

CURRICULUM VITAE
DAVID H. BARKER

The Bradley Hasbro Children's Research Center
One Hoppin Street. CORO West Suite 204
Providence, RI 02903
(401) 793-8264
david_barker@brown.edu

EDUCATION

Bachelor of Science	Brigham Young University, Provo, Utah August 2003; Major: Psychology
Master of Science	University of Miami, Coral Gables, Florida May 2006; APA Accredited Program: Clinical Psychology Specialization in Pediatric Health Psychology
Doctor of Philosophy	University of Miami, Coral Gables, Florida June 2010; APA Accredited Program: Clinical Psychology Specialization in Pediatric Health Psychology Dissertation Title: Measurement of disease specific social support in adolescents with cystic fibrosis

POSTGRADUATE TRAINING

Clinical Psychology Internship	Brown Clinical Psychology Training Consortium, Providence, Rhode Island; July 2009 - June 2010; APA Accredited Program: Clinical Psychology Training included outpatient therapy and working with medical teams involved in care of patients with a variety of pediatric conditions including HIV, feeding disorders, diabetes, and asthma.
Clinical Psychology Fellowship	Brown Clinical Psychology Training Consortium, Providence, Rhode Island; July 2010 - June 2012 Training included outpatient therapy and working with medical teams involved in care of patients with a variety of pediatric conditions including cystic fibrosis, HIV, oncology, and disordered sleep.

POSTGRADUATE HONORS AND AWARDS

NIH Loan Repayment Award Program (2010-2017)
2022 Nan Tobler Award for Review of the Prevention Science Literature: The award is given for
contributions to the summarization or articulation of the empirical evidence relevant to
prevention science.

PROFESSIONAL LICENSES AND BOARD CERTIFICATION

Rhode Island clinical psychology license number: PS01286; issued 3/14/12

ACADEMIC APPOINTMENTS

10/01/12—06/01/2020	Assistant Professor (Research), Department of Psychiatry and Human Behavior, Alpert Medical School of Brown University
06/01/2020—present	Associate Professor (Research), Department of Psychiatry and Human Behavior, Alpert Medical School of Brown University

HOSPITAL APPOINTMENTS

07/01/12– present	Staff Psychologist, Dept. of Child and Family Psychiatry Rhode Island Hospital
-------------------	---

MEMBERSHIP IN SOCIETIES

American Psychological Association, Division 54 (Pediatric Psychology)
American Psychological Association
Society for Prevention Science
Sleep Research Society

OTHER COMMITTEES

5/1/2016-4/31/2018 Chair, Pediatric Research/Innovative Statistical Methodologies Special Interest Group, Society of Pediatric Psychology.

5/1/2018-4/31/2020 Past-Chair, Pediatric Research/Innovative Statistical Methodologies Special Interest Group, Society of Pediatric Psychology.

5/1/2018-present Member, Research Synthesis Methods for Prevention Science of the Society for Prevention Science.

5/29/2018-05/01/2020 Data Analyst, Workforce Survey Working Group, Society of Pediatric Psychology.

3/1/2020-present Associate Editor of Sleep Advances

PUBLICATIONS LIST

ORIGINAL PUBLICATIONS IN PEER-REVIEWED JOURNALS

1. Johnson, K.C., DesJardin, J.L., **Barker, D.H.**, Quittner, A.L., & Winter, M.E. (2007). Joint attention and symbolic play skills in children with additional disabilities who receive cochlear implants: Two case studies. *Otology & Neurotology*, 29, 246-250. PMID: 18223452
2. Quittner, A.L., **Barker, D.H.**, Snell, C., Cruz, I., McDonald, L., Grimley, M.E., Botteri, M., Marciel, K., & CDaCI Investigative Team (2007). Improvements in visual attention after cochlear implantation. *Audiological Medicine*, 5, 242-249.
3. Quittner, A.L., **Barker, D.H.**, Snell, C., Grimley, M.E., Marciel, K., & Cruz, I. (2008). Prevalence and impact of depression in cystic fibrosis. *Current Opinions in Pulmonary Medicine*, 14, 582-588. PMID:18812836

4. Quittner, A.L., **Barker, D.H.**, Blackwell, L.S., Romero, S.L., & Woo, M.S. (2010). The Importance of Measuring Health-Related Quality of Life. In Lung Transplantation for Cystic Fibrosis: A Roundtable Discussion from the International Perspectives on Lung Transplantation: Adult and Pediatric Outcomes for Cystic Fibrosis Conference, Lansdowne, VA, USA, June 25-26, 2008. *Proceedings of the American Thoracic Society*, 6, 624. PMID: 20008865, PMCID: PMC2797068
5. **Barker, D.H.**, Quittner, A.L., Fink, N., Eisenberg, L., Tobey, E., Niparko, J., & CDaCI Investigative Team (2009). Predicting behavior problems in deaf and hearing children: The influences of language and attention. *Development and Psychopathology*, 21, 373-392. PMID: 19338689, PMCID: PMC2730756
6. Quittner, A.L., **Barker, D.H.**, Snell, C., Grimley, M.E., Cruz, I., Botteri, M., & CDaCI Investigative Team (2010). Parenting stress in caregivers of hearing-impaired children: Relationships to language delay and behavior problems. *Parenting: Science and Practice*, 10, 136-155. PMID: 20607098, PMCID: PMC2895932
7. **Barker, D.H.**, Llyod, T.Q., Stewart, P.K., & Wells, M.G. (2010). The development and psychometric validation of the preschool outcome questionnaire: A preschool treatment outcome instrument. *Journal of Child and Family Studies*, 19 (4), 504-515.
8. Driscoll, K.A., Johnson, SB, **Barker, D.H.**, Quittner, A.L., Deeb, L.C., Geller, D.E., Gondor, M., & Silverstein, J.H. (2010). Risk factors associated with depressive symptoms in caregivers of children with type 1 diabetes or cystic fibrosis. *Journal of Pediatric Psychology*, 35(8), 814-822. PMID: 20097908, PMCID: PMC2950809
9. Swenson, R.R., Houck, C.D., **Barker, D.H.**, Zennah, P.D., & Brown, L.K. (2011). Prospective analysis of the transition to sexual experience and changes in sexual self-esteem among adolescents attending therapeutic schools. *Journal of Adolescence*, 35(1), 77-85. PMID: 21726896 PMCID in process.
10. Brown, L. K., Nugent, N. R., Houck, C. D., Lescano, C. M., Whiteley, L. B., **Barker, D.H.**, Viau, L., et al. (2011). Safe Thinking and Affect Regulation (STAR): Human Immunodeficiency Virus Prevention in Alternative/Therapeutic Schools. *Journal of the American Academy of Child and Adolescent Psychiatry*, 50(10), 1065-1074. PMID: 21961780, PMCID: PMC3185294
11. **Barker, D.H.**, Driscoll, K.A., Modi, A.C., Light, M.J., & Quittner, A.L. (2012). Supporting cystic fibrosis disease management during adolescence: The role of family and friends. *Child: Care, Health and Development*, 38(4), 497-504. PMID: 21771002, PMCID: PMC3479957.
12. **Barker, D.H.**, Swenson, R.R., Brown, L.K., Stanton, B.F., Venable, P.A., Carey, M.P., Valois, R.F., DiClemente, R.J., Salazar, L.F., & Romer, D. (2012). Blocking the benefit of group-based HIV-prevention efforts in at-risk African-American adolescents: The problem of HIV-related stigma. *AIDS and Behavior*, 16(3), 571-577. PMID: 22170381, PMCID: PMC3464939.
13. Quittner, A.L., Cruz, I., **Barker, D.H.**, Toby, E., Eisenberg, L., Niparko, J., & the CDaCI Investigative Team (2013). Effects of Maternal Sensitivity and Cognitive and Linguistic Stimulation on Cochlear Implant Users' Language Development over Four Years. *Journal of Pediatrics*, 162(2):343-348. PMID: 22985723, PMCID: PMC3638743.

14. Orzech, K.M., Acebo, C., Seifer, R., **Barker, D.H.**, Carskadon, M.A. (2013). Sleep patterns are associated with common illness in adolescents. *Journal of Sleep Research*, 23(2), 133-142. PMID: 24134661; NIHMS ID: NIHMS594313
15. Van Reen, E., Sharkey, K.M., Roane, B., **Barker, D.H.**, Seifer, R., Raffray, T., Bond, T., and Carskadon, M.A. (2013). Sex of college students moderates associations among bedtime, time in bed, and circadian phase angle. *Journal of Biological Rhythms*, 28 (6): 425-431. PMID: 24336420; NIHMS ID: NIHMS590763
16. Hadley, W., Houck, C.D., **Barker, D.H.**, Garcia, A.M., Spitalnick, J.S., Curtis, V., Roye, S., & Brown, L. K. (2013). Eliciting Affect via Immersive Virtual Reality: A Tool for Adolescent Risk Reduction. *Journal of Pediatric Psychology*, 39(3), 358-368. PMID: 24365699, PMCID: PMC3959265
17. **Barker, D.H.**, Rancourt, D., & Jelalian, E. (2014). Flexible models of change: Using structural equations to match statistical and theoretical models of multiple change processes. *Journal of Pediatric Psychology*, 39(2), 233-245. PMID: 24190912, PMCID: PMC3936260.
18. Hadley, W., **Barker, D.H.**, Lescano, C.M., Brown, L.K., Stewart, A., Affleck, K., Donenberg, G., DiClemente, R., & Project STYLE Study Group (2014). Associations between psychiatric impairment and sexual risk behavior among teens in mental health treatment. *Journal of HIV/AIDS & Social Services*, 13, 198-213.
19. Houck, C.D., **Barker, D.H.**, Rizzo, C., Hancock, E., Norton, A., & Brown, L.K. (2014). Sexting and sexual behavior in at-risk adolescents. *Pediatrics*, 133 (2), e276-282, PMID: 24394678, PMCID: PMC3904272
20. Brown, L. K., Hadley, W., Donenberg, G. R., DiClemente, R. J., Lescano, C., Lang, D. M., Crosby, R., **Barker, D.H.**, Oster, D. (2014). Project STYLE: A multisite RCT for HIV prevention among youths in mental health treatment. *Psychiatric Services*, 65(3), 338-344. PMID: 24382603, PMCID: in process.
21. Cejas, I., **Barker, D.H.**, Quittner, A.L., & Niparko, J. (2014). Development of Joint Engagement in Young Deaf and Hearing Children: Effects of Chronological Age and Language Skills. *Journal of Speech, Language, and Hearing Research*, 57, 1831-1841, PMID: 24845423, PMCID: In Process
22. Rancourt, D., **Barker, D.H.**, Sato, A. F., Lloyd-Richardson, E. E., Hart, C. N., & Jelalian, E. (2014). Longitudinal associations among change in overweight status, fear of negative evaluation, and weigh-related teasing among obese adolescents. *Journal of Pediatric Psychology*, 39(7), 697-707. PMID: 24893862; PMCID: PMC4107576
23. Quittner, A. L., Goldbeck, L., Abbott, J., Duff, A., Lambrecht, P., Solé, A., Tibosch, M.M., Brucefors, A.B., Yuskel, H., Ctastini, P., Blackwell, L., & **Barker, D.H.** (2014). Prevalence of depression and anxiety in patients with cystic fibrosis and parent caregivers: results of The International Depression Epidemiological Study across nine countries. *Thorax*, 69(12), 1090–1097. doi:10.1136/thoraxjnl-2014-205983, PMID: 25246663, PMCID: In Process.
24. Hadley, W., McCullough, M. B., Rancourt, D., **Barker, D.**, & Jelalian, E. (2014). Shaking up the System: The Role of Change in Maternal-Adolescent Communication Quality and Adolescent Weight Loss. *Journal of Pediatric Psychology*, 401(1), 121-131. PMID: 25214645, PMCID: PMC4288305
25. Crowley, S. J., Van Reen, E., LeBourgeois, M. K., Acebo, C., Tarokh, L., Seifer, R., **Barker, D.H.**, Carskadon, M. A. (2014). A Longitudinal Assessment of Sleep Timing, Circadian

- Phase, and Phase Angle of Entrainment across Human Adolescence. *PLoS ONE*, 9(11), e112199. PMID: 25380248; PMCID: PMC4224451
26. Hadley, W., Houck, C.D., **Barker, D.H.**, & Senocak, N. (2015). Relationships of parental monitoring and emotion regulation with early adolescents' sexual behaviors. *Journal of Developmental and Behavioral Pediatrics: JDBP*, 36(5), 381–388. PMID: 25915779, PMCID: PMC4456297
 27. Enimil, A., Nugent, N., Amoah, C., Norman, B., Antwi, S., Ocran, J., ... **Barker, D. H.** (2015). Quality of life among Ghanaian adolescents living with perinatally acquired HIV: a mixed methods study. *AIDS Care*, 28(4), 460-4. PMID: 26643735, PMCID: PMC4764441
 28. Hadley, W., **Barker, D.**, Brown, L. Almay, B., Donenberg, G., DiClemente, R. & the Project STYLE Study Group (2015). The moderating role of parental psychopathology on response to a family-based HIV prevention intervention among youth in psychiatric treatment. *Journal of Family Studies*, 21(2), 178-194.

INVITED PRESENTATIONS

1. Quittner, A. L., **Barker, D.H.**, Marciel, K., Cruz, I., Snell, C., & Grimley, M. E. *Does the patient know best? Utilizing patient-reported outcomes. Invited presentation, Endpoints for clinical trials in cystic fibrosis: Patients know best?* Prague, Czech Republic, June 12, 2008.
2. Quittner, A. L., Cruz, I., **Barker, D.H.**, Marciel, K. K., Blackwell, L., Botteri, M., & Romero, S. *Preliminary results of a clinic-based adherence intervention for children with*

cystic fibrosis & their parents. Invited presentation, 117th Annual Convention of the American Psychological Association, Toronto, Canada, August, 2009.

3. **Barker, D. H.** *Measuring disease-specific social support in adolescents with cystic fibrosis*. Invited Presentation, 24th Annual North American Cystic Fibrosis Conference, Baltimore Maryland, October 2010.
4. **Barker, D.H.** *The Role of Social Support Systems in Cystic Fibrosis*. Invited Presentation, Eighth Annual CF Nutrition and Social Work Consortium in Charleston, South Carolina March 4-6, 2014
5. **Barker, D.H., Enimil, A., Galárraga, O, Brown, L.K.** *Building Retention-in-Care with in-Clinic HIV Peer-Groups*. Boston/Providence CFAR Research Forum, Alpert Medical School of Brown University, May 19th, 2017.

GRANTS

CURRENT

R01 MH126681 (Whiteley) 09/01/2022 – 08/31/2027

NIMH Total award amount \$4,087,324

A Multisite Randomized Trial of Viral Combat: A Mobile Gaming App to Improve Adherence to PrEP: The major goal of this grant is to test the efficacy of an iPhone game to improve PrEP treatment adherence while examining implementation facilitators and barriers to intervention delivery.

R42 HD110333 (Houck) 09/01/2022-08/31/2025

NICHHD Total award amount \$2,027,808

Internet-based TRAC (iTRAC): Interactive emotion regulation skills training to improve adolescent sexual health: This project will complete the adaptation of a face-to-face emotion regulation skills program targeting sexual risk into an interactive media intervention optimized for tablet (iTRAC) using successful methods from the previous pilot study, including input from youth in the target age range and school professionals (e.g., health education teachers, school nurses).

R01 HL159701 (Koinis-Mitchell, McQuaid, & Canino) 07/01/2022-06/30/2027

NHLBI Total award amount \$3,916,587

Puerto Rico Asthma Integrated Response Program: PR-AIR: To implement and evaluate the Puerto Rico-Asthma Integrated Response Program (PR-AIR) to address pediatric asthma disparities in San Juan, PR.

R01 MD016241 (Grigsby-Toussaint) 09/24/2021-06/30/2026

NIMHD Total award amount \$2,725,752

Green Space, Mental Health and Sleep: Understand the relationships among greenspace, mental health, and sleep.

R01 HD103665 (Saletin) 08/09/2021-05/31/2026

NICHHD Total award amount \$2,725,752

Brain-behavior vulnerability to sleep loss in children: a dimensional study of attention and impulsivity: Understand the brain-behavior mechanisms underpinning attention and impulsivity in the context of sleep loss.

R01 DA050603 (Houck & Hadley) 09/01/2021-06/30/2026

NIDA Total award amount \$3,762,718

Respiratory Sinus Arrhythmia as a Predictor of Substance Use among Early Adolescents: This project will examine recovery RSA as a predictor of risk behavior among early adolescents relative to other measurement of emotion regulation (baseline RSA, challenge RSA, self-report, parent-report, behavioral task)

R01 MH128595 (Barker & Benito) 07/01/2022 - 06/30/2025

NIMH Total award amount \$1,172,619

What works for whom in pediatric OCD. This project aims to identify “what works, for whom” in pediatric OCD by 1) collaborating with a comprehensive group of clinical trial researchers to harmonize individual participant data from past clinical trials, and 2) apply a novel statistical approach (IPD meta-analysis with transportability analyses) to identify which treatment options are most effective for specific subgroups of youth with OCD.

U01 HL138677 (McQuaid/Koinis-Mitchell) 8/15/17-6/30/23

NHLBI Annual direct cost \$550,728

Rhode Island Asthma Integrated Response Program (RI-AIR): The goal of this U01 cooperative agreement application is to establish a coordinated screening and response system, which will enable the delivery of home and school-based asthma management interventions to address pediatric asthma disparities.

R01 MH117960 (Brown) 08/01/18-07/31/23

NIMH \$495,688 this is first year direct

A Multisite Randomized Trial of BattleViro: A Mobile Gaming App to Improve ART Adherence for Youth. The major goal of this grant is to test the efficacy of an iPhone game to improve antiretroviral treatment adherence for youth living with HIV

HRSA-18-122 (Berger) 09/30/18-09/29/23

HRSA \$103,832

Pediatric Mental Health Care Access Program: This project is focused on providing an on-call psychiatric consultation service for pediatricians to discuss psychiatric needs of the patients.

R01 HD097126 (Houck) 07/01/19-06/30/24

NICHD Total cost \$4,239,088

Project Strong: A web-based dating violence prevention program for parents and middle school boys. The major goal of this grant is to test the efficacy of a web-based dating violence prevention program for young adolescent boys and their parents.

R01 DK12551 (Hadley & Jelalian)

10/01/20-11/39/25

NIDDK

Total cost \$3,455,544

Enhancing Emotion Regulation to Support Weight Control Efforts in Adolescents with Overweight and Obesity. Evaluate an emotion regulation intervention for adolescents with overweight and obesity.

PCORI Methods Development 14806 (Barker & Steingrimsson) 01/01/21-01/01/23

PCORI Total cost \$750,000

Missing Data When Transporting Treatment Effects from Clinical Trials to a Target Population.

The major goal of this grant is to develop statistical estimators that can be used to transport treatment effects from a clinical trial to a target population in the presence of systematic missing data between trial samples and the target population.

P20 GM139743-01 (Core Director: Barker; PI :Carskadon) 12/01/2021-11/30/2026
NIGMS

COBRE Center for Sleep and Circadian Rhythms in Child and Adolescent Mental Health

The goal of this grant is to develop a center of excellence at the confluence of child and adolescent mental health and sleep and circadian science.

COMPLETED

R01 DC004797 (NIDCD) Research Fellow: **D.H. Barker** 7/1/2004-6/30/2007

Under the direction of Co-PI A.L. Quittner

PI: J.K. Niparko

Childhood Development after Cochlear Implantation Study.

This grant prospectively followed young deaf children prior to and following cochlear implantation to better understand the predictors of successful hearing and language development

DED-R305C050052 Trainee: **D.H. Barker** 6/1/2007 – 6/1/2009

Sponsor: D. Greenfield

Institute of Education Sciences

Interdisciplinary Training in Education Research and Advanced Statistical Methods.

The goal of this training grant was to develop researchers equipped with the statistical and methodological tools necessary for work in education and child development.

BARKER09AO Trainee: **D.H. Barker** 4/15/2009 – 4/15/2010

Sponsor: A.L. Quittner

Cystic Fibrosis Foundation Therapeutics, inc.

Social Support from Family, Friends and Healthcare Teams in Adolescents with Cystic Fibrosis.

The goal of this award was to support the development of a social support measure for adolescents with cystic fibrosis. The process included qualitative coding of semi-structured interviews, measurement development, cognitive interviewing, and pilot testing.

T32078788 (NIMH) Trainee: **D.H. Barker** 7/1/2010 – 6/30/2012

Sponsor: L.K. Brown

T32 NIMH Post-Doctoral Research Fellow.

Training in Child/Adolescent Biobehavioral HIV Research

The aim of this training grant is to develop the methodological skills required for research in pediatric HIV prevention.

R01 MH63008 (NIMH) COI: **D.H. Barker** 7/1/2011 – 5/14/2014
PI: L.K. Brown

HIV Prevention for Youth with Severe Mental Illness

This randomized control trial tests the efficacy of a family-based intervention on increasing HIV preventative behaviors in youth with severe mental illness.

R01 MH63008-S1 (NIMH) COI: **D.H. Barker** 7/1/2012 – 5/14/2014
PI: L.K. Brown

HIV Prevention for Youth with Severe Mental Illness-supplement

The goal of this supplement was to code video-taped adolescent-parent discussions and assess changes in communication skills across the intervention arms of the parent randomized controlled trial.

R01 NR011906 (NINR) COI: **D.H. Barker** 7/1/2012 – 5/14/2014
PI: C.D. Houck
Annual direct cost \$329,827

Preventing HIV through Affect Management for High-Risk Early Adolescents

This school-based trial tests the efficacy of an affect management intervention on increasing HIV preventative behaviors in middle school youth with mental health concerns.

R01 MH087520 (NIMH) COI: **D.H. Barker** 7/1/2012 – 5/14/2014
PI: L.K. Brown
Annual direct cost \$396,292

Integrated Mental Health Treatment & HIV Prevention for Court-Involved Youth

This randomized control trial tests the efficacy of integrating CBT based therapy into existing court services for sexually active court involved youth.

Clinical Research Grant (CFF) Statistical Consultant: **D.H. Barker**
3/1/2012 – 02/28/2013

Prevalence and Impact of Depression and Anxiety on CF Patients and Caregivers

My role on this grant is to perform the statistical analyses to determine the international prevalence of depression and anxiety in CF patients and caregivers.

R01 HD074846 (NICHD) COI: **D.H. Barker** (2.4 person months) 4/1/2013 – 5/14/2014
PI: L.K. Brown
Annual direct cost \$335,991

A Pilot Gaming Adherence Program for Youth Living with HIV

This study is designed to develop and test a novel, technology based intervention to improve treatment adherence among youth living with HIV who are taking antiretroviral medication. My role is to perform statistical analyses for the primary aims of the project.

L40 TR001089 (NCATS) PI: **D.H. Barker** 7/1/2013 – 6/30/2015
Youth in Mental Health Treatment: Secondary Data Analysis of Risk Behaviors

The project associated with this loan repayment award focuses on applying an HIV-risk score derived from unprotected sexual acts, number of partners, and substance use prior to sexual risk to a recent trial of two HIV prevention approaches in youth in mental health treatment.

R01 DK101046 (Carskadon) 01/01/14-12/31/2019

NIDDK \$500,955

Food Choices in Overweight & Normal Weight Adolescents—Sleep & Circadian Rhythm

The major goal of this grant is to examine the influence of sleep and circadian processes on caloric intake among healthy and overweight adolescents

Lifespan/Tufts/Brown Center for AIDS Research ("CFAR") Initial AIDS Research Award

PI: **D.H. Barker** (In Kind) 5/7/2014 – 5/7/2015

Mentor: L.K. Brown

Annual direct costs \$40,000

Improving Adolescent HIV treatment adherence through the use of peer-led adherence teams

This international CFAR Developmental Award is a pilot program to evaluate the utility of assigning HIV-infected youth to treatment adherence teams. Teams will be assigned the same schedule for follow-up appointments, and they will be provided with HIV education and team building exercises while they wait for their appointment. The project will be run through the Komfo Anokye Teaching Hospital (KATH) in Kumasi, Ghana. The international PI is Anthony Enimil, DPDM, director of the Adolescent HIV Clinic at KATH.

K23MH102131 (Barker) 5/14/2014 – 3/31/19

NIMH Annual direct cost \$157,487

Comparative Efficacy of HIV-Prevention among Youth with Mental Health Needs

This 5-year training award combines information from five trials of HIV-prevention programs designed for youth with mental health concerns. Modern analytic modeling techniques will be used to identify and describe youth who respond or do not respond to current programs. Results will help policymakers better match prevention programs to the needs of specific subpopulations of vulnerable youth.

R01 HD080780 (Rizzo) 04/15/15-03/31/20

NICHHD Annual direct cost \$546,110

Dating Violence Prevention for Juvenile Justice Girls. The goal of this study is to evaluate the efficacy of a promising, skills-based intervention (Date SMART) in reducing dating violence, delinquency and sexual risk outcomes for a broad range of court involved, non-incarcerated girls.

L40 TR001089 (NCATS) PI: **D.H. Barker** 7/1/2015 – 6/30/2017

Youth in Mental Health Treatment: Secondary Data Analysis of Risk Behaviors

The project associated with this loan repayment award focuses on applying an HIV-risk score derived from unprotected sexual acts, number of partners, and substance use prior to sexual risk to a recent trial of two HIV prevention approaches in youth in mental health treatment.

1G1CMS331405 (Rosenberg)

04/01/16-06/30/19

CMS

Total cost \$720,000

Rhode Island State Innovation Model (SIM) Test Grant: Pediatric Psychiatry Resource Network (PediPRN).

This project is focused on providing an on-call psychiatric consultation service for pediatricians to discuss psychiatric needs of the patients.

R21 DK108164 (NIDDK) PI: Hadley 08/15/16-07/31/19

CO-I: D.H. Barker .24 CM (inclusive with effort on K)

Annual direct cost \$150,000

Enhancing Emotion Regulation among Overweight and Obese Adolescents Attempting to Lose Weight

The goal of this study will determine feasibility and acceptability of an adapted intervention (HEALTH TRAC) to enhance weight management for overweight adolescents.

Adolescent Family Planning Manuscript (AIR) PI: **Barker** 07/01/18-02/01/19

Total Budget \$25,000

Emotional context as an influence on sexual decision making among adolescents with mental health symptoms. The goal of this project is to produce a manuscript detailing self-reported emotions prior to sexual decisions among 797 adolescents who participated in two clinical trials.

RRCS-IPDMA-2019-001 (Barker & Freeman) 10/01/19-09/30/20

PCORI Total cost \$38,052

Designing a Clinical Trial Repository for Pediatric Obsessive-Compulsive Disorder. Planning grant for an individual-participant-data meta-analysis in pediatric OCD to determine what works for whom.

Children's Miracle Network Grant (Subedi) 5/1/2020-4/30/2021

Department of Pediatrics, Alpert Medical School Total Cost \$25,000

Assessing Durable Treatment Response and Safety of Infliximab in Children with Inflammatory Bowel Disease (IBD): A Follow Up Study and Justification for the Development of a Prospective Pediatric IBD REDCap Database

RF1 MH120830 (Liu) 08/01/19-06/30/23

NIMH Total cost \$2,211,126

Temporal dynamics of stress, sleep, and arousal in short-term risk for adolescent suicidal behavior. The major goal of this grant is to understand the relationships among sleep, daily stress and emotional arousal in predicting adolescent suicidal behavior.

IHS-2017C1-6400 (Freeman) 07/01/18-04/01/23

PCORI Total Cost \$3,150,910

Comparison of Patient-Centered versus Provider-Centered Delivery of Cognitive Behavioral Treatment (CBT) for Pediatric Anxiety and Obsessive Compulsive Disorder (OCD). Evaluate the effectiveness of patient-centered (home-based) treatment.

UNIVERSITY TEACHING, ADVICING and MENTORING ROLES

Graduate Mentees

Elizabeth Tampke

	Grace Cushman Saksham Chandra Katie McCullar Gina Mason Diana Rancourt Mary-Beth Miller Patricia Wong Meredith Joppa
Dissertation Committee Member	Ruofan Bie (Brown University) Jaclyn Bogner (University of Oregon)
Short Course Instructor 2016-2017	Society for Pediatric Psychology Helped design and teach data science related short courses for the annual conference
Adjunct Professor 2013 (Fall)	Connecticut College, New London, Connecticut. Taught graduate level statistics course
Guest Lecturer 2012	Decision Sciences Institute, Providence, Rhode Island. Presented on using the statistical software Mplus to run item response theory measurement models.
Graduate Mentor 2005 - 2008	University of Miami, Miami, Florida. Mentored one student per summer who was participating in Psychology Research Initiatives Mentored Experience (PRIME). The PRIME program is designed to prepare minority students for graduate studies.
Graduate Instructor 2007 (Summer)	University of Miami, Miami, Florida. Invited to present a 2-hour short course on growth curve modeling.
Graduate Instructor 2007 (Spring)	University of Miami, Miami, Florida. Taught Introduction to Biobehavioral Statistics (4 credit hours) to a class of 32 undergraduate students.
Graduate Instructor 2003 - 2004	Brigham Young University, Provo, Utah. Taught two labs of thirty students about Psychological Testing (4 credit hours).
