

Revised 4/6/10

## CURRICULUM VITAE

Nathaniel J. Jellinek, M.D.

Dermatology Professionals, Inc.  
1672 South County Trail, Suite 101  
East Greenwich, RI 02818  
401-885-6647 (phone) 401-885-6639 (fax)  
E-mail: [winenut15@yahoo.com](mailto:winenut15@yahoo.com)

---

### **EDUCATION**

#### **Undergraduate**

B.A. in American Civilization, Brown University, Providence, RI, 1991-1995

#### **Medical School**

Course on Multiple Organ Dysfunction Syndrome, University of Massachusetts Medical School, Worcester, MA, 1997

M.D. University of Massachusetts Medical School, Worcester, MA, 1996-2000

#### **Previous Employment**

Resident Counselor in first year dormitory, Brown University, Providence, RI 1992-1993

Disk Jockey at WBRU, 95.5 FM, Providence, RI, 1991-1995

Teacher at Applewild School of U.S. History and Music, as well as a coach for soccer, basketball, and lacrosse, Fitchburg, MA, 1995-1996

Professional musician in small jazz, salsa, rock/funk groups, with more than 100 performances, 1991-1999

### **POSTGRADUATE MEDICAL TRAINING**

**Internship** Internal Medicine, Saint Vincent Hospital at the Worcester Medical Center, Worcester, MA 2000-2001

**Residency** Residency in Dermatology, University of Massachusetts, Worcester, MA 2001-2004

Chief Resident, Division of Dermatology, University of Massachusetts, Worcester, MA 2003-2004

One month elective in Tropical Medicine at the Regional Dermatology Training Center, Moshi, Tanzania April 2004

**Fellowship** Mohs micrographic surgery, Division of Dermatology,

University of Massachusetts, Worcester, MA 2004-2005

Nail Disease, Division of Dermatology, University of  
Massachusetts, Worcester, MA 2004-2005

### **HONORS AND AWARDS**

- 1999 Alpha Omega Alpha (University of Massachusetts Medical School)
- 2000 Merck Award for Academic Excellence (University of Massachusetts Medical School)
- 1/05 Chosen to attend the American Academy of Dermatology Leadership Forum, Orlando, Florida
- 1/05 Chosen to attend the American Academy of Dermatology Leadership Training, Orlando, Florida
- 3/05 Selected and graduated as one of 15 people for the initial one year masters course in academic leadership sponsored by the American Academy of Dermatology
- 6/06 Teacher of the Year, Department of Dermatology, Brown Medical School, Providence, RI
- 7/06 Dean's Teaching Excellence Award, Brown Medical School, Providence, RI
- 6/07 Teacher of the Year, Department of Dermatology, Brown Medical School, Providence, RI
- 6/07 Dean's Teaching Excellence Award, The Warren Alpert Medical School of Brown University, Providence, RI
- 6/08 Teacher of the Year, Department of Dermatology, Brown Medical School, Providence, RI
- 6/08 Dean's Teaching Excellence Award, The Warren Alpert Medical School of Brown University, Providence, RI
- 6/09 Dean's Teaching Excellence Award, The Warren Alpert Medical School of Brown University, Providence, RI

### **PROFESSIONAL MEDICAL LICENSURE/CERTIFICATION**

- 1998 USMLE Step 1
- 2000 USMLE Step 2
- 2001 USMLE Step 3
- 2004 Massachusetts State Medical License (# 220846)
- 2004 Rhode Island State Medical License (#11514)
- 2004 American Board of Dermatology
- 2006 Basic Life Support
- 2006 Advanced Cardiac Life Support

## **ACADEMIC APPOINTMENTS**

- 2004-2005 Instructor, Department of Medicine, Division of Dermatology, University of Massachusetts Medical School
- 2005-2009 Assistant Professor, Department of Dermatology, The Warren Alpert Medical School of Brown University
- 2009-present Clinical Assistant Professor, Department of Dermatology, The Warren Alpert Medical School of Brown University
- 2004-2006 Adjunct Clinical Assistant Professor, Department of Medicine, Division of Dermatology, University of Massachusetts Medical School

## **HOSPITAL APPOINTMENTS**

- 2004-2005 Active Staff, University of Massachusetts Memorial Health Care, Worcester, MA
- 2005- present Active Staff in Dermatology and Dermatologic Surgery Rhode Island Hospital, Providence, RI

## **OTHER APPOINTMENTS**

### **Reviewer**

- 2001-present *Journal of the American Academy of Dermatology*
- 2005-2006 *Journal of Drugs in Dermatology*
- 2008-present *Dermatologic Surgery*
- 2008-present *Archives of Dermatology*
- 2009-present *Clinical and Experimental Dermatology*
- 2009-present *British Journal of Dermatology*

### **Journal Appointments**

- 2003-2008 Section editor, Book & Media Reviews, *Journal of the American Academy of Dermatology*
- 2005-2008 Associate editor, *Journal of the American Academy of Dermatology*
- 2008-present Editorial Board, *Journal of the American Academy of Dermatology*

## **HOSPITAL COMMITTEES**

- 2003-2004 Institute for Healthcare Improvement (IHI) task force: a pilot project between Family Practice and Dermatology with the goal of improving

access and clinic performance

7/2003-10/2003 Co-chair, Internal Review for Department of Internal Medicine and Subspecialties, University of Massachusetts, Worcester, MA

### **OTHER COMMITTEES**

2/2007-11/08 Member, Bioterrorism/Disaster Preparedness Task Force, American Academy of Dermatology  
2/2007-2/2011 Member, Sulzberger Institute for Dermatologic Ed. Committee, American Academy of Dermatology  
10/2007-10/2010 Member, New Technologies Work Group, American Society of Dermatologic Surgery  
3/09- Member, Annual Meeting Evaluation Task Force, American Academy of Dermatology

### **MEMBERSHIP IN SOCIETIES**

1999-2005 Massachusetts Medical Society  
2000-2005 Worcester Medical Society  
2001-present New England Dermatological Society  
2001-present American Academy of Dermatology  
2004-present Council for Nail Disorders  
2004-present American Society for Dermatologic Surgery  
2005-present American College of Mohs Surgery (formerly American College of Mohs Micrographic Surgery and Cutaneous Oncology)

### **VOLUNTEER SERVICE**

1992 Women's shelter, children's playroom (Providence, RI)  
1995 Recovery room for Ambulatory Surgery, Rhode Island Hospital (Providence, RI)  
1996-1998 Flu shot program for underserved population (Worcester, MA)  
1996-1998 Free health clinics at local church and community center (Worcester, MA)  
2001, 2002 Toys for Tots children's fair at Greendale Mall (Worcester, MA)  
2002-2003 Annual free skin cancer screening at University of Massachusetts, Worcester, MA  
2004 Co-organizer, annual free skin cancer screening at University of Massachusetts, Worcester, MA  
2005 Organizer, annual free skin cancer screening at University of Massachusetts, Worcester, MA  
4 & 5/2007 Skin Cancer screening, Transplant Population, Department of Dermatology, Brown Medical School, Providence, RI  
8/10/09 Skin Cancer screening, Gillette Stadium, Foxboro, MA  
5/15/10 Skin Cancer screening, Dermatology Professionals, Inc., East Greenwich, RI

## TEACHING RESPONSIBILITIES

- 2001-2004 Weekly kodachrome or prepared conference with rotating medical students and residents, during months on call
- 2002, 2003 Physical Diagnosis course instruction to first year medical students on the complete skin exam
- 2002-2004 Kodachrome teaching sessions to second year medical students on "Dermatologic Emergencies"
- April, 2004 Multiple teaching conferences with Dermatology residents, advanced diploma in dermatology and venereology students at the Regional Dermatology Training Center (KCMC,) Moshi, Tanzania, April 2004.
- 2004-2009 Regular teaching/overseeing of medical students, rotating residents, dermatology residents in dermatologic surgery
- 2004-2005 Twice monthly lectures to all dermatology residents and rotating students/residents on core dermatologic surgery curriculum (total 21 lectures)
- 2005- 2009 2x/monthly lectures to all dermatology residents and rotating students/residents on core dermatologic surgery and nail disease curriculum (total 23 lectures)
- 2005-2009 Run monthly journal club with dermatology residents: Archives of Dermatology, Journal of the American Academy of Dermatology
- 2005-2009 Supervise weekly textbook review with dermatology residents
- 2005-2007 Head of Dermatology Course (BioMed 351) for 2<sup>nd</sup> Year Medical Students in Brown Medical School
- Lecture on Introduction to dermatology; Structure & function of the skin with clinical correlation
  - Lecture on Dermatologic manifestations of systemic disease and severe dermatoses
- 2005-2007 Leader of small group for case studies, BioMed 351, for 2<sup>nd</sup> Year Medical Students in Brown Medical School
- 2007-2009 Head of Dermatology Course, BIOL 3660 Integrated Medical Sciences
- Lecture on Introduction to Dermatology
  - Students in Brown Medical School
  - Lecture on Introduction to dermatology; Structure & function of the skin with clinical correlation
  - Lecture on Severe Dermatoses, Interdisciplinary Dermatology
  - Lecture on International Dermatology
  - Lecture on Infectious Dermatology
  - Cases of Dermatology
  - Live Patient Demonstrations
- 2009-2010 Lecture in BioMed to 2<sup>nd</sup> year Medical students: Dermatologic Emergencies
- 2009-2010 8 hours of lecture to Brown Dermatology residents on nail diseases

- 3/15-19/10      Mentoring rotation with Adam Rubin, MD, from University of Pennsylvania for diseases of the nails. Sponsored by an educational grant to Dr. Rubin from the Council for Nail Disorders.
- 2010-present    Teach visiting dermatology residents during weekly nail clinic. Residents come from Brown, UMass, and Roger Williams Dermatology programs.

## **RESEARCH PROJECTS OR STUDIES**

- 1995 summer    Research in neuroscience laboratory, evaluating sonar tracking systems in bats, Brown University (Providence, RI)
- 1997 summer    Research in primary care office, evaluating patient costs in a capitated HMO; presentation to group of PCP's, NP's (Worcester, MA)
- 2004-2005      Study of factors influencing graft survival in patients undergoing Mohs micrographic surgery
- 2006-2008      Treatment of tinea unguium with Vicks Vaporub ointment
- 2006             Use of keratin immunofluorescence stains for squamous cell carcinoma in Mohs surgery
- 2007-2009      Retrospective study of nail unit squamous cell carcinoma
- 2007-2009      ASDS Cutting Edge Research Grant -- \$15,000  
A Prospective, Randomized, Double-Blind Study of topical treatment of basal cell carcinoma, superficial type, in the solid-organ transplant population, imiquimod and 5% 5-fluorouracil creams (Principal investigator, Nathaniel Jellinek, MD)
- 2007-2009      Grant from Skin Cancer Foundation -- \$5,000  
Defining the Role of Real-time Immunofluorescence for Nonmelanoma Skin Cancer During Mohs Surgery (Principal Investigator, Kevan Lewis, MD)
- 2010             Blinded histologic interpretation of longitudinal melanonychia.

## **ACADEMIC INTERESTS**

Dermatologic surgery  
 Facial reconstruction  
 Cutaneous oncology  
 Nail disease  
 Nail surgery  
 Polyposis/cancer syndromes  
 Medical education  
 Mentoring  
 Journalology
