

**CURRICULUM VITAE
DEBRA S. HERMAN**

Behavioral Medicine and Addictions Research
Butler Hospital
345 Blackstone Blvd.
Providence, RI 02906
(401) 455-6652
FAX: (401) 455-6685
E-Mail: dherman@butler.org

EDUCATION

- 1983-1987 **Brown University, Providence, RI**
Sc.B., *magna cum laude*, Psychology, with Honors
- 1988-1991 **Northwestern University, Evanston, IL**
M.S., Clinical/Personality Psychology
- 1991-1996 **Northwestern University, Evanston, IL**
Ph.D., Clinical/Personality Psychology
- 1993-1994 **Boston DVAMC/Tufts University School of Medicine**
Clinical Internship Program (Rotations: National Center for PTSD; Medical
Psychology; Child Psychology)

POSTGRADUATE TRAINING

- 1995-1997 **Post-Doctoral Fellow/Health Science Specialist**
National Center for PTSD – Behavioral Sciences Division
Department of Veteran Affairs Medical Center, Boston, MA

PROFESSIONAL LICENSE

- July 2000 RI PS00706

ACADEMIC APPOINTMENTS

- 2022 - present **Clinical Professor**, Warren Alpert Medical School of Brown University
- 2018 - 2022 **Clinical Associate Professor**, Warren Alpert Medical School of Brown University
- 2002 - 2018 **Clinical Assistant Professor**, Warren Alpert Medical School of Brown University

HOSPITAL APPOINTMENTS

- 1999-2008 **Research Psychologist**
Substance Abuse Research Unit, Rhode Island Hospital, Providence RI

- 2008-present **Research Psychologist**
General Medicine Research Unit/Behavioral Medicine and Addictions Research,
Butler Hospital, Providence RI
- 2008-present **Allied Professional Staff**, Butler Hospital, Providence RI
- 2015-present **Allied Professional Staff**, The Miriam Hospital, Providence RI

OTHER APPOINTMENTS

- 2011 Guest Reviewer, Cognitive and Behavioral Practice
- 2019 Guest Reviewer, Substance Abuse
- 2020 Guest Reviewer, Journal of Substance Abuse Treatment
- 2020 Guest Reviewer, American Journal of Preventive Medicine

UNIVERSITY COMMITTEES

- 2012-2022 Alternate Board Member, Butler Hospital IRB
- 2019-present Board Member, Office of Women in Medicine and Science
- 2022-present Board Member, Butler Hospital IRB
- 2022 Member, IRB Subcommittee on Equity and the Recruitment of Non-English
Speaking Participants

MEMBERSHIP IN SOCIETIES

- 1992-present American Psychological Association
- 1992-2016; 2022 Association for Behavioral and Cognitive Therapies
2014-2016; Reviewer, Annual Conference
- 1993-2006 International Society for Traumatic Stress Studies
- 1986-1988 Sigma Xi

PUBLICATION LISTS

ORIGINAL PUBLICATIONS IN PEER-REVIEWED JOURNALS

1. Newman, E., Orsillo, S., **Herman, D.**, Niles, B., & Litz, B. (1995). The symptom presentation of complex PTSD in combat veterans. Journal of Nervous and Mental Disease, 183(10), 628-632.

Paper presented at the National Institute of Mental Health, Annual International Research Conference on the Role of Families in Preventing and Adapting to HIV/AIDS. Washington, DC.
28. Stein, M., **Herman, D.**, Trisvan, E., Bishop, D., Anderson, B., and Chapman, S. (2003, July). Characteristics of person HIV-positive patients choose for social support. Paper presented at the NIMH Annual International Research Conference on the Role of Families in Preventing and Adapting to HIV/AIDS, Washington, DC.
29. **Herman, D.**, Trisvan, E., Van Hof, A., Lopez, R. Torgerson, C., Bishop, D., Anthony, J., Chapman, S., Stein, M. (2003, July). Feasibility of a telephone intervention for HIV patients and their families. Paper presented at the NIMH Annual International Research Conference on the Role of Families in Preventing and Adapting to HIV/AIDS, Washington, DC.
30. Lassar, J., Bishop, S., **Herman, D.**, & Stein, M. (2003, November). The effects of depression and self-efficacy on smoking cessation in a methadone maintained population. Paper presented at the 37th annual meeting of the Association for Advancement of Behavior Therapy, Boston, MA.
31. Stein, M., Anderson, B., **Herman, D.**, Solomon, D., Maisano, C., Watston, B., & Miller, I. (2003, July). Treating depression lowers injection drug risk. Paper presented at the 2003 HIV Prevention Conference, Atlanta, GA.
32. Pirraglia, P., Bishop, D., **Herman, D.**, Trisvan, E., Lopez, R., Torgersen, C., Van Hof, A., Anderson, B., Miller, I., Stein, M. (2004, July). Caregiving is associated with depressive symptom burden among the significant others of HIV-infected individuals. Paper presented at the NIMH

Annual International Research Conference on the Role of Families in Preventing and Adapting to HIV/AIDS, Atlanta, GA.

33. Dubyak, P., **Herman, D.**, Lannie, J., Anderson, B., and Stein, M. (2005, November). The Relationship among Knowledge of Hepatitis C, Health Beliefs, and Risk Behaviors in a Substance-Abusing Population. Paper presented at the 39th annual meeting of the Association for Advancement of Behavior Therapy, Washington, DC.
34. Hagerty, C., **Herman, D.**, Anderson, B., Rosengard, C., and Stein, M. (2007, November). Young Women's Perception of Partner Sex Risk. Paper presented at the 41st Annual Convention of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
35. Tsui, J., **Herman, D.**, Kettavong, M., Anderson, B., Stein, M. (2010, June). Hepatitis C virus infection and chronic pain in opioid dependent injection drug users. Paper presented at the 72nd Annual College on Problems of Drug Dependence Scientific Meeting, Scottsdale, AZ.
36. Tsui, J., **Herman, D.**, Kettavong, M., Anderson, B., Alford, D., Stein, M. (2010, April). Physician Introduction to Opioids among Patients with Opioid Dependence. Paper presented at the 33rd Annual Meeting of the Society for General Internal Medicine, Minneapolis, MN.
37. Bailey, G., **Herman, D.**, Stein, M. (2011, December). Perceived Relapse Risk and Willingness to Receive Medication Among Opioid-Dependent Persons Leaving Inpatient Detoxification. Paper presented at the 22nd annual meeting of the American Academy of Addiction Psychiatry, Scottsdale, AZ.
38. Meshesha, L., Tsui, J., Liebschutz, J., Crooks, D., Anderson, B., **Herman, D.**, Stein, M. (2012, May). Daily opioid use, but not recent overdose, predicts perceived health status in hospitalized opioid dependent patients. Paper presented at the 35th Annual Meeting of the Society of General Internal Medicine, Orlando, FL.
39. Uebelacker, L., Weisberg, R., **Herman, D.**, Bailey, G., Pinkston, M., Stein, M. (2014, November). Chronic pain and its relationship to mood in HIV+ primary care patients. Paper presented at the 42nd Annual Meeting of the North American Primary Care Research Group, New York, NY.
40. Ameral, V., Stein, M., Uebelacker, L., Pinkston, M., **Herman, D.**, Weisberg, R. (2020, April). Patients' experience of transitions in opioid prescribing practices in HIV specialty primary care. Paper presented at the 8th Collaborative Perspectives on Addiction Annual Conference, San Diego, CA.
41. Dandurand, J., Stein, M., Surprenant, B., Sarles-Whittlesey, H., Grimone, K., **Herman, D.**, Abrantes, A.M., Sweet, L. (2022, Feb). Resting State Functional Connectivity of the Default Mode Network across Satiation and Cessation in Treatment-Seeking Persons who Use Opioids. Paper presented at the 50th International Neuropsychological Society conference, New Orleans, LA.
42. Kraines, M.A., Kvaka, A.E., Min, J., Stein, M., Anderson, B., Baker, J., Busch, A., Pinkston-Camp, M., Herman, D., Garnaat, S., & Uebelacker, L.A. (2024, March). Mood symptoms and pain outcomes overtime: A longitudinal study of people living with HIV. Poster presented at the 45th Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine, Philadelphia, PA.

43. Selva Kumar, D., Paul, L., Herman, D.S., Stein, M.D., Abrantes, A.M. (2024, March) Engagement of smoking-related harm reduction strategies among people with opioid use disorder and smoke cigarettes. Poster presented at the Mind-Brain conference, Warren Alpert Medical School of Brown University.

INVITED PRESENTATIONS

Toll, E., **Herman, D.**, and Mende, U. (2021, June). Taking on The Third Chapter. OWIMS Annual Professional Development Conference.

Herman, D., Mende, U. and Toll, E. (2022, June). The Third Chapter: The First Year. OWIMS Annual Professional Development Conference.

Herman, D. (workshop moderator; 2023, June). Coach-Mentor-Sponsor-Therapist: Seeking Advice in a World of Expanding Option. OWIMS Annual Professional Development Conference.

Herman, D., Mende, U. and Toll, E. (2024, October). The Third Chapter. University of Massachusetts Professional Development series.

GRANTS

Grants, Ongoing

1. R01 DA045695 (Weisberg/Stein) 2/15/19-1/31/24
NIDA
Treating Chronic Pain in Buprenorphine Patients in Primary Care Settings
The goal of this project is to develop a collaborative therapy for buprenorphine patients with chronic pain and depressive symptoms toward the target of reducing behavioral avoidance and increasing behavioral activation.
Role: Interventionist, Staff Training
2. R01MH119919 (Moitra/Stein) 12/3/19-11/30/24
NIMH
Brief Acceptance-Based Retention Intervention for Newly Diagnosed HIV Patients
The aims of this proposal are: (1) To test, in a 2-arm RCT, the efficacy of the ABBT intervention on retention in care and virologic suppression (primary outcomes); and, ART adherence, disclosure of HIV status, perceived social support, HIV stigmatization (secondary outcomes), relative to an Enhanced-Treatment-as- Usual condition; and, (2) To examine the degree to which retention in HIV care and virologic suppression are mediated by (a) increased HIV acceptance (and decreased HIV experiential avoidance) and (b) increased willingness to disclose HIV status.
Role: Project Coordinator
3. R01 AA028186 (Abrantes/Stein) 9/1/2020-6/30/2025
NIAAA
Testing a lifestyle physical activity intervention for women with depression in alcohol treatment
The goal of this Project is to test the efficacy of a 12-week LPA+Fitbit intervention among women in alcohol treatment with depression, designed to reduce alcohol relapse, negative alcohol-related consequences, depressive symptoms and increase physical activity.
Role: Project Coordinator, Interventionist Supervisor

4. R01 DA052907 (Abrantes/Stein) 9/30/21-6/30/24
 NIDA
 Methadone-Maintained Smokers Switching to E-Cigarettes
 The goal of this project is to test the potential behavioral and health effects of electronic cigarettes in smokers with opioid use disorder.
 Role: Project Coordinator

Completed Research Support

1. R01 MH61141 (Stein) 10/1/99-9/30/03
 NIMH
 Antidepressant Treatment to Reduce HIV Risk among IDUs.
 To determine if combined antidepressant medication plus individual cognitive behavioral treatment will reduce depressive symptom scores among needle exchange clients.
 Role: Project Coordinator, Intervention Development, Interventionist, Supervisor, Quality Control
2. R01 MH62719 (Stein) 9/30/00-8/31/05
 NIMH
 Antidepressant Treatment to Maintain HIV Risk Reduction Among IDU's
 To determine if antidepressant medication will maintain safe injection behaviors among needle exchange clients.
 Role: Project Coordinator, Quality Control
3. R01 DA13759 (Stein) 09/20/00-08/31/06
 NIDA
 A Trial to Reduce Hepatitis C Among Injection Drug Users
 To test if a brief motivational intervention will reduce the cumulative incidents of hepatitis C virus.
 Role: Project Coordinator, Intervention Development, Interventionist, Supervisor, Quality Control
4. R01 MH63051 (Stein) 09/30/00-08/31/06
 NIMH
 Adapting to HIV Disease - A Family Intervention
 To develop a family-based, telephone administered intervention for HIV-infected patients and their families.
 Role: Project Coordinator, Interventionist
5. R01CA084392 (Stein) 06/1/01 -05/31/07
 NCI
 Smoking Cessation Among Methadone Maintained Smokers
 The goal of this project is to evaluate a motivational intervention compared to a brief intervention to help methadone maintained smokers to quit smoking.
 Role: Intervention Development, Supervisor, Quality Control
6. R01 DA18954 (Stein) 10/01/04-09/30/10
 A Brief Marijuana Intervention for Adolescent Women
 NIDA/NIH

The goal of this project is to assess marijuana use and sexual HIV/STI risk behaviors in young women and determine if a brief marijuana intervention and a one-month booster session will result in less marijuana use and less sexual risk taking at follow-up relative to standard care.

Role: Intervention Development, Supervisor, Quality Control

7. R01 DA022207 (Stein) 09/25/06-09/24/11
NIDA
Antidepressants During Office Based Buprenorphine
To determine whether escitalopram treatment of depressive symptoms increases treatment retention among opioid dependent patients initiating office-based buprenorphine.
Role: Project Coordinator
8. R01 CA129226 (Stein) 09/01/08-08/31/13
Varenicline vs. Nicotine Replacement Therapy in Methadone-Maintained Smokers
To compare the efficacy of varenicline vs. NRT for individuals in methadone maintenance for smoking cessation.
Role: Project Coordinator
9. RO1 MH04757 (Safren) 03/01/09-8/31/13
NIMH
Efficacy of CBT for Adherence and Depression in HIV Care Settings
The goal of this project is to compare the efficacy of a CBT for medication adherence alone to a CBT for adherence and depression for HIV+ individuals with depression.
Role: Independent Assessor
10. R34 DA032767 (Stein) 02/01/12-1/31/15
NIDA
Distress Tolerance and Reducing Early Relapse in Buprenorphine Patients
The goal of this project is to develop and test a Distress Tolerance treatment as an adjunct to buprenorphine treatment to reduce early opioid relapse.
Role: Project Coordinator
11. R21NR013438 (Uebelacker/Stein) 7/1/12-6/30/15
NINR
Treating Chronic Pain and Depression in HIV Patients in Primary Care Settings
The goal of this project is to develop and pilot test a behavioral intervention for patients with pain and depression who are currently receiving HIV care.
Role: Project Coordinator
12. RO1 DA026223 (Stein) 04/15/09-03/31/16
NIDA
Linkage of Hospitalized Opioid Users to Buprenorphine
The goal of this project is to determine if buprenorphine, initiated during hospitalization and continued after discharge, will reduce injection-related HIV risk behavior compared to an in-hospital detoxification condition among injection drug users.
Role: Project Coordinator
13. R01 AA020509 (Stein) 09/15/11-08/31/16
NIAAA

Reducing STIs in Emerging Adults Who Use Alcohol and Marijuana

The goal of this project is to determine if a brief motivationally-focused alcohol and marijuana intervention will lower STI incidence in community-based emerging adults, ages 18-25.

Role: Intervention Development, Supervisor, Quality Control

14. R34DA032800 (Weisberg/Stein) 9/15/12-8/31/16
NIDA
Treating Chronic Pain in Buprenorphine Patients in Primary Care Settings
The goal of this project is to develop a collaborative therapy for buprenorphine patients with chronic pain and depressive symptoms toward the target of reducing behavioral avoidance and increasing behavioral activation.
Role: Project Coordinator
15. R21DA038203 (Stein/Weisberg) 9/1/14-8/31/16
NIDA
Behavioral Consultation for HIV+ Older Adults Prescribed Opioids for Chronic Pain
This project will develop a collaborative, brief, behavioral consultation intervention targeting misuse of prescribed opioid analgesics in older HIV+ adults.
Role: Project Coordinator
16. R01DA034261 (Stein) 9/15/12-7/31/18
NIDA
Linking Opioid Dependent Patients from Inpatient Detoxification to Primary Care
To determine if buprenorphine, initiated during inpatient detoxification and continued after discharge (LINKAGE), will reduce illicit opioid use and health service use compared to a buprenorphine detoxification (DETOX) condition among opioid dependent drug users.
Role: Project Coordinator
17. R21AA025193 (Stein) 8/1/17-7/31/19
A Machine Learning Approach for Inferring Alcohol Intoxication Levels from Gait Data
To research and develop a new smartphone application, AlcoGait 2.0 that uses a machine learning approach to passively analyze gait and trunk sway data in order to accurately determine and record BrAC levels.
Role: Project Coordinator, Quality Control
18. R01AA023726 (Stein/Pinkston) 9/20/14-6/30/19
NIAAA
Comparing Brief Alcohol Interventions For HIV-HCV Co-infected Persons
This comparative effectiveness trial will compare two efficacious brief alcohol interventions, Brief Advice and Motivation Interviewing, in reducing drinking among HIV-HCV co-infected patients.
Role: Project Coordinator, Intervention Development, Interventionist, Supervisor, Quality Control
19. R01DA034957 (Stein) 6/15/13-4/30/19
NIDA
Preventing Bacterial and Viral Infections Among Injection Drug Users
This randomized controlled trial (RCT) compares the Skin and Needle Hygiene Intervention (SKIN) to an assessment-only condition (both groups receive rapid HIV testing, a review of testing results, and brief HIV prevention counseling) among 350 hospitalized injection drug users.
Role: Project Coordinator

20. R34DA039291 (Stein) 3/01/16-2/28/20
 NIDA
 Neuroimaging Predictors of Relapse During Treatment for Opiate Dependence
 To test whether fMRI activity will yield more sensitive markers of relapse relative to behavioral and subjective measures for persons with opioid use disorder initiating buprenorphine treatment.
 Role: Project Coordinator
21. R01 NR015977 (Stein/Uebelacker) 6/1/16-3/31/21
 NINR
 Improving Functioning in HIV Patients with Chronic Pain and Comorbid Depressive Symptoms
 The goal of this project is to compare HIV-PASS to HE on the primary outcome variable: interference with physical and psychosocial.
 Role: Interventionist, Staff
22. TrainingU01AT010863 (Uebelacker/Stein) 4/1/20-3/31/25
 NCCIH
 Optimization and multi-site feasibility of yoga for chronic pain in people in treatment for opioid use disorder
 A clinical trial to develop an optimized yoga intervention package using a multiphase optimization strategy (MOST) for persons with opioid use disorder who have chronic pain.
 Role: Project Co-coordinator
23. R21 DA052133 (Abrantes/Stein) 4/1/21-3/31/23
 NIDA
 Examining Highly Palatable Food Consumption upon Initiation of Methadone Maintenance Treatment
 The goal of this project is to explore and evaluate substance and food consumption in individuals in early recovery from substance use during MMT.
 Role: Project Coordinator

UNIVERSITY TEACHING ROLES

2022-2023	Mentor, Gateways Program, Alpert Medical School of Brown University
2020-present	Faculty, Doctoring Program, Alpert Medical School of Brown University
2019-present	Supervisor, ADP Rotation, Clinical Psychology Resident Program, Brown University
2016-present	Presenter, Adult Track Seminar Series, Clinical Psychology Resident Program, Brown University
2013-2022	Coordinator, Adult Track Seminar Series, Clinical Psychology Resident Program, Brown University
2019-2021	Supervisor, ADP Rotation, Clinical Psychology Post-Doctoral Program, Brown University
2006-2019	DGIM Resident Block; Trauma and PTSD lecture/discussion

PROFESSIONAL EXPERIENCE

2024-present **Aging with Intention**, Founder and Leader
2024-present **Mental Health Team**, Camp Ramah New England Sasson Weekends
2024, Summer **Faculty**, ItaliaInnovation
2005-present **Center for Psychotherapy**, Providence, RI
 Private Practice, Sole Proprietor
2022 **Certification: Leader as Coach Executive Program**
 Brown University School of Professional Studies
2017-2023 **Volunteer Counselor**, Planned Parenthood of Southern New England
2020-present **Board Member** (General Board, Governance), Jewish Community Day School of
 Rhode Island
2021 **Mentor**, Junior Research Project, Classical High School student
