EDUCATION

Undergraduate Bachelor of Science in Chemistry, Summa Cum Laude
Tulane University, New Orleans, Louisiana, 1982-1986

Medical School Doctor of Medicine
Louisiana State University School of Medicine
New Orleans, Louisiana, 1986-1990

POSTGRADUATE TRAINING

Residency Internal Medicine, Rush-Presbyterian-St. Luke's Medical Center
Chicago, Illinois, 1990-1993

Fellowship Infectious Diseases, Rush-Presbyterian-St. Luke's Medical Center
Chicago, Illinois, 1993-1995

POSTGRADUATE HONORS AND AWARDS

Louisiana Presbyterian Foundation scholarship to attend LSU
School of Medicine, 1986-1990

Admissions Committee Member, LSU School of Medicine, 1990

Alpha Omega Alpha, 1990

Pharmacology Award, Louisiana State University School of
Medicine, 1990

Upjohn Achievement Award for Outstanding Performance in Clinical Years of Study, Louisiana State University School of Medicine, 1990

Intern of the Year Award, Rush-Presbyterian-St. Luke's Medical Center, 1990-1991

Resident of the Year Award, Rush-Presbyterian-St. Luke's Medical Center, 1991-1992

American Society for Microbiology Travel Grant, 1994

SmithKline Beecham Fellowship to attend the SHEA/CDC/AHA Training Program in Hospital Epidemiology, 1995

J. Wayne Ebrite Health Science Associate Infectious Disease Research Conference, 1996

Employee of the Month, Cardiomyopathy/Transplant Unit, Rush-Presbyterian-St. Luke's Medical Center, June 1996

Named to *The Best Doctors in America*, 1997-1998

Alice B. Sachs Award, Rush-Presbyterian-St. Luke's Medical Center (awarded annually to a hospital employee for dedication to compassionate patient care), 1998

Dean's Award for Excellence in Teaching, The Warren Alpert Medical School of Brown University, July 2001

Named to *The Best Doctors in America*, 2001-2002

Dean's Award for Excellence in Teaching, The Warren Alpert Medical School of Brown University, July 2002

Named to *America's Top Physicians*, 2003

Dean's Award for Excellence in Teaching, The Warren Alpert Medical School of Brown University, July 2003

Chairman's Award for Outstanding Teaching, Department of Medicine, The Warren Alpert Medical School of Brown University, 2004

Named to “Best Doctors” - Rhode Island/Cape Cod edition of *Better Living Magazine*, 2004

Dean’s Award for Excellence in Teaching, The Warren Alpert Medical School of Brown University, July 2004

Named to “Top Doctors”, *Rhode Island Monthly*, 2004

Dean’s Teaching Excellence Award, The Warren Alpert Medical School of Brown University, 2005-2006, “in recognition of exemplary teaching in Biomed 351 Infectious Diseases/Pathophysiology small group”

Named to “Top Doctors”, *Rhode Island Monthly*, 2006

Dean’s Teaching Excellence Award, The Warren Alpert Medical School of Brown University, 2006-2007, “in recognition of exemplary teaching in Biomed 351 Infectious Diseases/Pathophysiology small group”

Finalist, 2007 Charles C. Shepard Science Award, the Centers for Disease Control and the Agency for Toxic Substances and Disease Registry, “presented to the authors of the most outstanding peer-reviewed research paper published by CDC/ATSDR”

Named to “Best Doctors in America”, 2007-2008 and 2009-2010

Triple Your Heart “Kindness Matters Award”, 2007, “in recognition of outstanding acts of kindness, generosity and leadership”

Named to “Best Doctors in America”, 2011-2012

Master of Arts *ad eundem*, Brown University, 2011

Alpert Medical School of Brown University, Attending Teaching Award, 2011-2012

PROFESSIONAL LICENSES AND BOARD CERTIFICATION

License Rhode Island – MD 10461

Diplomate American Board of Internal Medicine, subspecialty of Infectious Disease, 1996, re-certified 2006

Diplomate American Board of Internal Medicine
1993, re-certified 2003

ACADEMIC APPOINTMENTS

Associate Professor of Medicine The Warren Alpert Medical School of Brown University, June 2007 to present

Assistant Professor of Medicine The Warren Alpert Medical School of Brown University, November 2000 to June 2007

Director Infectious Disease Fellowship Program, The Warren Alpert Medical School of Brown University, July 2001 to December 2004

Assistant Director Infectious Disease Fellowship, The Warren Alpert Medical School of Brown University, November 2000 to July 2001

Subspecialty Education Coordinator Division of Infectious Diseases, The Warren Alpert Medical School of Brown University, July 2002 to December 2004

Assistant Professor of Medicine Section of Infectious Disease, Rush Medical College, Rush-Presbyterian-St. Luke's Medical Center, 1996 to 2001

Clinical Instructor Section of Infectious Disease, Rush Medical College, Rush-Presbyterian-St. Luke's Medical Center, 1995 to 1996

HOSPITAL APPOINTMENTS

Director Graduate Medical Education, Rhode Island Hospital Providence, Rhode Island, March 2008 to present

Director Transplant Infectious Diseases Program, Rhode Island Hospital, Providence, Rhode Island, July 2006 to present

Active Staff	Women & Infants Hospital, Rhode Island, November 2001 to present
Director	Outpatient Infectious Disease Clinic, Rhode Island Hospital, Providence, Rhode Island, November 2000 to March 2005
Active Staff	Rhode Island Hospital, Providence, Rhode Island, November 2000 to present
Active Staff	Miriam Hospital, Providence, Rhode Island, November 2000 to present

OTHER APPOINTMENTS

Lecturer	Morbidity & Mortality Conference, Department of Medicine Grand Rounds, October 2011 to present
Board Member	RI Organ Donor Awareness Coalition, September 2011 to present
Co-Chair	Donor-Transmitted Infections Committee, American Society of Transplant Infectious Diseases Community of Practice, August 2008 to present
Deacon	Central Congregational Church, Providence, RI, July 2007 to present
Invited Moderator	American Transplant Congress, May 5-9, 2007, San Francisco, CA, Session: Infections: HIV and Miscellaneous
Abstract Reviewer	American Transplant Congress, 2007, 2008, 2009
Chair	Education Committee, Rhode Island Chapter, American College of Physicians, 2005 to 2007
Representative	Infectious Diseases Society of America representative to the Centers for Disease Control and Prevention Organ Transplant Infection Prevention and Detection Program, 2004
Member	Education Committee, Rhode Island Chapter, American College of Physicians, 2004 to 2005
Reviewer	<i>Transplantation</i> , 2003 to present

Chair	Clinical Research Committee, Metro Infectious Disease Consultants, L.L.C., Hinsdale, Illinois, 1998 to 2000
Member	Committee on Infectious Diseases, American Society of Transplant Physicians/American Society of Transplantation, 1996 to 1999
Physician	Metro Infectious Disease Consultants, L.L.C., Hinsdale, Illinois, August 1998 to 2000
Physician Reviewer	CIMRO, June 2000 to November 2000
Editorial Board	<i>The Journal of Heart and Lung Transplantation</i> , 1995 to 2000
Invited Moderator	Viral Infections Symposium, Congress on Pulmonary Infections in Organ Transplantation, Milan, Italy, February 1997
Invited Moderator	Donor-derived Infections and HIV, American Transplant Congress, Boston, Massachusetts, June 2009
Invited Moderator	Herpes viruses and other viral infections in immunocompromised hosts. 49 th Interscience Conference on Antimicrobial Agents and Chemotherapy, San Francisco, CA, September 12-25, 2009.

HOSPITAL COMMITTEES

Member	Simulation Advisory Committee, Rhode Island Hospital, April 2012 to present
Member	Salar Implementation Committee, Rhode Island Hospital, March 2012 to present
Member	ICD- 10 Steering Committee, Rhode Island Hospital, March 2011 to present
Member	Physician I.S. Advisory Group, Rhode Island Hospital, February 2011 to present
Member	Steering Committee for The Center for Physicians Leadership, Rhode Island Hospital, December 2010 to present
Member	Simulation Board of Directors, Rhode Island Hospital, February 2010 to present

Chairperson	Committee on Universal Protocol for Procedures Performed Outside of the Operating Room, Rhode Island Hospital and the Miriam Hospital, August 2009 to May 2011
Member	Medical Executive Committee, Rhode Island Hospital, 2008 to present
Convener	Resident Committee on Improving Ambulatory Care, Rhode Island Hospital, November 2009 to present
Member	Pneumonia Improvement Project, Rhode Island Hospital, October 2009 to present
Member	Clinical Services Review Committee, Lifespan, September 2009 to present
Member	Physician Industry Interaction Committee, Lifespan, September 2009 to present
Member	Medication Reconciliation Committee, Lifespan, July 2009 to present
Member	Rhode Island Hospital By-Laws Committee, Rhode Island Hospital, June 2009 to present
Member	Smoking Cessation Steering Committee, Lifespan, June 2009 to present
Member	Clinical Documentation Steering Committee, Lifespan, May 2009 to present
Member	Quality and Safety Council, Lifespan, February 2009 to present
Member	Patient Safety Council, Rhode Island Hospital, March 2008 to present
Member	Director's Council, Rhode Island Hospital, March 2008 to present
Member	Graduate Medical Education Committee, Women and Infants Hospital, March 2008 to present
Chairperson	Graduate Medical Education Committee, Lifespan, March 2008 to present

- Member** Graduate Medical Education Committee, Lifespan, January 2005 to March 2008
- Member** Neurosurgery Quality Assurance Committee, Rhode Island Hospital, 2001 to 2008
- Member** Antimicrobial Subcommittee, Pharmacy and Therapeutics Committee, Rhode Island Hospital, 2001 to 2008
- Member** Ambulatory Physician Leadership Committee, Rhode Island Hospital, 2002 to present
- Member** Cardiac Transplant Committee, Rush-Presbyterian-St. Luke's Medical Center, 1995 to 2000
- Member** Pancreas Transplant Evaluation Committee, Rush-Presbyterian - St. Luke's Medical Center, 1997 to 1999
- Member** Formulary Design Team, Rush 2000 Project, 1997 to 1998 (committee to decrease pharmacy costs by monitoring antimicrobial usage and formulary contents)
- Member** Fellowship Curriculum Committee, Section of Infectious Disease, Rush Medical College and Cook County Hospital, 1994 to 1997
- Member** Neutropenic Fever Committee, Rush Cancer Institute, 1994

UNIVERSITY COMMITTEES

- Member** Graduate Education Committee, The Warren Alpert Medical School of Brown University, July 2001 to present
- Member** Search Committee, Division of Nephrology, Department of Medicine, The Warren Alpert Medical School of Brown University, 2006 - 2007
- Member** Search Committee, Division of Infectious Diseases, Department of Medicine, The Warren Alpert Medical School of Brown University, 2006 - 2007
- Member** Search Committee, Department of Surgery, The Warren Alpert Medical School of Brown University, 2006

- Member** Search Committee, The Warren Alpert Medical School of Brown University, Division of Infectious Diseases, October 2002 to April 2004
- Chair** Education Committee, Division of Infectious Diseases, The Warren Alpert Medical School of Brown University, July 2001 to December 2004
- Member** Curriculum Committee, Department of Medicine, The Warren Alpert Medical School of Brown University, July 2001 to December 2004
- Member** Task Force on Teaching Rewards, Department of Medicine, The Warren Alpert Medical School of Brown University, 2001

MEMBERSHIP IN SOCIETIES

- Fellow** American College of Physicians–American Society of Internal Medicine
- Fellow** Society for Healthcare Epidemiology of America
- Fellow** Infectious Diseases Society of America
- Member** Rhode Island Medical Society
- Member** American Society of Transplantation
- Member** Infectious Disease Community of Practice, American Society of Transplantation
- Secretary** Chicago Area Infectious Diseases Society, 1998 to 2000

INVITED PRESENTATIONS

- 1d. Rush-Presbyterian-St. Luke's Medical Center, Chicago, Illinois, May 27, 1996. Medical Grand Rounds: Left Ventricular Assist Devices – Are They Worth the Risk of Infection?
- 2d. Transplant Grand Rounds, Emory University, Atlanta, Georgia, December 1996. Lecture: New Manifestations of CMV Disease in Transplant Patients.
- 3d. Specialty Review Course in Infectious Disease, National Center for Advanced Education. Chicago, Illinois, September 1996. Lecture: Infection in the Solid Organ Transplant Patient.
- 4d. Viral Infections Symposium, Congress on Pulmonary Infections in Organ Transplantation, Milan, Italy, February 1997. Lecture: Candida and Other Fungal Pneumonias in Immunosuppressed Patients.
- 5d. 43rd Annual Conference of the American Society for Artificial Internal Organs (ASAIIO). Atlanta, Georgia, May 1997. Lecture: Infections in Circulatory Assist Devices.
- 6d. Multidisciplinary Critical Care Board Review Course, Society for Critical Care Medicine, Chicago, Illinois, August 1997. Lecture: Infections in the Immunocompromised Host.
- 7d. NHLBI/NIH and FDA Conference on Thrombosis and Infections with Cardiovascular Implants: Selection and Clinical Relevance of Diagnostic Tests, Bethesda, Maryland, October 1997. Lecture: Infection Complicating Cardiovascular Implants – The Clinical Picture.

- 8d. Rush-Presbyterian-St. Luke's Medical Center, Critical Care Nursing Course (quarterly), Chicago, Illinois, 1996-1998. Lecture: Infections in Immunocompromised Hosts.
- 9d. Chicago Infectious Disease Board Review Course, Chicago, Illinois, October 1997. Lecture: Infections in the Transplant Patient.
- 10d. Multidisciplinary Critical Care Board Review Course, Society for Critical Care Medicine, Chicago, Illinois, August 1998. Lecture: Infections in the Immunocompromised Host.
- 11d. Ravenswood Medical Center, Chicago, Illinois, October 1998. Medical Grand Rounds: Infections in Bone Marrow Transplant Recipients.
- 12d. International Society for Heart and Lung Transplantation, Chicago, Illinois, October 1998. Lecture: Infections in Transplantation.
- 13d. Chicago Infectious Disease Board Review Course, Chicago, Illinois, October 1998. Lecture: Infections in the Transplant Patient.
- 14d. Multidisciplinary Critical Care Board Review Course, Society for Critical Care Medicine, Chicago, Illinois, August 1999. Lecture: Infections in the Immunocompromised Host.
- 15d. Chicago Infectious Disease Board Review Course, Chicago, Illinois, October 1999. Lecture: Infections in the Transplant Patient.
- 16d. Association of Clinical Nurse Practitioners, Chicago, Illinois, April 2000. Lecture: Antibiotic Resistance – What Can We Do?
- 17d. Case Western Reserve Medical School, Cleveland, Ohio, May 2000. Lecture: Infections Following Solid Organ Transplantation.
- 18d. Chicago Infectious Disease Board Review Course, Chicago, Illinois, October 2000. Lecture: Infections in the Transplant Patient.
- 19d. New England Medical Center, Boston, Massachusetts, December 15, 2000. Infections and Management Issues in Bone Marrow Transplantation: a Combined Infectious Diseases/Hematology Conference for Fellows. Lecture: Emerging Infections in the Bone Marrow Transplant Population.
- 20d. The Warren Alpert Medical School of Brown University/Rhode Island Hospital, Department of Surgery, Providence, Rhode Island, March 9, 2001. Noon Conference: Linezolid in the Treatment of Gram Positive Infections.

- 21d. The Warren Alpert Medical School of Brown University/Rhode Island Hospital, Transplant/Nephrology, Providence, Rhode Island, April 27, 2001. Grand Rounds: Emerging Viral Infections in Renal Transplantation.
- 22d. The Warren Alpert Medical School of Brown University, Division of Infectious Diseases Grand Rounds, Providence, Rhode Island, June 20, 2001. Infections in Solid Organ Transplant Patients.
- 23d. Rhode Island Hospital, Department of Neurosurgery, Providence, RI, October 15, 2001. Lecture: A Practical Guide to Antibiotic Usage for Neurosurgeons.
- 24d. The Warren Alpert Medical School of Brown University, Department of Medicine, Providence, Rhode Island, October 17, 2001. Grand Rounds Presentation: Emerging Viral Infections in the Transplant Population.
- 25d. Chicago Infectious Disease Board Review Course, Chicago, Illinois, October 2001. Lecture: Infections in the Transplant Patient.
- 26d. The Warren Alpert Medical School of Brown University, Multidisciplinary Group on Diabetes Care, Providence, Rhode Island, February 26, 2002. Lecture: Update on Antibiotics for Use in Diabetic Foot Infections.
- 27d. Chicago Infectious Disease Board Review Course, Chicago, Illinois, October 2002. Lecture: Infections in the Transplant Patient.
- 28d. The Warren Alpert Medical School of Brown University, Division of Trauma Surgery, Providence, Rhode Island, September 19, 2003. Lecture: Infected Hardware and Traumatic Osteomyelitis.
- 29d. The Warren Alpert Medical School of Brown University, Division of Nephrology, Providence, Rhode Island, October 2, 2003. Lecture: Infections Complicating Hemodialysis and Peritoneal Dialysis.
- 30d. Chicago Infectious Disease Board Review Course, Chicago, Illinois, October 2003. Lecture: Infections in the Transplant Patient.
- 31d. Cranston Senior Center, Cranston, Rhode Island, December 3, 2003. Lecture: Infections Complicating Diabetes.
- 32d. The Warren Alpert Medical School of Brown University, Department of Medicine, Providence, Rhode Island, January 27, 2004. Grand Rounds Presentation: M&M – A 83-year-old man with fever, headache and mental status changes.

- 33d. The Warren Alpert Medical School of Brown University, Division of Infectious Diseases, Providence, Rhode Island, February 20, 2004. Grand Rounds Presentation: Transplanting the HIV-Infected Patient.
- 34d. The Warren Alpert Medical School of Brown University, Department of Medicine, Providence, Rhode Island, May 4, 2004. Grand Rounds Presentation: M&M – A 28-year-old man with persistent fever and odynophagia.
- 35d. Update in Internal Medicine, The Warren Alpert Medical School of Brown University, Providence, Rhode Island, May 7, 2004: Lecture: An Update on Meningitis and Encephalitis.
- 36d. Introduction to Clinical Nephrology Board Review Course, Rhode Island Hospital, Providence, Rhode Island, September 2, 2004. Lecture: Urinary Tract and Dialysis Associated Infections.
- 37d. The Warren Alpert Medical School of Brown University, Department of Medicine, Providence, Rhode Island, September 14, 2004. Grand Rounds Presentation: M&M – A 67-year-old asplenic female with fatigue and jaundice.
- 38d. United Network for Organ Sharing / The Organ Procurement and Transplantation Network (UNOS/OPTN) Region Forum, Westborough, Massachusetts, September 28, 2004. Lecture: Emerging Pathogens in Solid Organ Transplantation.
- 39d. Introduction to Clinical Nephrology Board Review Course, Rhode Island Hospital, Providence, Rhode Island, September 30, 2004. Lecture: Infections in Renal Transplantation.
- 40d. Chicago Infectious Disease Board Review Course, Chicago, Illinois, October 2004. Lecture: Infections in the Transplant Patient.
- 41d. Neighborcare RI Pharmacy, Providence, Rhode Island, October 20, 2004. Lecture: MRSA in 2004: An Update.
- 42d. Evidence-Based Approach to the Practice of Internal Medicine: 2004 Update, Rhode Island Chapter American College of Physicians, Newport, Rhode Island, October 27, 2004. Lecture: Antimicrobial Treatment in the Outpatient Setting.
- 43d. Infection Control Professionals of Southern New England Seminar (ICPSNE), Providence, Rhode Island, November 3, 2004. Lecture: An Update on Respiratory and Gastrointestinal Diseases.
- 44d. Hartford Hospital, Hartford, Connecticut, February 15, 2005. Grand Rounds Presentation: Emerging Pathogens in Solid Organ Transplantation.

- 45d. The Warren Alpert Medical School of Brown University, Department of Medicine, Providence, Rhode Island, March 22, 2005. Grand Rounds Presentation: M&M – A 21-year-old Mexican man with diffuse weakness for several weeks.
- 46d. Neighborcare RI Pharmacy, Lynnfield, Massachusetts, March 24, 2005. Lecture: MRSA in 2005: An Update.
- 47d. United Network for Organ Sharing / The Organ Procurement and Transplantation Network (UNOS/OPTN) Region Forum, Worcester, Massachusetts, April 26, 2005. Lecture: Infection Prevention in Solid Organ Transplantation.
- 48d. Harvard Medical School, Boston, Massachusetts, June 15, 2005. Grand Rounds Presentation: Lymphocytic Choriomeningitis Virus in Solid Organ Transplantation, 2005.
- 49d. The Warren Alpert Medical School of Brown University, Division of Infectious Diseases, Providence, Rhode Island, June 29, 2005. Grand Rounds Presentation: Lymphocytic Choriomeningitis Virus in Solid Organ Transplantation, 2005.
- 50d. Introduction to Clinical Nephrology Board Review Course, Rhode Island Hospital, Providence, Rhode Island, August 17, 2005. Lecture: Urinary Tract and Dialysis Associated Infections.
- 51d. Introduction to Clinical Nephrology Board Review Course, Rhode Island Hospital, Providence, Rhode Island, August 31, 2005. Lecture: Infections in Renal Transplantation.
- 52d. Chicago Infectious Disease Board Review Course, Chicago, Illinois, October 2005. Lecture: Infections in the Transplant Patient.
- 53d. Evidence-Based Approach to the Practice of Internal Medicine: 2005 Update, Rhode Island Chapter American College of Physicians, Newport, Rhode Island, October 19, 2005. Lecture: Community-Acquired MRSA.
- 54d. The Warren Alpert Medical School of Brown University, Department of Medicine, Providence, Rhode Island, November 15, 2005. Grand Rounds Presentation: M&M – A 90-year-old man with a history of an aortic valve replacement presents with mental status change and an unexpected cause of death.
- 55d. Memorial Hospital of Rhode Island, Pawtucket, Rhode Island, November 2, 2005. Grand Rounds Presentation: Lymphocytic Choriomeningitis Virus in Solid Organ Transplantation, 2005.

- 56d. Beth Israel/Deaconess Hospital, Division of Transplantation, Boston, Massachusetts. January 24, 2006. LCMV in Solid Organ Transplantation: Donor-Transmitted Infections, 2003 and 2005.
- 57d. The Warren Alpert Medical School of Brown University, Department of Geriatrics, Providence, Rhode Island, February 9, 2006. Fundamentals in Geriatrics Lecture: Common Infections in the Elderly: The Role of Increasing Resistance in the Nursing Home.
- 58d. The Warren Alpert Medical School of Brown University, Department of Urology, Providence, Rhode Island, April 4, 2006. Lecture: Urologic Infections.
- 59d. Rhode Island Thoracic Society: Annual Meeting and Clinical Forum, Providence, Rhode Island, April 7, 2006. Lecture: MRSA Pneumonia: Epidemiology, Course and Treatment.
- 60d. The Warren Alpert Medical School of Brown University, Department of Medicine. Grand Rounds: An Old World Arenavirus in 21st Century Rhode Island: Lymphocytic Choriomeningitis Virus in Solid Organ Transplantation, 2005.
- 61d. American College of Physicians, Rhode Island Chapter, Spring 2006 Scientific Meeting. Warwick, Rhode Island, May 10, 2006. Lecture and Moderator: Continuity of Care: Internists, Hospitalists and the Community.
- 62d. American College of Physicians, Rhode Island Chapter, Spring 2006 Scientific Meeting. Warwick, Rhode Island, May 10, 2006. Discussion leader, SEP-based Learning Session for ABIM Recertification: Inpatient Medicine Module 88-G.
- 63d. Rhode Island Hospital, Department of Emergency Medicine, Providence, Rhode Island, September 20, 2006. Lecture Series: MRSA in the Emergency Room: An Update.
- 64d. Introduction to Clinical Nephrology Board Review Course, Rhode Island Hospital, Providence, Rhode Island, October 6, 2006. Lecture: Infections in Renal Transplantation.
- 65d. Rhode Island Hospital, Division of Transplantation Speaker Series, Providence, Rhode Island, November 7, 2006. Infections Following Kidney Transplantation.
- 66d. Chicago Infectious Disease Board Review Course, Chicago, Illinois, November 12, 2006. Lecture: Infections Complicating Bone Marrow and Solid Organ Transplantation.

- 67d. The Warren Alpert Medical School of Brown University, Department of Medicine, Providence, Rhode Island, December 5, 2006. Grand Rounds Presentation: M&M – A 40-year-old man with abdominal pain and distension.
- 68d. Rhode Island Hospital, Department of Surgery, Providence, Rhode Island, January 17, 2007. Surgical Grand Rounds Presentation: MRSA Infections in Orthopedics. Emerging Infection, New Therapies.
- 69d. The Warren Alpert Medical School of Brown University, Department of Medicine, Providence, Rhode Island, January 23, 2007. Grand Rounds Presentation: M&M – A 30-year-old women with acute renal failure and transaminitis.
- 70d. The Warren Alpert Medical School of Brown University, Division of Infectious Diseases, Providence, Rhode Island, January 24, 2007. Grand Rounds Presentation: Infections in Bone Marrow Transplantation/Hematopoietic Stem Cell Transplantation: A Primer for the Infectious Disease Specialist.
- 71d. Introduction to Clinical Nephrology Board Review Course, Rhode Island Hospital, Providence, Rhode Island, August 3, 2007. Lecture: Urinary Tract and Dialysis Infections.
- 72d. Introduction to Clinical Nephrology Board Review Course, Rhode Island Hospital, Providence, Rhode Island, August 22, 2007. Lecture: Infections in Renal Transplantation.
- 73d. Lahey Clinic, Burlington, Massachusetts, December 13, 2007. Grand Rounds Presentation: Lymphocytic Choriomeningitis Virus in Solid Organ Transplantation, 2005.
- 74d. Cleveland Clinic Foundation, Cleveland, Ohio, February 13, 2008. Visiting Professorship. Infectious Diseases/Microbiology Grand Rounds: An Old World Arenavirus in 21st Century Rhode Island: Lymphocytic Choriomeningitis Virus Transmitted Via Solid Organ Transplantation, 2005.
- 75d. The Warren Alpert Medical School of Brown University, Division of Urology, Providence, Rhode Island, March 3, 2008. Grand Rounds Presentation: An update on UTIs and antibiotics for the urologist, 2008.
- 76d. The Warren Alpert Medical School of Brown University, Department of Medicine, Providence, Rhode Island, March 4, 2008. Grand Rounds Panelist: M&M – An 18-year-old male with abdominal pain.
- 77d. 49th International Conference on Antimicrobial Agents and Chemotherapy, San Francisco, CA, September 12, 2009. Unusual viral infections in transplantation.

- 78d. Chicago Infectious Disease Board Review Course, Chicago, IL, September __, 2010. Infections in Transplant Recipients.
- 79d. The Warren Alpert Medical School of Brown University, Department of Medicine, Providence, Rhode Island, 2000 to June 2008. Noon Conference Lectures:
 CNS infections
 Osteomyelitis and Septic Arthritis
 Endocarditis
 Viral Infections
 Fungal Infections
 Transplant Infections
- 80d. Infectious Disease Fellows Lecture Series, Rhode Island Hospital, Providence, Rhode Island, July 2001 to June 2008. Lectures:
 Transplant Infections
 Infectious Diarrhea
 Fungal Infections
 Endocarditis
 Sexually Transmitted Diseases
 Head and Neck Infections
 Brain Abscess
 Meningitis and Encephalitis
 Toxin-Mediated Infections
 Intraabdominal Infections
 Urinary Tract Infections
 Outpatient Antibiotic Therapy: A Practical Approach
- 81d. The Warren Alpert Medical School of Brown University, Department of Medicine, Providence, Rhode Island, July 2008 to present. Noon Conference Lecture:
 Transplant Infections
- 82d. Infectious Disease Fellows Lecture Series, Rhode Island Hospital, Providence, Rhode Island, July 2008 to present. Lectures:
 Bone Marrow Transplant Infections
 Solid Organ Transplant Infections
 Outpatient Antibiotic Therapy: A Practical Approach

UNIVERSITY TEACHING ROLES

Preceptor Community Based Teaching Program, Residency Programs in Medicine, Department of Medicine, The Warren Alpert Medical School of Brown University, 2007-present

Invited Women in Residency Fair, The Office of Women in Medicine

Lecturer/Preceptor	The Warren Alpert Medical School of Brown University, April 12, 2007, April 10, 2008
Invited Workshop Leader	Teaching Workshop, Academic Medicine Interest Group, The Warren Alpert Medical School of Brown University February 24, 2006, March 1, 2007
Invited Lecturer	Neurosciences Career Symposium, The Warren Alpert Medical School of Brown University, February 16, 2006
Small Group Lecturer	ID Pathophysiology Course (BioMed 351), The Warren Alpert Medical School of Brown University, February 2001, January 2002, February 2002, February 2003 January 2004, January 2005, January 2006, January 2007
Invited Lecturer	ID Pathophysiology Course, The Warren Alpert Medical School of Brown University, February 2, 2001, February 4, 2002, February 3, 2003, January 5, 2004, January 21, 2005. Lecture: Pathophysiology of Central Nervous System (CNS) Infections.
Invited Lecturer	Medical Microbiology Course, The Warren Alpert Medical School of Brown University, April 12, 2001, May 7, 2002. Lecture: Medically Relevant Fungi: The Clinical Perspective on Central Nervous System Infections.

HOSPITAL TEACHING ROLES

Consult and Teaching Attending	Rhode Island Hospital Transplant Infectious Disease Consult Service, 2005 to present
Medicine Teaching Attending	Rhode Island Hospital, Inpatient Internal Medicine (Med A) Service, 2003 to present
Consult and Teaching Attending	Rhode Island Hospital Infectious Disease Consult Service, 2000 to 2008.
Consult and Teaching Attending	Rhode Island Hospital "Second" Infectious Disease Consult Service (Neurosurgery and Orthopedic Infections), 2003 to 2008
Consult and Teaching	The Miriam Hospital Infectious Disease Consult Service, January 2005.

Attending

**Creator and
Preceptor**

Rhode Island Hospital Transplant Infectious Disease Electives
2004 to present (curricula available upon request).

GRANTS

CRIT

2011-2013, Chief Resident Immersion Training, Co Investigator,
\$114,000 (\$58,000 in Year 1 and \$56,000 in Year 2)
