

## **CURRICULUM VITAE**

**Name** Yasin Abul, M.D.  
**E-Mail** yasin\_abul@brown.edu

### **EDUCATION**

**2003** M.D. Marmara University School of Medicine, Istanbul, Türkiye

### **POSTGRADUATE TRAINING**

**06/2003 - 05/2009**

M.D. Residency/Fellowship (Combined)

Marmara University School of Medicine Internal Medicine-Pulmonary Medicine Combined Program  
Istanbul, Türkiye

**09/2011 - 12/2011**

M.D. Fellowship

Yedikule Thoracic Diseases and Thoracic Surgery Hospital Istanbul, Türkiye Interventional  
Pulmonology

**07/2015 - 06/2017**

M.D. Fellowship

Stony Brook Medicine/University Hospital, Infectious Diseases Fellowship Program Stony Brook, NY

**07/2017 - 06/2018**

M.D. Fellowship

Brown University Alpert Medical School Geriatrics Fellowship Program Providence, RI

**07/2018-06/2021**

M.D. Residency

Brown University Kent Hospital Internal Medicine Program Warwick, RI

**06/2021-06/2023**

M.D. Health Services Advanced Research Fellowship

Providence Veterans Affairs Medical Center, Providence, RI

**09/2021-05/2024**

ScM, Clinical Translational Research Master Program

Brown University School of Public Health, Providence, RI

## **POSTGRADUATE AWARDS AND HONORS**

- 2009** The Third Best Poster Award at Turkish Thoracic Society 12th Congress
- 2009** The Second-Best Poster Discussion Award at Turkish Thoracic Society 12th Congress
- 2011** The Best Article of Pulmonary Vascular Diseases, Turkish Thoracic Society 14th Congress ACTELION Awards
- 2016** Travel Award IDSA week
- 2018** The Henry Izeman, MD Prize in Geriatric Medicine for Exemplary Performance as a Geriatric Medicine Fellow
- 2019** RI ACP Poster Competition Finalist
- 2020** RI ACP Poster Competition Finalist
- 2021** RI ACP Poster Competition Finalist
- 2021** Brown School of Public Health Merit based Public Health Honors Award

## **LICENSURE, BOARD CERTIFICATIONS AND BOARD ELIGIBILITY STATUS**

- 05/2009** Certification of Special Qualifications for Pulmonary Diseases, Turkish Ministry of Health
- 04/2013** Certification of Pulmonary Diseases Board, Turkish Proficiency Council of Pulmonary Diseases
- 09/2013** European Diploma in Adult Respiratory Medicine, European Union of Medical Specialists
- 10/2021** American Board of Internal Medicine (Board Certified till 2031)
- 06/2022** ABIM Infectious Disease Board (Board Eligible till 2029)
- 12/2022** ABIM Geriatric Medicine Board (Board Certified till 2032)
- 06/2024** Rhode Island (Full Medical License)
- 05/2024** Master Diploma of Clinical Translational Research, Brown University School of Public Health
- 07/2024** ABIM Pulmonary Disease Board (Board Eligible till 2031)

## **ACADEMIC APPOINTMENTS**

- 09/2010 - 05/2014** Assistant Professor of Pulmonary Medicine, Division of Pulmonary Medicine, Karadeniz Technical University Medical School, Trabzon, Türkiye

- 05/2014 - 06/2015** Associate Professor of Pulmonary Medicine, Division of Pulmonary Medicine, Karadeniz Technical University Medical School, Trabzon, Türkiye
- 07/2021-present** Faculty, Assistant Professor of Medicine, Alpert Medical School of Brown University, Department of Medicine
- 07/2023-present** Co-Director of Clinical Fellow Research Program, Division of Geriatrics and Palliative Medicine, Department of Medicine

#### **HOSPITAL AND OTHER APPOINTMENTS**

- 07/2009-08/2010** Pulmonologist/Attending physician (Obligatory Government Service), Ministry of Health Bismil State Hospital, Diyarbakir, Türkiye
- 09/2010-06/2015** Pulmonologist/Attending physician, KTU Farabi Hospital, Trabzon, Türkiye
- 07/2021-06/2023** Teaching Attending physician, Providence VA Medical Center
- 07/2021-present** Teaching Attending physician, Rhode Island Hospital
- 01/2022-present** Attending physician, OB Medicine Consultant Physician, Women & Infant Hospital (per diem)
- 07/2024-present** Medical Director, Geriatric Medicine Ambulatory Care Practice and Homebound Patient Program, Brown Medicine
- 07/2024-present** Attending physician, Internal Medicine Hospitalist, Women & Infant Hospital (per diem)

#### **UNIVERSITY AND OTHER PROFESSIONAL COMMITTEES**

- 09/2010-06/2015** Member of several Education Committees and Study Groups, Karadeniz Technical University Medical School, Turkish Thoracic Society, Lung Health and Intensive Care Society (I contributed to preparation of Objective Structured Clinical Examinations (OSCE) for medical students, which involve simulated cases to assess clinical competencies in pulmonary medicine)
- 07/2010-06/2015** Board Member, PACE organization of Rhode Island
- 07/2011-06/2015** Contributor, Question writer for Pulmonary Board Exam applied by Turkish Proficiency Council of Pulmonary Diseases
- 01/2012-05/2015** Lecturer, Instructor for Preparatory Courses for Turkish National Medical

Speciality Exams designed to prepare medical students and fresh medical graduates for the residency exams, Medical Speciality Exam Preparation Center

**04/2024**

Scientific Committee Member, Turkish Thoracic Society 27th Annual National Congress with International Participation in 2024

### **MEMBERSHIP IN SOCIETIES**

**2006-2017**

Turkish Thoracic Society

**2003-2009**

Turkish Medical Association

**2010-2013**

American Thoracic Society

**2011-2017**

European Respiratory Society

**2018-2022**

American College of Physicians

**2017-present**

Infectious Diseases Society of America

**2018-present**

The Society for Post-Acute and Long-Term Care Medicine

**2021-present**

American Geriatrics Society

**2024-present**

Gerontological Society of America

### **TEACHING EXPERIENCE**

**2012-2015**

Instructor and lecturer of smoking cessation courses throughout the cities of Türkiye supported by Ministry of Health

**2012-2015**

Instructor and lecturer of basic and advanced bronchoscopy courses throughout the cities, universities, and government hospitals of Türkiye, Turkish Thoracic Society, Lung Health and Intensive Care Society

**2010-2015**

Lectures to 2<sup>nd</sup> year and 4<sup>th</sup> year medical students on Pathophysiology of Pulmonary Diseases, Pulmonary Hypertension, Acute Respiratory Distress Syndrome, Altitude Related Illnesses, Anaphylaxis, KTU School of Medicine, Trabzon, Türkiye

**2010-2015**

Teaching Attending Physician, Pulmonary Inpatient, Outpatient and Consultation Service, KTU School of Medicine, Trabzon, Türkiye (Theoretical and hands on teaching for fellows and residents during the pulmonary/bronchoscopy rotation)

**2018-2020**

Teaching Resident in Problem Based Teaching (PBL) sessions for medical students from Alpert Medical School during their clerkship rotation in Medicine

**07/2021-06/2023**

Teaching attending physician of medicine resident teams, Providence

VA Medical Center

**2021-2022**

Lectures to physician assistant students on various Geriatric Medicine topics  
Bryant University Physician Assistant Program

**07/2021-present**

Teaching attending physician of geriatric co-management teams during the weekend calls, Division of Geriatrics and Palliative Medicine,  
Department of Medicine

**07/2021-present**

Teaching attending physician of medicine residents in Primary Care Ambulatory Geriatric Medicine, Division of Geriatrics and Palliative Medicine,  
Department of Medicine

**CME TEACHING**

**2011-2015**

Speaker/Lecturer, Smoking Cessation Techniques: Practical Approaches:  
Lectured in courses taken by primary care physicians and residents in more than 10 provinces of Türkiye (practical courses on smoking cessation, which involved role-playing and standardized patient interactions to simulate real-life counseling sessions)

**2011-2015**

Speaker/Lecturer/Course Leader, Advanced Bronchoscopy Techniques, EBUS and interventional Bronchoscopy: Organized and conducted theoretical and practical courses in all regions of Türkiye to train pulmonary fellows in advanced bronchoscopy techniques (I led hands-on bronchoscopy courses across different regions in Türkiye. These courses utilized animal models and task simulators by using high-fidelity simulation tools to teach and assess procedural skills.)

**2012**

Speaker, A novel biomarker for the differentiation of parapneumonic effusion and malignant pleural effusion Oral Presentation presented at: European Respiratory Society 22nd Annual Congress; Vienna, AUT.

**2013**

Speaker, Pentraxin -3.' A novel biomarker for the differentiation of parapneumonic effusion and malignant pleural effusion Oral Presentation presented at: European Respiratory Society 22nd Annual Congress; Vienna, AUT.

- 2014** Speaker, Learning curve of endobronchial ultrasound as a diagnostic tool in patients with mediastinal lymphadenopathy Oral Presentation presented at: 18th World Association for Bronchology and Interventional Pulmonology World Congress; Kyoto, JPN.
- 2021** Lecturer to Brown Kent Program Residents, Clinical Implications of Immunosenescence, Warwick, RI, USA
- 2023** Speaker, Symposium on “ Antithrombotic Treatments in Residents with SARSCoV-2/COVID-19 in PALTC” The Society for Post-Acute and Long-Term Care Medicine 2023 Annual Conference, Tampa, Florida, USA
- 2023** Lecturer, Speciality Care in Pregnancy Case Presentation, Ovarian Venous Thrombosis, , Women Infant Hospital, RI, USA
- 2023** Speaker, Approaches to Urinary Tract Infection and Asymptomatic Bacteriuria in Nursing Home Residents, Quality Innovation Network-Quality Improvement Organization, Lecture presentation to primary audience of Nursing Homes Administration, Directors of Nurses, RN’s and CNAs from the New England region, New York and Ohio
- 2024** Speaker, Addressing Vaccine Hesitancy: Getting to YES (Vaccine Acceptance), Quality Innovation Network-Quality Improvement Organization, Lecture presentation to primary audience of Nursing Homes Administration, Directors of Nurses, RN’s and CNAs from the New England region, New York and Ohio
- 2024 Speaker, Long-term Care: Outbreak Prevention and Management, American Lung Association, Annual Influenza Update Conference, Branford, CT, USA

## **VOLUNTEER EXPERIENCE & OTHER TRAININGS**

- 10/2004-Present**     **Mentorship-Coaching**, I have been providing mentorship to international medical graduates from countries such as Türkiye, Iraq, Egypt, Kenya, Ethiopia, Zimbabwe, Nigeria, Greece, and Albania for over 20 years. My mentorship focuses on preparing these graduates for the United States Medical Licensing Examination (USMLE) and familiarizing them with the U.S. medical system. Throughout my career, I have successfully guided numerous mentees who have matched into U.S. residency and fellowship programs and have gone on to become attending physicians and faculty members at prestigious universities across the United States
- 09/2006 - 10/2006**     **Clinical Observership**, The University of Texas MD Anderson Cancer Center Houston, TX, **Supervisor:Georgie A.Eapen MD/Rodolfo Morice MD**. I was a clinical observer in the Department of Interventional Pulmonology at MD Anderson Cancer Center under supervision of Dr.Georgie A. Eapen. I also worked with Dr.Rodolfo Morice. I observed all the interventional pulmonology procedures and attended outpatient clinics, noon conferences
- 03/2021-Present**     **Mentorship-Coaching**, I have been mentoring high school students, premed students for career planning and preparation for medical school applications and research planning
- 12/2013**     **ATS MECOR Level-2 graduate, Supervisor: A. Sonia Buist MD** The ATS MECOR program is an intensive one-week course (40 hours/week) for physicians and related health care professionals designed to strengthen capacity and leadership in epidemiological, clinical and operations research related to respiratory conditions, critical care and sleep medicine in middle- and low-income countries. I successfully completed Level 1 "Introduction to Clinical Research" Course and Level 2 "Advanced Clinical Research Methods" Course. The course is given in English by the faculty from American Thoracic Society. Each course is provided as a compressed schedule of 40 hours/week by epidemiologists and physician scientists. During the course, I have learnt the principles of clinical research and epidemiology and I enhanced my research skills with advanced clinical research methods. Under the supervision of the ATS faculty, I wrote my research proposal and presented my proposal during the courses. My evaluations were excellent, and I was nominated as a future instructor. I was not able to complete Level 3 and 4 due to moving to the USA for residency and fellowship
- 10/2014 - 11/2014**     **Clinical Observership**, Baylor St.Luke Medical Center, Houston, TX **Supervisor:Amit Parulekar MD**. I was a clinical observer in the Lung Transplantation Program at Baylor St.Luke Medical Center under supervision of Dr.Amit Parulekar. I participated in all the steps of the lung transplantation process from patient selection, patient follow up and I even spent some time in the operating room and have seen lung transplantation patients preoperatively, intraoperatively, and postoperatively. I participated and observed bronchoscopies of the patients with lung transplantation. I also attended outpatient clinics, noon conferences, departmental meetings, transplant meetings

## **GRANTS**

- 02/2007-09/2008**     **Project:**"A double-blind, double-dummy, 52-week study to assess the safety of treatment with QMF Twisthaler B (400 pg and 800 Fig QD PM) and fluticasone/salmeterol MDDPI (FSC 250/50 pg and 500/50 qg BID) in adults with

	COPD (CQMF149B2310)" <b>Role:</b> CO-I <b>PI:</b> Sait Karakurt <b>Funding Agency:</b> Novartis-Marmara University Hospital
<b>02/2007-03/2008</b>	<b>Project:</b> "Comparable Efficacy and Safety of Combivent B (Ipratropium Bromide/Albuterol) Respimat B Versus Combivent B CFC MDI (a Phase III Study in COPD)" <b>Role:</b> CO-I <b>PI:</b> Sait Karakurt <b>Funding Agency:</b> Boehringer Ingelheim-Marmara University Hospital
<b>2013-2014</b>	<b>Project:</b> "Prognostic Risk Stratification of Pulmonary Embolism with new biomarkers" <b>Role:</b> PI <b>Funding Agency:</b> Karadeniz Technical University School of Medicine
<b>2021-present</b>	<b>Project:</b> "Characterizing the Duration of Vaccine-induced Immunity in NH Residents" <b>Role:</b> Co-I <b>Funding Agency:</b> Brown University, CDC
<b>2021-present</b>	<b>Project:</b> "COVID-19 in the VA Community Living Centers" <b>Role:</b> Co-I <b>Funding Agency:</b> Center of Innovation in Long-Term Services and Supports for Vulnerable Veterans
<b>2022-present</b>	<b>Project:</b> "Flublok Study: Stratified, Cluster Random Assignment Trial" <b>Role:</b> Co-I <b>Funding Agency:</b> Insight Therapeutics
<b>2022-present</b>	<b>Project:</b> "Comparative Effectiveness of Baloxavir versus Oseltamivir for Influenza Outbreak Management in the U.S. Nursing Homes" <b>Role:</b> Co-I <b>Funding Agency:</b> Insight Therapeutics
<b>2022-present</b>	<b>Project:</b> "Kinetics of SARS-CoV-2 Shedding in Nursing Home Staff and Residents" <b>Role:</b> Co-I <b>Funding Agency:</b> Case Western University/NIH
<b>2023-present</b>	<b>Project:</b> "Characterization of Respiratory Pathogens in Skilled Nursing Facilities" <b>Role:</b> PI <b>Funding Agency:</b> CDC
<b>2023-present</b>	<b>Project:</b> "Evaluating NH Staff Turnover and its relationship with resiliency and well-being" <b>Role:</b> PI <b>Funding Agency:</b> CDC
<b>2024-present</b>	<b>Project:</b> "Hand Hygiene among Nursing Home Residents" <b>Role:</b> PI <b>Funding Agency:</b> CDC
<b>2024-present</b>	<b>Project:</b> "Nursing Home Infection Surveillance Network - A Pilot Study" <b>Role:</b> Co-I <b>Funding Agency:</b> Moderna
