensuring that adequate coverage exists on all shifts and locations where a patient with confirmed or presumed Ebola virus disease could present for care.
- 01/2015 – 01/2016 Biocontainment Unit (BICU) Consultant
Department of Emergency Medicine
Columbia University Irving Medical Center
New York, NY
Served as consultant during the initial design and establishment of the Biocontainment Unit at the New York-Presbyterian's Allen Hospital. Provided recommendations on infection control practices, personal protective equipment training, and clinical care algorithms. Served as an on-call provider to respond to any patient with confirmed Ebola virus disease or any person under investigation for any similar special pathogen.
- 10/2012 – 10/2018 Global Emergency Medicine Faculty Interviewer
Columbia University Irving Medical Center (CUIMC)/New York-Presbyterian Hospital
Global Emergency Medicine Fellowship (Global EMF)
Columbia University Irving Medical Center
New York, NY

10. Professional Organizations and Societies

Memberships and Positions

- 2022 – Present Member, Board of Advisors
Doctors Without Borders/Médecins Sans Frontières USA
- 2019 – 2022 Member, Board of Directors
Doctors Without Borders/Médecins Sans Frontières USA
Elected to the Board of Directors in May 2019 for a three-year term. Association-elected position to govern Doctors Without Borders/Médecins Sans Frontières USA (MSF-USA). The board of directors sets broad strategic directions, including the formulation and approval of the annual plan, and oversees the executive functions of the organization. The MSF-USA board holds fiduciary responsibility and full control of over \$500 million in annual contributions and expenditures to the global MSF movement.
- 2019 – 2022 Chair, Association Committee
Doctors Without Borders/Médecins Sans Frontières USA
Develop the strategic priorities of the Association Committee, which includes overseeing membership criteria, ensuring review and implementation of motions and recommendations, and planning and oversight of the annual General Assembly.
- 2019 – 2022 Member, Board of Directors
Amahoro Health
Nyanza Lac, Burundi
Amahoro Health is a network of clinics and medical providers in southern Burundi, East Africa composed completely of local Burundians. Since 2011, I have worked with the team behind Amahoro Health on research projects, trans-continental learning opportunities for US students and residents, and support for Burundian physicians working at Amahoro.
- 2015 – Present Member, Doctors Without Borders/Médecins Sans Frontières
- 2009 – 2018 Member, Wilderness Medical Society (WMS)

Journal Reviewer

- 2020 Peer reviewer – New England Journal of Medicine
2018 Peer reviewer - BMC International Health and Human Rights
2017 Peer reviewer - Global Public Health
2016 Peer reviewer - Emerging Infectious Diseases Journal

11. Fellowship and Grant Support

Present Support

- 06/2019 – 2022 Measuring Human Rights Violations and Mortality Amongst Migrants & Refugees in the Sahel Region
- PI: Craig Spencer MD MPH
 - Granting Agency: Columbia University President’s Global Innovation Fund (2019-2020)
 - Direct Support Funds: \$40,000 (project grant)
 - This project is intended to develop a quantitative methodology to measure the frequency of human rights violations and mortality amongst migrants

transiting the Sahel, primarily in the deserts of Niger. This builds off previous planning work (see past support below) and will be completed in partnership with national and international experts in migration.

- 04/2018 – 6/2019 Program on Forced Migration and Health – Columbia Mailman School of Public Health (2018)
- PI: Craig Spencer MD MPH
 - Project Title: *Prevalence and Public Health Perceptions of Uvulectomy in Rural Burundi*
 - Project funding (\$5,000)
 - This project supported the mandatory international practicum of a graduate student at Mailman School of Public Health.
 - Fieldwork completed in late 2018/early 2019; summary publication pending.

Past Support

- 06/2018 – 06/2019 Measuring Human Rights Violations and Mortality Amongst Migrants & Refugees in the Sahel Region
- PI: Craig Spencer MD MPH
 - Granting Agency: Columbia University President's Global Innovation Fund
 - Direct Support Funds: \$20,000 (planning grant)
 - First phase of fieldwork completed in September-October 2019. This involved dozens of interviews with key government and local actors in Niamey and Agadez, Niger.
 - Organized conference co-hosted by International Organization for Migration in Tunis, Tunisia on the topic of 'Documenting Human Rights Violations and Mortality Amongst Migrants: Focus on the Sahel and North Africa'.
 - Hired and supervised two graduate students to assist with program activities and conference planning.

- 01/2015 – 01/2017 Measuring Separation in Emergencies
- PI: Dr. Lindsay Stark
 - Granting Agency: Office of US Foreign Disaster Assistance
 - Role: Consultant Methodologist
 - Through a partnership with Save the Children, I was responsible for developing program and survey documents, training national and international staff, overseeing data collection and data analysis.
 - Program activities took place in Juba, South Sudan and New York, NY.

- 01/2014 – 12/2016 Measuring Separation in Emergencies
- PI: Dr. Lindsay Stark
 - Granting Agency: USAID
 - Role: Consultant Methodologist
 - Responsible for developing program and survey documents, training national and international staff, overseeing data collection and data analysis.
 - Program activities took place in North Kivu, DR Congo

- 01/2014 – 01/2015 Creating A Space, Raising A Voice: Protecting and Empowering Adolescent Girls in Humanitarian Contexts (5/2014 – 12/2014)
- PI: Dr. Lindsay Stark
 - Granting Agency: International Rescue Commission
 - Role: Consultant Methodologist
 - Responsible for developing and testing program and survey documents used in program data collection and data analysis.
 - Program activities took place in South Kivu, DR Congo
- 01/2013 – 01/2014 Legal Identity Program Baseline Study (5/2013 – 10/2013)
- PI: Dr. Lindsay Stark
 - Granting Agency: Australia-Australia-Indonesia Partnership for Justice
 - Role: Consultant Methodologist
 - Responsible for developing program and survey documents, training national and international staff, overseeing data collection and data analysis.
 - Activities coordinated through Pusat Kajian Perlindungan Anak (PUSKAPA)
 - Program activities took place in Jakarta and NTT, Indonesia.

12. Educational Contributions

Direct Teaching/Precepting/Supervising

- 2018 – 2022 Medical Student Elective Preceptor
Columbia University Vagelos College of Physicians and Surgeons, NY, NY
Clinical preceptor for medical student electives in emergency medicine. Responsibilities include direct oversight of a senior medical student on clinical shifts and regular meetings to discuss career goals and projects.
- 10/2019,
05/2018,
10/2018,
06/2016 Faculty Supervisor
Emergency Medicine Residency Theme Day
New York-Presbyterian Hospital
New York, NY
Served as a faculty mentor and supervisor for at least one of our Emergency Medicine residency's 'Theme Days' annually. The 'Theme Days' are educational conferences lead by residents with faculty support to focus on one large topic in medicine. In 2016-2018, I oversaw the 'Global Health Theme Days' which focused clinical cases in tropical medicine, lecture and panel discussions of the biggest global health challenges, and advices on how to build a career in global health. In 2019 I oversaw the 'Social Emergency Medicine Theme Day' which was focused on social determinants of health and providing care to vulnerable populations in the emergency department.
- 2015 – 2022 Course Instructor
Clinical Clerkship in Emergency Medicine
First Year Course – “Foundations of Clinical Medicine”
Columbia University Vagelos College of Physicians and Surgeons.
- 2015 – 2018 Course Instructor
Fundamentals of Global Health – Columbia University
Columbia University in the City of New York

*Annual undergraduate lecture entitled 'Ebola in West Africa: Weak Health Systems and International Response' in the Fundamentals of Global Health
Approximately 40-50 students.*

2014 – 2022
Course Instructor
Public Health and Humanitarian Action
Columbia University Mailman School of Public Health
*Contribute to courses taught in the Program on Forced Migration and Health, including presentations on Ebola response for the 'Communicable Diseases in Complex Emergencies' course and in the survey course 'Public Health and Humanitarian Action'.
Learners include 30 public health students.*

2011 – 2022
Clinical Instructor in Emergency Medicine
*Oversee and educate medical students, residents, fellows, nurse practitioners and physician assistants in the Emergency Department.
8-10 learners per week
28 hours/week*

Advising and Mentorship

2018 – 2019
DrPH (Doctor of Public Health) Advisor
DrPH Dissertation Committee for Zahirah McNatt
Department of Population and Family Health
Mailman School of Public Health
"City life: The healthcare access experience of urban-based Syrian refugees in the MENA region".

Educational Administration and Leadership

Fall 2021
Fall 2020
Fall 2019
Course Director – Public Health and Humanitarian Action
Mailman School of Public Health at Columbia University
New York, NY
*Lead the Public Health and Humanitarian Action (PHHA) course in the Program on Forced Migration and Health at Mailman School of Public Health. This course is the only required course for all students in the Public Health and Humanitarian Action certificate and serves as a survey of the biggest issues facing the intersection of global health challenges and humanitarian response.
Developed and lead sessions and coordinate with guest lecturers throughout the semester.*

01/2019 – 05/2019
Curriculum Developer and Course Director
"Lessons (Un)Learned in Humanitarian Assistance: A Historical Perspective"
Sciences Po Paris School of International Affairs
Paris, France
Developed, as part of a faculty exchange between Columbia University and Sciences Po, and directed a graduate-level course examining the history of humanitarian action. Using seminal events in humanitarian response, the class evaluates the themes and controversies that have created the modern humanitarian sector and requires students to propose solutions to improve humanitarian response. Responsible for the expanded conceptualization and redesign of this course, including course structure and content.

2018 - 2022
Emergency Medicine Representative
Steering Committee for Program for Education in Global and Population Health
Columbia University Vagelos College of Physicians and Surgeons
New York, NY

Represent the Department of Emergency Medicine in development of global programs at the medical school, including trainings, research and international clinical experiences for students and faculty.

Spring 2022,
Spring 2021,
Spring 2020,
Fall 2019,
Spring 2018,
Spring 2017

Curriculum Developer and Course Director
“Lessons (Un)Learned in Humanitarian Assistance: A Historical Perspective”
Columbia University Mailman School of Public Health
New York, NY

This graduate-level course examines the history of humanitarian action to reveal that many struggles confronting the sector today are neither entirely novel nor unique. Using seminal events in humanitarian response, the class evaluates the themes and controversies that have created the modern humanitarian sector and requires students to propose solutions to improve humanitarian response. Responsible for the conceptualization and design of this course, including course structure and content.

2014

Curriculum Developer and Conference Director
Patagonia Remote Emergency Medicine
Created a training program for an emergency medicine conference in Patagonia, Argentina. This included teaching sessions on the use of emergency ultrasound and creation of a mass-casualty trauma exercise. Participants included medical professionals from southern Argentina.

Instructional/Educational Materials used in Print or other Media

2011-2012

Curriculum development
Program: Systems Improvement at the District Hospital and Regional Training of Emergency Care (sidHARTE)
Kigutu, Rwanda
Served as a consultant in the development of an emergency medicine curricula and training course for district physicians.

Community Education

2017

Doctors Without Borders/ Médecins Sans Frontières
‘Forced from Home’ Exhibit Guide
Seattle, USA
Volunteered as tour guide for a week-long immersive exhibit that raised awareness about the experience of asylum-seekers and refugees.

13. Report of Clinical Care and Public Health Interventions

Clinical Practice or Public Health Activities

07/2011 – 06/2022

Attending Physician in Emergency Medicine
New York-Presbyterian Hospital
28 clinical hours/week
Provide comprehensive emergent medical care at NewYork-Presbyterian/Milstein Hospital Emergency Department and NewYork-Presbyterian/Allen Hospital Emergency Department, both Level 2 Trauma centers serving the Washington Heights and Inwood communities.

Clinical or Public Health Administration and Leadership

12/2021—01/2022

Transition Committee Member

Office of the Manhattan Borough President—Mark Levine

- 06/2021 – 06/2022 Clinical Advisor
“The Promise of Patient-Led Research Integration into
Clinical Registries and Research”
The Council of Medical Specialty Societies and Patient-Led Research
Collaborative
- 04/2011 – 05/2011 Emergency Medicine Consultant and Lecturer
University Hospital of Heraklion
Heraklion, Greece
- 04/2010 Emergency Medicine Consultant and Lecturer
Sundaram Medical Foundation Memorial Hospital
Chennai, India
- 03/2010 Emergency Medicine Consultant and Lecturer
Durgapur Mission Hospital
Durgapur, India
- 03/2008 Medical Student Trip Organizer and Director
San Lucas Mission
San Lucas, Guatemala

Clinical or Public Health Service Activities (medical care delivered at international sites)

- 05/2018 – 07/2018 Medical Doctor – Mediterranean Search and Rescue
Doctors Without Borders/ Médecins Sans Frontières
Mediterranean Sea
Provided medical care to migrants at sea and participated in search and rescue activities.
- 05/2017 – 08/2018 Medical Doctor – Mediterranean Search and Rescue
Doctors Without Borders/ Médecins Sans Frontières
Mediterranean Sea
- 10/2016 – 12/2016 Epidemiologist – Hepatitis E Outbreak Response
Doctors Without Borders/ Médecins Sans Frontières
Am Timan, Chad
*Developed active case-finding strategy and guided epidemiological and clinical response
to large-scale hepatitis outbreak in local water supply, with a focus on pregnant women.*
- 02/2016 – 05/2016 Trauma and Emergency Medicine Physician
Doctors Without Borders/ Médecins Sans Frontières
Bujumbura, Burundi
*Provided direct clinical care to trauma patients and taught Advanced Trauma Life
Support to Burundian physicians, including the use of bedside ultrasound.*
- 03/2015 – 04/2015 National Epidemiology Coordinator – Guinée
Doctors Without Borders/ Médecins Sans Frontières
Conakry, Guinea
*Responsible for coordination all of the epidemiological activities of Doctors Without
Borders teams in Guinée during the 2013-2016 West Africa Ebola outbreak. This*

included collaborating with external actors (CDC, WHO), reporting to our response and medical teams to inform preparedness and medical activities, and preparing reports for our international offices.

- 09/2014 – 10/2014 Staff Physician – Ebola Treatment Center
Doctors Without Borders/ Médecins Sans Frontières
Gueckedou, Guinea
Provided direct clinical care to patients with Ebola and participated in revision of clinical decision tools and algorithms
- 06/2012 – 12/2012 Mortality Survey Project Leader, Outbreak Investigation and Case-Control Study
Leader; Pregnancy Surveillance Project Consultant
Village Health Works
Kigutu, Burundi
- 06/2012 – 8/2012 Epidemiologist - Non-Food Item Beneficiaries List Verification Report
Rebuild for Hope Africa
Bukavu, DR Congo
- 01/2008 Medical School Elective - Emergency Medicine and Preventative Medicine
Indian Health Service – Navajo Reservation
Shiprock, New Mexico
- 05/2005 Medical Student Volunteer - World Health Student Organization
Hospital José María Cabral y Báez
Santiago, Dominican Republic

14. Skills

Languages Spoken

English—native

French—full professional proficiency (including clinical care and leading research teams)

Spanish—professional working proficiency (including extensive clinical care experience)

Mandarin—professional working proficiency (including extensive clinical care experience)

Media

I have extensive media experience with hundreds of interviews on live cable television as well as numerous print and radio segments. This includes interviews on all major news networks (MSNBC, CNN, Fox, BBC, PBS and more) as well as dozens of primetime segments and national podcast appearances.
