African Alliance of Rhode Island, Rhode Island Food Policy Council,
Southside Community Land Trust, Osamequin Farm, Big Train Farm, UEL
Garden, Waterway Farm, The Coastal Resource Center

Panelist, Providence Venture Café - The Future of Agriculture (2021)

Member, Seafood Work Group. Rhode Island Food Policy Council (2020-present)

Guest Speaker, The Finch Podcast. Urban Agriculture and Climate Change (2020)

Co-Host, RI Power Dialogue: Climate Solutions for Rhode Island (2020)

Chair, Climate Change Work Group. Rhode Island Food Policy Council (2019-
present)

Chair, Board of Trustees, Red Tomato (2018-present)

Judge, Governor Raimondo's Relish Rhody Student Recipe Contest (2018)

Member, Board of Trustees, Red Tomato (2017-2018)

Chair, Rhode Island Food Policy Council (2017- 2018)

Selection Committee, Rhode Island delegates for Food Solutions New England
(2017)

Lead, Engaged Scholar Projects for ENV5 0110 (2020)
Providence Office of Energy Resources, Rhode Island Food Policy Council,
Grow Smart Rhode Island, University of Miami School of Law, George Wiley
Center, The New Fashion Initiative.

Lead, Engaged Scholar Projects for ENV5 1555 (2020) - 11 projects total
Community Partners: Southside Community Land Trust, RI Food Policy
Council, Farm Fresh RI, African Aliinace of RI, MOOR Food, Big Train Farm,
UEL Garden, Barrington Farm School, Commercial Fisheries Research
Foundation, Red Tomato.

Lead, Engaged Scholar Projects for ENV5 0110 (2019)
Community Partners: Audubon Society, Governor's Raimondo's Office, The
City of Providence Office of Sustainability, The George Wiley Center, RI
Director of Food Strategy, Environmental Council of Rhode Island,

Lead, Engaged Scholar Projects for ENV5 1555 (2019) - 12 projects total

Community Partners: African Alliance of RI, Rhode Island DEM and Director of Food Strategy, Big Train Farm, Rhode Island Food Policy Council Commercial Fisheries Research Association, Farm Fresh Rhode Island, Barrington Farm School, Moor Food Farm, Southside Community Land Trust, Southside Community Land Trust, Osamequin Farm, Kula Bio.

Lead, Engaged Scholar Projects for ENV5 0110 (2018)
 People's Power and Light - peak electricity communication in the winter
 Governor's Commission on Plastic Waste - research
 Rhode Island Department of Health - climate change and asthma
 Rhode Island Director of Food Strategy - adding value to compost
 African Alliance of Rhode Island - marketing and magazine for value added products

Red Tomato - how farmers communicate integrated pest management

Lead, Engaged Scholar Projects for ENV5 1555 (2018) - 13 projects total
 Community Partners: City Farm, African Alliance of Rhode Island, Barrington Farm School, Farm Fresh Rhode Island, Commercial Fisheries, Commercial Fisheries Research Foundation, Sidewalk Ends Farm

Lead, Engaged Scholar Projects for ENV5 0110 (2017)
 Citizens Climate Lobby (CCL) - video on carbon tax and business interests
 CCL- create testimonial to discuss impact of carbon tax on business sector in RI

The Shack - work with pop up restaurant to design on site growing
 Audubon Society - renewable energy and land protection
 RI Director of Food Strategy - mapping of New England food infrastructure
 Main Street Resources - help design a sustainable tiny home

Lead, Engaged Scholar Projects for ENV5 1555 (13 projects total)
 Community partners: Seconds First, Southside Community Land trust, Brown University student garden, Brown Dining Services, Eat Drink RI, Sankofa, African Alliance of RI, and Sidewalk Ends Farm

Advisor to Board of Directors: Red Tomato (2016 - 2017)
 Faculty Partner, Southside Community Land Trust's USDA Beginning Farmers Grant (2016)

Lead, Engaged Scholar Projects for ES 0110 (2016)
 Brown University - mapping for storm water management
 RI Interfaith Power and Light - ESCO opportunities for houses of worship
 Providence Office of Econ Development - key drivers of RI's "blue economy"
 Energize RI - draft policy for airport fuel standards for carbon tax bill
 Partnership for a greater Providence - wastewater treatment for seafood processing

Young Farmers Network - history of farmland deeds in RI

Lead, Engages Scholar Projects for ENV5 1555 (16 projects total)
 Community Partners: Sidewalk Ends Farm, Rhode Island Food Policy Council, Humble Pie Company, Southside Community Land Trust, City of Central Falls, Conservation Law Foundation, Providence Department of Planning and Development, Brown University student garden, Eat Drink RI, Green Circle Design, African Alliance of Rhode Island.

Chair, Rhode Island Food Policy Council Data and Evaluation Committee (2015-2017)

Member, Rhode Island Food Policy Council Steering Committee (2015-2018)
 Food to Institution New England Shared Metrics Project Advisory team (2015-2017)

Lead, Engaged Scholar Projects for ENVS 0110 (2015)
 RI Resource Recovery - inventory on all recycling sites in RI
 Green and Health Homes Initiative - research on indoor lead pollution
 Southside Community Land Trust - urban farm land mapping
 Farm Fresh RI - update farm information for state
 Providence Office of Sustainability - jumpstart recycling ambassadors
 program
 Providence Healthy Communities Office - school gardens
 Lead, Engages Scholar Projects for ENVS 1555 (17 projects total)
 Community partners: City of Providence, African Alliance of RI, Big Train
 Farm, Rhode Island Food Policy Council, Southside Community Land Trust,
 Sidewalk Ends Farm
 Co-Chair, Rhode Island Food Policy Council Production Working Group (2014 -
 2015)
 Rhode Island Delegate, Food Solutions New England. (2014 and 2015)
 Lead, Engaged Scholar Projects for ENVS 0110 (2014)
 Healthy Communities Office - school garden curriculum integration
 Childhood Lead Action - Observe and record Housing Court trials
 The Nature Conservancy - outreach for trail systems and map of
 RIPTA/trails
 Eco RI - helped increase membership for "challenge grant."
 RISD DESINELab - help build a community park in Central Falls
 Interfaith Council of RI - access how houses of workshop can increase food
 production
 Lead, Engages Scholar Projects for ENVS 1555 (10 projects total)
 Community Partners: City of Providence, Asa Messer Elementary, African
 Alliance of RI, Southside Community Land Trust, Providence Athenaeum.
 Member, Rhode Island Food Policy Council Policy Committee (2013-Present)
 Lead, Engaged Scholar Projects (2013)
 Providence Office of Sustainability - evaluate city's plot composting project
 Environmental Justice League of RI - help organize regional conference on
 justice
 Riverzedge (Woonsocket) - building a local economy around the river
