

Kristina Monteiro, PhD

Director, Academic Assessment and Evaluation

Lecturer, Biology

Brown University, Division of Biology & Medicine, Program in Biology

1. EDUCATION

UNIVERSITY OF RHODE ISLAND

May 2015

Doctor of Philosophy (Ph.D.) in Behavioral Science, Research Methodology and Statistics

- Dissertation title: “Predicting Co-relapse among Nutrition and Exercise from Adolescence through Young Adulthood”
- Dissertation committee: Andrea Paiva, James Prochaska, Bryan Blissmer, Geoffrey Green, Colleen Redding

UNIVERSITY OF MASSACHUSETTS DARTMOUTH

May 2012

Master of Arts (M.A.) in Psychology, Research

- Thesis title: “The Impact of a Family History of Alcohol Problems on Health Risk Behaviors”
- Thesis committee: C. Teal Pedlow, Elizabeth Richardson, Andrew Revell

UNIVERSITY OF MASSACHUSETTS DARTMOUTH

May 2010

Bachelor of Arts (B.A.) in Psychology | Summa cum laude

2. PROFESSIONAL APPOINTMENTS

BROWN UNIVERSITY

Providence, RI

Director, Academic Assessment and Evaluation

March 2021 – Present

- Oversees program evaluation and assessment for assigned training and curricular initiatives within the Program in Biology. Develops and leads new evaluation initiatives ensuring they align with University-wide goals, processes, and best practices. Works collaboratively with other areas of the Division of Biology and Medicine to provide evaluation data, analysis, and evidence-based recommendations for program enhancement. Curricula and training programs are reviewed and reported on quantitatively, qualitatively, and at regular intervals.
- Leads efforts to develop and submit peer-reviewed publications and present findings associated with Biology Program curricular and training program discoveries and innovations.
- Develops and integrates longitudinal curriculum assessments throughout the Program in Biology and other areas, including collaborating with faculty and leadership to develop assessment and reporting plans associated with internal projects and external funding proposals.
- Provides consultation support to instructors on course assessment, and faculty and students on research and other scholarly projects. This includes individual support to faculty and students on research design, quantitative methods, and poster/manuscript preparation and submission.
- Creates and delivers biology-based courses at the undergraduate and/or graduate level focused on research methodology and design, biostatistics, behavioral science, and the scientific method. Teaches up to two courses per year.
- Contributes to the formal advising of undergraduates and/or graduate students.
- Serves on or chairs committees as assigned and presents program evaluation indicators to the appropriate groups as necessary.
- Works on quality improvement initiatives in BioMed and the Program in Biology to ensure continuous compliance with University and Division-wide policies.
- Membership and Representation Responsibilities (inside Brown)
 - Biology Curriculum Committee
 - Health Careers Advising Committee
 - Master’s in Biotechnology Steering Committee

- Brown University Human Research Advisory Group (now: IRB Collaborative Research Engagement Workgroup)
- Brown University Wellness Champion

BROWN UNIVERSITY

Providence, RI

Lecturer, Biology Education

June 2022 – Present

- BIOL 0946: Research Design and Quantitative Methods for the Health Sciences
- BIOL 0100: Living Biology at Brown and Beyond
- BIOL 1000: Quality Improvement Science and Application: From Personal Improvement to Strengthening Healthcare
- BIOL 1950 & 1960: Independent Study
- Honors Thesis Advisor: 3 students
- Honors Thesis Reader: 2 students
- UTRA Advisor: 1 student
- Faculty Concentration Advisor: Health and Human Biology AB (Fall 2022 - January 2026), now Undergraduate Biology Curriculum Advisor for HHB Students (January 2026 - Present)
- Independent Concentration Advisor: 1 student
- Student Club Faculty Advisor: American Cancer Society (Summer 2023 - present)

BROWN UNIVERSITY

Providence, RI

Assistant Professor, Medical Science (Teaching Scholar)

June 2015 – July 2022

- Course Instructor (Biology): Research Design and Quantitative Methods for the Health Sciences (Spring 2022)
- Course Leader (AMS): Research Methods in Population Medicine (PC-PM only) and Health Systems Science I (all medical students)
- Small Group Leader (AMS): Epidemiology (Health Systems Science I) and Ethics (Health Systems Science I)
- Additional AMS Lectures: Assessment, Evaluation, and Survey Design (Medical Education Scholarly Concentration Program), Community Needs Assessments (Gateways to Medicine Program), Research Ethics (Gateways to Medicine Program), Quality Improvement and Patient Safety Block (Clinical Elective – Health Policy with Dr. Luba Dumenco)
- AMS Thesis Advisor: 2 students
- AMS Thesis Reader: 3 students

THE WARREN ALPERT MEDICAL SCHOOL OF BROWN UNIVERSITY

Providence, RI

Director, Assessment and Evaluation

June 2015 – March 2021

- Curriculum Evaluation: Analyzes all preclinical course evaluations (quantitative and qualitative) for years one through four. Conducts annual substantial reviews of two, third year clinical core clerkships. Conducts focus groups during years one, two, and three for a curricular needs assessment. Develops evaluation protocol for assessing efficaciousness of innovative pilot programs. Assists with implementation of evaluations on the OASIS learning system. Analyzes and conducts program evaluation for the following programs: Primary Care – Population Medicine (PC-PM), Longitudinal Integrated Clerkship (LIC), and Gateways to Medicine (ScM in Medical Science).
- Student Assessment: Coordinates the MD and Gateways to Medicine (ScM in Medical Science) student assessment protocols and processes, Reports data on student performance of the AMS Nine Abilities and AAMC Entrustable Professional Activities (EPAs), Develops evaluation protocol for achievement of EPAs in years three and four.
- Accreditation: Continually monitors adherence to the Liaison Committee on Medical Education (LCME) standards with the Office of Medical Education. Contributes substantially to the LCME accreditation report, including providing and coordinating data from various departments across The Warren Alpert Medical School. Co-leads the LCME subcommittee on Standards 7 & 8 (Curricular Assessment & Evaluation). Develops a comprehensive evaluation report of the entire MD curriculum every four years for LCME continuous quality improvement.
- Research Design & Statistical Analysis Consultation: Provides guidance and expertise to the Office of Medical Education, faculty, and students who undertake quantitative and qualitative research. Provides

statistical consultation to students in the Scholarly Concentration Program, the Primary Care – Population Medicine (PC-PM) Program, and those undertaking summer research assistantships. Teaches courses, leads small group work sessions, and organizes workshops in the areas of research methods and statistics. Creates evaluation designs, analyzes data, and prepares reports for education grants (e.g., AMA).

- Additional Activities: Supervises the Assessment & Evaluation Support Section within the Office of Medical Education, including the Assistant Director of Assessment and Evaluation and the LCME Coordinator. Manages the AMS medical student tutoring program. Conducts evaluations for Student Affairs and the Office of Diversity and Multicultural Affairs. Conducts scholarly, independent education evaluation research. Reviews all grant proposals within the medical school for appropriateness of evaluation design. Annually mentors medical students in the Scholarly Concentration and PC-PM programs, with particular regard to those undertaking a Master’s thesis. Advises and collaborates with faculty in developing evaluation designs. Attends and presents research at regional, national, and international conferences. Participates in faculty journal clubs and leads one session per academic year.
- Membership and Representation Responsibilities (inside Brown)
 - Education Committees: Medical Curriculum Committee, The Subcommittee on Years 1 & 2 (co-chair), The Subcommittee on Years 3 & 4 (co-chair), Subcommittee on Diversity and Inclusive Teaching and Learning, Scholarly Concentration Subcommittee, Curriculum Refinement, Innovation, Strategic Planning Committee, Alpert Medical School – Continuous Quality Improvement Committee
 - Accreditation Committees: LCME Subcommittee on Curricular Evaluation and Assessment (co-chair), LCME Subcommittee on Curricular Design and Content
 - Assessment Committees: Competency Committee
 - Policy and Procedure Committees: Clerkship Directors’ Committee, Primary Care – Population Medicine (PC-PM) Executive Committee, Primary Care – Population Medicine Advisory Committee, Alpert Medical School Directors’ Committee, Alpert Medical School Administrative Policy Committee
 - Gateways Program: Gateways to Medicine Program Academic Standing Committee and Pre-Health Committee, Gateways to Medicine Program Operations Committee
 - Review Committees: PLME Summer Research Assistantship Review Committee, Framework in Global Health Scholarship Grant Review Committee
 - Brown University Human Research Advisory Group
 - Brown University Wellness Champion
 - Disbanded Committees: Academic Standing Committee, Small Group Task Force, Ethics Curriculum Task Force, Search Committee – Assistant Dean for Medical Education for Year 2, Search Committee – Assistant Dean for Medical Education for Year 1, Assistant Dean for Diversity and Inclusive Teaching & Learning, Longitudinal Integrated Clerkship (LIC) Working Group, Student Performance Data Project Steering Committee, Operational Data Store Committee (Medical School and Brown University IT), Brown University Course Feedback Tool Task Force
- Membership and Representation Responsibilities (outside Brown)
 - American Medical Association (AMA) Accelerating Change in Medical Education Consortium, Evaluation Working Group Consortium School Representative
 - Association of American Medical Colleges (AAMC), Curriculum Inventory Administrator Group; Northeast Group on Educational Affairs (NEGEA), Group on Women in Medicine and Science (GWIMS)
 - Society of Directors in Research in Medical Education (SDRME), Alpert Medical School Representative
 - AAMC Quality Improvement and Patient Safety Competencies Collaborative
 - Peer Reviewer: Academic Medicine, Family Medicine, Teaching and Learning in Medicine, Journal of the American College of Nutrition, Medical Education Online, Advances in Health Sciences Education, Reflective Practice, NEGEA Annual Meetings, AAMC Annual Meetings, AMA ChangeMedEd Annual Meetings

- STA/PSY 612: Structural Equation Modeling (Path Analysis, Latent Variable Modeling, Confirmatory Factor Analysis)
- STA/PSY 610: Parsimony Methods (Factor Analysis, Principal Components Analysis, Cluster Analysis, Survey Development)
- PSY 200H: Quantitative Methods (Correlation, t-test, Chi-square, ANOVA, Regression)
- PSY 301: Research Methods and Statistics (Non-experimental, Quasi-experimental, and Experimental Designs)

UNIVERSITY OF RHODE ISLAND - BEHAVIORAL CHANGE RESEARCH CENTER

North Kingston, RI

Statistical Consultant

September 2013 – May 2015

- Provided consultation regarding research design and statistical analysis to undergraduate and graduate students, faculty, and staff from the University of Rhode Island, affiliated organizations, and private businesses

UNIVERSITY OF RHODE ISLAND - CENTER FOR THE ADVANCEMENT OF TEACHING AND LEARNING

North Kingston, RI

Graduate Assistant

June 2012 – May 2015

- Provided support for preparation of NEASC accreditation assessment report
- Administration, collection, and statistical analysis of the National Survey of Student Engagement (NSSE), the Wabash National Study, and the Assessment Climate Survey
- Provided statistical analysis consultation to Office of Advancement of Teaching and Learning and outside faculty
- Conducted workshops for university faculty on undergraduate and graduate programmatic assessment
- Provided quantitative statistical support in a multi-state initiative of learning outcomes assessment
- Maintained website which earned a national award from the National Institute for Learning Outcomes Assessment (NILOA)

UNIVERSITY OF MASSACHUSETTS DARTMOUTH - DEPARTMENT OF PSYCHOLOGY

Dartmouth, MA

Graduate Research Assistant

September 2010 – June 2012

- Primary Project Year 2: “The Efficacy of Personal Response Systems (Clickers) as Learning Tools: A Multidisciplinary, Large-Scale, Empirical Evaluation” (US Department of Education)
 - Data coordination, management, and analysis; experimental fidelity
- Primary Project Year 1: “A Prospective Study of Weight Change in College Freshmen” (NIH: National Institute of Heart, Lung, and Blood Institute)
 - Qualitative and quantitative analysis across multiple health risk behaviors; supervision of undergraduate research assistants
- Additional Experiences: “Emotional and Cortisol Differences Associated with Context Inappropriate Anger” (NIH: National Institute of Child Health and Human Development) and “College Health Assessment” (University of Massachusetts Dartmouth)

UNIVERSITY OF MASSACHUSETTS DARTMOUTH - DEPARTMENT OF PSYCHOLOGY

Dartmouth, MA

Undergraduate Research Assistant

April 2009 – September 2010

- Primary Project: “Exergaming to Prevent Weight Gain among College Freshmen Women” (University of Massachusetts Dartmouth)
- Additional Experiences: Cognitive Neuroscience Laboratory, Child Emotion Laboratory, Gerontology Center

4. COMPLETED GRANTS

1. PI: Vanjani, R. Substance Abuse and Mental Health Services Administration, “Translating Training into Practice: Enhancing Medical Student and Resident Education on Buprenorphine for the Treatment of Opioid Disorder,” September 2019 – March 2021. I served as the evaluator on this grant.
2. PI: George P. Substance Abuse and Mental Health Services Administration, “Training Health Professional Students in Rhode Island,” October 2015 – September 2018. The goal of this grant is to create a substance abuse screening, brief intervention and referral for treatment curriculum. Two sets of curricula were developed, implemented, and evaluated – one specific to medical students and a second interprofessional curriculum for health professional students. I served as the evaluator of this grant.
3. PI: Tunkel A., Borkan J., & George P. Accelerating Change in Medical Education, American Medical Association, September 2013 – August 2018. The result of this grant was the design, implementation, and evaluation of a four-year, dual degree program in which medical students earn a medical degree and a Master’s of Science in Population Medicine. I served as the evaluator of this grant.

5. SERVICE

TO THE UNIVERSITY

1. Poster Judge: AMS Research Symposium (2020).
2. Anti-racism training completed at The Warren Alpert Medical School of Brown University (2020).
3. Grand Rounds Speaker: Rhode Island Hospital Department of Pathology. Department Evaluation co-speaker with Dr. Luba Dumenco (2020).
4. Poster Judge: Gateways to Medicine Patient Care and Complex Systems Poster Showcase (2019).
5. Poster Judge: AMS Research Symposium (2019).
6. Poster Judge: Gateways to Medicine Patient Care and Complex Systems Poster Showcase (2018).
7. Poster Judge: AMS Summer Showcase (2018).
8. Workshop Presenter: Rhode Island Hospital. Assessment and Evaluation in Medical Education for Internal Medicine Residents (2017).
9. Grand Rounds Speaker: Rhode Island Hospital Department of Surgery. Introduction of a Quality Improvement Project within the Surgery Clerkship (2017).
10. Poster Judge: AMS Summer Showcase (2017).

TO THE PROFESSION

1. AAMC Building Better Curriculum webinar co-speaker with Dr. Luba Dumenco (2020).
2. Speaker to a CORE Science Course at Roger Williams University. Challenges in STEM (2019).
3. Speaker to a CORE Science Course at Roger Williams University. Challenges in STEM (2018).
4. Speaker to a CORE Science Course at Roger Williams University. The Community of STEM: The Gap in Employment and Education among Underrepresented Groups (2017).
5. Keynote speaker: Northeast Doctoral Student Conference, University of New Hampshire (2017).
6. Poster Judge: American Association for the Advancement of Science Annual Meeting, Boston, MA (2017).
7. Workshop Facilitator: Evaluation of Educational Innovations as Scholarship. Association of American Medical Colleges Annual Conference. Seattle, WA (2016).
8. Speaker to a CORE Science Course at Roger Williams University. The Community of STEM: The Gap in Employment and Education among Underrepresented Groups (2016).
9. Invited Speaker: Office of Faculty Development at the University of Massachusetts Dartmouth. Making STEM Course Syllabi More Inclusive to Underrepresented Groups (2015).
10. Speaker to a CORE Science Course at Roger Williams University. The Community of STEM: The Gap in Employment and Education among Underrepresented Groups (2015).

TO THE COMMUNITY

1. Poster Judge: Bristol Community College Science Fair, Mathematics and Behavioral Science sessions (2022).
2. Poster Judge: Bristol Community College Science Fair, Mathematics and Behavioral Science sessions (2021).
3. Poster Judge: Bristol Community College Science Fair, Mathematics and Behavioral Science sessions (2020).
4. Letters to a Pre-Scientist Program – STEM Professional Letter Writer (2019).
5. Poster Judge: Bristol Community College Science Fair, Mathematics and Behavioral Science sessions (2019).
6. Poster Judge: Bristol Community College Science Fair, Mathematics and Behavioral Science sessions (2018).
7. Poster Judge: Bristol Community College Science Fair, Mathematics and Behavioral Science sessions (2017).
8. Poster Judge: Bristol Community College Science Fair, Mathematics and Behavioral Science sessions (2016).
9. Workshop facilitator: STEM4Girls event by the Kaput Center for Research and Innovation in STEM Education at the University of Massachusetts Dartmouth event to promote the sciences to adolescent girls. Workshop title: Snacking on Statistics (2016).
10. Department of Psychology graduate student mentor for first year graduate students (2014).
11. Poster Judge: Bristol Community College Science Fair, Mathematics and Behavioral Science sessions (2015).
12. Volunteer representative at the Green Light for Girls SouthCoast: Intervention to promote the sciences to adolescent girls (2014).
13. Poster Judge: Bristol Community College Science Fair, Mathematics and Behavioral Science sessions (2014).
14. Poster Judge: Bristol Community College Science Fair, Mathematics and Behavioral Science sessions (2013).
15. Alcohol Screening Day Volunteer University of Rhode Island (2012).
16. Workshop co-facilitator: How Can Science Help Me?!: How Science Helps Teens Get Fit and Healthy at Green Light for Girls SouthCoast event: Intervention to promote the sciences to adolescent girls at the University of Massachusetts Dartmouth (2011).
17. Graduate Student Judge: Three Minute Thesis Competition for Graduate Students Graduating in 2011 at the University of Massachusetts Dartmouth (2011).
18. Psychology Department Representative: University of Massachusetts Dartmouth Open House and Accepted Student days (2011).
19. Psychology Department Representative: University of Massachusetts Dartmouth Open House and Accepted Student days (2010).

6. ACADEMIC HONORS, FELLOWSHIPS, HONORARY SOCIETIES

ACADEMIC HONORS

1. The Warren Alpert Medical School Faculty Award (2021).

2. The Warren Alpert Medical School Dean's Teaching Award, Health Systems Science (2020).
3. Society of Teachers of Family Medicine, Honorable Mention, Paper of the Year Award (I was a co-author; S. Durfey [medical student] was primary author). Impact of Risk Adjustment for Socioeconomic Status on Medicare Advantage Plan Quality Rankings (2020).
4. The Warren Alpert Medical School Dean's Teaching Award, Health Systems Science (2019).
5. AAMC Curricular Innovation Award (UME Opioid Curriculum): P. George, L. Dumenco, S. Warriar, K. Monteiro, E. Smith, A. Tunkel (2018).
6. The Warren Alpert Medical School Dean's Teaching Award, Health Systems Science (2017).
7. University of Massachusetts Dartmouth College of Arts & Sciences success featured film: <https://vimeo.com/183041930> (2016).
8. University of Massachusetts Dartmouth College of Arts & Sciences featured article: <http://www.umassd.edu/news/artsscience/news/kristinamonteiro.html> (2016).
9. Graduate Student Commencement Speaker at the University of Massachusetts Dartmouth Graduate Commencement (2012).
10. Second Place in the Three Minute Thesis Competition for Graduate Students Graduating in 2012 at the University of Massachusetts Dartmouth (2012).
11. First Place Graduate Student Research Award at the University of Massachusetts Dartmouth Psi Chi Conference (2012).
12. First Place Overall Poster Award at the University of Massachusetts Dartmouth Psi Chi Conference (2011).
13. First Place Overall Poster Award at the University of Massachusetts Dartmouth Office of Faculty Development Poster Session (2011).
14. First Place Empirical Poster Award at University of Massachusetts Dartmouth Psi Chi Conference (2010).

7. AFFILIATIONS

CURRENT AFFILIATIONS

1. American Evaluation Association, Interest Groups: Assessment in Higher Education; Quantitative Methods: Theory and Design; STEM Education and Training

PAST AFFILIATIONS
