14. Lambert, J.F., Sevin, E., Howard, J., Davis, N., Shea, M. Treatment of trauma-related anger in troops returning from hazardous deployments. Presented at the annual convention of the Association for Behavioral and Cognitive Therapies. November, 2008.

INVITED PRESENTATIONS

1. "Adjustment Issues Facing Returning Veterans and Their Families." Presented at the Annual Judicial Conference, Narragansett, RI, September 2007.
2. "PTSD and Other Readjustment Issues." Presented at the Officer/Senior NCO Development Program for RI National Guard, Warwick, RI. November 2008.
3. "Understanding the Student Veteran." Campus presentation open to all University of Rhode Island faculty and staff, Kingston, RI. November 2008.
4. "Understanding the Student Veteran." Presented to the University of Rhode Island Faculty Senate, Kingston, RI. November 2008.
5. "From Combat to Courtroom." Presented to the Bench Bar Committee, Joseph Garrahy Judicial Complex, Providence, RI. May 2008.
6. "Culture Clash: Transition Challenges Facing the New Population of Student Veterans." Presented during URI Diversity Week, Kingston, RI. September 2008.
7. "PTSD Defined: Into the Mind of the Warrior." New England Civilian- Military Cooperation Conference: Psychological Health and Traumatic Brain Injury, Newport, RI. November 2009.

8. "PTSD and TBI in the Workplace." Presented at the Annual EEO and Diversity Summit, Naval Undersea Warfare Center (NUWC), Newport, RI. May 2010.
9. "Mental Health Needs of Returning Veterans." Presented at "Operation Immersion," a 2-day training program ("boot camp") for public sector substance abuse counselors. Camp Fogarty, East Greenwich, R.I.
10. Mental Health Panelist for Public Occurrences session: "War on Terror: Coming Home" sponsored by the Providence Journal and Leadership Rhode Island. Rhode Island College, Providence, RI. November 2011.

GRANTS/RESEARCH SUPPORT

Cooperative Studies Program #494 P. Schnurr (PI), M. T. Shea (training site PI) 2001-2006
 "Treatment of PTSD in Women Veterans"

This study was a multi-site randomized clinical trial investigating the effectiveness of Prolonged Exposure compared to Present Centered Therapy for the treatment of PTSD in women veterans
 Role: Therapist Supervisor

R01MH066352 C. Marmar & J. Difede (Co-PIs) 2001 - 2003
 "Cognitive Behavioral Treatment for Disaster Relief Workers"

The primary aim of this project was to compare the effects of brief cognitive behavioral therapy to the usual treatment for New York City disaster relief workers with full or sub-threshold PTSD diagnoses related to the World Trade Center (WTC) terrorist attacks.
 Role: Consultant (Completed Fidelity Monitoring)

Department of Defense funded M. T. Shea (PI) 2004 - 2005
 "Pathways to PTSD and Alcohol Use Disorders"

This aim of this pilot study was to examine the relationship between PTSD symptoms and Alcohol use among service memories returning from military service in Iraq.
 Role: Project Director

USAMRC 043437 M. Tracie Shea & J. Lambert (Co-PIs) 2006 - 2010
 "Treatment of PTSD-Related Anger in Troops Returning From Hazardous Deployments"

The aim of this study was to adapt and pilot test a cognitive behavioral treatment for anger problems in military personnel and veterans after deployment to Iraq or Afghanistan
 Role: Co-PI

Department of Defense funded C.Marmar (PI) 2006 - 2010
 "Cognitive Behavioral Therapy and D-Cycloserine Treatment of PTSD in Operation Enduring Freedom and Operation Iraqi Freedom Veterans"

The primary aim of this project was to examine whether administration of D-Cycloserine (DCS), a partial NMDA receptor agonist that has been shown to facilitate fear extinction, enhances the therapeutic benefit of exposure-based cognitive behavioral therapy (CBT) in OEF/OIF veterans with PTSD.

Role: Consultant (Completed Fidelity Monitoring)

TEACHING ROLES

Supervised a clinical psychology practicum student's outpatient cases at the National Center for PTSD, Boston VA Medical Center, 1999-2000

Supervised VA clinicians (nationally) providing Present Center Therapy for VA Cooperative Studies Program 494: *Treatment of PTSD in Women Veterans*, 2001-2004

Supervised DPHB Research Post-Doctoral Fellows' outpatient cases at the PTSD Clinic, Providence VA Medical Center, 2004-2008

Supervised neuropsychology intern's short-term outpatient cases at Providence VA Medical Center, 2007

Supervised a Brown medical student's short-term outpatient cases at the PTSD Clinic, Providence VA Medical Center, 2008

Supervised PTSD Clinical Post-Doctoral Fellow, Providence VA Medical Center, 2008-2010

Provide administrative supervision for the Returning Veterans Program, PVAMC, which includes 3 psychologists and a psychiatrist 2009- present

Supervised a University of Rhode Island clinical psychology practicum student, Returning Veterans Program, Providence VA Medical Center, Summer 2010

Supervised two Psychology Residents' long-term therapy cases, Returning Veterans Program, Providence VA Medical Center, 2010-2011

Supervise outpatient psychotherapy cases for Psychology Residents doing PTSD rotation, Providence VA Medical Center, January 2011 – present

Coordinate the VA Long-Term Psychotherapy Rotation for Psychology Residents, July 2011 – present

Primary Supervisor for APA-Approved Postdoctoral Fellowship in Interdisciplinary Care, August 2013 - present
