

CURRICULUM VITAE
MAY-TAL SAUERBRUN-CUTLER, M.D.

Women and Infants Hospital of Rhode Island
Division of Reproductive Endocrinology and Infertility
90 Plain Street, 3rd Floor
Providence, Rhode Island 02903

Business Phone: (401) 430-8467
Business Fax: (401) 276-7845
Cell: (508) 212-9076
Email: msauerbruncutle@Wihri.org

EDUCATION

Undergraduate **University of California, Berkeley, CA**
Major: Molecular Biology
Bachelor of Science, May 2003
Honors List, 1999 - 2003
Graduation with Honors, May 2003

Medical **Sackler School of Medicine-New York State/American Program, Tel Aviv University**
Israel
September 2006 - May 2010
Received MD, May 2010
Dean's Award for Top Student on Clinical Rotations

POSTGRADUATE TRAINING

Residency **Mount Sinai St. Luke's-Roosevelt Hospitals**
Icahn School of Medicine at Mount Sinai
1000 Tenth Avenue New York, NY 10019
Department of Obstetrics and Gynecology, Resident
June 2010 – June 2014
Program Director: Lois Brustman, MD

Fellowship **Women & Infants Hospital of Rhode Island and the Alpert Medical School of**
Brown University
101 Dudley Street, Providence, Rhode Island 02905
Division of Reproductive Endocrinology and Infertility, Fellow
July 2017 – July 2020
Program Director: Carol Wheeler, MD

POSTGRADUATE HONORS AND AWARDS

1999 - 2003 **Honors List, UC Berkeley, California**

2003 **Departmental Honors for senior thesis, "Interferon-Responsive Genes are Induced by**
3,3'-Diindolylmethane(DIM) in MDA-231 Human Breast Cancer Cells.",
UC Berkeley, California

2007 **DELE Certification/Award for excellence in Spanish language,**
Spanish Embassy, Tel Aviv

2010	Dean's Award for Top 3rd Year Student on Clinical Rotations, Sackler School of Medicine
2018	Fellow Excellence in Teaching Award for resident medical education, Warren Alpert Medical School of Brown University/Women & Infants Hospital of Rhode Island
2019	SREI Fellow Education Day Award to attend the Oncofertility Conference, Oncofertility Consortium, Northwestern University
2019	ASRM In-Training Award for research-selected by ASRM Scientific Program Committee, American Society for Reproductive Medicine (ASRM)
2020	Hospital-Based Faculty Excellence in Teaching Award for medical education, Warren Alpert Medical School of Brown University/Women & Infants Hospital of Rhode Island
2020 - 2021	Advance K Scholar Career Development Program – accepted into 1-year competitive program, Warren Alpert Medical School of Brown University/Women & Infants Hospital of Rhode Island
2021	Society of Assisted Reproductive Technologies (SART) database award
2021	Top Editorial Board Member, The Journal of Minimally Invasive Gynecology (JMIG)
2022	Star Reviewer for Fertility & Sterility Journals
2022 - 2024	ASRM/NICHD/DUKE Clinical Research / Reproductive Scientist Training (CREST) Program – accepted into competitive clinical research program
2023	Dean's Excellence in Teaching Award for medical student education, Warren Alpert Medical School of Brown University/Women & Infants Hospital of Rhode Island
2025	Top Doctor Rhode Island, Rhode Island Monthly

PROFESSIONAL LICENSES AND BOARD CERTIFICATION

2018 - present	American Board of Obstetrics and Gynecology, Board Certified Obstetrics and Gynecology, November 2018 Reproductive Endocrinology and Infertility Subspecialty, April 2022
2010 - present	Basic Life Support (BLS)/ Advanced Care Life Support (ACLS)
2014 – present	California State Board of Medical Licensure, Physician License (133967) Retired Status
2015 - present	Commonwealth of Massachusetts Board of Registration in Medicine,

Physician License (261318)

2017 - present **Rhode Island Board of Medical Licensure and Discipline,**
Physician License (MD 15665)

2019 - present **Fellow,** The American Congress of Obstetricians and Gynecologists

NON-MEDICAL EMPLOYMENT

2003 - 2006 **HealthCare Consultant,** MercerHR Consulting
San Francisco, California

ACADEMIC APPOINTMENTS

2013 - 2014 **Administrative Chief Resident**
Department of Obstetrics and Gynecology
Mount Sinai St. Luke's-Roosevelt Hospitals
Icahn School of Medicine at Mount Sinai

2017 - 2020 **Clinical Instructor of Obstetrics and Gynecology**
Department of Obstetrics and Gynecology
Women & Infants Hospital of Rhode Island
Warren Alpert Medical School of Brown University

2020 - 2023 **Director**
Resident Rotation in Reproductive Endocrinology and Infertility (REI)
Department of Obstetrics and Gynecology
Women & Infants Hospital of Rhode Island
Warren Alpert Medical School of Brown University

2020 - present **Assistant Professor of Obstetrics and Gynecology**
Department of Obstetrics and Gynecology
Division of Reproductive Endocrinology and Infertility
Women & Infants Hospital of Rhode Island
Warren Alpert Medical School of Brown University

2021 - present **Director**
Fertility Preservation
Department of Obstetrics and Gynecology
Division of Reproductive Endocrinology and Infertility
Women & Infants Hospital of Rhode Island
Warren Alpert Medical School of Brown University

2023 - present **Director**
Medical Student Rotation in Reproductive Endocrinology and Infertility (REI)
Department of Obstetrics and Gynecology
Women & Infants Hospital of Rhode Island
Warren Alpert Medical School of Brown University

2025 - present **Director/Faculty Advisor**
International Medical Student Exchange Program between

HOSPITAL APPOINTMENTS

2014 – 2017	Attending Physician Melrose Wakefield Hospital Hallmark Health Systems Department of Obstetrics and Gynecology
2020 - present	Attending Physician Women & Infants Hospital Department of Obstetrics and Gynecology Division of Reproductive Endocrinology and Infertility

OTHER APPOINTMENTS

2014 - 2015	Physician Scientist The Feinstein Institute for Medical Research, Division of Reproductive Endocrinology and Infertility, Northwell Health system Long Island, New York
2015 - 2017	Scholar Clinical Research/Reproductive Scientist Training (CREST) Program National Institute of Child Health and Human Development American Society for Reproductive Medicine, Washington, DC
2018 - present	Editorial Board Member Journal of Minimally Invasive Gynecology (JMIG)

HOSPITAL COMMITTEES

2020 - 2023	Clinical Competency Committee Residency in Obstetrics and Gynecology Women & Infants Hospital, Providence, RI
2020 - present	Program Evaluation Committee Fellowship in Reproductive Endocrinology and Infertility Women & Infants Hospital, Providence, RI
2020 - present	Clinical Competency Committee Fellowship in Reproductive Endocrinology and Infertility Women & Infants Hospital, Providence, RI
2022 - 2024	Scientific Advancement Committee Care New England, Lifespan, Warren Alpert Medical School of Brown University, Providence, RI

UNIVERSITY COMMITTEES

2024-present **Jewish Medical Association at Brown**
Faculty advisor for Jewish Affinity Group
Office of Belonging, Equity, Diversity & Inclusion
Warren Alpert Medical School of Brown University, Providence, RI

MEMBERSHIP IN PROFESSIONAL SOCIETIES

2010 - present **American Board of Obstetrics and Gynecology**, Diplomate

2010 - present **American Congress of Obstetricians and Gynecologists**

2013 - present **American Society for Reproductive Medicine (ASRM)**
Recurrent pregnancy loss task force, selected member, 2021 - present
ASRM Small Grant Cycle selected reviewer, 2021-2023

2017 - present **AAGL (American Association of Gynecologic Laparoscopists)**

2017 - present **New England Fertility Society**
Rhode Island Member at large, 2023 - 2025

2021 - present **Society for Assisted Reproductive Technology (SART)**
Advertising committee selected member, 2021 - present
Research committee selected member, 2022 – present
Member at large, 2025 – present

2023 - present **Society for Reproductive Endocrinology and Infertility (SREI)**

2023 - present **American Medical Jewish Association (AJMA)**

2024 - present **Rhode Island Israel Collaborative (RIIC)**
Cochair of Medical Subcommittee

2024 - present **American Society for Reproductive Medicine (ASRM)/FPSIG**
Vice Chair of the Fertility Preservation Special Interest Group, 2024 - present

2024 - present **Society for Reproductive Endocrinology and Infertility (SREI)**
Research committee selected member, 2024 - present

EDITORIAL REVIEWER

2013 - present Journal of Assisted Reproduction and Genetics

2018 - present American Journal of Reproductive Immunology

2018 - present Journal of the American Medical Association (JAMA)

2019 - present	Fertility and Sterility
2021 - present	Fertility and Sterility Reports
2022 - present	The American Journal of Obstetrics & Gynecology (AJOG)
2023 - present	The Journal of Obstetrics & Gynecology (Green Journal)

EDITORIAL BOARD MEMBER

2018 - present	Journal of Minimally Invasive Gynecology (JMIG)
----------------	---

PUBLICATIONS LIST

ORIGINAL PUBLICATIONS IN PEER REVIEWED JOURNALS

1. **Sauerbrun-Cutler M**, Kanos J, Friedman A, Bernstein S. Pseudoaneurysm after abdominal myomectomy: a rare but catastrophic complication. *Open J Obstet Gynecol*. 2013 Jan;3(1):123-5.
2. Keltz M, **Sauerbrun-Cutler M**, Durante M, Moshier E, Stein D, Gonzales E. Positive chlamydia trachomatis serology in infertility is a negative prognosticator for intrauterine pregnancy. *Sexually Transmitted Diseases*. 2013 Nov;40(11):842-5.
3. **Sauerbrun-Cutler MT**, Vega M, Breborowicz A, Gonzales E, Stein D, Lederman M, Keltz M. Oocyte zona pellucida dysmorphology is associated with diminished in-vitro fertilization success. *J Ovarian Res*. 2015 Feb 27;8(1):5.
4. Zalmanovici Trestioreanu A, Lador A, **Sauerbrun-Cutler MT**, Leibovici L. Antibiotics for asymptomatic bacteriuria. *Cochrane Database Syst Rev*. 2015 Apr;4(4):Cd009534.
5. Vega M, Breborowicz A, **Sauerbrun MT**, Stein D, McGovern PG and Keltz MD. Day three biopsy and blastulation rates. *J Reprod Med*. 2016 Aug; 61(4):336-340.
6. **Sauerbrun-Cutler MT**, Huber WJ, Has P, et al. Is intracytoplasmic sperm (ICSI) better than traditional in vitro fertilization (IVF): Confirmation of higher blastocyst rates per oocyte using a split insemination design. *Assist Reprod Genet*. 2020 Jul;37(7):1661-1667.
7. Huber WJ, **Sauerbrun-Cutler MT**, Krueger PM, Lambert-Messerlian G, Sharma S. Human chorionic gonadotropin-mediated modulation of pregnancy-compatible peripheral blood natural killer cells in frozen embryo transfer cycles. *Am J Reprod Immunol*. 2021 Jan;85(1):e13324.
8. **Sauerbrun-Cutler MT**, Brown EC, Huber WJ, Has P, Frishman GN. Society for Assisted Reproductive Technology advertising guidelines: How are member clinics doing? *Fertil Steril*. 2021 Jan;115(1):104-109.
9. Huber WJ *, **Sauerbrun-Cutler MT***, Krueger PM, Sharma S. Novel predictive and therapeutic options for better pregnancy outcome in frozen embryo transfer cycles. *Am J Reprod Immunol*. 2021 Apr;85(4):e13300. *Both first and second author contributed equally.

10. **Sauerbrun-Cutler MT**, Huber WJ, Krueger PM, Sung CJ, Has P, Sharma S. Do endometrial natural killer and regulatory T cells differ in infertile and clinical pregnancy patients? An analysis in patients undergoing frozen embryo transfer cycles. *Am J Reprod Immunol*. 2021 Jan; 85(6): e13393.
11. **Sauerbrun-Cutler M-T**, Reshef E, Has P, Frishman G. Society for Assisted Reproductive Technology (SART) advertising guidelines: How likely are member clinics to maintain compliance after resolving their violations? *F S Rep*. 2021 Jun 27;2(3):327-331.
12. **Sauerbrun-Cutler M**, Keltz M, Brown EC, Frishman GN, Sauerbrun-Cutler MT. Fluoroscopically-Guided Hysteroscopic Tubal Cannulation: A Procedure for Proximal Tubal Obstruction. *JSLs*. 2022 Oct-Dec;26(4):e2022.00047.
13. **Sauerbrun-Cutler M**, Pandya S, Recabo O, Raker C, Clark M, Robison K. Survey of young women with breast cancer to identify rates of fertility preservation (FP) discussion and barriers to FP care. *J Assist Reprod Genet*. 2023 Aug;40(8):2003-2011.
14. Keltz M, Rubin SC, Brown E, Bibi M, **Sauerbrun-Cutler M-T**. Fluoroscopic-guided hysteroscopic tubal cannulation results in high technical success and pregnancy rates comparable with the more traditional laparoscopically guided hysteroscopic tubal cannulation. *F S Rep*. 2024 Feb 16;5(2):205-210. doi: 10.1016/j.xfre.2024.02.008. 8. Steckler A, Matevossian K, **Sauerbrun-Cutler M**. Impact of Cannabis legalization on Infertility couples Cannabis use. Submitted to F&S.

ABSTRACTS

1. Keltz M, **Sauerbrun M**, Breborowicz A, Gonzales E. Oocyte zona pellucida dysmorphology is associated with both poorer IVF outcomes and laparoscopically confirmed pelvic endometriosis. Poster presentation at the 27th Annual Meeting of the European Society of Human Reproduction and Embryology, July 2011; Stockholm, Sweden.
2. Keltz M, Breborowicz A, **Sauerbrun M-T**, Gonzales E. Oocyte dysmorphology is associated with both poor IVF outcome and pelvic endometriosis, yet recent treatment had no effect on subsequent IVF outcome. Poster presentation at the 67th Annual Meeting of the American Society for Reproductive Medicine, October 2011; Orlando, Florida.
3. **Sauerbrun-Cutler M**, Lederman M, Lee M, Stein D, Keltz M. Serum anti-mullerian hormone levels (AMH) decrease after metformin administration in women with both lean and overweight polycystic

ovary syndrome (PCOS). Poster presentation at the 68th Annual Meeting of American Society of Human Reproduction Medicine, October 2012; San Diego, California.

4. **Sauerbrun-Cutler M**, Keltz M, Lederman M, Vega M, Stein D. Serum anti-mullerian hormone levels decrease after metformin administration in women with polycystic ovary syndrome more in patients with lean PCOS despite their normal levels of Insulin resistance. Poster presentation at the SGI 60th Annual Scientific Meeting, March 2013; Orlando, Florida.
5. Vega M, Keltz M, Sirota I, **Sauerbrun-Cutler M**. Comparative genomic hybridization (CGH) after day 3 blastomere biopsy results in lower multiple pregnancy and miscarriage rates, as well as improved clinical and ongoing pregnancy rates in fresh IVF. Poster presentation at the SGI 60th Annual Scientific Meeting, March 2013; Orlando, Florida.
6. **Sauerbrun-Cutler M**, Ozensoy S, Vega M, Keltz M. Does PICSi offer an advantage over ICSI in ART for patients with male factor. Poster presentation at the Conjoint Meeting of the International Federation of Fertility Societies and the American Society for Reproductive Medicine, October 2013; Boston, Massachusetts.
7. Huber III W, Mensah V, **Sauerbrun-Cutler M**, Zhang Y, Huang Y, Alvero R, Wang S. Polycystic Ovary Syndrome (PCOS) protects against the natural decline in Fertility with advancing reproductive age: findings of a large retrospective cohort analysis. Poster presentation at the Annual Meeting of American Society of Human Reproduction Medicine, October 2018; Denver, Colorado.
8. **Sauerbrun-Cutler M**, Huber III W, Has P, Shen C, Wang S, Hackett R, Alvero R. IVF insemination provides higher blastulation rates compared to ICSI-a sibling oocyte study. Poster presentation at the Annual Meeting of American Society of Human Reproduction Medicine, October 2018; Denver, Colorado.
9. **Sauerbrun-Cutler M**, Ghidei L, Huber III W, Wu X, Wang S, Alvero R. 3-D Ultrasound is Accurate for Follicular Monitoring but Does Not Reduce Time to Perform. Poster presentation at ACOG clinical and scientific meeting, May 2019; Nashville, Tennessee.
10. Huber III W, Krueger P, **Sauerbrun-Cutler M**, Lambert-Messerlian G, Sharma S. Natural Killer Cell-Based Predictive Assay for Pregnancy Outcome in Frozen Embryo Transfer Cycles. Poster presentation at the Annual Meeting of American Society of Human Reproduction Medicine, October 2019; Philadelphia, Pennsylvania.
11. **Sauerbrun-Cutler M**, Brown E, Has P, Frishman GN. IVF clinic websites: Buyer Beware the System is Broken. **Oral presentation** at the Annual Meeting of American Society of Human Reproduction Medicine, October 2019; Philadelphia, Pennsylvania.
12. **Sauerbrun-Cutler M**, Brown E, Frishman GN, Keltz M. Fluoroscopically Guided Hysteroscopic Tubal Cannulation: A Novel Procedure for Unilateral or Bilateral Proximal Tubal Obstruction Promptly Resolves Tubal Infertility. Accepted for scientific paper presentation at Minimally Invasive Surgery(MIS) Week 2020, August 2020; virtual conference.
13. **Sauerbrun-Cutler M**, Huber III W, Krueger, Sung J, Sharma S. Do Endometrial Natural Killer and Regulatory T Cells Differ in Infertile and Clinical Pregnancy Patients? An Analysis in Patients Undergoing Frozen Embryo Transfer Cycles. **Oral presentation** at the ASRM Annual Virtual Scientific Congress and Expo, October 2020; virtual conference.

14. **Sauerbrun-Cutler M**, Brown E, Frishman GN, Keltz M. Fluoroscopic-guided Hysteroscopic Tubal Cannulation Results in High Technical Success, High Spontaneous Pregnancy Rates, and Similar Time to Pregnancy When Compared to Laparoscopic-Guided Hysteroscopic Tubal Cannulation. **Oral presentation** at the ASRM Annual Virtual Scientific Congress and Expo, October 2020; virtual conference.
15. **Sauerbrun-Cutler M**, Pandya S, Recabo O, Raker C, Robison K. Barriers to Fertility Preservation in Young Women with Breast cancer. Poster presentation at the Annual Meeting of American Society of Human Reproduction Medicine, October 2021; Baltimore, Maryland.
16. Gadson A, Anthony K, K Matevossian, Raker C, **Sauerbrun-Cutler M**. Influence of Fertility Preservation Indication on Oocyte and Embryo Cryopreservation: A comparison of Medically Indicated vs Elective Cycles. Poster presentation at the Annual Meeting of American Society of Human Reproduction Medicine, October 2022; Anaheim, California.
17. Gadson A, **Anthony K**, Raker C, **Sauerbrun-Cutler M**. Fertility Preservation in an Insurance Mandated State: Outcomes from the Rhode Island Fertility Preservation Registry. **Oral presentation** at the Annual Meeting of American Society of Human Reproduction Medicine, October 2022; Anaheim, California.
18. Gadson A, Ozcan M, **Sauerbrun-Cutler M**, Raker C, Eaton J. Is PGT-A Beneficial for Patients with Only One Blastocyst? A 2014-2018 National Study Of Over 21,000 Freeze- All Cycles. **Oral presentation** at the Annual Meeting of American Society of Human Reproduction Medicine, October 2022; Anaheim, California.
19. **Sauerbrun-Cutler M**, Klein E, Raker C, Eaton J. Do Aromatase Inhibitors and Tamoxifen Impact the Number of Oocytes retrieved in Oocyte or Embryo Banking Cycles. Poster presentation at the Annual Meeting of American Society of Human Reproduction Medicine, October 2022; Anaheim, California.
20. Matevossian K, Konda S, , Stuckey A, Grive K, **Sauerbrun-Cutler M**. The Effects of the BRCA1 and 2 Mutations on Ovarian Reserve and Aging. **Oral presentation** at the Annual Meeting of American Society of Human Reproduction Medicine, October 2023; New Orleans, Louisiana. **Recipient of Fertility Preservation Interest Group Prize Paper.**

Identification of Breast Cancer Cohorts in the Rhode Island All Payers Claims Database, Poster presentation at 9th National IDeA Symposium of Biomedical Research Excellence (NISBRE), June 2024; Washington D.C, Washington D.C.
22. **Sauerbrun-Cutler M**, Maroof F, Rollo A, Zexuan Y, Schmid C, Wright JD, Robison K, Chen L, Crowley K, Sarkar N, Chen ES, Impact of the Fertility Preservation Insurance Mandate on Fertility Preservation Services Among Reproductive-Aged Female Breast Cancer Patients in Rhode Island, **Oral presentation** Annual Meeting of American Society of Human Reproduction Medicine Scientific Congress & Expo, October 2024; Denver, Colorado.
23. Suskin, JA, Giraldo, M, Zitek, E, Stuckey, A, Robison, K, **Sauerbrun-Cutler M**, Fertility Preservation Preferences for Telehealth Consultation: A prospective cohort

study, Poster presentation Annual Meeting of American Society of Human Reproduction Medicine Scientific Congress & Expo, October 2024; Denver, Colorado.

24. Zitkovsky E, Proussaloglou E, Kurchena K, Sverdløve R, Stuckey A, **Sauerbrun-Cutler M**. Oncofertility Referral Practice Patterns- Opportunities for Improvement, Poster presentation Annual Meeting of American Society of Human Reproduction Medicine Scientific Congress & Expo, October 2024; Denver, Colorado.
25. Steckler A, Matevossian K, Kruzan M, Hamel M, Nyberg O, Meyers A, Kim E, Vashisth S, Kim E, Klein E, Powell K, Zitek E, **Sauerbrun M**. Is Cannabis Use Associated with A Psychiatric Diagnosis in Couples with Infertility? **Oral** presentation Annual Meeting of American Society of Human Reproduction Medicine Scientific Congress & Expo, October 2024; Denver, Colorado.
26. Hourvitz R, Luz A, Matevossian K, **Sauerbrun M**, Hourvitz A. AI- Powered Oocyte Prediction for Trigger Timing: Cross- Continental Validation of Data from Previously Unseen Clinics. Poster presentation Annual Meeting of American Society of Human Reproduction Medicine Scientific Congress & Expo, October 2024; Denver, Colorado.
27. Madison J. M, Schroeder C, Kruzan M, Sun F, Kass L, **Sauerbrun-Cutler M**, Gokaslan ZL, Sullivan P. The Role of Fertility Preservation in Neurosurgical Spinal Ependymoma Patients: A Single-Center Review. Poster Presentation at Lifespan Research Day, November 2024; Rhode Island Hospital, Providence, RI.
28. Michles J M, Schroeder CB, Kruzan M, Sun F, Kass L, **Sauerbrun-Cutler M**, Gokaslan Z, Sullivan P. The Role of Fertility Preservation in Neurosurgical Spinal Ependymoma Patients: A Single-Center Review. Digital Poster at the Conference of Neurological Surgeons and American Association of Neurological Surgeons Annual Spine Summit, February 2025; Tampa, FL, USA.
29. Steckler S, Raker C, **Sauerbrun-Cutler M**, Dizon D, Graff S, Duffy. Inclusion of Gestational Surrogacy in Oncologist-led Fertility Counseling at Cancer Diagnosis: A National Survey. Poster Presentation at the American Society of Clinical Oncology, June 2025; Chicago, IL, USA.
30. Steckler S, Raker C, **Sauerbrun-Cutler M**, Dizon D, Graff S, Duffy. Awareness of Gestational Surrogacy Among Female Patients Treated for Cancer: A National Survey. Poster Presentation at the American Society of Clinical Oncology, June 2025; Chicago, IL, USA.
31. Steckler S, Raker C, **Sauerbrun-Cutler M**, Dizon D, Graff S, Duffy. Awareness of Gestational Surrogacy Among Female Patients Treated for Cancer: A National Survey. Poster Presentation at the Medical Student & Resident Abstract Forum at the American Society of Clinical Oncology, June 2025; Chicago, IL, USA.

32. Kruzan M, **Sauerbrun-Cutler M**. National Survey of Family Growth 2011-2019: The Relationship Between Pregnancy Desirability, Infertility , and Cannabis Use. Poster Presentation at the annual meeting of the American Society for Reproductive Medicine Scientific Congress and Expo, October 2025; San Antonio, Texas.
33. Kassi L, Fu J, Konda S, Schmid C, **Sauerbrun-Cutler M**. Where You Live Matters: Socioeconomic Disparities in Fertility Preservation Within a Mandated State. Poster Presentation at the annual meeting of the American Society for Reproductive Medicine Scientific Congress and Expo, October 2025; San Antonio, Texas.
34. Suskin, JA, Zitek, E, Stuckey, A, Robison, K, **Sauerbrun-Cutler M**. Regret and Decisional Conflict Scores Following Fertility Preservation Consult Among Patients with Breast Cancer: A Prospective Cohort Study. Poster Presentation at the annual meeting of the American Society for Reproductive Medicine Scientific Congress and Expo, October 2025; San Antonio, Texas.
35. Kassi L, Konda S, Ou J, McAdams J, Cram R, **Sauerbrun-Cutler M**, Grive K. Endometriosis and Ovarian Aging: A pilot Study Exploring Oxidative Stress and DNA Damage Markers. **Oral Presentation** at the annual meeting of the American Society for Reproductive Medicine Scientific Congress and Expo, October 2025; San Antonio, Texas.

INVITED PRESENTATIONS

INTERNATIONAL

1. **Reproductive Immunology and Infertility**, HUST Key Partnership Initiative Program of the Institute of Reproductive Health, Virtual Lecture- Huazhong University of Science and Technology. Wuhan, China, October 15, 2021.

NATIONAL

1. **Moderator, Fertility Preservation session**, Annual Meeting of the American Society for Reproductive Medicine, Baltimore, New Orleans, LA, October 15, 2023.
2. **Psychosocial Aspects and Decision Making for Pregnancy or Surrogates for ER+ Breast Cancer**, Roundtable presentation, Annual Meeting of the American Society for Reproductive Medicine, Denver, CO, October 23, 2024.
3. **Impact of the Fertility Preservation insurance mandate on FP services among reproductive aged female breast cancer patients in Rhode Island**, Presentation, Improving Equitable Access to Mandated Fertility Preservation Coverage in CA: A Symposium, San Diego, CA, January 10, 2025.

REGIONAL

1. **Microenvironment and the role in tumor development of lung cancer**, Cancer Cell Biology Symposium, University California Berkeley, Berkeley, CA, April 2002.

2. **Interferon- γ Responsive Genes are Induced by 3,3'-diindolylmethane(DIM) in MDA-231 Human Breast cancer cells**, Honors Research Symposium, University California Berkeley, Berkeley, CA, May 2003.
3. **Oocyte Dysmorphology is Associated with Both Poor IVF Outcome and Pelvic Endometriosis**, St-Luke's Roosevelt Research Day, St. Luke's-Roosevelt Hospital Center, New York, NY, June 2011.
4. **Chlamydia Serology and Infertility**, St-Luke's-Roosevelt Research Day, St. Luke's-Roosevelt Hospital Center, New York, NY, June 2012.
5. **Chlamydia Infection, Chlamydia Serology and Reproduction**, Continuum Health Partners Obstetrics & Gynecology Postgraduate Course, Beth Israel Hospital Center, New York, NY, April 2013.
6. **Does HBA Selection "picsi" Improve IVF Outcome in Male Factor Infertility**, St-Luke's-Roosevelt Research Day, St. Luke's-Roosevelt Hospital Center, New York, NY, June 2014.
7. **Reproductive Endocrinology and Infertility: An Overview**, Reproductive Epidemiology, Brown School of Public Health, Providence, RI, October 2019, 2020.
8. **Updates in Fertility Preservation**, Grand Rounds, Department of Obstetrics and Gynecology, Women & Infants Hospital of Rhode Island, Providence, RI, January 2020.
9. **Predictive and Treatment Approaches Based on Immune Cells and HCG in Infertility**, COBRE sponsored-Reproductive Biology & Women's Health Seminar Series, Women & Infants Hospital of Rhode Island, Providence, RI, February 2021.
10. **PCOS and Pelvic Pain**, Adolescent and Young Adult Health Course, Brown School of Public Health, Providence, RI, March 2021.
11. **Mentorship in Academic Medicine**, Fellow Research Bootcamp, Department of Obstetrics and Gynecology, Women & Infants Hospital of Rhode Island, Providence, RI, August 2021.
12. **Panelist, Digital Innovation for Women's Health**, The Israel Economic Mission to the Eastern US, Boston, Massachusetts, September 2023.
13. **Chick Mission- Fertility preservation Panelist**. Warren Alpert Medical School of Brown University, Providence, RI, September 2023.
14. **Pilot Funding Opportunities**, Constance Howes Innovation Fund, Women & Infants Hospital of Rhode Island, Providence, RI, September 2024.
15. **Careers in Medicine Panelist**, Brown/RISD Hillel, Providence, RI, March 2025

INVITED ABSTRACT REVIEWER

1. **American Association of Gynecologic Laparoscopists (AAGL) Annual Meeting**, November 2019-2021.

2. **American Society for Reproduction Medicine (ASRM) Annual Meeting**, October 2019-2025.

GRANTS

1. **Small Grants Program St. Lukes Roosevelt Hospital:** The Value of Hyaluronic Binding Assays (HBA) in the Evaluation of Idiopathic Infertility.
Role: **Principal Investigator.**
Value: \$1200. 2011 – 2012.
2. **Small Grants Program St. Lukes Roosevelt Hospital:** The value of Hyaluronic binding Selection (PICS1) in improving IVF outcome.
Role: **Principal Investigator.**
Value: \$10,000. 2013 – 2014.
3. **Society for Assisted Reproductive Technology.**
“Do aromatase inhibitors and tamoxifen impact the number of oocytes retrieved in oocyte or embryo banking cycles?”
Role: **Principal Investigator**, Society for Assisted Reproductive Technology.
\$2,000 awarded for dataset generation, October 2020.
4. **Society for Assisted Reproductive Technology.**
“Is PGT-A beneficial for women with only one blastocyst?”
Role: **Co-Investigator**, Society for Assisted Reproductive Technology.
\$2,000 awarded for dataset generation, October 2021.
5. **Seed Funding Care New England:** Breast cancer fertility preservation outcomes in a mandated state- A pilot study evaluating a new intervention utilizing telehealth consults.
Role: **Principal Investigator.**
Value: \$30,000. 2020 – 2022.
6. **Advance-CTR pilot project:** Utilization of Fertility Preservation (FP) Services After Implementation of an Insurance Mandate.
Role: **Principal Investigator**, CTR, Brown University.
Value: \$37,500. 2022 – 2023.
7. **Advance-CTR Mentored Award.**
“What factors impact FP preservation consultations and procedures in an insurance mandated state.”
Role: **Principal Investigator**, CTR, Brown University.
awarded for term October 2023 – October 2025.
8. **Society for Assisted Reproductive Technology.**
“A Comparison of Live Birth Rates in Infertility and Non-Infertility Patients Utilizing Assisted Reproductive Technology, 2016- 2022.”
Role: **Principal Investigator**, Society for Assisted Reproductive Technology.
\$2,000 awarded for dataset generation, August 2025.

UNIVERSITY TEACHING AND ADVISING ROLES

UNDERGRADUATE MEDICAL EDUCATION

2017 - 2019	Lecturer: Infertility Evaluation and Treatment ObG-490 Core Clerkship in Obstetrics and Gynecology Warren Alpert Medical School of Brown University (5 seminars: 12-18 students per seminar)
2017 - 2020	Student Instructor: Ultrasound workshop Course in Obstetrics and Gynecology Warren Alpert Medical School of Brown University (2 sessions: 12 students per session)
2018 - 2024	Student Case Presentation Preceptor: General Topics in Obstetrics and Gynecology ObG-409 Core Clerkship in Obstetrics and Gynecology Warren Alpert Medical School of Brown University (1 student per 6-week block (2 students per year))
2018 - 2024	Small Group Facilitator: Problem Based Cases in Human Reproduction Biomed 351/Biomed 3674 Human Reproduction, Growth and Development Warren Alpert Medical School of Brown University (6 sessions per year: 9 students per session)
2018 - present	Lecturer: Menstrual Cycle ObG-490 Core Clerkship in Obstetrics and Gynecology Warren Alpert Medical School of Brown University (5 seminars per year: 12-18 students per seminar)
2022 - present	Lecturer: Male and Female Infertility Longitudinal Integrated Clerkship Course Required for 3rd year medical student population medicine curriculum Warren Alpert Medical School of Brown University
2022 - present	Lecturer: PCOS Evaluation and Treatment Human Reproduction, Growth and Development (Med Ed-BIOL3674) Required 2nd year medical student course Warren Alpert Medical School of Brown University
2022 - present	Lecturer: Male and Female Infertility Human Reproduction, Growth and Development (Med Ed-BIOL3674) Required 2 nd year medical student course Warren Alpert Medical School of Brown University
2023 - present	Preceptor/Mentor

Reproductive Health Scholarly Concentration/AMS Summer Internship Program
Warren Alpert Medical School of Brown University
(2 students per summer)

2025 - present **Lecturer:** RI Fertility Preservation after an Insurance Mandate
Practical Data Analysis in Biostatistics (PHP2550)
Brown University
(2 invited lectures per semester/ 40 students per semester)

GRADUATE MEDICAL EDUCATION

2017 **Lecturer:** Review of ART
Noon conference Lecture - Residency Program in Obstetrics and Gynecology
Warren Alpert Medical School of Brown University/Women & Infants Hospital
of Rhode Island
(20 attendees)

2018 **Instructor/Simulation Leader:** Hysteroscopy training
Residency in Obstetrics and Gynecology Simulation Program
Warren Alpert Medical School of Brown University/Women & Infants Hospital
of Rhode Island
(32 Residents per year)

2018 - present **Lecturer:** Menstrual cycle and ART
Resident Core Curriculum
Department of Obstetrics and Gynecology, Women & Infants Hospital
(20 attendees)

2020 - present **Attending Physician:** Fellowship in Reproductive Endocrinology and
Infertility
Department of Obstetrics and Gynecology
Women & Infants Hospital
Warren Alpert Medical School of Brown University
(3 Fellows per year)

2020 - present **Attending Physician:** Resident Rotation in Reproductive Endocrinology
and Infertility
Department of Obstetrics and Gynecology
Women & Infants Hospital
(16 Residents per year)

2021 - present **Lecturer:** Fertility preservation
Gynecologic Oncology Fellowship
Department of Obstetrics and Gynecology, Women & Infants Hospital
(12 Fellows per year)

2022 - present **Creator, Lecturer, Preceptor:** Oncofertility
Elective in Cancer Prevention and Survivorship

Internal Medicine Residency, Brown University/Lifespan Hospitals
(40 Residents per year)

2023 - 2024	Lecturer: Mentorship Fellows' Workshop in Clinical Research Department of Obstetrics and Gynecology, Women & Infants Hospital (12 Fellows per year)
2023 - present	Lecturer: Unexplained Infertility REI Fellows' Didactics Department of Obstetrics and Gynecology, Women & Infants Hospital (3 Fellows per year)
2023 - present	Lecturer: Fertility Preservation REI Fellows' Didactics Department of Obstetrics and Gynecology, Women & Infants Hospital (3 Fellows per year)
2025 - present	Preceptor: Journal club Residents Journal Club Department of Obstetrics and Gynecology, Women & Infants Hospital (40 residents per year/1-2 sessions per year)

MENTORSHIP ROLES

CLINICAL AND CAREER MENTORING

2021 - 2023	Faculty Mentor, Kathryn Anthony, M.D., OB GYN Resident Warren Alpert Medical School of Brown University/Women & Infants Hospital of Rhode Island
2021 - present	Faculty Mentor, Elizabeth Klein, Medical Student Accepted to Residency in Obstetrics and Gynecology at the Cleveland Clinic
2021 - present	Faculty Mentor, Johanna Suskin, Medical Student Accepted to Residency in Obstetrics and Gynecology at Mount Sinai New York
2021- present	Faculty Mentor, Fellowship in Reproductive Endocrinology and Infertility, Warren Alpert Medical School of Brown University/Women & Infants Hospital of Rhode Island

2021 – 2023: Alexis Gadson, M.D., Physician at Shady Grove Fertility Center

2022 – 2024: Karine Matevossian, M.D., Physician at Fertility Center of Illinois

2023 – 2025: Katherine Baker, M.D., REI fellow

2024 – present: Luce Kassi, M.D., REI fellow

2025 – present: Caroline Violette, M.D., REI fellow

- 2023 - present **Faculty Mentor**, Alexa Steckler, Medical student
Warren Alpert Medical School of Brown University
- 2023 - present **Faculty Mentor/Preceptor for Reproductive Health Scholarly Concentration**
Allegra Rollo, Medical student
Warren Alpert Medical School of Brown University
- 2023 - present **Faculty Mentor**, Emily Zitkovsky, Medical Student
Accepted to Residency in Obstetrics and Gynecology at Beth Israel Deaconess
Medical center
- 2024 – present **Faculty Mentor/Preceptor for Reproductive Health Scholarly Concentration**
Summer Research Assistantship
Amy Zhao, Medical Student
Warren Alpert Medical School of Brown University
- 2024 – present **Faculty Mentor/Preceptor for Reproductive Health Scholarly Concentration**
Sanjana Konda, Medical Student
Warren Alpert Medical School of Brown University

RESEARCH MENTORING

- 2020 - 2023 **Faculty Mentor**, Emma Brown, Undergraduate Student.
“Fluoroscopic-guided Hysteroscopic Tubal Cannulation Results in High
Technical Success, High Spontaneous Pregnancy Rates, and Similar Time to
Pregnancy When Compared to Laparoscopic-Guided Hysteroscopic Tubal
Cannulation.” **Oral presentation** at the ASRM Annual Virtual Scientific
Congress and Expo, October 2020; virtual conference.
- “Fluoroscopically Guided Hysteroscopic Tubal Cannulation: A Novel Procedure
for Unilateral or Bilateral Proximal Tubal Obstruction Promptly Resolves Tubal
Infertility.” Poster presentation at Minimally Invasive Surgery (MIS) Week 2020,
August 2020; virtual conference. Publication, JSLS. 2022 Oct-Dec;26(4):
e2022.00047.
- “IVF clinic websites: Buyer Beware the System is Broken.” **Oral presentation** at
the Annual Meeting of American Society of Human Reproduction Medicine,
October 2019; Philadelphia, Pennsylvania. Publication, Fertil Steril. 2021
Jan;115(1):104-109.
- 2021-2023 **Faculty Mentor**, Alexis Gadson, M.D., Fellow, currently a physician at Shady
Grove Fertility.
“Is PGT-A beneficial for women with only one blastocyst?” One of ten proposals
nationwide selected for funding of dataset generation by the Society for Assisted

Reproductive Technology. Oral Presentation at the American Society for Reproductive Medicine Scientific Congress and Expo, Anaheim, CA, October 22-26, 2022.

“Fertility Preservation in an Insurance Mandated State: Outcomes from the Rhode Island Fertility Preservation Registry.” Oral Presentation at the American Society for Reproductive Medicine Scientific Congress and Expo, Anaheim, CA, October 22-26, 2022.

“Influence of Fertility Preservation Indication on Oocyte and Embryo Cryopreservation: A comparison of Medically Indicated vs Elective Cycles.” Poster Presentation at the American Society for Reproductive Medicine Scientific Congress and Expo, Anaheim, CA, October 22-26, 2022.

2021 - 2025

Faculty Mentor, Elizabeth Klein, M.D., Medical Student.

“Do Aromatase Inhibitors and Tamoxifen Impact the Number of Oocytes retrieved in Oocyte or Embryo Banking Cycles.” Poster Presentation at the American Society for Reproductive Medicine Scientific Congress and Expo, Anaheim, CA, October 22-26, 2022. Publication submitted to *Fertility and Sterility*.

2021 - present

Faculty Mentor, Kathryn Anthony, M.D., Resident.

“Influence of Fertility Preservation Indication on Oocyte and Embryo Cryopreservation: A comparison of Medically Indicated vs Elective Cycles.” Poster Presentation at the American Society for Reproductive Medicine Scientific Congress and Expo, Anaheim, CA, October 22-26, 2022. Poster presentation at New England Fertility Society Annual meeting, Newport RI, May 2023.

2021 - present

Faculty Mentor, Cassie Hobbs, M.D., Resident.

“An assessment of patients' understanding of IVF success rates – a pilot study evaluating the (utility/usefulness) of the SART snapshot view in patient education.” Oral Presentation at Women and Infants Hospital Resident Research Day, Providence, RI, May 2023.

2022 - present

Faculty Mentor, Karine Matevossian, M.D., Fellow.

“The Effects of the BRCA1 and 2 Mutations on Ovarian Reserve and Aging” Accepted for Oral Presentation at the Annual Meeting of the American Society for Reproductive Medicine, New Orleans, LA, October 14-18, 2023. **Recipient of Fertility Preservation Interest Group Award for this presentation.**

“The Effects of the BRCA1 and 2 Mutations on Ovarian Reserve and Aging.” One of three finalists for SREI/ASRM Young Investigators Grant.

“The effects of BRCA1 and 2 mutations on ovarian reserve and aging.” Matevossian K, Sauerbrun-Cutler MT, Konda S, et al. *Fertil Steril*. Published online November 7, 2024. doi:10.1016/j.fertnstert.2024.11.001

2023 - present

Faculty Mentor, Allegra Rollo, M.D., Medical Student.

The Status of Fertility Preservation (FP) Insurance Mandates and Their Impact on Utilization and Access to Care. *Journal of Clinical Medicine*. 2024; 13(4):1072. <https://doi.org/10.3390/jcm13041072>

Nominated to attend Start-Up Nation Mentorship (SUNM) program , to foster connect health care professional development and innovation

- 2023 - present **Faculty Mentor**, Katherine Baker, M.D., Fellow.
“The impact of Triclosan on Infertility.” One of three finalists for Constance A. Howes Women’s Health Innovation Research Fund Award Grant.
- 2023 - present **Faculty Mentor**, Morgan Kruzan, M.D., Medical Student.
“Is Cannabis Use Associated with A Psychiatric Diagnosis in Couples with Infertility?” Oral presentation Annual Meeting of American Society of Human Reproduction Medicine Scientific Congress & Expo, October 2024, Denver, Colorado.
- 2023 – present **Faculty Mentor**, Sanjana Konda M.D., Medical Student.
“The Effects of the BRCA1 and 2 Mutations on Ovarian Reserve and Aging”
Accepted for Oral Presentation at the Annual Meeting of the American Society for Reproductive Medicine, New Orleans, LA, October 14-18, 2023
- 2024 – present **Faculty Mentor**, Emily Zikovsky M.D., Medical Student.
“Oncofertility Referral Practice Patterns- Opportunities for Improvement.”
Poster presentation Annual Meeting of American Society of Human Reproduction Medicine Scientific Congress & Expo, October 2024, Denver, Colorado.
- 2024 – present **Faculty Mentor**, Alexa Steckler, M.D., Medical Student.
“Is Cannabis Use Associated with A Psychiatric Diagnosis in Couples with Infertility?” Oral presentation Annual Meeting of American Society of Human Reproduction Medicine Scientific Congress & Expo, October 2024, Denver, Colorado.
