

Oct 23, 2019

CURRICULUM VITAE

Yvette E. Yatchmink, M.D., Ph.D.

Division of Developmental and Behavioral Pediatrics
Rhode Island Hospital
335R Prairie Avenue
Providence, RI 02905
Telephone: 401-444-5440
Fax: 401-444-8488
E-Mail Address: Yyatchmink@Lifespan.org

EDUCATION

Undergraduate	Yale College, Psychology, BA, 1977
Medical School	Cornell University Medical College, MD, 1986
Other Advanced Degrees	University of Michigan, Developmental Psychology, MS, 1981 University of Michigan, Developmental Psychology, PhD, 1986

POSTGRADUATE TRAINING

Residency	Massachusetts General Hospital, Boston, MA, Intern in Pediatrics, 1986-1987 Massachusetts General Hospital, Boston, MA, Resident in Pediatrics, 1987-1989
Fellowship	University of Massachusetts Medical Center, Worcester, MA, Fellow, Developmental and Behavioral Pediatrics, 1990-1993

POSTGRADUATE HONORS AND AWARDS

- National Institute of Child Health and Human Development Graduate Fellowship, University of Michigan, 1979-1982
- March of Dimes Birth Defects Foundation Summer Science Research Fellowship, 1984
- National Center for Clinical Infant Programs/Zero to Three Fellow, 1991-1993
- Brite Lite Nominee, 2007
- Certificate of Appreciation, RI Early Intervention Interagency Coordinating Council, 2009
- Best Doctors in America, 2011, 2012, 2013, 2014, 2015, 2016, 2017, 2018, 2019 <http://bestdoctors.com/us>
- Dean's Excellence in Teaching Award, The Warren Albert Medical School of Brown University, 2015
- Castle Connolly Top Doctor, 2015, 2016, 2017, 2018, 2019
- Rhode Island Monthly Top Doc, 2018, 2019

PROFESSIONAL LICENSES AND BOARD CERTIFICATION

Massachusetts License Registration (#70415), 1989

Rhode Island License Registration (MD11223), 2003
Board Certified, American Board of Pediatrics (#43830), 1989
Recertified 1996 and 2002
Board Certified, Subboard of Developmental - Behavioral Pediatrics
(#425), 2004, Recertified 2014

ACADEMIC APPOINTMENTS

Clinical Fellow in Pediatrics, Harvard Medical School, Boston, MA,
1986-1989
Instructor in Pediatrics, University of Massachusetts Medical School,
Worcester, MA, 1990-1993
Assistant Professor of Pediatrics, University of Massachusetts Medical
School, Worcester, MA, 1993-2001
Research Associate, Harvard Medical School, Boston, MA, 1997-2002
Assistant Professor of Psychiatry, University of Massachusetts Medical
School, Worcester, MA, 2002-2008
Associate Professor of Pediatrics, Clinician Educator, W. Alpert
Medical School of Brown University, Providence, RI, 2005-present

HOSPITAL APPOINTMENTS

Temporary Active, Cape Cod Hospital, Hyannis, MA, 1989
Courtesy, Winchester Hospital, Winchester, MA 1989-1992
Limited Active, Quincy City Hospital, Quincy, MA 1992-1994
Active, University of Massachusetts Memorial Medical Center,
Worcester, MA, 1990-2001
Courtesy, Lowell General Hospital, Lowell, MA, 1994-1998
Clinical Associate, Children's Hospital, Boston, MA, 1997-1999
Active, Rhode Island Hospital, Providence, RI, 2003-**present**
Active, Women & Infants Hospital, Providence, RI, 2004-**present**

OTHER APPOINTMENTS

Volunteer Teacher of developmentally delayed and emotionally
disturbed children and adolescents, New Haven, CT, 1975-1977
Teaching Assistant, Department of Psychology, University of
Michigan, 1980
Research Assistant, Department of Psychology, University of
Michigan, 1980-1982

Research Assistant, Department of Psychiatry, Cornell University Medical College, 1984

Pediatrician, Regional Health Center in Wilmington, Wilmington, MA, 1989-1992

Pediatric Consultant, Massachusetts Department of Public Health, Division for Children with Special Health Care Needs, 1993-2003

Director, Infant-Toddler and NICU Follow-up Clinic, University of Massachusetts Medical Center, Worcester, MA, 1993-2001

Pediatrician, Harvard Vanguard Medical Associates, Chelmsford, MA, 1994-1998

Pediatric Consultant, Massachusetts Division of Medical Assistance, 1995-1997

Research Fellow, Child Development Unit, Children's Hospital, Boston, MA, 1997-2000

Director, Preschool Clinic, University of Massachusetts Medical Center, Worcester, MA, 1997-2001

Associate Medical Director for Pediatrics, Massachusetts Division of Medical Assistance, 1997-2003

Developmental-Behavioral Pediatrician, Child Development Center/Children's Neurodevelopment Center, Rhode Island Hospital, Providence, RI, 2003-**present**

Journal of Developmental and Behavioral Pediatrics, Reviewer, 2007-**present**

Pediatric Academic Societies Annual Conference Abstract Reviewer, 2010- **present**

International Meeting for Autism Research, Abstract Reviewer, 2013

Editorial Board, *Journal of Developmental and Behavioral Pediatrics*, 2013-2019

UpToDate, Peer Reviewer in Pediatrics, 2016-**present**

Social Enterprise Greenhouse, Consultant, Wear Sense Huddle, 2017

Medical Director, Division of Developmental-Behavioral Pediatrics, Children's Neurodevelopment Center, Providence RI, 2017-2019

Editorial Board, *Pediatrics*, 7/1/2019-**present**

HOSPITAL COMMITTEES

Cochlear Implant Team, Rhode Island Hospital, 2011-**present**

Search Committee, Clinical Geneticist Position, Brown University/Rhode Island Hospital, 2013-2015

Search Committee, Developmental-Behavioral Pediatric Faculty Position, Brown University/Rhode Island Hospital, 2014

UNIVERSITY COMMITTEES

Developmental Behavioral Pediatrics Resident Education Committee, University of Massachusetts Medical Center, 1992-2001

Developmental-Behavioral Pediatric Fellowship Training, Brown University Medical School, 2008- **present**

Curriculum Sub-Committee, Chair

CNDC Training Unit 1 Faculty Co-leader

Steering Committee

Family Advisory Sub-Committee

Rhode Island Leadership in Education in Neurodevelopmental Disabilities, W Alpert Medical School of Brown University, 2016-2021

Autism and Outreach Sub-Committee, Chair

Curriculum Sub-Committee, Vice Chair

Pediatrics Core, Discipline Leader

Scholarship Oversight Committees:

James Moore MD, Fellow in Developmental-Behavioral Pediatrics, Brown Medical School, 2003-2006

Viren D'Sa MD, Fellow in Developmental-Behavioral Pediatrics, Brown Medical School, 2004-2007

Angela Huang, MD, Fellow in Developmental-Behavioral Pediatrics, Brown Medical School, 2005-2008

Gisela Porras MD, Fellow in Developmental-Behavioral Pediatrics, Brown-Alpert Medical School, 2006-2009

Bonnie Stephens, MD, Fellow in Developmental-Behavioral Pediatrics and Neonatology, Brown Medical School, 2003-2008

Ana Garnecho MD, Fellow in Developmental-Behavioral Pediatrics, Brown Alpert Medical School, 2008-2011

Carol Baum MD, Fellow in Developmental-Behavioral Pediatrics, Brown-Alpert Medical School, 2008-2011

Katherine Johnson, MD, Fellow in Neonatology, Brown-Alpert Medical School, 2009-2012

Yamini Howe, MD, Fellow in Developmental-Behavioral Pediatrics, Brown-Alpert Medical School, 2009-2012

Sheryl Kho MD, Fellow in Developmental-Behavioral Pediatrics. W Alpert Medical School of Brown University, 2010-2013

Pei Chi Wu MD, Fellow in Developmental-Behavioral Pediatrics. W Alpert Medical School of Brown University, 2010-2013

Roxanne Almas MD, Fellow in Developmental-Behavioral Pediatrics, W Alpert Medical School of Brown University, 2011-2014

Natalia Lukankina, MD, Fellow in Developmental-Behavioral Pediatrics, W Alpert Medical School of Brown University, 2011-2014

Luisa Cala Cala MD, Fellow in Developmental-Behavioral Pediatrics. W Alpert Medical School of Brown University, 2012-2015

Ayesha Cheema, MD, Fellow in Developmental-Behavioral Pediatrics. W Alpert Medical School of Brown University, 2013-2016

Naomi Gershon, MD, Fellow in Developmental-Behavioral Pediatrics, W Alpert Medical School of Brown University, 2014-2017

Carrie Kelly, MD, Fellow in Developmental-Behavioral Pediatrics, W Alpert Medical School of Brown University, 2014-2018

Bridget Thompson, DO, Fellow in Developmental-Behavioral Pediatrics, W Alpert Medical School of Brown University, 2015-2018

Angelica Robles, MD, Fellow in Developmental-Behavioral Pediatrics, W Alpert Medical School of Brown University, 2015-2018

Christie Babson, DO, Fellow in Developmental-Behavioral Pediatrics, W Alpert Medical School of Brown University, 2016-2019

Stephanie Klees, MD, Fellow in Developmental-Behavioral Pediatrics, W Alpert Medical School of Brown University, 2017-

Starrina Gianelloni, DO, Fellow in Developmental-Behavioral Pediatrics, W Alpert Medical School of Brown University, 2017-

Devina Savant, MD, Fellow in Developmental-Behavioral Pediatrics, W Alpert Medical School of Brown University, 2018-

OTHER COMMITTEES

Medical Review Team for Pediatric Nursing Facilities, Massachusetts Department of Public Health, 1995-2003

Committee on Disabilities, Massachusetts Chapter of the American Academy of Pediatrics, 1998-**present**

Universal Newborn Hearing Screening Advisory Committee, Massachusetts Department of Public Health, 1998-2003

Massachusetts Consortium for Children with Special Health Care Needs, 1997-2003 (Steering Committee, 2003)

Antibiotics Recommendations Workgroup, Massachusetts Division of Medical Assistance, 1999-2000

The Children and Adolescents Psychoactive Medication Workgroup, Massachusetts Department of Mental Health, 1999-2002

Special Kids Special Care Steering Committee, Massachusetts Division of Medical Assistance, Massachusetts Department of Social Services, and Neighborhood Health Plan, 1999-2003

New England Partnership for Appropriate Psychoactive Medication Prescribing in Children, 2001-**present** (Chair, 2002-2003)

Massachusetts Planning Committee, Every Child Deserves a Medical Home Training Program, 2001

Steering Committee, Rapid Autism Diagnosis and Referral Program Coalition, 2001-2002

Steering Committee, Coordinated Family Focused Care, 2001-**present**

Foster Care Committee, Massachusetts Chapter of the American Academy of Pediatrics, 2002-2003

Rhode Island Early Intervention Interagency Coordinating Council, 2004-2014

Rhode Island Department of Health, Autism Resource Guide Committee, 2005-2006

Rhode Island CFIT Committee (to provide education to clinicians about Early Intervention services) 2006-2007

Rhode Island DOH Autism Diagnostician Committee, 2007-2009

Learn the Signs, Act Early Regional Summit participant, April, 2010

Rhode Island Consortium for Autism Research and Treatment, Executive Committee, 2009- **present**

Rhode Island Interagency Planning Group on ASD, 2010- **present**

Autism Special Interest Group, Society for Developmental and Behavioral Pediatrics, 2004-**present**; co-chair, 2013- 2018

MEMBERSHIP IN SOCIETIES

Society for Research in Child Development, 1982-1999

American Academy of Pediatrics, 1988- **present** (Fellow, 1994-**present**)

Ambulatory Pediatric Association, 1993-1999

International Society for Infant Studies, 1993-1999

Boston Institute for the Development of Infants and Parents (Board of Directors, 1996-2003; Co-President, 1998-2001, Advisory Board, 2003-**present**)

Society for Developmental and Behavioral Pediatrics, 1997-**present**

Autism Special Interest Group, 2004-**present**, co-chair 2013-2017

International Special Interest Group, 2010- **present**

Early Childhood Special Interest Group, 2012-**present**

International Society for Autism Research, 2006-**present**

PUBLICATIONS LIST

ORIGINAL PUBLICATIONS IN PEER-REVIEWED JOURNALS

1. Rocissano, L. and **Yatchmink, Y.** Language skill and interactive patterns in prematurely born toddlers. Child Development 1983; 54:1229-1241.

CORPORATE AUTHORSHIP OR MULTICENTER TRIALS

1. Identification of extremely premature infants at high risk of rehospitalization. Ambalavanan N, Carlo WA, McDonald SA, Yao Q, Das A, Higgins RD; Generic Database and Follow-up Subcommittees of the Eunice Kennedy Shriver National Institute of Child Health and Human Development Neonatal Research Network. Pediatrics. 2011 Nov;128(5):e1216-25. doi: 10.1542/peds.2011-1142. Epub 2011 Oct 17. PMID: 22007016
2. Risk factors for post-neonatal intensive care unit discharge mortality among extremely low birth weight infants. De Jesus LC, Pappas A, Shankaran S, Kendrick D, Das A, Higgins RD, Bell EF, Stoll BJ, Laptook AR, Walsh MC; Eunice Kennedy Shriver National Institute of Child Health and Human Development Neonatal Research Network. J Pediatr. 2012 Jul;161(1):70-4.e1-2. doi: 10.1016/j.jpeds.2011.12.038. Epub 2012 Feb 10. PMID: 22325187
3. Early sepsis does not increase the risk of late sepsis in very low birth weight neonates. Wynn JL, Hansen NI, Das A, Cotten CM, Goldberg RN, Sánchez PJ, Bell EF, Van Meurs KP, Carlo WA, Laptook AR, Higgins RD, Benjamin DK Jr, Stoll BJ; Eunice Kennedy Shriver National Institute of Child

Health and Human Development Neonatal Research Network.
J Pediatr. 2013 May;162(5):942-8.e1-3. doi:
0.1016/j.jpeds.2012.11.027. Epub 2013 Jan 5. PMID:
23295144

4. Ten-year review of major birth defects in VLBW infants. Adams-Chapman I, Hansen NI, Shankaran S, Bell EF, Boghossian NS, Murray JC, Laptook AR, Walsh MC, Carlo WA, Sánchez PJ, Van Meurs KP, Das A, Hale EC, Newman NS, Ball MB, Higgins RD, Stoll BJ; Eunice Kennedy Shriver National Institute of Child Health and Human Development Neonatal Research Network. Pediatrics. 2013 Jul;132(1):49-61. doi: 10.1542/peds.2012-3111. Epub 2013 Jun 3. PMID: 23733791
5. Developmental outcomes of very preterm infants with tracheostomies. DeMauro SB, D'Agostino JA, Bann C, Bernbaum J, Gerdes M, Bell EF, Carlo WA, D'Angio CT, Das A, Higgins R, Hintz SR, Laptook AR, Natarajan G, Nelin L, Poindexter BB, Sanchez PJ, Shankaran S, Stoll BJ, Truog W, Van Meurs KP, Vohr B, Walsh MC, Kirpalani H; Eunice Kennedy Shriver National Institute of Child Health and Human Development Neonatal Research Network. J Pediatr. 2014 Jun;164(6):1303-10.e2. doi: 10.1016/j.jpeds.2013.12.014. Epub 2014 Jan 25. PMID: 24472229
6. Surgery and neurodevelopmental outcome of very low-birth-weight infants. Morriss FH Jr, Saha S, Bell EF, Colaizy TT, Stoll BJ, Hintz SR, Shankaran S, Vohr BR, Hamrick SE, Pappas A, Jones PM, Carlo WA, Laptook AR, Van Meurs KP, Sánchez PJ, Hale EC, Newman NS, Das A, Higgins RD; Eunice Kennedy Shriver National Institute of Child Health and Human Development Neonatal Research Network. JAMA Pediatr. 2014 Aug;168(8):746-54. doi: 1001/jamapediatrics.2014.307. PMID: 24934607
7. Prophylactic indomethacin and intestinal perforation in extremely low birth weight infants. Kelleher J, Salas AA, Bhat R, Ambalavanan N, Saha S, Stoll BJ, Bell EF, Walsh MC, Laptook AR, Sánchez PJ, Shankaran S, VanMeurs KP, Hale EC, Newman NS, Ball MB, Das A, Higgins RD, Peralta-Carcelen M, Carlo WA; GDB Subcommittee, Eunice Kennedy Shriver National Institute of Child Health and Human Development Neonatal Research Network. Pediatrics. 2014 Nov;134(5):e1369-77. doi:

10.1542/peds.2014-0183. Epub 2014 Oct 27. PMID:
25349317

8. Survival and Neurodevelopmental Outcomes among Periviable Infants. Younge N, Goldstein RF, Bann CM, Hintz SR, Patel RM, Smith PB, Bell EF, Rysavy MA, Duncan AF, Vohr BR, Das A, Goldberg RN, Higgins RD, Cotten CM; Eunice Kennedy Shriver National Institute of Child Health and Human Development Neonatal Research Network. *N Engl J Med*. 2017 Feb 16;376(7):617-628. doi: 10.1056/NEJMoal605566. PMID: 28199816

GRANTS

1. "Coordinated Family Focused Care: A Massachusetts Initiative"
Grant # 99623 from the Center for Health Care Strategies
Total grant amount \$692,995 for three years
Dates of Grant- 12/2002-06/2006
Principal Investigator
2. "NICU to Primary Care Provider Specialized Transition Care Program for high risk Very Low Birth Weight infants with special health care needs"
Principal Investigator, Betty Vohr, MD
CVS Corporation, Total grant amount \$37,823
Dates of Grant 1/01/07-12/31/09
Co-Investigator
3. Health Resources and Services Administration, Department of Health and Human Services, Maternal and Child Health Bureau, Project # T77MC09797-01-00
Principal Investigator, Pamela High, MD
Brown University Leadership in Education in Behavioral Pediatrics \$142,467 July 1, 2008- June 30, 2009. Five year project period with anticipated budget of \$722,467 from July 1, 2008 – June 30, 2013
Key Faculty
4. Health Resources and Services Administration, Department of Health and Human Services, Maternal and Child Health Bureau, DBPNet, Delphi Project, Practice Variation,

Principal Investigator, Nathan Blum, MD
\$400,000, 2011-2013
Faculty Participant (no monetary support)

5. Health Resources and Services Administration, Department of Health and Human Services, Maternal and Child Health Bureau, Project # T77MC09797-06-00
Principal Investigator, Pamela High, MD
Brown University Leadership in Education in Behavioral Pediatrics, \$192,443/year July 1, 2013- June 30, 2018. Five year project period with anticipated budget of \$962,215
Key Faculty
6. Health Resources and Services Administration, Department of Health and Human Services, Maternal and Child Health Bureau, Project # T73MC301210100, Rhode Island Leadership in Education in Neurodevelopmental Disabilities, Pamela High Program Director, \$440,910/year July 1, 2016- June 30, 2021. Five year project period with anticipated budget of \$2,216,140
Key Faculty
7. Health Resources and Services Administration, Department of Health and Human Services, Maternal and Child Health Bureau, Project # T77MC09797-06-00, Brown University Leadership in Education in Behavioral Pediatrics, P High Program Director, \$187,115/year July 1, 2018- June 30, 2023. Five-year project period with anticipated budget of \$835,575
Key Faculty

IRB PROJECTS IN PROGRESS:

1. Parent Perspectives of Young Children's Digital Medical Use Among Those Five Years and Younger With and Without Developmental Disabilities'. PI: **Yatchmink Y**; DBP fellow: Gianelloni S. approved Sept. 2019.

TEACHING ROLES

University of Massachusetts Medical School, Department of Pediatrics, 1992-1994. Clinical preceptor for residents and medical students in primary care clinic, emergency department and inpatient service.

University of Massachusetts Medical School, Department of Pediatrics, Division of Developmental and Behavioral Pediatrics, 1992-2001. Lectures to all residents (approximately 45 per year) on autism, developmental surveillance, developmental sequelae of prematurity,

communicating bad news to families. Co-led communication workshop for PL-II residents in pediatrics. Clinical preceptor for DBP fellows, NICU fellows, child psychiatry residents, pediatric residents, and medical students in developmental and behavioral pediatrics.

Division of Developmental and Behavioral Pediatrics, Hasbro Children's Hospital, Brown Medical School, 2003-present. Clinical preceptor for fellows and residents in developmental and behavioral pediatrics; mentored fellows on developmental of core curriculum, literature seminar, served on Scholarship Oversight Committees of all fellows (3-5 per year), received excellent to outstanding evaluations. Regular lectures include:

1. Tools of Assessment, presented at pediatric resident noon conference, Hasbro Children's Hospital, January 29, 2007
2. Autism Spectrum Disorders, presented at DBP Fellowship Core Curriculum, Oct. and Nov., 2012, Sept., 2013, Dec, 2014, Aug 2015
3. Critiquing Journal Articles, presented at DBP Fellowship Core Curriculum, November 22, 2011
4. Developmental Surveillance in Primary Care, lecture to Pediatric Residents, Hasbro Children's Hospital, monthly for 6 months per year, 2014-

Hasbro Children's Hospital, Brown Medical School, 2003-2010 – Teaching of general pediatrics to residents and medical students as Inpatient Attending.

Alpert Medical School of Brown University, 2004-present, Course Director “Child Development and Developmental Disabilities” (intensive 4 week rotation for 4th year medical students, 8-10 students per year, received consistently excellent evaluations)

Rhode Island College, “Medical Aspects of Developmental Disabilities” Autism Spectrum Disorders, 3 hour lecture given every other year, 2009, 2011, 2013, 2015

TRAINEES MENTORED

Regina Gargus MD, Fellow in Developmental-Behavioral Pediatrics 2002-2005, Brown Medical School, Hasbro Children's Hospital & Women and Infants' Hospital, currently Medical Director, Siskin Center for Developmental Pediatrics, Clinical Associate Professor of

Pediatrics, University of Tennessee College of Medicine Chattanooga .
Early identification and assessment of young children with autism

Bonnie Stephens, MD, Fellow in Developmental-Behavioral Pediatrics and Neonatology 2003-2008, Brown Medical School, Hasbro Children's Hospital & Women and Infants' Hospital, currently Director, Neonatology, DBP and Neonatal Follow-up, Community Medical Center, Missoula, MT. Autism Spectrum Disorder in Extremely Low Birth Weight Infants

Ana Garnecho MD, Fellow in Developmental-Behavioral Pediatrics 2008-2011, Brown-Alpert Medical School, Hasbro Children's Hospital, currently Assistant Professor of Pediatrics Brown Medical School, Head Banging

Elizabeth Harstad, MD, Fellow in Developmental-Behavioral Pediatrics 2008-2011, Harvard Medical School, Children's Hospital Boston, currently Instructor in Pediatrics, Harvard Medical School, Early Warning Signs of Autism, in Autism Case Training: A Developmental-Behavioral Pediatrics Curriculum, Centers For Disease Control

Carol Baum-Gupta, MD, Fellow in Developmental-Behavioral Pediatrics 2008-2011, Brown-Alpert Medical School, Hasbro Children's Hospital, currently Assistant Professor of Pediatrics Brown Medical School, Early Warning Signs of Autism, in Autism Case Training: A Developmental-Behavioral Pediatrics Curriculum, Centers For Disease Control

Yamini Howe, MD, Fellow in Developmental-Behavioral Pediatrics 2009-2012, Brown-Alpert Medical School, Hasbro Children's Hospital, currently Director of DBP at the Lurie Center, Massachusetts General Hospital, Instructor in Pediatrics, Harvard Medical School, Gender Differences in Clinical Presentation of Autism Spectrum Disorders

Natalia Lukankina, MD, Fellow in Developmental-Behavioral Pediatrics 2011-2014, Brown-Alpert Medical School, Hasbro Children's Hospital, Maternal and Infant Response during "Still Face" in SRI treated Mothers

Ayesha Cheema-Hasan, MD, Fellow in Developmental-Behavioral Pediatrics, 2013-2016 and Naomi Gershon, Fellow 2014-2017, Brown Alpert Medical School, Hasbro Children's Hospital, Initial validation of Self Report PROMIS Measures for Peer Relationship and Psychological Distress in Youth 12-17 years old with Autism Spectrum Disorders who read at or above a 3rd grade level.

Stephanie Klees, MD, Fellow in Developmental-Behavioral Pediatrics
2017-2020, Brown-Alpert Medical School, Hasbro Children's
Hospital, Irregular Bedtimes and Behavioral Problems in Preschool-
Aged Children: A Population Based Study

Starrina Gianelloni, DO, Fellow in Developmental-Behavioral
Pediatrics 2017-2020, Brown-Alpert Medical School, Hasbro
Children's Hospital, Digital Media Use in Young Children with
Disabilities
