

November 2021

CURRICULUM VITAE
RAHUL VANJANI

Center for Primary Care
245 Chapman Street, Suite 300
Providence, RI 02905
401-444-4741 (w)
401-410-4011 (m)
401-444-4445 (f)
rahul_vanjani@brown.edu

EDUCATION

Undergraduate McGill University, Montreal, CA, Economics
George Washington University, Washington, D.C., Biology, B.S.,
Economics, B.A., 2007.

Medical George Washington University, Washington, D.C., M.D., 2012.

Honors: Allie S. Freed Award in Preventive Medicine, 2012
Benjamin Manchester Humanitarian Award, 2012
Arnold B. Gold Foundation Humanism in Medicine Award, 2012

Other University of Oxford, Oxford, England, Integrated Immunology, M.Sc.,
2008.

POSTGRADUATE TRAINING

Residency Columbia University Medical Center-New York Presbyterian, Internal
Medicine, 2012-2015.

Honors: Joseph N. Muschel Humanism in Medicine Housestaff Award, 2015

POSTGRADUATE HONORS AND AWARDS

2009 3rd Place Research Day Award, George Washington University School of
Medicine

2009 Mott Summer Scholar, George Washington University School of
Medicine

2010 2nd Place Research Day Award, George Washington University School of
Medicine

2011 Excellence in Medicine, American Medical Association

| | |
|-----------|--|
| 2013 | Provider of the Month, Columbia University Medical Center |
| 2015 | Provider of the Month, Columbia University Medical Center |
| 2016 | Healthcare Professional of the Year Award, California Department of Corrections and Rehabilitation |
| 2016 | Medal of Valor, California Department of Corrections and Rehabilitation |
| 2018 | Dean's Excellence in Teaching Award, Alpert Medical School of Brown University |
| 2018 | Positive Champion of the Learning Environment Award, Alpert Medical School of Brown University |
| 2018 | Meritorious Program Award (Lifespan Transitions Clinic), Rhode Island Public Health Association |
| 2018 (4x) | Cited as Outstanding Teacher by Internal Medicine Clerkship Students, Rhode Island Hospital |
| 2019 (4x) | Cited as Outstanding Teacher by Internal Medicine Clerkship Students, Rhode Island Hospital |
| 2019 | Positive Champion of the Learning Environment Award, Alpert Medical School of Brown University |
| 2019 | Heart of Hope Award, House of Hope Community Development Corporation |

 17. Invited speaker, Retaining and Engaging Racial and Ethnic Minorities in Care for Opioid Use Disorder. Mental Health Colloquium at the Providence Veterans Affairs Medical Center, Providence, RI, October 20, 2021.
- National:**
18. Speaker, Incarceration and Health. Step Up Lecture Series, Department of Medicine, University of California San Francisco, San Francisco, CA, February 17, 2017.
 19. Featured Speaker, The Problem of Mass Incarceration from a Biopsychosocial Perspective. Department of Family Medicine and Community Health Grand Rounds, Mount Sinai Hospital, New York, NY, September 20, 2017.
 20. Panelist, Black Health and the Justice System. Black Health Matters Conference, Harvard University, Cambridge, MA, October 20, 2018.
 21. Panelist, Vulnerable Populations: A Holistic Perspective. Sigma Theta Tau International Nursing Honor Society, Providence, RI, April 11, 2019.
 22. Faculty, Buprenorphine 2.0. Workshop at Society of General Internal Medicine National Meeting, Washington, D.C., May 10, 2019.

23. Faculty, Providers' Clinical Support System MAT Waiver Training for Physicians. Workshop at Society of General Internal Medicine National Meeting, Washington, D.C., May 11, 2019.
24. Lecturer, Substance Use and Incarceration: From Criminalization to Medicalization (A Theoretical Framework for the Lifespan Transitions and Recovery Clinics). SBS 502: Mass incarceration and health in the US, Harvard T.H. Chan School of Public Health, Boston, MA, February 19, 2020, February 16, 2021.
25. Faculty Lead, Reframing the Narrative: Changing the Way We Advocate through Medical Documentation. Workshop at American Society of Addiction Medicine National Meeting, Denver, CO, April 4, 2020 (canceled due to Covid-19).
26. Faculty Lead, Reframing the Narrative: Changing the Way We Advocate through Medical Documentation. Workshop at Society of General Internal Medicine National Meeting, Birmingham, AL, May 7, 2020 (canceled due to Covid-19).
27. Featured speaker, Substance Use and Incarceration: From Criminalization to Medicalization A Theoretical Framework for the Lifespan Transitions Clinic and Recovery Clinic. COBRE on Opioids and Overdose, Alpert Medical School of Brown University, Providence, RI, June 15, 2020.
28. Invited co-speaker, Docs for Health: A Platform to Support Providers in Addressing Patients' Structural Needs. Society of General Internal Medicine National Meeting, Virtual, April 21, 2021.
29. Invited speaker, Engaging and Retaining Racial/Ethnic Minorities in Treatment for Opioid Use Disorder – Considering Social and Structural Determinants. Division of General Internal Medicine Conference, Columbia University, New York, NY, April 26, 2021.
30. Keynote Speaker and Panel Moderator, Decarceration as a Public Health Strategy: Stopping the Spread of COVID-19. Harvard Global Health Institute and Edmond J. Safra Center for Ethics, Harvard University, Boston, MA, May 4, 2021.
31. Invited speaker, Criminal Defense and Medical-Legal Partnerships: A New Paradigm. National Legal Aid & Defender Association (Community-Oriented Defender Network Conference), Virtual, June 15, 2021.
32. Faculty Lead, Contextualizing care plans utilizing Docs for Health, an online resource for addressing social determinants of health. Workshop at Society of General Internal Medicine National Meeting, Orlando, FL, April 7, 2022.

GRANTS

Active Support

1. SAMSHA PCSS-Universities Grant (H79TI082570). Principal Investigator. Total Direct Costs: \$430,243. 09/30/19-09/29/22.

PI: Vanjani

The goal of this project is to provide problem-based and experiential education on medication-based treatment for opioid use disorder to residents and medical students.

2. Rhode Island Department of Health Linkage to Care Grant. Co-Investigator. Total Direct Costs: \$426,050. 11/01/19-08/31/22.

PI: Samuels

The goal of this project is to link emergency department patients with substance use disorders to community health workers/peer recovery specialists.

3. COBRE on Opioids and Overdose (P20HM125507) Mini-Project Award: Experiences of buprenorphine treatment during the COVID-19 pandemic. Principal Investigator. Total Direct Costs: \$4,076. 1/12/2021-1/11/2022.

PI: Vanjani

The goal of this project is to assess patient and provider experiences of buprenorphine treatment before and during COVID-19.

4. Brown University Division of General Internal Medicine Mini-Project Award: Health Worker Roles and Responsibilities Qualitative Study. Co-Principal Investigator. Total Direct Costs: \$2,275. 9/1/2020-8/31/2021.

PI: Vanjani

The goal of this project is to describe how community-based health workers characterize their role in the healthcare system and the goals of their work.

5. Brown University School of Public Health Diamond Fund Faculty Pilot Award. Co-Principal Investigator. Total Direct Costs: \$74,584. 4/1/2021 – 3/31/2022.

PI: Vanjani and Moyo

The goal of this project is to elicit provider perspectives on barriers and facilitators to SNF access for people with OUD and identify best practices for the placement of people with OUD in SNFs and for providing access to MOUD in SNFs.

6. National Institute of General Medical Sciences (P20 GM125507): Evaluation of low threshold buprenorphine treatment in the context of COVID-19. Co-Principal Investigator (administrative supplement). Total Direct Costs: \$325,097. 7/1/21-8/31/23.

PI: Kirsten Langdon

The goal of this project is to assess patient and provider experiences of buprenorphine treatment before and during COVID-19.

Prior Support

1. Rhode Island Department of Health SURGE Grant. Principal Investigator. Total Direct Costs: 09/01/19-11/30/19.

The goal of this project was to engage formerly incarcerated patients with opioid use disorder in buprenorphine treatment.

2. Rhode Island Department of Health Grant. Principal Investigator. Total Direct Costs: 154,938. 05/01/18-08/31/19.

The goal of this project was to engage formerly incarcerated patients with opioid use disorder in buprenorphine treatment.

3. Rhode Island Department of Health Mini-Grant. Principal Investigator. Total Direct Costs: \$4,600. 05/01/19-07/29/19.

The goal of this project was to create a website that hosts resources and videos to help providers address the psychosocial and neurobiological determinants of addiction.

7. City of Providence Healthy Communities Grant. Principal Investigator. Total Direct Costs: \$68,000. 04/01/19-09/29/20.

PI: Vanjani

The goal of this project is to link patients hospitalized with complications of opioid use disorder to outpatient treatment.

UNIVERSITY TEACHING AND MENTORING/ADVISING ROLES

Teaching

1. Lecturer, Incarceration, health and race. BIOL 6540-7302: Social medicine, justice and evidence, Warren Alpert Medical School of Brown University, Providence, RI, April 2018, April 2019, April 2020, April 2021.
2. Lecturer, Why words matter: documenting disability. BIOL 3650: Doctoring II, Warren Alpert Medical School of Brown University, Providence, RI, April 2, 2019, April 2020 (canceled due to Covid-19)
3. Lecturer, Incarceration and opioid use disorder. BIOL 3640 and 3650: Doctoring I and II, Warren Alpert Medical School of Brown University, Providence, RI, August 9, 2019.
4. Lecturer, Why words matter: documenting disability. BIOL 3640: Doctoring I, Warren Alpert Medical School of Brown University, Providence, RI, September 17, 2019.
5. Lecturer, Homelessness, incarceration and substance Use. BIOL 6530 / SWRK 557/580: Homelessness and Healthcare, Warren Alpert Medical School of Brown University, Providence, RI, December 5, 2018, December 4, 2019, February 5, 2020, February 24, 2021.
6. Lecturer, Substance use and incarceration: from criminalization to medicalization a theoretical framework for the Lifespan Transitions Clinic and Recovery Clinic, David C. Louis Fellowship in Addiction Medicine, Warren Alpert Medical School of Brown University, Providence, RI, November 10, 2020, November 24, 2021.
7. Course Leader, Social Medicine IM-3518 (4 weeks in duration, 11 months/year, 2 students/month = 22 learners/year). Warren Alpert Medical School of Brown University, Providence, RI, March 2020 – present.

Mentoring/Advising

1. Brown University School of Public Health, PHP-2450
DPH candidate: Nicole, 9/2021-12/2021
Faculty Advisor, supervised research on the impact of physician advocacy letters on learners and patients
2. Alpert Medical School of Brown University, IS 7160
Medical student: Eric Bai, 11/1/2021-1/21/2022
Internal Medicine Faculty Preceptor, provided supervision on project entitled, “Docs for Health.”
3. Alpert Medical School of Brown University, IS 7160
Medical student: Johnathan Bowler, 7/26/2021-8/20/2021
Internal Medicine Faculty Preceptor, provided research supervision on project entitled, “Experiences of buprenorphine treatment during the COVID-19 pandemic.”
4. Alpert Medical School of Brown University, Med-Grad 2060
Medical student: Kristy Blackwood, 11/9/2020-4/9/2021
Internal Medicine Faculty Preceptor, provided clinical supervision in the Lifespan Transitions Clinic and Center for Primary Care Recovery Clinic

5. Alpert Medical School of Brown University, Med-Grad 2060
Medical student: Pranav Aurora, 11/9/2020-4/9/2021
Internal Medicine Faculty Preceptor, provided clinical supervision in the Lifespan Transitions Clinic and Center for Primary Care Recovery Clinic
6. Brown University Internal Medicine Program
Resident: Cara Zimmerman, 2019-2021
Faculty Advisor, supervisor clinical work and grant application on street outreach with Project Weber Renew
7. Alpert Medical School of Brown University, IS-7100
Medical student: Eric Bai, 11/1/2021 – 1/21/2022
Faculty Advisor, supervised development of provider advocacy website Docs for Health (www.docsforhealth.org)
8. Brown University, BIOL 1960
BA candidate, Sara Alavi, Spring 2021
Faculty Sponsor and Honors Thesis Advisor, independent study on the role and outcomes of the community health worker: are health systems asking the right questions?
9. Alpert Medical School of Brown University, IS-7120
Medical students (2020-2021): Belinda Zhou, Jessica Hoffen, John Sanderson, Sarah Hsu, Shir Oring, Victoria Oliva Rapoport
Faculty Advisor; provided clinical supervision in Covid-19 isolation hotel setting
10. Alpert Medical School of Brown University, IS-7100
Medical student: Leanna Travis, 2020-2021
Faculty Advisor; supervised research on clinical and social outcomes of patients at the State Isolation Facility
11. Brown University School of Public Health, PHP-2450
MPH candidate: Sara Caniglia, 9/2020-12/2020
Faculty Advisor, supervised research on an academic residency clinic's approach to buprenorphine training
12. Alpert Medical School of Brown University, ACM-3562
Medical student: Pranav Aurora, 1/4/21-4/9/21
Faculty Advisor; provided clinical supervision in Lifespan Transitions Clinic
13. Alpert Medical School of Brown University, ACM-3562
Medical student: Laura Harrison, 4/27/20-10/10/20
Faculty Advisor; provided clinical supervision in Lifespan Transitions Clinic
14. Brown University, BIOL 1950
BA candidate, Sara Alavi, Fall 2020
Faculty Sponsor and Honors Thesis Advisor, independent study on the role and outcomes of the community health worker: are health systems asking the right questions?
15. Brown University, Royce Fellowship
BA candidate, Sara Alavi, Summer 2020

- Faculty Mentor, supervised research on the role and outcomes of the community health worker: are health systems asking the right questions?
16. Brown University, Undergraduate Student Karen T. Romer Undergraduate Teaching and Research Award (UTRA)
BA candidate, Demitri Jackson, Summer 2019
Faculty Mentor; supervised research on impact of correctional control on primary care patients
 17. Alpert Medical School of Brown University, ACM-3562
Medical student: Caroline Gordon, 1/28/19-5/24/19
Faculty Advisor; provided clinical supervision in primary care and addiction clinics
 18. Harvard University School of Public Health
MPH candidate, Hye Young Choi
Faculty Mentor; supervised research on the role and outcomes of the community health worker: are health systems asking the right questions?
 19. Alpert Medical School of Brown University
Medical student, MS candidate: Sarah Kler, 2020-2021
Faculty Mentor; supervised research on community health workers' roles and responsibilities
 20. Alpert Medical School of Brown University, IS-7100
Medical students (2020): Leanna Travis, David Liu, Kristy Blackwood, Joey Gu, Roger Winters, Shir Oring, Gabriel Dressler, Onagh MacKenzie, Scott Gummerson, Belinda Zhou, Yilene Jimenez, Shital Shah, Taylor Freeburg, Diana Ponitz
Faculty Advisor; provided clinical supervision in Covid-19 isolation hotel setting
 21. Alpert Medical School of Brown University, IS-7100
Medical student: Onagh MacKenzie, 2020-2021
Faculty Advisor; supervised research on impact of correctional control on primary care patients
 22. Brown University School of Public Health, PHP-2450
Master in Public Health student: Sara Caniglia, 2020-2021
Faculty Advisor; supervised research on clinical outcomes of an academic residency clinic program providing care to patients with OUD
 23. Alpert Medical School of Brown University
Medical student: Sophia Kerman, 2020-2021
Faculty Mentor; supervised research on skilled nursing facilities and medications for OUD
 24. Alpert Medical School of Brown University
Medical student: Neha Reddy, 2020-2021
Faculty Mentor; supervised research on skilled nursing facilities and medications for OUD
 25. Alpert Medical School of Brown University, Med Grad-2980
Medical student: Madeline Chin, 2020-2022
Faculty Mentor; supervised research on time-dose relationship between incarceration and death
 26. Alpert Medical School of Brown University, ACM-3562
Medical student: Laura Harris, 4/27/20-10/9/20
Faculty Advisor; provided clinical supervision in primary care and addiction clinics

27. Alpert Medical School of Brown University, ACM-3562

Medical student: Pranav Sharma, 9/2020-12/2020

Faculty Advisor; provided clinical supervision in primary care and addiction clinics

HOSPITAL/RESIDENCY/FELLOWSHIP TEACHING ROLES

Lifespan Transitions and Recovery Clinics, Director

Rhode Island Hospital, 2017-present

Clinically supervise 3 Community Health Workers, 1 Program Coordinator, 1 longitudinal Addiction Fellow per year, and 2 longitudinal Internal Medicine residents per year

Introduction to EKG, Course Leader (created and taught curriculum)

Rhode Island Hospital Internal Medicine Clerkship, 2018-2019 (12 learners, 6 contact hours quarterly)

Clinicopathological Conference, Facilitator

Rhode Island Hospital Internal Medicine Clerkship, 2018 (35 learners, 1.5 contact hours)

PCSS MAT Waiver Training, Course Director
