

CURRICULUM VITAE
JACK COLIN RUSLEY, MD, MHS

Rhode Island Hospital / Hasbro Children's Hospital
Division of Adolescent Medicine
593 Eddy Street
Providence, RI 02903
(401) 215-0102 (cell)
(401) 444-4712 (office)
jack.rusley@brownhealth.org

EDUCATION

Undergraduate

Bachelor of Arts, Education Studies	1999-2003
Brown University, Providence, Rhode Island	

Medical School

Doctor of Medicine	2005-2008, 2009-2010
Alpert Medical School of Brown University, Providence, Rhode Island	

Other Advanced Degrees

Master of Health Science	2014-2016
Johns Hopkins Bloomberg School of Public Health	
Department of Population, Reproductive, and Family Health	
Baltimore, Maryland	

POSTGRADUATE TRAINING

Residency

Internal Medicine and Pediatrics (Med-Peds)	2010-2014
Tufts University School of Medicine	
Maine Medical Center, Portland, Maine	

Fellowships

Doris Duke Clinical Research Fellowship	2008-2009
Yale University School of Medicine, New Haven, Connecticut	
- Mentors: Krystn Wagner, MD, PhD; Warren Andiman, MD	

Adolescent Medicine Clinical Fellowship
Johns Hopkins University School of Medicine, Baltimore, Maryland

2014-2016

POSTGRADUATE HONORS AND AWARDS

Gold Humanism Honor Society
Alpert Medical School of Brown University, Providence, Rhode Island

May 2008

Resident role model for ethical and professional behavior
Pediatric clerkship students
Maine Medical Center, Portland, Maine

May 2012

Renee R. Jenkins, MD Racial Justice and Health Equity Award
Society of Adolescent Health and Medicine (SAHM)
Project: Youth of color, mental health, and school resource officers: A qualitative evaluation

March 2023

Selected participant, NIH Summer Institute for Randomized Trials of
Behavioral Interventions, Madison, WI

August 2024

Overall Winner, Research Award
Providence/Boston Center for AIDS Research (CFAR)
Project: "Parent-related barriers and facilitators to parental willingness to support PrEP use among adolescents"

March 2025

PROFESSIONAL LICENSES AND BOARD CERTIFICATION

RI Board of Licensure, Physician, #MD15912, expires 6/30/24
Federal Drug Enforcement Agency (DEA) certification, FR4697655, expires 4/30/26
RI Controlled Dangerous Substances (CDS) certification, #CMD15912, expires 6/30/24
American Board of Pediatrics
Certified in General Pediatrics as of 10/9/14, #111515
Certified in Adolescent Medicine as of 5/31/18, #722

ACADEMIC APPOINTMENTS

Assistant Professor
Associate Professor
Division of Adolescent Medicine
Department of Pediatrics
Alpert Medical School of Brown University

July 2017-June 2024
July 2024-present

Assistant Professor
Associate Professor
Department of Health Services, Policy and Practice
Brown University School of Public Health

Dec 2017-June 2024
July 2024-present

HOSPITAL APPOINTMENTS

Staff physician July 2014-June 2016
Mountain Manor Inpatient Drug Treatment Center
Baltimore, Maryland

Staff physician July 2014-June 2017
Pediatric Inpatient Rehabilitation Unit
Kennedy Krieger Institute, Baltimore, Maryland

Attending physician July 2017-present
Rhode Island Hospital/Hasbro Children's Hospital, Providence, Rhode Island

CLINICAL APPOINTMENTS AND ROLES

Adolescent Medicine primary and specialty care physician July 2017-present
Adolescent Healthcare Center, Hasbro Children's Hospital, Providence, Rhode Island

- Focus areas: primary care, sexual and reproductive health
- Other areas of expertise: gender-affirming primary care, eating disorder care in primary care, quality improvement

Associate Medical Director for Primary Care 2017-2022
Primary Care Medical Home (PCMH) Kids program physician champion
Adolescent Healthcare Center, Hasbro Children's Hospital, Providence, Rhode Island

- Lead in achieving PCMH designation for our practice, as well as recertification

Inpatient attending physician July 2017-present
Adolescent Medicine service, weekends
Hasbro Children's Hospital, Providence, Rhode Island

Consultant attending physician July 2017-present
Medicine-Psychiatric (Selya 6) Adolescent Inpatient Unit
Hasbro Children's Hospital, Providence, Rhode Island

Consultant attending physician Sept 2017-May 2020, Nov 2022 – Oct 2023
Rhode Island Training School (juvenile detention facility), Cranston, Rhode Island

OTHER APPOINTMENTS

Math and Science Teacher Sept 2003-June 2005
Innovation Academy Charter School, Chelmsford, Massachusetts

Ad-hoc Reviewer 2018-present
BMJ Open, JAIDS, AIDS Care, Journal of Adolescent Health, Pediatric Quality and Safety,
Journal of Infectious Diseases, Social Science and Medicine, International Journal of STD and
AIDS

Director of Research, Division of Adolescent Medicine 2021-present

Hasbro Children's Hospital, Providence, Rhode Island

Affiliated member, Brown Research on Implementation and Dissemination to Guide Evidence Use (BRIDGE) Program 2022-present

Member of NIH Study Section, HIVD July 2025
Early Career Reviewer Program

Faculty reviewer, fellow presentations Nov 2025
Brown Initiative in HIV and AIDS Clinical Research for Disadvantaged (Underrepresented) Communities. In-person.

- Fellows from Dr. Amy Nunn's R25 training program are either from or working in underserved communities to conduct research related to reducing racial disparities in HIV diagnosis, treatment, and access to care.

HOSPITAL COMMITTEES

Diversity, Equity, and Inclusion Committee
Division of Adolescent Medicine, Hasbro Children's Hospital, Providence, Rhode Island
Co-chair 2020-2022
Member 2023-present

Diversity, Equity, and Inclusion Committee, Member 2020-2021
Department of Pediatrics, Hasbro Children's Hospital, Providence, Rhode Island

Pediatric and Internal Medicine-Pediatrics (Med-Peds) Departments 2018-present
Residency Programs, Candidate Interviewer
Hasbro Children's Hospital, Providence, Rhode Island

Pediatric Department IT Workgroup, Member 2018-2019
Hasbro Children's Hospital, Providence, Rhode Island

Adolescent Medicine Research Committee, Chair 2018-present
Hasbro Children's Hospital, Providence, Rhode Island

Inpatient Pediatric Eating Disorder Committee Member 2015-2017
Johns Hopkins Children's Center, Baltimore, Maryland

Transition Leadership Team Member 2014-2017
Maryland Department of Health and Mental Hygiene, Baltimore, Maryland

LGBTQ Committee Member July 2016-June 2017
Johns Hopkins Children's Center, Baltimore, Maryland

Teen and Children's Council, Physician Consultant 2014-2017
Johns Hopkins Children's Center, Baltimore, Maryland

UNIVERSITY COMMITTEES

Excellence in Teaching Committee – student member Alpert Medical School of Brown University, Providence, Rhode Island	2008-2009
PLME Advisory Selection Board Alpert Medical School of Brown University, Providence, Rhode Island	2020-2022

COMMUNITY COMMITTEES AND MEMBERSHIPS

Providence Public School District Health and Wellness Committee, member Healthy Relationships Workgroup, member	2021-present 2021-present
Providence Student Union, board of directors, member	2022-2024
Vartan Gregorian Elementary School, Parent/Teacher Organization Board member, Buildings and Grounds committee co-chair President of Board Member	2018-2020 2020-2022 2023-present
Best Practices in Addressing Sexually Transmitted Infections in Primary Care Care Transformation Collaborative-Rhode Island Planning Committee member, lecturer	2024-2025
First Unitarian Church of Providence, Religious Education Program Sexuality Educator (Our Whole Lives, OWL), certified 11/10/24 to teach grades 7-9 and 10-12	2024-present

MEMBERSHIP IN SOCIETIES

American Medical Student Association (AMSA) Member Chair, Culture of Medicine Action Committee Member, Executive Committee of Action Committees Founding member, AMSA PharmFree Steering Committee National Director, AMSA PharmFree Scorecard PharmFree Leadership Institute, Co-Coordinator, Washington, DC AMSA/Northwestern University Patient Safety and Professionalism Institute Co-coordinator, Chicago, IL	2006-2010 2008-2009 2008-2009 2008-2010 2009-2010 2009 2009
American College of Physicians (ACP), member	2010-2019
National Physicians Alliance (NPA), member	2010-2016
Physicians for Human Rights Brown Medical School chapter co-president	2006-2008

National Med-Peds Resident Association (NMPRA), member	2010-2014
Society for Adolescent Health and Medicine (SAHM)	
New England Chapter, board of directors, president	2024-present
New England Chapter, board of directors, member-at-large	2022-2024
New England Chapter, member	2017-present
Chesapeake Chapter, member	2014-2017
National Advocacy Committee, member	2015-2021
National Advocacy Committee, consultant	2021-present
American Academy of Pediatrics (AAP)	
Rhode Island Chapter, member	2017-present
Maryland Chapter, member	2014-2017
Maine Chapter, Board member	2011-2012
Council on Children with Disabilities, member	2015-2019
Council on Quality Improvement and Patient Safety, member	2015-2019
Section on Adolescent Health, member	2015-present
Section on Early Career Physicians, member	2017-2024
Section on Pediatric Trainees, member	2014-2017
Association for Clinical and Translational Science, member	2020-present
Rhode Island Public Health Association, member	2020-present

GRANTS

1. Grant #: N/A
 Co-PIs: Jack Rusley, Shankar Levine
 Primary Mentor: Jody Rich, MD
 Role: Co-PI
 Period: 6/1/06 to 5/31/0
 Title: Petersen Fund, Brown Medical School
 Description: This was a grant from the Petersen Fund at Brown Medical School and the Area Health Education Council (AHEC) to fund a project that provided health education to women recovering from drug addiction at a residential rehabilitation program in Rhode Island called SSTAR Birth.
2. Grant #: 6631-257300
 PI: Jack Rusley
 Primary Mentors: Patrice Thibodeau, MD; Jonathan Fanburg, MD, MPH
 Role: PI
 Period: 1/9/13 to 8/4/14
 Title: American Academy of Pediatrics (AAP) Community Access to Child Health (CATCH) program
 Description: This was a resident grant used to plan and implement a leadership/resilience training program for youth living with chronic illness called the Maine Adolescent Leadership Council (ACT Maine)

3. Grant #: T71MC08054 (HRSA), T32HD052459-07 (NIH)
PIs: Hoover Adger (HRSA), Maria Trent (NIH)
Role: Fellow/trainee
Period: 7/1/12 to 6/30/17
Title: Adolescent Health Promotion Research Training Program (HRSA), Leadership Education in Adolescent Health Training Grant (NIH)
Sponsor: Health Resources & Services Administration, Maternal & Child Health Bureau; National Institutes of Health, Institute of Child Health and Human Development
Description: The goal of these programs is: 1) to provide training adolescent medicine to post-doctoral Adolescent Medicine physicians, nursing, social work, psychology, and nutrition fellows (HRSA), and 2) to provide training in reproductive health research to post-doctoral Adolescent Medicine physicians (T32). These programs helped to fund my adolescent medicine fellowship, including my MHS program.
4. Grant #: 120582
PI: Renata Arrington-Sanders
Role: Project manager
Period: 7/1/15 to 8/30/16
Title: Transitioning Youth with Special Health Care Needs
Sponsor: Maryland Consortium for Children with Special Health Care Needs, Community of Care (COC)/Parents Place of Maryland
Total direct cost: \$10,000
Description: Funding to support quality improvement project in adolescent clinic with goal to improve process of transition to adult care using electronic health record (EHR)-integrated tools.
5. Grant #: L60 MD010022-01
Status: Awarded
Primary mentor: Renata Arrington-Sanders
Role: Fellow/Trainee
Period: 7/1/15 to 6/30/17
Title: Health Disparities Loan Repayment Program (LRP)
Sponsor: National Institutes of Health (NIH)
Description: Conceptualized, planned mixed-methods study of youth living with HIV and transition using an interdisciplinary, interdepartmental study team. LRP award accepted for 2 years for \$70,000.
6. Grant #: 1K23MH123335-01
Status: Awarded
PI: Jack Rusley
Period: 5/1/20 to 4/30/25 (no-cost extension until 4/30/26)
Title: A family-based intervention to improve HIV pre-exposure prophylaxis uptake for adolescent sexual minority males (The Talk Study).
Sponsor: National Institute of Mental Health
Description: Career development award to provide training to become an independent researcher in HIV prevention science. Goal is to test a motivational interviewing intervention for youth and video-based education for parents to increase PrEP uptake among adolescent

sexual minority and gender diverse males.

7. Grant #: n/a
Status: Awarded
PI: Ezra Gashi
Role: Mentor
Period: 4/11/22-4/11/23
Title: Adapting an Intervention to Help Parents and Youth Talk About Sexual Health and Pre-exposure Prophylaxis for HIV (PrEP): Youth Stakeholder Engagement Through Focus Groups and Theater Testing
Sponsor: Brown University School of Public Health, Nora Kahn Piore Award
Total direct cost: \$3,000
Description: This award will support the pilot testing of the youth component of The Talk Study intervention, including focus groups and theater testing.
8. Grant #: 713933
Status: Awarded
Co-PIs: Jack Rusley, Nicholas Tarantino
Collaborators: Jennifer Salerno
Period: 7/1/2022-6/30/2023
Title: Creating a Digital Parenting Intervention to Improve Inclusive Sexual Health Communication and HIV Prevention Knowledge in Families with Sexual Minority and Gender Diverse Adolescents
Sponsor: Department of Pediatrics and Psychiatry, Hasbro Children's Hospital and Bradley Hospital
Total direct cost: \$25,000
Description: This Hasbro Bradley Award will support the development and pilot testing of a prototype self-paced, interactive, MI-based, digital module for parents of ASM/GDM about sexual health and HIV prevention including PrEP to determine its feasibility and acceptability.
9. Grant #: 1L40MH131162-01
Status: Awarded
PI: Jack Rusley
Mentors: Philip Chan, Renata Sanders, Kate Guthrie
Period: 7/1/22-6/30/24
Title: Prepping for The Talk: Helping Parents and Youth Talk about Sexuality
Sponsor: National Institute of Mental Health, Loan Repayment Program (LRP), Extramural, Pediatric Section
Description: This is a new award from the Pediatric LRP. The proposed project is consistent with the K23 funded research described above.
10. Grant#: 5U54GM115677-08
Status: Awarded
PI: Jack Rusley
Period: 8/1/23 – 7/31/2024
Title: Development of a primary care provider toolkit to improve HIV pre-exposure prophylaxis (PrEP) access for adolescents and young adults

Sponsor: Advance RI-CTR, Brown University (Pilot Program)

Total direct costs: \$65,000

Description: Design and implement an “PrEP toolkit” for youth-serving PCPs to be implemented in health care settings throughout the U.S. to better address the current gap in PrEP care for this population.

11. Grant #: n/a

Status: Awarded

Principal Investigator: Siena Napoleon

Role: Mentor

Period: 5/5/23-5/15/23

Title: Development of Normative Data Feedback Concepts for Substance Use Prevention in Adolescents and Young Adults Within a Primary Care Setting

Sponsor: Brown University School of Public Health, Nora Kahn Piore Award

Total direct cost: \$3,000

Description: This award will support the identification of normative data about substance use in adolescents, and interview adolescents and primary care providers on their salience and impact.

12. Grant #: n/a

Status: Submitted as R34 in Jan 2024, Not discussed; submitted as R01 in Sept 2024, Not Discussed; Planned submission as R21 in Jan 2026.

PI: Jack Rusley

Period: If granted, period would be July 2026 – June 2028

Title: AdaptPrEP: A multi-component, adaptable implementation strategy to improve HIV pre-exposure services in youth-serving primary care clinics.

Sponsor: National Institute of Mental Health (NIMH)

Total direct cost: TBD

Description: This R21 application builds on our team’s work with primary care providers and PrEP for youth, and proposes a hybrid implementation-effectiveness trial to test to impact of a PrEP toolkit and implementation strategy to improve primary care provider’s ability to identify and provide PrEP for youth at risk for HIV in the US.

13. Grant #: n/a

Status: submitted June 2024, decision Dec 2024 – Not Discussed

PI: Jack Rusley

Collaborators: Jennifer Welch, MD; Beth Cronin, MD; Emily Allen, MD, MPH; Maayan Leroy-Melamed, MD

Period: April 2025 – March 2027

Title: Your Test, Your Home: A feasibility and acceptability study of a home-based, self-swab HPV testing and referral strategy for cervical cancer screening among young adult transgender men and non-binary people

Sponsor: Submitted to National Cancer Institute (NCI)

Total direct cost: Budget is \$275,000 in direct costs over 2 years (\$432,504 in total costs).

Description: This R21 application proposed to test a home-based, self-collected HPV testing intervention for young adult TM/NB grounded in behavior change theory and implementation science to determine if it is a feasible and acceptable method of cervical cancer screening in this group.

14. Grant #: N/a
Status: Submitted June 2025 (not accepted)
PI: Jack Rusley
Collaborators: Elizabeth Lowenhaupt, Alison Manning, Sarah Hagin, Jason Rafferty, Robert Miranda, Selby Conrad.
Title: Expanding Treatment of Youth Substance Use Disorders by Enhancing the Pediatric Psychiatry Resource Network
Sponsor: Rhode Island Foundation
Total direct cost: \$35,332
Description: This foundation grant proposed to enhance PediPRN with adolescent substance use expertise, which would allow the program to provide additional support to participating primary care providers in the state.
15. Grant #: pending
Status: Awarded 6/3/25
PI: Jack Rusley
Collaborators: Jun Tao, Philip Chan
Period: July 2025 – June 2026
Title: Developing an Artificial Intelligence Intervention to Address HIV Prevention for Adolescents and Young Adults
Sponsor: Providence/Boston Center for AIDS Research (CFAR)
Total direct cost: Budget is \$40,000 in direct costs over 1 year.
Description: This proposes develop an AI-based chatbot tailored to the unique needs of adolescents and young adults at risk for HIV that would use motivational interviewing strategies to increase awareness and interest in HIV pre-exposure prophylaxis (PrEP).
16. Grant #: n/a
Status: submitted application Jan 2025, decision May 2025 (not discussed); Resubmitted Sept 2025
MPIs: Jack Rusley, Jun Tao
Collaborators: Philip Chan
Period: July 2025 – June 2027
Title: Choose Your Test: A discrete choice experiment study of HIV and sexually transmitted infection testing options among adolescents and young adults
Sponsor: Submitted to National Institute of Mental Health (NIMH)
Total direct cost: Budget is \$275,000 over two years.
Description: This R21 proposal aims to determine the preferred attributes for HIV and sexually transmitted infection (STI) testing among youth at increased risk for these infections in the US using interviews with youth to inform an online survey using a discrete choice experiment approach.
17. Grant #: n/a
Status: submitted application March, 2025 (Not funded)
PI: Jack Rusley
Collaborators: Providence Student Union, Kate Guthrie
Period: Jan 2026 – Dec 2026
Title: Pipeline to Prison or Informal Counselors? A qualitative evaluation of the impact of school resource officers on youth of color.

Sponsor: Submitted to Russell Sage Foundation; Race, Ethnicity, and Immigration program

Total direct cost: Budget is \$74,900 over two years.

Description: This foundation grant application would support our ongoing work conducting qualitative interviews with young Black, Indigenous, and People of Color (“BIPOC youth”) in Providence, RI to understand the barriers and facilitators to their mental health, with a focus on the impact of school resources officers (SROs).

18. Grant #: n/a

Status: submitted application Aug 8, 2025 (decision pending)

PIs: Jack Rusley

Collaborators: Providence Student Union, Kate Guthrie (consultant)

Period: Jan 2026 – Dec 2026

Title: Pipeline to Prison or Informal Counselors? A qualitative evaluation of the impact of school resource officers on youth of color.

Sponsor: Submitted to William T. Grant Foundation, Officers’ Research Grant

Total direct cost: Budget is \$50,000 over one year.

Description: This foundation grant application project would support our ongoing work conducting qualitative interviews with young Black, Indigenous, and People of Color (“BIPOC youth”) in Providence, RI to understand the barriers and facilitators to their mental health, with a focus on the impact of school resources officers (SROs).

19. Grant #: n/a

Status: submitted application Oct, 2025 (decision pending)

PIs: Jack Rusley

Collaborators: Providence Student Union, Rochelle Rosen, Kristine Durkin, Karen Jennings Mathis

Period: Jan 2026 – Dec 2026

Title: Pipeline to Prison or Informal Counselors? A qualitative evaluation of the impact of school resource officers on youth of color.

Sponsor: Submitted to Hasbro Children’s Hospital, Children’s Miricle Network Annual Scholar Award

Total direct cost: Budget is \$25,000 over one year.

Description: This internal grant application project would support our ongoing work conducting qualitative interviews with young Black, Indigenous, and People of Color (“BIPOC youth”) in Providence, RI to understand the barriers and facilitators to their mental health, with a focus on the impact of school resources officers (SROs).

UNIVERSITY TEACHING ROLES

Classroom Teaching

1. “Vertebrate Embryology,” undergraduate teaching assistant, Brown University, Providence, RI, 2001.
2. “The Craft of Teaching,” undergraduate teaching assistant, Brown University, Providence, RI, 2002.

Mentoring

#	Mentee Name	Dates of Mentoring	Mentee Type	My Role	Mentee's Role	Mentee's current role or position
45	Elise Haulund	April 2025 to present	Undergraduate research intern	Mentor and supervisor	Research intern on Talk Study, funded by UTRA (summer 2025)	Brown Undergraduate
44	Molly Woodfin	April 2025 to present	Undergraduate research intern	Mentor and supervisor	Research intern on Talk Study, funded by UTRA (summer 2025)	Brown Undergraduate
43	Favor Ufondu	Oct 2024 to present	Undergraduate research intern	Mentor and supervisor	Volunteer research intern on SRO project	Brown Undergraduate
42	Ashton Peoples	Oct 2024 to present	Medical Student research intern	Mentor and supervisor	Volunteer research intern on SRO project	Brown medical student
41	Jodi Robinson	Aug 2024 to Feb 2025	Undergraduate research intern	Mentor and supervisor	Research intern on Talk Study and PrEP Toolkit, funded by UTRA (fall 2024)	Brown Undergraduate
40	Jackie Li	Aug 2024 to present	Undergraduate research intern	Mentor and supervisor	Research intern on Talk Study and PrEP Toolkit, funded by UTRA (fall 2024)	Brown Undergraduate
39	Maayan Leroy-Melamed	Aug 2023-present	Junior faculty	Advisor	Junior faculty in adolescent medicine, pursuing K-award and research career	Assistant professor, Brown/Hasbro
38	Anneliese Mair	Sep 2023 to June 2025	Medical Student research intern	Mentor and supervisor	Volunteer research intern on SRO project	Psychiatry resident, Montifiore
37	Nelsa Tiemtore	Sep 2023 to present	Undergraduate research intern	Mentor and supervisor	Volunteer research intern on SRO project	Brown Undergraduate
36	Olivia Bergin	Sep 2023 to present	Undergraduate research intern	Mentor and supervisor	Volunteer research intern on SRO project	Brown Undergraduate
35	Angie Yang	May 2023 to May 2024	Undergraduate research intern	Mentor and supervisor	Volunteer research intern on SRO project	Brown graduate '04
34	Hannah Parent	Aug 2023 to present	Masters-level research assistant	Mentor and supervisor	Paid research assistant for the project "Prepping for the Talk" and "PCP PrEP Toolkit." Recruited participants, managed social media, data management, qualitative coding.	Research assistant in Chan Team and Rusley Lab
33	Siena Napoleon	March 2023 to present	PhD student at Brown SPH	Thesis reader	Director of research project (substance use and youth)	PhD student at Brown SPH
32	Corbin Gearhart	Feb 2023 to present	Medical Student research intern, ScM student	Mentor, thesis adviser	Volunteer research assistant on multiple projects	Brown medical student
31	Yuju Srivastava	Oct 2022 to present	Undergraduate research intern	Mentor and supervisor	Volunteer research assistant on multiple projects	Research intern, undergraduate student
30	Melinda Li	Oct 2022 to April 2024	Undergraduate research intern	Mentor and supervisor	Volunteer research assistant on multiple projects	Medical student at Brown
29	Tess Brown	Oct 2022 to May 2024	Brown Medical Student research intern	Mentor and supervisor	Volunteer research assistant on multiple projects	Resident physician (psychiatry)
28	Noelle Lee	Oct 2022 to May 2024	Brown Medical Student research intern	Mentor and supervisor	Volunteer research assistant for the project "Prepping for the Talk." Developed, tracked, and refined digital media recruitment.	Resident physician (pediatrics)
27	Harry Martin	Oct 2022 to present	Post-graduate research assistant	Mentor and supervisor	Paid research assistant for the project "Prepping for the Talk." Developed, tracked, and refined digital media recruitment.	Medical student, Brown

26	Taylor Silverman	Aug 2022 to Jan 2024	Post-graduate research assistant	Mentor and supervisor	Paid research assistant for the project “Prepping for the Talk.” Recruited patients in clinic and via phone/text.	PhD candidate at UC Irvine
25	Jhanavi Kapadia	Aug 2022 to May 2023	Post-graduate research assistant	Mentor and supervisor	Paid research assistant for the project “Prepping for the Talk.” Recruited patients in clinic and via phone/text.	Medical student at UNE COM
24	Jessica Pourian	January 2022 to June 2024	Categorical pediatrics resident (Brown)	Research mentor and supervisor	Project director for QI project on informatics and LGBTQ adolescents in Adolescent Healthcare Center	Fellow in medical informatics, UCSF
23	Emily Toma	January 2022 to July 2024	Post-graduate research assistant	Mentor and supervisor	Paid research assistant, helped with coding transcripts and analysis for Consent 2.0 and Prepping for the Talk studies.	Recent MPH graduate from Brown (2024)
22	Darren Danaie	December 2021 to May 2023	CDC intern, medical school applicant	Mentor and supervisor	Volunteer, then paid research assistant for “Prepping for the Talk.” Transcribed and cleaned qualitative interview audio files.	Medical student, Brown
21	Kevin Cormier	November 2021 to March 2022	Post-graduate research assistant	Mentor and supervisor	Paid research assistant for the project “Prepping for the Talk.” Recruited patients in clinic and via phone/text.	Employee at RI Dept of Health
20	Erza Gashi	October 2021 to present	Masters-level research assistant	Mentor and supervisor	Preceptor/mentor, Brown MPH student practicum; Paid research assistant for the project “Prepping for the Talk.” Facilitated youth interviews. Recruited patients in clinic and via phone/text.	Senior Research Associate, Brown Department of Pediatrics
19	Alexi Almonte	October 2021 to present	Research program coordinator	Supervisor	Paid research assistant for the project “Prepping for the Talk.” Managed IRB applications and administrative tasks.	Research coordinator, Chan Team
18	Melanie Morales-Aquino	September 2021 to September 2022	Brown University undergraduate student	Mentor and supervisor	Volunteer research assistant for the project “Prepping for the Talk.” Transcribed and cleaned qualitative interview audio files.	Brown University graduate ‘02
17	Julio Berroa	April 2021 to Aug 2022	Post-graduate research assistant	Mentor and supervisor	Paid research assistant for the project “Prepping for the Talk.” Managed social media ad development, facilitator training. Recruited patients in clinic and via phone/text.	Executive director of NGO (Haus of Codec)
16	Eva Durandean	January 2021 to May 2023	Brown University undergraduate student	Mentor, thesis advisor	Volunteer research assistant for the project “Prepping for the Talk.” Assisted with social media ad development, facilitator training.	Medical student
15	Sam Chen	September 2020 to September 2021	Brown University undergraduate student	Mentor and supervisor	Volunteer research assistant for the project “Prepping for the Talk.” Managed social media recruitment.	Brown University graduate ‘02
14	Nicole Hojman	September 2020 to September 2021	Applicant for PhD in psychology	Mentor and supervisor	Volunteer research assistant for the project “Prepping for the Talk.” Managed social media recruitment.	PhD student
13	Shoshanna Lustig	September 2020 to March 2021	Applicant for PhD in psychology	Mentor and supervisor	Paid research assistant for the project “Prepping for the Talk.” Facilitated qualitative interviews and conducted various project coordinator tasks.	Research assistant
12	Nadia Nasah	May 2020 to July 2021	MPH student, paid research assistant	Supervisor	Coordinated IRB applications, developed Redcap surveys	Research assistant
11	John Swift	May 2020 to July 2021	Undergraduate, Notre Dame	Supervisor	Volunteer research assistant for the project “Prepping for the Talk.” Developed social media recruitment content.	Internal medicine resident, Beth Israel Deaconess
10	Alyssa Wohl	2019 to 2021	Categorical Pediatric Resident, Brown/Hasbro	Mentor	Collaborated on voter education project, advised in writing a perspective article on sexual and gender minority youth, and provided general career advice.	Private practice pediatrician, New York

9	Pablo Kokay Valente	June 2020 to 2023	PhD candidate, Brown University School of Public Health	Thesis reader, supervisor	Reader for PhD thesis, supervised as research assistant in family-based HIV prevention review project	PhD faculty at UConn School of Public Health
8	Juliet Ucanda	June 2020 to July 2021	MPH Student, New England Institute of Technology	Thesis reader	Primary mentor and reader for her MPH thesis, as well as her role as a research assistant for family-based HIV prevention review project	MPH graduate
7	Amanda Veltri	Aug – Nov 2019	Nurse practitioner student, Regis College School of Nursing	Clinical preceptor	Clinical rotation for two months in Adolescent Medicine	Nurse practitioner, East Greenwich Pediatrics
6	Diana Ponitz	Dec 2017 – Oct 2018	Medical student, Alpert Medical School of Brown University	Thesis reader, mentor	Thesis advisor for ScM program, young men and family planning project	Medical student
5	Naomie Shembo	Feb – Dec 2018	Undergraduate student	Mentor, supervisor	Primary mentor for Summer Research Assistant (SRA) project on substance abuse/overdose among teens in Rhode Island. Goal is for her to co-author review article for RI Medical Journal. Assisted in poster presentation for the Department of Pediatrics Research Celebration.	Brown Medical student
4	Larnee Robinson	Jan-Oct 2016	Post-baccalaureate student	Mentor, supervisor	Supervised as paid research assistant on Transition QI project at Hopkins during Adolescent Medicine Fellowship	Exercise physiologist
3	Kadi-Ann Rose	July-Sept 2016.	Post-bachelorette student	Mentor, supervisor	Supervised as volunteer research assistant on Transition QI project, mentored as part of Maternal Child Health Careers/Research Initiatives for Student Enhancement - Undergraduate Program (MCHC/RISE-UP), Assisted in preparing final poster presentation for program.	Research assistant, Yale University
2	Caroline Aronin	July -Sept 2016	Undergraduate student, Johns Hopkins University	Supervisor	Supervised as volunteer research assistant on Transition QI project	Dental student, Columbia University
1	Rana Saeed	July -Sept 2016	Undergraduate student, Johns Hopkins University	Supervisor	Supervised as volunteer research assistant on Transition QI project	JHU graduate '18

HOSPITAL TEACHING ROLES

Teaching role	Description	Hours/year	Years
Director, Adolescent Medicine medical student elective	Orient, support and evaluate Brown and visiting medical students on their Adolescent Medicine elective	48 hr / year	2017-2020, 2025-present
Attending physician, preceptor	Clinical supervision of pediatric, Med/Peds, triple board residents, medical students in primary care clinic in Adolescent Health Care Center at Hasbro	400 hr / yr	2017-present
Attending physician	Clinical supervision of pediatric, Med/Peds, triple board residents, medical students in eating disorder service at Hasbro Children's Hospital in Adolescent Health Care Center at Hasbro	128 hr / yr	2017-present

Lecturer, didactic lecture series	Conduct lectures for first-year fellows as part of didactic orientation lecture series	2 hr / yr	2017-present
-----------------------------------	--	-----------	--------------
