

# CURRICULUM VITAE

**Stanley Zimmering, PhD**  
**Professor Emeritus**  
**Dept. of Molecular Biology, Cell Biology and Biochemistry**  
**Brown University**  
**D.O.B. 4/14/24**

## **EDUCATION**

Brooklyn College, B.A. Biology, 1947  
Columbia University, M.A. Biology, 1949  
University of Missouri, Ph.D. Genetics, 1953

Title of Ph.D thesis: "Genetic study of a translocation heterozygote in *Drosophila melanogaster*".

Thesis Supervisor: Dr. Edward Novitski

1953-55 Research Associate to K. W. Copper, University of Rochester, Rochester, NY  
1955-59 Assistant Professor of Biology, Trinity College, Hartford, CT  
1959-62 Research Executive of H. J. Muller's Drosophila Genetics Group, Indiana University, Bloomington, IN (Dr. Muller was the Nobel Laureate for Biology and Medicine in 1945.)  
1962-66 Associate Professor of Biology, Brown University, Providence, RI  
1966-90 Full Professor of Biology, Brown University  
1969-70 Senior Investigator, City University of Rome, Rome, Italy  
1977-78 Senior Research Officer, Department of Radiation Genetics and Mutagenesis, Sylvius Laboratory, University of Leiden, The Netherlands  
1990—Full Professor Emeritus, Brown University

## **PROFESSIONAL APPOINTMENTS**

Editorial Board, Environmental Mutagenesis, 1981-1986  
Editorial Board, Revista Internacional de Contaminacion Ambiental, (International Journal (Spanish-English) on Environmental Contamination, 1995-  
Reviewer of manuscripts for Mutation Research, 1995–2005  
Consultant, EPA Reproductive Effects Assessment Group (REAG), 1984-1986  
Member, EPA Research Grants Panel 1984-1989  
Consultant, Drosophila Laboratory of Chemical Mutagenesis, National Autonomous University of Mexico (UNAM), Mexico City, 1986-1990  
Consultant, Drosophila Laboratory, National Institute for Nuclear Research of Mexico (ININ) Salazar, Mexico, 1986 – 2016

## **PUBLICATIONS**

110 peer reviewed publications in drosophila dealing in germ and somatic cell genetics, effects of radiation, genetic toxicology, and chromosome behavior.

### List of Peer Reviewed Publications
