## **Curriculum Vitae**

**Phil Brown**

Department of Sociology  
Box 1916  
Brown University  
Providence RI 02912  
phil\_brown@brown.edu

### EDUCATION

B.A., June, 1970, Long Island University, History cum laude

M.A., June, 1971, New York University, U.S. Social History

Ph.D., May, 1979, Brandeis University, Sociology

### PROFESSIONAL APPOINTMENTS

1972-1977 Goddard College, Graduate Program - Project Faculty and Field Faculty in Social and Community Psychology

1974-1975 Boston University - Instructor in Psychology

1974-1979 Boston State College - Instructor in Sociology

1976-1979 University of Massachusetts/Boston - Lecturer in Sociology

1979-1980 Regis College, Weston, MA - Assistant Professor of Sociology

1980-1987 Brown University, Assistant Professor of Sociology

1987-1992 Brown University, Associate Professor of Sociology

1992-Present Brown University, Professor of Sociology and Environmental Studies

1984-1986 Research Fellow, Harvard Medical School, Department of Psychiatry

1986-2000 Lecturer in Sociology, Harvard Medical School, Department of Psychiatry

## PUBLISHED BOOKS AND MONOGRAPHS

The Transfer of Care: Psychiatric Deinstitutionalization and Its Aftermath, (1985, Routledge & Kegan Paul).

Mental Health Care and Social Policy, (1985, Routledge & Kegan Paul), editor.

Perspectives In Medical Sociology, (1989, fourth edition 2007 -Waveland Press) editor.

No Safe Place: Toxic Waste, Leukemia, and Community Action, (1990, University of California Press; revised edition 1997), Phil Brown and Edwin J. Mikkelsen.

Catskill Culture: A Mountain Rat's Memories of the Great Jewish Resort Area (1998, Temple University Press).

Illness and the Environment: A Reader in Contested Medicine (2000, New York University Press) edited by J. Stephen Kroll-Smith, Phil Brown, and Valerie Gunter.

In the Catskills: A Century Of The Jewish Experience In "The Mountains" (2002, Columbia University Press), editor.

Social Movements in Health (2005, Blackwell Publishers), co-edited with Stephen Zavestoski.

Toxic Exposures: Contested Illnesses and the Environmental Health Movement (2007, Columbia University Press)

Contested Illnesses: Citizens, Science and Health Social Movements Phil Brown, Rachel Morello-Frosch, Stephen Zavestoski, and the Contested Illnesses Research Group (2012, University of California Press)

## PUBLISHED ARTICLES

1. "Notes on Fanon" The Radical Therapist, Vol. 1, No. 2, June-July 1970. Reprinted in Radical Therapist Collective, ed., The Radical Therapist, (1972, Ballantine).
2. "Male Supremacy in Freud" The Radical Therapist, Vol. 2, No. 2, September 1971; Reprinted in Jim Smrtic, ed., Abnormal Psychology: A Perspectives Approach, (Wayne, NJ, Avery Publishing, 1979).
3. "Civilization and Its Dispossessed: Wilhelm Reich's Correlation of Sexual and Political Repression" The Radical Therapist, Vol. 2, No. 4, December 1971.
4. "Social Change at Harrowdale State Hospital" Rough Times, Vol. 2, No. 6, April 1972. Reprinted in Radical Therapist Collective, ed., Rough Times, (1973, Ballantine).

5. "Early Indian Trade in the Development of South Carolina: Politics, Economics, and Social Mobility in the Proprietary Period, 1670-1719" South Carolina Historical Magazine, Vol. 76, No. 3, July 1975.
6. "Political Psychology" Issues in Radical Therapy, No. 20, Fall 1977.
7. "Political-Economic and Professionalist Barriers to Community Control of Mental Health Services" Journal of Community Psychology, Vol. 6, No. 4, October 1978.
8. "The Transfer of Care: U.S. Mental Health Policy Since World War II" International Journal of Health Services, Vol. 9, No. 4, November 1979.
9. "Mental Health Policy Problems" pp. 415-428 in Richard Baron, Irving Rutman and Barbara Klaczynski, eds., The Community Imperative: Proceedings of a National Conference on Overcoming Care of the Mentally Ill, (1980, Philadelphia, Horizon House Institute for Research and Development).

74. "Social Movements in Health: Responses to and Shapers Of a Changed Medical World" In The New Political Sociology of Science: Institutions, Networks, and Power. Kelly Moore and Scott Frickel, eds. Madison, WI: University of Wisconsin Press. (Rachel Morello-Frosch, Steve Zavestoski, Phil Brown, Sabrina McCormick, Brian Mayer, and Rebecca Gasior). 2005.
75. "'A Lab of Our Own': Environmental Causation Of Breast Cancer and Challenges to the Dominant Epidemiological Paradigm" (Phil Brown, Sabrina McCormick, Brian Mayer, Stephen Zavestoski, Rachel Morello-Frosch, Rebecca Gasior, and Laura Senier), Science, Technology, and Human Values 2006, 31:499-536
76. "The Jewish Community in the Catskills." In Paul Buhle, ed., Jews in American Popular Culture. NY: Praeger Publishers. 2006.
77. "Research and Action for Environmental Health and Environmental Justice: A Report on the Brown University Contested Illnesses Research Group" (Laura Senier, Rebecca Gasior Altman, Rachel Morello-Frosch, and Phil Brown) Collective Behavior and Social Movements Newsletter (American Sociological Association) 2006
78. "Is It Safe? New Ethics for Reporting Personal Exposures to Environmental Chemicals" (Julia Green Brody, Rachel Morello-Frosch, Phil Brown, Ruthann A. Rudel, Rebecca Gasior Altman, Margaret Frye, Cheryl C. Osimo, Carla Perez, and Liesel M. Seryak). American Journal of Public Health 2007 97: 1547-1554.
79. "School Custodians and Green Cleaners: New Approaches to Labor-Environmental Coalitions" (Laura Senier, Brian Mayer, Phil Brown, and Rachel Morello-Frosch). Organization and Environment 2007 20:304-324.
80. "Environmental Health as a Core Public Health Component." In James Colgrove, Gerald Markowitz, and David Rosner, eds., The Contested Boundaries of American Public Health. New Brunswick, NJ: Rutgers University Press, 2008.
81. "Social Movements and Health" (Phil Brown, Rachel Morello-Frosch, Stephen Zavestoski, Laura Senier, Rebecca Altman, Elizabeth Hoover, Sabrina McCormick, Brian Mayer, and Crystal Adams) In. Bernice A. Pescosolido, Jack K. Martin, Jane McLeod,

and Anne Rogers, eds. Handbook of Health, Illness & Healing: Blueprint for the 21st Century New York: Springer (in press)

82. “Environmental Sociologists Help Form Local Environmental Justice Organization” Environment and Technology Section Newsletter (American Sociological Association) (Phil Brown and Laura Senier)
83. “The Brown Superfund Basic Research Program (SBRP): A Multistakeholder Partnership Addresses Real-World Problems in a Contaminated Community” (Laura Senier, Phil Brown, Benjamin Hudson, Sarah Fort, Elizabeth Hoover, and Rebecca Tillson). Environmental Science and Technology. 2008 42(13): 4655-4662.
84. “Pollution Comes Home and Pollution Gets Personal: Women’s Experience of Household Toxic Exposure” (Rebecca Altman, Julia Brody, Ruthann Rudel, Rachel Morello-Frosch, Phil Brown, and Mara Averick). Journal of Health and Social Behavior 2008 49:417-435.
85. “Teaching Small and Thinking Large: Effects of Including Social and Ethical Implications in an Interdisciplinary Nanotechnology Course” (Elizabeth Hoover, Phil Brown, Mara Averick, Agnes Kane, and Robert Hurt) Journal of Nano Education 2008 1:1-10
86. “Tangible Evidence and Common Sense: Finding Meaning in a Community Health Study” (Madeleine Kangsen Scammell, David Ozonoff, Laura Senier, Jennifer Darrah, Phil Brown, and Susan Santos). Social Science and Medicine 2009 68:143-153.
87. “‘Toxic Ignorance’ and the Right-to-Know: Assessing Strategies for Biomonitoring Results Communication in a Survey of Scientists and Study Participants” (Rachel Morello-Frosch, Julia Green Brody, Phil Brown, Rebecca Gasior Altman, Ruthann A. Rudel, Carla Pérez). Environmental Health. 2009 8:6.
88. “Participant Experiences in a Breastmilk Biomonitoring Study” (Nerissa Wu, Michael D. McClean, Phil Brown, Ann Aschengrau, and Thomas F. Webster). Environmental Health. 2009 8:4.
89. “Linking Exposure Assessment Science with Policy Objectives for Environmental Justice and Breast Cancer Advocacy: The Northern California Household Exposure Study” (Julia Green Brody, Rachel Morello-Frosch, Ami Zota, Phil Brown, Carla Pérez, and Ruthann A. Rudel). American Journal of Public Health 2009 99:S600-S609
90. Field Analysis and Policy Ethnography: New Directions for Studying Health Social Movements” (Phil Brown, Rachel Morello-Frosch, Stephen Zavestoski, Laura Senier, Rebecca Altman, Elizabeth Hoover, Sabrina McCormick, Brian Mayer, and Crystal Adams) In Jane Banaszak-Holl, Sandra Levitsky, and Mayer Zald., eds., Social Movements and the Transformation of American Health Care. Oxford University Press. 2010.

91. "Health Social Movements: History, Current Work, and Future Directions" (Phil Brown, Crystal Adams, Rachel Morello-Frosch, Laura Senier, and Ruth Simpson). Forthcoming in Peter Conrad, Chloe Bird, Allan Fremont, and Stefan Timmermans, eds., Handbook of Medical Sociology. 2010
92. "Qualitative Approaches for Studying Environmental Health" In Ivy Lynn Bourgeault, Raymond DeVries, and Robert Dingwall, eds., Handbook of Qualitative Health Research. Sage. 2010.
93. "Labor-Environmental Coalition Formation: Framing and the Right-to-Know" (Brian Mayer, Phil Brown, and Rachel Morello-Frosch) Sociological Forum 2010 25:745-768
94. "Institutional Review Board Challenges Related to Community-Based Participatory Research on Human Exposure to Environmental Toxins: A Case Study" (Phil Brown, Rachel Morello-Frosch, Julia Green Brody, Rebecca Gasior Altman, Ruthann A. Rudel, Laura Senier, Carla Pérez and Ruth Simpson) Environmental Health 2010 9:39
95. "Experts, Ethics, and Environmental Justice: Communicating and Contesting Results from Personal Exposure Science" (Rachel Morello-Frosch, Phil Brown, Julia Green Brody, Rebecca Gasior Altman, Ruthann A. Rudel, Ami Zota, and Carla Perez). In Gwen Ottinger and Benjamin Cohen, eds., Engineers, Scientists, and Environmental Justice . 2011. Cambridge, MA: MIT Press.
96. "Community Voice, Vision and Resilience in Post-Hurricane Katrina Recovery" (Rachel Morello-Frosch, Phil Brown, Mercedes Lyson, Alison Cohen, and Kimberly Krupa). Environmental Justice 2011 4:71-80
97. "Disentangling the Exposure Experience: The Roles of Community Context and Report-back of Environmental Exposure Data" (Crystal Adams, Phil Brown, Rachel Morello-Frosch, Julia Green Brody, Ruthann Rudel, Ami Zota, Sarah Dunagan, Jessica Tovar, and Sharyle Patton). Journal of Health and Social Behavior 2011 52 (2):180-196.
98. "From Diagnosis to Social Diagnosis" (Phil Brown, Mercedes Lyson, and Tania Jenkins) Social Science and Medicine 2011. 73:939-943.
99. "Lessons Learned from Flame Retardant Use and Regulation Could Enhance Future Control of Potentially Hazardous Chemicals" (Phil Brown and Alissa Cordner). Health Affairs 2011 30 (5):1-9.
100. "Place-based Environmental Health Justice Education: A Community-University-Government-Middle School Partnership" (Alison K. Cohen, Allison Waters, and Phil Brown) Environmental Justice In press.
101. "Public Sociology for Environmental Health and Environmental Justice" (Alissa Cordner, Alison Cohen, and Phil Brown). Pp. 97-106 in Philip Nyden, Leslie Hossfeld, and Gendolyn Nyden, eds. Public Sociology: Research, Action, and Change. Los Angeles: Sage. 2011.

102. "Measuring The Success Of Community Science: The Northern California Household Exposure Study" (Phil Brown, Julia Green Brody, Rachel Morello-Frosch, Jessica Tovar, Ami R. Zota, and Ruthann A. Rudel). Environmental Health Perspectives (published on-line, print version in press).
103. "Research Ethics for Environmental Health and Justice: Academics and Movement-Building" Alissa Cordner, David Ciptet, Rachel Morello-Frosch, and Phil Brown (in press, Social Movement Studies)

#### PAPERS PRESENTED AT PROFESSIONAL MEETINGS

November 3, 1979 - Massachusetts Sociological Association, Fall Meeting: "Social Implications of Deinstitutionalization."

August 24, 1980 - Society for the Study of Social Problems Annual Meeting: "The Mental Patients' Rights Movement and Mental Health Institutional Change."

April 25, 1981 - Massachusetts Sociological Association: Spring Meeting: "Professional, Activist, and Lay Attitudes Toward Mental Patients' Rights: A National Survey."

August 22, 1981 - Society for the Study of Social Problems, Annual Meeting: "Medicalization and the Reorganization of the Mental Health Sector in the U.S."

September 4, 1982 - Society for the Study of Social Problems: "The Right to Refuse Treatment: Social Movements, Psychiatric Power, and Institutional Resistance."

September 2, 1983 - American Sociological Association, Annual Meeting: "The Effects of Mental Patients' Rights on Psychiatric Hospital Staff."

June 15, 1984 - Tenth International Congress on Law and Psychiatry: "Psychiatric Treatment Refusal, Patient Competence, and Informed Consent."

August 30, 1985 - American Sociological Association, Annual Meeting: "Tardive Dyskinesia: Problems in the Recognition of an Iatrogenic Illness."

August 26, 1986 - Society for the Study of Social Problems, Annual Meeting: "Corporate Trends in Mental Health Care;" commentator on panel on "Advocacy in the Mental Health System."

August 30, 1986 - American Sociological Association, Annual Meeting: "Diagnostic Uncertainty in Psychiatry."

August 27, 1988 - American Sociological Association, Annual Meeting: "Conflicts Between Lay and Professional Approaches to Environmental Health Risks."

August 12, 1989 - American Sociological Association, Annual Meeting: "Some of These Questions May Sound Silly': Empirical Standardization Versus Clinical Application of the Mental Status Examination."

August 15, 1990 - American Sociological Association, Annual Meeting: "Public Reaction to Toxic Waste Contamination: Analysis of a Social Movement"

August 15, 1990 - American Sociological Association, Annual Meeting: "Negotiated Interaction in the Psychiatric Walk-in Clinic"

August 23, 1991 - American Sociological Association, "Health Care Rationing: A Sociological Perspective"

November 25, 1991 - Gerontological Society of America, Annual Meeting: "Self-Care Beliefs and Practices of Elderly People"

August 21, 1992 - American Sociological Association, Annual Meeting: "Women and Toxic Waste Activism" (Phil Brown and Faith Ferguson)

August 15, 1993 - American Sociological Association, Annual Meeting: "The Social Construction of Diagnosis and Illness"

September 17, 1993 - Environmental Health Network, Annual Conference: "Popular Epidemiology and the Discovery of Environmental Hazards"

August 9, 1994 - American Sociological Association, Annual Meeting: "Integrating Environmental Sociology and Medical Sociology"

September 11, 1994 - Hanford Health Information Network, Conference on Radiation Health Effects and Hanford: "Scientific Evidence Versus the Experiential Perspective on the Health Effects of Low-Dose Radiation"

October 31, 1994 - American Public Health Association, Annual Meeting: "Race, Class, and Environmental Health."

October 31, 1994 - American Public Health Association, Annual Meeting: "State Level Clustering of Safety Measures and Its Relationship to Injury Mortality" (Phil Brown, Peter Conrad, Jonathan Howland, Nicole Bell, and Martha Lang)

March 31, 1995 - Eastern Sociological Society, Annual Meeting: "Skepticism, Acknowledgement, and Reinstatement; Psychiatry's Response to Neuroleptic Malignant Syndrome" (Martha Lang and Phil Brown)

August 16, 1996 - American Sociological Association, Annual Meeting: "Does Green Mask Gray?: Environmental Equity Issues at the Metropolitan Level" (Phil Brown, Desiree Ciambrone, and Lori Hunter)

June 25, 1999 “Contested Environmental Illnesses: Knowledge, Power, And Social Inequalities” Conference on The Role of Lay Knowledge and Social Activism in Public Health: Exploring the Research Agenda, University of Salford, Manchester, England

November 7, 1999 - Rhode Island Jewish Historical Society “A Century of Catskills History”

August 14, 2000 - American Sociological Association, Annual Meeting: " A Gulf of Difference: Disputes over Gulf War-related Illnesses" (Phil Brown, Steve Zavestoski, Sabrina McCormick, Joshua Mandelbaum, Theo Luebke, Meadow Linder, and Aracely Alicea)

August 15, 2000 - American Sociological Association, Annual Meeting: "Print Media Coverage Of Environmental Causation Of Breast Cancer" (Phil Brown, Steve Zavestoski, Sabrina McCormick, Joshua Mandelbaum, Aracely Alicea, and Theo Luebke)

November 13, 2000 - American Public Health Association, Annual Meeting: “Contested Environmental Illnesses: Citizen-science Alliances and the Challenge to the Dominant Epidemiological Paradigm”

November 18, 2000 – Conference on “The State Hospital: In Memoriam.” Smith College. “Memory and History: Understanding the Legacy of State Hospitals”

March 10, 2001 – Toxics Action Center, Annual Conference: “The Larger Impact of Toxic Struggles: How Will the Toxics Movement be Written about in Your Children’s Textbooks?”

July 5, 2001. “Contesting Paradigms of Breast Cancer: The Alliance of Activism and Research.” International Sociological Association, Research Committee 24 Conference, Cambridge, UK (Sabrina McCormick and Phil Brown)

July 6, 2001, “Gendered Bodies and Disease: Environmental Breast Cancer Activists’ Challenges to Science, the Biomedical Model, and Policy.” International Sociological Association, Research Committee 24 Conference, Cambridge, UK (Stephen Zavestoski, Phil Brown, and Sabrina McCormick)

August 19, 2001 – American Sociological Association, Annual Meeting: “The Politics of Asthma Suffering: Environmental Justice and the Social Movement Transformation of Illness Experience” (Phil Brown, Steve Zavestoski, Theo Luebke, Joshua Mandelbaum, Sabrina McCormick, and Brian Mayer)

August 20, 2001 – American Sociological Association, Annual Meeting: “Moving Further Upstream: From Toxics Reduction to the Precautionary Principle” (Phil Brown, Brian Mayer, and Meadow Linder)

August 20, 2001 – American Sociological Association, Annual Meeting: The Personal is Scientific, the Scientific is Political: The Environmental Breast Cancer Movement” (Sabrina McCormick and Phil Brown)

August 21, 2001 – American Sociological Association, Annual Meeting: “Race, Class, and Contested Illnesses: A Comparison of the Environmental Breast Cancer Movement and the Environmental Asthma Movement” (Joshua Mandelbaum, Phil Brown, and Sabrina McCormick)

October 23, 2001 – American Public Health Association, Annual Meeting: “Gulf War Illnesses: Toxics, Stress, And Other Approaches To Mysterious Ailments” (Phil Brown, Steve Zavestoski, Sabrina McCormick, Brian Mayer, Joshua Mandelbaum, Theo Luebke, and Meadow Linder)

October 23, 2001 – American Public Health Association, Annual Meeting: “Who’s Got the Cause”: Citizen-science Alliances on Environmental Health Research”

October 24, 2001 – American Public Health Association, Annual Meeting: “Public Involvement in Breast Cancer Research: An Analysis and Model for Future Research” (Sabrina McCormick, Ruth Polk, Julia Brody, and Phil Brown)

November 3, 2001 – Society for the Social Study of Science, Annual Meeting: “Something in the Air: Citizen-Science Alliances and the Dispute Over Environmental Factors in Asthma” (Phil Brown, Steve Zavestoski, Sabrina McCormick, Brian Mayer, Joshua Mandelbaum, and Theo Luebke)

August 14, 2002 – “Authority in Contention” conference of the Collective Behavior and Social Movements Section of the American Sociological Association, Notre Dame University “Health Social Movements: Uncharted Territory In Social Movement Research” (Phil Brown, Stephen Zavestoski, Sabrina McCormick, and Brian Mayer)

August 17, 2002 – American Sociological Association, Annual Meeting: “Science, Knowledge, And Environmental Causation Of Breast Cancer” (Phil Brown, Sabrina McCormick, Steve Zavestoski, and Brian Mayer)

August 18, 2002 – American Sociological Association, Annual Meeting: “Illness Experience and Patient Activism: Gulf War-related Illness and Other Medically Unexplained Physical Symptoms” (Stephen Zavestoski, Phil Brown, Sabrina McCormick, Brian Mayer, Maryhelen D’Ottavi, and Jaime Lucove)

August 18, 2002 – American Sociological Association, Annual Meeting: “Policy Outcomes for Contested Environmental Diseases” (Phil Brown, Brian Mayer, Stephen Zavestoski, Sabrina McCormick, and Pamela Webster),

August 18, 2002 – American Sociological Association, Annual Meeting: “Author Meets Critic” – Theodore Marmor, The Politics of Medicare (revised edition)

March 1, 2003 – Eastern Sociological Society, Annual Meeting: “The Sociologist in The Catskills”

August 18, 2003 – American Sociological Association, Annual Meeting: “Embodied Health Movements: Uncharted Territory in Social Movement Research” (Phil Brown, Stephen Zavestoski, Sabrina McCormick, Brian Mayer, Rachel Morello-Frosch, and Rebecca Gasior)

October 18, 2003 – Society for the Social Study of Science Annual Meeting: “Health Social Movements And Contested Illnesses” (Phil Brown, Stephen Zavestoski, Sabrina McCormick, Brian Mayer, Rachel Morello-Frosch, and Rebecca Gasior)

November 17, 2003 – American Public Health Association, Annual Meeting: “Science, Knowledge, And Environmental Causation Of Breast Cancer” (Phil Brown, Sabrina McCormick, Brian Mayer, Steve Zavestoski, Rachel Morello-Frosch, Rebecca Gasior, and Pamela Webster)

August 15, 2004 – American Sociological Association, Annual Meeting: “Embodied Health Movements: Responses to a ‘Scientized’ World” (Rachel Morello-Frosch, Stephen Zavestoski, Phil Brown, Brian Mayer, Sabrina McCormick, and Rebecca Gasior Altman)

October 20, 2004 Conference on “Environmental Justice: Politics, History, and Health”: “Embodied Health Movements: Social Movement Responses to a Scientized World” Drexel University (Rachel Morello-Frosch, Stephen Zavestoski, Phil Brown, Rebecca Gasior, Sabrina McCormick, Brian Mayer, and Laura Senier)

October 30, 2004 – Conference on “Science, Technology, and the Environment”: “Linking Breast Cancer Advocacy and Environmental Justice,” Rensselaer Polytechnic Institute, Troy, NY (Phil Brown, Rachel Morello-Frosch, and Rebecca Gasior Altman)

November 8, 2004 – American Public Health Association, Annual Meeting: “Community Research Ethics for Environmental/Public Health” (Dianne Quigley, Phil Brown, Linda Silka, and Steve Wing)

August 14, 2005 – American Sociological Association, Annual Meeting: “Constructing a Frame Pyramid in a Cross-Movement Coalition: New Jersey’s Labor-Environmental Alliance” (Brian Mayer and Phil Brown)

August 11, 2006 – American Sociological Association, Annual Meeting: “The Right to Know, the Right to Act, and the Right Not-to-Know: Ethical and Scientific Dilemmas of Reporting Data in Biomonitoring and Environmental Exposure Studies” (Rachel Morello-Frosch, Julia Green Brody, Margaret Frye, Phil Brown, Rebecca Gasior Altman, Ruthann A. Rudel and AJ Napolis)

August 14, 2006 – American Sociological Association, Annual Meeting: “School Custodians and Green Cleaners: New Approaches to Labor-Environment Coalitions” (Laura Senier, Brian Mayer, and Phil Brown)

December 5, 2006 – National Environmental Public Health Conference: “A Model Home Equity Loan Program for Areas with Highly Contaminated Property” (Phil Brown, Laura Senier, and Elizabeth Hoover)

August 2007 American Sociological Association, Annual Meeting: “The Brown Superfund Basic Research Program: A Multistakeholder Partnership Addresses Real-World Problems in Contaminated Communities” (Laura Senier, Phil Brown, Benjamin Hudson, Sarah Fort, Elizabeth Hoover, and Rebecca Tillson)

August 2007 American Sociological Association, Annual Meeting: “Pollution Comes Home and Gets Personal: Women’s Experience of Household Toxic Exposure” (Rebecca Gasior Altman, Rachel Morello-Frosch, Julia Greene Brody, Ruthann Rudel, Phil Brown, and Mara Averick)

October 2007 – Society for the Social Study of Science Annual Conference “Research In Communities, With Communities: Case Studies Linking Research and Action in STS.” (Rachel Morello-Frosch, Rebecca Altman, Laura Senier, and Phil Brown)

October 2007 University of Michigan Health Social Movements Conference: “New Directions in Theory and Methods for Studying Health Social Movements” (Phil Brown, Laura Senier, Rachel Morello-Frosch, Rebecca Altman, Elizabeth Hoover, and Crystal Adams)

December 4, 2007 -- .NIEHS Superfund Basic Research Program Annual Meeting, Durham, North Carolina: “Building Stakeholder Involvement in Brownfields Redevelopment: Crafting a Statewide Policy to Ensure Environmental Justice and Stakeholder Equity” (Phil Brown, Laura Senier, Elizabeth Hoover, Crystal Adams, Rebecca Tillson, Alison Cohen).

April 16, 2008, Association of American Geographers annual meeting, “Emerging Collaborations Between Environmental Justice and Breast Cancer” (Rachel Morello-Frosch and Phil Brown)

April 16, 2008, Association of American Geographers annual meeting, “Experts, Ethics, and Environmental Justice: New Approaches to Reporting on Body Burden and Household Exposure Data” (Phil Brown, Julia Green Brody, Rebecca Altman, Ruthann Rudel, and Carla Perez)

August 2, 2008 – American Sociological Association Annual Meeting. “Health, Labor, & the Environment” (Brian Mayer, Phil Brown, and Laura Senier)

June 2009 National Environmental Health Association 2009 Conference, Atlanta, GA. “Superfund and Environmental Justice Education: Teaching Johnston and North Providence Middle School Students About Their Local Environment and Subsequent Evaluation of Program Effectiveness.” (Alison Cohen, Alison Waters, and Phil Brown).

August 8, 2009 – American Sociological Association Annual Meeting. “Author Meets Critics” panel on Phil Brown’s Toxic Exposures: Contested Illnesses and the Environmental Health Movement

August 14, 2010 – American Sociological Association Annual Meeting. “Citizenship and Science: The Challenge of the Environment” Panel Organizer and Commentator (Alissa Cordner and Phil Brown)

August 28, 2010 – Society for the Social Study of Science Annual Meeting. “Boundary-Work at the Nexus of Science, Activism, and Policy Concerning Flame Retardants” (Alissa Cordner and Phil Brown)

November 1 2010 - American Public Health Association Annual Meeting. “Impact of biomonitoring research on activism and regulation of flame retardant chemicals” (Alissa Cordner, Phil Brown, and Rachel Morello-Frosch)

August 21, 2011- American Sociological Association Annual Meeting. “ Moments of Uncertainty: Ethical Considerations and Emerging Contaminants” (Alissa Cordner and Phil Brown)

August 21, 2011- American Sociological Association Annual Meeting. “From Diagnosis to Social Diagnosis” (Phil Brown, Mercedes Lyson, and Tania Jenkins)

### INVITED LECTURES

March 13, 1972 - Harrisburg State Hospital, Harrisburg, PA, Research Department Workshop: "Patients' Rights in the Hospital."

November 16, 1972 - University of British Columbia (Vancouver), Graduate Student Association Lecture Series "The Radical Therapy Movement."

September 20, 1974 - Delaware Valley Mental Health Foundation, Third Annual Symposium, Doylestown, PA: "Social-Psychological Aspects of Power and Powerlessness."

November 14, 1975 - University of Massachusetts/Amherst, Economics Department Graduate Students Colloquium: "Marxism and Psychology."

April 29, 1977 - Boston University School of Social Work, 10th Annual Conference: "The Political Economy of Social Services."

June 2, 1978 - Horizon House Institute, Conference on "The Community Imperative," a deinstitutionalization project jointly funded by the National Institute of Mental Health and National Endowment for the Humanities, Washington, D.C., "Mental Health Policy Problems."

May 15, 1984 - Rhode Island Hospital, Psychiatry Department: The Changing Mental Health System - General Hospitals."

June 19, 1987 - Education for Community Initiatives, Holyoke, Massachusetts, Conference on "The Search for Safeguards: Safeguarding Professional Judgement: The Example of Tardive Dyskinesia."

October 29, 1987 - New England Conference of National Council of Community Mental Health Centers, Newport, RI, "The Transfer of Care" Psychiatric Deinstitutionalization and its Aftermath."

November 12, 1987 - The Providence Center, Providence, RI, "Mental Health Policy - Planned or Unplanned."

April 17, 1989 - Harvard School of Public Health, Boston, MA "Risk Reporting in the Mass Media."

June 1, 1990 - Worcester State Hospital, Worcester, MA. Conference on Asylum: Deinstitutionalization - "Mental Health Policy and Biopsychiatry."

July 24, 1990 - National Academy of Sciences, Committee on Environmental Epidemiology, Woods Hole, MA. "Psychosocial Effects of Toxic Waste Contamination."

November 19, 1990 - Rutgers University, Robert Wood Johnson Medical School, Department of Community and Environmental Medicine, Piscataway, New Jersey. "Popular Epidemiology and Toxic Waste Contamination: New Science and New Social Movements."

December 3, 1990 - Cornell University, Program in Science, Technology, and Society. "Lay Contributions to Environmental Epidemiology."

February 28, 1991 - Tufts University, Community Health Program, "Popular Epidemiology and Toxic Waste Contamination."

May 10, 1991 - Castle Point, NY VA Medical Center. "The Ins and Outs of Institutions."

October 18, 1991 - New York University, Committee on Theory and Culture. "Pumps and Dumps: Popular Epidemiology and the Discovery of Environmental Hazards."

October 23, 1991 - Tufts Medical School, The Health Institute. "Popular Epidemiology and Toxic Waste Contamination."

June 25, 1992. University of Pennsylvania, Department of Psychiatry. "The Political-Economy of the Mental Health System."

April 12, 1993. Massachusetts Institute of Technology, Program in Science, Technology and Society. "Science, Democracy, and Knowledge: The Toxic Waste Movement Challenges Traditional Science."

October 19, 1993 - Harvard School of Public Health. "Research Silences in the Relationship Between Environment and Cancer." December 19, 1994 - Harvard School of Public Health. "Social Inequalities and Environmental Health."

November 7, 1995 - Dartmouth College, Department of Asian Studies. "Catskill Culture: The Jewish American Resort Experience"

April 28, 1996 -- Evergreen State College (Olympia, WA). "Popular Epidemiology: An Informed Citizenry and a Democratic Science."

October 29, 1996 - Tufts Medical School. "Lay Involvement in Identifying Toxic Waste-Induced Diseases"

December 6, 1997 -- Emory University, Center for the Study of Public Scholarship. "Emergent Illnesses, Social Constructionism, and Popular Epidemiology."

March 4, 1998 - Rensselaer Polytechnic Institute, Department of Science, Technology and Society. "Contested Illnesses: Lay, Professional, and Governmental Perspectives on Environmentally Induced Diseases"

November 12, 1998 – Tufts University, Department of Urban and Environmental Policy. "Citizen Detection of Environmental Problems."

August 11, 1999. Ethelbert Crawford Public Library, Monticello, NY. "The Jewish Catskills: Memories of the Century"

April 25, 2000 – Vassar College, The Dr. Maurice Sitomer Lecture. "A Summer Eden: The Jewish Experience in the Catskills"

October 3, 2001 – SUNY New Paltz. "The History of Jewish Life in The Catskills"

August 6, 2002 – National Institute of Environmental Health Sciences. "Contested Environmental Illnesses."

March 24, 2003 – University of North Carolina, Chapel Hill, Department of Epidemiology. "Contested Environmental Illnesses: Citizen-Science Alliances And The Challenge To The Dominant Epidemiological Paradigm"

March 25, 2003 – University of North Carolina, Greensboro, Department of Sociology. "The Politics Of Asthma Suffering: Environmental Justice And Collective Illness Experience"

April 10, 2003 – Rutgers University, Institute for Health, Health Care Policy and Aging Research. "Contested Environmental Illnesses: Citizen-Science Alliances And The Challenge To The Dominant Epidemiological Paradigm"

April 10, 2003 – Rutgers University, Bildner Center for the Study of Jewish Life. "A Summer Eden: The Jewish Experience in the Catskills"

October 19, 2004 – Hunter College/CUNY Graduate Center: "Health Social Movements and Cities"

October 27, 2005 – Smith College: "Embodied Health Movements"

February 10, 2006 – California Department of Health Services: "Biomonitoring and Right-to-Know"

September 7, 2006 – University of Rhode Island (Narragansett Campus, Metcalf Diversity in Reporting Fellows): "Environmental Justice"

February 11, 2006 – Jewish Museum of Maryland: “Jewish Summer Vacationing”

October 25, 2007 – Museum of the American Jewish Heritage (New York) “The Catskills in Film”

May 15, 2008 – Columbia University Department of Psychiatry, “Contested Illnesses and Medically Unexplained Illnesses”

November 12, 2008 – Boston University School of Public Health, “Toxic Exposures: Contested Illnesses and the Environmental Health Movement”

August 29, 2008 – Brandeis University Department of Sociology “Creating and Running the Contested Illnesses Research Group”

#### EDITORIAL BOARDS

(current)

Sociology of Health and Illness

(past)

Journal of Health and Social Behavior

The American Sociologist

Health

Social Science and Medicine

Contexts

International Journal of Health Services

#### OTHER MAJOR ACTIVITIES

Co-founder and President of the Catskills Institute, a non-profit organization that studies the history and culture of American Jews in the Catskill Mountains (1994-present). This organization runs an annual History of the Catskills Conference ( 12 so far), publishes a newsletter, operates a website, maintains a major archive, and produces museum exhibits.

Chair, Medical Sociology Section of the American Sociological Association, 1996-7

Chair, Environment and Technology Section of the American Sociological Association, 2003-2005.

Guest editor, special section on “The Contributions of Sol Levine,” Social Science and Medicine 1999.

Guest editor, special issue on “Health and the Environment,” Annals of the American Academy of Political and Social Science November 2002

Guest editor, special issue on “Social Movements in Health,” Sociology of Health and Illness 2004

Recipient of the Fred Buttel Distinguished Contribution to Environmental Sociology Award, 2006

### RESEARCH GRANTS

- Brown University Biomedical Research Support Grant: 1980-1981, 1981-1982, 1983-1984, 1987-1988, 1988-1989 (various amounts in the \$3,000-5,000 range)
- Wayland Collegium 1986-1987: Democracy, Science and Knowledge: The Participation of an Informed Public in Social Applications of Science and Technology (\$50,000) - PI
- Brown University Graduate School Small Grant: Community Response to Toxic Wastes 1992 (\$1,500) - PI
- Littauer Foundation: The Catskills as a Repository of Jewish Culture (\$5,000) 1993-1994 - PI
- Henry J. Kaiser Family Foundation: Social Stratification and Environmental Health, 1993-1994 (\$43,000) - PI

Brown University Graduate School Small Grant: Using a "Safety Index" to Examine Injury Morbidity and Mortality, 1996 (\$1,800) - PI

Brown University Graduate School Small Grant: Contested Illnesses -- Disputes Over Environmentally-Induced Disease, 1998-1999 (\$1,000) - PI

Robert Wood Johnson Foundation: Contested Illnesses -- Disputes Over Environmentally-Induced Disease, 1999-2002 (\$249,973) - PI

National Science Foundation: Citizen-Science Alliances in Contested Environmental Diseases, 2000-2003 (\$126,091) - PI

Salomon Research Grant: \$10,000. 2002-2003 "The Precautionary Principle." - PI

National Science Foundation: Blue and Green Shades of Health: The Social Construction of Health Risks in the Labor and Environmental Movements, 2004-2007 (\$180,000) - PI

National Science Foundation: "Doctoral Dissertation Research (Patricia Widener): Transnational Activism, Oil Politics and Environmental Justice in Ecuador." 2003-2004 (\$7,300)–PI

National Science Foundation "Doctoral Dissertation Research (Brian Mayer): Blue and Green Shades of Health: The Social Construction of Health Risks in the Labor and Environmental Movements" - 2004-2005 (\$7,500) - PI

National Institute of Environmental Health Sciences: “Linking Breast Cancer Advocacy and Environment Justice” (\$959,800) 2004-2008 - co-PI

National Science Foundation: “The ‘Research Right-to-Know’: Ethics and Values in Communicating Research Data to Individuals and Communities” (\$300,000) 2005-2008 – co-PI

National Institute of Environmental Health Sciences (Superfund Basic Research Program): “Reuse in RI: A State-Based Approach to Complex Exposures” (\$11,520,320) 2005-2009; renewed \$15,392,906, 2009-2014 (co-PI/Community Outreach Core Director)

National Science Foundation: “Micropatterned Nanotopography Chips for Probing the Cellular Basis of Biocompatibility and Toxicity” (\$1,200,000) 2005-2009 (co-PI/Director of Social and Ethical Implications Core)

National Science Foundation: “Katrina and the Built Environment: Spatial and Social Impacts” (\$99,800) 2005-2006 (co-PI)

National Science Foundation: “Disaster, Resilience, and the Built Environment on the Gulf Coast” (\$749,420) 2007-2010 (co-PI)

National Institute of Environmental Health Sciences (Superfund Basic Research Program): Supplement to Community Outreach Core of “Reuse in RI: A State-Based Approach to Complex Exposures” (\$36,000) 2008-2009 (co-PI)

National Institute of Environmental Health Sciences, Partnerships in Environmental Public Health supplement to “Linking Breast Cancer Advocacy and Environment Justice” (\$139,805) 2008-2009 (co-PI)

Environmental Protection Agency, CARE grant awarded to the Environmental Justice League of Rhode Island. (\$100,000) 2008-2010 (co-PI)

National Science Foundation: “Flame Retardant Chemicals: Their Social Discovery as a Case Study for Emerging Contaminants” (\$432,676) 2009-2012 (PI)

Brown University, Swearer Center for Public Service: “The Community Environmental College of Rhode Island” (\$10,000) 2009-2010 (PI)

National Institutes of Health: “Ethical and Legal Challenges in Communicating Biomonitoring and Personal Exposure Results to Participants” (\$1,826,012) 2009-2014 (co-PI)

National Institute of Environmental Health Sciences: “Formative Center for the Evaluation of Environmental Impacts on Fetal Development - Children’s Environmental Health Center (\$2,289,097) 2009-2012 (co-PI and Director of Community Outreach and Translation Core)

National Science Foundation “Northeast Ethics Education Partnership for Research Ethics/Cultural Competence Training” (\$397,984). 2010-2013 (Co-PI)

National Science Foundation “New Directions in Environmental Ethics: Emerging Contaminants, Emerging Technologies, and Beyond” (\$557,588) 2012-2015 (PI)

National Institute of Environmental Health Sciences “Virtual Consortium for Translational/Transdisciplinary Environmental Research: ‘Ethical and Legal Challenges in Communicating Individual Biomonitoring and Personal Exposure Results to Study Participants: Guidance for Researchers and Institutional Review Boards.’” (\$1,205,048) 2012-2014. (Co-PI)

### Grants Under Review

NIH “Data Sharing and Privacy Protection in Digital-Age Environmental Health Studies” (\$1,987,867). 2012-2017 (Co-PI)

### RESEARCH IN PROGRESS

#### *Books*

Summer Haven: How the Catskills Experienced the Holocaust (Edited by Holli Levitsky and Phil Brown)

#### *Articles under review*

“Reflexive Research Ethics in Fetal Tissue Xenotransplantation Research” (Bindu Pannikar, Natasha Smith, and Phil Brown)

“Boundary Work and Uncertainty in Flame Retardant Research and Policy (Alissa Cordner and Phil Brown)”

#### *Research in data gathering or writing stage*

“Playing with Fire: The World of Flame Retardant Activism and Policy” (Alissa Cordner, Margaret Mulcahy, and Phil Brown)

“A Pursuit for Justice in a Toxic Cleanup: Residents’ Experience and Unexpected Problems in the Tiverton Bay Street Neighborhood” (Keiko Fukuda, Allison Waters, and Phil Brown)

“Cross-institutional Comparison of Nanotechnology Scientists’ Awareness of Social and Ethical Implications” (Mercedes Lyson, Phil Brown, Elizabeth Hoover, Maria Powell, and Mathilde Colin).
