FUNDED and UNFUNDED RESEARCH PROJECTS

(IRB Approved Projects)

1. Project Title: [806220-9] Moderators and Mediators of Treatment Response in a Family-Based Partial Hospital Treatment Program
Principal Investigator: Jack Nassau, Ph.D.
Submission Type: Revision
Date Submitted: October 21, 2016
Document Type: Revision Approval Letter
Document Description: Revision Approval Letter
Publish Date: November 1, 2016
2. Project Title: [934684-2] Intensive Interdisciplinary Treatment of Childhood and Adolescent Constipation
Principal Investigator: Carolina Cerezo, M.D
Submission Type: Response/Follow-Up
Date Submitted: August 9, 2016
Action: APPROVED
Effective Date: August 9, 2016.
Review Type: Expedited Review
3. Project Title: [731416-5] Brief Emotion - Focused Treatment for Inpatient Adolescents with Restricted Type Eating Disorder: A Pilot Study
Principal Investigator: Diane DerMarderosian, MD
Submission Type: Revision
Date Submitted: September 30, 2016
Action: APPROVED
Effective Date: October 11, 2016
Review Type: Expedited Review
4. Title of Study: *Clinical outcomes of integrated, family based, partial hospital treatment for children with diabetes*. Approved 10/2015; renewed 9/2016. PI: Serife Uysal, MD

5. **Kohl's Foundation, \$110,000** 09/2017-08/2019 *Title: An Initiative to Help Meet the Needs of Our Eating Disorder Program Patients and Families: Addressing the Goal of Establishing and Maintaining Healthy Eating and Weight Role: Principal Investigator*
6. **Medicaid Interagency Service Agreement, \$242,000** 07/2018-12/2020 *Title: Disseminating Eating Disorders Education and Treatment Across Multiple Levels of Care: Improving Access in the Rhode Island Medicaid Population Role: Consultant.*
