

Curriculum Vita
Paul F. Malloy, Ph.D.

Business Address: Butler Hospital
345 Blackstone Boulevard
Providence, RI 02906
E-mail: Paul_Malloy@brown.edu
Home page: http://research.brown.edu/myresearch/Paul_Malloy

Education:

1972 B.A., Psychology, with Honors, Dartmouth College
1980 M.A., Clinical Psychology, State University of New York, Binghamton
1981 Ph.D., Clinical Psychology, State University of New York, Binghamton
1981 Internship, Clinical Psychology, University of Mississippi Medical Center

Honors and awards:

1995 Brown DPHB Outstanding Teaching Award in Psychology
1995 Fellow, National Academy of Neuropsychology
2002 Fellow, American Neuropsychiatric Association
2002 Dean's Teaching Excellence Award, Brown Medical School
2003 Dean's Teaching Excellence Award, Brown Medical School
2007 Dean's Teaching Excellence Award, Brown Medical School
2010 Exemplary Teaching Certificate in Brain Sciences, Brown Medical School
2012 Exemplary Teaching Certificate in Brain Sciences, Brown Medical School
2015 Exemplary Teaching Certificate in Brain Sciences, Brown Medical School
2015 Brown DPHB Caldwell Award for Excellence in Teaching

Military service:

1972-1976 Lieutenant, U.S. Navy

Professional licensure and certification:

1983- Licensed Psychologist, Rhode Island, #261
1982-1983 Licensed Psychologist, Mississippi, #275

Academic appointments:

2009- Professor, Psychiatry & Human Behavior, Alpert Medical School, Brown University
1991-2009 Associate Professor, Psychiatry & Human Behavior, Brown Medical School
1983-1991 Assistant Professor, Psychiatry & Human Behavior, Brown Medical School
1982-1983 Assistant Professor, Psychiatry & Human Behavior, Univ. of Mississippi Med School
1981-1982 Instructor, Psychiatry & Human Behavior, Univ of Mississippi Medical School

Hospital appointments:

1998- Co-Director, Butler Hospital Memory Disorders Clinic
1996- Director of Psychology, Butler Hospital, Providence, RI
1986-1995 Consulting Neuropsychologist, VA Medical Center, Providence, RI
1985-1995 Consulting Neuropsychologist, Miriam Hospital, Providence, RI
1985-1986 Consulting Neuropsychologist, St. Joseph Hospital, Providence, RI
1983-1996 Staff Neuropsychologist, Butler Hospital, Providence, RI
1981-1983 Staff Neuropsychologist, V.A. Medical Center, Jackson, MS

Hospital committees:

- 1997-2018 Information Services Planning Committee, Butler Hospital
1983- Institutional Review Board, Butler Hospital, Vice Chair
1983-2017 Library Committee, Butler Hospital, Chair
2008-2016 Electronic Medical Record Implementation Committee
2016-2018 Care New England Epic Implementation Committee

University committees:

- 2000-2010 Brown University Psychology Training Consortium, Associate Director
1983-2000 Brown University Psychology Training Consortium
Neuropsychology Track Coordinator
Training Committee
Admissions Committee
1996-2015 Webmaster, Brown Dept. of Psychiatry & Human Behavior
2010- Department of Psychiatry and Human Behavior, Appointments and Promotions Committee

Membership and activities in professional societies:

- 1983- National Academy of Neuropsychology
1983- International Neuropsychological Society
1983- American Psychological Association, Division 40 (Neuropsychology)
1993-2019 American Neuropsychiatric Association
1993-2007 American Neuropsychiatric Association, Research Committee
1993-2014 American Neuropsychiatric Association, Chair, Website Committee
1993-2014 American Neuropsychiatric Association, Advisory Committee
1999-2019 American Neuropsychiatric Association, Annual Meeting program committee
1999 International Neuropsychological Society, Annual Meeting program committee
2000-2005 International Neuropsychological Society, Continuing Education Committee
2000-2005 National Academy of Neuropsychology, Professional Affairs & Information Office
2002-2003 Association for Internship Training in Clinical Neuropsychology Board Member
2006 American Psychological Association Div. 40 Annual Meeting Program Committee

Publications**Electronic publications:**

None

69. Salloway, S. and Malloy, P.F. Use of amyloid imaging in clinical practice. Invited workshop at the Annual Meeting of the International Neuropsychological Society, Waikoloa, Hawaii, 2013.
70. Malloy, P.F. The neuropsychiatric basis of content-specific delusions. Invited address to the Department of Psychiatry, University of Connecticut Medical School, 2016.
71. Malloy, P.F. Frontotemporal dementia. Invited address to the Alzheimer's New Jersey annual meeting, 2017.
72. Malloy, P.F. Frontal systems: Functions, syndromes and real-world correlates. Invited workshop for the New Jersey Neuropsychological Society, Union, NJ, 2018.
73. Malloy, P.F. Frontotemporal dementia. Invited address to the Massachusetts Neuropsychological Society, Boston MA 2018.

Grants:

- 1983-1988 Co-investigator, *Environmental treatment of alcohol abusers*. (NIAAA-AA05827-01A,).
- 1983-1988 Co-investigator, *Prediction of treatment outcome in alcoholism using neuropsychological tests*. (NIAAA-AA06698-01).
- 1985 Co-investigator, *Treatment of memory deficits in Korsakoff's patients with guanfacine*. (A. H. Robins Pharmaceuticals).
- 1988-1989 Co-investigator, *Environmental treatment of alcohol abusers*, competitive renewal. (NIAAA-AA06698-04).
- 1989-1992 Co-investigator, *Treatment of primary degenerative dementia with nimodopine*. (Miles Laboratories).
- 1993-1995 Principal Investigator. *Multicenter comparison of placebo and Mentane in outpatients with Alzheimer's disease*. (Hoechst Celenase Corp.)
- 1994-1995 Principal Investigator. *Development of a computerized teaching program in neuroimaging*. (Wayland Collegium, Brown University).
- 1993-1995 Principal Investigator. *Quantitative MRI analysis of subcortical white matter changes in late-life onset depression*. (Brown University Department of Psychiatry and Human Behavior).
- 1997-1998 Co-investigator. *An eight-week, parallel group, double-blind, placebo-controlled study of sertraline in elderly outpatients with major depression*. (Pfizer Pharmaceuticals R-0552).
- 1997-2001 Principal Investigator. *Relationship of MRI hyperintensities to treatment response in geriatric depression*. (Pfizer Pharmaceuticals R-0552).
- 1997-2002 Co-investigator. *Attentional and cognitive training in vital community elderly (ACTIVE)*. (NIA 5U101 NR4507-03).

- 1998-2001 Co-investigator. *A multi-center evaluation of the efficacy and safety of donepezil hydrochloride in patients with dementia associated with cerebrovascular disease.* (Eisai Inc. E2020-A0001-307).
- 1998-2000 Principal Investigator. *A multicenter evaluation of the efficacy and safety of donepezil hydrochloride (E2020) in subjects with mild cognitive impairment.* (Eisai/Pfizer E2020-A001-401).
- 1999-2004 Co- investigator. *Heart disease, CNS dysfunction and outcome in the elderly.* (PI: R. Cohen; NIH-NIA RO1 1999-PRG-1837)
- 2000-2001 Co-investigator. *Combined Pharmacologic and Behavioral Intervention to Improve Memory in Alzheimer's Disease* (PI: D. Cahn-Weiner; Alzheimer's Association).
- 2000-2001 Co-investigator. *Relationship of MRI hyperintensities to treatment response in geriatric depression.* (PI: R. Krishnan; Pfizer Pharmaceuticals R-0552).
- 2000-2002 Co-investigator. *Improving sleep and cognitive functioning in Alzheimer's Disease.* (M. Aloia, PI; Pfizer Pharmaceuticals, investigator-initiated).
- 2000-2001 Co-Investigator. *A randomized double blind placebo-controlled trial to evaluate the efficacy and safety of galantamine in subjects with mild cognitive impairment (MCI) clinically at risk for development of clinically probable Alzheimer's Disease.* (Janssen Research Foundation GAL-INT-11).
- 2000-2004 Co-Principal Investigator, Butler site. *Alzheimer's disease prevention trial with estrogens.* (PI: M. Sano; NIA)
- 2001-2003 Co-Principal Investigator. *Pharmacologic vs. combined pharmacologic-behavioral treatment for apathy in Alzheimer's disease.* (Co-PI Patricia Boyle; Alzheimer's Association, NIRG-01-2686).
- 2001-2002 Co-investigator. *A double-blind, randomized pilot study to evaluate the effects of galantamine and donepezil on sleep and attention and GI tolerance in patients with mild to moderate Alzheimer's disease.* (Janssen Research Foundation, GAL-USA-24).
- 2002-2003 Co-Investigator. *A 12-week, double-blind study in patients with mild to moderate Alzheimer's disease who either continue ongoing Donepezil therapy or switch to Galantamine Hydrobromide.* (Eisai Inc., E2020-A001-411).
- 2002-2003 Co-Investigator. *Cognitive approach to maintaining self-care involvement.* (PI-John Morris, NIA 3 U01 NR04507-0582).
- 2003 Co-Principal Investigator. *A randomized, double-blind, placebo-controlled study of C105 (levo-amphetamine sulfate) to improve memory in patients suffering from anterior communicating aneurysm syndrome.* (Sention, Inc. 22013, \$22,552).
- 2003-2004 Co-Principal Investigator. *A randomized, double-blind, placebo-controlled study of C105 to improve memory in patients suffering from mild cognitive impairment.* (Sention, Inc. 22020, \$157,400).
- 2003 Co-Investigator. *A Phase II Double-Blind, Randomized, Dose-Ranging, Placebo-Controlled, Multicenter, Safety and Efficacy Evaluation of Three Doses of NS 2330 in Patients with Mild to Moderate Dementia of the Alzheimer's Type.* Boehringer Ingelheim Pharmaceuticals, Inc #1198.052, \$51,020).
- 2003-2004 Co-Principal Investigator. *A 24-week, multi-centered, randomized, double-blind, placebo-controlled evaluation of the efficacy, safety and tolerability of donepezil hydrochloride (E2020) in patients with dementia associated with cerebrovascular disease.* (Eisai Medical Research, Inc. # E2020-A001-319, \$132,820)
- 2003-2004 Co-Principal Investigator. *An 80-week, randomized, multi-center, parallel-group, double-blind study of the efficacy and safety of atorvastatin 80 mg plus an acetylcholinesterase inhibitor versus an acetylcholinesterase inhibitor alone in the treatment of mild to moderate Alzheimer's disease.* (Pfizer, Inc #A2581078, \$274,240).
- 2003-2005 Co-Investigator. *Working memory and frontal white matter integrity in mild cognitive impairment.* (Alzheimer's Association. Stephen Correia, PI).

- 2003-2008 Principal Investigator. *Brown Dementia Research Fellowship*. (NIA #T32 AG0200498-01A1, \$1,135,00).
- 2004-2005 Co-Investigator. *A 1-year, multicenter, randomized, double-blind, placebo-controlled evaluation of the efficacy and safety of Donepezil Hydrochloride (E2020) in subjects with mild cognitive impairment*. (Eisai # E2020-A001-412).
- 2004-2005 Co-investigator. *Galantamine ER open label rapid dose escalation trial in Alzheimer's disease*. (Janssen Pharmaceutica #GAL-ALZ-303, \$32,000)
- 2004-2005 Co-investigator. *A double-blind, phase II, safety and efficacy evaluation of ONO-2506PO in patients with mild to moderate Alzheimer's disease*. (Ono Pharmaceutical Co. ONO-2506POU010, \$214,890).
- 2004-2005 Co-Investigator. *A phase III study of the efficacy and safety of Alzhemed™ in patients in mild to moderate Alzheimer's disease* (Neurochem #CL-758007, \$231,000).
- 2004-2005 Co-Investigator. *An open-label 8-week investigation of the safety and efficacy of escitalopram for the treatment of anxiety and depression in dementia caregivers*. (Forest Laboratories).
- 2005-2006 Co-investigator. *Metrics for qualifying white matter: Image analysis, testing and application*. (Brown intramural Office of Research award, D. Laidlaw PI, \$100,000).
- 2006-2008 Principal Investigator. *Treatment of apathy in Alzheimer's disease with Modafinil*. Investigator initiated study. (Cephalon Pharmaceuticals. \$80,000).
- 2006- 2011 Advisory Board, *Development of a neuropsychological battery to measure executive dysfunction*. (NINDS 05-02, Joel Kramer, PI).
- 2008- 2009 Co-investigator. *A Phase 2 multicenter, randomized, double-blind, placebo-controlled study of the safety, tolerability, and pharmacokinetics of multiple intravenous doses of PF-04360365 in patients with mild to moderate Alzheimer's disease*. (Pfizer A9951002).
- 2008- 2010 Co-investigator. *A Phase III multicenter, randomized, double-blind, placebo-controlled parallel group, efficacy and safety trial of Bapineuzumab (AAB-001) in patients with mild to moderate Alzheimer's disease who are apolipoprotein E e4 carriers*. (Elan 115727).
- 2008- 2010 Co-investigator. *A Phase III multicenter, randomized, double-blind, placebo-controlled parallel group, efficacy and safety trial of Bapineuzumab (AAB-001) in patients with mild to moderate Alzheimer's disease who are apolipoprotein E e4 non-carriers*. (Elan 115727).
- 2008- 2010 Co-investigator. *A randomized, double-blind, placebo-controlled, dose-ranging, safety and efficacy study of oral ELND005 (AZD-103) in Alzheimer's disease*. (Elan D005-AD201).
- 2009- 2012 Principal investigator. *CONCERT: A phase-3 multicenter, randomized, placebo-controlled double blind study of Dimebon in patients with mild-to-moderate Alzheimer's disease on donepezil*. (Medivation DIM18).
- 2007-2015 Co-investigator. *Alzheimer Disease Neuroimaging Initiative (ADNI, ADNI-GO)*. (National Institute of Aging; Mark Weiner, PI).
- 2010- Co-investigator. *Alzheimer's disease neuroimaging initiative-2 (ADNI-2) ADNI-039*
- 2010-2014 Co-investigator. *Imaging Myelin Loss Associated with Alzheimer's Disease*. (Alzheimer's Association; Sean Deoni, PI).
- 2012- Co-investigator. *A randomized, double-blind, placebo-controlled multiple dose study to assess the safety, tolerability, pharmacokinetics and pharmacodynamics of BIIB037 in subjects with prodromal or mild Alzheimer's disease*. (Biogen 221AD103).
- 2012-2015 Co-principal investigator. *Amyloid imaging in normal pressure hydrocephalus*. (A18).
- 2012- Co-investigator. *A 12-month double blind, randomized, controlled feasibility study to evaluate the safety, efficacy and tolerability of deep brain stimulation of the fornix (DBS-f) in patients with mild probable Alzheimer's disease*. (ADVANCE; Functional Neuromodulation DBS-FNMI-001)
- 2012- Co-investigator. *Amyloid Pathology and shunt Outcome in Normal Pressure Hydrocephalus and 18F-AV-45-A14: Clinical Evaluation Using Florbetapir F-18 (18F-AV-45)*

- 2013- Co-investigator. Effect of passive immunization on the progression of mild Alzheimer's disease: Solanezumab (LY2062430) versus placebo
- 2013- Co-investigator. DIAN-TU-001: A Phase II/III Randomized, Double-blind, Placebo-Controlled Multi-Center Study of 2 Potential Disease Modifying Therapies in Individuals at Risk for and with Dominantly Inherited Alzheimer's Disease
- 2013- Co-investigator. A randomized, placebo controlled, parallel-group, double blind efficacy and safety trial of MK-8931 with a long term double-blind extension in subjects with mild to moderate Alzheimer's disease (Merck 017)
- 2014- Co-investigator. A Phase III, Randomized, Placebo-Controlled, Parallel-Group, Double-Blind Clinical Trial to Study the Efficacy and Safety of MK-8931 (SCH 900931) in Subjects with Amnesic Mild Cognitive Impairment Due to Alzheimer's Disease (Prodromal AD).(Merck 019)2014- Co-investigator. Anti-amyloid treatment in asymptomatic Alzheimer's disease (A4 Study)
- 2014- Co-investigator. An open label, multicenter study, evaluating the safety and imaging characteristics of 18F-AV-1451 in cognitively healthy volunteers, subjects with Mild Cognitive Impairment, and subjects with Alzheimer's disease
- 2015- Co-investigator. Longitudinal Evaluation of Amyloid Risk and Neurodegeneration: THE LEARN STUDY ADC-051
- 2015- Co-investigator. A Clinico-Pathological Study of the Correspondence Between F18-AV-1451 PET Imaging and Post-Mortem Assessment of Tau Pathology
- 2016- Co-investigator. CAPI015A2201J: A randomized, double-blind, placebo-controlled, two-cohort parallel group study to evaluate the efficacy of CAD106 and CNP520 in participants at risk for the onset of clinical symptoms of Alzheimer's disease.
- 2016- Co-investigator. A Phase 2b/3 Randomized, Double-blind, Placebo-Controlled, Parallel Group, Multicenter Study Investigating the Efficacy and Safety of JNJ-54861911 in Subjects who are Asymptomatic At Risk for Developing Alzheimer's Dementia.
- 2016- Co-investigator. Biogen 221AD301: A phase 3 multicenter, randomized, double-blind, placebo-controlled, parallel-group study to evaluate the efficacy and safety of Aducanumab (BIIB037) in subjects with early Alzheimers disease
- 2016- Co-investigator. A 24-Month, Phase 3, Multicenter, Placebo-Controlled Study of Efficacy and Safety of Solanezumab versus Placebo in Prodromal Alzheimer's Disease.
- 2016- Co-investigator. Longitudinal evaluation of [18F]GTP1 as a PET radioligand for imaging tau in the brain of patients with prodromal, mild and moderate Alzheimer's disease compared to healthy volunteers. Molecular Neuroimaging (MNI)
- 2016- Co-investigator. An open label, multicenter study evaluating the imaging characteristics of a follow up 18F-AV-1451 scan in subjects that participated in the confirmatory cohort of 18F-AV-1451-A05
- 2016- Co-investigator. Imaging Dementia—Evidence for Amyloid Scanning (IDEAS) Study: A Coverage with Evidence Development Longitudinal Cohort Study
- 2017- Co-investigator. Alzheimer's Disease Neuroimaging Initiative 3 (ADNI3)

Teaching:

- 2003-2008 *Director, Brown Dementia Research Fellowship.* A NIA-supported T32 program designed to train dementia researchers. The program involved faculty from four hospitals and six Brown departments.
- 2001- 2011 *Associate Director, Brown University Psychology Training Consortium.* Responsible for supervision of the postdoctoral research training portion of the Consortium, which involved over 30 trainees per year in T32 and F32 supported positions.
- 1984 - 2001 *Neuropsychology Residency Track Coordinator.* Coordinated and developed this track of the Brown University Psychology Consortium from its inception. Responsible for

- administration of training of all neuropsychology students, organization of seminars for the track, and establishment of community/research placements.
- 1984- present *Neuropsychology Residency Rotation Supervisor*. Supervise Butler Hospital rotation for a full-time resident in the neuropsychology track of the Psychology Internship Consortium.
- 1987- present *Neuropsychology Post-doctoral Fellowship Supervisor*. Provide supervision for one to three full-time post-doctoral fellows in the neuropsychology track of the Psychology Training Consortium, conducting clinical and research activities at Butler.
- 1988- present *Brown Alcohol & Addictions Center Post-Doctoral Supervisor*. Provided mentorship for four full-time post-doctoral fellows, conducting clinical and research activities in neuropsychological aspects of alcohol abuse.
- 1984- present *Neuropsychology Internship & Fellowship Seminar*. Neuroimaging; Neuropsychiatric disorders; and Frontal lobe disorders
- 1990- present *Psychiatry Resident PGY-3 Seminars*. Frontal lobe syndromes; Sequelae of alcohol abuse; Detecting malingering and exaggeration
- 1990- present *Psychiatry Resident PGY-4 Seminars*
Introduction to neuropsychological testing
