

Revised 3/2005

CURRICULUM VITAE
STEPHEN N. ROUS M.D.

2 Dudley Street
Suite 174
Providence, RI 02905
Phone: (401) 444- 8570
Fax: (401) 444- 6947

EDUCATION

Undergraduate Amherst College, A.B., 1952.

Medical School New York Medical College, M.D., 1956.

Other Advanced Degrees University of Minnesota, M.S. (Urology), 1963.

POSTGRADUATE TRAINING

Residency Flower-Fifth Avenue Hospitals and Metropolitan Hospital, New
York City, NY, 1st and 2nd year General Surgery, 1957-1959.

 Philadelphia general Hospital, 1st year Urology, 1959-1960.

Fellowship Mayo Graduate School of Medicine and Mayo Clinic, 3-year
Fellowship in Urology, 1960-1963.

POSTGRADUATE HONORS AND AWARDS

Cor et Manus Honors Society, Medical School.

President, Association of Fellows, Mayo Graduate School of
Medicine, 1962-1963.

Yearbook Dedication Recipient, Class of 1970, New York Medical
College.

Elected to membership in the Scientific Research Society of North
America, 1976.

Marquis' Who's Who in the South and Southwest, biographee,
from the 15th edition, 1976-77 through the 21st edition, 1988-1989.
Marquis' Who's Who in the East, biographee, since the 23rd
edition, 1990-1991.M

POSTGRADUATE HONORS AND AWARDS (cont.)

Marquis' Who's Who in America, biographee, since the 41st edition, 1980-1981.

Marquis' Who's Who in the World, biographee, since the 5th edition, 1980-1981.

Honorary consultant in Urology, St. Peter's Hospitals, London, England July 1981-January 1982.

Medical Education and Health Services Award for Outstanding Contributions in the field of Urology, New York Medical College Alumni Association, 1986.

Honorary membership, German Urological Association, 1986.

Alpha Omega Alpha, Honorary, New York Medical College, Iota Chapter, 1987.

David C. Cristol Award for Outstanding Professional Contributions to the Specialty of Urology, Department of Urology, Mayo Clinic and the Mayo Urologic Alumni Association, 1987.

National Board of Visitors, New York Medical College, 1988.

MILITARY

Colonel, U.S. Air Force Reserve, Medical Corps, 1980-1985.

Military Consultant to the USAF Surgeon General, 1982-1985.

Medical School Liaison Officer, U.S. Air Force, 1983-1985.

Colonel, Medical Corps, U.S. Army Reserve, 1985.

Outstanding Graduate Air War College, Air University, 1986.

Awarded A Designator, U.S. Army medical Department, 1986.

Colonel, Army of the United States, Retired, 2000.

PROFESSIONAL LICENSES AND BOARD CERTIFICATIONS

American Board of Urology (1968).

ACADEMIC APPOINTMENTS

Senior Visiting Fellow, Institute of Urology, London. July 1981–January 1982.

Professor of Surgery (Urology), Dartmouth Medical School, 1991-2001.

Clinical Professor of Surgery (Urology), Uniformed Services University of the Health Sciences, 1992-2001.

Adjunct Professor of Surgery (Urology), Dartmouth Medical School, 1988-1991.

Adjunct Professor of Urology, Medical University of South Carolina, 1988.

Professor of Urology, Medical University of South Carolina, 1975-1988.

Professor of Surgery (Urology), Michigan State University, 1972-1975.

Associate Professor of Urology, New York Medical College, 1968-1972.

Clinical Instructor of Urology, University of California (SF), 1964-1968.

ADMINISTRATIVE APPOINTMENTS

Chief, Urology Services, VA Medical Center, White River Junction, VT, 1991-2001.

Chairman, Department of Urology, Medical University of South Carolina, 1975-1988.

Chairman, Department of Urology, Medical University and Charleston City Hospitals, 1975-1988.

Chief, Division of Urology, Michigan State University, 1972-1975.

Chief of Urology, Michigan State University Health Center, 1972-1975.

Associate Dean, New York Medical College, NYC, 1970-1972.

ADMINISTRATIVE APPOINTMENTS (cont.)

Assistant Dean, New York Medical College, NYC, 1968-1970.

Acting Chief of Urology, Presbyterian Hospital, San Francisco, CA, 1967-1968.

Urologist-in-Charge, Outpatient Department, Presbyterian Hospital, San Francisco, CA. 1965-1968.

Associate Dean, New York Medical College, NYC, 1970-1972.

Assistant Dean, New York Medical College, NYC, 1968-1970.

HOSPITAL APPOINTMENTS

Active staff, VA Medical Center, White River Junction, VT, 1991-2001.

Active Staff, Dartmouth-Hitchcock Medical Center, Hanover, NH, 1991-1999.

Honorary Staff, Exeter Hospital, Exeter, NH, 1988.

Consultant in Urology, VA Medial Center, Roper Hospital and St. Francis Xavier Hospital, Charleston, SC, 1975-1988.

Ingham Medical Center, Lansing, MI, 1972-1975.

St. Lawrence Hospital, Lansing, MI, 1972-1975.

Edward R. Sparrow Hospital, Lansing, MI, 1972-1975.

VA Hospital, Saginaw, MI (Consultant), 1972-1975.

Metropolitan Hospital, New York, NY, 1968-1972.

Flower-Fifth Avenue Hospitals, New York, NY, 1968-1972.

Presbyterian Hospital, San Francisco, CA, 1963-1968.

Mt. Zion Hospital, San Francisco, CA, 1963-1968.

OTHER APPOINTMENTS

Admissions Committee, Dartmouth Medical School, 1991.

Promotions Committee, Department of Surgery, 1992.

Chairman, Medical University of South Carolina Institutional Review Board for Human Research, 1978-1980; Reappointed 1980-1982, Resigned 7/81: sabbatical leave through 7/82.

Appointments and Promotions Committee, College of Medicine, 1976-1980, 1983-1987.

Department Chairman Committee, College of Medicine, 1975-1988.

Chairman, Search Committee for Orthopedic Dept., College of Medicine, 1979.

HOSPITAL COMMITTEES

Executive Committee of the Medical University Hospital, 1975-1988.

Executive Committee of Charleston Memorial Hospital, 1975-1988.

Executive Committee of the Professional Staff Office, 1975-1988.

Operating Room Committee, 1975-1988.

MEMBERSHIP IN SOCIETIES

American Academy of Pediatrics

American Board of Urology

Guest Examiner for Oral Board Examinations, 1987-1989

American College of Surgeons

Committee on Medical Motion Pictures, 1985-1995

American Fertility Society

American Medical Association

American Society of Nephrology

MEMBERSHIP IN SOCIETIES (cont.)

American Urological Association

Fiscal Affairs Review Committee, 1998.

Public Media Committee, 1998.

Education Council, 1974-1983.

Chairman (ex-officio) Audio-Visual Committee, 1983-1986.

Consultant to Education Committee, 1993-1997.

Continuing education Committee, 1993-1997.

Program Committee (Annual Meeting), 1983-1986, 1993-1998.

Public Relations Committee, 1983-1986.

Chairman, Committee on Undergraduate Education (medical students), 1976-1978.

Co-chairman, Committee on Undergraduate Education, 1974-1976.

Consultant, Audio-Visual Committee, 1977-1980.

Vice-chairman, Audio-visual Committee, 1980-1983.

Chairman, AUA Motion Picture Program, 1983-1983.

Chairman, Audio-Visual Committee, 1983-1986.

Association of American Medical Colleges

Association of Military Surgeons of the U.S.

Association for Academic Surgery

British Association of Urological Surgeons

Charleston County Medical Society

Ex-Residents Association of Philadelphia General Hospital

Mayo Alumni Association: President, 1983-1985.

President-Elect, 1981-1983.

Vice President, 1979-1981.

Board of Directors, 1968-1973, 1979-1987.

Development Board, 1973-1983.

Vice Chairman, 1976-1979.

Chairman, 1979-1983.

National Urologic Forum

Archivist (Secretary), 1969-1988.

New England Section, American Urological Association, Inc.

New York Academy of Medicine

North Central Section, American Urological Association, Inc.

MEMBERSHIP IN SOCIETIES (cont.)

Pan-American Medical Association

Royal Society of Medicine (England)

Sigma-Xi – The Scientific Research Society of North America

Society of Medical Consultants to the Armed Forces

Society for Pediatric Urology

Society Internationale d'Urologie

Society of University Urologists

Chairman, Undergraduate Education Committee, 1978-1988.
Committee on Residency Standards, 1975-1988.

South Carolina Medical Association

Southeastern Section, American Urological Association, Inc.

Chairman, Committee on Education and Science, 1986-1988.
Executive Committee, 1986-1988.

Chairman, Montague Boyd Essay Contest, 1978-1982.

Chairman, Southeastern Section Post-Graduate Seminar,
November 1984.

Editorial Board Committee (for JI of Urol) 1977-1979.

Southern Medical Association

Urologists' Letter Club

Western Section, American Urological Association, Inc.

PUBLICATIONS (EDITORIAL BOARD OR REVIWER)

Editorial Board, Urology Times, 1975-1985.

Editorial Board, Military Medicine, 1984-1994.

Expert Reviewer, Urology, 1993-2000.

Editorial Consultant, W.W. Norton and Company, Inc., NY and
London, 1994-2001.

OTHER NON-PEER REVIEWED PUBLICATION

Rous S.N. The Female Urethral Syndrome and Urethritis and Prostatitis in the Male. *Medical College of Virginia (MCV) Quarterly*, 14(2): 65. Summer 1978.

SCHOLARLY WORK PUBLISHED IN OTHER MEDIA

1. *Using Videotape for Teaching: Helpful Hints for Production*. Instructional videotape (35 min.) for presentation at annual meeting of American Urological Association, Inc., Las Vegas, Nevada, April 17-21, 1983.
2. *Informed Medical Decision Making for Patients with BPH*. Produced by the Foundation for Informed Medical Decision Making, Hanover, NH. Interactive Video (Narrator), June 1992.

SCHOLARLY WORK PUBLISHED IN OTHER MEDIA (cont.)

3. Made two videos (50 minutes each) as part of a two man panel (plus a moderator) on subject of Malpractice for American Educational Institute, Detroit, MI. June 10, 1994.
4. Made four hours of videos for CME for physicians. Sponsored by the American Educational Institute, Birmingham, MI. August 5 and August 26, 1994.
5. Early Diagnosis of GU Tract Cancers, Differential Diagnosis and Management of Intra-Scrotal Masses, Diagnosis and Management of the Patient with Recurrent Urolithiasis. Made three hours of videos on the above subjects for CME for physicians. Sponsored by the American Educational Institute, Birmingham, MI. July 27, 1995.
6. Medical Management of BPH, Diagnosis and Management of Cancer of the Prostate, Panel Discussion on Medical Malpractice - part 1, Panel Discussion on Medical Malpractice - part 2. Made three hours of videos for CME of physicians. Sponsored by the American Education Institute, Birmingham, MI. July 1995.

INVITED PRESENTATIONS

1. Emmett JL and Rous SN. *Postinstrumental Urethral Stricture: Calibre of the Adult Male Urethra as Determined in 4374 Patients*. Symposium: Association of Surgeons of India. Fall 1962.
2. *How Much and What Should Every Graduating Medical Student Know About Urology?* Guest speaker, Section of Urology, Michigan State Medical Society. October 10, 1973.
3. *Report of the Education Committee Concerning Workshop on Undergraduate Urologic Education*. Jointly sponsored by the Society of University Urologists. Michigan State University. April 1973.
4. *Further Observations in the Treatment of Selected Cases of Urethritis with Ascorbic Acid*. North Central Section, American Urologic Association. November 13-16, 1973.
5. Edward H. Ray Visiting Professor of Urology, University of Kentucky, School of Medicine, Lexington, KY. November 23-24, 1973.

INVITED PRESENTATIONS (cont.)

6. *Retrograde Ureteropyelography and X-ray findings in Upper Urinary Tract Infections*. Guest faculty, Seventh Annual University of Cincinnati Medical Center Urology X-ray Seminar. December 13-15, 1973.
7. *Hereditary Nephritis – A Poorly Known Entity*. National Urologic Forum. February 16-20, 1974.
8. *Nodular Renal Blastema – Related to Wilms Tumor?* Western Section, American Urological Association. March 31-April 5, 1974.
9. *Diagnostic Methodology for Carcinoma of the Prostate*. American Medical Association Annual Meeting. June 24, 1974.
10. *Diagnostic Methodology for Carcinoma of the Prostate*. 54th Annual Collier-Pemberty-Thirlby Conference, Traverse City. July 25-26, 1974.
11. *Hereditary Nephritis – A Poorly Known Entity*. North Central Section, American Urological Association, Columbus, OH. September 18-21, 1974.
12. *How Much and What Should Every Primary Care Physician Know About Urology; Diagnostic Methodology for Cancer of the Prostate; Hematuria; Gynecomastia; Office Urology for the Non-Urologist: Urinary Sediment, Cutaneous Genital Lesion, Urethritis; Impotency; Congenital Anomalies of the GU Tract*. Los Angeles and Chicago Medical Societies, SS Stella Oceanis, Aegean Sea. September 30-October 6, 1974.
13. Chaired Group Discussion and workshop on setting educational objectives for urology residents. Society of University Urologists. November 16-17, 1974.
14. Visiting Professor of Urology. University of Cincinnati Medical Center. February 16-18, 1975.
15. *Nodular Renal Blastema, Nephroblastomatosis and Wilms Tumor – Different Points on the Same Disease Spectrum?* National urologic Forum, Snowmass, CO. March 20-22, 1975.

INVITED PRESENTATIONS (cont.)

16. *A Urologist Looks at Enuresis*, followed by panel discussion. Michigan Kidney Foundation, Grand Rapids, MI. May 30-31, 1975.
17. North Central Section, American Urological Association, Phoenix. Discussed a group of five other papers. Oct. 6, 1975.
18. *Nephroblastomatosis and Wilms Tumor - Different Points on the Same Disease Spectrum?* American Academy of Pediatrics, Washington, DC. Oct. 20, 1975.
18. Same paper as above. Mayo Urologic Alumni, occasion honoring Dr. Ormond S. Gulp, Rochester, MN. October 25, 1975.
19. *Thoughts on Newly Assuming a Department of Urology*. National Urologic Forum, Ceromar Beach, Puerto Rico. Feb. 20, 1976
20. Four papers given: *Nodular Renal Blastema, Nephroblastomatosis and Wilms Tumor - Different Points on the Same Disease Spectrum?*, *Hematuria, Alport's Disease*, and *Congenital GU Anomalies*. 20th Annual Postgraduate Seminar, Greenville, SC. March 23-25, 1976.
21. *Nodular Renal Blastema, Nephroblastomatosis and Wilms Tumor - Different Points on the Same Disease Spectrum?* Southeastern Section, American Urological Association, Hollywood, FL. April 5, 1976
22. Postgraduate course for non-urologists, entitled "*Management and Mismanagement of Urinary Tract Infection and Inflammation*". Two papers given: *Urethritis and the Urethritides - Female and Male* and *Radiologic Findings in Infection and Inflammation of the Upper Urinary Tract*. M.U.S.C. April 16, 1976.
23. *Nodular Renal Blastema, Nephroblastomatosis and Wilms Tumor - Different Points on the Same Disease Spectrum?* Visiting Professor, Memorial Medical Center, Savannah, GA. June 11, 1976

INVITED PRESENTATIONS (cont.)

24. *Exhibit: Mannequin Teaching Aids for the Recognition of Intra-Scrotal Pathology.* Received the Certificate of Merit Award from the AMA and the Outstanding Scientific Exhibit Award from the Section on Urology of the AMA. AMA Dallas, Texas. June 26-30, 1976.
25. *Exhibit: Mannequin Teaching Aids for the Recognition of Intra-Scrotal Pathology.* American Academy of Family Physicians, Boston, MA. Received the "Outstanding Exhibit" award. Sept. 19-23, 1976.
26. Two papers: *Intra-scrotal masses - Differentiation, Diagnosis and Treatment and Nodular Renal Blastema, Nephroblastomatosis and Wilms Tumor - Different Points on the Same Disease Spectrum?"* Postgraduate Course for Pediatricians and Family Physicians, Medical University of S. C. March 18-19, 1977.
27. *Retrospective Study of 95 Patients with Staghorn Calculus Disease.* National Urologic Forum, Williamsburg, VA. March 24-27, 1977.
28. *Retrospective Study of 95 Patients with Staghorn Calculus Disease.* Also, discussed group of 5 papers dealing with Bladder Cancer Southeastern Section, American Urological Association, New Orleans, LA. March 27-31, 1977.
29. *Diagnostic Findings in Perinephric Abscess and Rationale for the Surgical Management of Staghorn Calculi.* 23rd Annual Postgraduate Course in Urology, Kansas City (University of Missouri-Columbia). April 4-5, 1977.
30. *Staghorn Calculi - Surgery or No?* Postgraduate Course for Urologists. Medical University of SC. April 15-16, 1977.
31. *Report of the Undergraduate Education Committee and Exhibit: Mannequin Teaching Aids for the Recognition of Intra-scrotal Pathology.* American Urological Association, Chicago. April 24-27, 1977.
32. *Delayed Complications of the TUR.* Postgraduate Course on Trans-Urethral Surgery, Los Angeles. Sponsored by Medical University of S. C., University of Texas Medical Branch at Galveston and the AUA under an educational grant from Travenol Laboratories. May 18, 1977.

INVITED PRESENTATIONS (cont.)

33. *Delayed Complications of the TUR*. Postgraduate Course on Trans-Urethral Surgery, Pittsburgh, PA. Sponsored by Medical University of S. C., University of Texas Medical Branch at Galveston and the AUA under an educational grant from Travenol Laboratories. July 27, 1977.
34. *Delayed Complications of the TUR*. Postgraduate Course on Trans-Urethral Surgery, Atlanta, GA. Sponsored by Medical University of S. C., University of Texas Medical Branch at Galveston and the AUA under an educational grant from Travenol Laboratories. August 24, 1977.
35. *Cinoxacin in the Treatment of Acute Urinary Tract Infections*. 10th International Congress of Chemotherapy, Zurich, Switzerland. September 20, 1977.
36. *Delayed Complications of the TUR*. Postgraduate Course on Transurethral Surgery, Chicago, IL. Sponsored by the Medical University of South Carolina, University of Texas at Galveston and the AUA under an educational grant from Travenol Laboratories. September 28, 1977.
37. *Exhibit: Mannequin Teaching Aids for the Recognition of Intra-Scrotal Pathology*. Medical Society of Virginia Annual Meeting, Richmond, VA. Second Overall Prize awarded. October 13-15, 1977.
38. *Retrospective Study of 95 Patients with Staghorn Calculus Disease*. Mayo Urological Alumni Meeting, Rochester, MN. October 22, 1977.
39. *The Female Urethral Syndrome, Urethritis and Prostatitis in the Male and Intra-Scrotal Masses: Differentiation, Diagnosis and Treatment*. Postgraduate Course entitled *Urology*. University of Texas, Galveston, TX. November 10-11, 1977.
40. *The Female Urethral Syndrome, Urethritis and Prostatitis in the Male and Intra-Scrotal Masses: Differentiation, Diagnosis and Treatment*. McGuire Lecturer, Medical College of Virginia, Richmond, VA. December 3-4, 1977.
41. *Intra-Scrotal Masses: Differentiation, Diagnosis, and Treatment*. Burlington County Medical Society, Mt. Holly, NJ. December 8, 1977.

INVITED PRESENTATIONS (cont.)

42. *Delayed Complications of the TUR*. Postgraduate Course on Transurethral Surgery, Washington, D. C. Sponsored by the Medical University of South Carolina, University of Texas Medical Branch at Galveston and the AUA under an educational grant from Travenol Laboratories. December 15, 1977.
43. *Squamous Cell Carcinoma of the Bladder*. National Urologic Forum, Yosemite, CA. January 8-12, 1978.
44. *Urethritis, Prostatitis and Prostatostasis, and Benign Prostatic Hyperplasia - What the Symptoms Mean and When Surgery is Indicated*. Postgraduate Course sponsored by Medical University of South Carolina, held in Charleston. March 17-18, 1978.
45. *Delayed Complications of the TUR and Retrospective Analysis of 95 Patients with Staghorn Calculus Disease*. Virginia Urologic Association, Irvington, VA. April 1-2, 1978.
46. *Squamous Cell Carcinoma of the Bladder* and Moderator of Panel Symposium on Calculus Disease. Southeastern Section, American Urological Association, Louisville, KY. April 8-12, 1978.
47. *Urethral Syndrome in Females and the Urethritides in Males*. Cleveland Memorial Hospital, Shelby, NC Medical Staff Meeting. April 18, 1978.
48. *Delayed Complications of the TUR*. Postgraduate Course on Transurethral Surgery, Detroit, Michigan. Sponsored by the Medical University of South Carolina, University of Texas Medical Branch at Galveston and the AUA under an educational grant from Travenol Laboratories. April 26, 1978
49. *Intra-Scrotal Masses: Differentiation, Diagnosis and Management*. South Carolina Medical Association, Myrtle Beach SC. April 29, 1978.
50. Guest Professor at Question and Answer Session for Residents and Practicing Urologists entitled Meet the Professor. American Urological Association, Inc., Washington, DC. May 21-25, 1978.

INVITED PRESENTATIONS (cont.)

51. *The Significance of Hematuria*. Kidney Foundation of Michigan, Detroit, MI. June 16, 1978.
52. *Cutaneous Lesions of the External Genitalia*, and Moderator of a panel symposium on Perplexing Problems in Office Urology. American Medical Association Annual Meeting, St. Louis, MO. June 19, 1978.
53. *Delayed Complications of the TUR*. Postgraduate Course on Transurethral Surgery, Charlotte, NC. Sponsored by the Medical University of South Carolina, University of Texas Medical Branch at Galveston and the AUA under an educational grant from Travenol Laboratories. June 28, 1978.
54. *Delayed Complications of the TUR. Delayed Complications of the TUR*. Postgraduate Course in Minneapolis, Minnesota sponsored by AUA, UTMB, Galveston and MUSC under an educational grant from Travenol Laboratories, Inc. September 27, 1978.
55. *Delayed Complications of the TUR*. Postgraduate Course in Boston sponsored by AUA, UTMB, Galveston and MUSC under an educational grant from Travenol Laboratories, Inc. October 25, 1978.
56. *Cutaneous Lesions of the External Genitalia and The Female Urethral Syndrome and Urethritis and Prostatitis in the Male*. Georgia Academy of Family Physicians, Atlanta, GA. November 3, 1978.
57. *Nodular Renal Blastema, Nephroblastomatosis and Wilms Tumor - Different Points on the Same Disease Spectrum?* Surgery Grand Rounds, St. Francis Medical Center, Trenton, NJ. November 15, 1978
58. *Delayed Complications of the TUR*. Postgraduate Course in Philadelphia, PA sponsored by AUA, UTMB, Galveston and MUSC under an educational grant from Travenol Laboratories, Inc. November 29, 1978.
59. *Management of Staghorn Calculi and Delayed Complications of the TUR*. Visiting Professor, Downstate Medical Center, Brooklyn, NY. December 5, 1978.

INVITED PRESENTATIONS (cont.)

60. *Torsion of the Testis*. Postgraduate Course, New Orleans, Southeastern Section of the American Urological Association. December 16, 1978.
61. *TUR in Prostatic Carcinoma*. The Postgraduate Course in Miami sponsored by AUA, UTMB, Galveston and MUSC under an educational grant from Travenol Laboratories, Inc. January 24, 1979.
62. Talked on *Management of Staghorn Calculi, Delayed Complications of the TUR and The Anatomy of University GU Residencies in the United States*. Visiting Professor, USC Medical School. February 26-27, 1979.
63. *The TUR in Prostatic Carcinoma*. Postgraduate Course in Los Angeles sponsored by AUA, UTMB, Galveston and MUSC under an educational grant from Travenol Laboratories, Inc. February 28, 1979.
64. *The TUR in Prostatic Carcinoma*. Postgraduate Course in Denver sponsored by AUA, U UTMB, Galveston and MUSC under an educational grant from Travenol Laboratories, Inc. March 1, 1979.
65. *Cutaneous Lesions of the External Genitalia*. Postgraduate Course, Nine Non-Internal Medicine Topics for the General Internist, Division of Continuing Education and Department of Internal Medicine, MUSC, Millis Hyatt House. March 7, 1979.
66. *Anatomy of University Urology Residencies, The TUR in Prostatic Carcinoma and Management of Staghorn Calculi*. Visiting Professor, University of Alabama. April 18-19, 1979.
67. *Intrascrotal Masses - Differentiation, Diagnosis and Management*. Presented at MUSC Postgraduate Course in Surgery, Kiawah Island, SC. April 19, 1979.
68. *The TUR in Prostatic Carcinoma*. Postgraduate Course in San Antonio, TX sponsored by AUA, UTMB, Galveston and MUSC under an educational grant from Travenol Laboratories, Inc. April 25, 1979.
69. *Delayed Complications of the TUR*. Part of a panel at the AUA Meeting, New York City. May 17, 1979.

INVITED PRESENTATIONS (cont.)

70. Moderated panel on and spoke on *Undergraduate Urologic Education* at the Society of University Urologists Meeting, Chicago, IL. October 26, 1979.
71. *The TUR in Prostatic Cancer*. Presented at TUR Postgraduate Course, sponsored by AUA, MUSC, and UTMB Galveston, Washington, DC, and New York City. November 29, 1979.
72. *The TUR in Prostatic Ca*. Presented at TUR Postgraduate Course, sponsored by MUSC & UTMB, Anaheim, California. February 20, 1980.
73. Presented eight hours of lectures, on the following topics: *Cutaneous Lesions of External Genitalia; Intrascrotal Masses - Diagnosis and Management; X-Ray Findings of Upper Urinary Tract Infection; Female Urethral Syndrome and Urethritis and Prostatitis in the Male; B.P.H. and Urinary Tract Calculi: Etiology, Diagnosis and Management*. Postgraduate Course of Ob/Gyn and Family M.D.'s sponsored by ACOG and MUSC, Venice and Rome Italy. March 24-April 1, 1980.
74. Presented the following talks: *Cutaneous Lesions of the External Genitalia and Etiology, Diagnosis & Management of Urinary Tract Calculi*. Urology for the Primary Care Physician, postgraduate course at Mills House, Charleston, SC. May 26-27, 1980.
75. *The TUR in Prostatic Carcinoma*. Presented at Postgraduate Course for Urologists sponsored by Medical University of South Carolina and University of Texas Medical Branch Galveston, Kansas City. August 12, 1980.
76. *The TUR in Prostatic Carcinoma*. Presented at Postgraduate Course for Urologists sponsored by MUSC and UTMB Galveston, Dallas, TX. August 13, 1980.
77. *The TUR in Prostatic Ca*. Presented at the TUR Postgraduate Course, sponsored by AUA, MUSC, and UTMB Galveston, Chicago, and Cleveland, OH. September 20, 1979, September 19, 1980.
78. *The TUR in Prostatic Cancer*. Presented to Indianapolis Urologic Society. Three additional talks presented as Visiting Professor at Indiana University, Indianapolis, IN. September 27-28, 1980.

INVITED PRESENTATIONS (cont.)

79. *The TUR in Prostatic Carcinoma*. Presented at Postgraduate Course for Urologists sponsored by MUSC and UTMB Galveston, Detroit, MI. September 17, 1980.
80. *The TUR in Prostatic Carcinoma*. Presented at Postgraduate Course for Urologists sponsored by MUSC and UTMB Galveston, Cincinnati, OH. September 18, 1980.
81. *A Review of 171 Consecutive Cases of Urinary Lithiasis*. Given as part of Visiting Professorship, George Washington Univ., Washington, DC. October 11, 1980.
82. *The TUR in Prostatic Ca*. Presented to Carolina Urological Association, Asheville, NC. October 13, 1980.
83. *A Review of 171 Consecutive Cases of Urinary Lithiasis*. Given to Department of Urology, Hahnemann Medical College, Philadelphia, PA. November 1, 1980.
84. *A Review of 171 Consecutive Cases of Urinary Lithiasis*. Given to Department of Urology, New York University Medical School, N. Y., November 3, 1980.
85. *Etiology, Diagnosis and Management of Urinary Lithiasis*. Presented to Georgia Academy of Family Physicians, Atlanta, GA. November 7, 1980.
86. *The TUR in Prostatic Carcinoma*. Presented at Postgraduate Course for Urologists sponsored by MUSC and UTMB Galveston, Philadelphia, PA. November 19, 1980.
87. *The TUR in Prostatic Carcinoma*. . Presented at Postgraduate Course for Urologists sponsored by MUSC and UTMB Galveston, Boston, MA. November 20, 1980.
88. *The TUR in Prostatic Carcinoma*. Presented at Postgraduate Course for Urologists sponsored by MUSC and UTMB Galveston, Tampa, FL. January 21, 1981.
89. *Delayed Complications of the TUR and The TUR in Prostatic Carcinoma*. Lecture to Urology Department, Walter Reed Army Medical Center, Washington, DC. February 24, 1981.

INVITED PRESENTATIONS (cont.)

90. Presented eight hours of lectures, on the following topics:
Evaluation & Surgical Management of Impotence; *Cutaneous Lesions of the External Genitalia*; *Hematuria*; *Benign Prostatic Hyperplasia*; *Non-Specific Urethritis in the Male*; *Prostatitis*; *The Female Urethral Syndrome*; *Carcinoma of the Prostate*.
Postgraduate Course for Obstetricians and Gynecologists sponsored by American College of OBS and GYN and held in Zurich and Vienna, April 3-12, 1981.
91. *The TUR in Prostatic Carcinoma*. Presented at Postgraduate Course for Urologists sponsored by MUSC and UTMB Galveston, San Francisco, CA. April 22, 1981.
92. A Review of 171 Consecutive Cases of Urinary Lithiasis." Presented to Postgraduate Course for Urologists, sponsored by MUSC, Charleston, SC. May 7, 1981.
93. *Urinary Lithiasis: A review of 171 consecutive cases*. and *The TUR in Cancer of the Prostate*. Given at the Edinburgh, Scotland Urologic Festival. August-September, 1981.
94. *Cutaneous Lesions of the External Genitalia*. Presented at the Institute of Urology, London, England. October, 1981.
95. *The TUR in Prostatic Carcinoma*. Presented as Guest Lecturer at the University of Bristol, England. October, 1981.
96. *The TUR in Prostatic Carcinoma*. Presented at Postgraduate Course for Urologists, New Orleans, LA. February, 1982.
97. *The TUR in Prostatic Carcinoma*. Presented at Postgraduate Course for Urologists, Miami, FL. February, 1982.
98. *Inhibitors of Crystallization in the Urine; Evaluation of Lithiasis Patients; The TUR in Prostatic Carcinoma; and Delayed Complications of the TUR*. Given at the University of Florida annual Postgraduate Course for Urologists, Gainesville, FL. February, 1982.
99. *Inhibitors of Crystallization in the Urine*. Presented at Postgraduate Course in Adult & Pediatric Urology, Charleston, SC. March, 1982.

INVITED PRESENTATIONS (cont.)

100. *Inhibitors of Crystallization in the Urine*. Presented at National Naval Medical Center, Bethesda, MD. April, 1982.
101. *The TUR in Prostatic Carcinoma*. Presented at Postgraduate Course for Urologists, Seattle, WA. April, 1982.
102. *Inhibitors of Crystallization in the Urine*. Given to King County Urologic Society, Seattle, WA. April, 1982.
103. *The TUR in Prostatic Carcinoma*. Postgraduate Course for Urologists, Detroit, MI. June, 1982.
104. *The TUR in Prostatic Carcinoma*. Postgraduate Course for Urologists, Cleveland, OH. June, 1982.
105. *Inhibitors of Crystallization in the Urine*. Presented to the National Urologic Forum annual meeting, Santa Fe, NM. June, 1982.
106. *The TUR in Prostatic Carcinoma*. Given at PG Course on Trans-Urethral Surgery, sponsored by Univ. of Texas Galveston, Houston, TX. October 13, 1982.
107. *Cinoxacin in the Treatment of Acute UTI's and Evaluation of the Patient with Lithiasis and the Role of Urinary Inhibitors of Crystallization*. Presented to Ark-La-Tex Urological Society, Texarkana, AR. October 20, 1982.
108. Moderator of panel that discussed the Urologic Motion Pictures, American College of Surgeons Meeting, Chicago, IL. October 28, 1982.
109. *Delayed Complications of the TUR, Urinary Inhibitors of Crystallization* and spoke on Panel on Urolithiasis. Postgraduate Course for Urologists sponsored by National Urologic Forum and Duke University. November 4-7, 1982.
110. *The TUR in Prostatic Carcinoma*. Postgraduate Course for Urologists, sponsored by Univ. of Texas Galveston and MUSC, Washington, DC. November 9, 1982.
111. *The TUR in Prostatic Carcinoma*. Postgraduate Course for Urologists, sponsored by Univ. of Texas Galveston and MUSC, New York City, NY. November 10, 1982.

INVITED PRESENTATIONS (cont.)

112. *Evaluation of the Patient with Recurrent Lithiasis with Particular Reference to the Urinary Inhibitors of Crystallization.* New York Medical College, Valhalla, NY. November 11, 1982.
113. *Evaluation of the Patient with Recurrent Lithiasis with Particular Reference to the Urinary Inhibitors of Crystallization.* Nassau Hospital Urology Staff, Mineola, Long Island, NY. January 7, 1983.
114. *Evaluation of the Patient with Recurrent Lithiasis with Particular Reference to the Urinary Inhibitors of Crystallization.* San Antonio Urologic Society; and Visiting Professor at University of Texas, San Antonio, Texas, January 17, 1983.
115. *Evaluation of the Patient with Recurrent Lithiasis with Particular Reference to the Urinary Inhibitors of Crystallization.* Presented at Difficult Problems in Urology Postgraduate Course for Urologists, sponsored by Univ. of Texas Galveston and MUSC, Los Angeles, CA. February 22, 1983.
116. Moderated a panel on Urolithiasis at the Southeastern Section, AUA, Meeting, Hanes City, FL. March 21, 1983.
117. *Evaluation of the Patient with Recurrent Lithiasis with Particular Reference to the Urinary Inhibitors of Crystallization.* Presented at Difficult Problems in Urology Postgraduate Course for Urologists, sponsored by Univ. of Texas Galveston and MUSC, Cincinnati, OH. April 5, 1983.
118. Served as lecturer to a group of fifty doctors and wives in Vienna, Venice, and Paris. Gave nine hours of lecture as follows: *Hematuria; Intra-scrotal masses; Cutaneous lesions of genitalia; Evaluation of recurrent illnesses; BPH; Cancer of prostate; NSU and prostatics; Infertility, and Erectamine and erectimase.*
119. *Evaluation of the Patient with Recurrent Lithiasis with Particular Reference to the Urinary Inhibitors of Crystallization.* Presented at Difficult Problems in Urology Postgraduate Course for Urologists, sponsored by the University of Texas Galveston and MUSC, Memphis, TN. April 6, 1983.

INVITED PRESENTATIONS (cont.)

120. *Stone Disease: Office and Practical Work-Up.* Instructional Course (90 min.) at annual meeting of American Urological Association, Inc., Las Vegas, NV. April 17-21, 1983.
121. *The Relationship of Erectamine and Erektionase to the Male Id and Superego and the Probable Explanation of Certain Aberrant Forms of Behavior in Middle-Aged Men and Evaluation of the Recurrent Stone Former and the Role of Urinary Inhibitors of Crystallization.* Visiting Professor of Urology at Bay State Medical Center, Springfield, MA. May 4-5, 1983.
122. *Evaluation of the Patient with Recurrent Urolithiasis with Particular Reference to the Urinary Inhibitors of Crystallization.* Presented at Difficult Problems in Urology Postgraduate Course for Urologists, sponsored by the University of Texas Galveston and MUSC, Cambridge, MA. May 31, 1983.
123. *Evaluation of the Patient with Recurrent Urolithiasis with Particular Reference to the Urinary Inhibitors of Crystallization.* Presented at Difficult Problems in Urology Postgraduate Course for Urologists, sponsored by the University of Texas Galveston and MUSC, Philadelphia, PA. June 1, 1983.
124. *The Relationship of Erectamine and Erektionase to the Male Id and Superego and the Probable Explanation of Certain Aberrant Forms of Behavior in Middle Aged Men.* National Urologic Forum, Athens Greece, September 18 -25, 1983.
125. *Evaluation of the Recurrent Stone Formers and the Role of Urinary Inhibitors of Crystallization.* Postgraduate course for urologists on Difficult Problems in Urology Sponsored by the University of Texas Medical Branch Galveston and the Medical University of South Carolina. Dallas, TX. October 13, 1983.
126. Served as lecturer to a group of seventy-five doctors and wives on board the M/V Newport Clipper cruising the Intra-Coastal Waterway in GA and SC. Topics: *Hematuria; Intra-scrotal masses; Cutaneous lesions of genitalia; Evaluation of recurrent illness; BPH; Cancer of prostate; NSU of prostate; Infertility; Erectamine and Erektionase.*

INVITED PRESENTATIONS (cont.)

127. *Evaluation of the Recurrent Stone Former and the Role of the Urinary Inhibitors of Crystallization.* Postgraduate course for Urologists, Charleston, SC. Sponsored by the Medical University of South Carolina. March 16-17, 1984.
128. Ibid. Postgraduate course for Urologists, Tampa, FL. Sponsored by the University of Texas Medical Branch and the Medical University of South Carolina, March 21, 1984.
129. *Evaluation and Medical Management of the Recurrent Stone Former and Delayed Complications of Transurethral Surgery.* Given to the Society of Air Force Clinical Surgeons, Hilton Hotel, Biloxi, MS. April 16-18, 1984.
130. *Evaluation and Management of the Recurrent Stone Former.* 90 Minute instructional course. Presented at annual meeting of American Urological Association Inc., New Orleans, LA. May 6-9, 1984.
131. *Evaluation of the recurrent stone former and the role of urinary inhibitors of crystallization.* Postgraduate Course for Urologists, sponsored by the University of Texas Medical Branch Galveston, Kansas City, MO. September 5, 1984.
132. *Evaluation of the recurrent stone former and the role of urinary inhibitors of crystallization.* Postgraduate Course for Urologists, sponsored by the University of Texas Medical Branch Galveston, St. Louis, MO. September 6, 1984.
133. *A new method for measuring 24-hour urinary oxalates.* Given to the members of the National Urologic Forum, Charlottesville, VA. September 19-22, 1984.
134. *Evaluation of the recurrent stone former and the role of urinary inhibitors of crystallization.* Postgraduate Course for Urologists, sponsored by the University of Texas Medical Branch Galveston, Pittsburgh, PA. October 9, 1984.
135. *Evaluation of the recurrent stone former and the role of urinary inhibitors of crystallization.* Postgraduate Course for Urologists, sponsored by the University of Texas Medical Branch Galveston, Washington, DC. October 10, 1984.

INVITED PRESENTATIONS (cont.)

136. Served as judge for Residents Essay Contest at Kimbrough Urology Seminar, San Francisco, CA. November 6-10, 1984.
137. *Evaluation of the recurrent stone former and the role of urinary inhibitors of crystallization.* Postgraduate Course for Urologists, sponsored by University of Texas Medical Branch Galveston, San Francisco, CA. November 14, 1984.
138. *Evaluation of the recurrent stone former and the role of urinary inhibitors of crystallization and The relationship of Erectamine and Erectiohase to the male Id and Superego, and the probable explanation of certain aberrant forms of behavior in middle-aged men.* Presentations given as the Gilbert Tomskey Visiting Professor of Urology at Louisiana State University, New Orleans, LA. November 28-30, 1984.
139. *Evaluation of the recurrent stone former and the role of urinary inhibitors of crystallization.* Postgraduate Course for Urologists, sponsored by the University of Texas Medical Branch Galveston, San Antonio, TX. December 5, 1984.
140. *Evaluation and management rationale of patients with recurrent urolithiasis, The relationship of Erectamine and Erectionase to the male Id and Superego, and the probable explanation of certain aberrant forms of behavior in middle-aged men, The TUR in prostatic carcinoma, and Delayed complications of the TUR.* All given as Visiting Professor at Naval Medical Center, Portsmouth, VA. December 10, 1984.
141. *Evaluation and management rationale of patients with recurrent urolithiasis.* Our own Postgraduate Course for Urologists in Adult and Pediatric Urology, Mills House, Charleston, SC. March 7-8, 1985.
142. *Evaluation and management rationale of patients with recurrent urolithiasis, The role of the urinary inhibitors of crystallization, and The relationship of Erectamine and Erectionase to the male Id and Superego, and the probably explanation of certain aberrant forms of behavior in middle-aged men.* All given as Visiting Professor, Mt. Sinai School of Medicine and Beth Israel Hospital, New York City, NY. April 10-12, 1985.

INVITED PRESENTATIONS (cont.)

143. *Stone disease: Office and practical work-up.* Given as 90-minute instructional course at Annual Meeting of the American Urological Association, Atlanta, GA. May 12-16, 1985. Served as lecturer to a group of twenty-five doctors and wives in various Scandinavian cities, Topics were: *Hematuria, Intra-scrotal masses, Cutaneous lesions of the genitalia; Evaluation of recurrent urolithiasis; Management of recurrent urolithiasis; BPH; Cancer of the prostate; Non-specific urethritis and prostatitis; Male infertility; The Relationship of Erectamine and Erectinase to the Male Superego and Probable Explanation of Certain Aberrant Forms of Behavior in Middle-Aged Men.* June/July, 1985.
144. *Acid Phosphatase, Cancer of the Prostate and BPH.* National Urologic Forum, New York City, October 24-27, 1985.
145. Served as lecturer to a group of twenty-five doctors and wives in various Spanish cities. Topics as listed above under #1. April, 1986.
146. *Stone Disease: Office and practical workup.* Given as 90-minute instructional course at Annual Meeting of the American Urological Association, New York City. May, 1986.
147. Served as lecturer to a group of twenty-five doctors and wives from the Ohio and Missouri state medical societies while traveling aboard the S. S. Sun Princess in inland Alaska waterways. Topics were: *Hematuria; intrascrotal masses; cutaneous lesions of the genitalia; evaluation and management of urolithiasis; BPH; cancer of the prostate; non-specific urethritis and prostatitis male infertility.* July, 1986
148. Gave the invited Boots Lecture to the St. Peter's Society, University of London, England. November, 1986.
149. *Alternatives to the Dornier Lithotripter.* Postgraduate Course in Adult and Pediatric Urology, Charleston, SC. March, 1987.
150. *Stone Disease: Office and Practical Workup.* Given as a 90-minute instructional course at the annual meeting of the American Urological Association (fifth year of presentation), Anaheim, CA. May, 1987.

INVITED PRESENTATIONS (cont.)

151. *Evaluation and Management of the Patient with Recurrent Urolithiasis*. Given at a Postgraduate course for urologists, Newport Beach, California, June 26, 1987.
152. *Evaluation and Management of the Patient with Recurrent Urolithiasis*. Postgraduate Course for urologists at the Homestead, Hot Springs, VA. August 7, 1987.
153. Served as lecturer to a group of 25 physicians (not urologists). Topics were: *Hematuria; Intra-scrotal masses; Cutaneous lesions of the genitalia; Evaluation of recurrent urolithiasis; Management of recurrent urolithiasis; BPH; Cancer of the prostate; Non-specific urethritis and prostatitis; Male infertility; The Relationship of Erectamine and Erectinase to the Male Superego and Probable Explanation of Certain Aberrant Forms of Behavior in Middle-Aged Men*. On board the QEII August 16-21, 1987.
154. *Evaluation and Management of the Patient with Recurrent Urolithiasis*. Guest Speaker at annual meeting of the Kentucky Medical Association and the Kentucky Urologic Association, Louisville, KY. September 15, 1987.
155. *Delayed Complications of Trans-urethral Surgery and Cutaneous Lesions of the External Genitalia and The Relationship of Erectamine and Erectinase to the Male Superego and the Probable Explanation of Certain Forms of Aberrant Behavior in Middle-Aged Men*. Presentations given as part of the Edward Ray Professorship of Urology at the University of Kentucky Medical Center, Lexington, KY. September 16 and 17, 1987.
156. Chairman and moderator, motion picture sessions (for urology), American College of Surgeons Annual Meeting, San Francisco, CA. September 15, 1987.
157. *The Current Status of Undergraduate Urologic Teaching*. Moderator and panelist at annual meeting of the Society of University Urologists, San Francisco, California, September 16 and 17, 1987.
158. *The Management of Urinary Tract Infections, including Cost Considerations*. Given to the staff of the Canton, Mississippi hospital. October 19, 1987.

INVITED PRESENTATIONS (cont.)

159. *Evaluation and Management of the Patient with Recurrent Urolithiasis*. Lecture given to urology staff at Robert Wood Johnson Medical School of the New Jersey College of Medicine and Dentistry, New Brunswick, NJ. January 27, 1988.
160. *Evaluation and Management of the Patient with Recurrent Urolithiasis*. Presentation given at annual postgraduate course for urologists given by Medical University of South Carolina in Charleston, SC. March 4 and 5, 1988.
161. *Evaluation and Management of the Patient with Recurrent Urolithiasis*. Presentation to the Mid-Hudson Valley Urological Association, Milton, NY. April 7, 1988.
162. *Stone Disease: Office and Practical Work-up*. Given as 90-minute instructional course at the annual meeting of the American Urological Association, Boston, MA. June 5, 1988 (Sixth consecutive year this course given).
163. *Infection and Inflammation in the Lower GU Tract*. Presented to hospital staff, St. Charles, IL. August 30, 1988.
164. *Evaluation and Management of the Patient with Recurrent Urolithiasis*. Presented to urologists as part of a postgraduate course, Los Angeles, CA. September 14, 1988.
165. *Infection and Inflammation in the Prostate and the Male Urethra*. Presented to hospital staff, Des Moines IA. September 22, 1988.
166. *Evaluation and Management of the Patient with Recurrent Urolithiasis*. Presented to urologists, Fort Smith, AR. September 27, 1988.
167. *Evaluation and Management of the Patient with Recurrent Urolithiasis*. Presented to urologists as part of a postgraduate course, Cherry Hill, NJ. October 4, 1988.
168. *Evaluation and Management of the Patient with Recurrent Urolithiasis*. Presented to urologists as part of a postgraduate course, Chicago, IL. November 9, 1988.
169. *Infection and Inflammation in the Prostate and the Male Urethra*. Presented to hospital staff, Augusta, GA. January 4,

1989.

INVITED PRESENTATIONS (cont.)

170. *Evaluation and Management of the Patient with Recurrent Urolithiasis*. Presented to hospital staff, Exeter, NH. March 14, 1989.
171. *Stone Disease: Office and Practical Work-up*. Presented as a 90-minute instructional course, annual meeting of the American Urological Association, Dallas, TX. May 9, 1989.
172. *Informed Consent, Medical Publishing, and The Relationship of Erectamine and Erectionase to the Male Id and Superego, and the Probable Explanation of Certain Aberrant Forms of Behavior in Middle Aged Men*. Presentations given as visiting professor, Department of Surgery, Mercer University Medical School, Macon, GA. May 18-19, 1989
173. *Management of Urinary Tract Infections in the Elderly*. Presented to the hospital staff, Centralia, IL. June 26, 1989.
174. *The Relationship of Erectamine and Erectionase to the Male Id and Superego and the Probable Explanation of Certain Aberrant Forms of Behavior in Middle-Aged Men*. Presented to the Mayo Clinic Urology Staff and Alumni on the occasion of Dr. David Utz' retirement dinner, Rochester, MN. July 15, 1989.
175. *Diagnosis and Management of Carcinoma of the Prostate*. Presented to the Department of Medicine Grand Rounds, Fitzgerald-Mercy Medical Center, Darby, PA. September 6, 1989.
176. *Management of Urinary Tract Infections in the Elderly*. Presented to the hospital staff, Thomaston, GA. September 11, 1989.
177. *Management of Urinary Tract Infections in the Elderly*. Presented to the hospital staff, Paducah, KY. September 25, 1989.
178. *Management of Urinary Tract Infections in the Elderly*. Presented to the hospital staff, Mayfield, TN. Morning, September 26, 1989.
179. *Management of Urinary Tract Infections in the Elderly*. Presented to the hospital staff, Dyersburg, TN. Afternoon,

September 26, 1989.

INVITED PRESENTATIONS (cont.)

180. *Management of Urinary Tract Infections in the Elderly.*
Presented to the staff, Staff Francis Hospital, Escanaba, MI.
October 10, 1989.
181. *Evaluation and Management of the Patient with Recurrent Urolithiasis.* Presented to the hospital staff, Exeter, NH.
January 2, 1990.
182. *Management of Urinary Tract Infections in the Elderly.*
Presented to the staff, Fish Memorial Hospital, Deland, FL.
January 11, 1990.
183. *Evaluation and Management of the Patient with Recurrent Urolithiasis.* Presented to the Las Vegas Urological Society, Las Vegas, NV. January 17, 1990.
184. *Informed Consent, The Relationship of Erectamine and Erectionase to the Male Id and Superego and the Probable Explanation of Certain Aberrant Forms of Behavior in Middle-Aged Men, Evaluation and Management of the Patient with Recurrent Urolithiasis.* Presented as Visiting Professor, Bay State Medical Center, Springfield, MA. March 14-15, 1990.
185. *Stone Disease: Office and Practical Work-up.* Presented as a 90-minute course (for the eighth consecutive year), annual meeting of the American Urological Association, New Orleans, LA. May 15, 1990.
186. *The Relationship of Erectamine and Erectionase to the Male Id and Superego and the Probable Explanation of Certain Aberrant Forms of Behavior in Middle-Aged Men.* Presented to the hospital staff, Natchitoches, LA. June 5, 1990.
187. *Management of Urinary Tract Infections in the Elderly, including Cost Considerations.* Presented to the medical staff of the Saginaw General Hospital, Saginaw, MI. September 4, 1990.
188. *Evaluation & Management of the Patient with Recurrent Urolithiasis.* Presented as Medical Grand Rounds, University of Illinois at Peoria Medical School, Peoria, IL. September 5, 1990.

INVITED PRESENTATIONS (cont.)

189. *Management of Urinary Tract Infections in the Elderly, including Cost Considerations.* Presented to the medical staff at the Bay City Medical Center, Bay City, MI. September 13, 1990.
190. *Evaluation & Management of the Patient with Recurrent Urolithiasis.* Presented to the Tampa Bay Urologic Society, Tampa, FL. January 17, 1991.
191. *Evaluation & Management of the Patient with Recurrent Urolithiasis.* Presented to the medical staff of the Sarasota Memorial Hospital, Sarasota, FL. January 18, 1991.
192. *Carcinoma of the Prostate.* Presented to the medical staff of the Exeter Hospital, Exeter, NH. January 22, 1991.
193. *Cancer of the Prostate.* Presented to Department of Surgery Grand Rounds, Dartmouth Medical School, Hanover, NH. September 28, 1991.
194. *Early Diagnosis of GU Cancer.* Presented to the medical staff weekly conference, Exeter Hospital, Exeter, NH. March 24, 1992. *BPH and Cancer of the Prostate.* Presented to the White River Jet. Vermont, Senior Citizens Center, June 1992.
195. *Medical Management of BPH.* Presented to a group of area Internists at Home Hill Inn, Plainfield, NH. September 30, 1992.
196. Moderator, Urology Motion Picture Session. Annual Meeting American College of Surgeons, New Orleans, October 14, 1992.
197. *Medical Management of BPH, Newer Trends in Diagnosis and Management of Urosepsis and Evaluation and Management of Patients with Urolithiasis.* Presentations given as the Lynch Visiting Professor of Urology, Medical University of South Carolina, October 23 and 24, 1992.
198. *Cancer of the Prostate.* Presented to the Medical Staff of the Springfield, Vermont Hospital. December 10, 1992.

INVITED PRESENTATIONS (cont.)

2

199. *Medical Management of BPH, Newer Trends in Diagnosis and Management of Urosepsis and Evaluation and Management of Patients with Urolithiasis.* Presentations given as the Visiting Professor of Urology at Southern Illinois University Medical School, Springfield, IL. December 11-12, 1992.
200. *Medical Management of BPH.* Presented to the Medical Staff of Nashua Hospital, Nashua, NH. January 20, 1993.
201. *Medical Management of BPH.* Presented to a group of primary care physicians from the Medical Staff of Elliott Hospital, Manchester, NH. February 17, 1993.
202. *Medical Management of BPH.* Presented to a group of primary care physicians from the Medical Staff of Elliott Hospital, Manchester, NH. March 3, 1993.
203. *Diagnosis and Management of Patients With Urolithiasis and Diagnosis and Management of Intra-Scrotal Lesions.* Presented at the Section of Urology PG Course, Dartmouth-Hitchcock Medical Center, April 1, 1993.
204. *Medical Management of BPH, Trends in Urosepsis Management, and Evaluation and Management of Urolithiasis.* Presented to the USUHS medical students and the Walter Reed Army Medical Center Urology Staff, Walter Reed Army Medical Center, Washington, DC. April 9 and 16, 1993.
205. *Medical Management of BPH.* Presented to the Medical Staff of Brattleboro Hospital, Brattleboro, VT. April 22, 1993.
206. *Medical Management of BPH.* Presented to the Internal Medicine House Staff at Dartmouth-Hitchcock Medical Center, Hanover Inn, Hanover, NH. May 12, 1993.
207. Moderator of poster session on BPH at the Annual Meeting of the American Urological Association, San Antonio, Texas. May 19, 1993.
208. *Medical Management of BPH and Evaluation & Management of Urolithiasis Patients.* Presented to the Medical Staff of the VA Medical Center, Togus, ME. May 21, 1993.

INVITED PRESENTATIONS (cont.)

209. *Medical Management of BPH.* Presented to the Medical Staff

of the Keene Hospital, Keene, NH. June 1, 1993.

210. *Diagnosis and Management of the Patient with Recurrent Urolithiasis*. Given as a part of a P.O. course for non-urologist physicians, Dartmouth-Hitchcock Medical Center/September 30, 1993.
211. *Medical Management of Benign Prostatic Hyperplasia*. Given as Medical Grand Rounds, New Britain General Hospital, CT. November 18, 1993.
212. *Medical Management of Benign Prostatic Hyperplasia*. Given to the Medical Staff, Veterans Affairs Medical Center, Manchester, NH. December 10, 1993.
213. *Diagnosis and Management of Recurrent Urolithiasis*. Given to the Urology Department, Walter Reed Army Medical Center. January 14, 1994.
214. *Medical Management of Benign Prostatic Hyperplasia*. Given to the Medical Staff, Nashua Memorial Hospital, NH. March 31, 1994.
215. *Medical Management of Benign Prostatic Hyperplasia*. Given to the Medical Staff, Cooley-Dickinson Hospital, Northampton, MA. May 6, 1994.
216. At the annual meeting of the American Urological Association. Moderated a panel discussion on the endoscopic management of stone disease. Moderated a podium session on carcinoma of the prostate. . San Francisco, CA. May 15-19, 1994.
217. *Diagnosis and Management of Genito-Urinary Tract Injuries*. Given as part of a course on trauma management for emergency physicians. Dartmouth-Hitchcock Medical Center, Lebanon, NH. September 9, 1994.
218. Planned, chose and moderated the Cine Clinics for urology at the American College of Surgeons meeting, Chicago, IL. October 12, 1994.
219. *Diagnosis and Management of the Patient with Recurrent Urolithiasis*. Given to the Urology staff at the National Naval Medical Center, Bethesda, MD. January 26, 1995.

INVITED PRESENTATIONS (cont.)

220. Moderated a Poster Session on the Management of Advanced Cancer of the Prostate at the annual meeting of the American Urological Association, Las Vegas, NV. April 26, 1995.
221. *Diagnosis and Management of the Patient with Recurrent Urolithiasis*. Given to the Medical Staff of the Norwalk Hospital, Norwalk CT. May 18, 1995.
222. *Prostate Cancer*. Presentation to the prostate cancer support group (laypersons) at the Norwalk Hospital, Norwalk, CT. May 18, 1995.
223. *Prostatitis*. Spoke on this as member of NIH (NIDDK) working study group. Bethesda, MD. December 6, 1995.
224. *Cutaneous Lesions of the External Genitalia*. Given to the Urology Staff at the National Naval Medical Center, Bethesda, MD. January 18, 1996.
225. *Prostatitis*. Spoke on this as member of NIH (NIDDK) study group meeting at Northwestern University Medical Center, Chicago, IL. April 3, 1996.
226. *Management of Advanced Cancer of the Prostate*. Moderated a poster session on this at the annual meeting of the American Urological Association, Orlando, FL. May 7, 1996.
227. *Diagnosis and Management of the Patient with Recurrent Urolithiasis*. Given to the Urology staff and medical students at the National Naval Medical Center and the Uniformed Services University of the Health Sciences, Bethesda, MD. January 9, 1997.
228. *Cancer of the Prostate*. Given to the Hanover, NH Lions Club. March 6, 1997.
229. *Benign Prostatic Hyperplasia Highlights*. A summary and critique of the preceding day's presentations at the annual meeting of the American Urological Association, New Orleans, LA. April 14, 1997.
230. *Management of Advanced Prostate Cancer*. Moderated a poster session on this at the annual meeting of the American Urological Association, New Orleans, LA. April 15, 1997.

INVITED PRESENTATIONS (cont.)

231. *Metabolic Aspects of Stone Disease*. Presented to the staff of the Springfield, VT Hospital. June 5, 1997.
232. *Cutaneous Lesions of the External Genitalia*. Presented to the Urology staff and residents at the National Naval Medical Center, Bethesda, MD. September 17, 1997.
233. *Benign Prostatic Hyperplasia*. Presented at the annual Kimbrough Urological Seminar, San Francisco, CA. November 19, 1997.
234. *Benign Prostatic Hyperplasia*. Presented to the Washington D.C. Urologic Society, Bethesda, MD. January 22, 1998.
235. *Diagnosis and Management of the Patient with Recurrent Urolithiasis and Benign Prostatic Hyperplasia*. Presented at a postgraduate course sponsored by the DHMC Section of Urology, Lebanon, NH. March 26, 1998.
236. *Cancer of the Prostate*. Presented to the tri-state chapter of the Retired Officers Association, Kittery, ME. May 16, 1998.
237. *Benign Prostatic Hyperplasia*. Presented to the Worcester Urologic Society, Worcester, MA. May 21, 1998.
238. *Cancer of the Prostate and Benign Prostatic Hyperplasia*. Presented at the annual meeting of the Amherst Alumni Association, Amherst, MA. May 29, 1998.
239. *Benign Prostatic Hyperplasia*. Given to the weekly Urology Grand Rounds at the Brigham and Women's Hospital, Boston, MA. September 12, 1998.
240. *The Relationship of Erectamine and Erektionase to the Male Id and Superego, and the Probable Explanation of Certain Aberrant Forms of Behavior in Middle-Aged Men*. Given at the Festschrift for Dr. J. William McRoberts, Lexington, KY. October 9, 1998.
241. *Evaluation and Management of the Patient with Recurrent Urolithiasis*. Given to the combined weekly Urology Grand Rounds at Brooke Army Medical Center and Wilford Hall Air Force Medical Center, January 14, 1999.

INVITED PRESENTATIONS (cont.)

242. *Benign Prostatic Hyperplasia*. Given to the combined weekly Urology Grand Rounds at Brooke Army Medical Center and Wilford Hall Air Force Medical Center, January 21, 1999.
243. *Hematuria*. Given to the Postgraduate course for Primary Care Physicians held at the Dartmouth-Hitchcock Medical Center, Lebanon, NH. April, 1999.
244. *Non-Surgical Management of Benign Prostatic Hyperplasia*. Given at a Postgraduate Course for Urologists, Boston, MA. June 18, 1999.
245. *Non-Surgical Management of Benign Prostatic Hyperplasia*. Given at a Postgraduate Course for Urologists, Denver, CO. July 23, 1999.
246. *Non-Surgical Management of Benign Prostatic Hyperplasia*. Given at a Postgraduate Course for Urologists, Chicago, IL. August 20, 1999.
247. *Non-Surgical Management of Benign Prostatic Hyperplasia*. Given at a Postgraduate Course for Urologists, Berkeley, CA. August 27, 1999.
248. *Treatment of the Overactive Bladder*. Given to the Medical Staff of the Berlin, NH Hospital. September 14, 1999.
249. *Cutaneous Lesions of the Male Genitalia and Benign Prostatic Hyperplasia*. Given to Urologists at the Medical University of South Carolina. April 13-15, 2000.
250. *Management of Recurrent Urolithiasis*. Given to the Urology Staff and Residents at the Walter Reed Army Medical Center, Washington, DC. May 5, 2000.

GRANTS (PRINCIPAL INVESTIGATOR)

1. Long-Term Effects of Finasteride (MK-906) in Patients With Benign Prostatic Hyperplasia. Merck Laboratories, \$113,750. 1992-1996.
2. A Clinical Trial Comparing the Safety and Efficacy of Alpha Blockage and Androgen Suppression for the Treatment of Benign Prostatic Hyperplasia. Veterans Administration, Merck Laboratories, Abbott Laboratories, \$150,000. 1992-1994.

GRANTS (PRINCIPAL INVESTIGATOR) (cont.)

3. Long-Term Use of Cinoxacin in the Prevention of Recurrent Urinary Tract Infections. Lilly Research Laboratories, \$25,000.
4. Comparison of Cefaclor and Bactrim in the Treatment of Acute Urinary Tract Infections. Lilly Research Laboratories, \$25,000.
5. A Clinical Study for the Evaluation of LY127935 in the Treatment of Urinary Tract Infections. Lilly Research Laboratories, \$22,500.
6. A Clinical Study for the Comparison of Keflex b.i.d. vs. q.i.d. Dosage Regimes in the Treatment of Urinary Tract Infections. Lilly Research Laboratories, \$24,000.

UNIVERSITY TEACHING ROLES

VISITING PROFESSORSHIPS AND LECTURESHIPS

1. Edward H. Ray Visiting Professor of Urology, University of Kentucky College of Medicine, Lexington, KY. November 23-24, 1973.
2. University of Cincinnati Medical Center, Cincinnati, OH. February 16-18, 1975.
3. McGuire Lecturer, Medical College of Virginia Richmond, VA. December 3-4, 1977.
4. State University of New York, Downstate Medical Center, Brooklyn, NY. December 5, 1978.
5. University of Southern California School of Medicine, Los Angeles, CA. February 26-27, 1979.
6. University of Alabama Medical Center, Birmingham, AL. April 18-19, 1979.
7. Indiana University Medical Center, Indianapolis, IN. September 27-28, 1979.
8. George Washington University Medical Center, Washington, DC. October 10-11, 1980.
9. Louisiana State University Medical Center, Shreveport, LA. October 21, 1982.

VISITING PROFESSORSHIPS AND LECTURESHIPS (cont.)

10. Louisiana State University Medical Center, New Orleans, LA. November 28 thru December 1, 1984.
11. Naval Regional Medical Center, Portsmouth, VA. December 12, 1984.
12. Mt Sinai School of Medicine-Beth. Israel Medical Center, New York, NY. April 10 thru April 12, 1985.
13. September 15-16, 1987. Edward H. Ray Visiting Professor of Urology, University of Kentucky Medical Center, Lexington, KY.
14. Mercer University School of Medicine, Macon, GA. May 18-19, 1989.
15. Bay State Medical Center (Tufts University Medical School affiliate), Springfield, MA. March 14-15, 1990.
16. Lynch Visiting Professor of Urology, Medical University of South Carolina, Charleston, SC. October 22-24, 1992.
17. Southern Illinois University School of Medicine, Springfield, IL. December 11-12, 1992.
18. Walter Reed Army Medical Center and the Uniformed Services University of the Health Sciences, Washington, DC. and Bethesda, MD. April 9, 1993.
19. National Naval Medical Center and the Uniformed Services University of the Health Sciences. Bethesda, MD. April 15, 1993.
20. Walter Reed Army Medical Center and the Uniformed Services University of the Health Sciences. Washington, D.C. and Bethesda, MD. January 14, 1994.
21. National Naval Medical Center and the Uniformed Services University of the Health Sciences. Bethesda, MD. January 20, 1994.
22. National Naval Medical Center and the Uniformed Services University of the Health Sciences. Bethesda, MD. January 26, 1995.
23. Walter Reed Army Medical Center and the Uniformed Service University of the Health Sciences. Washington, DC and Bethesda, MD. January 12, 1996.

VISITING PROFESSORSHIPS AND LECTURESHIPS (cont.)

24. National Naval Medical Center and the Uniformed Services University of the Health Sciences. Bethesda, MD. January 9, 1997.
25. Walter Reed Army Medical Center and the Uniformed Services University of the Health Sciences. Washington, DC and Bethesda, MD. January 17, 1997.
26. Washington Urologic Society, including Georgetown and George Washington University residents. Washington, DC. January 22, 1998.
27. Walter Reed Army Medical Center and the Uniformed Services University of the Health Sciences. Bethesda, MD. January 23, 1998.
28. Brooke Army Medical Center and Wilford Hall Air Force Medical Center combined residency programs. San Antonio, TX. January 12, 1999.
29. Medical University of South Carolina, Charleston, SC. April 13-15, 2000.

UROLOGIC PRACTICE POST-RETIREMENT

1. At the Naval Ambulatory Care Center, Newport, RI where there is no full-time urologist. Went once a month from 1/1/01 to 12/02 as a Red Cross Volunteer and saw an average of about 15 patients per day for urologic diagnosis and treatment.
2. Summer of 2001 was the ship's doctor on the Empire State, which is the 565-foot long training ship for the State University of New York Maritime College. Responsible for the care of about 400 Cadets at the College as well as the professional crew of the ship. Ports of call included the Canary Islands, Copenhagen, Edinburgh and the Azores. This was a paid position.
3. Worked as a Red Cross Volunteer Urologist for the entire month of June 2003 at the Landstuhl Regional Medical Center (Germany) as they were short-handed in Urology due to the Iraq war. I saw, diagnosed, and treated about 200 patients during the month.
4. Worked as a Red Cross Volunteer Urologist for one week in October 2003 at the Walter Reed Army Medical Center.

UROLOGIC PRACTICE POST-RETIREMENT (cont.)

5. Worked as a Red Cross Volunteer Urologist for one week in January 2004 at the Walter Reed Army Medical Center.

6. I am fully credentialed (until 4/06) at the Walter Reed Army Medical Center, Washington, D.C.
