CONFERENCE PRESENTATIONS

For these presentations, a proposal was submitted, peer reviewed, and selected for presentation.

REGIONAL

1. Co-facilitator, “Bedside Presentations: Helpful Strategies to Maximize Teaching, Improve Direct Learner Observation and Fully Engage Patients”. Workshop, Faculty Development Series, The Warren Alpert Medical School of Brown University, February 2017
2. Speaker, “Improving Formal Didactic Teaching on Internal Medicine wards: An Elusive Dream or a Tangible Goal?”, Medical Education Scholarship Poster session

with oral presentation, The Warren Alpert Medical School of Brown University,
Providence, RI. May 2021

ACTIVE GRANTS

1. A brief intervention to improve the quality and quantity of feedback provided to the Internal Medicine Inpatient services

Granting Agency: Division of General Internal Medicine
Amount: \$2,500.00
Date: July 2021
Role: Principal Investigator

COMPLETED GRANTS

1. Internal Medicine Residency Bedside Acute Assessment & Procedure Training at Lifespan Simulation Center

Granting Agency: Warren Alpert Foundation
Amount: \$124,990.00
Date: December 1, 2020
Role: Core Faculty

2. Faculty Development Curriculum in Point-of-Care Ultrasound: Building Clinical Education Capacity among Internal Medicine Faculty

Granting Agency: Brown Physicians, Inc./ Department of Medicine Chair's Research and Education Program
Amount: \$12,500.00
Date: June 19, 2020
Role: Core Faculty

3. Internal Medicine Residency Bedside Acute Assessment and Procedure Training at Lifespan Simulation Center

Granting Agency: Rhode Island Risk Services
Amount: \$34,400.00
Date: August 14, 2020
Role: Core Faculty

UNIVERSITY TEACHING, ADVISING AND MENTORING ROLES

Teaching

Warren Alpert Medical School of Brown University
OSCE Director, Clerkship in Internal Medicine, BioMed 3001
October 2017- present

Course Director, Sub Internship in Internal Medicine, BioMed 3333
October 2018- present

Warren Alpert Medical School of Brown University
Course Director, Interprofessional Practice: A Nursing Perspective, BioMed 3517

November 2020- present

Curriculum Development

Warren Alpert Medical School of Brown University
Core Clerkship in Internal Medicine, Biomed 3001
Teacher, Problem Based Learning Sessions on “Upper Gastrointestinal Bleeding”,
“Cirrhosis”, “Acute Pancreatitis” and “Atrial Fibrillation”
Quarterly sessions
Students in each session: 12
2014-present

Warren Alpert Medical School of Brown University
Medical Education Scholarly Concentration
Seminar Series Faculty
Annual session on Bedside Teaching
Students in session: 6-8
2016-present

Warren Alpert Medical School of Brown University
Lecturer, Longitudinal Integrated Clerkship in Internal Medicine, Biomed 3005
Annual Lecture on “Gastrointestinal Bleeding” and “Lung and Colon cancers”
Students in session: 20
2019

Responsibilities include development and presentation of the session listed above

Warren Alpert Medical School of Brown University
Internship Prep Course, Biomed 5990
IPC-4313 - Internal Medicine Emergencies, Section on “Gastrointestinal Bleeding”
Session faculty
Students in session: 67
2019-present

Responsibilities include development and presentation of the session listed above

Warren Alpert Medical School of Brown University
Lecturer, Longitudinal Integrated Clerkship in Internal Medicine, Biomed 3005
Annual Lecture on “Gastrointestinal Bleeding” and “Atrial Fibrillation”
Students in session: 20
2020 - Present

Responsibilities include development and presentation of the session listed above

HOSPITAL TEACHING, ADVISING AND MENTORING ROLES

Undergraduate Medical Education – Clinical Students

Teaching

Lewis Katz School of Medicine at Temple University
Core Clerkship in Internal Medicine
Temple University Hospital

Students under direct supervision: 60
2009-2013

Warren Alpert Medical School of Brown University, Biomed 3001
Core Clerkship in Internal Medicine
The Miriam Hospital
Students under supervision: 10
August 2013 – July 2014

Warren Alpert Medical School of Brown University, Biomed 3333
Acting Internship in Internal Medicine
The Miriam Hospital
Students under direct supervision: 3
August 2013 – July 2014

Warren Alpert Medical School of Brown University, Biomed 3001
Core Clerkship in Internal Medicine
Rhode Island Hospital
Students under direct supervision: 20
August 2014- Present

Warren Alpert Medical School of Brown University, Biomed 3333
Acting Internship in Internal Medicine
Rhode Island Hospital
Students under direct supervision: 10
August 2014 – Present

Warren Alpert Medical School of Brown University, Biomed 3333
Observed Structured Clinical Skills Exam (OSCE) internal medicine clerkship
2014-present
Faculty
Responsibilities include assessment of student oral presentations, grading OSCE station

Curriculum Development

Warren Alpert Medical School of Brown University, Biomed 3001
Core Clerkship in Internal Medicine
Problem-Based Learning Sessions
2014-present
12-15 sessions/year; 1.0 hour/session
20+ learners / session
Responsibilities include curriculum design, implementation and leading these PBL sessions for every block of clerkship students; ongoing revision of these PBL sessions

Director of the Observed Structured Clinical Skills Exam (OSCE)
Core Clerkship in Internal Medicine
Warren Alpert Medical School of Brown University
2017-Present

Responsibilities include development of new OSCE cases and corresponding grading rubrics (Atrial Fibrillation, Heart failure, Fatigue, Diabetes Management, Altered mental status); standardized patient training; grading OSCE stations; final score calculations

Warren Alpert Medical School of Brown University
Course Director, Interprofessional Practice: A Nursing Perspective, BioMed 3517
November 2020- present

Responsibilities include creating the structure of the elective including setting up shadowing sessions for the students; review of the submitted reflections pieces by the students and submitting grades for the course

Graduate Medical Education – Resident Teaching, Advising and Mentoring Roles

Teaching

Rhode Island Hospital/Brown University Internal Medicine Residency Program
General Internal Medicine Ward Attending Physician
5 months per year (previously 6-7 months per year)
August 2014 – Present

Responsibilities include patient care, teaching, and supervision of house staff and clinical student team

Center for Primary Care (Resident Clinic) Attending Physician
3 sessions per week (previously 5-6 sessions per week)
August 2014 – Present

Responsibilities include patient care, teaching, and supervision of house staff; delivery of pre-clinic conference (2-4/month)

General Internal Medicine Journal Club
Co-presenter
1 session/year
2016-2020

Rhode Island Hospital/ Brown University Internal Medicine Residency Program
Core Faculty for the Point of Care Ultrasound sessions for the Residents
1 session per month
February 2021 – Present

Rhode Island Hospital/ Brown University Internal Medicine Residency Program
Track Mentor, Internal Medicine Residencies Clinician Educator Track
Responsibilities include participation in monthly seminars, curriculum design, and mentorship of residents completing the track
September 2021 - Present

Advising and Mentoring

Rhode Island Hospital/ Brown University Internal Medicine Residency Program
Clinical Educator Track faculty advisor for residents
Project mentorship
October 2015 – 2018
Residents: Scott Vasher, Kavin Patel, David Louis

Rhode Island Hospital/ Brown University Internal Medicine Residency Program
Research project mentorship
Resident: Rebecca Cangemi, October 2018- June 2020
Project: Improving the quality of discharge summaries by the Internal medicine residents

Rhode Island Hospital/ Brown University Internal Medicine Residency Program
Research project mentorship
Resident: Brian Liu, January 2019- June 2021
Project: Telemetry Practices Among Physicians and Nurses at Rhode Island Hospital

Center for Primary Care/ Brown University Internal Medicine Residency Program
PCP General
July 2017 – Present
Advisor for EPIC InBasket management related to patient panel of 5-6 residents per year.

General Internal Medicine Faculty Advisor
Career Advising
2021
Advisee: Brian Dougherty

Rhode Island Hospital/ Brown University Internal Medicine Residency Program
Track Mentor, Internal Medicine Residencies Clinician Educator Track
Responsibilities include semi-annual meetings with mentees, 2-3 residents mentored per class per year
Mentees: Rei Mitsuyama, Aishwarya Vishwanath
September 2021 - Present

Curriculum Development

Rhode Island Hospital/ Brown University Internal Medicine Residency Program
Internal Medicine Intern Orientation Clinical Skills Workshop
Co-facilitator, Presenting at The Patient's Bedside
June 2017 – 2019

Rhode Island Hospital/ Brown University Internal Medicine Residency Program
Inpatient Curriculum Committee, Chair
April 2019 – Present
Responsibilities include coordination of and reviewing, creating, and editing lectures created as part of the inpatient curriculum for the Internal Medicine residency. Coordination of dissemination and implementation of the curriculum across other teaching sites for the residency

Rhode Island Hospital/ Brown University Internal Medicine Residency Program
Core Faculty for the Point of Care Ultrasound sessions for the Residents
1 session per month
February 2021 - Present
Responsibilities include creating and teaching material for the Paracentesis station at the SIM center

Rhode Island Hospital/ Brown University Internal Medicine Residency Program
“IM Better” Noon Conference series
Co-founder

4-6 sessions per year

April 2021 – Present

Responsibilities include curriculum design and implementation of sessions that focus on improving the practice of Internal medicine amongst the Internal medicine residents in the Brown University Internal Medicine Residency Program

Rhode Island Hospital/ Brown University Internal Medicine Residency Program

Co-instructor, Things We Do For No Reason session

Part of IM Better Noon Conference Series

2 sessions planned per year

January 2022

Rhode Island Hospital/ Brown University Internal Medicine Residency Program

Co-instructor, Improving Patient Communication session

Part of IM Better Noon Conference Series

2 sessions planned per year

November 2021

ADDITIONAL TEACHING AND MENTORSHIP

Mentor for Master's Student for the Gateway to Healthcare program, The Warren Alpert Medical School of Brown University, Providence, RI. July 2019- May 2020; Student: Aditi Singh

Rhode Island Hospital/ Brown University Internal Medicine Residency Program

Research project mentorship and collaborator

Pharmacist: Shawn Whitehead, March 2021- Present

Project: Improving medication reconciliation practices amongst the Internal Medicine residents
