

## CURRICULUM VITAE

Lynn McNICOLL, MDCM, FRCPC, AGSF

### PERSONAL INFORMATION

**Business Address:** Rhode Island Hospital, Division of Geriatrics and Palliative Medicine  
593 Eddy Street, POB 438, Providence, RI, 02903

**Business Telephone:** (401) 444-5248

**Business Fax:** (401) 444-3397

**E-Mail Address:** [lmnicoll@lifespan.org](mailto:lmnicoll@lifespan.org)

### EDUCATION

#### UNDERGRADUATE

1986-1988 Marianopolis College, Montreal, Canada  
Degree in Collegial Studies (Health Sciences)

1988-1989 McGill University, School of Biochemistry

1989-1992 McGill University, School of Physical Therapy  
Bachelor of Science in Physical Therapy  
**Award of Distinction**  
**Award of University Scholar**

#### MEDICAL SCHOOL

1992-1996 McGill University, School of Medicine  
MDCM  
**Dean's Honor List**

### POSTGRADUATE TRAINING

#### Residency

1996 –1999 **Evanston Hospital / Northwestern University**, Evanston, IL  
Intern and Resident in Internal Medicine

#### Fellowship

1999 –2002 **Yale University**, School of Medicine, New Haven, CT  
Department of Geriatric Medicine and Clinical Epidemiology  
Fellow in Geriatric Medicine and Clinical Epidemiology

2000 –2002 **Robert Wood Johnson Clinical Scholars Program at Yale University**,  
Auditor

2001-2002 **Investigative Medicine Program at Yale University**,  
Auditor

#### Other Training

2007-2008 **Brown University Harriet W. Sheridan Center for Teaching and Learning** –  
Certificate I

2009 **Harvard University** Principles of Medical Education Course

2009-2010 **Brown University Harriet W. Sheridan Center for Teaching and Learning** –  
Certificate IV - Sheridan Center Teaching Consultant Program

2010 **Harvard University** Patient Safety Executive Development Program

2015 **AAMC** Mid-career Women Faculty Professional Development Seminar

2017 **Bryant University** – University Medicine Leadership Academy Course

**POSTGRADUATE HONORS AND AWARDS**

1997	<b>Runner-Up Intern of the Year</b> - Evanston Hospital, Northwestern University
1999	<b>Runner-Up Resident of the Year</b> – Evanston Hospital, Northwestern University
2001	Chosen as a <b>Futures Program Participant</b> for the 2001 American Medical Directors Association Annual Conference
2001	<b>GSA Clinical Medicine Person-In-Training Award</b> – Given to the best research among fellows by the Clinical Medicine Section of the Gerontological Society of America at their 2001 Annual Meeting in Chicago, IL.
2003	2003 <b>Lifespan Barnett Fain Quality Improvement Award</b> – Awarded to the best quality improvement project within the Lifespan organization, given at the 2003 Lifespan Annual Meeting in Providence, RI. I was the primary medical and research consultant for this project. The pilot unit also won the <b>Patient Satisfaction Award 2004</b> for the Miriam Hospital.
2003-2019	<b>“Top Doctor” for Geriatric Medicine in Rhode Island</b> Awarded to the best doctors in Rhode Island by specialty (geriatrics); published in Rhode Island Monthly.
2004	<b>“2004 Best Paper Section of Neurology and Behavioral Sciences Award</b> - Given to the best abstract in the section of Neurology and Behavioral Sciences at the American Geriatrics Society 2004 Annual Meeting in Las Vegas, NV.
2006	<b>New Investigator Award</b> – Given to individuals whose research reflects new and relevant work in geriatrics at the 2006 American Geriatrics Society Annual Meeting in Chicago, IL.
2007-2018	<b>Best Doctors in America</b> Listing
2007	<b>Lifespan Barnett Fain Quality Improvement Award</b> – Awarded to the best quality improvement project within the Lifespan organization, given to the Pneumonia Vaccine Committee at the 2007 Lifespan Annual Meeting in Providence, RI. I was the physician consultant for this project.
2012	<b>Top Doctors</b> as recognized by the US News and World Report
2012	<b>American Geriatrics Society Fellow</b>
2012	<b>Dean’s Excellence in Teaching Award</b> , Alpert Medical School of Brown University
2015	<b>Teaching Award</b> – Department of Medicine
2017	<b>Spark Award</b> – Women’s Health Council of RI Karen Rosene Montella, MD Spark Award for Innovation in Women’s Health in Rhode Island.

**MILITARY SERVICE**

Not applicable

**PROFESSIONAL LICENSES AND BOARD CERTIFICATIONS**

1993-1995 (inactive)	Physical Therapy License – Quebec, Canada
1996 – 2002 (inactive)	Medical License – Illinois, US
1996	LMCC – Licensing examinations for the Royal College of Physicians and Surgeons of Canada
1999-2002 (inactive)	Medical License – Connecticut, US
1999-2029	American Board of Internal Medicine, Certified in Internal Medicine
2000-present (active)	US DEA and Controlled Substance License
2001-present (active)	Medical License – Rhode Island
2001	USMLE steps 1,2,3 examinations completed
Jan 17, 2001	Fellow of the Royal College of Physicians of Canada

Nov 14, 2000	Royal College of Physicians and Surgeons, Certified in Internal Medicine
Sep 13, 2002	Royal College of Physicians and Surgeons, Certified in Geriatric Medicine
2002-2022	American Board of Internal Medicine, Certified in subspecialty of Geriatric Medicine

### **ACADEMIC APPOINTMENTS**

2002-2011	Assistant Professor of Medicine, Alpert Medical School of Brown University
2002-present	Faculty Associate, The Center for Gerontology and Health Care Research, Alpert Medical School of Brown University
2007-present	Director, Scholarly Concentration in Aging. Warren Alpert Medical School at Brown University
2008- present	Director of Education, Division of Geriatrics and Palliative Medicine, Department of Medicine
2008- 2013	Director of Mandatory Intern Block Rotation, Division of Geriatrics and Palliative Medicine, Department of Medicine
2011- present	Associate Professor of Medicine (Clinician Educator), Alpert Medical School of Brown University
2012 – present	Director of Quality Management and Outcomes for the Department of Medicine

### **HOSPITAL APPOINTMENTS**

June 2002 - present	Rhode Island Hospital, attending
June 2002 - present	The Miriam Hospital, attending
Oct 2009 – 2015	Memorial Hospital of Rhode Island, Courtesy Category II – teaching preceptor

### **OTHER APPOINTMENTS**

2002-2003	Medical Director, Summit Nursing Home.
2003-2008	Volunteer Teacher for the RI Meals on Wheels Volunteer Guardian Program
2003	Reviewer of Best Practice Guideline on “Caregiving Strategies for Older Adults with Delirium, Dementia and Depression” released by the Registered Nurses Association of Ontario.
2003, 2007, 2010	Contributor, Question Writer: Pacala JT, Sullivan GM; Geriatric Review Syllabus, 7 <sup>th</sup> ed. New York: American Geriatrics Society; 2010
2003-2005	Reviewer for POGOe (Portal of Geriatrics Online Education) through the Mount Sinai School of Medicine, Brookdale Department of Geriatrics and Adult Education.
2004 - 2018	Consultant, Healthcentric Advisors (formerly Quality Partners of Rhode Island), the Quality Improvement Organization for the State of Rhode Island. -Physician lead in Rhode Island state-wide SCIP Collaborative (Surgical Care Improvement Project) and ICU Collaborative.
2004-2010	Reviewer/editor, Ferri’s Clinical Advisor 2005-2011 editions.
2004-2006	Section editor, Wachtel’s Geriatric Clinical Advisor 1 <sup>st</sup> edition (Geriatric Syndromes)
2005-2006	Medical Director, St. Elizabeth’s Nursing Home.
2005-2007	Clinical Consultant, St. Elizabeth’s Court Assisted Living Facility
2008-2011	Editor, Rhode Island Intensive Care Unit Collaborative Monthly Newsletter
2008-2017	Member, American Geriatrics Society National Public Education Committee

2009	Co-Editor, special issue in Rhode Island Medical Society Journal, <i>Medicine and Health</i> , on Quality Improvement Programs in Rhode Island, “Collaboration for Quality” August 2009
2011	Contributor, Question Writer: Flaherty E, Resnick B, eds. <i>Geriatric Nursing Review Syllabus: A Core Curriculum in Advanced Practice Geriatric Nursing</i> . 3rd ed. New York: American Geriatrics Society; 2011.
2012- present	Chair, Special Interest Group on Surgical-Geriatrics Co-management at the American Geriatrics Society
2012 – present	Director, Close Observation Medical Unit JB 2N Rhode Island Hospital
2015 – 2018	Consultant for the Regional New England QIN-QIO which includes 6 states (RI, MA, CT, NH, VT, Maine) for nursing home and hospital programs
2015 – present	Faculty and Geriatrics course section coordinator, Bryant University, Physician Assistant Lecture Series in Geriatric Medicine
2016 – 2017	Faculty, AO Trauma Course in Geriatric Fracture Management
2016 – present	Member, Editorial Board of the Hartford Funded AGS CoCare: Ortho (formerly known as GOC) Initiative
2018 – present	Faculty, Johnson and Wales Physician Assistant Program Geriatric Lecture Series
2001- present	Faculty, Steere House Nursing Home and Rehabilitation
2019 – present	Co-Director and Faculty, AGS CoCare: Ortho Online Educational Curriculum on Co-Management
2020 – present	AO Trauma Orthogeriatrics North American Regional Consultant

**Peer Reviewer** for the following medical journals or organizations:

Journal of American Geriatrics Society  
 Journal of Clinical Epidemiology  
 Gerontological Society of America Clinical Medicine Section Abstract Reviewer  
 American Geriatrics Society Abstract Reviewer  
 American Geriatrics Society Seminar Reviewer  
 POGOe – Portal of Geriatrics Online Education  
 American Board of Internal Medicine – Geriatric Medicine Board question reviewer  
 Primary Psychiatry  
 Medical Science Monitor  
 Intensive Care Medicine  
 Journal of General Internal Medicine  
 Aging – Clinical and Experimental Research  
 MedEdPortal Online Repository of Medical Education Products  
 The Joint Commission Journal on Quality and Patient Safety  
 Journal of Gerontology: Medical Sciences  
 Association of American Medical Colleges  
 Current Aging Science  
 New England Journal of Medicine

**HOSPITAL COMMITTEES**

1998 –1999 Chair, Quality Assurance Task Force Committee on the Prevention of Delirium at Evanston Hospital. This led to a preliminary study of the prevalence of delirium at Evanston Hospital and to an educational campaign to improve the recognition, prevention and treatment of delirium at the hospital. It also

	unmasked the high prevalence of unrecognized depression in the older population.
2002 – 2013	Chief Geriatrics Consultant and co-project manager, GENESIS project: a quality improvement initiative to improve the quality of care of older persons hospitalized at The Miriam Hospital. Three-step process of intensive education for the nursing staff, environmental changes, and development and implementation of protocols (mobility, sleep and nutrition) to prevent physical and cognitive decline as well as restraint use in hospitalized older persons.
2003 – 2007	Member and principal physician consultant, Pressure Ulcer Prevention Quality Improvement Program at Rhode Island Hospital. Involves doing prevalence studies of the rate of pressure sores, piloting a strategy of prevention of pressure sores, and implementing this policy hospital wide.
2003 – 2005	Member, Root Cause Analysis team investigating falls at Rhode Island Hospital.
2003 – 2005	Member of the Fall Prevention Committee at Rhode Island Hospital
2003 – 2005	Member, Pain Assessment and Management Committee at The Miriam Hospital to improve the education and use of pain assessment tools for use in older persons
2004 – 2005	Member, Medication Safety Committee at the Miriam Hospital to prevent medication errors and inappropriate medications or dosages given to older patients.
2004 – 2009	Geriatric Medication Committee at the Miriam Hospital.
2004 – 2005	Member, Search Committee for the position of Director of Geriatrics at Memorial Hospital.
2004 – 2005	Physician Order Entry Committee at the Miriam Hospital.
2005 – 2008	Member, Medication Safety Committee at Rhode Island Hospital to prevent medication errors and inappropriate medications or dosages given to older patients.
2006 – 2009	Physician champion, Pneumonia Vaccine Committee at the Miriam Hospital
2007 – 2011	Member, The Miriam Hospital's Patient Care Committee - a subcommittee of the Medical Staff Executive Committee
2007 – 2009	Member, The Miriam Hospital's Code Status Committee – a subcommittee of the Patient Care Committee
2008 – 2011	Member and physician consultant, Rhode Island Hospital Fall Committee
2009 – 2012	Co-Chair, The Miriam Hospital GENESIS Coordinating Council
2010 – 2014	Member, Constant Observation Committee Rhode Island Hospital
2011 – present	Co-Chair, Geriatrics Steering Committee, Rhode Island Hospital
2011 – present	Chair, Lifespan Geriatric Resource Nurse (GRN) course Interdisciplinary Committee
2011 – 2012	Member, Department of Medicine, Quality Representative Committee Quality Officer for the Division of Geriatrics and Palliative Medicine
2012 – present	Chair, Department of Medicine, Quality Representative Committee
2012 – present	Chair, Department of Medicine, Quality Steering Committee
2012 – present	Member, QMIC committee RIH
2012 – 2017	Member, ReSeC (Residency Selection Committee) for the Department of Medicine
2016 – present	Member, Lifespan Quality IT Council
2016 – 2017	Ad Hoc Member, OpX Delirium screening and prevention committee
2017 – present	Member, RIH Mortality Review Committee

### **UNIVERSITY COMMITTEES**

1992-1996	Member of several Education Committees McGill University.
1994-1995	Member of the Sexual Harassment Committee at McGill University.
2001-2002	Member, IMAGE Committee for the improvement of geriatric medical education in the Yale medical school curriculum as part of the Reynolds Foundation Grant.
2003-present	Member, Fellowship committee, Division of Geriatrics
2005-2010	Member, Reynold's Grant Committee on pre-clerkship committee.
2005-2011	Physician Representative, Reynold's Grant evaluation committee.
2005-2007	Inter-RAI committee member, developing an expert statement on the Delirium RAP.
2006-present	Co-Director, Scholarly Concentration in Aging
2006-present	Chair, Division of Geriatrics, Quality Improvement Project
2008-2011	Member, Donald W. Reynold's Grant Executive Committee
2009-2010	Member, Working Group 6: Assessment of Student Competency & Assessment of Curricular Effectiveness – Alpert Medical School Curricular Redesign Project
2012-2017	Co-chair, National Scholarly Concentration Collaborative AAMC
2012- present	Co-Chair, Subcommittee on Scholarly Concentration and Director, Scholarly Concentration Program at Alpert Medical School
2012 – 2018	Member, Reynolds Grant Executive Committee

### **OTHER COMMITTEES**

2004 – 2018	University Medicine, Human Resources Committee
2010 – 2014	Chair, Division of Geriatrics and Palliative Medicine, eClinicalWorks Implementation and EMR Committee
2011 – present	Member, Division of Geriatrics and Palliative Medicine, PCMH Committee
2016 – 2018	Member, Nursing Home Readmissions and Antibiotic Stewardship Committee Steere House Nursing Home
2016 – 2018	Chair, Appropriate Coumadin Management at the Geriatrics Practice Committee
2018 – present	Member, Brown Medicine Research Committee
2017 – present	Member, Brown Medicine Board of Directors

### **MEMBERSHIP IN SOCIETIES**

1988-1992	Canadian Physical Therapy Association
1992-1996	Canadian Medical Association
1996 – 1998	American College of Physicians
2000 – present	American Geriatrics Society
2000 – 2008	Royal College of Physicians and Surgeons of Canada
2001 – 2008	American Medical Directors Association
2002 – 2005	Rhode Island Medical Women's Association
2002 - 2008	Gerontological Society of America
2020 – present	AO Trauma
2020 – present	FFN (Fragility Fracture Network)
2020 – present	American Delirium Society

### **ABSTRACT PRESENTATIONS**

1. POSTER presentation at the Hartford/AFAR Fellow Poster Session – AGS Annual Conference May 2001 – **McNicoll L**, Inouye SK. Prevalence Study of Delirium in Critically Ill Older Patients.
2. PAPER presentation at the November 2001 GSA Annual Conference - **McNicoll L**, Inouye SK. Occurrence of Delirium in Older ICU Patients. **Clinical Person-In-Training Award**
3. POSTER presentation at the Presidential Poster Session of the 2002 AGS Annual Conference May 2002 - **McNicoll L**, Sobko-Koziupa, Zhang Y, Inouye SK. Detection of Delirium in the ICU: Validation of the CAM-ICU.
4. POSTER presentation at a special poster/discussion forum at the ATS Annual Conference May 2002 - Pisani M, Redlich CA, **McNicoll L**, Inouye SK. Detection of Pre-existing Cognitive Impairment in a Medical ICU Using Two Proxy Scales.
5. POSTER presentation at a special poster/discussion forum at the ATS Annual Conference May 2002 - **McNicoll L**, Pisani M, Inouye SK. Occurrence and Clinical Course of Delirium in Older ICU Patients.
6. PAPER presentation at the November 2002 GSA Annual Conference – **McNicoll L**, Pisani M, Zhang Y, Inouye SK. Adverse hospital outcomes in critically ill older patients: The effect of delirium.
7. POSTER presentation at the May 2003 AGS Annual Conference – Pisani MA, ElyEW, Redlich CA, **McNicoll L**, Inouye SK. Favorable outcomes of elderly patients with critical illness and preexisting cognitive impairment.
8. PAPER presentation at the May 2004 AGS Annual Conference – **McNicoll L**, Pisani MA, Inouye SK. One-year outcomes following delirium in older ICU patients. **Best Paper**
9. PAPER presentation at the November 2004 GSA Annual Conference – **McNicoll L**, Inouye SK, Gifford D, Baumhover L. Impact of 'Sitter' Reduction Policies on Restraint use and the Effect of a Targeted Multicomponent Intervention.
10. POSTER presentation at the November 2005 GSA Annual Conference – **McNicoll L**, Baumhover L. Cost Savings from a Multicomponent Delirium Intervention: Reduction in Delirium Rates and Length of Stay.
11. POSTER presentation at the Presidential Poster Session of the May 2006 AGS Annual Conference - **McNicoll L**, Baumhover L. Improving Patient Safety Outcomes Using a Delirium Prevention Program; Reducing Injurious Falls, Pressure Ulcers, and Sitter Use. **New Investigator Award**
12. POSTER presentation at the Presidential Poster Session of the May 2006 AGS Annual Conference – Dosa DM, **McNicoll L**, Intrator O, Cang Y, Teno J. The development of a nursing home confusion assessment measure (NH-CAM) and an examination of delirium-based prognosis following hospitalization.
13. POSTER presentation at the Brown Medical School, Department of Medicine, 12<sup>th</sup> Annual Research Forum June 2006: **McNicoll L**, Baumhover L. Hospital Delirium Prevention Program Improves Patient Outcomes.
14. POSTER presentation at the Brown Medical School, Department of Medicine, 12<sup>th</sup> Annual Research Forum June 2006: **McNicoll L**, Baumhover L. Cost savings from a multicomponent delirium intervention: Reduction in delirium rates and length of stay.
15. POSTER presentation at the 10<sup>th</sup> National Magnet Conference 2006: Baumhover L, Ducharme M, **McNicoll L**. A Model of Care that Fosters a Geriatric Friendly Environment.

16. POSTER presentation at the Presidential Poster Session of the May 2008 AGS Annual Conference – **McNicoll L**, Intrator O, Lima J. ICU Utilization Among Nursing Home Residents.
17. POSTER presentation at the Alpert Medical School of Brown University, Department of Medicine, 14<sup>th</sup> Annual Research Forum June 2008: **McNicoll L**, Intrator O, Lima J. ICU Utilization Among Nursing Home Residents.
18. POSTER presentation at the IHI (Institute for Healthcare Improvement) 20<sup>th</sup> Annual Conference, December 2008: Cornell M, **McNicoll L**. The Rhode Island ICU Collaborative: Results on a statewide effort to improve clinical outcomes.
19. PAPER presentation at the May 2009 American Geriatrics Society Conference – **McNicoll L**, Nanda A, Besdine RW. Cadaver Treasure Hunt: Introducing Geriatrics Concepts in the Anatomy Class.
20. POSTER presentation at the May 2009 American Geriatrics Society Conference – **McNicoll L**, Nanda A, Fulton Tuya A, Curtin A, Dexter C, Hurley M, Roach R, McMackin N, Besdine RW. Novel Program for Faculty Development of Geriatrics Educator Clinicians.
21. POSTER presentation at the May 2009 American Geriatrics Society Conference Geriatric Academic Career Award Poster Session – **McNicoll L**, Nanda A, Besdine RW. Cadaver Treasure Hunt: Introducing Geriatrics Concepts in the Anatomy Class.
22. POSTER presentation at the May 2009 American Geriatrics Society Conference Geriatric Academic Career Award Poster Session – **McNicoll L**, Nanda A, Fulton Tuya A, Curtin A, Dexter C, Hurley M, Roach R, McMackin N, Besdine RW. Novel Program for Faculty Development of Geriatrics Educator Clinicians.
23. POSTER presentation at the June 2009 Warren Alpert Medical School of Brown University 5<sup>th</sup> Annual Research Day. **McNicoll L**, Nanda A, Besdine RW. Cadaver Treasure Hunt: Introducing Geriatrics Concepts in the Anatomy Class.
24. POSTER presentation at the June 2009 Warren Alpert Medical School of Brown University 5<sup>th</sup> Annual Research Day. **McNicoll L**, Nanda A, Fulton AT, Curtin A, Dexter C, Hurley M, Roach R, Besdine RW. Novel Program for Faculty Development of Geriatrics Clinician Educators
25. POSTER presentation at the June 2009 Warren Alpert Medical School of Brown University 5<sup>th</sup> Annual Research Day. **McNicoll L**, DePalo V. The Rhode Island Intensive Care Unit Collaborative: Results on a Statewide Effort to Improve Clinical Outcomes.
26. PAPER presentation at the November 2009 Gerontological Society of America Annual Meeting - Wetle T, Shield R, Campbell SE, Wang AR, **McNicoll L**. Measuring “Dose” of Geriatrics in Medical School Curricula: An Innovative Evaluation Strategy.
27. PAPER presentation at the December 2009 Institute of Healthcare Improvement Annual Meeting - **McNicoll L**, Cornell M, Adams L. Improving clinical outcomes and unit culture through the development of a safety attitudes action plan.
28. POSTER presentation at the January 2010 39<sup>th</sup> Critical Care Congress of the Society of Critical Care Medicine. **McNicoll L**, Cornell M, Levy M. The RI ICU Collaborative: Results of a statewide effort to improve sepsis care and clinical outcomes.
29. POSTER presentation at the October 2010 Center to Advance Palliative Care Conference. Cornell M, **McNicoll L**, Martin E, Levy M. Improving Palliative Care in RI ICUs: a Model for Success.
30. POSTER presentation at the International Quality Forum in Amsterdam, Netherlands April 2011. DePalo VA, Rocha JM, Cornell M, **McNicoll L**, Adams L. The RI ICU Collaborative: A Model for Quality.
31. POSTER presentation at the American Thoracic Society Annual Conference May 2011. Black M, Cornell M, **McNicoll L**, Curtis JR, Fava J, Levy M. A Multifaceted Intervention to Improve Communication in the ICU.
32. POSTER presentation at the 2012 Warren Alpert Medical School of Brown University Sheridan Center for Teaching and Learning 25<sup>th</sup> Anniversary Celebration November 2012. **McNicoll L**, Nanda A, Fulton AT, Curtin A, Dexter C, Hurley M, Roach R, Besdine RW. Novel Program for Faculty Development of Geriatrics Clinician Educators.

33. POSTER presentation at the 2013 NICHE Annual Meeting April 2013. **L. McNicoll**, MD, N. Mujahid, MD, D. Dumouchel, RN, L. Fontaine-Greenless, RN, B. Riley, RN. Inter-Disciplinary Collaboration Fosters Success in New Geriatric Fracture Program at RIH.
34. POSTER presentation at the 2013 NICHE Annual Meeting April 2013. **Lynn McNicoll**, MD, Casey Cournoyer, RN, Rachel Roach, RNP, David Carroll, RN, Kelly Collins, RN, John Fedo, RN, Barbara Riley, RN. Close Observation Medical Unit: A Model for Nursing and Geriatrics Collaboration.
35. POSTER presentation at the 2013 American Geriatrics Society Annual Meeting May 2013. **L. McNicoll**, MD, N. Mujahid, MD, D. Dumouchel, RN, L. Fontaine-Greenless, RN, B. Riley, RN. Inter-Disciplinary Collaboration Fosters Success in New Geriatric Fracture Program at RIH.
36. POSTER presentation at the 2013 American Geriatrics Society Annual Meeting May 2013. **Lynn McNicoll**, MD, Casey Cournoyer, RN, Rachel Roach, RNP, David Carroll, RN, Kelly Collins, RN, John Fedo, RN, Barbara Riley, RN. Close Observation Medical Unit: A Model for Nursing and Geriatrics Collaboration.
37. POSTER presentation at the Academy Health Annual Conference June 2013. Serena Miotto, MD; **Lynn McNicoll**, MD; Kristen Butterfield, MPH; Christina Rincon, MD; Mriganka Singh, MD; Stefan Gravenstein, MD, MPH. Do hospital providers teach and can patients learn basic self-management skills?: Opportunities lost.
38. POSTER presentation at the 2013 Lifespan Annual Nursing Symposium, Bridging the Gap: Using Evidence to Deliver Best Practice at the Bedside November 2013. **L. McNicoll**, MD, N. Mujahid, MD, D. Dumouchel, RN, L. Fontaine-Greenless, RN, B. Riley, RN. Inter-Disciplinary Collaboration Fosters Success in New Geriatric Fracture Program at RIH.
39. POSTER presentation at the 2013 Lifespan Annual Nursing Symposium, Bridging the Gap: Using Evidence to Deliver Best Practice at the Bedside November 2013. **Lynn McNicoll**, MD, Casey Cournoyer, RN, Rachel Roach, RNP, David Carroll, RN, Kelly Collins, RN, John Fedo, RN, Barbara Riley, RN. Close Observation Medical Unit: A Model for Nursing and Geriatrics Collaboration.
40. POSTER presentation at the 2014 American Geriatrics Society Annual Meeting May 2014. **McNicoll L**, Butterfield K, Fedo J, Riley B. Dramatic Reductions in Constant Observation Usage Using a Comprehensive Multidisciplinary Approach.
41. POSTER presentation at the 2014 American Geriatrics Society Annual Meeting May 2014. Sarfraz S, Miotto S, **McNicoll L**, Butterfield K, Rincon C, Singh M, Gravenstein S. Transitional Care Education of Hospital Providers May Lead to Improved Patient Self-Management.

**GRANTS****ACTIVE:**

1. 2017-2020 **Project:** Hartford Foundation AGS CoCare: Ortho Dissemination Grant. **Role:** co-PI. **PI:** Richard Besdine, MD. **Funding Agency:** John A. Hartford Foundation. **Amount:** \$1,000,000 over 3 years.

**COMPLETED:**

1. 2005-2013 **Project:** Rhode Island Intensive Care Unit Collaborative for the dissemination and implementation of evidence-based protocols to improve practices and patient safety in ICU statewide. **Role:** Co-PI and Project Manager. **PI:** Laura Adams, CEO RIQI. **Funding Agent:** Unrestricted funds provided by United Healthcare Insurance, Blue Cross Blue Shield of Rhode Island Health Insurance, and Neighborhood Health Plan. **Amount:** \$2,783,000 over 6 years. Funding carried over for 2011-2012
2. 2006 – 2010 **Project:** Donald W. Reynolds Foundation Mandatory Geriatric Education for The Warren Alpert Medical School of Brown
2. University **Role:** Contributor and consultant on executive committee, evaluation committee, clerkship committee, and residency committee. Contributor to comprehensive curriculum redesign. **PI:** Richard Besdine, MD. **Funding Agent:** Donald W. Reynolds Foundation. **Amount:** \$2,000,000, 4 year award beginning July 01, 2006.
3. 2007-2010 **Project:** Geriatric Academic Career Award (GACA). **Role:** Recipient. **Funding Agent:** Department of Health and Human Services. **Amount:** \$64,000 Annually for 3 years.
4. 2007 – 2008 **Project:** ICU mortality among nursing home residents. **PI:** Lynn McNicoll. **Funding Agency:** Rhode Island Foundation. **Amount:** \$10,000 over 1 year.
  - a. **Project:** ICU utilization among nursing home residents. **PI:** Lynn McNicoll. **Funding Agency:** SURDNA grant from the Center for Gerontological and Public Health Research from Warren Alpert School of Medicine. **Amount:** \$15,000 over 1 year.
5. 2006-2007 **Project:** Impact of a Nurse Driven Mobility Protocol on Functional Decline in Hospitalized Older Adults. **Role:** Consultant **PI:** Cindy Padula, RN. **Funding Agency:** JR Levy Foundation Grant **Amount:** \$30,000 over 1 year.
6. 2006 **Project:** Improving Outcomes for the Geriatric Patient in the Critical Care setting. **Role:** Physician Consultant. **PI:** Karen Rizzo, RN. **Funding Agency:** Practice Change Fellows from the Atlantic Philanthropies Foundation. **Amount:** \$45,000 per year for 2 years. PI left the institution after 2 months.
7. 2008-2011 **Project:** John A. Hartford Foundation Center of Excellence in Geriatric Medicine and Training. **Role:** John A. Hartford Scholar (Educator Clinician). **PI:** Richard Besdine, MD. **Funding Agent:** John A. Hartford Foundation. **Amount:** \$450,000.
8. 2010-2011 **Project:** Lifespan Risk Management Grant “Improving Quality of Care for Patients with Acute Delirium through Occupational Therapy and Nursing Collaboration” **Role:** Collaborator and consultant. **PI:** Karen Joost RN and Suzanne Brown OT. **Funding Agency:** Lifespan Risk Management. **Amount:** \$26,000 for 1 year.
9. 2011-2012 **Project:** Jane Brown CNA Geriatric Training. **Role:** PI. **Funding Agency:** RISE Lifespan Malpractice Insurance Company. **Amount:** \$30,000 for one year.
10. 2011-2013 **Project:** Brown CRIT PLUS program to educate chief residents, fellows, and nurses on leadership and geriatric care. **Role:** Co-PI. **PI:** Staci Fischer, MD. **Funding Agency:** ADGAP. **Amount:** \$114,000 for 2 years.
11. 2011-2012 **Project:** Geriatric Emergency Preparedness Training. **Role:** PI, Content Expert and planning committee member. **Funding Agency:** RISE Malpractice Insurance Company. **Amount:** \$2000 for year 1, \$4500 for year 2.

12. 2016 **Project:** Hartford Foundation GCo Development grant. **Role:** consultant. **PI:** Richard Besdine, MD. **Funding Agency:** John A. Hartford Foundation. **Amount:** \$250,000 over 1 year.
13. 2013-2017 **Project:** Donald W. Reynolds Next Steps Grant. Educating specialty residents and hospitalist in geriatrics. **Role:** Co-PI. **PI:** Richard Besdine, MD. **Funding Agency:** Donald W. Reynolds Foundation. **Amount:** \$1,000,000 over 4 years.

#### **OTHER RESEARCH PROJECTS:**

- 1999 – 2002 **Project:** ELCID “Cognitive Impairment and Delirium in the Elderly” Study at Yale University investigating the presence of dementia and delirium in a cohort of older ICU patients. **PI:** Lynn McNicoll and Margaret Pisani. **Funding Agency:** Yale mentoring grants to Dr. Sharon Inouye.
- 2001- 2004 **Project:** Yale Delirium SPECT Study committee, a pathophysiological study of older persons with delirium. **Role:** Member **PI:** Sharon Inouye. **Funding Agency:** Yale mentoring grants to Dr. Sharon Inouye.
- 2002 – 2003 **Project:** Yale EPIC study committee for the implementation of a large primary data collection study of the relationship of psychoactive medications with cognitive impairment during and following intensive care. Funded by Hartford Foundation grant. **Role:** member and consultant. **PI:** Margaret Pisani. **Funding Agency:** Hartford Foundation Grant.
- 2004-2007 **Project:** Development of an Updated Resident Assessment Protocol for Nursing Home Delirium. **Role:** Consultant. **PI:** David Dosa.

#### **UNIVERSITY TEACHING ROLES**

- 1999 – 2002 Women’s Health Elective, Yale University School of Medicine, Didactic Session on “The Healthy Older Woman”. Given 3-4 times yearly to a small group of 2-6 medical and nursing students.
- 2002 Contributor, development and implementation of a geriatric medicine curriculum for the Yale University School of Medicine through the IMAGE program. Specifically, I developed a complex surgical case for use as a computer and workshop teaching tool.
- 2002 – 2009 Practice Preceptor, Alpert School of Medicine of Brown University, Community Health Rotation in Geriatric Medicine – various times, usually once or twice per year, includes 2-3 sessions per week for 6 weeks.
- 2002-2005 Preceptor, Internal Medicine Resident Clerkship, Alpert Medical School of Brown University.
- 2003 – 2014 Yearly noon lecture, Brown Aging Interest Group on “Sexuality in the Older Person” to 1<sup>st</sup> and 2<sup>nd</sup> year medical students.
- 2003 – present Coordinator of lecture and call schedules, Division of Geriatrics.
- 2005-2009 Mentoring, Alpert Medical School, Community Health Clerkship students on research or educational projects. 3 students over 4 years.
- 2007 – 2009 Community Preceptor, Alpert Medical School at Brown University, Doctoring Course, for 2 first year medical students.
- 2007 Small Group Discussion Leader, Doctoring course, a special session on polymyalgia rheumatica.
- 2007 – present Shadowee, Scholarly concentration in aging participants shadow a geriatrician once a month during the second year. 1 shadower per year.
- 2008 – 2013 Faculty and coordinator, Geriatric Anatomy Lab Workshop
- 2010 Lecturer, Human Reproduction, Growth and Development Course – Aging Reproductive Health

2017 – present            Preceptor and Mentor, School of Public Health MPH student – ongoing  
 2016-2018                Thesis Advisor, MPH student Daniel Harris

### **HOSPITAL TEACHING ROLES**

1999-2002                Biweekly Attending Rounds on the Rehabilitation Unit for 2-3 house officers. 1 to 3 months per year

2001                        Bridgeport Hospital Teaching Attending Month. 2-hour sessions three times a week in case format with bedside teaching.  
 Lecture, Resident rounds – Delirium.

2002-2005                Coordinator and lecturer, The Miriam Hospital GENESIS program 3-day course on geriatric issues for all nurses and nurse's aides. The program was rolled out unit by unit over several years. I helped coordinate the entire program but also gave the lecture on delirium. The entire education program was given 5-6 times for each unit to allow nurses for education during a full 3 days.

2002 - 2005                Attending, Geriatric Teaching Rounds at Rhode Island Hospital once per week during attending rotations.

2002 – 2005                Attending, Geriatric Teaching Rounds at The Miriam Hospital twice per month during attending rotations.

2002 – 2008                Lecturer, Department of Medicine, mandatory geriatrics rotation for internal medicine residents. Lecture on average once per month on various topics (delirium, dementia, falls, urinary incontinence). This occurs monthly (10 months out of the year) and preceptor at clinic and in nursing home visits usually once or twice monthly.

2002 - 2009                Attending, Geriatric Teaching Service, 8 weeks/year.

2002 - 2017                Lecturer, Rhode Island Hospital and The Miriam Hospital Noon conference, once or twice per year on comprehensive geriatric assessments.

2002 - 2018                Lecturer, Primary Care Internal Medicine Residents at Rhode Island Hospital on geriatric issues – 1-2 hour lecture quarterly on urinary incontinence.

2002 – present            Lecturer, Division of Geriatrics, Geriatric Medicine Fellowship Lecture Series. Annual talks on Delirium, and Sexuality in the Elderly. Occasional talks on evaluation and feedback of learners (2005), public reporting (2007), or Review of a screening article (2007).

2002 – present            Mentor and advisor, 1-3 geriatric medicine fellows, throughout their fellowship.

2002 – present            Preceptor, Geriatric Medicine Fellowship ambulatory clinic, half-day weekly throughout the year.

2007 – 2010                Lecturer, Women and Infant's Obstetrics and Gynecology Residency Program, Core Curriculum geriatrics content, yearly on functional assessment or on preventive care in older women.

2008 – present            Lecturer, Department of Medicine, mandatory geriatrics rotation for internal medicine residents. Lecture typically 4 hours per month on various topics (delirium, dementia, falls, urinary incontinence, end of life care, nursing home care). This occurs monthly (10 months out of the year) and preceptor at ambulatory clinic 2-3 times monthly.

2009 – 2010                Faculty, Memorial Hospital Geriatrics Rotation, lecture and rounds half-day per week with family medicine and internal medicine residents (occasionally students) on delirium, falls, out-patient preventive services, and urinary incontinence. Mentoring a senior geriatric medicine fellow in the process.

2012 – present            Course Director, GRN nursing course for Lifespan nurses caring for geriatric patients. 18 Contact hours available for nurses.

2011- present

Mentor and Senior Faculty Advisor, Co-Management Service Line mentoring up to 5 junior faculty in 6 co-management programs (Geriatric Fracture, Geriatric Trauma, Geriatric Urology, Geriatric Colorectal Surgery, Geriatric Elective Joint, and Geriatric Oncology Assessment)
