

CURRICULUM VITAE

Name: Donald Ross Coustan, MD
Born: Chicago, Illinois - October 18, 1943
Wife: Terri Distenfield Coustan
Children: Rebecca, Rachel, David
Home Address: 265 Seaside Drive
Jamestown, RI 02835
401-423-2277

Business Address: Women & Infants Hospital of Rhode Island
Maternal-Fetal Medicine Division
101 Dudley Street
Providence, RI 02905-2401
401-274-1100, Extension 47452

Education and Training:

Yale College, B.A. in Psychology (Magna Cum Laude), 1964.
Yale Medical School, M.D., 1968
Internship: Straight Internal Medicine, Yale-New Haven Medical Center, 1968-1969
Residency: Obstetrics and Gynecology, Yale-New Haven Medical Center, 1969-1973

Professional Experience:

Instructor in Obstetrics and Gynecology, Yale University School of Medicine, 1972-1973
Lieutenant Commander, Chief of Obstetrics, Naval Regional Medical Center, Oakland California, 1973-1975
Assistant Professor of Obstetrics and Gynecology, Yale University School of Medicine, 1975-1980
Director, Diabetes in Pregnancy Program, Yale University School of Medicine, 1975-1982
Attending Perinatologist, High Risk Pregnancy Program, Yale-New Haven Medical Center, 1975-19
Associate Professor of Obstetrics and Gynecology, Yale University School of Medicine, 1980-1982
Associate Professor of Obstetrics and Gynecology, Brown University Program in Medicine, 1982-1986
Director, Division of Maternal-Fetal Medicine, Women & Infants Hospital of Rhode Island, 1982-1991
Professor of Obstetrics and Gynecology, Brown University Program in Medicine, 1986-2018
Professor Emeritus of Obstetrics and Gynecology, Warren Alpert Medical School of Brown University, 2018-
Director of Obstetrics, Women & Infants Hospital of Rhode Island, 1986-1991
Associate Chief of Obstetrics and Gynecology, Women & Infants Hospital of Rhode Island, 1988-1991
Chairman, Department of Obstetrics and Gynecology, Brown University Program in Medicine, 1991-2008
Obstetrician and Gynecologist-in-Chief, Women & Infants Hospital of Rhode Island, 1991-2008
Surgeon-in-Chief, Obstetrics and Gynecology, Rhode Island Hospital, 1991-2008
Obstetrics & Gynecology Residency Program Director, 1991-2008
Chace/Joukowsky Professor and Chair of Obstetrics and Gynecology, Brown University School of Medicine, 1999-2008
Women & Infants Hospital of RI, Designated Institutional Official for ACGME, 2007-2010
Interim Director, Division of Maternal-Fetal Medicine, Warren Alpert Medical School of Brown University and Women & Infants Hospital of RI, 2008-2009

Attending Physician, Division of Maternal-Fetal Medicine, Warren Alpert Medical School of Brown University and Women & Infants Hospital of RI, 2009-2018

Membership in Professional Organizations:

HONORARY:

Phi Beta Kappa, 1964

Sigma Xi, 1964

Honorary Member, Diabetic Pregnancy Study Group of the European Association for the Study of Diabetes, 1996-

LOCAL:

New Haven Obstetrical Society, 1975-1982

Professional Advisory Board, March of Dimes, New Haven Chapter, 1980-1982

Professional Advisory Board, March of Dimes, Rhode Island Chapter, 1986-1991

Diabetes and Endocrine Society of Rhode Island, 1982-2000

Providence Medical Association, 1984-

Executive Committee, 1986-1995

STATE:

American Diabetes Association, Connecticut Affiliate, Board of Directors, 1980-1982

American Diabetes Association, Rhode Island Affiliate, Board of Directors, 1984-1993

Honorary Trustee, 1993-1995

Vice President, 1986-1991

Chairman, Professional Education Committee, 1985-1987

Rhode Island State Medical Society, 1983-

President, 1989-1990

Secretary, 1988-1989

Peer Review Committee on Physician Competence, 1986-1994

AIDS Advisory Committee, 1987-1988

State of Rhode Island, Children's Code Commission, Subcommittee on Drug Exposed Children, 1989

State of Rhode Island, Department of Health

Diabetes Professional Advisory Council, 1989-1994

HIV Program Advisory Committee, 1989-1991

Chair, HIV Provider Education Committee, 1995-1997

REGIONAL:

New England Perinatal Society, 1982-2008

Program Chairman, 1987-1990

Obstetrical Society of Boston, 1985-

Associate, 1985-1991

Fellow, 1991-

Prudential Committee, 1994-96

Second Vice President, 1996-97

First Vice President, 1997-98

President, 1998-99

American College of Obstetricians and Gynecologists

District I Meeting Scientific Program Chair, Newport, RI, October 1995

Advisory Board, Maine Diabetes in Pregnancy Project, 1986-1994

American Diabetes Association, New England Region

Board of Directors, 1998-2002

President, New England Region, 2001-2002

NATIONAL:

Fellow, American College of Obstetricians and Gynecologists, 1974-
Committee on Technical Bulletins: Obstetrics, 1990-1993
Chair, 1993-1995
Precis Advisory Committee, 1999-2010
Chair, 2007-2010

American Diabetes Association, 1977-
Council on Diabetes in Pregnancy
Secretary, 1985-1986
Program Chairman, 1989-1991
Member, Task Force on Type I Diabetes in Pregnancy, 1986-1988
Member, Task Force on Gestational Diabetes, 1987-1989
Vice Chair, 1992-1994
Chairperson, 1994-1996
Professional Section Advisory Panel, 1994-1996
Vice Chair, 1995-1996
Chairperson, 1996-1997
Co-Chair, Task Force on the Professional Section, 1995-1997
Member, Future Directions Steering Committee, 1996-1997
Member, Marketing & Communications Committee, 1998-1999
Member, Publications Policy Committee, 1999-2001
Member, Programs Committee, 2001-2003
Member, Task Force on Building and Supporting Effective Volunteer Community Organizations, 2002-2003
Board of Directors, 2000-2003
Nominating Committee, 2003-2005
Steering Committee and Writing Group, 5th International Workshop-Conference on GDM, 2005
Professional Practice Committee, 2016-2018

Society of Perinatal Obstetricians (now Society for Maternal-Fetal Medicine), 1979-
Leader, Special Interest Group on Diabetes, 1987-1989
Board of Directors, 1989-1992
Chairperson, Standards Committee, 1989-1991
Assistant Secretary/Treasurer, 1991-1993
Secretary/Treasurer, 1993-1995
Vice President/President Elect 1995-1996
President, 1996-1997
Lifetime Achievement Award, 2002

American Fertility Society, 1977-1981
American Medical Association, 1983-
Diabetes CME Advisory Board, 1999-2001

Association of Professors of Gynecology and Obstetrics, 1982-
APGO/Wyeth Leadership Development Program Advisory Committee, 1997-2000
Nominating Committee, 2005-2006

National Diabetes Advisory Council, Diabetes Treatment Centers of America Foundation,
1989-1990

National Perinatal Information Center Board of Directors, 1988-1991
Perinatal Research Society, 1989-
Society for Gynecologic Investigation, 1989-
Council of University Chairs of Obstetrics and Gynecology, 1991-
American Gynecological and Obstetrical Society, 1993-2017. Life Fellow 2018-
Fellowship Committee, 1999-2001
Representative to CREOG Council, 2000-2002
Treasurer, 2008-2012
President-elect, 2012-2013
President, 2013-2014

Diabetes in Pregnancy Study Group, West, 1995
American Board of Obstetrics and Gynecology
Associate Examiner, 1995-1997
Examiner, 1997-2008
Council on Resident Education in Obstetrics and Gynecology, Member, 2000-2003
Robert Wood Johnson Clinical Scholars Program, National Advisory Committee, 2001-2008
American Gynecological Club, 1997-
Secretary/Treasurer, 2001-2004
President Elect, 2004-2005
President, 2005-2006

Board Certification:

American Board of Obstetrics and Gynecology, 1976 (ABOG #8512)
Voluntarily recertified, 1993, 1999 and annually thereafter
Subspecialty Certification in Maternal-Fetal Medicine, 1979 (ABOG #8512),
Voluntarily recertified annually since 2000

Licensure:

National Board of Medical Examiners, 1969
Rhode Island State License (6028), 1982-2018
Massachusetts State License (213056), 2002-2016

Hospital Appointments:

Attending Physician, Yale-New Haven Medical Center, 1975-1982
Consulting Staff, Griffin Hospital (Derby, Conn.), 1977-1982
Consulting Staff, Bridgeport Hospital (Bridgeport, Conn.), 1980-1982
Consulting Staff, Waterbury Hospital (Waterbury, Conn.), 1975-1982
Attending Physician, Women & Infants Hospital of Rhode Island, 1982-2018
Assistant Attending, Rhode Island Hospital, 1983-1991
Attending Physician, Rhode Island Hospital, 1991-2010
Consulting Staff, The Miriam Hospital, 1988-2010

University Committees:

Director of Residency Selection, Yale Department of Obstetrics and Gynecology, 1975-1979
Admissions Committee, Yale Medical School, 1975-1979
Medical Library Task Force, Brown University, 1982-1985
Admissions Committee, Brown University Program in Medicine, 1983-1986
Graduate Medical Education Committee, Brown University Program in Medicine, 1983-1991
Health Services Advisory Committee, Brown University, 1983-1989
Committee on Academic Standing, Brown University Program in Medicine, 1985-1991
Postgraduate Referral Committee, Brown University Program in Medicine, 1986-1991
Residency Selection Committee, Department of Obstetrics and Gynecology, Brown University Program in Medicine, 1982-
Chairman, 1986-1987, 1991-2008
Medical Council, Brown University, 1988-1991
Council of Clinical Chairs, 1991-2008

Biomedical Faculty Council, 1992-2008

Major Search Committees:

Chair of Medicine, 1997-1998

Chair of Surgery, 2000-2002 (Chair of Search Committee, 2001-2002)

Chair of Pediatrics, 2002-2003

Hospital Committees

Obstetrical Review Committee, Women & Infants Hospital, 1982-1986

Perinatal Mortality Subcommittee, Women & Infants Hospital, 1982-2008

Medical Education Committee, Women & Infants Hospital, 1983-2008

Chair,

Departmental Executive Committee, Ob/Gyn, 1982-

Pharmacy and Therapeutics Committee, 1982-1991

Residency Review Committee, 1983-

Medical Staff Executive Committee, 1991-2008

Women & Infants Hospital Board of Trustees, 1991-2008

Finance Committee, 1991-2008

Planning Committee, 1991-2008

WIH/RIH Trustee Affiliation Committee, 1991-2008

Joint Conference Committee, 1991-2008

Patient Care Evaluation Committee, 1991-2008

Women & Infants Corporation Board of Directors, 1992-2008

Finance Committee, 1992-2008

Planning Committee, 1992-2008

Care New England Board of Trustees, 1996-12008

Medical School Courses Taught

Lecturer, Second Year Pathophysiology Course, Yale Medical School, 1976-1982

Lecturer, Integrated Medical Sciences 374, Human Reproduction, Growth & Development,

Brown University Program in Medicine, 1983-1986

Course Co-leader, Human Reproduction Section of Biomed 282, Brown University

Program in Medicine, 1987-1995

Case presentation discussion group leader, Core Clerkship in Obstetrics & Gynecology,

Brown University Program in Medicine, 1983-2018

Course Leader, Biomed 339B, elective in Maternal-Fetal Medicine, Brown University

Program in Medicine, 1983-1991

Teaching Awards

Women & Infants Hospital/Brown University Teaching Excellence Pin (Residents and Medical Students), 1992 and annually thereafter through 2017

Dean's Teaching Excellence Award, 2002

Council on Resident Education in Obstetrics and Gynecology National Teaching Excellence Award, 2010.

Outstanding Faculty Mentor 2010, Brown University/Women & Infants Hospital National Center of Excellence in Women's Health.

APGO (Association of Professors of Gynecology and Obstetrics) Excellence in Teaching Award, 2017

Grant Support

Collaborative Population-Based Study of Gestational Diabetes
Centers for Disease Control
Principal Investigator: Donald R. Coustan
Annual Total Costs: \$83,000 (Total \$249,000)
Period of Support: 1984-1987

"Diabetes in Pregnancy: Effects on the Offspring"
NICHD P50HD11343
Principal Investigator: W. Oh
Subgrant 3: "Adaptation to Exercise in Pregnancy"
Principal Investigator: Donald R. Coustan
Percent effort: 15%
Annual direct cost: \$167,265
Period of Support: 1 Dec 85 - 30 Nov 90

"Risk Profile for Women With Gestational Diabetes Who Develop Overt Diabetes"
Centers for Disease Control
Principal Investigator: Donald R. Coustan
Percent Effort: 10%
Total cost: \$398,223
Period of Support: 1 Oct 88 - 30 Sept 90

"Hyperglycemia and Adverse Pregnancy Outcomes"
NICHD 1R01 HD34243-01A2
Principal Investigator: Boyd Metzger, MD (Northwestern University)
Regional Director for North America: Donald R. Coustan, MD
Total Cost: first year \$866,000
Period of Support: 4 May 99 - 31 March 2004

"Building Interdisciplinary Research Careers in Women's Health"
NIH 1K12 HD043447-01
Principal Investigator: Donald R. Coustan, MD
Total Cost: \$2,498,224
Period of Support: 1 Oct 02 - 30 Sept 07

"Women's Reproductive Health Research Career Development Center"
NIH 1K12 HD50108-01
Principal Investigator: Donald R. Coustan, MD (5% effort), 2005-2008
Total Cost: \$1,999,604
Period of Support: 30 Sep 05 – 31 March 2010

Editorial Reviewer:

1. American Journal of Obstetrics and Gynecology
2. Obstetrics and Gynecology
3. Diabetes Care
4. American Journal of Perinatology
5. New England Journal of Medicine

42. Hoegsberg B, Gruppuso P and Coustan D: Fetal hyperinsulinemia in macrosomic infants of nondiabetic mothers. American Diabetes Association, 48th Annual Meeting, New Orleans, 1988.
43. Spirito A, Ruggiero L, Bond A, Bowen A, McGarvey S and Coustan D: The role of stress, coping, and social support in mediating the psychological status of women with gestational diabetes. Society of Behavioral Medicine, San Francisco, 1989.
44. Carpenter MW, Sady SP, Sady M, Haydon B, Coustan DR: Maternal exercise duration and intensity affect fetal heart rate. New England Perinatal Society, Manchester, Vermont, 1989.
45. Carpenter MW, Sady SP, Sady MA, Haydon B, Cullinane EM, Coustan DR, Thompson PD: Reduction of exercise capacity during pregnancy results from maternal weight gain. Society for Gynecologic Investigation, San Diego, 1989.
46. Carpenter M, Sady S, Haydon B, Sady M, Coustan D: Maternal exercise duration and intensity affect fetal heart rate. American College of Sports Medicine Annual Meeting, Baltimore, May 1989.
47. Cowett RM, Carpenter M, Maguire C, Sady M, Haydon B, Sady S, Dorcus B, Carr S, Kalhan S, Coustan D: Lactate oxidation during exercise in pregnancy. American Diabetes Association 49th Annual Scientific Meeting, Detroit, June 1989.
48. Ojomo EO and Coustan DR: Likelihood of respiratory distress syndrome (RDS) in term infants of diabetic mothers. Fifteenth annual New England Conference on Perinatal Research. Chatham, Massachusetts, October 1989.
49. Carr SR, Aronson M, Coustan DR: Survival rates of monoamniotic twins do not decrease after 30 weeks gestational age. Society of Perinatal Obstetricians, Houston, January 1990.
50. Ojomo EO and Coustan DR: Likelihood of immature lung profile in term infants of diabetic mothers. Society of Perinatal Obstetricians, Houston, January 1990.
51. Neiger R, Contag SA, Coustan DR: The resolution of preeclampsia-related thrombocytopenia. Society of Perinatal Obstetricians, Houston, January 1990.
52. Carpenter MW, Sady SP, Sady MA, Haydon BB, Coustan DR, Thompson PD: Effects of exercise training in midpregnancy: a randomized, controlled trial. Society for Gynecologic Investigation, St. Louis, March 1990.
53. Spirito A, Ruggiero L, Graff Low K, Coustan D, McGarvey S: Regimen adherence among pregnant women with diabetes. Society of Behavioral Medicine, Chicago, April 1990.
54. Coustan DR, Gruppuso PA, Carr SR, Carpenter MW, Riehl J, Tessier J, and Crocker M: Hyperinsulinemia in nonobese former gestational diabetic women. American Diabetes Association 50th Annual Scientific Meeting, Atlanta, June 1990.
55. Neiger R and Coustan DR: Degree of glucose tolerance test abnormality as a predictor of the requirement for insulin in gestational diabetes. American Diabetes Association 50th Annual Scientific Meeting, Atlanta, June 1990.
56. Neiger R and Coustan DR: The role of repeat GTT in the diagnosis of gestational diabetes. Society of Perinatal Obstetricians, San Francisco, January 1991.
57. Star J and Coustan DR: Does gestational diabetes represent preexisting glucose intolerance? Diabetes: Effects on Pregnancy and the Neonate, Satellite Symposium to 14th International Diabetes Federation Congress, Newport RI, June, 1991.

58. Carpenter MW, Terry R, Carr S, Haydon B, Dorcas B, Thompson P, Coustan D, Cowett R: Endogenous glucose production mediates insulin resistance in normal but not gestational diabetic pregnancy. Society for Gynecologic Investigation, San Antonio, March 1992.
59. Star J, Canick J, Saller DN, Sung CJ, Tumber MB, Carpenter MW, Coustan DR: Elevated second trimester amniotic fluid glucose and insulin levels and the subsequent development of gestational diabetes. American Diabetes Association 52nd Annual Scientific Meeting, San Antonio, June 1992.
60. Coustan DR, Carpenter MW, O'Sullivan PS, Carr SR: Gestational diabetes: predictors of subsequent disordered glucose metabolism. American Gynecological and Obstetrical Society, Hot Springs, Virginia, September, 1992.
61. Yogev Y, Chen R, Hod M, Coustan D, Oats JJN, Metzger B, Lowe L, Dyer AR, Trimble , Hadden D, Persson B for the HAPO Study Cooperative Research Group: Associations with preeclampsia: lessons from the hyperglycemia and adverse pregnancy outcome (HAPO) study. Society for Maternal-Fetal Medicine 30th Annual Meeting, Chicago, February 2010.
62. Mendez-Figueroa H, Daley J, Lopes VV, Coustan DR: Comparing daily versus less frequent blood glucose monitoring in patients with mild gestational diabetes. Society for Maternal-Fetal Medicine 32nd Annual Meeting, Dallas, February 2012.
63. Starikov R, Coustan D, Chien E, Paglia M, Lopes V: Does hemoglobin A1c value determine risk of congenital heart disease in pre-gestational diabetes? Society for Maternal-Fetal Medicine 32nd Annual Meeting, Dallas, February 2012.

Invited Presentations:

1. "Diabetes in Pregnancy" and "Gestational Diabetes." Grand Rounds, University of Louisville School of Medicine, Louisville, Kentucky, May 1981.
2. "Diabetes in Pregnancy: How Intensive Should We Be?" 29th Annual Postgraduate Course, American Diabetes Association, Orlando, Florida, January 1982.
3. "Diabetes in Pregnancy." Grand Rounds, Saginaw Cooperative Hospitals, Saginaw, Michigan, February 1982.
4. "Diabetes in Pregnancy." Martin L. Stone Society Biannual Lecture, Metropolitan Hospital, New York, May 1982.
5. "Prevention of Developmental Disabilities During Labor and Delivery." Symposium on Advances in Prevention of Developmental Disabilities. Brown University, Rhode Island Hospital, Providence, October 1982.
6. "Prospective Management Plans for the Gestational Diabetic." Symposium on Diabetes in Pregnancy, Baystate Medical Center, Springfield, Massachusetts, December 1982.
7. "Prescribing Medications in Pregnancy." Grand Rounds, Baystate Medical Center, Springfield, Massachusetts, December 1982.
8. "Risks and Benefits of Medications Given During Pregnancy." Symposium on "Womb Invaders." Michigan State University, East Lansing, Michigan, February 1983.
9. "Management of the Pregnant Overt Diabetic" and "Diagnosis and Management of the Gestational Diabetic." Symposium on Pregnancy and Diabetes Mellitus. St. Joseph's Hospital and Medical Center, Paterson, New Jersey, March 1983.
10. "Gestational Diabetes: Who to Screen, When to Screen, How to Screen, and What to do when Diagnosed." 3rd Annual Diabetes Symposium, Idaho Falls, Idaho, October 1983.

11. "Pregnancy and Diabetes." 14th Annual Symposium of Connecticut Affiliate of American Diabetes Association, Hartford, Connecticut, November 1983.
12. "Gestational Diabetes." Grand Rounds at Mt. Sinai Medical Center, New York City, November 1983.
13. "Gestational diabetes: diagnosis and treatment." New Thoughts on Old Problems for the Practicing Obstetrician/Gynecologist, University of Connecticut Health Center, Farmington Connecticut, April 1984.
14. "The Use of Medications During Pregnancy" and "Overt Diabetes in Pregnancy." Obstetrical Review Session. St. Joseph Mercy Hospital, Pontiac, Michigan, May 1984.
15. "Diabetes and Pregnancy." Boston University Review Course in Obstetrics and Gynecology, Boston, May 1984.
16. "The physician as coordinator of the health care team." Symposium on the role of the health care team in the management of diabetic pregnancies. American Diabetes Association Council on Diabetes in Pregnancy, Las Vegas, 1984.
17. Visiting Professor in Obstetrics and Gynecology, Rush Medical School, Rush-Presbyterian-St. Luke's Medical Center, Chicago. Lectures on "Diabetes in Pregnancy" and "The Use of Medications in Pregnancy." February, 1985.
18. Visiting Professor in Pediatrics and in Obstetrics and Gynecology, University of Cincinnati College of Medicine. Lectures on "The Insulin Pump in Diabetic Pregnancy," "Gestational Diabetes," and "The Use of Medications in Pregnancy." February, 1985.
19. "Diabetes in Pregnancy." Boston University Review Course In Obstetrics and Gynecology, Boston, March, 1985.
20. "Diabetes in Pregnancy." Semmelweiss-Waters OB/GYN Conference, Atlantic City, March, 1985.
21. Lectures: "Obstetrical Problems in the Pregnant Diabetic in the First Half of Pregnancy" and "Insulin and Gestational Diabetes": Conference on Diabetes in Pregnancy, University of Louisville, Louisville, Kentucky, June, 1985.
22. "The use of prophylactic insulin for gestational diabetes." Symposium on Diabetes and Pregnancy, XII International Diabetes Federation Congress, Seville, Spain, 1985.
23. "Pathophysiology of diabetic pregnancy" and "Gestational diabetes vs pregnancy in the diabetic." Diabetes in Pregnancy Symposium, American Diabetes Association, Ohio Affiliate, Cincinnati, October, 1985.
24. Visiting Professor, University of Wisconsin Medical School, Milwaukee Campus and Madison Campus. Lectures: "Diagnosis and Management of Gestational Diabetes," and "The Use of Medications During Pregnancy," October, 1985.
25. "Diabetes in Pregnancy," Waltham-Weston Hospital and Medical Center, Waltham, Massachusetts, October, 1985.
26. "Managing the Pregnant Diabetic" and "Gestational Diabetes," Diabetes Update, Saginaw General Hospital, Saginaw, Michigan, November, 1985.
27. Visiting Professor, Tulane University School of Medicine. Lecture: "Diabetes in Pregnancy," November, 1985.
28. "Diabetes and Pregnancy," Perinatal Seminar, Mercy Hospital, Pittsburgh, December, 1985.
29. Visiting Professor, New York Hospital-Cornell Medical Center. Lecture: "The Use of Medications During Pregnancy," December, 1985.
30. "Diabetes in Pregnancy," Seminar at Diabetes Treatment Center, Atlanta, Georgia, December, 1985.

31. "Gestational Diabetes," Maine Diabetes in Pregnancy Project, Portland, Maine, January, 1986.
32. "Diabetes in Pregnancy," Combined Obstetric-Pediatric Grand Rounds, St. Vincent's Medical Center, Worcester, Mass., February, 1985.
33. Visiting Professor, Northwestern University Medical School, Chicago. Lecture: "Gestational Diabetes," March 1986.
34. "Diabetes in Pregnancy," Boston University Review Course in Obstetrics and Gynecology, Boston, March, 1986.
35. "The Use of Prophylactic Insulin in Women with Gestational Diabetes," invited main speaker at First International Graz Symposium on Disturbances of Carbohydrate Metabolism During Pregnancy. Graz, Austria, April, 1986.
36. "The Use of Medications During Pregnancy," Guest Lecturer at Geburtshilflich-Gynakologische Universitatklinik, Graz, Austria, April 1986.
37. "Gestational Diabetes," Update in High Risk Obstetrics, St. Francis Hospital, Milwaukee, Wisconsin, April, 1986.
38. "Gestational Diabetes," "PROM," "Overt Diabetes," and "Delivery of the Very Low Birthweight Infant," Eleventh Annual Perinatal Seminar, Rogue Valley Medical Center, Ashland, Oregon, July, 1986.
39. "Gestational Diabetes: Detection and Management," Seminar of Maine Diabetes in Pregnancy Project, New Harbor, Maine, October 1986.
40. Visiting Professor at Wilhelm Pieck University Frauenklinik, Rostock, German Democratic Republic, 9-24 Oct 1986. Lectures on "The Use of Medications During Pregnancy" and "Fetal Monitoring."
41. "The Use of Medications During Pregnancy," Frauneklinik of Krankenhaus Kaulsdorf, Berlin, German Democratic Republic, 18 October 1986.
42. "Management of Overt Diabetes in Pregnancy" and "The Use of the Insulin Pump in Diabetic Pregnancy," Third Annual Diabetes Update 86, Saginaw General Hospital, Saginaw, Michigan, November 1986.
43. "Gestational Diabetes and Perinatal Outcome." The Infant of the Diabetic Mother, 93rd Ross Conference on Pediatric Research, Carefree, Arizona, November 1986.
44. "Overt Diabetes in Pregnancy," "Gestational Diabetes," and "The Use of Medications During Pregnancy." Boston University Course in Obstetrics and Gynecology, Orlando, 27-29 Dec 1986.
45. "Gestational Diabetes." Obstetrical and Gynecological Grand Rounds, Mount Sinai Hospital, Hartford, Connecticut, 9 January 87.
46. "Diabetes, Pregnancy and Exercise." American Physical Therapy Association 1987 Combined Sections Meeting, Atlanta, 14 February 1987.
47. "The Pregnant Diabetic: Initial evaluation, stabilization, and control," and "Selection of optimal delivery date." Seminar of the Baystate Medical Center, Springfield, Mass., 11 March 1987.
48. "Detection and treatment of gestational diabetes," Obstetrics and Gynecology Grand Rounds, University of Connecticut, New Britain, Conn., 18 March 1987.
49. "Diabetes in Pregnancy," Boston University Review Course and Update in Obstetrics and Gynecology, Boston, 1 April 1987.
50. "Diagnosis and treatment of gestational diabetes," Premier Colloque de Perinatologie, Hospital Cantonal Universitaire de Geneve, Geneva, Switzerland, 10 April 1987.

51. "Gestational Diabetes" and "Medications in Pregnancy," Palm Beach Society of Obstetrics and Gynecology, West Palm Beach, Florida, 20 April 87.
52. "Gestational Diabetes: Diagnosis and Management," Perinatal Symposium of Northridge Hospital Medical Center, Northridge, California, 5 June 87.
53. "Diabetes in Pregnancy," Health Care: Is It A Right? Sponsored by Georgia Department of Human Resources, Savannah, Georgia, 28 September 87.
54. "Gestational Diabetes," Health Care Issues for Women With Diabetes. Michigan Diabetes Research and Training Center and Michigan Affiliate of American Diabetes Association, Ann Arbor, Michigan, October 1987.
55. "Gestational Diabetes," Obstetrics and Gynecology Grand Rounds. University of Michigan Medical Center, Ann Arbor, Michigan, October, 1987.
56. "Labor and Delivery for Patients with Diabetes," Seminar of Maine Diabetes in Pregnancy Project, New Harbor, Maine, October, 1987.
57. "Universal vs Selected Screening for Gestational Diabetes" and "Options for Macrosomia Prevention in Gestational Diabetes." Critical Issues in Diabetes in Pregnancy, New York, Albert Einstein College of Medicine, November, 1987.
58. "The Use of Medications During Pregnancy," "Premature Rupture of the Membranes and its Management," and "Gestational Diabetes: Diagnosis and Management." Current Topics in Gynecology and High Risk Obstetrics, Orlando, Florida, Boston University School of Medicine, December, 1987.
59. "Use and Abuse of Medications During Pregnancy." The First Thirty Minutes: the Boston City Hospital Approach to Medical and Pediatric Emergencies. Orlando, Florida, December, 1987.
60. "Diagnosis and Management of Gestational Diabetes," Obstetrics and Gynecology Grand Rounds, The Allentown Hospital, Allentown, Pennsylvania, 22 February 1988.
61. "Management of the Pregnant Woman with Diabetes," Internal Medicine Grand Rounds, Lehigh Valley Medical Center, Allentown Pennsylvania, 22 Feb. 88.
62. "The Identification, Management, and Importance of Gestational Diabetes Mellitus," 14th Annual Conference on Perinatal Medicine, Iowa Great Plains Organization, Des Moines, April 1988.
63. "Gestational Diabetes" and "Complications of Diabetes: Pre and Postpartum," Conference on Successful Management of Diabetes and Pregnancy, San Diego Gynecological Society and American Diabetes Association, San Diego Chapter, San Diego, April 1988.
64. "Diagnosis and Management of Gestational Diabetes," Conference on Diabetes and Pregnancy, American Diabetes Association, New York Downstate Affiliate, New York City, April 1988.
65. "Diagnosis of Gestational Diabetes" and "Management of Diabetes in Pregnancy," Third Annual Cleveland Conference on Perinatal Medicine, Cleveland, May 1988.
66. "Detection of Gestational Diabetes" and "Obstetrical Management of the Pregnant Diabetic," Diabetes and Pregnancy Symposium, American Diabetes Association Capital Area Chapter, Austin, Texas, May 1988.
67. "Gestational Diabetes" and "Overt Diabetes in Pregnancy," Grand Rounds at William Beaumont Hospital, Royal Oak, Michigan, Sept 1988.
68. "Strategies in the Use of Medication in Pregnancy," Keynote address at Annual Meeting of Western Massachusetts Perinatal Association, Hancock Massachusetts, Sept 1988.
69. "Gestational Diabetes: the Science Base" and "Community Studies: Diabetes and Pregnancy," Third National Conference on Chronic Disease Control and Prevention, sponsored by CDC, Denver, October 1988.

70. "Maternal and Obstetric Complications During Diabetic Pregnancy," Fifth Annual Diabetes Update '88, Saginaw, Michigan, November 1988.
71. "Diabetes in Pregnancy," Obstetric and Gynecologic Grand Rounds, Cornell University-New York Hospital, November 1988.
72. "Definitions in Diabetes in Pregnancy: The North American Viewpoint" and plenary session moderator, Satellite Symposium on Diabetes in Pregnancy, Thirteenth Annual International Diabetes Federation Congress, Auckland, New Zealand, November 1988.
73. "Management of Diabetes in Pregnancy," American Diabetes Association Montgomery County Chapter, Washington Area Affiliate, Bethesda, December 1988.
74. "Medical and Obstetric Complications in Women With Diabetes" and "The Use of Medications During Pregnancy," Grand Rounds at Hutzel Hospital, Wayne State University School of Medicine, December 1988.
75. "Diabetes in Pregnancy, 1989" and "Prescribing for the Pregnant Patient - Hazards and Dilemmas," Boston University School of Medicine Review Course and Update in Obstetrics and Gynecology, Boston, March 1989.
76. "Screening for Gestational Diabetes" and "Food Additives and Pregnancy," Annual Semmelweis-Waters Obstetrical and Gynecological Conference, University of Medicine and Dentistry of New Jersey, Atlantic City, April 1989.
77. "Medical Complications of Diabetes During Pregnancy," Rachmiel Levine Visiting Professor Lecture, Department of Medicine, New York Medical College/Westchester County Medical Center, Valhalla New York, April 1989.
78. "Strategies for Insulin Therapy in Gestational Diabetes," Clinical Seminar at American College of Obstetricians and Gynecologists Annual Clinical Meeting, Atlanta, May 1989.
79. "Gestational Diabetes," Grand Rounds at Baystate Medical Center, Springfield, Massachusetts, September 1989.
80. "Update in Management of Diabetes in Pregnancy" and "Diabetic Screening in Pregnancy," The Challenge of Perinatal Care in the Nineties, Allentown Hospital - Lehigh Valley Hospital Center, Allentown Pennsylvania, September 1989.
81. "Diabetes in Pregnancy," Annual Seminar on Medical Complications in Pregnancy, Henrico Doctors' Hospital, Richmond, Virginia, October 1989.
82. State of the Art Lecture: "Investigations into Testing for Gestational Diabetes," Fifteenth Annual New England Conference on Perinatal Research, Chatham, Massachusetts, October 1989.
83. "Medical Complications in Diabetic Pregnancy," Research and Therapeutic Issues in Diabetes: An International Conference, University of Virginia, Charlottesville Virginia, October 1989.
84. "Insulin Treatment of Gestational Diabetes" and Session Chairman, Second International Symposium on Diabetes and Pregnancy: Aspects of Current Research Relevant to Clinical Practice, Fiuggi, Italy, October 1989.
85. "Management of Gestational Diabetes," Visiting Professor at Policlinico Universitario, Universita Degli Studi di Messina, Messina, Italy, October 1989.
86. "The Use of Medications During Pregnancy," Obstetrical and Gynecological Grand Rounds at Western Pennsylvania Hospital, Pittsburgh, Pennsylvania, November 1989.
87. "Diagnosis and Management of Gestational Diabetes," Pittsburgh Ob/Gyn Society, Pittsburgh, Pennsylvania, November 1989.

88. "Management of Overt Diabetes During Pregnancy," Obstetrical and Gynecological Grand Rounds, Magee-Women's Hospital, Pittsburgh, Pennsylvania, November 1989.
89. "Gestational diabetes," Yale-New Haven Medical Center, December 1989.
90. "Update on gestational diabetes," Grand Rounds at Mt. Sinai Medical Center, New York City, January 1990.
91. "Gestational diabetes: screening criteria and management approaches," 37th Annual Postgraduate Course of American Diabetes Association, Orlando, January 1990.
92. "Diabetes in Pregnancy," Anesthesiology and Critical Care Grand Rounds, Beth Israel Hospital, Boston, January 1990.
93. "Gestational Diabetes - Does It Exist?" and "Diabetic Ketoacidosis in Pregnancy," First Annual Leonard Visiting Professor, University of Wisconsin Department of Obstetrics and Gynecology, Madison Wisconsin, January 1990.
94. "Gestational Diabetes," Grand Rounds of Department of Obstetrics and Gynecology, Tufts University Medical School, St. Margaret's Hospital, Boston, February 1990.
95. "Medical Complications in Diabetic Pregnancy," Contemporary Issues in Maternal-Fetal Medicine, University of Texas Health Sciences Center, San Antonio, April 1990.
96. "Gestational Diabetes: Does It Exist, and If So, What Shall We Do About It?" Lincoln Obstetrical and Gynecological Society, Lincoln, Nebraska, May 1990.
97. "Workshop on Diabetes in Pregnancy," Lincoln General Hospital, Lincoln, Nebraska, May 1990.
98. "Diagnosis and Management of Gestational Diabetes," Clinical Seminar at 38th Annual Clinical Meeting, American College of Obstetricians and Gynecologists, San Francisco, May 1990.
99. "Management of the Patient With Gestational Diabetes," Current Issues in Gynecology and Obstetrics, Albany Medical College, June 1990.
100. Visiting Professor, Mayo Clinic, Rochester Minnesota, September 1990.
101. "Gestational Diabetes: Does it Exist?" Grand Rounds, Boston City Hospital, Boston University School of Medicine, October 1990.
102. "Gestational Diabetes: Does it Exist?" Fifth Annual Diabetes Center Clinical Symposium, San Antonio, October 1990.
103. "The Diagnosis of GDM: What Are Our Objectives?" Lecture and session chairman, 3rd International Workshop Conference on Gestational Diabetes Mellitus. Chicago, November 1990.
104. "Does Gestational Diabetes Exist,?" "Advances in Management of Diabetes in Pregnancy," and session chairman, International Conference on Advances in Obstetrics and Gynecology, Taipei, Taiwan, Republic of China, December 1990.
105. "Management of Gestational Diabetes," Satellite Symposium of the International Conference on Advances in Obstetrics and Gynecology, Kowloon, Hong Kong, December 1990.
106. "Does gestational diabetes exist? If so, what should be done about it?" Second Colloque de Perinatologie, Hôpital Cantonal Universitaire de Genève, Geneva Switzerland, March 1991.
107. Program Chair, Diabetes: Effects on Pregnancy and the Neonate, Satellite Symposium to 14th International Diabetes Federation Congress, Newport RI, June, 1991.
108. "Gestational diabetes: does it exist?" and "Gestational diabetes: morbidity prevention." Current Concepts and Controversies in Perinatal Care. University of New Mexico, Albuquerque, September 1991.

109. Moderator of session on Gestational Diabetes; 23rd Annual Meeting of the Diabetic Pregnancy Study Group (Europe). Wexford, Ireland, September 1991.
110. "Does gestational diabetes exist?" and "If so, what should we do about it." Seventh annual conference of Japan Study Group on Diabetes and Pregnancy. Fukuoka, Japan. 30 November, 1991.
111. "Diagnosis and Management of Gestational Diabetes." American Diabetes Association 39th Annual Advanced Postgraduate Course. Orlando, January 1992.
112. "Does gestational diabetes exist?" Plenary lecture at Annual Scientific Meeting of Royal Australian College of Obstetricians and Gynecologists, Melbourne, April 1992.
113. "Medical complications in diabetic pregnancy" Plenary lecture at annual meeting of Australasian Diabetes in Pregnancy Society, Melbourne, April 1992.
114. "Screening and testing for gestational diabetes," Plenary Lecture at 52nd Annual Scientific Meeting of American Diabetes Association, San Antonio, June 1992.
115. "Screening for gestational diabetes," Keynote Lecture at 24th Annual Meeting of Diabetic Pregnancy Study Group of the European Association for the Study of Diabetes, Silkeborg, Denmark, Sept 1992.
116. "Does gestational diabetes exist?" Guest lecture at Reading Hospital Medical Center, Reading Pennsylvania, Sept 1992.
117. "Does gestational diabetes exist?" Obstetric and Gynecologic Grand Rounds, Yale Medical School, New Haven, Conn, Sept 1992.
118. "Screening and diagnosis of gestational diabetes." Plenary lecture and session moderator at Second International Graz Symposium on Gestational Diabetes. Graz, Austria, Oct 1992.
119. "Does Gestational Diabetes Exist?" and "Management of Overt Diabetes in Pregnancy" Combined Internal Medicine/Obstetric Grand Rounds, Memorial Medical Center, Savannah, Georgia, Oct 1992.
120. "Gestational Diabetes" Plenary lecture at New England Obstetrical and Gynecological Society, Boston, Mass, Nov 1992.
121. "Vascular Complications of Diabetes in Pregnancy" Diabetes Clinical Conference at Yale New Haven Medical Center, New Haven, Conn, Nov 1992.
122. "Obstetrical complications of gestational diabetes mellitus" International Workshop on Adverse Perinatal Outcomes of Gestational Diabetes sponsored by NICHD and NIDDK, Bethesda, December 1992.
123. "Controversies regarding diagnosis of gestational diabetes," "Treatment of gestational diabetes," and "Obstetrical management of diabetic women." Management of Diabetes and Pregnancy: 1993, Symposia Medicus. Cancun, Mexico, January 1993.
124. "Does gestational diabetes exist? If so, how should we look for it?" San Diego Gynecologic Society. San Diego, Calif. February, 1993.
125. "Management of Gestational Diabetes" Visiting Professor, University of California San Diego, February, 1993.
126. "Controversies regarding diagnosis of gestational diabetes," "Treatment of gestational diabetes," and "Obstetrical management of diabetic women." Management of Diabetes and Pregnancy: 1993, Symposia Medicus. Honolulu, Hawaii, March 1993.
127. "Gestational Diabetes" Royal College of Physicians of Ireland Institute of Obstetricians and Gynaecologists, Dublin, March 1993.
128. "Management of abnormal glucose metabolism in pregnancy" Symposium on Abnormal Glucose Metabolism in Pregnancy. National Maternity Hospital, Dublin, Ireland, March, 1993.

129. "Screening and diagnosis of gestational diabetes." Clinical Seminar, American College of Obstetricians and Gynecologists Annual Clinical Meeting, Washington, DC, May 1993.
130. "Diabetes in Pregnancy" Educational program at Charlton Memorial Hospital, Fall River, Massachusetts, May 1993.
131. "Management of Gestational Diabetes" and "Contraception for the Diabetic Patient" Premieres Journees Internationales de Pratique Obstetricale, FIGO, Paris, France, May 1993.
132. "Gestational diabetes," "Pre-existing diabetes in pregnancy," "Potpourri of Medical Complications," and "Use of medications during pregnancy." Second Annual Ob-Gyn Seminar, Anchorage, Alaska, July 1993.
133. "Premature rupture of membranes," Gestational diabetes," "Pre-existing diabetes," "Using medications in pregnancy." Eighteenth Annual Perinatal Seminar, Rogue Valley Medical Center, Ashland, Oregon, July 1993.
134. "Does gestational diabetes exist?" Obstetrics and Gynecology Grand Rounds, Beth Israel Hospital, Boston. Sept 1993.
135. "Planning for pregnancy in the woman with diabetes: a golden opportunity." Annual Scientific Meeting of the Kentucky Medical Association. Louisville, Sept 93.
136. "Management of Gestational Diabetes" Visiting Professor at University of Louisville Dept of ObGyn, Louisville, Kentucky, Sept 1993.
137. "Gestational Diabetes." American College of Physicians Course on Medical Disorders During Pregnancy (KA Rosene and DR Coustan, co-Directors). Newport, RI October 1993.
138. "Does gestational diabetes exist?" Grand Rounds, Department of Ob/Gyn. Brigham & Women's Hospital, Feb 1994.
139. "The Future of Academic Maternal-Fetal Medicine" Society of Perinatal Obstetricians Fellows' Retreat, San Antonio, April 1994.
140. "Does Gestational Diabetes Exist?" Columbus Obstetric Society, Columbus Ohio April 1994.
141. "Incompetent cervix." Grand Rounds, Department of Obstetrics and Gynecology, Ohio State University College of Medicine, Columbus Ohio, April 1994.
142. "Diagnosis and Management of Gestational Diabetes." Postgraduate course at American College of Obstetricians and Gynecologists Annual Clinical Meeting, Orlando Florida, May 1994.
143. "Does Gestational Diabetes Exist?" and "The Use and Abuse of Medications in Pregnancy" Seventh Annual Rochester Conference in Perinatal Medicine, University of Rochester Dept of Obstetrics and Gynecology, Rochester NY, May 1994.
144. "Gestational Diabetes." Seventeenth Annual Seminar on Current Concepts in Fetal and Neonatal Care, Newport RI, May 1994.
145. "Impact of diagnostic criteria on incidence of gestational diabetes." Council on Diabetes in Pregnancy, American Diabetes Association 54th Annual Scientific Sessions, New Orleans, Louisiana, June 1994.
146. "Incompetent Cervix." Grand Rounds, Department of Obstetrics and Gynecology, Yale University School of Medicine, New Haven Connecticut, June 1994.
147. "Reflections of Yale." Speech at Residents Research Day, Department of Obstetrics and Gynecology, Yale University School of Medicine, New Haven Connecticut, June 1994.
148. "The Incompetent Cervix," Grand Rounds at Northshore University Medical Center in Manhasset, Long Island, September 1994.

149. "Diagnosis and Management of Gestational Diabetes," invited lecture at XIV World Congress of Gynecology and Obstetrics (FIGO), Montreal, September 1994.
150. "Cervical Incompetence" and "Medical Complications of Diabetic Pregnancy." Invited lectures at Updates in Obstetrics and Gynecology, Mount Sinai School of Medicine and Hadassah University Hospital, Jerusalem, October 1994.
151. "Issues in the Treatment of Diabetes." Invited lecture at Scientific Committee Meeting on Diabetes. San Francisco, October 1994.
152. "Gestational Diabetes." The Brown Biomedical Collegium Providence, October 1994.
153. "Does Gestational Diabetes Exist?" Grand Rounds, Department of Obstetrics and Gynecology, McMaster University, Hamilton, Ontario, November 1994.
154. "Incompetent Cervix" and "Prescribing During Pregnancy." Grand Rounds at Temple University Medical Center, Philadelphia, November 1994.
155. "Incompetent Cervix." Grand Rounds at University of Medicine and Dentistry of New Jersey, Department of Obstetrics and Gynecology, Newark, November 1994.
156. "Gestational Diabetes," "Diabetic Ketoacidosis in Pregnancy," and "Pre-existing Diabetes in Pregnancy." Invited speaker at XXIII Encontro Anual do Instituto Estadual de Diabetes e Endocrinologia, Rio de Janeiro, Brazil, December 1994.
157. Course Coordinator, Post Graduate Course on Medical Complications of Pregnancy, 15th Annual Meeting of Society of Perinatal Obstetricians. Lecture "Medically Complicated Diabetes in Pregnancy." Atlanta, January 1995.
158. Moderator, Concurrent Abstract Session on Medical Complications, 15th Annual Meeting of Society of Perinatal Obstetricians, Atlanta, January 1995.
159. "Medical Management of Diabetes in Pregnancy." Invited speaker at Annual Postgraduate Course, University of the West Indies and the American Diabetes Association, Ocho Rios, Jamaica, February 1995.
160. "Reproductive Issues in the Diabetic Female." Diagnosis and Treatment of Genitourinary Disorders in Diabetes, Sponsored by American Diabetes Association and NIDDK, San Francisco, March 1995.
161. "Gestational Diabetes: Do We Have To Create A New Diagnostic test?" and "Diabetic Ketoacidosis in Pregnancy." 2nd International Symposium on Diabetes and Pregnancy. Jerusalem, March 1995.
162. "Gestational diabetes." Grand Rounds at York Hospital, York, Maine, April 1995.
163. Diagnosis and management of gestational diabetes. Clinical Seminar at Annual Clinical Meeting of American College of Obstetricians and Gynecologists, San Francisco, May 1995.
164. Advances in the diagnosis and management of gestational diabetes. National Maternal Nutrition Intensive Course Sponsored by US Bureau of MCH and University of Minnesota, Minneapolis, July 1995.
165. "Gestational diabetes." Grand Rounds at Thayer Hospital, Waterville, Maine, July 1995.
166. "Gestational diabetes: does it exist?" and "Prescribing during pregnancy." Advances in Clinical Perinatal Medicine, SUNY at Syracuse, September 1995.
167. "The Future of Maternal-Fetal Medicine" Society of Perinatal Obstetricians Retreat for MFM Fellows, Orlando, Florida, October 1995.
168. "The Future of Obstetrics and Gynecology," American College of Obstetricians and Gynecologists District I Junior Fellows Meeting, Newport, RI, October 1995.

169. "Medically complicated diabetes in pregnancy," "Diagnosis of gestational diabetes," "Management of gestational diabetes" and session moderator. International Symposium on Diabetes in Pregnancy in Arabian Gulf Countries, sponsored by King Fahad National Guard Hospital, Riyadh, Saudi Arabia, November 1995.
170. "Diabetic nephropathy, retinopathy, and DKA in pregnancy." Medical Disorders During Pregnancy, sponsored by American College of Physicians, Breckenridge, Colorado, January 1996.
171. "Gestational diabetes: does it exist?" and "The incompetent cervix: can't we think of a better name?" 27th Annual Tucson Seminar in Obstetrics and Gynecology. The University of Arizona College of Medicine. Tucson, February 1996.
172. "Cervical Incompetence" and "Prescribing During Pregnancy." Visiting Professor at the University of Massachusetts Medical Center, Worcester, January 1996.
173. "Diabetes in Pregnancy." Dominican Society of Perinatal Medicine, Dominican Society of Obstetrics and Gynecology, Santo Domingo, Dominican Republic, February 1996.
174. "Contraception for the woman with diabetes" and "Epidemiology and diagnosis of gestational diabetes." 2nd International Conference and Postgraduate Course, jointly sponsored by the University of the West Indies and the American Diabetes Association. Ocho Rios, Jamaica, February 1996.
175. "An update in gestational diabetes" Obstetrics and Gynecology Grand Rounds at Hartford Hospital, Hartford, February 1996.
176. "Gestational diabetes," Endocrine Grand Rounds, Baylor University, Houston, Texas, March 1996.
177. "The management of medically complicated diabetes in pregnancy," Ob/Gyn Grand Rounds, Downstate Medical Center, State University of New York at Brooklyn, April 1996.
178. "The making of an ACOG Technical Bulletin," Obstetrical Society of Philadelphia, April 1996.
179. "Update on gestational diabetes," Ob/Gyn Grand Rounds, University of Medicine and Dentistry of New Jersey, Robert Wood Johnson Medical School, New Brunswick, NJ, April 1996.
180. "Gestational diabetes: diagnosis and management," American College of Obstetricians and Gynecologists, 44th Annual Clinical Meeting, Denver, April 1996.
181. Profesor Visitante, Universidad Nacional Mayor de San Marcos, Lima, Peru. Eight lectures presented. July, 1996.
182. Chair and Consultant, 28th Annual Meeting of the Diabetic Pregnancy Study Group of the European Association for the Study of Diabetes, Klampenborg, Denmark, September 1996.
183. "Gestational diabetes," plenary lecture at 50th Anniversary of the Copenhagen Center for Diabetes and Pregnancy, Copenhagen, September 1996.
184. Course Director, Postgraduate Course on Medical Complications of Pregnancy, lectures on "Management of diabetes in pregnancy" and "Prescribing during pregnancy." 3rd World Congress of Perinatal Medicine of the World Association of Perinatal Medicine, San Francisco, October 1996.
185. "Prediabetes during and after pregnancy," lecture at Managing Diabetes in the Real World, San Jose, California, November 1996.
186. "Management of Type 1 diabetes in pregnancy," 13th Annual Diabetes Update of Saginaw General Hospital, Saginaw Michigan, November 1996.
187. "Does gestational diabetes exist" and "Cervical incompetence," Autumn in New York Symposium of the Albert Einstein College of Medicine, New York City, November 1996.

188. "Does gestational diabetes exist?" "Management of gestational diabetes," and "Prescribing during pregnancy." Annual Meeting of the Washington State Obstetrical Association, Seattle, December 1997.
189. "Management of gestational diabetes." Diabetes Mellitus Symposium of American Association of Clinical Endocrinologists. Keystone, Colorado, February 1997.
190. Coustan DR and Carpenter MW: The diagnosis of gestational diabetes. Presented at 4th International Workshop-Conference on Gestational Diabetes Mellitus, Chicago, IL March 13-16, 1997.
191. Pfizer Visiting Professor at Duke University, Department of Obstetrics and Gynecology, Durham, North Carolina, April 1997.
192. "Gestational Diabetes: Does It Exist?" and "Management of Pregnancy in Women With Pre-existing Diabetes." Decimocuarta Reunion Anual, Instituto Nacional de Perinatologia, Mexico City, Mexico, April 1997.
193. "Diagnosis and Management of Gestational Diabetes," American College of Obstetricians and Gynecologists Annual Clinical Meeting, Las Vegas, April 1997.
194. "Does Gestational Diabetes Exist?" Grand Rounds, Tufts New England Medical Center, Boston, May 1997.
195. "Incompetent Cervix," Grand Rounds, Massachusetts General Hospital, Boston, June 1997.
196. "Does Gestational Diabetes Exist? Diagnosis and Treatment." Principal Speaker, Annual General Assembly of the Swiss Society of Obstetrics and Gynecology. Lugano, Switzerland, June 1997.
197. "The Norbert Freinkel Memorial Lecture: Gestational Diabetes: 33 years without consensus." 16th International Diabetes Federation Congress, Helsinki, Finland, July 1997.
198. "The Future of Maternal-Fetal Medicine" Society of Perinatal Obstetricians 3rd Retreat for MFM Fellows, San Antonio, Texas, October 1997.
199. "Management of Gestational Diabetes: New Recommendations" Second Annual Roy H. Petrie Memorial Symposium, Saint Louis University, St. Louis, Missouri, December 1997.
200. "Update on Gestational Diabetes" American Diabetes Association 45th Annual Advanced Postgraduate Course, San Francisco, January 1998.
201. "Gestational diabetes: Screening, diagnosis and management in 1998." Masters' Series Roundtable, 18th annual meeting of the Society of Perinatal Obstetricians, Miami, February 1998.
202. "The Future of Maternal-Fetal Medicine" Banquet speech at the 18th annual meeting of the Society of Perinatal Obstetricians, Miami, February 1998.
203. "Does Gestational Diabetes Exist?" Grand Rounds at University of Southern California, Los Angeles County Women's Hospital, Los Angeles, February 1998.
204. "Cervical cerclage: indications, techniques and management," "Prescribing during pregnancy," "Gestational diabetes," and "Pre-existing diabetes: counseling and management of the medically complicated pregnancy." Perinatal Medicine Course sponsored by USC School of Medicine, Maui, Hawaii, February 1998.
205. "Gestational Diabetes: Does It Exist?" Ob/Gyn Grand Rounds at Memorial Hospital Southwest, Houston Texas, March 1998.
206. "Gestational Diabetes: Does It Exist?" Ob/Gyn Grand Rounds at University of Texas Health Sciences Center at Houston, Houston Texas, March 1998.
207. "Prescribing During Pregnancy." Houston Gynecologic and Obstetric Society, Houston Texas, March 1998.

208. "Gestational Diabetes: Does It Exist?" Ob/Gyn Grand Rounds at Baylor College of Medicine, Houston Texas, March 1998.
209. "Prescribing in Pregnancy" Grand Rounds at Reading Hospital, Reading, Pennsylvania, April 1998.
210. Visiting Professor, East Carolina University, Greenville, North Carolina. "Prescribing During Pregnancy" and "Does Gestational Diabetes Exist?" April 1998.
211. Course Director, Series 060 Postgraduate Course "Management of Medical Conditions in Pregnancy." American College of Obstetricians and Gynecologists 46th Annual Clinical Meeting, New Orleans, May 1998.
212. Pfizer Visiting Professor at the University of New Mexico, Albuquerque, May 1998.
213. "Prescribing in Pregnancy." Current Concepts in Fetal and Neonatal Care: 21st Annual Seminar. Newport, RI May 1998.
214. Moderator, Council Discussion on Recommendations of the Fourth International Workshop-Conference on Gestational Diabetes. American Diabetes Association 58th Annual Scientific Session, Chicago, June 1998.
215. "Update on Diabetes" and "Debate: Gestational Diabetes: Does It Exist?" American College of Physicians Course on Medical Problems of Pregnancy. Toronto, June 1998.
216. Invited speaker, XVI Jornadas de Obstetrica y Ginecologia, Sociedad de Obstetrica Y Ginecologia de Buenos Aires, Buenos Aires Argentina, July 1998.
217. "Gestational Diabetes," Invited Speaker at Tufts Roundtable on Nutrition for Women in Their Child-Bearing Years. Boston, July 1998.
218. Moderator, Session on Obstetrical and Gynaecologic Considerations, and member of the Organizing Committee, First International Colloquium of the Diabetes in Pregnancy Study Groups. Cairns, Queensland, Australia, August 1998.
219. "Gestational Diabetes: Diagnosis and Management." Grand Rounds at Lenox Hill Hospital, New York, NY. September 1998.
220. Discussant, paper by Dr. Patrick Catalano: Longitudinal changes in glucose metabolism during pregnancy in obese women with normal glucose tolerance and gestational diabetes mellitus. American Gynecological and Obstetrical Society, Hot Springs, Virginia, September 1998.
221. "Gestational Diabetes." Grand Rounds, Department of Obstetrics and Gynecology, Maine Medical Center, Portland, October 1998.
222. "Gestational diabetes: does it exist?" and "Management of complicated diabetic pregnancy." Update in Obstetrics and Gynecology. Winthrop-University Hospital, Mineola, LI, NY. October 1998.
223. "Gestational Diabetes" Clinical Endocrinology Update: 1998. The Endocrine Society. Boston, MA, November 1998.
224. "Screening and diagnosis of gestational diabetes: does it exist?" National Perinatal Association Annual Meeting. Providence, RI, November 1998.
225. "Gestational Diabetes" Endocrine Grand Rounds, Boston City Hospital, Boston University School of Medicine, January 1999.
226. Moderator, Fellows' Plenary Session, Society of Maternal Fetal Medicine, 19th Annual Scientific Meeting, San Francisco, January 1999.
227. "Cervical Cerclage," "Prescribing During Pregnancy," and "Gestational Diabetes," High Risk Obstetrics Postgraduate Course, Society of Maternal-Fetal Medicine, Phoenix, February 1999.

228. "Cervical Cerclage," "Prescribing During Pregnancy," "Gestational Diabetes," and "Pre-Existing Diabetes," 25th Annual Vail Obstetrics and Gynecology Conference, University of Colorado. February 1999.
229. Moderator, Clinical Perinatology I, 46th Annual Meeting of the Society for Gynecologic Investigation, Atlanta, March 1999.
230. "Gestational Diabetes," "Prescribing in Pregnancy," Visiting Professor, Department of Obstetrics and Gynecology, Delaware Medical Center, Christiana Hospital, March 1999.
231. "Prescribing in Pregnancy," Ob/Gyn Grand Rounds, Massachusetts General Hospital, Boston, April 1999.
232. Moderator, session on "The Preconceptional Challenge," Second Annual Meeting of the Diabetes in Pregnancy Study Group of North America, Cincinnati, Ohio, May 1999.
233. Visiting Professor at St. Francis Hospital and Medical Center, Hartford, Connecticut, 1999 Resident Research Day. Topic: "Diabetes in Pregnancy," May 1999.
234. Postgraduate Course Director, Management of Medical Conditions In Pregnancy, American College of Obstetricians and Gynecologists 47th Annual Clinical Meeting in Philadelphia, Pennsylvania, May 1999.
235. "Diabetes in Pregnancy," "Infections in Obstetrics and Gynecology," and "Prescribing Medication: What is Safe During Pregnancy." ACOG Update in Obstetrics and Gynecology, postgraduate course for Mexican Ob/Gyns, Mexico City and Morelia, Mexico, September 1999.
236. "Cervical Cerclage," "Prescribing During Pregnancy," and "Gestational Diabetes," High Risk Obstetrics Postgraduate Course, Society of Maternal-Fetal Medicine, Washington DC, October 1999.
237. "Nutritional Management of Gestational Diabetes" American Dietetic Association 82nd Annual Meeting, Atlanta, October 1999.
238. "Gestational Diabetes: Is it a clinical entity? Should we screen?" First Congress on Controversies in Obstetrics, Gynecology & Infertility. Prague, Czech Republic, October 1999.
239. "Planning for and managing pregnancy in the patient with diabetes." 3rd Annual Diabetes Conference Memorial Hospital, Colorado Springs, Colorado, December 1999.
240. "Screening and management of gestational diabetes mellitus." Greater Fall River Physician CME Program, Fall River, Massachusetts, December 1999.
241. "Prescribing in pregnancy." Greater Hartford Ob/Gyn Society, Hartford Connecticut, January 2000.
242. "Gestational diabetes: does it exist?" Grand Rounds, University of Connecticut, January 2000.
243. "Gestational diabetes: does it exist?" and "Management of gestational diabetes." Perinatal Update 2000, 16th Annual Conference of Memorial Health University Medical Center, Savannah Georgia, March 2000.
244. Postgraduate Course Director, Management of Medical Conditions In Pregnancy, American College of Obstetricians and Gynecologists 48th Annual Clinical Meeting in San Francisco, California, May 2000.
245. "Making the diagnosis of gestational diabetes" and "Management of gestational diabetes." Gestational Diabetes: Putting the Pieces Together, sponsored by New Hampshire Dept of Health and Human Services, Manchester, New Hampshire, June 2000.
246. "Does gestational diabetes exist?" Grand Rounds at Long Island Jewish Medical Center, New Hyde Park, NY June 2000.
247. "The Manager's role in enabling the Chair to be a successful leader." Association of Managers of Gynecology and Obstetrics, Boston, September 2000.

248. "Gestational diabetes: does it exist?" Yale University Endocrine Conference, New Haven, Connecticut, November 2000.
249. "Gestational Diabetes," "Pre-Existing Diabetes," "Corticosteroids to Enhance Fetal Maturity," "Incompetent Cervix," American College of Obstetricians and Gynecologists Course: Controversies in Obstetrics and Gynecology, New York City, December 2000.
250. "Managing cervical incompetence" and "What should we do about gestational diabetes?" Luncheon Conferences at American College of Obstetricians and Gynecologists 49th Annual Clinical Meeting, Chicago, April 2001.
251. "The HAPO Study." Diabetic Pregnancy Study Group of North America, New York City, May 2001.
252. "Gestational diabetes: what's the big deal?" George Mitchell Lecture, Tufts University School of Medicine, June 2001.
253. Moderator, Discussion Section on Pregnancy, American Diabetes Association 61st Annual Scientific Sessions, Philadelphia, June 2001.
254. "Corticoides perinatales," "Medicamentos y embarazo," "Incompetencia Cervical," "Diagnóstico de la diabetes gestacional," "Tratamiento de la diabetes complicada." VI Congreso Latinoamericano de Perinatología, Buenos Aires, Argentina, August 2001.
255. "Cervical cerclage," "The use of maternal corticosteroids to prevent neonatal complications," "Management of gestational diabetes," and "Prescribing during pregnancy." The 57th Obstetrical and Gynecological Assembly of Southern California, Los Angeles, February 2002.
256. "Gestational diabetes" Grand rounds at Mercy Hospital, Chicago, Illinois, April 2002.
257. "Screening and Diagnosis of Gestational Diabetes," guest speaker at Resident Research Day, Mount Sinai Medical Center Department of Obstetrics and Gynecology, New York City, June 2002.
258. Moderator, Pregnancy Council Discussion Session, "GDM - How much is too much?" 62nd Scientific Sessions of the American Diabetes Association, San Francisco, June 2002.
259. "Management of pregnancy in women with pre-existing diabetes." 33rd Annual Symposium on Diabetes, Connecticut Association of Diabetes Educators and American Diabetes Association., Hartford, November 2002.
260. "Diagnosis and management of gestational diabetes." McKenney Symposium of Kent Hospital, Warwick, RI, November 2002.
261. Moderator, Concurrent Session, Robert Wood Johnson Clinical Scholars Program Annual Meeting, Fort Lauderdale, FL, November 2002
262. Facilitator, session on "Preventing Burnout in Ob/Gyn Faculty," Council of University Chairs in Ob/Gyn, Anaheim, CA, March 2003.
263. "Gestational Diabetes 2003" and "Prescribing During Pregnancy," ACOG District I meeting in Rome and Taormina, Italy, September 2003.
264. "Prescribing in Pregnancy," "Gestational Diabetes: Diagnosis and Management," "Diabetes in Pregnancy: State of the Art 2004," Annual meeting of Mississippi Section ACOG and the University of Mississippi Ob/Gyn Alumni, Jackson, Mississippi April 2004.
265. "Current Management of Diabetic Pregnancy," Current Issues Update at ACOG 52nd Annual Clinical Meeting, Philadelphia, May 2004.
266. "Management of Gestational Diabetes," Luncheon Conference at ACOG 52nd Annual Clinical Meeting, Philadelphia, May 2004.

267. "Gestational Diabetes: Update 2004," Autumn in New York 2004: Tribute to John C. Hobbins, MD. New York, November 2004.
268. "Update on Gestational Diabetes," "Prescribing During Pregnancy." 25th Sunshine Seminar, University of Puerto Rico School of Medicine, San Juan, Puerto Rico, February 2005.
269. "Gestational Diabetes." Internal Medicine Grand Rounds, St. Vincent's Hospital, Manhattan, March 2005.
270. "Management of Complicated Pregestational Diabetes in Pregnancy," "Update on Gestational Diabetes 2005," "Cervical Insufficiency: Diagnosis and Management." Azaleas, Dogwoods and Conditions Complicating Pregnancy. Medical University of South Carolina, Charleston, April 2005.
271. "Gestational Diabetes: Update for 2005." John Rock Visiting Professor, Ob/Gyn Resident Research Day, University of Pennsylvania School of Medicine, Philadelphia, April 2005.
272. "Outpatient Management of Gestational Diabetes," Management Issues in Genetics and Obstetrics for the Non-Subspecialist. Baystate Medical Center, Springfield, Massachusetts, April 2005.
273. Course Director, Series 060 Postgraduate Course "Contemporary Approach to Diabetes in Pregnancy." American College of Obstetricians and Gynecologists 53rd Annual Clinical Meeting, San Francisco, May 2005.
274. "Antidiabéticos orales en insulinorresistencia y diabetes gestacional," "Hipoglucemia e hiperinsulinemias: efectos fetales," "Prescripciones en el embarazo," and "Complicaciones médicas de la diabetes en el embarazo." XXIII Jornadas de Obstetricia y Ginecología, Sociedad de Obstetrica y Ginecologia de Buenos Aires. Buenos Aires, Argentina, June 2005.
275. "Pharmacologic management of gestational diabetes: overview" 5th International Workshop-Conference on Gestational Diabetes. American Diabetes Association. Chicago, November 2005.
276. Chair, March of Dimes 2005 Prematurity Summit "A focus on prevention." Providence, December 2005.
277. "Does cervical incompetence exist? What is the role of cerclage?" "Diagnosis and management of gestational diabetes," "Use of oral hypoglycemic agents in obstetrics and gynecology," "Drugs in pregnancy: which are safe and which are teratogenic?" Complications in Obstetrics. ACOG Postgraduate Course. New York City, December 2005.
278. Course Director, Series 060 Postgraduate Course "Contemporary Approach to Diabetes in Pregnancy." American College of Obstetricians and Gynecologists 54th Annual Clinical Meeting, Washington, DC, May 2006.
279. Discussant: "Ecker JL: Predicting gestational diabetes: choosing the optimal early serum marker." American Gynecological and Obstetric Society Williamsburg, Virginia, September 2006.
280. "Management of pre-existing diabetes in pregnancy," "Cervical insufficiency," "The use of oral antidiabetic agents in Ob/Gyn." Colorado Gynecological and Obstetrical Society Visiting Professor, University of Colorado, Denver, October 2006.
281. "The epidemic of gestational diabetes." Autumn in New York 2006; Albert Einstein Medical Center, New York City November 2006.
282. Chair, March of Dimes Rhode Island Chapter 2006 Prematurity Summit Providence, November 2006.
283. "Research career development during and after residency." APGO/CREOG Annual Meeting, Salt Lake City, March 2007.
284. Course Director, Series 060 Postgraduate Course "Contemporary Approach to Diabetes in Pregnancy." American College of Obstetricians and Gynecologists 55th Annual Clinical Meeting, San Francisco, CA, May 2007.

285. "Diabetes in Pregnancy" and Workshop on "Oral Antidiabetic Agents in Pregnancy." Native Women's Health and MCH Conference. Indian Health Service. Albuquerque, New Mexico, August 2007.
286. "Gestational Diabetes: Diagnosis and Management 2007." Northern New England Perinatal Quality Improvement Network Fall Conference. Woodstock, Vermont, November 2007.
287. Moderator, "HAPO Study Results." Diabetes Special Interest Group, Society for Maternal-Fetal Medicine, Dallas, Texas, January 2008.
288. "Update on GDM: The HAPO Study Results and More." 55th Annual Advanced Postgraduate Course of the American Diabetes Association. San Francisco, February 2008.
289. "HAPO Study: Potential glycemic thresholds." International Workshop-Conference on Gestational Diabetes, IADSP (International Association of Study Groups on Diabetic Pregnancy) Pasadena, CA, June 2008.
290. "Update on Gestational Diabetes." District II ACOG Summer Meeting, Verona NY, July 2008.
291. "Update on the Diagnosis of Gestational Diabetes." American Association of Clinical Chemists Annual Meeting, Washington, DC, July 2008.
292. "GDM: New diagnostic cutpoints? New treatment strategies?" American Diabetes Association 56th Annual Advanced Postgraduate Course. New York, NY, February 2009.
293. Chairperson, Plenary Session "HAPO (Diagnosis) and NIH (Intervention) Studies – Towards a Consensus." 5th International Symposium on Diabetes and Pregnancy. Sorrento, Italy, March 2009
294. "Gestational Diabetes: What's New?" Massachusetts General Hospital Vincent ObGyn Grand Rounds, Boston, April 2009.
295. "Controversies in Gestational Diabetes." Yale Obstetrical and Gynecological Society, New Haven, April 2009.
296. Clinical Seminar: "Contemporary Approaches to Diabetes in Pregnancy." Course Director. American College of Obstetricians and Gynecologists 57th Annual Clinical Meeting, Chicago, May 2009.
297. Can We Use the HAPO Study as the Basis for Change? 11th Annual Meeting of the Diabetes in Pregnancy Study Group of North America, Baltimore, May 2009.
298. Toward New Criteria for Gestational Diabetes. American Gynecologic and Obstetrical Society, Chicago, October 2009.
299. HAPO Update. 9th World Congress of Perinatal Medicine. Berlin, Germany, October 2009.
300. Gestational Diabetes Update – 2009. New England Obstetrical and Gynecological Society Fall Meeting, Sturbridge MA, November 2009.
301. "The independent contribution of BMI to outcomes in the HAPO study." GDM Pasadena II: An International Conference on Gestational Diabetes. Pasadena, CA April 2010. (Coustan DR, Metzger BE, Lowe LP, Dyer AE); also moderator of session on pharmacologic management of GDM.
302. Clinical Seminar: "Contemporary Approaches to Diabetes in Pregnancy." American College of Obstetricians and Gynecologists 58th Annual Clinical Meeting, San Francisco, May 2010.
303. The evolution of perinatal care: a personal perspective. Sloane Academic Assembly of graduating residents and fellows, Department of Obstetrics and Gynecology, Columbia University College of Physicians and Surgeons, New York City, June 2010.
304. Developing new criteria for gestational diabetes. Rosen Lecture, Sloane Symposium, , Department of Obstetrics and Gynecology, Columbia University College of Physicians and Surgeons, New York City, June 2010.

305. Diabetes: Clinical research experiences in enrolling pregnant women with chronic diseases. Office of Research in Women's Health Research Forum: Issues in Clinical Research; Enrolling Pregnant Women. Bethesda, NIH Clinical Center, October 2010.
306. New recommendations for diagnosing gestational diabetes, Use of oral antidiabetic drugs in pregnancy, and Management of complicated diabetes in pregnancy. 36th Annual High Risk Obstetrics Seminar, Vanderbilt University Medical Center, December 2010.
307. From the O'Sullivan Criteria to the New Diagnostic Criteria, and HAPO Results That Support the IADPSG Recommendations. 6th International Symposium on Diabetes & Pregnancy, Salzburg Austria, March 2011.
308. Clinical Seminar: "Contemporary Approaches to Diabetes in Pregnancy." American College of Obstetricians and Gynecologists 59th Annual Clinical Meeting, Washington DC, May 2011.
309. New Criteria for Gestational Diabetes. Rhode Island Diabetes Council, RI Department of Health, May 2011.
310. Management of Diabetes in Pregnancy, Labor and Delivery. Neil J. Grey, MD Lecture in Diabetes. Hartford Hospital, Hartford CT, May 2011.
311. New International Recommendations on the Diagnosis and Classification of Hyperglycemia in Pregnancy. American Association for Clinical Chemistry. Atlanta, Georgia, July 2011.
312. Nuevos Criterios Para Diabetes Gestacional ¿se Deben Adoptar Los Cambios? VII Curso Internacional "Medicina Materno Fetal." Mexico City, Mexico, September 2011.
313. Gestational Diabetes Update: Diagnosis and Management in 2011. The David Jacobowitz MD Memorial Obstetric Quality and Safety Conference. Atlantic Health System, Morristown NJ. October 2011.
314. Diagnosis and Management of Diabetes During Pregnancy. 3rd Annual Meeting of New England Region, American Association of Clinical Endocrinologists. Sturbridge, MA October 2011.
315. Hot Topics in Pregnancy. American Diabetes Association 59th Annual Postgraduate Course. San Francisco, February 2012.
316. The O'Sullivan Criteria: Where Did They Come From? American Diabetes Association 72nd Annual Scientific Sessions, Philadelphia, June 2012.
317. Coustan DR: We should use the American Diabetes Association (ADA) recommendations for the diagnosis of hyperglycemia in pregnancy. American Association for Clinical Chemistry Debate on the Diagnosis of Gestational Diabetes. Los Angeles, CA 17 July 2012.
318. Coustan DR: Update on gestational diabetes: 2012. Grand Rounds, Sponsored by March of Dimes San Antonio Chapter, Department of ObGyn, University of Texas Health Sciences Center at San Antonio, San Antonio Texas, October 2012.
319. Coustan DR: Update on gestational diabetes: 2012. Grand Rounds, Sponsored by March of Dimes San Antonio Chapter, Department of ObGyn, San Antonio Military Medical Center, San Antonio Texas, October 2012.
320. Coustan DR: Diagnosis and management of gestational diabetes. Emirates Diabetes and Endocrine Congress. Dubai, United Arab Emirates, October 2012.
321. Coustan DR: Historical and future perspectives of new guidelines in GDM: would it change materno-fetal outcomes? The Second Global Diabetes Summit. The Ohio State University, Columbus Ohio, November 2012.
322. Coustan DR: Diabetes in pregnancy. 11th Annual Symposium on Advanced Diabetes Management for Endocrine Fellows. American Association of Clinical Endocrinologists. Dallas, TX November 2012.

323. Coustan DR: Current diagnostic methods and thresholds of gestational diabetes. NIH Consensus Development Conference: Diagnosing Gestational Diabetes. Bethesda, MD, March 2013.
324. Coustan DR: Moderator, “Changing a Health Care Policy – Towards a Consensus of Consensuses” and “New Frontiers in Prediction and Prevention of Preeclampsia.” 7th International DIP Symposium: Diabetes, Hypertension, Metabolic Syndrome & Pregnancy. Florence, Italy, March 2013.
325. Coustan DR: Criteria for the diagnosis of gestational diabetes and its implications: news from March 2013. Sixth Annual Alumni Reunion of the Yale Obstetrical and Gynecological Society honoring Roberto Romero, MD, DMedSci, New Haven CT, April 2013.
