

Curriculum Vita
David M. Sobel

Contact Information

Department of Cognitive and Psychological Science
Box 1821, Brown University
Providence, RI 02912
Email: Dave_Sobel@brown.edu
Phone: (401)-863-3038
Web: <https://copsy.brown.edu/people/dave-sobel>
Last Updated: May 15, 2026

Education

2001 Ph.D. in Psychology, University of California, Berkeley
1997 M.A. in Psychology, University of California, Berkeley
1995 B.A. in Psychology and Computer Science (with distinction), Swarthmore College

Employment

2024- Professor, Department of Cognitive and Psychological Sciences, Brown University
2013-2024 Professor, Department of Cognitive, Linguistic, and Psychological Sciences, Brown University
2010-2013 Associate Professor, Department of Cognitive, Linguistic, and Psychological Sciences, Brown University
2007-2010 Associate Professor, Department of Cognitive and Linguistic Sciences, Brown University
2005 Visiting Scholar, Department of Psychology, Harvard University
2004-2007 Stephen Robert Assistant Professor of Cognitive and Linguistic Sciences, Brown University
2001-2004 Assistant Professor, Department of Cognitive and Linguistic Sciences, Brown University

Current and Past Funding

2026-2029 *The role of parent-child interaction and AI in facilitating children's scientific reasoning.* (NSF EHR 2611118), \$730,556 in total costs. Status: Recommended for Funding. Role: PI
2026-2027 *Humble beginnings: Exploring the role of intellectual humility in children's developing understanding of productive failure.* (Templeton Foundation Intellectual Humility Subaward) \$38,733 in total costs. Status: In progress. Role: PI.
2026-2027 *If at first you don't succeed, try again: Children's understanding of productive failure in learning and persistence.* (Caplan Foundation Grant, 26-0055BU). \$50,000 in total costs. Status: In progress. Role: Co-PI (PI: S. Kiefer)
2023-2026 *Fostering STEM engagement from parent-child interaction* (NSF EHR 2300459). \$830,678 in total costs. Status: In progress. Role: PI
2019-2024 *The dynamics of inhibition in social cognitive development* (NSF DS 1917639). \$520,876 in total costs. Status: Completed. Role: PI.

- 2020-2021 *RAPID: Relations between parent-child interaction about handwashing and children's engagement in and understanding of preventing disease transmission* (NSF EHR 2033368). \$103,595 in total costs. Status: Completed. Role: PI.
- 2019-2021 INTERN Supplement: *Collaborative Research: Young children's beliefs about causal systems: Learning about belief revision in the lab and in museums* (NSF EHR 1661068-S), \$41,449 in total costs. Status: Completed. Role: PI.
- 2017-2021 *Collaborative Research: Young children's beliefs about causal systems: Learning about belief revision in the lab and in museums* (NSF EHR 1661068), \$1,276,657 in total costs. Status: Completed. Role: PI.
- 2017-2019 REU Supplement: *Collaborative Research: Explaining, exploring, and scientific reasoning in museum settings*. (NSF REU 1420548), \$20,309 in total costs. Status: Completed. Role: PI.
- 2015-2019 *Collaborative Research: Explaining, exploring, and scientific reasoning in museum settings*. (NSF REAL 1420548), \$1,292,126 in total costs. Status: Completed. Role: PI.
- 2012-2016 *The emergence of diagnostic reasoning and scientific thinking* (NSF DLS 1223777), \$713,030 in total costs. Status: Completed. Role: PI.
- 2014-2016 *Measuring toddlers' understanding of pretense* (NIH NCRR 5P20RR016457). \$156,657 in direct costs. Status: Completed. Role: Sponsor (PI: J. Van Reet).
- 2012-2014 *The cognitive representation of pretense* (NIH NCRR 8P20GM103430), \$122,983 in direct costs. Status: Completed. Role: Sponsor (PI: J. Van Reet).
- 2011-2012 *Galton fellowship for graduate student research* (Brown University, Institute for Brain Science), \$15,439 in total costs. Status: Completed. Role: Sponsor (PI: D. Macris).
- 2010-2011 *The role of domain knowledge on causal reasoning of chemistry content* (University of Cambridge Research and Development Grant), £3993 in total costs. Status Completed. Role: Co-PI (PI: Michelle Ellefson).
- 2005-2010 *Children's causal learning and the development of mechanism knowledge* (NSF DLS 0518161), \$276,543 in total costs. Status: Completed. Role: PI.
- 2009-2010 *Galton fellowship for graduate student research* (Brown University, Brain Sciences Program), \$15,439 in total costs. Status: Completed. Role: Sponsor (PI: D. Buchanan).
- 2009-2009 *Variability in pragmatic inferencing* (NSF BCS 0744898), \$80,593 in total costs. Status: Completed. Role: PI (Note: Julie Sedivy was PI from 2007-2008).
- 2008-2009 *Graduate student research award* (Brown University, Brain Sciences Program), \$15,439 in total costs. Status: Completed. Role: Sponsor (PI: E. Tenenbaum).
- 2008-2008 *Curriculum development award* (Brown University, Dean of the College Initiative), \$4,000 in total costs. Status: Completed. Role: PI.
- 2007-2008 *New designs towards understanding toddlers' causal inferences* (Dana Foundation Pilot Research Program in Brain Sciences), \$10,000 in total costs. Status: Completed. Role: PI.
- 2001-2003 *Correlates of infants' understanding of action*. Postdoctoral National Research Service Award (F32 MH-64237). \$94,364 in total costs. Status: Did not accept. Role: PI.
- 1998-2001 *Causal explanation and categorization in development*. Predoctoral National Research Service Award (F31 MH-12407). \$61,671 in total costs. Status: Completed. Role: PI.

Funding Under Review/In Preparation

- 2026-2029 *The power of productive failure in children's learning and hypothesis testing* (NSF 2544971). \$584,557 in total costs. Status: Under Review. Role: PI

2026-2029 *Developing judgments of fairness in resource collection*. (NSF Proposal 296693).
\$~580,000 in total costs. Status: In preparation. Role: PI

Publications

Note, since 2011, I have used the first/last convention for lead or senior authorship.

Books and Monographs

- Weisberg, D. S., & Sobel, D. M. (2022). *Constructing science: Connecting causal reasoning to scientific thinking in young children*. Cambridge, MA: MIT Press. (Peer Reviewed)
- Callanan, M. *, Legare, C. H. *, Sobel, D. M. * with 11 others (2020). Exploration, explanation, and parent-child interaction in museum settings. *Monographs of the Society for Research in Child Development*, 85, 1. *Equal Senior Authorship (Peer Reviewed)
- Sobel, D. M., & Jipson, J. (2016). *Cognitive development in museum settings: Relating research to practice*. New York: Routledge.

Manuscripts under consideration (peer-reviewed venues)

- Sobel, D. M., Koksals, O., Osterhaus, C, Moeller, A. & Sodian, B. (submitted for revised review, *Developmental Science*). *Longitudinal relations between theory of mind capacities and scientific reasoning between the ages of 4 and 7*. Brown University.
- Kushnir, T., & Sobel, D. M. (invited for revision, *Topics in Cognitive Science*). *Can testimonial learning be considered rational? Revisions, extensions, and new insights into a theory of selective trust*. Duke University.
- Kiefer, S., Modesti, G., McHugh, S., & Sobel, D. M. (invited submission, under review, *Journal of Cognition and Development*). *The STEM Engine: Fostering early engagement with STEM reasoning challenges through parent-child interaction*. Brown University.

Published Peer-Reviewed Articles

- Sobel, D. M. (in press). Using the dynamics of children's reaching to examine the role of inhibitory control in social cognitive development. *Psychological Review*.
- Kiefer, S., & Sobel, D. M. (in press). Children's decision to challenge themselves on a novel task relates to their metacognitive monitoring of their ability. *Child Development*.
- Osterhaus, C., Sodian, B., Koksals, O., & Sobel, D. M. (in press). Longitudinal relations among theory of mind and executive function from ages four to seven. *Developmental Science*.
- Saçkes, M., Işıtan, S., Trundle, K., & Sobel, D. M. (in press). Turkish advantage in preschoolers' understanding of representational change. *British Journal of Developmental Psychology*.

 Center for the Study of Human Development, Brown University (2002)
 Department of Psychology, University of California, Berkeley (2001)

Conference Presentations

Sobel, D. M. (2026, May). *Contextual effects on children's judgments of learning*. Poster presented at the 2026 Meeting of the Association for Psychological Science, Barcelona, Spain.

Sobel, D. M., Koskal, O., Osterhaus, C. Bachhuber, A. M., & Sodian, B. (2026, April). *Longitudinal relations between theory of mind and scientific reasoning from ages 4-7*. Poster presented at the 2026 Meeting of the Cognitive Development Society, Montreal, Canada.

Alvarado, P., & Sobel, D. M. (2026, April). *Breakthrough messaging relates children's engagement and parent-child interaction in a gear exploration task*. Poster presented at the 2026 Meeting of the Cognitive Development Society, Montreal, Canada.

Kiefer, S. L., Modesti, G., McHugh, S., & Sobel, D. M. (2026, April). *Fostering STEM engaging in spatial thinking from parent-child interaction: A remote study*. Poster presented at the 2026 Meeting of the Cognitive Development Society, Montreal, Canada.

McHugh, S., & Sobel, D. M. (2026, April). *Parent-child interaction facilitates children's scientific reasoning*. Poster presented at the 2026 Meeting of the Cognitive Development Society, Montreal, Canada.

Williams, S., Modesti, G., & Sobel, D. M. (2026, April). *Children's developing decisions about fairness and effort in generating praise*. Poster presented at the 2026 Meeting of the Cognitive Development Society, Montreal, Canada.

Sobel, D. M. (2025, July). *Relations between numerical knowledge and causal reasoning about number in young children: A preliminary investigation*. In *Proceedings of the 2025 Annual Meeting of the Cognitive Science Society*. San Francisco, CA.

Kamper, D. G., Makwana, M. B., Song, J-H, & Sobel, D. M. (2025, July). *Distinct inhibitory control systems underlie individual differences in responses to an ultimatum game*. In *Proceedings of the 2025 Annual Meeting of the Cognitive Science Society*. San Francisco, CA.

Gin, S., & Sobel, D. M. (2025, April). *Examining baseline relations among parent-child interaction, STEM learning, and STEM engagement*. Paper presented at the 2025 Biennial Meeting of the Society for Research in Child Development, Minneapolis, MN

Gin, S., Garcia, P., & Sobel, D. M. (2025, April). *Children judiciously praise actions that preserve equity*. Poster presented at the 2025 Biennial Meeting of the Society for Research in Child Development, Minneapolis, MN.

Kiefer, S., & Sobel, D. M. (2025, April). *'That was Easy': Children's definitions and examples of 'easy' and 'hard'*. Poster presented at the 2025 Biennial Meeting of the Society for Research in Child Development, Minneapolis, MN

Kiefer, S., & Sobel, D. M. (2025, April). *Children's decisions about difficulty during novel tasks relates to their metacognitive monitoring of their ability*. Paper presented at the 2025 Biennial Meeting of the Society for Research in Child Development, Minneapolis, MN.

Sobel, D. M., & Li, J. A (2024, July). *Relations between a conversation card manipulation on parent-child interaction and children's engagement with and learning of a causal system*. In *Proceedings of the 2024 Meeting of the Cognitive Science Society*, Rotterdam, Netherlands

Sobel, D. M., Kamper, D. G., & Song, J-H. (2024, July). *The role of distinct inhibitory control systems in children's developing understanding of false belief*. In *Proceedings of the 2024 Meeting of the Cognitive Science Society*, Rotterdam, Netherlands.

Sobel, D. M., Kamper, D. G., & Song, J-H. (2024, June). *The role of inhibitory control in false belief inferences*. Paper presented at the 2024 Meeting of the Jean Piaget Society, Toronto, CA.

Sobel, D. M., Kamper, D. G., & Song, J-H. (2024, March). *Reach tracking reveals different developing inhibitory control processes for social learning*. Poster presented at the 2024 Meeting of the Cognitive Development Society, Pasadena, CA.

Garcia, P., & Sobel, D. M. (2024, March). *Children's developing understanding of praiseworthy resource distribution*. Poster presented at the 2024 Meeting of the Cognitive Development Society, Pasadena, CA.

Gin, S. & Sobel, D. M. (2024, March). *Examining baseline relations between parent-child interaction and STEM engagement and explanations*. Poster presented at the 2024 Meeting of the Cognitive Development Society, Pasadena, CA.

Kamper, D. G., Song, J-H. & Sobel, D. M. (2024, March). *Distinct inhibitory control mechanisms underlie children's fairness judgments*. Poster presented at the 2024 Meeting of the Cognitive Development Society, Pasadena, CA.

Kiefer, S., & Sobel, D. M. (2024, March). *'I wanted to challenge myself': Children's adaptive choices rely on their metacognitive understanding of effortful actions*. Poster presented at the 2024 Meeting of the Cognitive Development Society, Pasadena, CA.

Gin, S., Boykin, C. M., & Sobel, D. M. (2024, February). "That scientist looks like me!": How early childhood storybook interventions may reduce the gender gap in STEM engagement. Poster presented at the 2024 meeting of the Society for Personality and Social Psychology, San Diego, CA.

Sobel, D. M. (2023, August). A metaanalysis of the development of the self-other difference in false belief understanding. Paper presented at the 2023 meeting of the American Psychological Association, Washington, D.C.

Sobel, D. M. (2023, June). Reexamining the development of the self-other difference in the unexpected contents task. Poster presented at the 2023 Meeting of the Jean Piaget Society, Madrid, Spain.

Sobel, D. M., Kamper, D. G., & Song, J-H. (2023, June). *Reach tracking reveals different developing inhibitory control processes when making fairness judgments*. Paper presented at the 2023 Meeting of the Jean Piaget Society, Madrid, Spain.

Sobel, D. M. & Stricker, L. (2023, March). *Parent-child interaction during a home STEM activity and children's handwashing behaviors*. Paper presented at the 2023 Meeting of the Eastern Psychological Association. Boston, MA.

Dunlap, L., Sobel, D. M., & Weisberg, D. S. (2023, March). *Caregiver-child dynamics during museum exploration and their impact on child engagement*. Poster presented at the 2023 Biennial Meeting of the Society for Research in Child Development, Salt Lake City, UT.

Hu, Y. F., Sobel, D. M., & Song, J-H. (2022). How does subitization interact with the numerical distance effect in a choice-reaching task? Paper presented at 2022 Vision Science Society Annual Conference. Printed in *Journal of Vision*, 22, 3539-3539

Sobel, D. M., & Stricker, L. (2022, April). Parent-child interaction during a home-based STEM activity relates to children's behaviors: The case of handwashing. Poster presented at the 2022 Meeting of the Cognitive Development Society. Madison, WI.

Callanan, M., Jaeger, G., Legare, C., & Sobel, D. M. (2022, April). Explaining and exploring the dynamics of parent-child interaction and children's causal reasoning at a children's museum. Poster presented at the 2022 Meeting of the Cognitive Development Society. Madison, WI.

Weisberg, D. S., & Sobel, D. M. (2022, April). Children's museum exploration provides a window into their belief revision and understanding of learning. Poster presented at the 2022 Meeting of the Cognitive Development Society. Madison, WI.

Yin, H. & Sobel, D. M. (2022, April), Social-emotional touch as a window into children's STEM engagement during parent-child interaction. Poster presented at the 2022 Meeting of the Cognitive Development Society. Madison, WI.

Yockel, M. R., & Sobel, D. M. (2022, April). Age-related changes in equitable resource collection and relations to resource distribution. Poster presented at the 2022 Meeting of the Cognitive Development Society. Madison, WI.

McHugh, S., Callanan, M., Jaeger, J. Legare, C. H., & Sobel, D. M. (2021, June). *Explaining and Exploring: Parent-child interaction in a children's museum*. Paper presented at the 2021 Meeting of the Jean Piaget Society. Virtual Conference.

Sobel, D. M., Benton, D., Finiasz, Z., Taylor, Y., & Weisberg, D. S. (2021, April). *Children's exploration during play indicates both rational and irrational strategies for learning*. Paper presented at the 2021 Biennial Meeting of the Society for Research in Child Development. Virtual Conference.

Sobel, D. M., Stricker, L. & Weisberg, D. S. (2021, April). *Children's belief revision during natural exploration in a children's museum*. Paper presented at the 2021 Biennial Meeting of the Society for Research in Child Development. Virtual Conference.

Benton, D., Rakison, D., & Sobel, D. M. (2021, April). *Inferring causation from correlation: children's use of second-order correlations to make causal inferences*. Poster presented at the 2021 Biennial Meeting of the Society for Research in Child Development. Virtual Conference.

Stricker, L. & Sobel, D. M. (2021, April). *Order of experience with growth mindset messages influences children's engagement with STEM in a museum*. Paper presented at the 2021 Biennial Meeting of the Society for Research in Child Development. Virtual Conference.

Stricker, L. & Sobel, D. M. (2021, April). *Learning settings affect how children believe learning happens*. Poster presented at the 2021 Biennial Meeting of the Society for Research in Child Development. Virtual Conference.

Taylor, Y., Song, J-H. & Sobel, D. M. (2021, April). *Using reach tracking to document the role of inhibition in selective learning*. Paper presented at the 2021 Biennial Meeting of the Society for Research in Child Development. Virtual Conference.

McLouglin, N., Finiasz, Z., Sobel, D. M. & Corriveau, K. H. (2020, January). *Children developing capacity to calibrate observed evidence about causal relations with verbal testimony*. Poster presented at the 2020 meeting of the Budapest CEU Conference on Child Cognitive Development, Virtual Conference.

Blankenship, J. & Sobel, D. M. (2019, October). *Children's preferences between equal and equitable tax divisions*. Poster presented at the 2019 Biennial Meeting of the Cognitive Development Society. Louisville, KY.

Blankenship, J. & Sobel, D. M. (2019, October). *Preschoolers' evaluations of minimal givers*. Poster presented at the 2019 Biennial Meeting of the Cognitive Development Society. Louisville, KY.

Finiasz, Z. Weisberg, D. S., & Sobel, D. M. (2019, October). *Four- to 7-year-olds can design unconfounded experiments to learn causal relations about simple causal structures*. Poster presented at the 2019 Biennial Meeting of the Cognitive Development Society. Louisville, KY.

McHugh, S., Callanan, M., Jaeger, J. Legare, C. H., & Sobel, D. M. (2019, October). *Up in the Airways: Linking explaining and exploring to children's causal thinking*. Poster presented at the 2019 Biennial Meeting of the Cognitive Development Society. Louisville, KY.

Stricker, L., & Sobel, D. M. (2019, October). *Timing matters: How mindset messages can promote STEM engagement in a museum setting*. Poster presented at the 2019 Biennial Meeting of the Cognitive Development Society. Louisville, KY.

Sobel, D. M., Letourneau, S. M., Willard, A. K., Jaeger, G., Legare, C. H., & Callanan, M. (2019, May). *The interaction between exploration and explanation at a children's museum exhibit*. Paper presented at the 2019 Meeting of the Association Education Research Association, Toronto, CA.

Sobel, D. M., Letourneau, S. M., Legare, C. H., & Callanan, M. (2019, March). *The impact of parent-child interactions at a museum exhibit on children's persistence and problem-solving*. Paper presented at the 2019 Biennial Meeting of the Society for Research in Child Development, Baltimore, MD.

Sobel, D. M., Letourneau, S. M., Willard, A. K., Jaeger, G., Legare, C. H., & Callanan, M. (2019, March). *The dynamics between exploration and explanation at a children's museum exhibit*. Paper presented at the 2019 Biennial Meeting of the Society for Research in Child Development, Baltimore, MD.

Callanan, M., McHugh, S. R., Burke, E., Jaeger, G., Legare, C. H., & Sobel, D. M. (2019, March). *Diversity in parents' directive and scaffolding conversations with children in museums*. Paper presented at the 2019 Biennial Meeting of the Society for Research in Child Development, Baltimore, MD.

Finiasz, Z., & Sobel, D. M. (2019, March). *How children learn from others: An analysis of selective word learning*. Poster presented at the 2019 Biennial Meeting of the Society for Research in Child Development, Baltimore, MD.

Finiasz, Z., Weisberg, D. S., & Sobel, D. M. (2019, March). *Children's resolution of their own and others' beliefs in light of counterevidence*. Paper presented at the 2019 Biennial Meeting of the Society for Research in Child Development, Baltimore, MD.

Haber, A., Sobel, D. M., & Weisberg, D. S. (2019, March). *Fostering children's reasoning about disagreements through an inquiry-based curriculum*. Poster presented at the 2019 Biennial Meeting of the Society for Research in Child Development, Baltimore, MD.

Heilbrun, J. & Sobel, D. M. (2019, March). *Not all inequity is selfish: Preschoolers' selective inferences about givers and distributors*. Poster presented at the 2019 Biennial Meeting of the Society for Research in Child Development, Baltimore, MD.

Heilbrun, J., Sobel, D. M. (2019, March). *Children's developing preferences for fair outcomes over fair distributions*. Poster presented at the 2019 Biennial Meeting of the Society for Research in Child Development, Baltimore, MD.

Jaeger, G., Callanan, M., Sobel, D. M., & Legare, C. H. (2019, March). *Leading, learning, and divergent exploration during children's toy play*. Paper presented at the 2019 Biennial Meeting of the Society for Research in Child Development, Baltimore, MD.

Letourneau, S. M. & Sobel, D. M. (2019, March). *Children's descriptions of playing and learning as related processes*. Poster presented at the 2019 Biennial Meeting of the Society for Research in Child Development, Baltimore, MD.

Luchkina, E., Corriveau, K. H., & Sobel, D. M. (2019, March). *Preschoolers retrospectively re-evaluate word meanings upon learning that their source was unreliable*. Paper presented at the 2019 Biennial Meeting of the Society for Research in Child Development, Baltimore, MD.

Medina, C., & Sobel, D. M. (2019, March). *Caregiver-child interaction influences causal learning in a structured play setting*. Poster presented at the 2019 Biennial Meeting of the Society for Research in Child Development, Baltimore, MD.

McHugh, S. R., Callanan, M., Legare, C. H., & Sobel, D. M. (2019, March). *Gearing up for causal learning: Exploring the role of parent-child conversation in a museum*. Poster presented at the 2019 Biennial Meeting of the Society for Research in Child Development, Baltimore, MD.

Scofield, J., Cagle, S., Linetsky, K., Davila, L., Chernyak, N. & Sobel, D. M. (2019, March). *Children's beliefs about the controllability of thoughts, actions, and feelings*. Poster presented at the 2019 Biennial Meeting of the Society for Research in Child Development, Baltimore, MD.

Sobel, D. M. (2019, March). *Contrasting parent-child interaction via facilitation and exhibit modification during a STEM learning activity in a children's museum*. Paper presented at the 2019 Meeting of the Eastern Psychological Association, New York, NY.

Luchkina, E., Sobel, D. M., & Morgan, J. (2018, July). Sixteen-month-olds understand the link between words and referents. *Proceedings of the 2018 Meeting of the Cognitive Science Society* Madison, WI.

Luchkina, E., Sobel, D. M., & Morgan, J. (2018, June). Sixteen-month-olds understand the link between words and mental representations of their referents without contextual support. *Poster presented at the 2018 Biennial Meeting of the International Congress on Infant Studies*. Philadelphia, PA.

Letourneau, S. M., & Sobel, D. M. (2018, April), Children's descriptions of playing and learning. *Paper presented at the 2018 Meeting of the American Educational Research Association*. New York, NY.

Luchkina, E., Corriveau, K. H. & Sobel, D. M. (2018, January). Preschoolers retrospectively reevaluate word meanings provided by an unreliable informant. *Poster presented at the 2018 meeting of the Budapest CEU Conference on Child Cognitive Development*, Budapest, Hungary.

Sobel D. M., Letourneau, S. M., Willard, A., Solis, G., Legare, C. H., & Callanan, M. (2017, October). Exploration, explanation, and scientific reasoning in a children's museum. *Poster presented at the 2017 meeting of the Cognitive Development Society*, Portland, OR.

Luchkina, E., Corriveau, K. H. & Sobel, D. M. (2017, October). Children retrospectively reevaluate word meanings generated by unreliable speakers. *Poster presented at the 2017 meeting of the Cognitive Development Society*, Portland, OR.

Weisberg, D. S., & Sobel, D. M. (2017, October). Of blickets and butterflies: The effect of contextualization on diagnostic reasoning. *Poster presented at the 2017 meeting of the Cognitive Development Society*, Portland, OR.

Sobel, D. M. & Austerweil, J. (2017, April). Coding choices affect the analysis of a false belief measure. *Poster presented at the 2017 meeting of the Society for Research in Child Development*, Austin, TX.

Sobel, D. M., & Letourneau, S. (2017, April). Children's developing explicit knowledge of and reflections on pretending. *Paper presented at the 2017 Society for Research in Child Development*. Austin, TX.

Sobel, D. M., Letourneau, S., Meisner, R., Legare, C. H., & Callanan, M. (2017, April). Exploration, explanation, and scientific reasoning in a children's museum. *Poster presented at the 2017 meeting of the Society for Research in Child Development*, Austin, TX.

Erb, C. E., Moher, J., Song, J-H, & Sobel, D. M. (2017, April). Reaching behavior reveals dissociable inhibitory processes with divergent developmental trajectories. *Paper presented at the 2017 Society for Research in Child Development*. Austin, TX.

Letourneau, S., & Sobel, D. M. (2017, April). Preschoolers' understanding of learning through action verses instruction. *Poster presented at the 2017 meeting of the Society for Research in Child Development*, Austin, TX.

Luchkina, E., Sobel, D. M., & Morgan, J. (2017, April). Accuracy statistics and inferences about speakers' epistemic knowledge drive children's reliability judgment in the verbal domain. *Paper presented at the 2017 Society for Research in Child Development*. Austin, TX.

Sabbagh, M., Quistberg, K. & Sobel, D. M. (2017, April). Processes of conceptual change in preschool-aged children: Neurobiological and computational perspectives. *Paper presented at the 2017 Society for Research in Child Development*. Austin, TX.

Willard, A. Y., Busch, J., Sobel, D. M., Callanan, M., & Legare, C. H. (2017, April). The impact of parent and children's explanation and exploration on children's causal learning. *Poster presented at the 2017 meeting of the Society for Research in Child Development*, Austin, TX.

Kolobaric, A., & Sobel, D. M. (2017, March). Linking implicit false belief understanding with explicit theory of mind. *Poster presented at the 2017 meeting of the Eastern Psychological Association*, Boston, MA.

Luchkina, E., Morgan, J., & Sobel, D. M. (2017, March). Accuracy statistics and inferences about epistemic knowledge drive children's reliability judgments. *Paper presented at the 2017 meeting of the Eastern Psychological Association*, Boston, MA.

Sobel, D. M., & Marcis, D. M. (2016, August). Children's developing belief revision. *Paper presented at the 2016 International Conference on Thinking*, Providence, RI.

Letourneau, S., & Sobel, D. M. (2016, June). Developing Mind Lab: A University-Museum partnership to explore the process of learning. *Paper presented at the 2016 meeting of Jean Piaget Society*. Chicago, IL.

Luchkina, E., Sobel, D. M., & Morgan, J. (2016, June). Eighteen-month-olds use speakers' reliability to judge novel labels. *Poster presented at the 2016 International Conference on Infant Studies*, New Orleans, LA.

Sobel, D. M., & Letourneau, S. (2016, March). Children's descriptions of learning and teaching. *Paper presented at the 2016 meeting of the Eastern Psychological Association*. New York, NY.

Luchkina, E., Sobel, D. M., & Morgan, J. (2015, November). Eighteen-month-olds use speakers' accuracy to judge novel labels. *Poster presented at the 2015 Boston University Child Language Development Conference*. Boston, MA.

Busch, J. T. A., Legare, C. H., Sobel, D. M., & Callanan, M. (2015, October). The role of parent/child interaction in children's exploration, causal explanation, and learning outcomes. *Poster presented at the 2015 meeting of the Cognitive Development Society*, Columbus, OH.

Cherynak, N., & Sobel, D. M. (2015, October). But he didn't mean to do it: Preschoolers' defiance of unjust punishments. *Poster presented at the 2015 meeting of the Cognitive Development Society*, Columbus, OH.

Erb, C., Moher, J., Song, J-H, Sobel, D. M. (2015, October). Reach tracking reveals dissociable processes underlying cognitive control in 5- to 10-year-old children. *Poster presented at the 2015 meeting of the Cognitive Development Society*, Columbus, OH.

Luchkina, E., Sobel, D. M. & Morgan, J. (2015, October). Associative information is insufficient for reliability judgments in the verbal domain. *Poster presented at the 2015 meeting of the Cognitive Development Society*, Columbus, OH.

Weisberg, D. S., Tassin, T., Hirsh-Pasek, K., & Sobel, D. M. (2015, October), Science matters: Children's explicit knowledge of science relates to their scientific inference capacities. *Poster presented at the 2015 meeting of the Cognitive Development Society*, Columbus, OH.

Sobel, D. M., Tassin, T. (2015, March). Children's developing understanding of higher-order causal relations. *Poster presented at the 2015 Biennial meeting of the Society for Research in Child Development*. Philadelphia, PA.

Chernyak, N. & Sobel, D. M. (2015, March). Equal but not always fair: Value-laden sharing in preschool-aged children. *Paper presented at the 2015 Biennial meeting of the Society for Research in Child Development*. Philadelphia, PA.

Erb, C. D., Moher, J., Song, J-H., & Sobel, D. M. (2015, March). Reaching behavior in numeric comparison tasks reflect mental number line in 5-6-year-olds. *Poster presented at the 2015 Biennial meeting of the Society for Research in Child Development*. Philadelphia, PA

Erb, C. D., Moher, J., Song, J-H., & Sobel, D. M. (2015, March). Reaching behavior reveals dissociable processes underlying cognitive control in the Flanker task. *Poster presented at the 2015 Biennial meeting of the Society for Research in Child Development*. Philadelphia, PA

Luchkina, E., Sobel, D. M., & Morgan, J. (2015, March). Eighteen-month-olds use speaker accuracy information to make inferences about novel labels. *Paper presented at the 2015 Biennial meeting of the Society for Research in Child Development*. Philadelphia, PA.

Luchkina, E., Sommerville, J. A., & Sobel, D. M. (2015, March). Toddlers prefer to imitate intentional action to equally causally effective accidental actions. *Poster presented at the 2015 Biennial meeting of the Society for Research in Child Development*. Philadelphia, PA

Macris, D. M., & Sobel, D. M. (2015, March). Effects of evidence and explanation on hypothesis revision. *Poster presented at the 2015 Biennial meeting of the Society for Research in Child Development*. Philadelphia, PA

Tummeltshammer, K. S., Sobel, D. M., & Kirkham, N. Z. (2015, March). Selective gaze following across the first postnatal year. *Paper presented at the 2015 Biennial meeting of the Society for Research in Child Development*. Philadelphia, PA

Schloss, K. B., & Sobel, D. M. (2014, November). A chromatic interception: NFL Super Bowl team preferences generalize to preferences for similarly colored college teams. *Poster presented at the 2014 meeting of the Psychonomics Society*, Long Beach, CA.

Sobel, D. M. (2014, July). Rational selective learning in infants. *Paper presented at the 2014 Biennial Meeting of the International Society for Infant Studies*. Berlin, Germany.

Sobel, D. M. (2014, March). Belief revision and theory change. *Symposium organized for 2014 meeting of the Eastern Psychological Association*, Boston, MA.

Sobel, D. M., & Tassin, T. (2014, March). The development of diagnostic reasoning and scientific thinking. *Paper presented at the 2014 meeting of the Eastern Psychological Association*, Boston, MA.

Erb, C., Moher, J., Sobel, D. M., & Song, J. H. (2014, March), Reaching behavior in numeric comparison task reflects mental number line in 6-year-olds. *Poster presented at the 2014 meeting of the Eastern Psychological Association*, Boston, MA.

Macris, D. M. & Sobel, D. M. (2014, March), Evidence and explanation in children's belief revision. *Paper presented at the 2014 meeting of the Eastern Psychological Association*, Boston, MA.

Wister, A. S., & Sobel, D. M. (2014, March). Preschoolers' exploratory play behavior: A replication and extension of Cook, Goodman, & Schulz (2011). *Poster presented at the 2014 meeting of the Eastern Psychological Association*, Boston, MA.

Erb, C. D., Moher, J., Song, J-H., & Sobel, D. M. (2013, November). *Measuring the development of 'online' cognitive control in the flanker task*. Poster presented at the Learning to

Attend, Attending to Learn Workshop, at the 2013 Meeting of the Society for Neuroscience, San Diego, CA.

Erb, C. D., Moher, J., Song, J-H., & Sobel, D. M. (2013, October). *Reach trajectory tracking as an online measure of executive control*. Paper presented at the 2013 Biennial Meeting of the Cognitive Development Society, Memphis, TN.

Sobel, D. M. (2013, April). *Inferences about possibility and reality*. Symposium chaired for the 2013 Biennial meeting of the Society for Research in Child Development, Seattle, WA.

Sobel, D. M., (2013, April). *What can children learn from pretense*. Symposium chaired for the 2013 Biennial meeting of the Society for Research in Child Development, Seattle, WA.

Sobel, D. M., & Weisberg, D. S. (2013, April). *Tell me a story: Children's novel story construction resembles the reality they know*. Paper presented at the 2013 Biennial meeting of the Society for Research in Child Development, Seattle, WA.

Erb, C., & Sobel, D. M. (2013, April). *The development of diagnostic reasoning between the ages of 3-7*. Poster presented at the 2013 Biennial meeting of the Society for Research in Child Development, Seattle, WA.

Heilweil, N., & Sobel, D. M. (2013, April), *Children's developing concept of 'forever' in the physical and social domain*. Poster presented at the 2013 Biennial meeting of the Society for Research in Child Development, Seattle, WA.

Macris, D. M., & Sobel, D. M. (2013, April). *Learning from counterevidence: When do children change their hypotheses?* Poster presented at the 2013 Biennial meeting of the Society for Research in Child Development, Seattle, WA.

Van Reet, J., & Sobel, D. M. (2013, April). *Children's understanding of pretense affects from whom they learn*. Paper presented at the 2013 Biennial meeting of the Society for Research in Child Development, Seattle, WA.

Sobel, D. M. (2013, March). *Children's learning from others is based on their existing knowledge*. Symposium chaired for the 2013 Annual Meeting of the Eastern Psychological Association, New York, NY.

Green, K., & Sobel, D. M. (2013, March). *Young children trust others' beliefs based on their own knowledge of belief*. Paper presented at the 2013 Annual Meeting of the Eastern Psychological Association, New York, NY.

Van Reet, J., & Sobel, D. M. (2013, March). *Preschoolers' understanding of pretense affects trust of unfamiliar pretenders*. Paper presented at the 2013 Annual Meeting of the Eastern Psychological Association, New York, NY.

Tenenbaum, E., Shah, R. J., Sobel, D. M., Malle, B. F., & Morgan, J. L. (2011, November) *Gaze following and attention to faces in infancy predict language development*. Boston University Conference on Language Development, Boston, Massachusetts.

Erb, C., & Sobel, D. M. (2011, October), *Three-year-olds' flexible rule usage in a causal reasoning task*. Poster presented at the 2011 Biennial meeting of the Cognitive Development Society, Philadelphia, PA.

Sobel, D. M. (2011, March). *Hypothesis formation and children's interpretation of causal events*. Symposium chaired at the 2011 Biennial meeting of the Society for Research in Child Development, Montreal, CA.

Sobel, D. M. (2011, March). *'Two' make it go: Preschoolers' developing ability to interpret number as having causal power*. Paper presented at the 2011 Biennial meeting of the Society for Research in Child Development, Montreal, CA.

Sobel, D. M. (2011, March). *Enabling conditions and young children's understanding of pretense*. Paper presented at the 2011 Biennial meeting of the Society for Research in Child Development, Montreal, CA.

Buchanan, D. W., & Sobel, D. M. (2011, March). *Complexity and determinism in preschoolers*. Paper presented at the 2011 Biennial meeting of the Society for Research in Child Development, Montreal, CA.

Fernbach, P. M., Buchanan, D. W., Macris, D. M., & Sobel, D. M. (2011, March). *Diagnostic reasoning in preschoolers*. Poster presented at the 2011 Biennial meeting of the Society for Research in Child Development, Montreal, CA.

Macris, D. M., & Sobel, D. M. (2011, March). *Pragmatic inference versus the statistical structure of language: How children learn novel linguistic forms*. Poster presented at the 2011 Biennial meeting of the Society for Research in Child Development, Montreal, CA.

Buchanan, D. W., Tenenbaum, J. B., & Sobel, D. M. (2010). Edge replacement and nonindependence in causation. *Proceedings of the 32nd Annual Meeting of the Cognitive Science Society*. Portland, OR.

Buchanan, D. W. & Sobel, D. M. (2010). Causal stream location effects in preschoolers. *Proceedings of the 32nd Annual Meeting of the Cognitive Science Society*. Portland, OR.

Tenenbaum, E., Sobel, D. M., & Morgan, J. (2010, March). *Typically-developing infants attend to the mouth in conversational interactions*. Poster presented at the 2010 meeting of the International Society for Infant Studies. Baltimore, MD.

Tenenbaum, E., Sobel, D. M., & Morgan, J. (2010, March). *Sensitivity to information in the face predicts vocabulary size*. Poster presented at the 2010 meeting of the International Society for Infant Studies. Baltimore, MD.

Tenenbaum, E., Sobel, D. M., & Morgan, J. (2009, November). *Sensitivity to information in the face predicts vocabulary size*. Poster presented at the 2009 Boston University Child Language Development Conference. Boston, MA.

Corriveau, K. H., & Sobel, D. M. (2009, April). Preschoolers' use of other's reliability for word learning: Testing the limits of learning through testimony. Poster presented at the 2009 Biennial meeting of the Society for Research in Child Development, Denver, CO.

Cook, C. & Sobel, D. M. (2009, April). *Children's beliefs about the fantasy/reality status of hypothesized machines*. Paper presented at the 2009 Biennial meeting of the Society for Research in Child Development, Denver, CO.

Buchanan, D. W., & Sobel, D. M. (2009, April). *Bridging the gap: Children's inferences about object labels and insides from causality-at-a-distance*. Poster presented at the 2009 Biennial meeting of the Society for Research in Child Development, Denver, CO.

Buchanan, D. W., & Sobel, D. M. (2009, April). *Children's developing causal inferences from mechanism and covariation information*. Paper presented at the 2009 Biennial meeting of the Society for Research in Child Development, Denver, CO.

Sobel, D. M., & Weisberg, D. S. (2009, April). *Strange, but true: Children and adults consider causal domains when discriminating impossible from possible but weird events*. Poster presented at the 2009 Biennial meeting of the Society for Research in Child Development, Denver, CO.

Sobel, D. M., Sommerville, J. A., Blumenthal, E. J., & Travers, L. V. (2009, April). *Preschoolers use others' beliefs to make causal inferences from probabilistic data*. Poster presented at the 2009 Biennial meeting of the Society for Research in Child Development, Denver, CO.

Buchanan, D. W., & Sobel, D. M. (2008, July). Bridging the gap: Children's developing inferences about object labels and insides from causality-at-a-distance. *Proceedings of the 2008 annual meeting of the Cognitive Science Society*, Washington, DC.

Sobel, D. M. (2008, March). Discussant of Symposium, Infants learn statistics, so now what? 2008 meeting of the International Society of Infant Studies, Vancouver, Canada.

Sobel, D. M., Yang, D. J., & Bushnell, E. W. (2008, March). Infants' use of contextual cues for generalizing causal actions. Poster presented at the 2008 meeting of the International Society of Infant Studies, Vancouver, Canada.

Sobel, D. M., & Sommerville, J. A. (2007, June). Interventions and causal learning in young children. Paper presented at the 2007 meeting of the Jean Piaget Society, Amsterdam, Netherlands.

Sobel, D. M. (2007, March). Causal inference in young children: Domain general reasoning and domain specific knowledge. Paper presented at the 2007 Biennial meeting of the Society for Research in Child Development, Boston, MA.

Sobel, D. M. (2007, March). *How children's causal learning influences their scientific reasoning*. Paper presented at the 2007 Biennial meeting of the Society for Research in Child Development, Boston, MA.

Sobel, D. M. (2007, March). *Integrating computational and explanation-based approaches to causal learning in young children*. Symposium chaired at the 2007 Biennial meeting of the Society for Research in Child Development, Boston, MA.

Griffiths, T. L., & Sobel, D. M. (2007, March). *Learning about probabilistic and deterministic causal systems*. Paper presented at the 2007 Biennial meeting of the Society for Research in Child Development, Boston, MA.

Hopkins, E. J., & Sobel, D. M. (2007, March). *Children's causal inferences about enabling conditions in the physical and psychological domains*. Poster presented at the 2007 Biennial meeting of the Society for Research in Child Development, Boston, MA.

Sobel, D. M., & Munro, S. A. (2006, July). *When Mr. Blicket wants it, children are Bayesian*. In *Proceedings of the 2006 Annual Meeting of the Cognitive Science Society*, Vancouver, CA.

Mitroff, S. R., Sobel, D. M., Gopnik, A. (2006, May). *Reversing how to think about ambiguous figure reversals: Spontaneous alternating by uninformed observers*. Poster presented at the 2006 meeting of the Vision Sciences Society, Sarasota, FL.

Sobel, D. M. (2006, March). *Relations between children's inferences and conceptual development*. Symposium chaired at the 2006 meeting of the Eastern Psychological Association, Baltimore, MD.

Sobel, D. M. (2006, March). *Knowing about causal and internal properties promotes Bayesian inference*. Paper presented at the 2006 meeting of the Eastern Psychological Association, Baltimore, MD.

Sobel, D. M., & Blumenthal, E. J. (2005, October). *Children's developing knowledge of causal and internal properties*. Poster presented at the 2005 Biennial meeting of the Cognitive Development Society, San Diego, CA.

Blumenthal, E. J. & Sobel, D. M. (2005, October). *Children's understanding of simple and conditional probability*. Poster presented at the 2005 Biennial meeting of the Cognitive Development Society, San Diego, CA.

Sobel, D. M. & Kirkham, N. Z. (2005, April). *Babies and blickets: Developmental evidence for a graphical model representation of causal knowledge*. Paper presented at the 2005 Biennial meeting of the Society for Research in Child Development, Atlanta, GA.

Sobel, D. M. (2005, April). *Relationships among causal reasoning, counterfactual reasoning, and theory of mind: A domain specific approach*. Paper presented at the 2005 Biennial meeting of the Society for Research in Child Development, Atlanta, GA.

Kirkham, N. Z., & Sobel, D. M. (2005, April). *Developing a causal mechanism: Could statistical learning be a candidate?* Paper presented at the 2005 Biennial meeting of the Society for Research in Child Development, Atlanta, GA.

Yoachim, C. A., Sobel, D. M., & Meltzoff, A. N. (2005, April). *Causes, insides, and categories*. Paper presented at the 2005 Biennial meeting of the Society for Research in Child Development, Atlanta, GA.

Li, J., Sobel, D. M., & Corriveau, K. H. (2005, April). *Children's developing conceptions of the learning process*. Poster presented at the 2005 Biennial meeting of the Society for Research in Child Development, Atlanta, GA.

Sobel, D. M. (2004, May). *Integrating cognitive and developmental approaches for studying interventions in causal learning*. Symposium chaired at the 16th annual meeting of the American Psychological Society, Chicago, IL.

Sobel, D. M. (2004, May). *Do it: The importance of one's own interventions in causal learning*. Paper presented at the 16th annual meeting of the American Psychological Society, Chicago, IL.

Tai, J. C., Sloman, S. A., & Sobel, D. M. (2003, November). *Mechanisms underlying the asymmetric dominance effect in choice*. Poster presented at the 2003 annual meeting of the Society for Judgment and Decision Making, Vancouver, BC, Canada.

Sobel, D. M. (2003, October). *The impact of fantasy on cognitive development*. Symposium chaired at the 2003 Biennial meeting of the Cognitive Development Society, Park City, UT.

Sobel, D. M. (2003, October). *Are fantasy effects fantastic: The role of causal violations in children's understanding of pretense*. Paper presented at the 2003 Biennial meeting of the Cognitive Development Society, Park City UT.

Sobel, D. M., & Kushnir, T. (2003, August). *Interventions do not solely benefit causal learning: Being told what to do results in worse learning than doing it yourself*. Proceedings of the 2003 annual meeting of the Cognitive Science Society, Boston, MA.

Sobel, D. M. (2003, June). *The effect of causal violations on young children's knowledge of mental representation in pretense*. Poster presented at the 2003 annual meeting of the Jean Piaget Society, Chicago, IL.

Sobel, D. M., & Tenenbaum, J. B. (2003, April). *The development of children's use of base rates to make causal inferences and its relation to computational models*. Paper presented at the 2003 Biennial meeting of the Society for Research in Child Development, Tampa, FL.

Sobel, D. M. (2003, April). *Children's developing knowledge of the relation between mental awareness and pretense*. Poster presented at the 2003 Biennial meeting of the Society for Research in Child Development, Tampa, FL.

Nadig, A., Sedivy, J., Joshi, A., & Sobel, D. M. (2003, March). *Bridging definite and indefinite referring expressions to discourse: A developmental view*. Poster presented at the 2003 CUNY Sentence Processing Conference. Cambridge, MA.

Sobel, D. M. (2001, October). *Examining the relation between causal cognition and action*. Symposium chaired at the 2001 Biennial meeting of the Cognitive Development Society, Virginia Beach, VA.

Sobel, D. M., Tenenbaum, J. B., & Gopnik, A. (2001, October). *Children and adults use prior probabilities to resolve ambiguous causal data*. Poster presented at the 2001 Biennial meeting of the Cognitive Development Society, Virginia Beach, VA.

Sobel, D. M., & Kushnir, T. (2001, October). *From category to action: Children use causal inferences as a guide to their interventions*. Paper presented at the 2001 Biennial meeting of the Cognitive Development Society, Virginia Beach, VA.

Sobel, D. M. (2001, April). *Children's ability to make inductions about unobserved causal properties of objects based on indirect evidence*. Poster presented at the 2001 Biennial meeting of the Society for Research in Child Development, Minneapolis, MN.

Sobel, D. M. (2001, April). *Towards a "theories" account of counterfactual reasoning*. Paper presented at the 2001 Biennial meeting of the Society for Research in Child Development, Minneapolis, MN.

Sobel, D. M., Capps, L. M., Losh, M. C., & Gopnik, A. (2000, July). *Understanding the development of explanations in young children with autism*. Poster presented at the 2000 meeting of the International Conference of Infant Studies, Brighton, England.

Sobel, D. M., & Lillard, A. S. (1999, July). *The impact of fantasy on children's understanding of pretense*. Poster presented at the 1999 meeting of the American Psychological Society, Denver, CO.

Sobel, D. M., Capps, L. M., & Gopnik, A. (1999, July). *Exploring the relationship between autistic children's perception of ambiguous figures and theory of mind*. Poster presented at the 1999 meeting of the American Psychological Society, Denver, CO.

Sobel, D. M. (1999, April). *The influence of fantasy on children's understanding of pretense*. Paper presented at the 1999 Biennial meeting of the Society for Research in Child Development. Albuquerque, NM.

Gopnik A., & Sobel, D. M. (1999, April). *Detectingblickets: How young children use information about causal powers to guide their naming and induction*. Poster presented at the 1999 Biennial meeting of the Society for Research in Child Development, Albuquerque, NM.

Sobel, D. M., Capps, L. M., & Gopnik, A. (1998, October). *The relationship between perception of ambiguous figures and social understanding in high functioning children with autism*. Poster presented at the University of Oregon Intentionality conference, Eugene, OR.

Sobel, D. M., & Lillard, A. S. (1998, July). *Does the word "pretend" interfere with children's understanding of pretense?* Poster presented at the 1998 meeting of the American Psychological Society, Washington DC.

Gopnik, A., & Sobel, D. M. (1997, April). *Reexamining the role of causality in children's conceptual development*. Poster presented at the 1997 meeting of the Society for Research in Child Development, Washington DC.
