

CURRICULUM VITAE**DOUGLAS R. GNEPP, M.D.**

Business Address: Department of Pathology
 Rhode Island Hospital
 593 Eddy Street
 Providence, RI 02903
 Business Telephone Number: (401) 444-8513
 Business Fax Number: (401) 444-8514
 Electronic Mail Address: DGnepp@Lifespan.org

EDUCATION:Undergraduate:

Drexel University, Philadelphia, Pennsylvania
 B.S., M.E. degree 1969

Graduate School:

Duke University, Durham, North Carolina
 M.S. degree 1974

Medical School:

Duke University, Durham, North Carolina
 M.D. degree 1974

Other Advanced Degrees

Master of Arts, ad eunem, Brown University, Providence, RI.
 Honorary degree 1993

POSTGRADUATE TRAINING:Residency:

Resident, Anatomic Pathology, Barnes Hospital,
 Washington University, St. Louis, Missouri 1974-1977

POSTGRADUATE HONORS AND AWARDS:

Pi Tau Sigma (Mechanical Engineering Honorary Society) 1967
 Tau Beta Pi (National Engineering Honorary Society) 1968
 Phi Kappa Phi (National Honorary Society) 1968
 Second Honors in Mechanical Engineering, Class Rank 2nd in 97 1969
 Tau Beta Pi Fellowship 1969-1970
 Robert Young Memorial Scholarship 1970

Scholar of the Leopold Schepp Foundation	1970-1971
Listed in <u>The Best Doctors In America</u>	1994-2012
Listed in <u>Who's Who in Science and Engineering</u>	1996-1997
Listed in <u>Who's Who in Medicine and Healthcare</u>	1997,1999-2000, 2006-2007
Listed in <u>International Who's Who of Professionals</u>	1999
Listed in <u>Who's Who in the World</u>	2000, 2004-2005
Listed in <u>National Registry of Who's Who, Life Member</u>	2001
Listed in <u>Who's Who in Medicine and Healthcare 4th through 8th Editions</u>	2002-2012
Listed in <u>Who's Who in America</u>	2003-2007
Invited Expert – <u>WHO classification of Head and Neck Tumours</u> Consensus Conference/Editorial Review Board International Agency for Research on Cancer, Lyon, France	July 16-19, 2003
Honorary membership in the British Society of Oral Maxillofacial Pathology	2007
Listed in <u>Cambridge Who's Who</u>	2009/2010
<u>America's Top Pathologists</u> (Consumers' Research Council of America)	2009
Honorary Fellow of the <u>American Academy of Oral and Maxillofacial Pathology</u>	2011
Listed in <u>Best Doctors in America</u> , 2013 database.	

PROFESSIONAL LICENSES AND BOARD CERTIFICATION:

State of Rhode Island (# MD08115)	1991 to date
State of Massachusetts	2007-11 (need to renew)
American Board of Pathology, Anatomic Pathology	1978

ACADEMIC APPOINTMENTS:

Instructor, Department of Pathology, West Virginia University Medical Center, Morgantown, West Virginia	1977-1979
Instructor, Department of Oral Pathology, School of Dentistry, West Virginia University Medical Center, Morgantown, West Virginia	1978-1979
Assistant Professor, Department of Oral Pathology, School of Dentistry, West Virginia University Medical Center, Morgantown, West Virginia	1979-1981
Assistant Professor, Department of Pathology, West Virginia University Medical Center, Morgantown, West Virginia	1979-1981
Assistant Professor, Department of Pathology, St. Louis University School of Medicine, St. Louis, Missouri	1981-1984

Director, Pathology Residency Program, St. Louis University School of Medicine, St. Louis, Missouri	1982-1986
Associate Professor, Department of Pathology, St. Louis University School of Medicine, St. Louis, Missouri	1984-1990
Visiting Scientist, Otolaryngic Pathology Branch, Armed Forces Institute of Pathology, Washington, D.C.	9/87 through 6/88
Visiting Pathologist, Ottawa Civic Center Hospital and Cancer Tumor Reference Centre. Studied Immunoelectron microscopy with Dr. Irv Dardick	7/1987, 7/1988
Associate Professor, Department of Otolaryngology, Head and Neck Surgery, St. Louis University School of Medicine, St. Louis, Missouri	1988-1991
Professor, Department of Pathology, St. Louis University School of Medicine, St. Louis, Missouri	1990-1991
Professor of Pathology, Brown University, Providence, Rhode Island; Pathologist, Department of Pathology, Rhode Island Hospital, Providence, Rhode Island	1991-Present

HOSPITAL APPOINTMENTS:

Director, Division of Surgical Pathology, Rhode Island Hospital, Providence, Rhode Island	1991-1996
Pathologist, Department of Pathology, Rhode Island Hospital	1991-present

OTHER APPOINTMENTS:

Liquid Centrifugation Research and Development, Union Carbide Corporation, Plant K-25, Oak Ridge, Tennessee	1965-1965
Product Engineering, Power Transmission Products, U.S. Rubber Company, Philadelphia, Pennsylvania	1966-1966
Instrument Systems Section, Ford Motor Company, Dearborn, Michigan	1967-1967
Biomedical Engineering Applications, Krusen Research Center at Moss Rehabilitation Hospital, Einstein Medical Center - Northern Division, Philadelphia, Pennsylvania (Part-time)	1968-1968
Nursing Recovery Room, Duke Hospital, Durham, North Carolina (Part-time)	1971-1973

Laboratory Technician, Clinical Chemistry, Duke Hospital,
Durham, North Carolina (Part-time)

1973-1973

HOSPITAL COMMITTEES:

Quality Assurance Committee - Department of Pathology, Rhode Island Hospital
Cancer Committee
Surgical Case Procedure Review Committee

UNIVERSITY COMMITTEES:

Postgraduate Referral Committee

1999-2005

MEMBERSHIP IN SOCIETIES:

International Academy of Pathology	1976 to present
International Society of Lymphology	1977 to 1989
American Society of Clinical Pathologists	1978 to 2005
North American Society of Lymphology	1980 to 1997
St. Louis Pathologic Society	1982 to 1991
American Academy of Oral and Maxillofacial Pathology	1985 to present
Arthur Purdy Stout Society of Surgical Pathologists	1987 to present
American Academy of Otolaryngology Head and Neck Surgery	1987 - 1998
College of American Pathologists	1992 to 1999
	2010 to present
Rhode Island Society of Pathologists	1992 to present
New England Society of Pathologists	1993 to 1999
North American Society of Head and Neck Pathology	1998 to present
European Society of Pathology	2011 to present

OTHER PROFESSIONAL ACTIVITIES:

1. Chief Organizer of the North American Society of Lymphology.
2. Manuscript Reviewer for the Journal "Microvascular Research".
3. Manuscript Reviewer for the Journal "Lymphology".
4. President - North American Society of Lymphology, 1980-1982.
5. College of American Pathologists Peer Review Inspector for Anatomic Pathology and Cytology, 1982.

6. Pathology Resident Program Director 1982-86.
7. Manuscript Reviewer for Journal "Science".
8. Member of Executive Committee - North American Society of Lymphology, 1982 to 1990.
9. Manuscript Reviewer for Journal "Annals of Internal Medicine".
10. Manuscript Reviewer for Journal "Chest".
11. Manuscript Reviewer for Journal "Diagnostic Cytopathology".
12. Manuscript Reviewer for Journal "Western Journal of Medicine".
13. Vice-President - St. Louis Pathology Society, 1986-1987.
14. Workshop Director for a course entitled Salivary Gland Tumors for the American Society of Clinical Pathology, 1988 to Present.
15. Manuscript Reviewer for Journal "The American Journal of Pathology".
16. Manuscript Reviewer for Journal "In Vitro Cellular and Developmental Biology".
17. American Society of Clinical Pathology Residency In Training Examination Previewer and question contributor, 1988~1996.
18. Consultant to the Committee on Otolaryngic Pathology of the American Academy of Otolaryngology - Head and Neck Surgery, November, 1987 to 1996.
19. Workshop Director for a course entitled Unusual Salivary Gland Tumors and Unusual Presentations of Common Salivary Gland Tumors for the United States and Canadian Academy of Pathology, 1989, 1991 and 1993.
20. Manuscript reviewer for Archives of Internal Medicine.
21. Member of Head and Neck Pathology Panel in the Performance Improvement Program of the College of American Pathologists.
22. Course Director for a one hour course entitled: "The Frozen Section in the Head and Neck Pathology" for the American Academy of Otolaryngology-Head and Neck Surgery, 1988 to 1991.
23. Manuscript Reviewer for "The Cancer Journal".
24. Course Director for a one hour course entitled: Recent Advances in Salivary Gland Pathology for the American Academy of Otolaryngology-Head and Neck Surgery, 1989 to 1991.

25. Editorial Board - Human Pathology, 1990 to 2000.
26. Otolaryngology-Head and Neck Surgery Board Review Course, Lecturer on Salivary Gland Pathology, 1990 to 1995.
27. Otolaryngology-Head and Neck Surgery Board Review Course, Lecturer on Upper Respiratory Pathology, 1991 to 1995.
28. Manuscript reviewer for Journal "Cancer."
29. Editorial Board - Oral Surgery, Oral Medicine, Oral Pathology, Oral Radiology & Endodontics, 1993 to 7/2005.
30. Manuscript reviewer for "The Laryngoscope."
31. Editorial Board - Advances in Anatomic Pathology, 1994 to 2004.
32. United States and Canadian Academy of Pathology, Abstract Review Board, 1994-1997.
33. Manuscript reviewer American Journal of Clinical Pathology.
34. Otolaryngology - Head and Neck Surgery Board Review Course, Lecturer on Thyroid and Parathyroid Pathology, 1994 - 1995.
35. Vice President, North American Society of Head and Neck Pathology, 1998-2000.
36. Manuscript reviewer for Otolaryngology - Head and Neck Surgery.
37. President, North American Society of Head and Neck Pathology, 2000-2002.
38. Manuscript reviewer for Journal of Clinical Pathology.
39. Manuscript reviewer for Journal "Oral Diseases".
40. Manuscript reviewer for Journal "Clinical Cancer Research".
41. Manuscript reviewer for Journal "Archives of Pathology and Laboratory Medicine".
42. Manuscript reviewer for "Journal of Oral and Maxillofacial Surgery" and Oral Surgery, Oral Medicine, Oral Pathology, Oral Radiology, Endodontics.
43. Editorial Board- Head and Neck Pathology, 2006 to 2009.
44. Manuscript reviewer for International Journal of Surgical Pathology, 2012

45. Physician Liaison between American Academy of Oral and Maxillofacial Pathology and the College of American Pathologists 2013

INVITED PRESENTATIONS:

1. Brannon, R.B. and Gnepp, D.R.: Sebaceous Lesions of Salivary Glands. Presented at the Armed Forces Institute of Pathology as part of a Salivary Gland and Head and Neck Symposium. December 11-13, 1978.
2. Gnepp, D.R. and Green, F.H.: Scanning Electron Microscopy of Collecting Lymphatic Vessels and their Comparison to Arteries and Veins. Presented at the Scanning Electron Microscopy Meetings in Washington, D.C., April, 1979.
3. Gnepp, D.R. and Green, F.H.: Scanning Electron Microscopy of Collecting Lymphatics, the Thoracic Duct and their Valves. Presented at the 7th International Congress on Lymphology. Florence, Italy, October, 1979.
4. Gnepp, D.R.: Scanning Electron Microscopy of Canine and Human Thoracic Duct. Presented at the 1st meeting of the North American Chapter of the International Society of Lymphology in San Diego, California. October, 1980.
5. Gnepp, D.R., Ferlito, A. and Hyams, V.: Primary Oat Cell (Anaplastic Small Cell) Carcinoma of the Larynx. Presented at the American Society of Clinical Pathologists Meeting in St. Louis, Missouri, October, 1980.
6. Gnepp, D.R. and Brannon, R.B.: Primary Sebaceous Neoplasms of Salivary Gland Origin. Presented at the 70th Annual Meeting of the United States- Canadian Division of the International Academy of Pathology, March, 1981.
7. Gnepp, D.R.: The Use of Frozen Sections in Otolaryngology; Unusual Lesions of the Salivary Glands; Primary Kaposi's Sarcoma of the Head and Neck. Presented at a Course Entitled: "Clinical Pathological Correlations of Head and Neck Neoplasms" at St. Louis University, April, 1983.
8. Gnepp, D.R., Chandler, W. and Hyams, V.: Primary Kaposi's sarcoma of the Head and Neck. Poster presentation at the 72nd Annual Meeting of the United States-Canadian Division of the International Academy of Pathology, March, 1983.

9. Gnepp, D.R.: Scanning electron microscopy of the post-mortem human thoracic duct. Poster presentation at the 9th International Congress of Lymphology, in Israel, October, 1983.
10. Gnepp, D.R.: Primary Kaposi's sarcoma of the Head and Neck. Part of a symposium on AIDS at the 9th International Congress of Lymphology in Israel, October, 1983.
11. Gnepp, D.R.: Tissue Culture of Human and Canine Thoracic Duct Endothelium. Presented at the
the
Federation of American Societies for Experimental Biology Meeting, April, 1984
12. Gnepp, D.R.: Tissue Culture of Human and Canine Thoracic Duct Endothelium. Presented at the
the
North American Chapter of the International Society of Lymphology Meeting, November, 1984.
13. Gnepp, D.R. and Corio, R.: Small Cell Carcinoma of Salivary Gland Origin. Poster presentation at the 74th Annual meeting of the International Academy of Pathology, United States-Canadian Division, March, 1985.
14. Gnepp, D.R.: Pathology of Selected Lesions of the Sinonasal Tract. Presented at a course entitled "Surgery of the Paranasal Sinuses" at St. Louis University, April, 1986.
15. Gnepp, D.R., Cook, L.L., Rader, W.R., Sciubba, J., Cramer, S., Strelzow, V.: Accuracy of Frozen Section Diagnosis of the Salivary Gland. Presented at American Academy of Oral Pathology Meeting in Toronto, Canada, May, 1986.
16. Gnepp, D.R.: Vascular Endothelial Markers of the Human Thoracic Duct and Lacteal. Poster Presentation of preliminary results at the Interstitial-Lymphatic Liquid and Solute Movement Satellite Symposium of the XXX IUPS Congress. Victoria, British Columbia, Canada July 21-23, 1986, and of final results at the American Society of Clinical Pathology Meeting, Orlando, Florida, September 28-October 1, 1986.
17. Gnepp, D.R. and Mass, C: Breast Carcinoma Arising in a Myocutaneous Flap Used to Reconstruct an Oral Carcinoma. Presented at the American Academy of Oral Pathology, May, 1987.
18. Gnepp, D.R.: Accuracy of Frozen Section Diagnosis of the Salivary Gland. Poster presentation, September, 1987, at the American Academy of Otolaryngology, Head and Neck Surgeons.
19. Gnepp, D.R., Chen, J., Warren, C. Polymorphous Low Grade Adenocarcinoma - an Immunohistochemical Study. American Academy of Oral Pathology, May 1988.
20. Gnepp, D.R., Wick, M. Small Cell Carcinoma of the Major Salivary Glands: An Immunohistochemical Study. Initial results presented at the American Academy of Oral Pathology Meeting, April 1989, final results at the International Academy of Pathology, March 1990.
21. Gnepp, D.R. Selected Topics in Salivary Gland Pathology. A three hour tutorial for the Illinois Pathology Society Spring Meeting, Springfield, Illinois May 6, 1989.

22. Gnepp, D.R. Selected Topics in Salivary Gland Pathology. University of Michigan, Nov. 89.
23. Gnepp, D.R. "The Use of the Frozen Section in the Head & Neck" Dept. of Otolaryngology Grand Rounds, Barnes Hospital, (Washington University), St. Louis, Mo., Jan. 31, 1990.
24. Gnepp, D.R. Polymorphous Low Grade Adenocarcinoma. Member of Panel Discussion and Symposium on Salivary Gland Tumors, Histological Typing of Salivary Gland Adenomas and Carcinomas, at the International Academy of Oral Pathology, Tokyo, Japan, July 2-5, 1990.
25. Gnepp, D.R. Basal Cell Adenocarcinoma. Satellite Meeting of International Academy of Oral Pathology on Salivary Gland Pathology, Hiroshima, Japan, July 7, 1990.
26. Gnepp, D.R. Clear Cell Tumors of the Salivary Glands. Asahi University School of Dentistry, Gifu, Japan, July 9, 1990.
27. Gnepp, D.R. Polymorphous Low Grade Adenocarcinoma, the Spectrum of Clear Cell Neoplasia; a two hour unknown slide seminar. The University of Calgary Pathology Resident's Day, Calgary, Alberta, Canada, May 1991.
28. Gnepp, D.R. Epimyoeplithelial Carcinoma and it's Differential Diagnosis; Polymorphous Low Grade Adenocarcinoma; a one hour unknown slide conference. Northwestern University, Chicago, Illinois, October 1991.
29. Gnepp, D.R. Unknown Slide Seminar, Head and Neck Pathology. St. John's Mercy Medical Center, St. Louis, MO 1992.
30. Gnepp, D.R. Unknown Slide Seminar on Head and Neck Pathology, New England Pathology Residents Society, Providence, RI, February, 1993.
31. Gnepp D.R. Unknown Slide Seminar on General Surgical Pathology, St. Louis University, November, 1993.
32. Gnepp, D.R. Unknown Slide Seminar on Salivary Gland Pathology, The New York Pathological Society, New York, NY, November 18, 1993.
33. Gnepp D.R. Benign Lesions of Salivary Gland Origin and an Unknown Slide Seminar on Salivary Gland Pathology, Greater Detroit Pathology Society Seminar, Detroit, Michigan, January 18, 1994.
34. Gnepp DR. Unknown Slide Seminar, General Surgical Pathology and Salivary Gland Pathology. St. John's Mercy Medical Center, St. Louis, Missouri, February 1994.
35. Gnepp DR, Duwaji M, El-Mofti S: Unusual Metaplastic Salivary Gland Neoplasms. Presented at the International Association of Oral Pathologists, 7th meeting, York, England, July 1994.

36. Bouquot JE, Gnepp DR: Intraosseous Salivary Tissue: examples of embryonic rests and inflammatory entrapment. Presented at the International Association of Oral Pathologists, 7th meetings, York, England, July 1994.
37. Gnepp, DR: Unknown slide seminar. Salivary Gland Pathology. St. John's Mercy Medical Center, St. Louis, Missouri, 1995.
38. Gnepp, DR: Salivary Gland and Nasal Pathology. New England Pathology Residents Society, Boston, MA, April 1996.
39. Gnepp, DR: Expert Commentator at a course given by H. Nikai entitled: "Diagnostic Pathology of Malignant Salivary Gland Tumors". The VIII International Congress of the Association of Oral Pathologists, Toronto, Canada, July 1996.
40. Gnepp, DR: Head and Neck Unknown Slide Seminar for Twin Cities Society of Pathology, Minneapolis, Minnesota, Sept 17, 1996.
41. Gnepp, DR: Lecture entitled: "Problematic Diagnoses in Salivary Gland Pathology" at the University of Minnesota Dept of Pathology, Minneapolis, Minnesota, Sept 18, 1996.
42. Gnepp, DR: Selected topics in Salivary Gland Pathology at 16th Annual Current Issues in Surgical Pathology Course, May 8-10, 1997, Dallas, Texas.
43. Gnepp, DR: Pathology Grand Rounds and 3 hours of head and neck case presentations in the Pathology Dept. at the University of Iowa, Iowa City, August 27, 28, 1997.
44. Gnepp, DR: Pathology of the Salivary Gland and Upper Respiratory Tract, a 2 day course sponsored by the Dept. of Pathology, University of Sassari, in Alghero, Sardinia, Italy, September 17-19, 1997.
45. Gnepp, DR: Case presentation: Epithelial myoepithelial carcinoma at the New England Society of Pathologists Meeting in Boston, MA on January 15, 1998.
46. Gnepp, DR: Recommendations for the Reporting of Larynx Specimens Containing Laryngeal Neoplasms, at the first meeting of the North American Society of Head and Neck Pathology, in Boston, March 1998.
47. Gnepp, DR: Unusual Squamous Lesions of the Upper Respiratory Tract, and a half day Slide Seminar entitled: Selective Lesions of the Sinonasal Tract and Salivary Gland Pathology, at the Oregon Society of Pathologists Meeting in Portland, OR, April 17, 18, 1998.
48. Gnepp DR: Slide Seminar: Salivary Gland Pathology, at the University of Texas - Parkland Hospital, Dallas, TX, May 4, 1998.
49. Gnepp DR: 7th Annual Iowa Anatomic Pathology Seminar, 3 hours, selected topics in Salivary Gland and Head and Neck Pathology, September 18, 1998.

50. Gnepp DR: Informal Slide Seminar with residents and staff. Also Pathology Grand Rounds on the Classification of Salivary Gland Tumors, at Beth Israel Deaconess Medical Center, Boston, MA, November 30, 1998.
51. Gnepp DR: Neoplasms of the Salivary Glands (4 hours); Slide Seminar - Selected Lesions of the Salivary Glands; The Evolution of the Classification of Neoplasms of the Salivary Gland, 1954-1999. III Reunion de la Academia Iberoamericana de Patologia y Medicina Bucal, September 5-8, 1999, Lima, Peru.
52. Gnepp DR: Slide Seminar: Unusual and rare tumors of the salivary gland (4 hours). International Association of Oral Pathology, Biannual meeting. La Antigua, Guatemala, September 17-21, 2000.
53. Gnepp, DR: Half a day workshop entitled "Diagnostic Problems in Salivary Gland Pathology" at the American Society of Clinical Pathologists Weekend of Pathology, February 22-25, 2001, Las Vegas, Nevada.
54. Case presentation in slide seminar entitled "Unusual Head and Neck Lesions" at the 24th International Congress of the International Academy of Pathology, October 5 – 10, 2002, Amsterdam, the Netherlands.
55. Co-Chaired session on Salivary Gland Pathology; lectured on Tumor-like lesions of the salivary gland and on metaplastic change in benign and malignant salivary gland neoplasms at pre-meeting on head and neck pathology at the XIXth European Congress of Pathology, Ljubljana, Slovenia – September 4 – 6, 2003.
56. Selected topics in salivary gland and sinonasal pathology; unusual squamous carcinomas of the head and neck. Conference on Oral Pathology – Universidad Nacional Autonoma de Mexico, October 23 – 25, 2003. Mexico City, Mexico.
57. Grand Rounds – Department of Pathology, Yale University School of Medicine, "Diagnostic problems caused by prominent metaplastic change in benign and malignant salivary gland tumors"; also slide seminar for Pathology residents on salivary gland tumors, January 22, 2004.
58. Gnepp DR: Half a day course entitled "Salivary Gland Pathology: A Potpourri of Selected, Challenging and Unusual Lesions". American Association of Oral and Maxillofacial Pathology Meeting, May 9, 2004, April 17, 2005 and April 23, 2006.
59. Gnepp DR, hour lecture: Unusual Variants of Squamous Cell Carcinoma of the Head and Neck. For Combined Boston University Medical Center and Tufts- New England Medical Center ENT faculty and residents, Boston, MA, June 2, 2004.
60. Gnepp DR: Recent Developments in Salivary Gland Pathology including the new WHO salivary gland tumor classification; Unusual Variants of Head & Neck Squamous Carcinoma; Sixth Annual University of Louisville Anatomic Pathology Symposium, May 20-21, 2005.

61. May 23, 2005; Slide seminar: Selected Tumors of the Salivary Gland & Nasal Region at University of Cincinnati, Cincinnati, Ohio.
62. March 30, 2006; Head and Neck interesting slide conference (1 hour) and a Lecture entitled: "What's new in salivary gland pathology: The new WHO tumor classification, sclerosing polycystic adenosis and low-grade salivary duct carcinoma." at Memorial Sloan-Kettering Cancer Center, NY.
63. April 24, 2006; Interesting lesions of the head and neck, a 1 hour slide seminar at University of Texas Health Sciences Center at San Antonio.
64. April 17, 2009; Selected Lesions of the Head, Neck and Salivary Gland, 2009 Region I Histology Conference, National Society of Histotechnology, Newport, RI.
65. April 19, 2010; Grand rounds New York University Medical Center; Unusual Variants of Squamous Cell Carcinoma of the Head and Neck. New York, NY; Also a slide seminar on selected recent Head and Neck Pathology cases.
66. Gnepp DR: "Problematic Salivary Gland Lesions" Division of Pathology & Laboratory Medicine Grand Rounds at Texas Medical Center, Houston, Texas, April 15, 2011
67. Gnepp DR: "Recent Advances in Salivary Gland Pathology, part of Current Advances in Pathology and Management of Head & Neck Neoplasia" at the 51st Annual Spring Symposium of the Houston Society of Clinical Pathologists, April 16, 2011
68. Gnepp DR: "Newer entities and unusual variations of salivary gland tumour pathology" at the 23rd European Congress of Pathology, Helsinki, Finland. August 28, 2011
69. Gnepp DR: "Selected Pathology of Benign and Malignant Lesions of the Salivary Gland" and "Unusual Variants of Squamous CA" at Tufts Medical Center conference of "Current Concepts in Otolaryngology, Head and Neck Pathology, October 8, 9, 2011
70. Gnepp DR: "Recent Developments in the Pathology of Salivary Gland Tumors" and "Unusual Variants of Squamous Cell Carcinoma of the Head and Neck: Pathologic Characteristics and Clinical Significance" at the annual Wayne State University Pathology Course, Detroit, Michigan, October 29, 2011.
71. Gnepp DR: "Recent Development in Head and Neck Squamous Carcinoma" and "Salivary gland slides seminar" at Oregon Pathologists Association, Sherwood, Oregon, November 18, 19, 2011
72. Gnepp DR: "Recent Developments in Salivary Gland Pathology at Rhode Island Society of Pathologists, Providence, RI November 29, 2011
73. Gnepp DR: "My Journey into the World of Salivary Gland Sebaceous Neoplasms" at the North American Society of Head and Neck Pathology Seminar at the USCAP meeting, March 18, 2012.

GRANTS and CONTRACTS

- 1) Department of Health & Human Services, Public Health Service, Center for Disease Control, Contract No. 200-85-0810: Selected Cancers Study, Histologic Review of Nasal and Nasopharyngeal Carcinomas in Vietnam Veterans Exposed to Agent Orange, January 1984 through March 1990, \$75,375.
- 2) National Organization for Rare Disorders, Inc., Dr. Cynthia L. Jackson and Dr. Douglas R. Gnepp: Identification of a Gene Located at Chromosome 9p13 Important in Adenoid Cystic Carcinoma, April 2001 through September 2003, \$80,000.
- 3) National Institute of Dental and Craniofacial Research: Salivary Gland Tumor Biorepository, Contributing site, Douglas Gnepp, \$30,000/year, 2009 - 2012

UNIVERSITY TEACHING ROLES:

- 1) Applied Pathology Elective at Rhode Island Hospital, Course Leader, 1991 to 5/2003
- 2) Lecturer on Salivary Gland Neoplasms in Pathology Course, Alpert Medical School, Brown University, 2001.
- 3) Lecturer on common salivary tumors and oral pathology with an introduction to unusual squamous carcinomas of the head and neck, Pathology Course at Brown University, 2010.
