

Curriculum Vitae
DARIUSZ R. STACHURSKI, M.D.

PERSONAL INFORMATION

System Medical Director

Clinical Laboratories (Clinical Pathology)
Brown University Health
Providence RI
Office: (401) 444-6296
Fax: (401) 444-2821
Email: dstachurski@brownhealth.org

Chairman

Pathology and Clinical Laboratory
Newport Hospital – Brown Univ Health
11 Friendship Street
Newport, RI 02840
Office: (401) 845-1288
Fax: (401) 845-1990

Surgical and Hematopathologist

Brown University Health System

593 Eddy Street, APC-11
Providence, RI 02903
Office: (401) 444-6296
Fax: (401) 444-2821

Laboratory Medical Director

Eleanor Slater Hospital
Cranston and Zambarano Units
Cranston and Pascoag, RI

Associate Professor (Clinical)

Department of Pathology and Laboratory Medicine
Warren Alpert Medical School at Brown University
Providence, RI

EDUCATION

Undergraduate:
1988-1992

Bachelor of Arts, Major - Zoology/Premed
Minor – Music Performance (Piano and Classical Voice)
George Washington University, Washington, DC

Cytotechnology:
1992-1993

Cytology, post-baccalaureate certificate
University of Connecticut Health Center, Farmington, CT

Medical School:
1995-1999

Doctor of Medicine (MD), Poznan Univ of Medical Sciences (Faculty II),
Poland

POSTGRADUATE TRAINING

Residency
2001-2004

Anatomic Pathology, University of Massachusetts Medical Center
Worcester, MA

Fellowship
2004-2005

Don Singer Fellow in Pediatric/Perinatal Pathology
Brown University Pathology Residency Program
Women and Infants Hospital, Providence, RI

Fellowship
2005-2006

Hematopathology, University of Massachusetts Medical Center
Worcester, MA

Curriculum Vitae
Dariusz R. Stachurski, M.D.

Residency
2006-2007

Clinical Pathology, University of Massachusetts Medical Center
Worcester, MA

POSTGRADUATE HONORS AND AWARDS

Wanda Blenska Scholarship
in Medicine 1996

Poznan Medical Academy, Poznan, Poland
1st rank

Heliodor Swiecicki Scholarship
in Medicine
1997 and 1998

Poznan Medical Academy, Poznan, Poland
2nd rank

President's Award,
Magna Cum Laude, 1999

Poznan Medical Academy, Poznan, Poland
Faculty II

Best Teacher, Clinical Pathology
Judith Heelan Teaching Award
2012

Warren Alpert Medical School of Brown University
Providence, RI

Provider of the Quarter
July 2019

Newport Hospital
Newport, RI

PROFESSIONAL LICENSES AND BOARD CERTIFICATION

ECFMG

Educational Commission for Foreign Medical Graduates Certificate No.
05765052, issued 4/14/2000

Licensure:

Full medical license, Commonwealth of Massachusetts,
Board of Medicine, non-active, License # 231378

Full medical license, State of Rhode Island, Board of
Medical Licensure, active (expires 6/30/2024), MD12567

Board Certification:

American Board of Clinical Pathology
Board of Registry, Cytotechnology, 1993

American Board of Pathology
Anatomic and Clinical Pathology, original certification
11/2008
Certificate #08-573, Recertified 2018

American Board of Pathology
Hematology, original certification 9/2009
Certificate #S-09-360, Recertified 2018

ACADEMIC APPOINTMENTS

Associate Professor (Clinical)
2019-present

Department of Pathology & Laboratory Medicine
Warren Alpert Medical School of Brown University
Providence, RI

Adjunct Assistant Professor
2011-2018

University of Rhode Island and RI School of
Cytotechnology, Providence, RI

Curriculum Vitae
Dariusz R. Stachurski, M.D.

Adjunct Assistant Professor 2010-present	Rhode Island Hospital School of Medical Technology Providence, RI
Clinical Instructor 2010-present	Pathology Review for Internal Medicine Residency Program, Warren Alpert Medical School of Brown University, Rhode Island Hospital, Providence, RI
Assistant Instructor of Pathology 2009-2011	Histopathology Laboratory Course Warren Alpert Medical School of Brown University Providence, RI
Assistant Professor of Pathology 2008-2019	Department of Pathology & Laboratory Medicine Warren Alpert Medical School of Brown University Providence, RI
Clinical Instructor 2008-2012	Pathology Review for Internal Medicine Residency Program, Warren Alpert Medical School of Brown University, Miriam Hospital, Providence, RI
Assistant Clinical Instructor 2004-2005	Pathology Laboratory Course Warren Alpert Medical School of Brown University Providence, RI
Assistant Clinical Instructor 2002-2007	Pathology Laboratory Course UMASS Memorial Medical School, Worcester, MA

HOSPITAL APPOINTMENTS

Interim Director 7/19-24 to present	Blood Bank/Tranfusion Medicine, Rhode Island and Miriam Hospitals, Lifespan Healthcare System, Providence RI
System Medical Director November 2023-present	Lifespan Clinical Laboratories (Clinical Pathology) Lifespan Healthcare System, Providence RI
Interim Medical Director March 2023-November 2023	Lifespan Clinical Laboratories (Clinical Pathology) Lifespan Healthcare System, Providence RI
Laboratory Medical Director 2014-present	Eleanor Slater Hospital Cranston and Zambarano Units Cranston and Pascoag, RI
Chairman 2010-present	Department of Pathology and Clinical Laboratory Newport Hospital, Newport, RI
Surgical Pathologist and Hematopathologist 2008-present	Department of Pathology and Laboratory Medicine Lifespan Academic Medical Center Rhode Island Hospital and Miriam Hospital Providence, RI
Cytotechnologist 1999-2002 (per-diem)	Department of Pathology Women and Infants Hospital of Rhode Island Providence, RI
Cytotechnologist 1993-2001 (per-diem)	Connecticut Pathology Laboratories Willimantic, CT

Curriculum Vitae
Dariusz R. Stachurski, M.D.

Cytotechnologist
1993-1995

Pathology Department
Windham Community Memorial Hospital
Willimantic, CT

OTHER APPOINTMENTS

Delegation Chair, RI
7/2020-present

College of American Pathologist, House of Delegates
Washington DC

State Policy Representative
8/2016-present

College of American Pathologists
Washington, DC

Chair
2015-2017

College of American Pathologists
Rhode Island Delegation, House of Delegates

Board Member
2015-2017

Rhode Island Blood Center Board of Trustees
Providence, RI

President
2014

Rhode Island Society of Pathologists
Providence, RI

Secretary and Treasurer
2013

Rhode Island Society of Pathologists
Providence, RI

Team Leader, Lifespan
2012-Present

College of American Pathologists (CAP)
Laboratory Accreditation Program

- CHI Health Care System, Omaha, NE 10/2024
- Mission Health Care, Asheville, NC 10/2019
- Winchester Hospital, Winchester, MA 10/2017
- St. Lukes Cornwall Hospital, Newburgh, NY 02/2017
- Boston Medical Center, Boston, MA 01/2016
- Manchester Veterans Admin. Med. Ctr., NH 12/2014
- North Shore Medical Center, Salem, MA 09/2014
- Midstate Medical Center, Meriden, CT 08/2012

Resident Representative

College of American Pathologists, 2007, Resident Forum

Chief Resident
2006-2007

University of Massachusetts Pathology Residency Program
Clinical Pathology, Worcester, MA

Chief Resident,
2002-2003

University of Massachusetts Pathology Residency Program
Anatomic Pathology, Worcester, MA

Inspector
2003-2013

College of American Pathologists,
Laboratory Accreditation Program

- Norwalk Medical Center, Norwalk, CT
(Surgical Pathology and Cytopathology) 3/2013
- Washington University Med. Ctr., St. Louis, MO 9/2007
- Baylor Medical Center, Dallas, TX
(Flow Cytometry, Autopsy) 10/2005
- University of Nebraska Med. Ctr. Omaha, NE 2003

President
1995-1999

Medical Student Council
Poznan University of Medical Sciences (Faculty II)
Poznan, Poland

Curriculum Vitae
Dariusz R. Stachurski, M.D.

HOSPITAL COMMITTEES

Chair 2023-present	Laboratory Stewardship Committee Lifespan Health Care System
Chair 2023-present	Laboratory Medical Directors & Managers Committee
Member 2023-present	Laboratory Leadership Information Service Committee Department of Pathology and Laboratory Medicine
Member 2023-present	Physician Informatic Council Lifespan Health Care System
Member 2023-present	Joint Order Sets Committee Lifespan Health Care System
Member 2023-present	Alerts Committee Lifespan Health Care System
Member 2023-present	Rhode Island Hospital, Quality Metrics Improvement Committee Rhode Island Hospital, Providence RI
Member 2022	Search Committee for Pathologist-in-Chief Department of Pathology and Laboratory Medicine Rhode Island and Miriam Hospitals
Chair 2021-2023	Search Committee for NH/RIH shared AP/CP Pathologist Department of Pathology and Laboratory Medicine Newport and Rhode Island Hospitals
Member 2021-present	Lifespan Transfusion Medicine Committee
Member 2021-present	Peer Review Committee Newport Hospital
Chair 2019	Search Committee for Surgical Pathologist Department of Pathology and Laboratory Medicine Rhode Island and Newport Hospitals
Member 2016-present	Pathology Executive Committee Lifespan Academic Medical Centers
Member 2016-present	Credentials Committee Newport Hospital, Newport, RI
Member 2014-2023	Laboratory Medical Directors Committee Newport, Miriam, and Rhode Island Hospitals
Member and Diversity Coordinator 2013-2014	Search Committee for Director of Clinical Pathology Department of Pathology Laboratory Medicine Lifespan Academic Medical Center, Providence, RI
Member 2012-2016	Performance Evaluation and Improvement Committee Newport Hospital, Newport, RI

Curriculum Vitae

Dariusz R. Stachurski, M.D.

Member 2010-present	Medical Executive Committee Newport Hospital, Newport, RI
Member 2010-2012	Residency Steering Committee Brown University Pathology Residency Program
Member 2009-2010	Search Committee for Surgical Pathologist Department of Pathology and Laboratory Medicine Division of Gynecologic, Breast and Cytopathology Women and Infants Hospital of Rhode Island Providence, RI
Member 2004-2005	Perinatal Morbidity and Mortality Committee Women and Infants Hospital of Rhode Island Providence, RI
Member 2004-2005	Graduate Medical Education Committee Women and Infants Hospital of Rhode Island Providence, RI

MEMBERSHIPS IN PROFESSIONAL SOCIETIES

Member	United States and Canadian Academy of Pathologists
Fellow	College of American Pathologists (2014-present)
Fellow	American Society of Clinical Pathologists (2014-present)
Past President and Secretary	Rhode Island Society of Pathology (2014-2015)
Fellow	American Society of Hematology (2016-present)
Fellow	Society of Hematopathology (2022-present)

Curriculum Vitae
Dariusz R. Stachurski, M.D.

POSTERS

Brar T, Alqadi R, Stachurski D, Dalal D, Cunha J, Reginato A. IgG4-related Sclerosing Pachymeningitis.

Kurt H, Egan P, Elco C, Legolvan M, Stachurski D, Reagan J, Treaba D. Post-treatment Bone Marrow Findings in Acute Myeloid Leukemia Patients with FLT3-ITD Mutations Treated with Midostaurin. (2020)

ABSTRACTS

1. Chaump M, **Stachurski D**, Yu G. When should body fluids be submitted for flow cytometric analysis?
2. **Stachurski D**, Fischer A, Xu B, et al Meta-analysis of diagnostic criteria for distinguishing intraductal papilloma from fibroadenoma and fibrocystic disease in fine-needle aspiration biopsy of breast.
3. **Stachurski D**, Fanger GR, Xu B, Edmiston K, Wertheimer MD, Rock KL, Khan A. CRxA-01 and mammaglobin expression in breast cancer: Potential role in differentiating breast cancer from other CK7+/CK20-tumors. USCAP, 2003

INVITED PRESENTATIONS

1. Annual Diagnostic Seminar, Rhode Island Cytology Society, Roger Williams Hospital, Providence, RI, 1994
Malignant Mesothelioma
2. Laboratory Continuing Education Series, Windham Community Memorial Hospital, Willimantic, CT, 1994
P-53 Tumor Suppressor Gene: Significance in clinical laboratory as Potential Tumor Marker
3. Annual Diagnostic Seminar, Rhode Island Cytology Society, Roger Williams Hospital, Providence, RI, 1995
Ovarian borderline serous Cystadenocarcinoma
4. Annual Diagnostic Seminar. Division of American Cancer Society, Roger Williams Hospital, Providence, RI, 2001
Primitive neuroectodermal tumor
5. Annual Diagnostic Seminar. Division of American Cancer Society, Roger Williams Hospital, Providence, RI, 2001
Metastatic pancreatic carcinoma on cervical smear
6. Grand Rounds, Department of Pathology, University of Massachusetts Medical Center, Worcester, MA, 2001
Castleman's Disease and HHV-8
7. Grand Rounds, Department of Pathology, University of Massachusetts Medical Center, Worcester, MA, 2002
Collapsing glomerulopathy: Distinct pathologic entity or pattern of injury
8. National Society of Histotechnology – 2009 Region I Histology Conference. Newport, RI, 4/17/09
Tissue and DNA microarrays: Applications in clinical oncology
9. 61st Annual ASCLS-CNE Clinical Laboratory Science Convention. Rhode Island Convention Center, Providence, RI, 6/06/2009
Concise review of neonatal hematology

Curriculum Vitae
Dariusz R. Stachurski, M.D.

10. Pathology Grand Rounds, 10/02/2009
Professionalism and communication in medicine: Emphasis on pathology training programs
11. Continuing Medical Education Series, East Side Clinical Labs, Providence, RI, 12/20/2009
Review of platelet morphology and function, with disease associations and blast morphology review
12. Rhode Island Hospital Continuing Medical Education Series, East Side Clinical Labs, Providence, RI, 3/16/2011
Case presentation and review of red cell morphology
13. 63rd Annual ASCLS-CNE Clinical Laboratory Science Convention, Rhode Island Convention Center, Providence, RI 5/03/2011 **Peripheral T- and NK- leukemia/lymphoma**
14. 64th Annual ASCLS-CNE Clinical Laboratory Science Convention, Rhode Island Convention Center, Providence RI, 5/6/2012; **Body fluid analysis workshop**
15. Rose B David Memorial Lecture, Newport Hospital, Newport RI, 5/3/2013
Chronic myelogenous leukemia
16. 65th Annual ASCLS-CNE Clinical Laboratory Science Convention, Rhode Island Convention Center, Providence RI, 5/7/2013
Hemoglobinopathies
17. Hospital Grand Rounds, Newport Hospital, Newport, Rhode Island, 5/2014
Transfusion medicine in community hospital setting: Evidence-based guidelines
18. Annual ASCLS-CNE Clinical Laboratory Science Convention, Rhode Island Convention Center, Providence RI, 4/28/2016
Chronic myeloproliferative disorders – diagnostic overview
19. Annual ASCLS-CNE Clinical Laboratory Science Convention, Rhode Island Convention, Center, Providence RI, 5/11/17
Cytology and pathology of lymph node – brief review
20. Lymphoma Rounds, Westin-Copley Plaza Hotel, Boston, MA, 4/10/19
Adult T-cell Leukemia/Lymphoma
21. Annual ASCLS-CNE Clinical Laboratory Science Convention, Warwick Crowne Plaza Hotel, Warwick RI, 3/26/2024, **Hemoglobin Disorders**

OTHER PRESENTATIONS

1. Clinicopathologic Correlation Conference, Women and Infants Hospital, Providence, RI, 2005
Transient myeloproliferative disorder and Trisomy 21
2. The Warren Alpert Medical School of Brown University, Internal Medicine Residency Program – Rhode Island and Miriam Hospitals, monthly recurring, 2008-present.
Pathology review
3. The Warren Alpert Medical School of Brown University, Pathology Residency Program, 09/08/2008.
Low-grade B-cell lymphoma
4. The Warren Alpert Medical School of Brown University, Pathology Residency Program, 03/05/2010
Pattern recognition approach to soft tissue pathology
5. Medical Technology School, BRISAH, Providence, RI; recurring lecture 2010-present
Granulocytes and monocytes

Curriculum Vitae
Dariusz R. Stachurski, M.D.

6. Medical Technology School, BRISAH, Providence, RI; recurring lecture 2010-present
Lymphocytes
7. Medical Technology School, BRISAH, Providence, RI; recurring lecture 2010-present
Body fluid analysis – serous fluids
8. Medical Technology School, BRISAH, Providence, RI; recurring lecture 2010-present
Body fluid analysis – cerebrospinal fluids
9. Medical Technology School, BRISAH, Providence, RI; recurring lecture 2010-present
Body fluid analysis – synovial and seminal fluids
10. Medical Technology School, BRISAH, Providence, RI; recurring lecture 2010-present
Body fluid analysis – synovial and seminal fluids
11. Medical Technology School, BRISAH, Providence, RI; recurring lecture 2010-present
Megakaryocytes and platelets
12. Pathology Continuing Education Lecture Series, Rhode Island Hospital, RI, 4/12/2011
Basic introduction to hemoglobinopathies
13. University of Rhode Island and RI School of Cytotechnology Program, Providence, RI; recurring lecture 2011-2018
Basic histology with cytologic correlation – gastrointestinal tract
14. University of Rhode Island and RI School of Cytotechnology Program, Providence, RI; recurring lecture 2011-2018
Basic histology with cytologic correlation – liver and pancreas
15. Clinicopathologic Correlation Conference, The Warren Alpert Medical School of Brown University, 07/13/2012
Glomerular disease
16. Clinicopathologic Correlation Conference, The Warren Alpert Medical School of Brown University, 10/05/2012
Lupus nephritis
17. University of Rhode Island and RI School of Cytotechnology Program, Providence, RI; recurring lecture 2012-2018.
Pathology and cytology of lymph nodes
18. Clinicopathologic Correlation Conference, The Warren Alpert Medical School of Brown University, 07/12/2013
Atypical lymphoid hyperplasia
19. Clinicopathologic Correlation Conference, The Warren Alpert Medical School of Brown University, 09/27/2013
Amyloidosis
20. Pathology Continuing Education Lecture Series, Rhode Island Hospital, 4/2/2013
Cerebrospinal fluid analysis
21. The Warren Alpert Medical School of Brown University, Pathology Residency Program, 01/06/2014
Differential diagnosis of mediastinal masses
22. The Warren Alpert Medical School of Brown University, Pathology Residency Program, 9/2014
Basic introduction to hemoglobinopathy diagnosis

Curriculum Vitae
Dariusz R. Stachurski, M.D.

23. Grand Rounds, Newport Hospital, Newport RI, 03/2015
Blood product utilization in community hospital setting
24. Laboratory Continuing Education Series, Newport Hospital, Newport, RI; 04/24/2015
Respiratory tract virology
25. Laboratory Continuing Education Series, Newport Hospital, Newport, RI, 03/13/2015
Lymphocytic abnormalities – peripheral blood smear focus
26. Clinicopathologic correlation conference, The Warren Alpert Medical School of Brown University, 01/26/2015
Antiphospholipid syndrome
27. Clinicopathologic Correlation Conference, The Warren Alpert Medical School of Brown University, 01/16/2015
Liver cirrhosis, alcoholic hepatitis, and neuroendocrine carcinoma
28. Warren Alpert Medical School of Brown University, Pathology Residency Program, 4/11/2016
Benign and malignant pathology of spleen

GRANTS

Title of Grant	Formally Integrating ACGME Competencies into a Didactic Grantor: Graduate Medical Education Committee – Small Grant Lifespan Academic Medical Center, Lecture Series
Principal Investigator(s):	Drs. Li Juan Wang & Dariusz R. Stachurski. \$7500, 2008-2009.

UNIVERSITY TEACHING ROLES

The Warren Alpert Medical School of Brown University

2009-2010

Biol 3645 Integrated Medical Science I: General Pathology
Micro ID Pathology Laboratory
Medical Students: ~10 students at each class
4 hours laboratories (2 – 2 hour laboratories)

2009-2010

Systemic Pathology Laboratory
Medical Students: ~10 students at each class
12.5 hours (2 – 3 hour laboratories, 1 - 2.5 hour laboratory, 1 – 2 hour laboratory)

2011-2012, 2009-2010

Biol 3662 Integrated Medical Science III Pulmonary
Tumors of the Lung and Pleura
Medical Students – 116 (2011), 98 (2009)
3 hours (2 - 1.5 hour lecture)

2012-2013, 2011-2012, 2010-2011

Integrated Systemic Pathology
Year 1 Pathology Laboratory
Medical Students: ~10 students at each class
16 hours (4 – 2.5 hour laboratories, 2 – 3 hour laboratories)

Curriculum Vitae
Dariusz R. Stachurski, M.D.

2012-2013, 2011-2012, 2010-2011

Integrated Systemic Pathology
Cardiopathology Laboratory
Medical Students: ~10 students at each class
13 hours (5 – 2 hour laboratories, 1 – 3 hour laboratory)

2012-2013, 2011-2012, 2010-2011

Integrated Systemic Pathology
Pulmonary Pathology Laboratory
Medical Students: ~10 students at each class
15 hours (2 – 2 hour laboratories, 2 – 2.5 hour laboratories, 2 – 3 hour laboratories)

2013-2014, 2012-2013, 2011-2012, 2010-2011, 2009-2010

Biol 3645 Integrated Medical Science I: General Pathology
Cell Injury and Inflammation and Atherosclerosis, Infarction, Cancer
Medical Students: ~10 students at each class
20 hours laboratories (10 – 2 hour laboratories)

2013-2014, 2012-2013, 2011-2012, 2010-2011

Integrated Systemic Pathology
GI Pathology Laboratory
Medical Students: ~10 students at each class
16.5 hours (4 – 2 hour laboratories, 1 - 2.5 hour laboratory, 2 – 3 hour laboratories)

University of Rhode Island

2011-2018

Cytotechnology Program
Recurring yearly lectures (liver & pancreas, gastrointestinal tract, lymph nodes)
6 hours (3 – 2 hour lecture)

2013

Masters Program in Pathobiology
Introduction to Hemoglobinopathy
2 hours (one lecture)

HOSPITAL TEACHING ROLES

2008-2010

Internal Medicine Residency Program – Noon Conference Series
Pathology Review for Internal Medicine Residents, Rhode Island and Miriam Hospitals
Resident attendees: ~ 14-20
24 hours lecture/year (24 – 1 hour lecture)

2008-present

Brown Pathology Residency Program
Monday Didactic Resident and Fellow Lectures
Residents & fellows: ~ 12-16 per lecture
4-5 hours (average 4-5 lectures – 1 hour each)

2008-present

Brown Pathology Residency Program
Anatomic and clinical pathology, direct one-on-one sign-out
