

**CURRICULUM VITAE  
RICHARD D. RENDE**

Mailing Address Transdisciplinary Research Group  
Butler Hospital  
345 Blackstone Blvd.  
Providence, RI 02906  
Business Telephone Number (401) 474-8851  
Business Fax Number (401) 455-6618  
Electronic Mail Address Richard\_Rende@Brown.edu

EDUCATION

Undergraduate Yale University, Psychology, B.A. 1983,  
Cum Laude, Distinction in Major  
Other Advanced Degrees Wesleyan University, 1986-88, M.A. (Psychology) 1988  
The Pennsylvania State University, 1988-91, Ph.D.  
(Human Development and Family Studies) 1991

POSTGRADUATE TRAINING

Fellowship College of Physicians and Surgeons of Columbia University  
(New York, New York), Post-doctorate training (Clinical and  
Genetic Epidemiology), 1992-95

POSTGRADUATE HONORS AND AWARDS

Aaron Diamond Postdoctoral Fellowship in the Biomedical and Social Sciences, 1992-95  
Young Investigator Award, National Alliance for Research on Schizophrenia and Affective  
Disorders, 1992-95  
Young Investigator Travel Award, World Congress on Psychiatric Genetics, 1993  
Charles and Joanna Busch Faculty Award, Rutgers, The State University of New Jersey,  
1997-99  
Mentored Research Scientist Development Award, National Institute of Mental Health,  
1999-2004

## ACADEMIC APPOINTMENTS

Associate Professor of Psychiatry and Human Behavior, Brown Medical School, 2000-present  
Assistant Professor of Psychology (Tenure-Track), Rutgers, The State University of New Jersey, 1995-2000  
Adjunct Assistant Professor of Psychiatry and Pediatrics, Robert Wood Johnson Medical School and University of Medicine and Dentistry of New Jersey, 1996-2000  
Visiting Assistant Professor of Psychology, Center of Alcohol Studies, Rutgers, The State University of New Jersey, 1996-2000  
Visiting Lecturer in Psychiatry, College of Physicians and Surgeons of Columbia University, 1996-present  
Assistant Professor of Clinical Psychology in Psychiatry, College of Physicians and Surgeons of Columbia University, 1992-95

## HOSPITAL APPOINTMENTS

Staff Psychologist, The Miriam Hospital, 2000-present

## OTHER APPOINTMENTS

Editorial Board, *Development and Psychopathology*, 1999-present  
Editorial Board, *Journal of Abnormal Child Psychology*, 1999-2001  
Editorial Board, *Journal of Emotional and Behavioral Disorders*, 1996-1999  
Advisory Board, *Journal of Child Psychology and Psychiatry*, 1996-present

## HOSPITAL COMMITTEES

N/A

## UNIVERSITY COMMITTEES

Graduate Admissions Committee (Psychology), Rutgers, The State University of New Jersey, 1998-2000  
Honors Committee (Psychology), Rutgers, The State University of New Jersey, 1997-2000  
Curriculum Committee (Psychology), Rutgers, The State University of New Jersey, 1997-2000

## PUBLICATIONS

### Peer-reviewed articles

1. Rende, R., Slomkowski, C., Richardson, E., Stroud, L., & Niaura, R. (2006). Genetic and environmental influences on lower and higher levels of depressive symptoms in adolescence. *Journal of Clinical Child and Adolescent Psychology*, 35, 237-243.

2. Rende, R., Slomkowski, C., Richardson, E., & Niaura, R. (2005). Sibling effects on substance use in adolescence: Social contagion and genetic relatedness. Journal of Family Psychology, 19, 611-618.
3. Rende, R., Slomkowski, C., McCaffery, J., Richardson, E., & Niaura, R. (2005). A twin-sibling study of smoking in adolescence: Etiology of individual differences and extreme scores. Nicotine and Tobacco Research, 7, 413-419.

45. Rende, R. (1995). The limits of genetic influence: A new horizon for behavior genetics (commentary on The Limits of Family Influence, by David Rowe). Psychological Inquiry, 6, 157-160.

#### INVITED PRESENTATIONS

1. Department of Child and Adolescent Psychiatry, Columbia University College of Physicians and Surgeons (New York, NY), 3/17/94, Regional
2. Institute for the Study of Child Development (New Brunswick, NJ), 5/10/96, Regional

3. Department of Psychology, University of Montreal (Montreal, CA), 1/18/97, Regional
4. Oregon Social Learning Center (Eugene, OR), 5/4/98, Regional
5. Psychiatric Epidemiology Training Program, Department of Public Health,  
Columbia University College of Physicians and Surgeons (New York, NY), 12/8/98,  
Regional
6. University of Montreal, Department of Psychology (Montreal, CA), 6/10/00, Regional
7. Brown University, Symposium on Genetic Influences on Behavioral Development,  
(Providence, RI), 4/6/01, National
8. Harvard School of Public Health (Boston, MA), 4/10/03, Regional
9. University of California at Irvine (Irvine, CA), 5/6/03, National
10. Department of Family Medicine, Memorial Hospital (Providence, RI), 6/10/03, Regional
11. Department of Pediatrics, Memorial Hospital (Providence, RI), 4/18/04, Regional
12. Center for Alcohol and Addiction Studies, Brown University (Providence, RI), 10/20/04,  
Regional
13. Department of Psychology, University of South Florida (Tampa, FL), 04/23/05, Regional
14. Cancer Prevention Research Center, University of Rhode Island (Kingstown, RI),  
02/20/06, Regional
15. Institute for Health Prevention, University of Southern California (Los Angeles, CA),  
03/17/06, Regional

## GRANTS

1. Offspring of Opiate Addicts: A Quasi-Adoption Study (Aaron Diamond Foundation),  
1992-1995, Principal Investigator
2. Sibling Resemblance for Psychopathology: From Childhood to Adulthood  
(National Alliance for Research on Schizophrenia and Affective Disorders),  
1992-95, Principal Investigator
3. Vulnerability to Depression: Genetic Epidemiology, MH01559-01 (National Institute  
of Mental Health), 1999-2005, Principal Investigator

4. A Micro Process Study: Siblings and Antisocial Behavior, R01 MH58273 (National Institute of Mental Health), 2000-2005, Co-Principal Investigator
5. Sibling Influences on Smoking in Everyday Settings, R01 DA16795 (National Institute on Drug Abuse), 2003-2008, Principal Investigator
6. Siblings and Deviancy: Social and Genetic Influences, R01 MH 001818 (National Institute of Mental Health), 2005-2009, Co-Principal Investigator
7. Social Contexts and Patterns of Young Adult Smoking, 5 P50 CA084719 (National Cancer Institute), 2004-2009, Principal Investigator (Program Project 3).

#### UNIVERSITY TEACHING ROLES

- 1999, Proseminar in Clinical Psychology (Rutgers), 8 Students (graduate)
- 1999, Research Design and Analysis II (Rutgers), 15 Students (graduate)
- 1998, Principles of Abnormal Psychology (Rutgers), 220 Students (undergraduate)
- 1998, Seminar in Behavior Genetics (Rutgers), 5 Students (graduate)
- 1998, Principles of Abnormal Psychology-Honors (Rutgers), 8 Students (undergraduate)
- 1997, Principles of Abnormal Psychology (Rutgers), 170 Students (undergraduate)
- 1997, Seminar in Clinical Psychology (Rutgers), 20 Students (undergraduate)
- 1996, Principles of Abnormal Psychology (Rutgers), 270 Students (undergraduate)
- 1996, Research Design and Analysis II (Rutgers), 17 Students (graduate)
- 1995, Seminar in Clinical Psychology (Rutgers), 20 Students (undergraduate)
- 1993, Genetic Epidemiology in Child Psychiatry (Columbia), 8 Students (post-doctoral/graduate)
