

PROFESSIONAL LICENSES AND BOARD CERTIFICATION

Rhode Island License No. MD 6413	1984
Massachusetts License No. 49907	1984
National Board of Medical Examiners, Part III	1981
American Board of Family Practice	1984
ABFP Recertification	1990; 1996; 2003

ACADEMIC APPOINTMENTS

Clinical Associate Professor in Family Medicine	2007-Present
Clinical Assistant Professor in Family Medicine, Brown Medical School	1984-2007
Brown Doctoring Program and Mentoring of 2 <sup>nd</sup> Year BMS	2006-Present
MHRI Family Practice Residents Community Rotation	1998- Present

HOSPITAL APPOINTMENTS

Active Staff, Charlton Memorial Hospital, Fall River, MA	1986-present
Active Staff, St. Anne's Hospital, Fall River, MA	1986-2006
Women and Infants Hospital, Providence, RI	1986-2002
Memorial Hospital of RI (Courtesy Privileges)	2006-present
The RI Hospital	2007-present
The Miriam Hospital	2007-present

OTHER APPOINTMENTS

Director: Center of Men's Health Miriam Hospital 0.6 FTE	2008-present
Family Physician 0.4 FTE SFPG Swansea, MA	2008-present
Family Physician 1.0 FTE Private Group Practice, Swansea Family Practice, Swansea, MA	2000-2007
Family Physician/Swansea Center, Harvard Pilgrim Health Care Staff Model HMO, Swansea, MA	1986-1999
- Balint Group: Examining patient/physician psychotherapeutic issues	1988-1999
- Leadership and advanced clinician management training clinical Quality improvement training, Harvard Pilgrim Health Care	1996-1999
Chair, Physicians Executive Council, Harvard Pilgrim HealthCare of New England	1994-1998

National Health Service Corps Commitment BVCAP Health Center 1984-1987  
 Medical Director, Central Falls, RI

Research Associate, the Johns Hopkins Hospital, Department of 1975-1976  
 Cardiovascular Pathology, Baltimore, MD

#### HOSPITAL/ EXECUTIVE MEDICAL COMMITTEES

Vice-President Harvard Pilgrim Physicians Association (HPPA) 1998-2001  
 Harvard Pilgrim HealthCare NE Board of Directors 1995-1998  
 Member, Ethics Advisory Board, Harvard Pilgrim HealthCare 1995-1999  
 Chairman, Peer Review Committee, PEC, HPHC 1994-1999

#### MEMBERSHIP IN SOCIETIES

American Academy of Family Physicians  
 American Urologic Association All Active  
 Massachusetts Academy of Family Physicians  
 Massachusetts Medical Society  
 Men's Health Sub-committee  
 International Society of Sexual Function of Women  
 Scientific Advisory Board  
 Society for Teachers of Family Medicine - Men's Health Initiative  
 Sexual Medicine Society of North America: Fellow  
 Consortium In Erectile Dysfunction: Steering Committee

#### Editorial Boards

Current Sexual Health Reports 2004- Present  
 The Journal of Sexual Medicine 2004- Present  
 International Journal of Impotence Research 2004- Present  
 The International Journal of Men's Health and Gender 2004- 2006  
 Weil Medical College of Cornell University  
 Reports on Men's Urologic Health 2005- Present  
 International Journal of Clinical Practice 2007-Present  
 American Journal of Lifestyle Medicine 2006-Present

#### Advisory Boards

Pfizer Pharmaceuticals-National Education Advisory Board: Lipids; Hypertension;  
 Erectile Dysfunction: 1998- 2005  
 Bayer Pharmaceuticals Education Consultancy Forum: Erectile Dysfunction: 2000-2003  
 Solvay Pharmaceuticals Educational Bureau: Androgen Deficiency: 2002- 2006  
 Lilly/ICOS Primary Care Advisory Board: Erectile Dysfunction : 2002- 2005

The Center of Medical Knowledge: The Diagnosis and Medical Management  
Of Enlarged Prostate in the Primary Care Setting: National Consensus Group  
2004-Present

Ortho-McNeil Urology Advisor Board: Premature Ejaculation: 2004-2005

National BPH Primary Care Advisory Board: Sanofi-Synthelabo 2003-Present

National BPH Registry Steering Committee: Sanofi-Aventis: 2003- Present

International Advisory Board on BPH and Sexual Dysfunction 2004

International Advisory Boards on Lipids and Hypertension: Pfizer 2004

Female Sexual Function Board: NE Proctor and Gamble Pharmaceuticals 2004- 2006

Sexual Medicine Society of North America Advisory Board: Male Sexual Dysfunctions  
2004- Present

GSK: Avodart Advisory Board: BPH; Prostate Cancer Chemoprevention: 2006-Present

Urologic Health Foundation: Steering Committee Member: 2006- Present

## RESEARCH ACTIVITIES

1. Miner MM, Fletcher R. The impact of information on sexual health on rates of preventative health care in men. The Department of Ambulatory Care and Prevention, Harvard Medical School and HPHC. Pfizer Pharmaceuticals, 2000-2001. \$278,000
2. Sanofi- Avenits BPH Registry and Patient Survey: 7500 patients, site administrator and steering committee member: Role: Primary Investigator. Study ongoing \$35,000
3. Miner M, Eaton C, Wu H, Coccio E. Effect of testosterone gel on flow-mediated vasodilation, small artery elasticity index, insulin resistance, and erectile dysfunction in men with hypogonadism. Department of Primary Care and Prevention, Brown Medical School. Funded 2005-2006: Auxilium Pharmaceuticals \$266,000.2006-2007. Role: Primary Investigator
4. Miner M. The burden of ED in patients and their partners: The Lewin Group: The Netherlands, sponsored by Bayer Pharmaceuticals April; 2003. Voluntary. No funding
5. Miner M. COED: consensus on erectile dysfunction management in primary care: national co-chairman, Brown University, April, 2003. Sponsored by Bayer/GSK. \$103,000. 2003-2004. Role: National Co-Chairman.
6. Miner M The Use of Long-Acting Testosterone Undecanoate Injections: 750 mg and 1000mg. Open-Label, Randomized, Multi-Center Pharmacokinetic and Safety Study in Hypogonadal Men. June; 2006 Study Ongoing: 9 patients enrolled in Phase III trial for 3 years beginning May, 2006. \$60, 000 reimbursed to site to date. Role: Primary Investigator
7. Miner M A Randomized, double-blind, placebo-controlled, parallel-group study evaluating efficacy, safety, and duration of erection of flexible-dose vardenafil administered for 12 weeks compared to placebo in subjects with erectile

dysfunction and dyslipidemia. June; 2006 Primary Investigator. \$64, 000 reimbursed to MHRI/Dept of Primary Prevention. Study Closed March, 2007.

- 9. Consultant NIH Grant: ED and Endothelial Function. Ancillary Study to The Boston Area Community Health (BACH) Survey investigating the role of endothelial dysfunction in the development, progression, and remission of erectile dysfunction. The association will be examined prospectively in a large, population-sample of men. PI; John MicKinlay PhD; Varant Kupelian PhD; Raymond Rosen PhD; Peter Ganz MD. In Submission.
- 10. Primary Investigator: A randomized, double-blind parallel group study comparing Testosterone Plus Placebo to Testosterone Plus Dutasteride .5mg administered for 12 months to men receiving testosterone replacement therapy. An examination of PSA, Prostate Volume, Serum Androgen Concentrations and Sexual Domains. February 2008. GSK Funding. \$390,000

UNIVERSITY TEACHING ROLES

Office-based family medicine rotation for Brown medical students and family medicine residents 1995- Present

Brown Doctoring Program: Mentor to 2<sup>nd</sup> year Medical Student: 2006-Present
