EDUCATION

Undergraduate	Brown University, Providence, RI BA 1995 Cognitive Science; German Literature Magna Cum Laude
Graduate	Cambridge University, Cambridge, England MPhil 1997 History & Philosophy of Science
Medical School	New York University Medical School, NYC, NY MD 2003 Alpha Omega Alpha

POSTGRADUATE TRAINING

Residency	Montefiore Medical Center, 2003-2006 Internal Medicine, Primary Care/Social Medicine Track
Fellowship	Albert Einstein College of Medicine, 2006-2008 General Internal Medicine Fellowship MS 2006 Research Methods Honors

POSTGRADUATE HONORS AND AWARDS

1995 British Marshall Scholarship

2003 President's Award for Volunteerism and Community Service, New York University

2003 Citation for Outstanding Academic Achievement, American Medical Women's Association

2006 Chairman's Award for Distinction in Research, Montefiore Medical Center

2006 Loan Repayment Program Award, National Institutes of Health

2014 Department of Medicine Teaching Award, Oregon Health & Sciences University

2015 Department of Medicine Teaching Award, Alpert Medical School of Brown University

2016 Dean's Award for Excellence in Teaching, Alpert Medical School of Brown University

2019 Beckwith Family Teaching Award, Alpert Medical School of Brown University

2020 Department of Medicine Teaching Award, Alpert Medical School of Brown University

2023 Rhode Island Woman Physician of the Year, Rhode Island American College of Physicians

2024 Top 10 Most Talked about Article (Altmetric score), Society for Family Planning

2025 Top Doctor in Internal Medicine, Rhode Island Monthly

2025 Department of Medicine Teaching Award, Alpert Medical School of Brown University

PROFESSIONAL LICENSES AND BOARD CERTIFICATION

Certification: American Board of Internal Medicine (2006, 2016)

Current license: Rhode Island (2014-current)

ACADEMIC APPOINTMENTS

Assistant Professor of Medicine,
Oregon Health & Sciences University, 2008-2014

Assistant Professor of Medicine, Clinician Educator Track
Alpert Medical School at Brown University, 2014-2018

Associate Professor of Medicine, Clinician Educator Track
Alpert Medical School at Brown University, 2018-current

Chair, Ambulatory Pre-clinic Curriculum Committee, Brown, 2015-current
Design 3-year curriculum of ~160 topics delivered weekly to 120 residents
Organize resident-faculty pairs to create and/or update the curriculum content yearly
Lead committee of 6-8 faculty who meet monthly to review & give feedback
Serve as final editor of curriculum published weekly

Co-director, Women's Health Track
Brown Internal Medicine Residency, 2023-current

Co-lead nationally-recognized program that attracts 12-15 residents/year
Co-direct Women's Health Elective (elective available for any internal medicine resident)
Direct monthly Noon Conference (for all internal medicine residents)
Direct Evening Seminar Series (for women's health track residents)
Mentor residents on educational and scholarly projects.

HOSPITAL APPOINTMENTS

Attending Physician, Oregon Health & Sciences University Hospital, 2008-2014

Attending Physician, Rhode Island Hospital, 2014-current

Attending Physician, Miriam Hospital, 2020 – current

OTHER APPOINTMENTS

Member, Women's Health Task Force, Society of General Internal Medicine, 2009-2010
Recruited to provide input on this national organization's position regarding long-acting contraception (LARC) including contraceptive arm implants and intrauterine devices; led to the organization's position statement including LARC as a core skill

Primary Care Consultant, Planned Parenthood of Southern New England, 2020-2023
Created monthly curriculum series to support primary care Advance Practice Practitioners
Provided 1:1 support for complex cases

Member, Brown University Reproductive Justice Collaborative, 2023-current
Invited to join University-wide, interdisciplinary faculty-resident group
Meet 8x/year to map resources, collaborate and present scholarly work

Preceptor Trainer, Primary Care Training Program, Care Transformation Collaborative of RI, 2025-current
Joined multi-payer funded, state-wide initiative to incentivize and support preceptors of trainees
Meet 2x/month to adapt curriculum and plan quarterly learning collaboratives

CLINICAL TEACHING AND SERVICE LEADERSHIP

Founder and Director, Women's Health Clinic, Oregon Health Sciences University, 2010-2014
Created nationally-recognized clinic for specialty women's health care within internal medicine
Recruited and trained residents to provide long-acting contraception (e.g., IUDs and implantable birth control)

Founder & Director, Procedures Clinic, RI Hospital Center for Primary Care, 2014-current
Created a clinic for specialty procedural care within internal medicine
Presented nationally as an educational innovation (see below Abstracts, national #10)
Recruited and trained residents to provide orthopedic, dermatologic and gynecologic procedures

Founder & Director, Repro-Gender Clinic, RI Hospital Center for Primary Care, 2014-current
Created a clinic for specialty reproductive health care within internal medicine
Presented nationally as an educational innovation (see below Abstracts, national #12)
Recruited and trained residents to provide gyn procedures and gender-affirming care

UNIVERSITY AND HOSPITAL COMMITTEES

Residency Selection Committee, Department of Medicine, Montefiore, 2006-2008
Interviewed candidates and met 2-3 times/year to discuss and help rank our list

Ambulatory Curriculum Committee, Oregon Health & Sciences University, 2011-2014
Met monthly to review, provide feedback and serve as co-editors of ambulatory curriculum

X+Y Curriculum Committee, Oregon Health & Sciences University, 2011-2014
Met monthly to design outpatient component of residency curriculum transformation
Developed and delivered 1 month/year of curriculum focused on women's health

Residency Selection Committee, Department of Medicine, Brown, 2014-current
Interview 6-10 candidates/year and meet ~2x per year to help resolve conflicting assessments

PROFESSIONAL MEMBERSHIP AND ACTIVITY

Society of General Internal Medicine
National organization of internal medicine educators and researchers
Member, 2005-current
Women's Health Education Interest Group, 2005-current
National group meets 2-4x/year
Co-lead sub-committee on reproductive health, meeting in person yearly, 2018-current
Developed database of providers of long-acting contraception, 2018-current
Scientific Abstract Reviewer, 2015-current
Subcommittee Chair, Regional Meeting abstract review, 2016
Poster Judge, National Meeting, 2022, 2023

Medical Students for Choice 1999-2003
National organization of medical students organizing to improve family planning education

Reproductive Health Access Project
National organization of reproductive health clinicians, educators and researchers
Co-leader, Rhode Island Cluster, 2018-current
Organize 2-3 meetings/year for clinician education and advocacy
Testified on behalf of organization at RI State House 2018, 2019, 2023, 2024
Co-leader, National Internal Medicine Cluster, 2018-2020
Inaugural national co-leader of IM reproductive health educators & researchers
Co-led national meetings for collaboration in education, advocacy and research

American College of Physicians

National internal medicine professional organization of 162,000 members

Member 2011-current

Fellow, 2015-current

Invited to present at national meeting attended by ~10,000 physicians (2016, 2023-2026)

Society of Family Planning/Association of Reproductive Health Professionals

National organization of family planning researchers, clinicians and educators

Member, 2006-current

Junior fellow, 2007-2008

Affiliate fellow, 2017-current

Physicians for Reproductive Health

Member, 2006-2018

Ad Hoc Journal Peer Reviewer

Journal of General Internal Medicine, 2009-current

Contraception, 2008-current

TRAINING AND CERTIFICATION PROGRAMS

Buprenorphine training and waiver certification, 2010

National trainer certification, Nexplanon contraceptive arm implant, 2014-current

Serve as trainer for FDA-required training for providers who wish to offer contraceptive method

Chief Resident Immersion Training in Addiction Treatment

Boston University School of Medicine, 2016, 2017

Selected to attend 3-day intensive training on addiction treatment education and scholarship

Justice, Equity, Diversity & Inclusion (JEDI) Antiracism Training, Department of Medicine,

Alpert Medical School of Brown University, 2021 – 2022

Participated in 3 trainings to improve anti-racist training in medical education

INVITED PRESENTATIONS

National

1. My body is my country: women's lives and the politics of reproductive justice. **Invited panelist**, the University of Connecticut, Stamford, CT, October 25, 2006.
2. Contraception for the Internist. **Workshop** at the Society of General Internal Medicine's national meeting, Pittsburgh, PA, April 11, 2008.
3. Reproductive health training in residency. **Invited panelist** at the Medical Students for Choice national meeting, St Paul, MN, April 4, 2008.
4. Contraception for women with chronic diseases. **Workshop** at the Society of General Internal Medicine's national meeting, Miami Beach, FL, May 15, 2009.
5. Intrauterine device insertion. **Invited speaker**, American College of Physicians national meeting, San Diego, CA, April 8, 2011.
6. Clinician educator tracks. **Invited speaker** at the Society of General Internal Medicine's national meeting, San Diego, CA, April 24, 2014.
7. Health IT to expand pregnancy options counseling & medication abortion services. **Workshop** at the Society of General Internal Medicine's national meeting, Denver, CO, April 2018.
8. What does technology have to do with my birth control? How to use health IT to improve counseling and provision of contraception. **Workshop** at the Society of General Internal Medicine's national meeting, Denver, CO, April 2018.
9. Time for Action: Managing Early Pregnancy Loss and Medication Abortion in General Internal Medicine Practice. **Workshop** at the Society of General Internal Medicine's national meeting, Washington, DC, May 9, 2019.
10. RU Able to Help? A workshop for internists on early abortion care. **Workshop** at the Society of General Internal Medicine's national meeting, virtually held Summer 2020.
11. Clinician Educator Track. **Invited panelist** at the Society of General Internal Medicine national meeting, Orlando, FL, April 8, 2022.
12. Medication Abortion in General Medicine Practice. **Workshop** at the Society of General Internal Medicine national meeting, Orlando, FL April 8, 2022.
13. Updates in contraception: new methods and new uses. **Workshop** at the Society of General Internal Medicine national meeting, Orlando, FL, April 9, 2022.

14. Medication abortion in General Internal Medicine. **Workshop** at the Society of General Internal Medicine national meeting, Orlando, FL, April 8, 2022.
15. Reproductive Justice. **Invited panelist** for the Society of General Internal Medicine's National Webinar sponsored by the Health Equity & Women and Medicine Commissions, June 22, 2022.
16. Teaching inbox management: a microcosm of all 6 competencies. **Workshop** at the Association of Program Directors in Internal Medicine's national meeting, San Diego CA, September, 2022.
17. Reproductive Justice: partnerships at work to protect our patients, colleagues and communities. **Invited panelist** at the Society of General Internal Medicine's Special Symposium at the national meeting, Aurora, CO, May 11, 2023
18. Abortion pills, education and advocacy for the general internist. **Invited organizer and panelist**, Society of General Internal Medicine's Special Symposium at the national meeting, Aurora, CO, May 12, 2023
19. What internal medicine physicians need to know about contraception. **Invited panelist** at the American College of Physicians Webinar on contraception, aired September 13, 2023 and available for CME at <https://www.acponline.org/cme-moc/online-learning-center/what-internal-medicine-physicians-need-to-know-about-contraception>
20. Prescribing mifepristone and misoprostol in an internal medicine faculty/resident practice. **Invited panelist** for the Reproductive Health Access Project Echo national webinar. December 13, 2023.
21. Medication abortion: what internists need to know. **Invited speaker**, American College of Physicians national meeting, Boston, MA. April 20, 2024
22. Medication abortion: what internists need to know. **Invited speaker**, American College of Physicians national meeting, New Orleans, LA. April 4 & 6, 2025
23. Improving patient experience with IUD placement. **Workshop** at the Society for General Internal Medicine's national meeting, Hollywood, FL, May 16, 2025.
24. After Roe, where do we go? How internists can provide and advocate for medication abortion. **Workshop** at the Society for General Internal Medicine's national meeting, Hollywood, FL, May 15, 2025.
25. Medication abortion: what internists need to know. **Invited speaker**, American College of Physicians national meeting, San Francisco, CA. April 16, 2026.

Regional and Local

1. Research Based Health Activism. **Invited speaker and facilitator** for month-long elective for 4th year medical students from across the US, Montefiore, Bronx, NY, October 2006.
2. Contraception for the internist. **Invited speaker**, Noon conference at the Oregon Health Sciences University Internal Medicine Program, Portland, OR, June 2009.
3. HIV testing, prevention and the new guidelines. **Invited speaker, Noon conference** at the Oregon Health Sciences University Internal Medicine Program, Portland OR, November 2009.
4. Reproductive health care for underserved women. **Invited panelist** at the Medical Students for Choice regional conference, Portland, OR, 2009.
5. Intrauterine device insertion. **Invited speaker** at the Medical Students for Choice chapter meeting, Oregon Health & Sciences University, Portland, OR, 2012.
6. The future of primary care. **Invited speaker** at the Oregon Health & Sciences University Internal Medicine Interest Group, Portland, OR 2012.
7. Insertion and removal of Nexplanon devices. **Invited trainer** to deliver FDA-required, 3-hour workshop, 1-2x per year.
8. Team-based learning in medical education: engaging learners at every level. **Invited speaker**, Alpert Medical School at Brown University's Program in Educational Faculty Development, Providence, RI December, December 9, 2015.
9. How to create a successful peer mentorship group. **Invited speaker**, Alpert Medical School at Brown University's Office of Women in Science and Medicine, Providence, RI, December 6, 2018.
10. RU Able to Help? A workshop for internists on early abortion care. **Workshop** at the Society of General Internal Medicine's regional conference, Boston, MA, November 2019.
11. RU Ready? Mifepristone and misoprostol for early medication abortion and miscarriage. **Invited Grand Rounds speaker**, Lifespan/Brown University Health Department of Obstetrics & Gynecology, Providence, RI. January 15, 2020.
12. If you are a doctor and these are pills, why can't you prescribe them for me? **Invited plenary speaker**, Society of General Internal Medicine Mid-Atlantic Regional meeting (virtual). October 21, 2022.

13. Reproductive justice for the Rhode Island internist. **Invited Grand Rounds speaker**, Rhode Island Hospital Department of Medicine, Providence, RI. May 2, 2023.
14. Responding to patient-initiated discrimination and harassment. **Speaker**, Brown Internal Medicine Residency, Women's Health Track Seminar Series, October 16, 2023.
15. Responding to patient-initiated discrimination and harassment. **Speaker**, Brown Internal Medicine Residency, Noon conference, Rhode Island & Miriam Hospitals, October 31, 2023.
16. Responding to patient-initiated discrimination and harassment. **Invited speaker**, Division of General Internal Medicine Faculty Development Series, November 7, 2023.
17. Responding to patient-initiated discrimination and harassment. **Invited Grand Rounds speaker**, Rhode Island Hospital Department of Medicine, Providence, RI. June 11, 2024.
18. Responding to patient-initiated discrimination and harassment. **Invited speaker**, Alpert Medical School Faculty Development Series, April 3, 2025.
