

MEGAN MICHELLE PINKSTON-CAMP, M.A., PH.D.
she, her, hers

Business Address	The Miriam Hospital 180 Corliss Street Providence, RI 02904
Business Telephone Number	(401) 793-3582
Electronic Mail Address	mpinkston@lifespan.org

EDUCATION:

- 1998 B.S., Georgia Southern University, Statesboro, GA, Psychology
- 2000 M.A., Appalachian State University (ASU), Boone, NC, Health Psychology
- 2008 Ph.D., University of Missouri-Kansas City (UMKC), Kansas City, MO, Clinical Health Psychology (American Psychological Association accredited program)

POSTGRADUATE TRAINING:

- 2000 Internship in Clinical Health Psychology
Medical University of South Carolina, Charleston, SC
- 2008 Clinical Psychology Internship
VA Maryland Health Care System - University of Maryland-Baltimore Psychology Internship
Training Consortium, Baltimore, MD
(American Psychological Association accredited program)
- 2010 NIH/NIDA T32 Postdoctoral Fellowship
HIV and Other Infectious Consequences of Substance Abuse
Brown University Medical School, Providence, RI
- 2017 Certificate of Intensive Training in Motivational Interviewing
Center for Integrated Primary Care
University of Massachusetts Medical School

Motivational Interviewing Treatment Integrity (MITI) 4.2.1 Coding & Coaching Training
Health Education & Training Institute
Portland, ME

POSTGRADUATE HONORS AND AWARDS:

- 2000 ASU Graduate Teaching Assistant of the Year Award
- 2009 UMKC Department of Psychology Nomination for Outstanding Dissertation Award and Best Dissertation of Department
- 2009-2011 National Institutes of Health (NIH), National Center on Minority Health and Health Disparities (NCMHD) Health Disparities Loan Repayment Program (LRP)
- 2012 Social and Behavioral Sciences Research Network (SBSRN) of the Center For AIDS Research, Selected Mentee

PROFESSIONAL LICENSE

- 9/2010 Licensed Psychologist , Rhode Island ID# PS01208

ACADEMIC APPOINTMENTS:

1998-1999	Teaching Assistant, Child Development, ASU
1999-2000	Instructor, General Psychology, ASU
2002-2003	Instructor, General Psychology, Applied Psychology, Human Growth and Development, Trident Technical College
2003-2005	Graduate Research Assistant, Obesity and Smoking Research Lab, UMKC
2005-2006	Instructor, General Psychology, UMKC
2005-2007	Graduate Research Assistant, HIV Research Lab, UMKC
2009-2014	Special Lecturer, Providence College, Department of Psychology, Providence, RI
2010-2019	Assistant Professor (Research), Warren Alpert Medical School of Medicine, Psychiatry and Human Behavior, Providence, RI
2019-present	Assistant Professor, Clinician Educator, Warren Alpert Medical School of Medicine, Psychiatry and Human Behavior, Providence, RI
2019-present	Assistant Professor, Clinician Educator, Warren Alpert Medical School of Medicine, Department of Medicine, Providence, RI
2020-present	Behavioral Medicine Track Coordinator, Warren Alpert Medical School APA Clinical Psychology Internship
2020-present	Member, COVID-19 Committee, Warren Alpert Medical School APA Clinical Psychology Internship

HOSPITAL APPOINTMENTS:

2004	Consulting Psychology Associate, Children's Mercy Hospital CARE Clinic, Kansas City, MO
2005-2007	Peer Adherence Supervisor, Kansas City Free Health Clinic
2010-present	Staff Psychologist, Clinical Behavioral Medicine Service of the Immunology Center, The Miriam Hospital, Providence, RI
2010-present	Director of the Ryan White Clinical Behavioral Medicine Service, Immunology Center, The Miriam Hospital, Providence, RI
2010-present	Member, Quality Control Committee of the Immunology Center; Director, Mental Health Quality Control Projects of the Immunology Center
2011	Clinical Supervisor, Jackson State University APA Accredited Clinical Psychology Doctoral Program, Jackson, MS
2011-present	Clinical Supervisor, Brown University APA Accredited Clinical Psychology, Behavioral Medicine Residency and Postdoctoral Fellowships
2011-present	Member, ICARE HIV Adherence Care team of the Immunology Center
2013-2016	Clinical Supervisor, Brown University and Providence VA Consortium Postdoctoral Fellowship in HIV/HCV Clinical Care
2014-2019	Member, Co-Chair, Lifespan Behavioral Medicine Case Conference Committee
2014-2016	Supervisor and Project Director, RI Department of Health/Centers for Disease Control HIV Health Advocate Program
2014-2018	Member, Safety Committee of the Immunology Center, The Miriam Hospital, Providence, RI
2015-2020	Staff Psychologist, The Miriam Hospital, Center for Weight and Wellness, Providence and East Greenwich, RI
2016-2017	Supervisor, Ryan White/Immunology Center Peer Navigator Program, The Miriam Hospital, Providence, RI
2019-2021	Lead Supervisor, Chronic Pain and Illness, Brown University APA Accredited Clinical Psychology, Behavioral Medicine Residency
2019-present	Staff Psychologist, The Miriam Hospital, Lifespan Recovery Center, Providence, RI
2019-present	Member, Integrated Care Committee Member, Lifespan Health System

OTHER APPOINTMENTS:

- 2000-2003 Case Manager, Lowcountry AIDS Services, Charleston, SC (now known as Palmetto Community Care)
- 2004 Judge, Missouri Academy of Sciences Annual Conference, Social and Behavioral Sciences

41. Pinkston, M. M. (2020). Screening & Brief Intervention for use in the care of the “triple threat” of HIV/HCV/SU. National Alliance for HIV Education and Workforce Development.
42. “Behavioral Medicine Briefs” – (2017 – 2020 – paused in 2020 due to COVID-19)
Monthly presentations to the physicians, medical students/residents/fellows, staff members, psychology residents, and clinicians of the Immunology Center of The Miriam Hospital.

Selected presentations include:

Acceptance and Commitment Therapy	“On the Couch” – Adjustment to Diagnosis and Minority Stress Model
Adherence	“On the Couch” – Cognitive Behavioral Therapy
Borderline Personality Disorder	“On the Couch” – Motivational Interviewing
Chronic Pain	Posttraumatic Growth, Resilience, and Stigma in Individuals Newly Diagnosed with HIV
Grief and Loss	Sleep
HAND & Neurocognitive Screening in HIV	Successful Cognitive Aging in HIV
Intimate Partner Violence and HIV	Transgender Care and HIV (2 parts)
Methamphetamine Use	Sexual Risk and Sleep
Obesity and HIV	Trauma, HIV, and MSM

43. Pinkston, M. M. (2021). Motivational Interviewing for smoking cessation. Workshop training developed and provided to physicians, pharmacists, and nurses of HIV care clinic.
44. Pinkston, M. M. (2021). Motivational Interviewing in Hospitals. Workshop training developed and provided to social workers of Lifespan Hospitals.
45. Pinkston, M. M. & Scully, C. (2021). Provision of evidence based mental health practices in HIV primary care. Presentation to Brown Medical School Psychiatry Residents.

RESEARCH GRANTS:

Active:

- 2016-present Co-Investigator; Principal Investigator Subcontract. “Improving Functioning in HIV Patients with Chronic Pain and Comorbid Depression” (Stein, Uebelacker, MPI). NINR R01NR015977.
- 2018-present Co-Project Lead; Clinical Lead. “Community- and clinic-based substance use treatment and HIV prevention for African American and Hispanic/Latino men who have sex with men” (Chan). SAMHSA 1H79TI080656.

- 2019-present Co-Principal Investigator. “Addressing High-Risk Substance Use through STI Clinics: Strengthening Connections to Treatment and Behavioral Health Services” (Chan, Pinkston MPI). NACCHO
- 2019-present Co-Investigator/Peer Supervisor. “A Peer Navigator Model to Improve Quit Attempts, Quitline Use, and Smoking Cessation Rates among HIV-positive Smokers” (Cioe, PI). NCI 5R21CA243906

Completed:

- 2009-2011 Principal Investigator. National Institutes of Health (NIH), National Center on Minority Health and Health Disparities (NCMHD) Health Disparities Loan Repayment Program (LRP)
- 2009-2013 Project Coordinator and Interventionist. “Efficacy for CBT for Adherence and Depression in HIV Care Settings.” (Safren PI) NIMH RO1MH04757
- 2010-2013 Research Consultant. “Enhancing Linkages to HIV Primary Care and Services in Jail Settings.” (Flanigan PI). HRSA/SPNS 1H97HA08535
- 2010-2016 Researcher. “Lifespan/Tufts/Brown Center for AIDS Research” (Carpenter, PI). HIV in Women and Underserved Populations Core. NIAID P30AI042853.
- 2011-2012 Principal Investigator. “Matching Biology with Behavior: An investigation into the nutritional status, food security, and health of HIV-infected patients who use crack cocaine.” CDAAR Developmental Award
- 2013-2014 Principal Investigator Subcontract; Co-Investigator. “Treating Chronic Pain and Depression in HIV+ Patients in Primary Care Settings.” NINR R21NR013438
- 2013-2015 Principal Investigator. “Health Advocates Linking Persons Living with HIV to Care.” CDC/RI DOH
- 2013-2015 Principal Investigator. “Investigation of sleep disturbances among HIV infected patients.” Department of Medicine
- 2014-2017 Principal Investigator Subcontract; Co-Investigator. “Behavioral Consultation for HIV & Older Adults Prescribed Opioids for Chronic Pain.” (Stein PI). NIDA R21DA038203
- 2014-2020 Co-Principal Investigator. “Comparing Brief Alcohol Interventions for HIV-HCV Co-Infected Persons.” (Stein, Pinkston MPI). NIAAA R01AA023726
- 2016-2017 Clinical Lead. “Ryan White Part C HIV Capacity Development and Planning Grant (Motivational Interviewing).” (Rana, PI). HRSA P06HA30508
- 2018-2019 Principal Investigator Subcontract; Co-Investigator. “Brief couples-based alcohol intervention for HIV-infected MSM and their primary partners”. (Kahler, Gamarel, MPI). NIAAA R34.

UNIVERSITY TEACHING ROLES:

- Fall, 1999 Instructor of Record, General Psychology (50 students)
Department of Psychology, Appalachian State University Psychology, Boone, NC
- Spring, 2000 Instructor of Record, General Psychology (50 students)
Department of Psychology, Appalachian State University Psychology, Boone, NC
University Graduate Teaching Assistant of the Year Award
- Spring, 2002 Instructor of Record, Applied Psychology (15 students)

Department of Psychology, Providence College, RI
- Fall, 2014 Instructor of Record, Introduction to Psychology (25 students)
Department of Psychology, Providence College, RI

CLINICAL EXPERIENCE:

- May 1999 – Graduate Student Clinician, Cardiopulmonary Rehabilitation
July 1999 *Mountain Hearts – Ashe Memorial Hospital Cardiopulmonary Rehabilitation Program*,
Jefferson, NC; Supervisors: Ken Sevenski, M.S. and Denise M. Martz, Ph.D.

Duties: Worked with Cardiac and Pulmonary Programs by conducting relaxation sessions and facilitating education sessions. Presented cases at team meetings. Created a social support program for the Cardiac and Pulmonary groups. Assisted in the development of an employee wellness program, a suicide task force, and a program for hospital employees created to educate employees about psychological issues and how to manage personal stress.

- August 1999 – Graduate Student Clinician, Cardiopulmonary Rehabilitation
May 2000 *Appalachian Cardiopulmonary Rehabilitation Program*, Boone, NC
Supervisor: Denise M. Martz, Ph.D.

Duties: Conducted clinical intake and follow-up interviews of patients for psychosocial functioning. Facilitated education sessions on the impact of stress and social support on heart

functioning. Led relaxation sessions. Completed psychological reports, formulated treatment plans, and presented cases at team meetings.

January 2000 – Graduate Student Biofeedback Clinician, Appalachian State University Wellness Center
May 2000 *Appalachian State University*, Boone, NC; Supervisor: Katherine Olson, M.Ed., M.A.

Duties: Identified clients' stressors and facilitated cognitive behavioral techniques for managing stress and increased autonomic nervous system arousal. Provided psychoeducation and individual counseling. Modalities used included EMG, EDR, and temperature.

May 2000 – Graduate Student Clinician, Intern for Weight and Pain Management
September 2000 *Medical University of South Carolina*, Charleston, SC
Supervisors: Patrick M. O'Neil, Ph.D. (Weight Management Center) and William G. Kee, Ph.D. (Pain Rehabilitation Program)

Duties (Weight Management Center): Conducted clinical interviews of weight management clients. Determined appropriateness for group therapy and made specific recommendations for treatment. Facilitated weight management groups with cognitive behavioral strategies for weight reduction. Conducted individual therapy for weight management. Researched material focused on adolescents and cognitive behavioral techniques for weight reduction.

Duties (Pain Rehabilitation Program): Conducted clinical interviews; administered, scored, and interpreted psychological tests; established diagnoses and formulated treatment plans; presented cases at team meetings. Facilitated pain management groups utilizing cognitive behavioral strategies for pain management.

August 2004 – Graduate Student Clinician, Weight Management and Smoking Cessation
January 2005 *St. Luke's Hospital Community Health Clinic*, Kansas City, MO
Supervisor: Keith Haddock, Ph.D.

Duties: Co-facilitated weight management and smoking cessation groups for patients with low income who were at risk for heart disease or other health ailments linked to smoking or overweight/obesity. Developed an 8-week program and workbook for the weight management program. Completed the initial psychosocial intakes of the patients to determine motivation for weight loss.

January 2005 – Graduate Student Clinician, Mental Health
June 2006 *Kansas City Free Health Clinic*, Kansas City, MO; Supervisor: Irma Rahtjen, Ph.D.

Duties: Provided individual therapy to a diverse population of low-income, uninsured clients, with a focus on patients diagnosed with HIV. Common diagnoses included depressive, anxiety, adjustment, and personality disorders. Developed and facilitated a Lifestyle Change and Weight Management Group for patients and staff members who were referred by their doctor due to overweight, obese, or Type II Diabetes diagnoses.

August 2006 – Graduate Student Clinician, Supportive Housing Program
June 2007 *Salvation Army, Linwood Center*, Kansas City, MO; Supervisor: Melisa Rempfer, Ph.D.

Duties: Conducted cognitive and psychosocial assessments of homeless clients. Scored assessments and composed integrated reports with recommendations for case management and mental health care. Provided individual therapy for clients.

July 2007 - Psychology Intern, VA Maryland Health Care System (VAMHCS) – University of
 July 2008 Maryland Baltimore (UMB) Psychology Internship Training Consortium, Baltimore, MD
 Internship Directors: Sarah Morris, Ph.D. and Sonja Batten, Ph.D.

Medical Psychology Rotation -

Infectious Disease Clinic ~ Chronic Pain Clinic ~ Transplant Assessments

Duties (*Infectious Diseases Clinic*): Conducted psychosocial assessments and provided individual therapy for patients living with HIV/AIDS. Patients presented with various Axis I and Axis II disorders; issues including adjustment to HIV diagnosis, medication adherence problems, substance abuse, and social support issues. Responsible for interacting with medical professionals and communicating psychosocial needs to interdisciplinary team. Implemented and facilitated Cognitive-Behavioral Stress Management Group for HIV+ individuals. Implemented and co-facilitated MOVE Weight Management Program for HIV+ individuals at risk for or diagnosed with hyperlipidemia, diabetes, and/or obesity

Duties (*Chronic Pain Clinic*): Conducted clinical interviews, testing of symptomatology and personality factors, and provided individual treatment. Co-facilitator of pain management groups with cognitive behavioral strategies for pain management. Responsible for communicating psychosocial needs of patients to interdisciplinary medical team.

Duties (*Transplant Assessments*): Responsible for conducting pre-transplant (kidney, liver, or heart) evaluations to determine potential psychological barriers to adjustment of transplant.

Health Psychology Major Rotation –

Chronic Pain Clinic ~ Nicotine Dependence Program ~ Homeless Program

Duties: Provided psychological evaluations and treatment to patients with psychological factors affecting a medical condition in an interdisciplinary team setting. Conducted comprehensive personality and symptom assessments and provided outpatient individual and group psychotherapy with a focus primarily on cognitive-behavioral treatments. Facilitated smoking cessation and health lifestyles groups for homeless veterans.

Health Psychology/Primary Care Major Rotation - *Chronic Pain Clinic/Primary Care Clinic*

Duties: This rotation provided a health psychology focus on the evaluation and treatment of patients with pain disorders, as well as on patients in a primary care setting. Responsibilities included: clinical interviewing, focused testing on symptomatology and personality factors, and individual treatment.

Women's Health, Dialectical Behavior Therapy Minor Rotation - *Women's Health Clinic*

Duties: Provided individual dialectical behavioral and cognitive behavioral therapy to veterans diagnosed with Borderline Personality Disorder.

Emergency Medicine Triage Minor Rotation - *Emergency Department*

Duties: Conducted evaluations of patients presenting in the Emergency Department with mental health complaints, determined disposition, and interacted with health care professionals to provide appropriate care. Patients presented with various Axis I and Axis II disorders and acute issues including changes in mental status, suicidal ideation, substance abuse, and psychosis.

January 2009 - Clinical Behavioral Medicine, Postdoctoral Fellow – The Miriam Hospital, Providence, RI
 August 2010 Clinical Supervisor: Debra Herman, Ph.D.

Duties: Responsible for providing individual therapy for patients diagnosed with HIV and comorbid mental health or substance abuse illnesses. Conducting brief assessments of patients and providing consultation services for physicians in the Immunology Clinic.

August 2010 – Director of Behavioral Medicine; Staff Psychologist - Clinical Behavioral Medicine Service of Present the Immunology Center of The Miriam Hospital, Providence, RI

Duties: Responsible for the development, implementation, and management of the mental health/substance use services for HIV+ patients presenting to The Immunology Center. Responsible for training staff in motivational enhancement / motivational interviewing methods for use with patients who struggle with adherence, substance use concerns. Responsible for developing educational presentations for medical providers. Responsible for developing behavioral medicine interventions and care for LONG COVID-19 specialty clinic. Responsible for providing evidence-based, individual therapy, consultations, and group interventions for patients diagnosed with HIV to address mental health, substance use, and behavioral medicine concerns in a co-located and integrated care clinic. Responsible for provision of supervision to Brown Psychology Interns, Postdoctoral Fellows and The Immunology Center Health Advocates.

January 2016 - Staff Psychologist – Lifespan Physicians Group – Center for Weight and Wellness, The Miriam Present Hospital, Providence, RI/East Greenwich, RI

Duties: Facilitator of Weight Management groups for patients engaged in modified and full fast weight loss programs.

July 2019 - Staff Psychologist – Lifespan Physicians Group – Lifespan Recovery Center, The Miriam present Hospital, Providence, RI

Duties: Provider of evidence based behavioral care of patients presenting with substance use concerns and comorbid mental health and behavioral medicine concerns.

RELATED EXPERIENCE:

May 2001 – Activity Therapist / Therapeutic Assistant
 July 2001 *Medical University of South Carolina, Institute of Psychiatry, Charleston, SC*

Duties: Depending on the level of functioning, facilitated activities for acutely ill psychiatric patients focusing on: anger management, stress management, social support, sleep hygiene, medication adherence, and art therapy. Aided in the development of group and individual education on diagnoses such as: bipolar disorder, schizophrenia, personality disorders, depression, and anxiety disorders.

July 2000 – Case Manager
 July 2003 *Lowcountry AIDS Services, (LAS) Charleston, SC (now known as Palmetto Community Care)*

Duties: Provided psychosocial counseling and case management services to persons living with and persons affected by HIV and AIDS. Educated individuals about prevention, medications, wellness, grief and loss, and living with HIV and AIDS. Empowered persons financially and advocated to and worked with agencies in the community on behalf of clients and their needs. Educated members of various community organizations about HIV and AIDS statistics, diagnosis and prognosis, risk factors, myths, the physiology of HIV, and the psychosocial impact of HIV on the client and the family.

- Facilitator of Women’s Support Group and Caregivers’ Support Group
- Representative of LAS for the State Case Management Sub-Group Committee
- Representative of LAS for the Tri-County End of Life Coalition

July 2005 – Peer Adherence Supervisor
March 2007 *Kansas City Free Health Clinic*, Kansas City, MO

Duties: Supervised the adherence focused counseling of 5 peer counselors who worked with HIV infected clients and reported nonadherence. Developed groups for HIV infected individuals and educational training programs for the peer counselors. Assisted in the development and co-facilitation of groups: Methamphetamine use and HIV, Taking Charge of Your Health, Communication skills, Medication Adherence, and Stress and HIV.

May 2006 – Psychology Undergraduate Advisor
January 2007 *University of Missouri-Kansas City*, Kansas City, MO

Duties: Assisted undergraduate psychology major and minor students with developing their course schedules, plans of study, and senior audits. Advised students on graduate school and career choices related to psychology. Communicated with the School of Arts and Sciences about students and policy changes related to psychology and developed the psychology undergraduate handbook.
