

CURRICULUM VITAE

JOAN M. TENO, M.D., M.S.

BUSINESS ADDRESS: Brown Medical School **BUSINESS TELEPHONE:** 401.863.1606
 121 South Main Street, Box G-S612
 Providence, RI 02912 **E-MAIL ADDRESS:** Joan_Teno@brown.edu

BUSINESS FAX: 401.863.1742

EDUCATION:

Undergraduate: Wilkes College, Wilkes-Barre, PA
 Attended between 1976–78
 Major: Biology
 Degree: B.S., 1982
 Honors: Summa Cum Laude

Medical School: Hahnemann Medical University, Philadelphia, PA
 Attended between 1978–1982
 Degree: M.D., 1982
 Honors: Letter of Commendation in Cardiology

Other Advanced Degrees: Brown University, Department of Community Health, Providence, RI
 Concentration: Community Health with a specialty in Gerontology and Chronic Disease Epidemiology
 Degree: M.S., May 1990

POST-GRADUATE TRAINING:

Internal Medicine Residency; Rhode Island Hospital, Providence, RI, 1982 to 1985.

Fellowship in Geriatric Medicine and Health Services Research in Gerontology,
 Center for Gerontology and Health Care Research, Brown University, Providence, RI, 1987 to 1990.

POSTGRADUATE HONORS AND AWARDS:

2008 AANP State Award for Excellence for Advocate during the AANP Annual Membership Meeting on June 28, 2008 at the Gaylord National Resort and Convention Center on the Potomac, located right outside the Washington, DC area.

American Geriatrics Society Best Paper Award in Geriatrics: Ethics and Quality of Life: Teno JM, Mor V, Intrator O, Rhodes R. Health Care Transitions and Incident Feeding Tube Insertion Among Persons with Advanced Cognitive Impairment: Lost in Transition. 2007 American Geriatrics Society Annual Scientific Meeting. Seattle, WA, May 5, 2007.

American Geriatrics Society Best Paper in Health Services Research: Mitchell SL, Teno JM, Intrator O, Feng Z, Mor V. Hospitalization Decisions for Nursing Home Residents with Advanced Dementia: A Nationwide Study. 2006 American Geriatrics Society Annual Scientific Meeting. Chicago, IL, May 5, 2006.

Advanced Directives in the Care of the Dying. Jane Poulson Memorial Lecture, Palliative Care McGill Rounds at McGill University Health Centre, Montreal General Hospital, Montreal, Canada, April 19, 2006.

American Geriatrics Society Best Paper Award for Geriatrics: Ethics and Quality of Life in May 2005 at the Annual American Geriatrics Society Meeting in Orlando, FL.

2005 American Academy of Hospice and Palliative Medicine (AAHPM) Award for Excellence in Scientific Research on 1/20/2005 at the Annual Assembly of AAHPM and HPNA in New Orleans, LA.

Meritorious Award from the Rhode Island Public Health Association Seventh Annual Meeting on 5/11/2004 for recognition of significant contributions to the advancement of public health in Rhode Island at the federal, state, or local level.

Award from the Rhode Island Cancer Pain Initiative and American Cancer Society on 10/29/2002 for recognition of contribution to quality pain management in Rhode Island.

Freddie Award from MediMedia USA for the entry "More Than A Failing Heart" in the category of Patient Care in the 2002 International Health & Medical Media Awards announced on 9/18/2002. Awarded 11/8/2002.

Merit Award from the American Society of Clinical Oncology and Pain Merit Award for the abstract "Cancer Patients in US Nursing Homes: Quality of End of Life Care" Johnson V, Teno JM, Mor V presented at the Opening Ceremony of the ASCO 2002 Annual Meeting on May 18-21, 2002.

Award of the 1998 Annual Session of the American College of Physicians for one of *The Year's Most Important Papers in Internal Medicine Subspecialties*: "Perceptions by Family Members of the Dying Experience of Older and Seriously Ill Patients." Lynn J, Teno JM, Phillips RS, Wu AW, Desbiens N, Harrold J, Claessens MT, Wenger N, Kreling B, Connors, AF. *Annals of Internal Medicine*, 1997:126-97-106.

National Media Owl Award: Dr. Teno was associated with video produced by Patricia Barey and Therese Burson entitled "Advance Directives: Assisting Patients with End-of-Life Decisions."

New Investigator Award, 1995 American Geriatrics Society Annual Meeting, Washington, D.C., May 1995.

Best Poster Award, 1995 American Geriatrics Society Annual Meeting, Washington, D.C., May 1995.

PROFESSIONAL LICENSES AND BOARD CERTIFICATION:

State of Rhode Island	No. 6538, 1983
State of New Hampshire	No. 8808, 1992
District of Columbia	No. 18542, 1990

National Board of Medical Examiners	1983
American Board of Internal Medicine	1985
Diplomat in Geriatric Medicine	1992, 2002
American Board of Hospice and Palliative Medicine	2003

ACADEMIC APPOINTMENTS:

Professor of Community Health and Medicine in Research Scholar Track, Brown University, Providence RI, July 1, 2002 to Present.

Associate Director, Center for Gerontology and Health Care Research, Brown University, Providence, RI, 1999 to Present.

Adjunct Associate Professor of Medicine and of Community and Family Medicine, Dartmouth Medical School, Hanover, NH, 2000 to 2003.

Associate Professor of Community Health and Medicine in Research Scholar Track, Brown University, Providence RI, September 1999 to June 2002.

Associate Professor of Community Health, Brown University, Providence, RI, 1997 to 1999.

Associate Professor of Health Care Science and Medicine, The George Washington University, Washington, DC, 1995 to 1997.

Assistant Professor of Medicine and of Community and Family Medicine, Dartmouth Medical School, Hanover, NH, 1992 to 1995.

Assistant Professor of Health Care Sciences and Medicine, The George Washington University, Washington, DC, 1990 to 1992.

Assistant Instructor in Medicine, Brown University Program in Medicine, Providence, RI, 1988 to 1990.

Clinical Instructor in Medicine, Brown University Program in Medicine, Providence, RI, 1985 to 1988.

HOSPITAL APPOINTMENTS:

Ethics Committee, Miriam Hospital, 2003.

Physician with admitting privileges, Miriam Hospital, Providence, RI, September 24, 2002 to present

Physician with admitting privileges, Rhode Island Hospital, Providence, RI, 1997 to present

Physician with admitting privileges, George Washington University Medical Center, Washington, DC, 1995 to 1997.

Visiting Physician with admitting privileges, White River Veterans Hospital, White River Junction, VT, 1993 to 1995.

Physician with admitting privileges, George Washington University Medical Center, Washington, DC, 1990 to 1992.

Assistant Physician, Division of General Internal Medicine, Rhode Island Hospital, Providence, RI, 1985 to 1987.

OTHER APPOINTMENTS:

Current:

Associate Editor for Journal of Pain and Symptom Management (JPSM), 2009 to 2012.

Committee on Medical Faculty Appointments at The Warren Albert Medical School of Brown University, 2007 to 2010.

Associate Medical Director, Home and Hospice Care of Rhode Island, 1997 to Present.

Technical Expert Panel (TEP) for DEcIDE network project requested by AHRQ and NCI, titled "Developing and Testing a Framework for Cancer Quality Measures for End of Life Care," 2007-2008

National Institute of Health, Health Services Organization and Delivery (HSOD) study section, 2009.

American Cancer Society Palliative Care Research Committee, 2008-2012

Rhode Island Hospital and Miriam Hospital Oncology Council Subgroup, 2007 to Present.

National PACE Association's DataPACE 2 Steering Committee, 2006-2007

Research Planning Committee and Scientific Review Committee (SRC) for the National Palliative Care Research and Training Center (NPCRC), 2006 to Present.

Aetna Compassionate Care Advisory Committee, 2004 to Present

Mayday Media and Policy Fellows Advisory Committee, 2004 to Present.

Task Force for Home and Hospice Care of RI on Palliative Care Consult Service for Nursing Homes, 2003 to Present.

RI Attorney General End-of-Life Task Force. 2001 to Present.

Editorial Advisory Board, Journal of Pain and Symptom Management, 2001 to Present.

Editorial Board, Journal of Palliative Medicine, 2000 to Present.

Completed:

Medical Director, PACE Organization of Rhode Island, 2005 to 2007

Board Member, American Pain Foundation, Inc., 2006 to 2007

National Institute of Aging (NIA) review panel for the Beeson Career Development Award applications jointly funded by NIA, the John A. Hartford Foundation, Atlantic Philanthropies, and the Starr Foundation, 2007

Technical Advisory Committee for the International Palliative Care Initiative of the Open Society Institute Network Public Health Program, 2005.

Member of the “Reducing Barriers to Symptom Management and Palliative Care” Review Committee, February 2005.

National Consensus Project Advisory Committee for Quality Palliative Care, 2005.

National Quality Forum Symptom Management/End-of-Life Care Technical Panel (Sx-EOLTP), 2004-2005.

Technical Expert Panel (TEP) for the Southern California Evidence-Based Practice Center (SCEPC), 2004.

National Palliative Care Steering Expert Committee for National Coalition for Cancer Survivorship (NCCS), 2004.

Steering Committee, American Academy of Hospice and Palliative Medicine (AAHPM), 2003.

Scientific Advisory Committee for the QUESTT Project. 2002 to 2004.

Member of Measurement Committee, Department of Health Effort to Implement Quality Indicators, 1999 to 2001.

Commissioner, American Bar Association Legal Problems of the Elderly, 1999 to 2003.

Co-leader for the National Hospice and Palliative Care Organization’s Data Force, 1999.

Missoula Demonstration Project (MDP) National Advisory Committee on *The Quality of Life’s End*, January 1999.

National Advisor for National Hospice Organization CQI project to improve care for dying persons, 1999 to 2002.

National Advisor to National Hospice Organization’s Robert Wood Johnson Foundation Grant to Implement Process Improvement in Hospice, 1998 to 1999.

Vista Hospice Care Foundation National Advisory Board, 1998 to 1999.

Advisory Panel for The Alliance for Aging Research, contributor to the publication: "One Final Gift: Humanizing the End of Life for Women in America", April 1998.

Agency for Healthcare Research and Quality, Health Systems Research study section, 1998 to 2002.

Grant Peer Review for Agency for Health Policy Research, 1997 to 2002.

Advisor to the United Health Care Palliative Care Research Effort, July 1996 to 1998.

Fellow, Kennedy Institute of Biomedical Ethics, September 1995 to 1998.

National Advisory Committee for the Spiritual Beliefs and the Dying Process Survey conducted by the George H. Gallup International Institute, January 1997 to December 1997.

Measurement of Health Status and Quality of Life Among Older Persons in a Changing Health Care Market, Institute of Medicine Committee, April 1996 to January 1997.

Grant Peer Review for Retirement Research, 1995 to 1996.

Associate Director of the Center to Improve the Care of Dying, George Washington University, a multidisciplinary research center devoted to advocacy, education, and research about the dying and disabled persons, July 1995 to July 1997.

Faculty Associate in Center for the Evaluative Clinical Sciences, Dartmouth Medical School, July 1992 to June 1995.

Fellow, Center for Health Policy Research, George Washington University, 1991 to 1992.

Director, Outpatient Geriatric Assessment Clinic, George Washington University, 1990 to 1992. In this position, I developed an interdisciplinary team to comprehensively assess frail elderly patients and their families.

Peer Reviewer for the following medical journals:

Annals of Internal Medicine
Gerontologist
Health Services Research
Journal of the American Geriatrics Society
Journal of the American Medical Association
Journal of Clinical Ethics
Journal of Family Practice

Journal of Health Politics, Policy and Law
Journal of General Internal Medicine
Journal of Gerontology
Journal of Pain and Symptom Management
Journal of Palliative Medicine
New England Journal of Medicine

HOSPITAL COMMITTEES:

HIV Task Force, George Washington University Primary Care Center, September 1996 to June 1997.

Quality Assurance Transfusion Committee, Rhode Island Hospital, 1986 to 1987.

UNIVERSITY COMMITTEES:

Search Committee for Health Services Research in Department of Community Health at Brown University, 2006 to Present.

T32 Steering Committee, AHRQ Postdoc in Health Service Research, 2003 to Present.

Search Committee for position of Emergency Medicine Physician-in-Chief/Chair of Emergency Medicine, 2005.

Conflicts of Interest Advisory Committee, Community Health representative, 2001 to present.

Community Health Clerkship Committee, Brown University, 1998 to 1999

Promotion Committee, Department of Health Care Sciences, George Washington University, July 1995 to June 1997.

Admission Committee, School of Public Health, George Washington University, January 1997 to June 1997.

MEMBERSHIP IN PROFESSIONAL SOCIETIES:

Research Committee, American Academy of Hospice and Palliative Medicine (AAHPM), 2003 to 2007

Research Committee, National Hospice and Palliative Care Organization (NHPCO), 2003 to Present.

Society of General Internal Medicine (SGIM) since 1985, involved in a task force for the education of primary care residents regarding geriatrics.

American Geriatrics Society (AGS) since 1987, member of the Subcommittee on Ethics and Policy, 1989 to 1991 and Chair of AGS Ethics Committee, 2001 to 2005.

Gerontological Society of America (GSA), since 1990.

American Academy of Hospice and Palliative Medicine, since 1997 – served on Meeting Planning Committee 2000.

PEER REVIEWED PUBLICATIONS:

** Articles included as an appendix.

1. Kuo S, Rhodes RL, Mitchell SL, Mor V, Teno JM. **Natural History of Feeding Tube Use in Nursing Home Residents with Advanced Dementia.** Under Review.
2. Farrell TW, Gozalo PL, Casarett D, Connor S, Spence C, Rhodes R, Teno JM. **It's Too Late: Examining the Role of Hospice and Market Factors in Late Hospice Referrals.** Under Review.
3. Nanda A, Bourbonniere M, Wetle T, Teno J. **Perception of Not Receiving Enough Home Care in the Last Year of Life: Association with Last Place of Care.** Under Review.
4. Shield RS, Wetle T, Teno J, Miller SC, Welch LC. **Vigilant in the Nursing Home: Family Advocacy at the End of Life.** Under Review.
5. Miller S, Teno JM. **Nursing Home as the Final Place of Care: The Urgent Need for Health Care Reform.** Under Review.
6. Huskamp HA, Keating NL, Malin JL, Zaslavsky AM, Weeks JC, Earle CC, Teno JM, Virnig BA, Kahn KL, He Y, Ayanian JZ. **Discussions with Physicians about Hospice among Patients with Metastatic Lung Cancer.** Under Review.
7. Teno JM, Mitchell SL, Skinner J, Kuo S, Fisher E, Intrator O, Mor V. **Churning: The Association between Health Care Transitions and Feeding Tube Insertion for Nursing Home Residents with Advanced Cognitive Impairment.** *Journal of Palliative Medicine.* In Press.

87. A Good Death: Navigating Your Way Through the Health Care System to Get It. Brown University, Staff Development Day, Providence, RI. June 8, 1999.

88. Putting Data Into Action. Outcomes Institute, Arlington, VA. May 15, 1999.
89. Putting Advance Care Planning Into Action. Hospice of the Upper Valley, Norwich VT. April 13, 1999.
90. Management of Severe Dyspnea in Dying Patients. National Congress on End of Life Care Institute of Health Care Improvement. St. Louis, MO. July 29, 1998.
91. Measuring Quality of Care at the End of Life. Faculty Scholars Retreat. Lake Tahoe, CA. July 17, 1998.
92. Conducting an Audit to Improve Care of the Dying and Their Loved Ones: The Toolkit of Instruments to Measure End of Life Care Project. Workshop presented at the 10th Annual Assembly of the American Academy of Hospice and Palliative Medicine. New Orleans, LA. June 25, 1998.
93. Improving the Quality of Care at the End of Life. Keynote speaker, Delta Upsilon Chapter-at-Large 1998 Mergener Lecture, University of Rhode Island, Kingston, RI. March 26, 1998.
94. What are the Unmet Needs in End of Life Care? Invited presentation to the American Cancer Society Board of Directors, June 10, 1997.
95. Measuring Quality of Care for Persons Diagnosed with Life Limiting Illness. Invited presentation to the Agency for Health Care Policy Research, June 9, 1997.
96. Spirituality and Medicine. Workshop presentation at the 20th Annual Meeting of the Society of General Internal Medicine, May 2, 1997.
97. Quality of Care: Role for Ethics Committees? Invited presentation Kaiser Permanente Southern California ethics committee retreat, April 30, 1997.
98. From the Classroom to Clinical Practice. Invited presentation for Spirituality and Medical Education Curricular, Development, April 25, 1997.
99. Putting Advance Care Planning Into Action. Invited presentation for the conference “When Cure is Not an Option”, April 11, 1997.
100. The Dying Experience in George Washington University Health Plan. Grand round for Department of Health Care Sciences, February 14, 1997.
101. Consumer Reports and Ratings of Medical Care: When Will We Get Satisfaction? Paper presented at the Annual Meeting of the Gerontological Society of America, Washington, D.C. November 1997.
102. Managed Care at the End of Life: Initial Insights and Suggestions for Reform. Paper presented at Ethics at the End of Life, Minneapolis, MN. October 1996.
103. Defining and Measuring Outcomes in Dementia—But What About the Family? Paper presented at the Alzheimer’s Association Conference “Defining and Measuring Outcomes in Alzheimer’s Research: Do We Agree?” Washington, D.C. September 1996.
104. Consumer Reports and Ratings of Medical Care: Will We Ever Get Satisfaction? Invited presentation to the Institute of Medicine Conference: Evaluating Health Outcomes for Elderly People in a Changing Health Care Marketplace, June 1996.
105. Changing the Culture of Dying in America. Invited presentation at Extreme Care Humane Options (ECHO): A project of Sacramento Healthcare Decisions, “Seeking Common Ground: Medical Treatment of the Margins of Life,” June 12, 1996.

106. The SUPPORT Study. Invited presentation at The Susquehanna Health System's Ethics Symposium, Williamsport, PA. May 31, 1996.
107. Managed Care at the End of Life. Invited presentation at the University of Maryland and American Society of Law and Medicine conference on Medicare, Medicaid, and Managed Care: A Forum on Corporate Responsibility, Law, Ethics, and Public Policy, April 20, 1996.
108. Time for a New Paradigm in Advance Directives. Invited presentation for the conference: Quinlan 20 Years Later, Princeton University, Princeton, NJ. April 13, 1996.
109. Putting Advance Care Planning Into Action. Washington Hospital Center Grand Rounds, March 26, 1996.
110. Commentary on AMA Board of Trustee Report on Quality of Care at the End of Life. American Medical Association, Chicago, IL. November 19, 1995.
111. Sustaining Life: Goals, Gate Keeping, and Resource Allocation. Invited keynote address for the American Society of Law, Medicine, and Ethics Annual Meeting, Pittsburgh, PA. October 8, 1994.
112. Ethical Dilemmas for the 90's. Invited presentation for the VA National Center for Clinical Ethics Conference, White River Junction, VT. September 13, 1994.
113. The Mumbo Jumbo of Modern Day Dying. First Annual George B. Davis Lecture, Edwardville, PA. May 1994.
114. Study to Understand Prognoses and Preferences for Outcomes and Risks of Treatment: Initial Findings and Description of Intervention. Institute of Medicine Workshop on Dying, Decision Making, and Appropriate Care, Washington, DC. December 2-3, 1993.
115. Choices and conversations: The PSDA's First Year. Pacific Center for Health Policy and Ethics, USC Law Center, Los Angeles, CA. January 8, 1993.
116. The Patient Self-Determination Act and the Older Individual. Grand rounds for the University of Pennsylvania, Philadelphia, PA. September 23, 1992.
117. Lesson from SUPPORT: Four Steps to Improving Quality of Care for Dying Patients and Their Families. Invited keynote address to the 25th Anniversary of Norris Cancer Center, November 19, 1992.
118. Advance Directive Research and Policy After the Patient Self-Determination Act. Symposium presentation for the 49th annual meeting of the American Geriatric Society, November 1992.
119. Impact of Patient Self-Determination Act: Evaluation of State Efforts to Write Law Descriptions. Plenary poster presentation at the annual meeting of the American Geriatric Society, Washington, D.C. November 1992.
120. Impact of the Patient Self-Determination Act: State Response to Write Description of State Law. Oral paper presented at the annual meeting of the Gerontological Society of America, Washington, D.C. November 1992.
121. Advance Directives Among Nursing Home Residents: Report of a National Survey. Oral paper presented at the annual meeting of the American Geriatric Society, Washington, D.C. November 1992.
122. "Do Not Resuscitate Orders" in Seriously Ill Patients: Expressed Preferences or Last Rites? Oral paper presented at the American Federation of Clinical Research Annual Meeting, Baltimore, Md. May 1992.
123. The Future of Advance Directives After the Patient Self-Determination Act. Nesbith Community Hospital, Forty-fort, PA. April 19, 1992.

124. The Impact of Age, Disease Severity, Preferences on "Do Not Resuscitate Orders". Oral paper presented at the Society of General Internal Medicine Annual Meeting, Washington, D.C. May 1992.
125. Medical Decision-Making After Cruzan. Provider Council for Community Services, Rockville, MD. September 1991.
126. Preferences for Life-Sustaining Care of Seriously Ill Functionally Impaired Patients. Oral paper presented at the Gerontological Society of America's Annual Meeting, San Francisco, CA. November 1991.
127. Impact of Advance Directives on Decision Making. Oral paper presented at the Gerontological Society of America's Annual Meeting, San Francisco, CA. November 1991.
128. How Do the Elderly Perceive the Risks and Benefits of Antihypertensive Medication? Poster presentation at the Society for Medical Decision-Making Annual Meeting, Rochester, NY. October 1991.
129. The Use of Standardized Measures of Functional Status and Well-Being Among Cognitively Impaired and Intact Elders: Results from the Medical Outcomes Study. Oral paper presented at the Gerontological Society of America's Annual Meeting, Boston, MA. November 1990.
130. Does a Computerized Balance Platform Validly and Reliably Measure Balance in a Manner Acceptable to Older Persons? Poster presented at American Geriatric Society Annual Meeting, Atlanta, GA. May 1990.
131. Gait Speed and Computerized Balance Measurements Among Subjects With and Without Fear of Falling. Poster presented at American Geriatric Society Annual Meeting, Atlanta, GA. May 1990.
132. Fear of Falling: Prevalence, Characteristics, and Social Participation. Oral paper presented at the Gerontological Society of America's Annual Meeting, Minneapolis, MN. November 1989.
133. Patients' Preferences for Active Treatment and Locus of Care. Poster presented at Fifth International Conference on AIDS, Montreal, Quebec, Canada. June 1989.
134. A Prospective Study of Risk Factors for Falls and Outcomes of Falls and Stumbles in Community-Dwelling Elderly. Poster presented at the American Geriatrics Society Annual Meeting, Boston, MA. May 1989.
135. The Use of Prior Directives Among Patients with AIDS. Abstract presented at the Annual Meeting of the Society of General Internal Medicine, Washington, D.C. April 1989.
136. So You Want to Teach Geriatrics: Defining Goals and Identifying Needed Resources. Workshop presented at Annual Meeting of the Society of General Internal Medicine, Washington, D.C. April 1989.

MEDIA PRESENTATIONS:

1. Not Your Classroom. Interview on Brown Student Radio on work on hospice care and pain medication, October 17, 2005.
2. Means to a Better End: A Report on Dying in America Today. Live radio interview on Wisconsin Public Radio's Hour-Long Call-In Show, November 21, 2002.
3. Means to a Better End: A Report on Dying in America Today. Last Acts News Conference Release from the Mayflower Hotel in Washington, DC, November 18, 2002.
4. Not Just a Failing Heart. Video produced by Patricia Barey and Therese Burson. This is a 20 minute video presentation is based on the research conducted by Dr. Teno's conceptual model of patient focused, family centered medical care. Dr. Teno served as the technical advisor to the video. 2001.

5. Persistent Pain in Nursing Homes. Live radio interview The Connection, a broadcast of National Public Radio affiliate WRNI, Providence, RI, April 25, 2001.
6. Hospice Care. Live radio interview Dame Cicely Saunders on One Union Station, a broadcast of National Public Radio affiliate WRNI, Providence, RI, April 19, 2001.
7. Towards a Tolerable Death. Live radio interview for WPRO, Providence, RI, September 21, 2000.
8. Forever Young: Advance Directives. Live television interview for the Today Show, NBC News, New York, NY, April 13, 1997
9. Research Findings Regarding Advance Directives. Radio interview on All Things Considered, National Public Radio, April 7, 1997.
10. Commentary on Final Exit. Live television interview on Fox Morning News, Washington, DC, May, 1990.

GRANTS AWARDED AND COMPLETED:

1. Hospices Organized to Promote Excellence (HOPE). American Cancer Society, \$60,000. Current. Principal Investigator.
2. Shaping Long Term Care in America. DHHS. \$1,286,694. Current. Investigator.
3. Causes and Consequences of Health Care Efficiency. Subcontract with Dartmouth, \$32,701. Current. Principal Investigator.
4. Development of the Patient Evaluation of Hospice and Palliative Care Measure. RRF/NHF, \$28,774. Current. Principal Investigator.
5. Cancer Assessments and Reports of End-of-Life Treatment. NIH/NCI, \$390,102. Current. Principal Investigator.
6. The CASCADE Study: End-of-Life in Advanced Dementia. Subcontract with HRCA, \$23,583. Current. Principal Investigator.
7. The ADEPT Study: Estimating Prognosis in Advanced Dementia. Subcontract with HRCA, \$75,832. Current. Investigator.
8. Feeding Tube Use Among Persons with Advanced Dementia. DHHS, \$408,909. Current. Principal Investigator.
9. Evaluation of the "Reducing Potentially Preventable Transfers at End of Life" Project. California Healthcare Foundation. \$130,000. Current. Principal Investigator.
10. Evaluation of Data Linkage Methodology to Improve Estimates of Elder Mistreatment. DHHS. \$118,581. Current. Investigator.
11. Transdisciplinary Cancer Control Research Training Grant. Subcontract with Miriam Hospital, \$26,826. Current. Investigator.
12. Multifaceted Interventions to Ameliorate Pain/Symptoms. DHHS/NIH, \$120,000. September 15, 2004 – May 31, 2009. Principal Investigator.
13. Improving Hospice Care for Dementia. Subcontract with HRCA to Alzheimer's Association, \$32,969. November 1, 2005 – October 31, 2007. Principal Investigator.

14. Intelligent and Practical Geriatric Prescribing Systems. DHHS/Carelink. July 2006 – January 2007. Principal Investigator.
15. Web Based Resources to Aide Nursing Homes in Improving Pain Management. Mayday, \$71,133. January 2005 – December 2006. Principal Investigator.
16. Academic Partner to Support National Commission for Quality Long Term Care. The National Quality Forum (NQF), \$129,186. February 2005 – February 2006. Co-Principal Investigator.
17. Best Practices for Nursing Home End-of-Life Care. Robert Wood Johnson Foundation, \$182,771. December 2003 – November 2005. Co-Principal Investigator.
18. Improving Nursing Home Culture: Two Pronged Pilot Special Study. Subcontract with Rhode Island Quality Partners, \$36,056. June 2004 – October 2005. Principal Investigator.
19. National Survey on Rationing of Medical Therapies in Intensive Care Units. Rhode Island Hospital, \$. July 2003 – June 2004. Principal Investigator.
20. Place of Care in and Site of Death: A Cross National Study Comparing USA to Japan. Sasakawa Health Science Foundation, \$20,000. April 2003 – February 2004. Principal Investigator.
21. Pain Expert Advice. Subcontract with Rhode Island Quality Partners, \$57,749. April 2003 – December 2004. Principal Investigator.
22. Proxy Expert Advice. NCI, \$38,942. September 2002 – June 2003. Principal Investigator.
23. World Wide Web Interface and Further Refinement for the Toolkit of Instruments. Robert Wood Johnson Foundation, \$328,597. April 2001 – March 2004. Principal Investigator.
24. Residential Assessment of Pain Management. Agency for Healthcare Research and Quality, \$727,800. September 2000 – August 2003. Principal Investigator.
25. National, State and Local Indicators of End-of-Life Care. Robert Wood Johnson Foundation, \$2,000,000. October 1999 – September 2004. Principal Investigator.
26. Auditing Pain Management Among Palliative and Pain Management Services. Mayday Fund, \$42,363. . January 2003 – June 30, 2003, Principal Investigator.
27. Improving Quality of Care of our Most Vulnerable Population: Community-State Partnerships to Improve End of Life Care. Robert Wood Johnson Foundation, \$380,000. February 2000 – January 2003. Principal Investigator.
28. Tracking Changes in EOL Care: Charting Our Way. Robert Wood Johnson Foundation, \$53,580. April 2002 – December 2002. Principal Investigator.
29. End of Life Issues in Nursing Homes. AARP, \$50,000. July 2002 – December 2002. Co-Principal Investigator.
30. Comparison of the U.K. versus U.S. Dying Experience. Commonwealth Fund, \$24,900. July 2000 – June 2002. Principal Investigator.
31. Measuring Quality of Care and Quality of Life for Dying Persons and Their Families. Robert Wood Johnson Foundation, \$200,000. February 2000 - January 2001. Principal Investigator

32. Creating a Toolkit of Instruments to Measure End of Life Care, Robert Wood Johnson Foundation, \$498,000. July 1998 – June 2000. Principal Investigator.
33. Nurses' Voice: Caring for the Seriously Ill. Robert Wood Johnson Foundation, \$180,000. (Co-principal Investigator).
34. Hospice in Nursing Homes An Empirical Examination of its Scope and Quality Outcomes. Retirement Research Foundation, \$350,000. January 1998 – June 2000. Co-investigator.
35. Development and Validation of Measures and indicators in Post-Acute and Long Term Care Settings (HCFA 500-95-0062) HCFA/Sub from Abt Associates. October 1998 – September 2003. Investigator.
36. Multimethod Research to Understand the Experience of Dying in Seriously Ill Adults, Project on Death in America, \$100,000. (Co-principal Investigator). April 1998 - July 1999.
37. Improving Quality of Care for Our Most Vulnerable Populations. Robert Wood Johnson Foundation, \$380,161. (Principal Investigator). January 1999 – June 1999.
38. Understanding Regional Variation in ICU Use: Perspectives from Medicare National Claims Data and the SUPPORT Narrative and Quantitative Database. Robert Wood Johnson Foundation, \$244,985. (Principal Investigator). September 1997 – August 2000.
39. Excellent Care at the End of Life: Fast-Tracking Audits, Standards, and Teamwork, Robert Wood Johnson Foundation, \$60,000. Ended March 1998. (Principal Investigator).
40. Resource Use in Seriously Ill Medicare Patients. Funded by the Agency for Health Care Policy and Research (AHCPR). AHCPR is part of the Public Health Services similar to the National Institute of Health, \$420,757. Ended 1998. (Principal Investigator).
41. Advance Care Planning for Improved Care at the End of Life in Managed Care. Funded by the Open Society Institute, Project on Death in America, \$118,732. Ended July 1997. (Principal Investigator).
42. Establishing a Consensus on a "Toolkit" for Measuring Quality of Care at the End of Life. Funded by Robert Wood Johnson Foundation, \$ 50,924. Ended July 1997. (Principal Investigator).
43. Establishing a Consensus on a "Toolkit" for Measuring Quality of Care at the End of Life. Funded by Nathan Cummings Foundation, \$ 55,893. Ended July 1997. (Principal Investigator).
44. Integrating Faith and Medicine Throughout Medical School Training: An Integrated Curriculum. Funded by John Templeton Foundation, \$10,000. Ended July 1997. (Co-principal Investigator).
45. Hospitalized Elderly Longitudinal Project. Funded by the Robert Wood Johnson Foundation, December, 1992– March, 1996, \$900,000 (Co-principal Investigator).
46. Study to Understand Prognoses and Preferences for Outcomes and Risks of Treatments, 1990–1996, \$28,000,000. (Investigator at the National Coordinating Center).
47. Advance Directives: Effectiveness of Mandatory Notice. Funded by Agency for Health Care Research and Policy (AHCPR), 1991–1994, \$325,000. AHCPR is part of the Public Health Services similar to the National Institute of Health, (Co-principal Investigator).

49. Advance Directives: Conference on Research Methods and Priorities. Funded by the Greenwall Foundation, \$37,000, 1993–1994. (Principal Investigator).
50. Advance Directives: Conference on Research Methods and Priorities. Funded by the Kornfeld Foundation, 1993–1994, \$25,000. (Principal Investigator).
51. A Project to Evaluate and Improve State Articulation of Law Regarding Medical Decision-Making under the Patient Self Determination Act. Funded by Retirement Research Foundation, 1991–1992, \$25,000. (Co-principal Investigator).
52. Empirical Testing of a Model for Medical Decision-Making. BRSG research proposal 1991–1992, \$10,000. (Principal Investigator).

UNIVERSITY TEACHING ROLES:

Undergraduate Education:

1. “Advance Care Planning”. Lecture to Brown University Undergraduates, March 14, 2007.
2. “Advanced Directives and End of Life Care.” Lecture to Brown Learning in Retirement Seminar on Aging, October 25, 2006.
3. “Bearing Witness to Cancer”. Lecture to Brown University Undergraduates, April 3, 2003, April 20, 2004, April 14, 2005, April 13, 2006, April 12, 2007.

Graduate Education:

1. “Legal Rights to Withdraw and Withhold Life Sustaining Treatment”. Lecture to the George Washington Law School, Spring, 1996.
4. “Public Policy and Advance Directives”. Lecture to the George Washington University Master of Public Health Program, Spring, 1996.
5. Survey Research Methods and Health Status Assessment. Course developed and co-taught with Dr. Floyd Fowler for Dartmouth Medical School Master of Science in the Evaluative Clinical Sciences, Winter term, 1995.

Medical School Education:

1. Community Health Clerkship on Hospice and Palliative Medicine, 2002 to present.
2. Public Health from Bedside to Public Policy. Course Leader, Spring 1998 and 1999.
3. Death and Dying. Course leader, Brown University Medical School, 1997 -1998
4. Integrating Faith and Medicine. With colleagues, I developed a four-year curriculum to integrate faith and palliative care medicine into the George Washington University Medical School, 1996 to 1997. This curriculum received a prize from the John Templeton Foundation.
5. Epidemiology and Medicine. Small group leader, Dartmouth Medical School, Spring term, 1995.
6. The Public Policy Debate Over Physician Assisted Suicide. Lecture to George Washington University Medical School, Spring, 1991.

Residency and Fellow Education:

1. Course leader for Evidence Base Medicine and the Use of Continuous Quality Improvement, 2001 to present.
2. Coordinator, Research and Hospice Month, Geriatric Fellows, 2001 to present.
3. Faculty Promotion at Brown: All You Need to Know. Faculty Development Workshop, Brown Medical School, April 2, 2003.
4. "Planning for a Career in Academic Medicine". Lecture to geriatrics fellows, Spring 1995 – present.
5. The George Washington University primary care residency program curriculum in geriatric medicine. Designed and coordinated curriculum, 1990 to 1992.
6. "Putting Advance Care Planning Into Action". Lecture for primary care residents, George Washington University, 1992.
7. Teaching Faculty, Primary Care Internal Medicine Residency Training Program, Rhode Island Hospital, 1987 to 1990. In this position, I prepared weekly lectures on a variety of topics in general internal medicine, geriatrics, and medical ethics.
8. Medical Ethics for Primary Care Residents. Faculty coordinator for this 3 year course, which provided residents with both the cognitive and behavior skills to address common ethical issues in medicine. This curriculum was recognized by the American Board of Internal Medicine as an exemplary curriculum in medical ethics. I developed core lectures, prepared the course syllabus, and co-taught medical ethics seminars. 1986 to 1990.

HOSPITAL, NURSING HOME, AND HOSPICE TEACHING ROLES:

1. Pulmonary Research Seminar presentation "Dementia as a Terminal Diagnosis" at Rhode Island Hospital, December 11, 2006.
2. Teno JM. Pain 101. Family Support Meeting at Steere House, Providence, RI, October 17, 2006.
3. 2006 Geriatrics Update, Medical Grand Rounds presentation "Dementia as a Terminal Diagnosis" at Rhode Island Hospital, July 18, 2006.
4. Cancer Grand Rounds presentation "The Role of the Nursing Home in Care of Cancer Patients" to the Division of Medical Oncology/Hematology at Rhode Island Hospital and Miriam Hospital, April 17, 2003.
5. Preceptor for medical students and residents at Steere House Nursing & Rehabilitation Center and Hospice Care of Rhode Island, 1998 to 2002.
6. Grand Rounds presentations to the Department of Health Care Sciences and Medicine 1995-1997 on Advance Care Planning, Quality of Care Measurement, and Pain Management.
7. Preceptor for geriatrics fellows on the inpatient service and outpatient geriatric assessment team, George Washington University, 1990 to 92 and 1995 to 1997.
8. Teaching general medical attending, White River Junction, VT, 1994.
9. Teaching general internal medicine attending, Rhode Island Hospital, 1985 to 1987.
