Electronic Mail Address: Gyan_Pareek@brown.edu

EDUCATION

Undergraduate: University of Pittsburgh, Pittsburgh, PA
Bachelor of Science in Neuroscience, 1991

Graduate: Roswell Park Cancer Institute, SUNY at Buffalo
Buffalo, NY
Master of Science, 1993

Brown University
Providence, RI
Master of Arts ad eundem, 2014

Harvard Medical School
Boston, MA 2018-Current
Harvard Certificate in Leadership

Medical School: St. George's University School of Medicine,
M.D., 1998

POSTGRADUATE TRAINING

Residency: Lenox Hill Hospital, New York, NY
Surgery (PGY1), 7/1/1998-6/30/1999

Lenox Hill Hospital, New York, NY
Surgery (PGY2), 7/1/1999-6/2000

Lenox Hill Hospital, New York, NY
Urology, 7/1/2000-6/30/2004

Fellowship: Laparoscopy and Endourology, University of Wisconsin, Madison, WI
Clinical Instructor, 7/1/2004-6/30/2005

POSTGRADUATE HONORS AND AWARDS

- 2004 American Urological Association Pfizer Scholar
- 2005 Annual Essay Contest, Second Place, “Basic Science” and “Elastographic Measurements of In-Vivo Radiofrequency Ablation Lesions of the Kidney.” Endourological Society, Amsterdam, Netherlands
- 2006 Urology (Gold Journal) Essay Contest, Second Place, “Shockwave Lithotripsy Success Based on Skin to Stone Distance on Computed Tomography.” American Urological Association, Atlanta, Georgia
- 2009 The Dean’s Excellence in Teaching Award,
“*Urology Clinical Elective*”,
Alpert Medical School of Brown University
- 2011 The Dean’s Excellence in Teaching Award,
“*Urology Clinical Elective*”,
Alpert Medical School of Brown University
- 2014 The Dean’s Excellence in Teaching Award,
“*Doctoring*”,
Alpert Medical School of Brown University
- 2014 Awarded Master of Arts ad eundem
Brown University
- 2014 Rhode Island Top Doctor – RI Monthly
- 2015 Rhode Island Top Doctor – RI Monthly
- 2015 Arthur and Joyce Hurvitz Quality Improvement Award
The Miriam Hospital, Providence RI
1st Place
- 2016 The Miriam Hospital Foundation Grant Award on Proteomic Analysis
of Urine in Stone Formers
- 2017 Chosen Member of Team USA: TransAtlantic Leaders in Endourologic
Technologies (TALENTS) (total team 25 urologists).

2019 Rhode Island Top Doctor – RI Monthly
C.A.R.E. Award, The Miriam Hospital, Excellence in Patient Care
Gold Award in Patient Care
Reisman Family Teaching Award, The Miriam Hospital

ACADEMIC APPOINTMENTS

2004-2005	Clinical Instructor, Department of Surgery, Division of Urology, University of Wisconsin Medical School, Madison, Wisconsin.
2005-2012	Assistant Professor of Surgery (Urology), The Warren Alpert Medical School of Brown University, Providence, RI, 2005- 2013.
2012-present	Associate Professor of Surgery (Urology), The Warren Alpert Medical School of Brown University, Providence, RI, 2013-2019.
2010-present	Director, Endourology Fellowship (non-ACGME sub-specialty), The Warren Alpert Medical School of Brown University, Providence, RI 2010-present.
2019-present	Professor of Surgery (Urology) and Medicine, The Warren Alpert Medical School of Brown University, Providence, RI 2019-present

HOSPITAL APPOINTMENTS

2005- Present Rhode Island Hospital, Staff Urologist, Division of Urology

2005-Present Veterans Administration Hospital, 2005-present

2005-Present Women and Infants' Hospital, Providence, Consultant

2005-Present Memorial Hospital of Rhode Island, Courtesy Staff

2005-Present The Miriam Hospital, Consultant

2005-Present Hasbro Children's Hospital

2007-Present Director: Minimally Invasive Urologic Surgery, Department of Surgery, Division of Urology, Rhode Island Hospital/The Miriam Hospital, Providence, RI

2013-Present Director: The Kidney Stone Center, The Miriam Hospital Providence, RI

2013-Present Co-Director: Minimally Invasive Urology Institute, The Miriam Hospital, Providence, RI

OTHER APPOINTMENTS

2000-Present Journal Reviewer: Journal of Endourology

2005-Present Journal Reviewer: Journal of Urology

2005-Present Journal Reviewer: Urology

2005-Present Journal Reviewer: Canadian Journal of Urology

2005-Present Journal Reviewer: Journal of Pediatric Urology

HOSPITAL COMMITTEES

GRANTS

1. Surgical Associates Grant:#11222, Dept. of Surgery, University of Wisconsin Medical School, principle investigator
Funding period: 2007
Amount: \$12,000.00

2. Unrestricted Educational Grant, Endocare, Inc., Section of Minimally Invasive Urologic Surgery, author of grant application
Funding period: 2009
Amount: \$10,000.00
3. Unrestricted Educational Grant, KStorz, Inc., Section of Minimally Invasive Urology Surgery, author of grant application
Funding period: \$5k in 2009, 5k in 2010, and 7.5k in 2011, 7.5K in 2012, 10k in 2013
Amount: \$35,000.00
4. STAC Grant: The Rhode Island Science and Technology Advisory Council Award, Co-investigator
Funding period: 2010
Total Grant Amount: \$200,000.00
Sub-award Amount: \$27,233.00
5. Shockwave Lithotripsy for the Treatment of Erectile Dysfunction
Medispec, Inc, Principal Investigator
Funding period: 2011-2013
Total Grant Amount \$221,000
Funded through: Pharma Resource, a subsidiary of Infusion Resource
6. Overactive Bladder Trial
Pfizer, Inc, Sub-Investigator
Funding Period: 2011-2012
Total Grant Amount: \$50,000
Funded through: Pharma Resource, a subsidiary of Infusion Resource
7. Intravesical Therapy for High Grade Bladder Cancer
Endo Pharma, Inc, Sub-Investigator
Funding Period: 2011-2012
Total Grant Amount: \$250,000
Funded through: Pharma Resource, a subsidiary of Infusion Resource
8. Anticholinergic Therapy following RALRP
Astellas, Inc, Principal Investigator
Funding period 2012-2013
Total Grant Amount \$200,000
Funded through: Pharma Resource, a subsidiary of Infusion Resource
9. STONE Study – A Multi-Institutional Study
RIH Emergency Medicine, Sub-Investigator
Funding Period: 2010-2013
(2.5% per calendar year effort)
Total Grant Amount Unknown

10. Unrestricted Educational Grant, Ferring, Inc., Rhode Island Urologic Society, author of grant application
Funding Period 2012
10,000.
11. ALLN-117 Kidney Stone Study
Allena Pharma, Principal Investigator
Funding period 2014- 2015
Total Grant Amount \$200,000
Funded through: Omega Medical Research
12. Unrestricted Educational Grant, Photocure, Inc., Minimally Invasive Urology Institute, author of grant application
Funding Period: 2015
\$6,000.00
13. ALLN-117 Phase 2b
Allena Pharma, Principal Investigator
Funding period 2015-2016
Total Grant Amount \$200,000
Funded through: Omega Medical Research
14. ALLN-117 Phase 2c
Allena Pharma, Principal Investigator
Funding period 2015-2016
Total Grant Amount \$200,000
Funded through: Omega Medical Research
15. BPH/Nocturia Study
Vantia Pharma
Funding Period 2016-2018
Total Grant Amount \$250,000
Funding through: Omega Medical Research
16. Proteomic Analysis of Urine in Low and High Risk Stone Formers
The Miriam Hospital Foundation
Funding Period 2016-2017
Total Grant Amount \$50,000
Funding Through TMH Foundation/Lifespan
17. Cystinuria: Phase 2 Study, Dose Escalation Trial Utilizing Bucillamine
Revive Pharma
Funding Period 2017-Current
Total Grant Amount 250,000
Funding through: Omega Medical Research

18. ALLN-117 Phase 3
Allena Pharma, Principal Investigator
Funding period 2018-Present
Total Grant Amount \$200,000
Funded through: Omega Medical Research
19. Proteomic Analysis of Urine in Low and High Risk Stone Formers
The Miriam Hospital Foundation
Funding Period 2017-2018
Total Grant Amount \$40,000
Funding Through TMH Foundation/Lifespan

HOSPITAL TEACHING ROLES

1. Grand Rounds, Rhode Island Hospital, Division of Urology, 2005.
Topics include:
ESWL, January 11, 2005
Endourology/Percutaneous Renal Surgery I, October 1, 2005
Endourology/Percutaneous Renal Surgery II, November 23, 2005
2. Grand Rounds, Rhode Island Hospital, Division of Urology, 2006.
Topics include:
Complications of Laparoscopy in Urology, May 17, 2006.
Upper Tract Anatomy, October 11, 2006.
Robotic Prostatectomy, November 15, 2006
3. Grand Rounds, Rhode Island Hospital, Division of Urology, 2007.
Topics include:
Lower Tract Anatomy, January 17, 2007
Tips and Trick for Laparoscopic Suturing, April 20, 2007
Management of Acute Stone Disease, June 13, 2007
Renal Cystic Diseases, September 16, 2007
Introduction to Laparoscopy and Suturing, October 19, 2007
4. *The daVinci Prostatectomy*, The Miriam Hospital, Department of Nursing, Providence, RI, April 4, 2007
5. Grand Rounds, Rhode Island Hospital, Division of Urology, 2008.
Topics include:
Shockwave Lithotripsy, April 23, 2008
Laparoscopy – Tips and Tricks, followed by Animal Lab Session, May 8, 2008
Management of Stone Disease, August 6, 2008
Metabolic Stone Evaluation, December 18, 2008
6. Wound Healing Animal Lab Session, Proctor, Division of Urology, Rhode Island Hospital, October 9, 2008
7. Resident Research Meeting Moderator, Division of Urology, Rhode Island Hospital, 2008 – 2011.

8. Grand Rounds, Division of Urology, Rhode Island Hospital, 2009.
Topics include:
 Shockwave Lithotripsy, May 20, 2009
 Acute Stone Management, August 26, 2009
 BPH, September 23, 2009
 Metabolic Stone Evaluation, October 21, 2009
9. Medical Management of Urolithiasis, AUA Updates, Division of Urology, Rhode Island Hospital, January 7, 2009.
10. Microwave Therapy for BPH, AUA Updates, Division of Urology, Rhode Island Hospital, February 4, 2009.
11. SASP Didactic Session, Division of Urology, Rhode Island Hospital, February 11, 2009.
12. Complications of Ureteroscopy, AUA Updates, Division of Urology, Rhode Island Hospital, April 8, 2009.
13. Ureteral Stents, AUA Updates, Division of Urology, Rhode Island Hospital, April 8, 2009.
14. Irreversible Electroporation (IRE) Animal Lab Session, Division of Urology, Rhode Island Hospital, June 26, 2009.
15. Laparoscopy – Tips and Tricks, followed by Animal Lab Session, Division of Urology, Rhode Island Hospital, October 15, 2009.
16. *Robot-assisted Laparoscopy: Update on Urologic Applications*, Department of General Surgery Grand Rounds, Warren Alpert Medical School, March 2, 2010
17. Laparoscopy – Tips and Tricks, followed by Animal Lab Session, Division of Urology, Rhode Island Hospital, March 18, 2010.
18. Grand Rounds, Division of Urology, Rhode Island Hospital, 2010.
Topics include:
 Emergent Stone Management, August 27, 2010
19. Endourology Panel Discussion: Complex Cases. August Zabbo, MD Distinguished Lectureship, Westin Hotel, Providence, Rhode Island, October 2010.
20. Director, August Zabbo, MD Distinguished Lectureship – 2010 – 2011.
21. Grand Rounds, Division of Urology, Rhode Island Hospital, 2011.
Topics include:
 Metabolic Stone Evaluation, February 2011
 Endourologic Management of Upper Tract TCC, April 6, 2011

Emergent Stone Management, August 24, 2011

22. Urologic Complications in the Kidney Transplant Patient, Grand Rounds, Section of Organ Transplantation, Rhode Island Hospital, May 27, 2011.
23. Endourology Panel Discussion: Complex Cases. August Zabbo, MD Distinguished Lectureship, Westin Hotel, Providence, Rhode Island, September, 2011.
24. Grand Rounds, Rhode Island Hospital, Division of Urology, 2012.
Topics include:
 - Acute Stone Disease
 - Metabolic Stone Evaluation
 - An Update on Shockwave Lithotripsy (SWL)
25. Laparoscopy – Tips and Tricks, followed by Animal Lab Session, Division of Urology, Rhode Island Hospital, March 1, 2012 & October 24, 2012.
26. Grand Rounds, Rhode Island Hospital, Division of Urology, 2013.
Topics include:
 - Acute Stone Disease
 - Metabolic Stone Evaluation
 - An Update on Shockwave Lithotripsy (SWL)
27. Journal Club Session Leader, Division of Urology, Rhode Island Hospital, once per year, 2005-Present.
28. Uroradiology Moderator, Division of Urology, Rhode Island Hospital, three times per year, 2007-2016
29. Grand Rounds, Rhode Island Hospital, Division of Urology, 2014.
Topics include:
 - Acute Stone Disease
 - Metabolic Stone Evaluation
 - Complications of PNL
30. Grand Rounds, Rhode Island Hospital, Division of Urology, 2015.
Topics include:
 - Acute Stone Disease
 - Metabolic Stone Evaluation
 - Complications of PNL
 - BPH
31. Grand Rounds, Rhode Island Hospital, Division of Urology, 2015.
