GRANTS

1. Site Co-Investigator (local \$507,254, total \$3.172 mil)
NIH; R01DA032889-01A1
7/2012-6/2017
BABY (Best Agonist for BabY) Improving Outcome in Neonatal Abstinence Syndrome.
National PI's: Jonathan Davis, M.D. and Barry Lester, Ph.D.
2. Co-Investigator (?)
NICHD Grant 1R01HD076589-01
10/2012-
Infant Brain Study: Effects of Placental Transfusion on Early Brain Development
PI: Judith Mercier, Ph.D., CNM
3. Site co-PI (\$150,000)
HRSA
6/2012- 5/31/2015
A Regional Approach to cCHD NBS
PI, Monica McClain, Ph.D.
4. Co-Investigator (no money, just shared resources)
NICHQ
6/2012- 9/2014
Best Fed Beginnings Collaborative: Women and Infants Hospital
PI: Cindi Zembo, ILIBC.
5. Local Principal Investigator (\$30,500)
Subcontracted by Vida Health Communications, Inc through funding from the NICHD Reference: 1R44HD061122-01
03/2011-9/2011,
All Babies Cry.
National PI, Allison C. Morrill, JD, Ph.D.
6. Co-Investigator (\$199,996)
Robert Wood Johnson's Smoke-Free Families: Innovations to Stop Smoking During and Beyond Pregnancy:

09/2004 - 08/2006, ID# 051799

Studying the relationship among sleep problems, mood, and postpartum smoking relapse.

PI, Julie Boergers Ph.D.

7. Principal Investigator (\$1,500)
Summer Student Research Grant
Dept. of Family Practice, Univ. of Vermont College of Medicine.
Summer 1994
Incidence and Reasons for Discontinuation of Oral Contraceptives in Rural Family Practice Settings
Faculty mentor, Karen Soons, Ph.D.

UNIVERSITY TEACHING ROLES

OSCE Examiner, 3/00 – Spring 2011.

Brown University, Bio-Med 450, 6-14 students per clerkship, 7/03-present

Brown University, Bio-Med 282/351,

Lecturer, 90 students, April 04 - Spring '10

Small group co-leader, 9 students, April 05 – Spring '10

Brown University, Medical School Individual Elective Preceptor, Sept '06

Brown University, MPH Program Summer Internship Preceptor, Summer '07

Brown University, Community Health Clerkship Field Experience
co-Preceptor, Nov-Dec '07

Alpert Medical School, Brown University, Careers In Medicine (CIM)

Academy Faculty Advisor, August 2011- present.

HOSPITAL TEACHING ROLES

Preceptor, Pediatric Continuity Clinic, Rhode Island Hospital,
7/01 – 6/03

Preceptor, Pediatric Urgent Care Clinic, Rhode Island Hospital,
7/01 – 6/03

Staff Pediatrician, Women & Infants' Hospital, 7/03- present

Director, Newborn Medicine Curriculum series, 1/10-present.

ADDENDUM:

Teaching of Tomorrow Series Description:

Teaching of Tomorrow Workshop Series, Track I 2004-5

Completed 45 hour, 8 day program of faculty development focusing on Educational Planning, Effective Teaching Strategies, Challenging Interactions with Patients and Students, and Career Advancement.

Teaching of Tomorrow Workshop Series, Advanced Track II 2010-2011

Completed 45 hour, 8 day program of advanced faculty development focusing on Advanced Teaching Skills; Quality Improvement; Challenging Interactions with Patients and Students; and Career Advancement, including development of a presentation for local, regional or national audiences.
