

CURRICULUM VITAE

Margaret Hanson Bublitz, PhD

Business Address Women's Medicine Collaborative
The Miriam Hospital
146 West River Street, Suite 1F
Providence, RI 02904

Business Telephone Number Phone: 401-793-7884

Business Fax Number Fax: 401-793-8056

Electronic Mail Address margaret_bublitz@brown.edu

EDUCATION

B.A. **Hamilton College**, Clinton, New York
2002
Major: Psychology
Phi Beta Kappa
Senior Thesis Advisor: Greg Price, PhD

M.A. **University of British Columbia**, Vancouver, BC, Canada
2005
Area: Clinical/Health Psychology
Advisor: Edith Chen, PhD

M.A. **Brown University**, Providence, RI, USA
2024
Ad eundem

Ph.D. **University of British Columbia**, Vancouver, BC, Canada
2010
Area: Clinical/Health Psychology
Advisor: Edith Chen, PhD

POSTGRADUATE TRAINING

7/2009-6/2010 **Clinical Psychology Internship**
Behavioral Medicine Track
Alpert Medical School of Brown University, Providence, Rhode Island
Mentor: Laura Stroud, PhD

8/2010-8/2012 **Postdoctoral Fellowship**
NIH T32 Fellowship from NHLBI and Brown University
Alpert Medical School of Brown University, Providence, Rhode Island
Mentor: Laura Stroud, PhD

2/2023-5/2023 **Brown Physicians Inc Leadership Academy**
Cohort 8 graduate

HONORS AND AWARDS

2001 Hamilton College Senior Research Fellow

| | |
|-----------|---|
| 2001 | Hamilton College B.F. Skinner Prize for undergraduate research |
| 2001 | New York State Women's Athletic Association Scholar-Athlete |
| 2002 | Elihu Root Fellowship for female Hamilton College graduates |
| 2002 | National Collegiate Athletic Association (NCAA) Post-Graduate Scholarship |
| 2002-2003 | NIH Post baccalaureate Intramural Research Training Award |
| 2005 | British Columbia Medical Services Foundation Summer Research Scholarship |
| 2005 | University of British Columbia University Graduate Fellowship |
| 2007 | University of British Columbia Psychology Department Travel Award |
| 2007 | Jean MacDonald Graduate Fellowship |
| 2007 | University of British Columbia University Graduate Fellowship |
| 2007-2009 | Izaak Walton Killam Doctoral Scholarship |
| 2008-2009 | Human Early Learning Partnership (HELP) Dissertation Award |
| 2018 | CHEST Foundation Travel Award |
| 2022 | Brown Early Career Research Achievement Award, Brown University |
| 2022 | Society of Behavioral Medicine Abstract Citation Award |
| 2023 | Betty Marcus Women's Health Endowment Fund Award |

PROFESSIONAL LICENSES

2012-present **Licensed Psychologist, Rhode Island License: PS01319**

ACADEMIC APPOINTMENTS

8/2012-6/2014 **Instructor (Research)**
Department of Psychiatry and Human Behavior
Alpert Medical School of Brown University, Providence, Rhode Island

6/2014-11/2019 **Assistant Professor (Research)**
Department of Psychiatry and Human Behavior
Alpert Medical School of Brown University, Providence, Rhode Island

8/2015-11/2019 **Assistant Professor (Research)**
Department of Medicine
Alpert Medical School of Brown University, Providence, Rhode Island

12/2019-06/2023 **Assistant Professor Research Scholar**
 Department of Psychiatry and Human Behavior
 Alpert Medical School of Brown University, Providence, Rhode Island

12/2019-06/2023 **Assistant Professor Research Scholar**
 Department of Medicine
 Alpert Medical School of Brown University, Providence, Rhode Island

08/2022-06/2023 **Assistant Professor Research Scholar**
 Behavioral and Social Sciences
 Brown University School of Public Health, Providence, Rhode Island

7/2023- **Associate Professor Research Scholar**
 Department of Psychiatry and Human Behavior
 Alpert Medical School of Brown University, Providence, Rhode Island

7/2023- **Associate Professor Research Scholar**
 Department of Medicine
 Alpert Medical School of Brown University, Providence, Rhode Island

7/2023- **Associate Professor Research Scholar**
 Behavioral and Social Sciences
 Brown University School of Public Health, Providence, Rhode Island

03/2024- **Associate Professor Research Scholar**
 Obstetrics and Gynecology
 Alpert Medical School of Brown University, Providence, Rhode Island

HOSPITAL APPOINTMENTS

8/2012-11/2019 **Research Scientist**
The Miriam Hospital, Providence, Rhode Island

11/2019-04/2024 **Senior Research Scientist**
The Miriam Hospital, Providence, Rhode Island

5/2015-04/2024 **Staff Psychologist**
The Miriam Hospital, Providence, Rhode Island

04/2024-present **Staff Psychologist**
Lifespan Physicians Group, Providence, Rhode Island

OTHER APPOINTMENTS

1999-2002 Student Athlete Advisory Committee, Hamilton College

1998-2002 Psi Chi Society Member, Hamilton College

- 2016-2021** Data Safety Monitoring Board Member, National Heart, Lung and Blood Institute (R01HL130702; PI: Bourjeily) *Predictors of de novo development of obstructive sleep apnea in pregnancy.*
- 2021-2024** Associate Director of Research, Women’s Medicine Collaborative
The Miriam Hospital, Providence, Rhode Island
- 2012-present** Psychology Internship Didactic Committee member, Brown University
- 2015-present** Psychology Internship Training Committee member, Brown University
- 2017-present** Senior Investigator
Brown Center for Mindfulness
Brown University School of Public Health, Providence, Rhode Island
- 2018-present** Research Member
Research Institute for Stress, Trauma, and Resilience (STAR)
Alpert Medical School of Brown University, Providence, Rhode Island
- 2023-present** Office of Women in Medicine and Science Board Member
Division of Biology and Medicine, School of Public Health
Brown University

UNIVERSITY COMMITTEES

- 2019-2022** Medical Faculty Executive Committee Member
Alpert Medical School of Brown University, Providence, Rhode Island

MEMBERSHIPS IN SOCIETIES

- 2004-2010** American Psychosomatic Society
- 2005-2007** Society of Behavioral Medicine
- 2011-2012** Society for Research on Child Development
- 2012-2013** International Society for Psychoneuroendocrinology
- 2016-2018** North American Society for Obstetric Medicine
- 2018-2020** CHEST Society
- 2020-2021** International Society for Traumatic Stress Studies
- 2016-present** Marcé Society of North America (MONA) for Perinatal Mental Health

PROFESSIONAL SOCIETY APPOINTMENTS

- 2020-2021** Co-Chair, Research Workshop Series

Lebanese University Medical School

2020-2021

Committee Member
International Society for Traumatic Stress Studies
Public Information and Education Selection Task Force Member

JOURNAL REVIEWER

44. Salameh, M., **Bublitz, M.H.**, Okun, M., Miller, M. & Bourjeily, G. (2019) Fetal sex and sleep disordered breathing during pregnancy. Abstract and oral presentation given at the American Thoracic Society (ATS) Conference, Dallas, TX.
45. Stanchina, M.L., Walia, P., **Bublitz, M.H.**, Miller, M. & Bourjeily, G. (2019). The impact of pregnancy on apnea-hypopnea duration: A pilot study. Poster presented at the American Thoracic Society (ATS) Conference, Dallas, TX.
46. Eid, C., Salameh, M., Ludwig, K., Pengo, P., **Bublitz, M.H.** & Bourjeily, G. (2019). Airflow limitations as a measure of sleep disordered breathing in pregnancy. Poster presented at the American Thoracic Society (ATS) Conference, Dallas, TX.
47. Salameh, M., **Bublitz, M.H.** & Bourjeily, G. (2019). Maternal sleep apnea a risk factor for apnea of prematurity? Poster presented at the American Thoracic Society (ATS) Conference, Dallas, TX.
48. Lee, S. Y., Vergara-Lopez, C., **Bublitz, M. H.**, & Stroud, L. R. (2021). Early life stress and cardiovascular recovery in response to peer rejection among adolescent girls. Poster presentation at the 16th International Congress of Behavioral Medicine. Virtual conference.
49. Bai, A., Sanapo, L., **Bublitz, M.H.**, Mehta, N., Messerlian, G., Catalano, P. & Bourjeily, G. (2021). Association between sleep disordered breathing and glucose metabolism in early pregnancy. Poster presented at the annual CHEST meeting (Virtual conference).
50. Lee, S. Y., **Bublitz, M. H.**, Gaffey, A. E., Jao, N. C., Reid, B. M., Vergara-Lopez, C., & Stroud, L. R. (2022). Adolescent girls' early life stress and body mass index: Differential effects of anger and anxiety in response to rejection. Poster presentation at the 2022 Annual Meeting of the American Psychosomatic Society, Long Beach, CA.
51. **Bublitz, M.H.**, Salmoirago-Blotcher, E., Sanapo, L., Mehta, N. & Bourjeily, G. (2022). Prenatal mindfulness training for pregnant women at risk for hypertensive disorders of pregnancy. Abstract and oral presentation given at the Annual Meeting of the Society of Behavioral Medicine.
52. **Bublitz, M.H.**, Pomerantz, M., Sharp, M., Ward, L.G., & Guthrie, K. (2022). Prenatal mindfulness training, interoceptive awareness, and blood pressure in women at risk for hypertensive disorders. Poster presented at the International Marcé Society Biennial Conference, London, UK.
53. Vergara-Lopez, C., Scalco, M. D., Gaffey, A. E., Reid, B. M., **Bublitz, M. H.**, Gomez, A., Mercado, N., Stroud, L. R. (2023). The interactive effects of rejection and rumination on diurnal cortisol among adolescent girls: A daily diary study. Oral presentation at the 80th Annual Meeting of the American Psychosomatic Society, San Juan, Puerto Rico.
54. Unger, K., Sanapo, L. Bourjeily, G., Salmoirago-Blotcher, E. & **Bublitz, M.H.**. The Impact of Mindfulness Treatment on Maternal Inflammation and Fetal Neurodevelopment. Presented as an oral presentation at the Marce Society of North America meeting, October, 2023.

55. Slimovitch, R., Lee, S.Y., Vergara-Lopez, C., **Bublitz, M.H.** & Stroud, L.R. Victim or Bully? The role of peer rejection reactivity in depressive symptoms in adolescent girls. Presented at Society of Behavioral Medicine annual meeting, Philadelphia, PA.

INVITED PRESENTATIONS

INTERNATIONAL PRESENTATIONS

1. Psychological Stress and Preterm Birth : The role of the HPA axis. North American Society of Obstetric Medicine, Providence, RI. September, 2013.
2. Biobehavioral mechanisms linking maternal history of adoption/foster care to preterm birth. North American Society of Obstetric Medicine, Providence, RI. September, 2013.
3. Results of an Integrated Behavioral Health Service in a Women's Primary Care Practice. Faculty presenter in symposium "Integrated Behavioral Health for Women in Medical Settings," North American Society for Psychosocial Obstetrics and Gynecology 2018 Biennial Meeting, Philadelphia, PA, April, 2018.
4. Results of an Integrated Behavioral Health Service in a Women's Primary Care Practice. Faculty presenter in symposium, "Integrated Behavioral Health for Women in Primary Care and Obstetric Settings," 8th World Congress on Women's Mental Health, International Association of Women's Mental Health, Paris, France. March, 2019.
5. Making sense of associations between sleep disturbance and perinatal outcomes. Presented in the workshop on Women's Sleep and Health at the World Sleep Congress, Vancouver, BC, Canada. September, 2019.
6. Demystifying COVID-19 : Lessons Learned and Future Opportunities. Lebanese University Medical School Virtual Conference. July, 2020.
7. Stress, Trauma, and Resilience across the Perinatal Period. Presented at the International Marcé Society for Perinatal Mental Health Virtual Biennial Meeting. October, 2020. Role: Symposium chair.
8. Maternal history of child maltreatment and neural activation to infant cues in the 4th trimester. Oral presentation at the International Marcé Society for Perinatal Mental Health Virtual Biennial Meeting. October, 2020.
9. Trauma Exposure, PTSD, and Maternal Wellbeing: Identifying Treatment Targets in the Perinatal Period. Chair and Faculty present for symposium presented at the International Marcé Society Biennial Conference, London, UK. September, 2022.

NATIONAL PRESENTATIONS

1. Sex as a predictor of sleep disordered breathing and its consequences in pregnancy. Presented as the Featured Lecture in Women's Lung Health at the CHEST Annual meeting, New Orleans, LA. October, 2019.
2. How to remain in control in a pandemic: Family, career and mental wellness. Moderator of break out session for the CHEST Women & Pulmonary event. Virtual meeting, October, 2020.
3. CardioPulmonary Vascular Biology Center of Biomedical Research Excellence (COBRE) Pilot Study: Does prenatal mindfulness training reduce risk for hypertensive disorders of pregnancy? Multi-COBRE Seminar Series (in collaboration with Mississippi and Louisville). February, 2021.
4. Maternal history of child maltreatment and neural activation to infant cues in the fourth trimester. Presented as part of an invited symposium at the Society for Research on Child Development Virtual Biennial Meeting, April 2021.
5. Maternal postpartum alcohol use and neural activation to infant cues in the fourth trimester: Preliminary results. Presented as part of an invited symposium at the Society for Research on Child Development Virtual Biennial Meeting, April 2021.
6. Prenatal mindfulness training for pregnant women at risk for hypertensive disorders of pregnancy. Presented at the University of South Florida OBGYN Virtual Grand Rounds, March 2022.
7. Perinatal stress and pathways to adverse obstetric outcomes. Presented to the Women's Heart Health Laboratory at the Institute for Exercise and Environmental Medicine, Texas Health Presbyterian Hospital Virtual Grand Rounds, Dallas Texas, January 2023.

LOCAL PRESENTATIONS

1. Biological embedding of childhood maltreatment in pregnancy. Pediatric Research Colloquium, Women & Infants Hospital, Providence RI. March, 2019.
2. Prenatal mindfulness training for pregnant women at risk for hypertensive disorders of pregnancy. Cardiopulmonary Vascular Biology COBRE Bi-Weekly Meeting, Providence VA, Providence, RI. June, 2019.
3. Biological embedding of childhood abuse history in pregnancy. Women's Medicine Collaborative Research Lecture, Women's Medicine Collaborative, The Miriam Hospital, Providence, R.I. August, 2019.
4. Prenatal mindfulness training to prevent hypertension in pregnancy. Presented at the Research in Progress meeting, Mindfulness Center at Brown, Providence, RI. November, 2019.

5. Clinical work related to stress, trauma, and resilience in 2020. Panelist on STAR Adversity & Trauma Research Virtual Group Meeting. July, 2020.
6. Prenatal mindfulness training for pregnant women at risk for hypertensive disorders of pregnancy. Cardiopulmonary Vascular Biology COBRE Bi-Weekly Virtual Meeting. October, 2020.
7. The Patient and the Practitioner in the Age of Technology: Promoting Healthy Relationships. Panelist at the virtual conference. November, 2020.
8. Does prenatal mindfulness training reduce risk for hypertensive disorders of pregnancy? Presented virtually at Gyn Grand Rounds, Department of Obstetrics and Gynecology, Lifespan Hospital. December, 2020.
9. The biological embedding of childhood maltreatment in the perinatal period. Rhode Island Research Rising Stars Research Presentation. Rhode Island Women's Health Initiative Virtual Meeting. March, 2021.
10. Understanding stress and trauma; fostering resilience in the perinatal period. Stress, Trauma and Resilience Early Career Scientist Spotlight Virtual Presentation. October, 2021.
11. Interviewed for the news article, "Meditare persino in ospedale, ma come scienza comanda," *la Repubblica* (Italian newspaper). April, 2022.
12. Prenatal mindfulness training for pregnant women at risk for hypertensive disorders of pregnancy. Presented at the Reproductive Biology Center of Biomedical Research Excellence (COBRE) Virtual Seminar Series, June, 2022.
13. Prenatal mindfulness training for pregnant women at risk for hypertensive disorders of pregnancy. Presented at the annual Society of Behavioral Medicine meeting, Baltimore, MD. April, 2022.
14. How to write a scientific manuscript. Presented at the Women's Medicine Collaborative Research Trainee Summer Lecture Series, Lifespan Hospital. July, 2022; July 2023.
15. Department of Psychiatry and Human Behavior Career Development Panelist. Brown Medical School. October, 2022.
16. Qualitative Science Methods Training Program Invited Panelist. Department of Psychiatry and Human Behavior, Brown Medical School. December, 2022.
17. Office of Women in Medicine and Science annual conference invited panelist on leadership programs, Brown Medical School. June, 2023.
18. Managing (adult) crises in research. Presented at the Stress Trauma and Resilience (STAR) research presentation, November 2023.

19. Heart Rate Variability Data Processing. Presented to the Resilience Lab Community Science Meeting, Brown University, March 2024.
20. Perinatal Stress and Pathways to Adverse Obstetric Outcomes. Presented at Lifespan Physicians Group Department of Psychiatry Grand Rounds, April 2024.

GRANTS

ACTIVE

1. *Global Fulbright Scholarship: Reducing Perinatal Mental Illness by Building Global Partnerships*

The objective of this research project is to examine models of maternal mental health service delivery in the US, the United Kingdom, and New Zealand to expedite global improvements in maternal mental health.

Agency: Fulbright

Award dates: 6/2024-5/2025

Role: Principal Investigator

2. R01HL157288 *Mechanisms of mindfulness training to prevent hypertensive disorders of pregnancy*

The major goals of this project are to identify the psychological, physiological, and interpersonal mechanisms through which a brief phone-delivered mindfulness intervention reduces risk for hypertensive disorders of pregnancy.

Agency: NHLBI/NIH

Award type: R01

Total Award Amount: \$2,561,141

Dates of award: 9/2021-6/2026

Role: Principal Investigator

3. *Primary prevention of posttraumatic stress symptoms following Cesarean section (PI: Sharp, M.)*

Agency: Rhode Island Foundation

Award Type: Medical Research Grant

Total funds awarded: \$25,000

Dates of award: 04/01/2022-NCE

Role: Co-Investigator

4. *Targeting the brain-heart axis with TMS among reproductive aged women with PTSD.*

The objective of this study is to examine the feasibility, acceptability, and safety of repetitive transcranial magnetic stimulation among reproductive aged women with PTSD and hypertension.

Agency: COBRE Center for Neuromodulation

Award type: Pilot project

Total Award Amount: \$50,000

Dates of award: 1/1/2024-12/31/2024

Role: Principal Investigator

5. *Culturally adapted prenatal mindfulness training to reduce cardiovascular disparities in Black and Latina women*
 The objective of this administrative supplement is to identify cultural barriers and facilitators of prenatal mindfulness training among pregnant participants enrolled in R01HL157288.
 Agency: NHLBI/Office of Research on Women's Health
 Award type: U3 Administrative supplement
 Total award amount: \$140,000
 Award dates: 8/1/2023 – 7/31/24
Role: Multi-Principal Investigator

6. *Mindfulness, Optimism and Resilience for Perinatal Health and Equity (MORPHE) Trial (PI: Ayala, N.)*
 The objective of this project is to evaluate the feasibility and acceptability of a digital mindfulness application to improve dispositional optimism in pregnancy. We will evaluate preliminary effects on rates of traumatic birth experience and postpartum mental health outcomes.
 Agency: NIGMS
 Award type: COBRE Project Lead
 Total award amount: \$687,318
 Award dates: 8/1/23-7/31/26
Role: Mentor

7. *Mechanisms of mindfulness training to reduce maternal and infant cardiovascular disease*
 The objective of this ancillary study is to investigate the longer term effects of prenatal mindfulness training on postpartum maternal and infant markers of cardiovascular disease.
 Agency: NHLBI
 Award type: R01
 Total award amount: \$3,166,122
 Award dates: 4/1/2024-3/31/2029
Role: Principal Investigator

FUNDED GRANT, DECLINED *Unable to accept funding due to R01HL157288 grant being issued first, making me no longer eligible to serve as Project Lead.

1. *Maternal history of childhood sexual abuse and perinatal outcomes: Harnessing novel ecological methods to understand mechanisms*
 The objective of this project is to characterize interoceptive and autonomic responses to prenatal experiences in pregnant women with and without childhood sexual abuse.
 Agency: NIGMS/NIH
 Award type: Project Lead within the COBRE Stress, Trauma, & Resilience (PI: Stroud)
 Total Award Amount: \$1,052,087
 Dates of award: 9/2021-11/2026
Role: Principal Investigator, Project Lead

PENDING

1. *Multidimensional sleep health as a mechanism of blood pressure control after prenatal mindfulness training*

The objective of this study is to conduct a secondary data analysis of maternal sleep parameters as a possible pathway through which prenatal mindfulness training reduces risk for hypertensive disorders of pregnancy.

Agency: NHLBI

Award dates: 12/1/24-11/30/26

Role: Multi-Principal Investigator

2. *Perinatal Population Validation of a Smartphone-enabled Oscillometric Blood Pressure Monitor*

The objective of this SBIR Phase 2 project is to validate a smartphone app that collects blood pressure (“VibroBP”) among pregnant and postpartum people. We will also conduct qualitative interviews to improve acceptability of the consumer facing features of the app.

Agency: NHLBI

Award dates: 12/1/24-11/30/27

Role: Multi-Principal Investigator

3. *Racial Differences in Mechanistic Pathways of Perinatal Cardiovascular Outcomes Associated with Obesity and Sleep Apnea*

The objective of this project is to examine the pathogenesis and pathobiology of race related risk for obstructive sleep apnea and associated adverse obstetric outcomes in pregnancy.

Agency: NHLBI

Total award amount: \$3,339,395.00

Award dates: 07/01/2023-06/30/2027

Role: Co-Investigator

COMPLETED

1. *Embedding Mental Health Consultation Within Prenatal Home Visiting to Prevent Child Maltreatment and Violence Exposure (PI: Parade, S.)*

Agency: CDC

Award type: Research

Total Award Amount: \$1,050,000

Dates of award: 1/2022-NCE

Role: Site PI

2. *Maternal Sleep Disordered Breathing as Risk Factor for Childhood Obesity in Rhode Island (PI: Sanapo, L.)*

Agency: Rhode Island Foundation

Award Type: Medical Research Grant

Total funds awarded: \$25,000

Dates of award: 04/01/2021-9/30/2023

Role: Co-Investigator

3. *Prenatal mindfulness training, maternal vascular adaptations to pregnancy, and risk for hypertension*
Agency: National Institute for General Medical Sciences
Award type: Cardiopulmonary Vascular Biology COBRE
Total funds awarded: \$50,000
Dates of award: 6/1/19-5/31/21
Role: Principal Investigator
4. *Prenatal mindfulness training for pregnant women at risk for hypertensive disorders*
Agency: Brown Center for Mindfulness
Award type: Pilot award
Amount: \$20,000
Dates of award: 8/1/18-8/31/20
Role: Principal Investigator
5. *Development of the Maternal Neural Circuit among Postpartum Women with Maltreatment Histories*
Agency: Carney Institute for Brain Science
Award type: The Rhode Island Neuroscience New Frontiers Award
Amount: \$34,759
Dates of award: 5/1/18-4/30/20
Role: Principal Investigator
6. *Fetal sex as a predictor of sleep disordered breathing and its consequences in pregnancy*
Agency: CHEST Foundation
Award type: Research Grant in Women's Lung Health
Amount: \$10,000
Dates of award: 9/15/18-9/15/19
Role: Principal Investigator
7. *Effects of prenatal mindfulness training on maternal blood pressure and placental histopathology*
Agency: National Institute for General Medical Sciences
Award type: Cardiopulmonary Vascular Biology COBRE
Amount: \$32,000
Dates of award: 12/1/18-5/31/19
Role: Principal Investigator
8. *Fetal Behavior, Brain & Stress Response: Ultrasound Markers of Maternal Smoking (PI: Stroud)*
Agency: National Institute on Drug Abuse
Award type: Research Award (R01DA036999)
Amount: \$2,885,481
Dates of award: 8/1/2013-3/30/2019
Role: Co-Investigator
9. *HPA and Neural Response to Peer Rejection (PI: Stroud)*
Agency: National Institute of Mental Health
Award type: Research award (R01MH092450)

Amount: \$2,832,209
Dates of award: 6/6/2011-2/28/2019
Role: Co-Investigator

10. *A Multicenter, Randomized, Double-Blind, Parallel-Group, Placebo-Controlled Study Evaluating the Efficacy, Safety, and Pharmacokinetics of Sage-217 in the Treatment of Adult Female Subjects with Severe Postpartum Depression, Protocol #217-PPD-201*
(Site PI: Pearlstein)

Agency: Sage Pharmaceuticals
Award type: Research Award
Dates of award: 2018-2019
Role: Co-Investigator

Department of Psychiatry and Human Behavior
Clinical Psychology Internship Training Program
- 2015-ongoing **Primary Supervisor/Behavioral Healthcare Manager**
Women's Medicine Collaborative Primary Care
Alpert Medical School of Brown University
Brown Psychology Training Consortium
Department of Psychiatry and Human Behavior Clinical Psychology Internship
Training Program

Mentee/Advisees

- 2010-2011 **Undergraduate Thesis Co-Advisor**
Joyce Ji
Department of Human Biology
Alpert Medical School of Brown University.
- 2010-2011 **Senior Capstone Undergraduate Co-Advisor**
Courtney Maninno
Department of Psychology
Alpert Medical School of Brown University.
- 2014-2018 **Postdoctoral Clinical Supervisor**
Chrystal Vergara-Lopez, PhD
Alpert Medical School of Brown University
The Miriam Hospital
- 2016-2018 **Postdoctoral Clinical Supervisor**
Meaghan McCallum, PhD
Alpert Medical School of Brown University
Centers for Preventive and Behavioral Medicine
The Miriam Hospital
- 2016-2017 **Advisor, Psychology Internship**
Courtney Stevens, MA
Alpert Medical School of Brown University
Women's Medicine Collaborative Primary Care
The Miriam Hospital
- 2017-2018 **Advisor, Psychology Internship**
LG Rollins, MA
Alpert Medical School of Brown University
Women's Medicine Collaborative Primary Care

- The Miriam Hospital
- 2018-2019 **Advisor, Psychology Internship**
Christina Metcalf, MA
Alpert Medical School of Brown University
Women's Medicine Collaborative Primary Care
The Miriam Hospital
- 2018-2020 **Postdoctoral Clinical Supervisor**
LG Ward, PhD
Alpert Medical School of Brown University
Women's Medicine Collaborative LPG OBGYN
Lifespan Hospital
- 2019-2020 **Advisor, Psychology Internship**
Patricia Wong, MA
Alpert Medical School of Brown University
Women's Medicine Collaborative Primary Care
The Miriam Hospital
- 2019-2020 **Postdoctoral Clinical Supervisor**
Trisha Arnold, PhD
Women's Medicine Collaborative Primary Care
The Miriam Hospital
- 2020-2022 **Postdoctoral Clinical Supervisor**
Deanna Kaplan, PhD
Women's Medicine Collaborative Primary Care
The Miriam Hospital
- 2021-2023 **Residency Research Mentor**
Madison Pomerantz, MD
Psychiatry Resident
Alpert Medical School of Brown University
- 2022 summer **Brown Undergraduate Teaching Research Awards (UTRA) Mentor**
Katherine Unger
Brown University
- 2022 fall **Brown Undergraduate Teaching Research Awards (UTRA) Mentor**
Katherine Unger
Brown University
- 2022-2027 **K23 Career Development Mentor**
LG Ward, PhD
Department of Psychiatry and Human Behavior
