
CURRICULUM VITAE
Mary Cunningham Sullivan

Women & Infants Hospital
Brown Center for the Study of Children at Risk
50 Holden Street
Providence, R.I. 02903

Phone: 401-453-7635
Fax: 401-453-7639
Email: masullivan@wihri.org

University of Rhode Island
College of Nursing
White Hall
Kingston, R.I. 02881

Phone: 401-874-2766
Fax: 401-874-2601
Email: mcsullivan@uri.edu

EDUCATION

Undergraduate

Salve Regina College
Nursing, B.S. 1975

Other Advanced Degrees

University of Nebraska
M.S., Nursing, 1981
University of Rhode Island
Ph.D., Nursing, 1994

POSTGRADUATE HONORS
AND AWARDS

International Honor Society of Nursing, Sigma Theta Tau, University of Nebraska, 1981
Chapter Service Award, Sigma Theta Tau International, Delta Upsilon Chapter, 1986
Sigma Xi National Research Society, University of Rhode Island Chapter, 2001
Outstanding Research Award, University of Rhode Island, 2004
Sabbatical leave, University of Rhode Island, 2008
Ellen Rudy Clore Award for Excellence in Research Writing, *Journal of Pediatric Health Care*, 2008
Louise White Award, Delta Upsilon Chapter, Sigma Theta Tau, 2008
Fellow, American Academy of Nursing, 2010
Senior Nurse Scientist Yvonne L. Munn Center for Nursing Research at Massachusetts General Hospital, Boston, MA, 2011
Fellow American Association of Colleges of Nursing, Leadership for Academic Nursing Program (LANP), 2011
Selected Participant (inaugural cohort), AACN-Wharton Executive Leadership Program, University of Pennsylvania, Philadelphia, PA, 2012
President's Award, Eastern Nursing Research Society, 2012
Sustained Influential Leader, Eastern Nursing Research Society, 2013

PROFESSIONAL LICENSES AND BOARD CERTIFICATION

R.N. Massachusetts, 1975
R.N. Vermont, 1976-1979
R.N. Nebraska, 1978-1982
R.N. Rhode Island, # RN23756, 1981-present

ACADEMIC APPOINTMENTS

Clinical Instructor, Rhode Island College, 1985-1987
Clinical Instructor, University of Rhode Island, 1994-1998
Assistant Professor, University of Rhode Island, 1998-2002
Associate Professor, with tenure, University of Rhode Island, 2002-2006
Professor, University of Rhode Island, 2006-present
Adjunct Professor of Pediatrics, Dept of Pediatrics, Brown Medical School, 2007-present
Director of Graduate Studies in Nursing, University of Rhode Island, 2008-2012
Interim Dean, University of Rhode Island, 2012-present

HOSPITAL APPOINTMENTS

Staff nurse, University Medical Center Hospital of Vermont, Burlington, VT, 1975-77
Staff nurse, University of Nebraska, University Health Center, Lincoln, NE, 1977-81
Clinical Nurse Specialist, Women & Infants Hospital, 1989-1991
Research Scientist, Allied Health Professional, Women & Infants Hospital, 2001-present
Mentor Women & Infants Hospital, NICU Shared Governance Council, 2011-2012

OTHER APPOINTMENTS

Reviewer, *Western Journal of Nursing Research*, 1999-present
Reviewer, *Research in Nursing and Health*, 1999-present
Reviewer, *Nursing Research*, 2001-present
Member, NIH Study Section, Child Psychopathology & Developmental Disabilities (CPDD), 2004-2007
Ad hoc member, NIH NRSA F32 Study Section, 2006
Invited Reviewer, *Behavioral & Developmental Pediatrics*, 2004, 2009
Invited Reviewer, *Pediatrics*, 2004, 2007, 2008
Reviewer, *Journal of Obstetrical, Gynecological & Neonatal Nursing*, 2008
Ad hoc member, NIH NSCF Study Section, 2009
Ad hoc member, NIH ZRG1 HDM-E (96) July 2009
Invited Reviewer, *Developmental Medicine & Child Neurology*, 2009
Member, NIH, NRCS Study Section 2010-present

HOSPITAL COMMITTEES

NICU Developmental Care Committee, Women & Infants Hospital, 2005-2008

STATE COMMITTEES

Appointed member, Health Professional Loan Repayment Board, RI Department of Health, 2012-2015

UNIVERSITY COMMITTEES

University of Rhode Island

Faculty Senate	2000- 2003
Council of Research	2001- 2004
Ad Hoc Committee on Graduate Education & Research	2004- 2006
College Research Representatives Group	2004- 2005
Search Committee, Vice Provost for Research, Dean of Graduate School	2006
Graduate Council	2008
University Graduate Council	2008-2012
Nursing Education Center, Feasibility Study	2010
Deans Council, Office of the Provost	2012-present
Joint Committee on Academic Planning, Dean's Representative	2012-present

University of Rhode Island, College of Nursing

Program Evaluation Committee	1998 – present; Chair 2000 - 2008
Search Committee	2000-2001; 2003- 2004; 2005-2007; 2008-2012
Peer Review Committee	2003; 2006 (Chair); 2008
Research Committee	2007-2012
Graduate Faculty Council	1998-2012; Chair, 2008-2012

MEMBERSHIP IN SOCIETIES

Sigma Theta Tau International, Delta Upsilon Chapter-at Large, 1981-present
American Nurses Association/RI State Nurses Association, 1990-present
Eastern Nursing Research Society, 1992-present; Secretary 1999-2003;
President Elect 2004-2006; President 2006-2008;
Conference Planning Committee 2009-2010
Society for Research in Child Development, 1994-2002
New York Academy of Science, 2005-2006
Council for Advances in Nursing Science, 2000-present; Steering Committee 2004-2008
Awards Chair, 2008

- Msall, M. E., Sullivan, M. C., & Miller, R. J. (2011, October). *17-year outcomes in functioning*

- and participation after prematurity: Application of the International Classification of Functioning model.* Paper session presented at the 65th Annual Meeting of the AACPD conference, Las Vegas, Nevada.
- Sullivan, M. C., Miller, R. J., Winchester, S. B., Barcelos, M., Oliveira, E., & Popa, A. (2012, May). *Developmental origins theory and HPA axis function: Evidence from a longitudinal study of preterm infants at young adulthood.* Poster session presented at the Massachusetts General Hospital, Yvonne L. Munn Center for Nursing Research, Nursing Research Expo, Boston, MA. (This poster won the Nursing Research Poster Award)
- Sullivan, M. C., Msall, M. E., & Miller, R. J. (2012, May). *Functioning and participation outcomes of preterm infants at age 17.* Poster session presented at the Massachusetts General Hospital, Yvonne L. Munn Center for Nursing Research, Nursing Research Expo, Boston, MA.
- Sharafi, M., Duffy, V. B., Miller, R. J., Winchester, S. B., Fogel, A., & Sullivan, M. C. (2012, October). *Differences in food preference and dietary restraint between young adult preterms versus controls may parallel future chronic disease risk.* Poster session presented at the Academy of Nutrition and Dietetics, Food and Nutrition Conference, Philadelphia, PA.
- Winchester, S. B., Sullivan, M. C., Miller, R. J., Barcelos, M., & Oliveira, E. (2013, April). *Diurnal patterns of hypothalamic-pituitary-adrenal axis and sympathetic-adrenal-medulla function in preterm infants at young adulthood.* Paper session presented at the Eastern Nursing Research Society, Boston, MA.
- Sharafi, M., Duffy, V. B., Miller, R. J., Winchester, S. B., & Sullivan, M. C. (2013, April) *Do dietary behaviors of adult preterms explain some of the elevated future risk of cardiovascular disease (CVD)?* Paper session presented at the Experimental Biology, Boston, MA.
- Sharafi M, Duffy VB, Miller RJ, Winchester SB, Sullivan MC. & Huedo-Medina T. (2013, April). *Development of Healthy Eating Preference Index: evidence of content and predictive validity.* Paper session presented at the 27th New England Statistics Symposium, Storrs, CT.
- Winchester, S. B., Sullivan, M. C., Miller, R. J., Barcelos, M., Oliveira, E., & Msall, M. E. (2013, May). *Impact of executive dysfunction among preterm infants at age 23.* Paper session presented at the Pediatric Academic Societies, Washington, DC.
- Sullivan, M. C., Winchester, S. B., Miller, R. J., Barcelos, M., Oliveira, E., & Msall, M. E. (2013, May). *Medical, neurological, and psychological health status at age 23 years among preterm Infants with diverse neonatal morbidities.* Poster session presented at the Pediatric Academic Societies, Washington, DC.
- Roberts, M. R., Sullivan, M. C., Winchester S. B., & Miller, R. J. (2014, April). *Examining solutions to missing data in longitudinal research.* Abstract submitted to the Eastern Nursing Research Society, Philadelphia, PA.
- Ziegler, J. Z., Mitchell, P. A., Sullivan, M. C., Winchester, S. B., Klevak, A., & Miller, R. J. (2014, May). *Exercise responses and pulmonary function testing in preterm infants at age 23.* Abstract submitted the Pediatric Academic Societies, Vancouver, BC, Canada.

GRANTS

1. Maternal Attachment Behaviors with 4-year-old Children Born at Risk: A Content

-
- Analysis. Delta Upsilon Chapter-at-Large Research Award, \$1500, 1991. Role: Principal Investigator.
 2. Competency of School Age Term and Preterm Children (RO1 NR 003695-01). NIH NINR, \$774,061, 1994-98. Role: Co-Investigator
 3. Adolescent Competency: Risk & Protective Processes (2 RO1 NR 003695-05). NIH NINR, \$1,156,760, 1998-2002. Role: Co-Investigator
 4. Preschool Motor and Functional Performance in Two Cohorts (RO3-HD37627). NIH NICHD, \$140,000, 2000-2003. Role: Principal Investigator.
 5. Brain Structure and Activation in Children Born Preterm (1 P20 RR 16457-02). NIH NCRR RI BRIN, \$45,978, 2002-2004. Role: Principal Investigator
 6. Longitudinal Trajectories of Infants Born Preterm (5 RO1 NR 003695-10). NIH NINR, \$1,723,814, 2003-present. Role: Principal Investigator.
 7. Neuroactivation of Brain Motor Areas in Preterm Children. Delta Upsilon, \$2500, 2004. Role: Principal Investigator.
 8. Preschool Outcomes of Healthy Preterm Infants. Nursing Foundation of RI, \$2500, 2004. Role: Principal Investigator.
 9. Dissemination of Knowledge for Family Outreach Program Nurses. URI Outreach Development Funds, \$6000, 2005. Role: Principal Investigator.
 10. Ambient Sound in the NICU. Dept of Pediatrics, Delta Upsilon, \$5500, 2007-08. Role: Co-investigator, S. Matook, PI (graduate student).
 11. Effects of Open Bay versus Single Room NICU on Infant Outcome at Discharge. Women & Infants, Dept of Pediatrics, 2007-2011. Role: Co- Investigator with Barry Lester.
 12. Risk & Protection in Trajectories of Preterm Infants: Birth to Adulthood (5 RO1 NR 003695-14). NIH NINR, \$2,385,397, 2008-2013 (NCE). Role: Principal Investigator
 13. Advanced Education Nursing Traineeships. (Award Number: 2 A10HP00163-10-00). Department of Health and Human Services Health Resources Administration. \$52,619.00. 2009-2010. Role: Principal Investigator
 14. Summer 2009 Supplement Grant. (Award Number: 3R01NR003695-14A1W1). Recovery Act Funds for Administrative Supplements Providing Summer Research Experiences for Students and Science Educators. \$26,603. 2009. Role: Principal Investigator.
 15. MRI in Late Preterm Infants (pilot study). Women & Infants, Dept of Pediatrics, 2009. Role: Principal Investigator.
 16. Advanced Education Nursing Traineeships. (Award Number: A10HP25170-02-00). Department of Health and Human Services Health Resources Administration. \$686,000.00. 2012-2014. Role: Principal Investigator
 17. Southern Rhode Island Health Education Center Program. Department of Health and Human Services Health Resources Administration. 2012-2017. Role: Subcontract PI.
