

DECEMBER 12, 2022

CURRICULUM VITAE
NATASHA SOKOL

Department of Psychiatry and Human Behavior
Warren Alpert Medical School
Brown University
Box G-BH
700 Butler Drive
Providence, RI 02906
Fax: (401) 863-6697
E-mail: natasha_sokol@brown.edu

EDUCATION

Undergraduate Mount Holyoke College
 Majors: Psychology, French
 Bachelor of Arts, 2008

Graduate Johns Hopkins University
 Concentrations: Social and Behavioral Sciences, Mental Health
 Master of Public Health, 2011

 Harvard T.H. Chan School of Public Health
 Department of Social and Behavioral Sciences
 Doctor of Science in Social Epidemiology, 2018
 Minor in Quantitative Methods, 2018

POSTGRADUATE TRAINING

Fellowship Center for Alcohol and Addiction Studies (CAAS), Brown University,
 Alcohol Intervention Treatment Outcome Research Training (T32
 AA007459: PI, P. Monti), 2018-2021

ACADEMIC APPOINTMENTS

2021-present Assistant Professor of Psychiatry and Human Behavior
 Warren Alpert Medical School
 Brown University

OTHER APPOINTMENTS

2021-present Research Scientist
 Center for Behavioral and Preventive Medicine

The Miriam Hospital
Providence, Rhode Island

Ad Hoc Consulting Reviewer

American Journal of Preventive Medicine
American Journal of Public Health
Journal of Adolescent Health
Journal of Environmental and Public Health
Nicotine and Tobacco Research
Tobacco Control

Abstract Reviewer

American Public Health Association
Society for Behavioral Medicine
Society for Epidemiologic Research

MEMBERSHIP IN SOCIETIES

Society for Epidemiologic Research (2017-present)
Society for Research on Nicotine and Tobacco (2008-2013, 2018-present)
Rhode Island Public Health Association (2022-present)
Society for Research on Adolescence (2017)
Society of Addiction Psychology (APA Division 50) (2018)

AWARDS

Horace W. Goldsmith Fellowship
Harvey V. Fineberg Fellowship in Cancer Prevention
Social and Behavioral Sciences Travel Award

3. Pearson J, Xiao H, Ferguson YO, Cullen J, **Sokol N**, Vallone D. *The promises and pitfalls of using core measures: an evaluation of the Priority Populations Initiative – Phase 2*. Poster presented at the Tobacco Research Network on Disparities (TReND) Capstone Meeting. Bethesda, MD. June, 2010.
4. **Sokol NA**, Curry LE. *Population effects of a targeted marketing campaign on the cigarette brand choices of girls and young women who recently initiated smoking: a case study of Camel No. 9*. Poster presented at the Annual Meeting for the Society for Research on Nicotine and Tobacco. Houston, TX. March, 2012.
5. **Sokol NA**, Behm I, Kennedy RD, Seidenberg AB, Rees V, Connolly GN. *Perception, marketing & design: a comprehensive assessment of the use of “light” cigarettes in the United States, 2009*. Poster presented at the Annual Meeting for the Society for Research on Nicotine and Tobacco. Houston, TX. March, 2012.
6. Behm I, Kennedy RD, **Sokol NA**, Rees VW, Seidenberg AB, Connolly GN. *Market availability and product design of flavored smokeless tobacco products*. Paper presented at the Annual Meeting for the Society for Research on Nicotine and Tobacco. Houston, TX. March, 2012.
7. Greiner AL, Lagasse L, Neff R, Love D, Chase R, **Sokol N**, Clegg Smith K. *Reassuring or risky? The presentation of seafood safety following the Deepwater Horizon Oil spill*. Paper presented at the Annual Meeting of the American Public Health Association. San Francisco, CA. October, 2012.

8. **Sokol NA**, Kennedy RD, Connolly GN. *Tobacco industry use of flavors at noncharacterizing levels and sensory perception, initiation and maintenance: an examination of internal industry documents*. Poster presented at the Annual Meeting for the Society for Research on Nicotine and Tobacco. Boston, MA. March, 2013.
9. **Sokol NA**, Kennedy RD, Connolly GN. *The role of cocoa as a cigarette additive: opportunities for product regulation*. Poster presented at the Annual Meeting for the Society for Research on Nicotine and Tobacco. Boston, MA. March, 2013.
10. Rees VW, Hamdan A, Seidenberg AB, Behm I, **Sokol NA**. *Sensory and risk perceptions of secondhand smoke in public venues in Jordan*. Poster presented at the Annual Meeting for the Society for Research on Nicotine and Tobacco. Boston, MA. March, 2013.
11. Keske R, Rees V, **Sokol NA**, Blaine K, Geller A. *Secondhand smoke exposure and mitigation strategies among a national sample of home visitation workers*. Poster presented at the Annual Meeting for the Society for Research on Nicotine and Tobacco. Seattle, WA. February, 2014.
12. Rees VW, Davine J, Keske R, **Sokol N**, Geller AC. *Predictors of self-reported exposure to secondhand smoke among residents in multi-unit affordable housing*. Poster presented at the Annual Meeting for the Society for Research on Nicotine and Tobacco. Florence, Italy. March, 2017.
13. Rees VW, Davine J, Keske R, **Sokol N**, Geller AC. *Perceptions of an affordable housing smoking ban differ among smokers and nonsmokers: implications for policy implementation*. Paper presented at the Annual Meeting for the Society for Behavioral Medicine. San Diego, CA. March, 2017.
14. **Sokol NA**, Okechukwu CO, Chen J, Subramanian SV, Rees V. *Mother's marijuana use during a child's lifetime is associated with earlier age of first use*. Poster presented at the Annual Meeting for the Society for Epidemiologic Research. Seattle, WA. June, 2017.
15. Rees V, Davine J, Keske R, **Sokol N**, Brooks DR, Geller A. *Enhancing smoke-free policy implementation strategies in low income housing: findings from a randomized controlled trial*. Paper presented at the Annual Meeting for the Society for Research on Nicotine and Tobacco. Baltimore, MD. February, 2018.
16. Rees V, Davine J, Keske R, **Sokol N**, Brooks DR, Geller A. *Smoke-free housing rules affect community cohesion among smokers and non-smokers*

differently: lessons for policy implementation. Symposium presented at the Annual Meeting for the Society for Research on Nicotine and Tobacco. Baltimore, MD. February, 2018.

17. Tan A, Rees V, Rodgers J, Agudile E, **Sokol N**, Yie K, Sanders-Jackson A. *Does brief exposure to e-cigarette vapor cues in public service announcements influence smoking and vaping-related urges and use intentions?* Paper presented at the Annual Meeting for the Society for Research on Nicotine and Tobacco. Baltimore, MD. February, 2018.
18. Bromwich KA, Borba KA, McCallum M, **Sokol N**, Stroud LR. *Prenatal tobacco and marijuana co-use: characteristics of co-users in Rhode Island.* Poster presented at the Brown University Summer Research Showcase. Providence, RI. October 2018.
19. Rollins LG, **Sokol NA**, McCallum M, Stroud LR. *Electronic cigarette use in pregnancy: prevalence, characteristics, and comorbidities in a New England sample.* Poster presented at the Brown University Mind Brain Research Day. Providence, RI. March, 2019.
20. **Sokol NA.** *The relationship between county-level poverty and alcohol-attributable mortality in the United States, 1999-2017.* Poster presented at the Annual Meeting for the Research Society on Alcoholism. Minneapolis, MN. June, 2019.
21. **Sokol NA**, Rees VW, Chen JT, Okechukwu CA. *Race and income modify the effect of employment on adolescent cannabis initiation.* Poster presented at the Annual Meeting for the Society for Epidemiologic Research. Minneapolis, MN. June, 2019.
22. **Sokol NA**, Stroud LR. *Trends in past-month cannabis use among adults with children in the United States, 2006-2017.* Poster presented at the Annual Meeting for the Society for Epidemiologic Research. Minneapolis, MN. June, 2019.
23. Bromwich KA, **Sokol NA**, McCallum M, Nguyen C, Werner E, Matteson K, Vergara-Lopez C, Stroud LR. *Preconception marijuana use in Rhode Island: rates, demographics and psychosocial correlates.* Poster presented at the Women and Infants Hospital Prematurity Summit. Providence, RI. November, 2019.
24. **Sokol NA**, Vonderahe D, Scott-Sheldon L, Stroud LR. *Reasons pregnant women report using e-cigarettes, cigars and hookah.* Poster e-presented at the Society for Research on Nicotine and Tobacco Annual Meeting. New Orleans, LA. March 2020.

25. **Sokol NA**, Feldman JM. Using propensity scores to understand the counterfactual in youth e-cigarette initiation. Poster e-presented at the Society for Epidemiologic Research Annual Meeting. Boston, MA. December 2020.
26. Jao NC, **Sokol NA**, Stanfield J, Feulner M, Borba K, Stroud LR. Use, appeal and risk perceptions of menthol vs. non-menthol cigarettes among pregnant smokers and nonsmokers. Poster accepted for Society for Research on Nicotine and Tobacco Annual Meeting. March 2021.
27. Stanfield J, **Sokol NA**, Mantingou C, Feulner M, Stroud L. Racial identity differences in the relationship between stress and tobacco use during pregnancy. International Society for Development Psychobiology Annual Meeting. Chicago, IL. November 2021.

INVITED PRESENTATIONS

- | | |
|------|--|
| 2016 | Smoking, drugs and alcohol
Health Psychology (PSY 355-900)
Drexel University |
| 2017 | Violence and aggression: origins and epidemiology
High Risk Behavior: Epidemiology and Prevention Strategies (SBS 219)
Harvard T.H. Chan School of Public Health |
| 2018 | Tobacco industry documents research
Tobacco Regulatory Science (605.671.86)
Johns Hopkins Bloomberg School of Public Health |
| 2022 | Social ecology of stress, parent substance use and consequences
Substance Use and Vulnerability to Addiction (PHP 1550)
Brown University School of Public Health |

GRANTS

CURRENT

1. Sokol NA. [Principal Investigator]. The Effect of Antenatal Maternal Cannabis Use on Parenting Behavior: National Institute on Drug Abuse. \$902,770. #1K01DA054324-01A1.

COMPLETED

1. NIH Loan Repayment Program: Clinical Research. National Institute on Drug Abuse.

2. Sokol NA. [Principal Investigator]. Intergenerational Impacts of Parent Marijuana Use on Adolescent Health: National Institute on Drug Abuse. \$108,211.00. #1F31DA039586-01.

TEACHING ROLES

TEACHING FELLOW

1. Harvard T.H. Chan School of Public Health. *Society and Health*. 2013-2017. Approximately 100 students (20 students per section).
2. Harvard T.H. Chan School of Public Health. *Substance Use and Public Health*. 2017. Approximately 20 students.
3. Harvard T.H. Chan School of Public Health. *High-Risk Behavior: Epidemiology and Prevention Strategies*. 2017-2018. Approximately 20 students.
