OTHER DUTIES

2014-current	Executive Director, Rhode Island Public Health Institute
--------------	--

In 2014, I was appointed Executive Director of the Rhode Island Public Health Institute (RIPHI). The Rhode Island Public Health Institute is a 501©3 organization. RIPHI's mission is to promote community health and to eliminate health disparities in Rhode Island and beyond.

RIPHI is governed by a Board of Directors and is hosted by the Brown University School of Public Health. RIPHI also has formal partnerships and contracts with the Rhode Island Department of Health to advance the state's health policy objectives.

RIPHI's portfolio includes projects that: address food insecurity; provide fresh fruits and vegetables in food deserts and food swamps; enhance physical activity in public school physical education classes; provide HIV and hepatitis C screening, linkage to care and cure programs; and advance the health needs of sexual and gender minorities.

Since I became Executive Director, RIPHI has received grants from the RI Department of Health, the pharmaceutical industry, private foundations, the US Department of Agriculture, and other institutions. For more about RIPHI, visit <http://www.riphi.org>.
