

CURRICULUM VITAE
Lori A. Daiello Pharm.D, BCPP

Rhode Island Hospital Alzheimer's Disease and Memory Disorders Center
593 Eddy Street, APC 725
Providence, Rhode Island 02903
401.444.3337
401.444.6858
lori_daiello@brown.edu
ldaiello@lifespan.org

EDUCATION

1986 Bachelor of Science, The Ohio State University College of Pharmacy
1993 Doctor of Pharmacy, The Ohio State University College of Pharmacy

POSTGRADUATE TRAINING

2006-2008 Post-doctoral Dementia Research Fellow, Brown University Medical School and
Rhode Island Hospital Alzheimer's Disease and Memory Disorders Center

POSTGRADUATE HONORS AND AWARDS

1996 Award for Excellence and Contributions to Pharmacy Practice – The Ohio
State University College of Pharmacy

1997 Outstanding Faculty Award - University of Florida Working Professional
Pharm.D Program

2000 Outstanding Faculty Award - University of Florida Working Professional
Pharm.D Program

2004 Professional Impact Award – Alzheimer's Resource Center, Orlando, FL

2004 Best Pharmacists in America

2007 Young Investigators Award, Clinical Science Category – 15th Annual Lifespan
Research Celebration

2008 3rd Annual Senior Care Pharmacist Award – American Society of Consultant
Pharmacists

PROFESSIONAL LICENSES AND BOARD CERTIFICATION

1986-present Ohio Pharmacist License

1996–present Florida Pharmacist License

1996–present Florida Consultant Pharmacist License

1997- present Board Certification in Psychiatric Pharmacy, Board of Pharmaceutical Specialties

2009- present Rhode Island Pharmacist License

ACADEMIC APPOINTMENTS

1986-1996 Clinical Instructor, The Ohio State University College of Pharmacy

1997-2000 Clinical Instructor, University of Florida Working Professional Pharm.D Program

2009-present Assistant Professor of Neurology (Research), Warren Alpert Medical School of Brown University

HOSPITAL APPOINTMENTS

2008- present Research Associate, Alzheimer's Disease and Memory Disorders Center, Rhode Island Hospital

OTHER APPOINTMENTS

1986-1993 Clinical Consultant Pharmacist, NCS Healthcare

1988-1993 Consultant Pharmacist Manager, NCS Healthcare

1990-1991 Ad Hoc Advisory Committee on Institutional Rule Review, Ohio State Board of Pharmacy

1991-1993 Staff Pharmacist, The Ohio State University Hospitals

1993 -1996 Pharmacopsychiatric Clinical Specialist, NCS Healthcare

1995-1996 Ohio Department of Mental Health Long Term Care Behavioral Task Force

1996-2000 Clinical Coordinator and Psychopharmacology Specialist, Orlando Regional Healthcare System Senior Services Division

1998 -1999 Advisor, State of Florida Panel for the Study of End-of-Life Care

1999–2002 Member, Joint Scientific Advisory Committee on Psychiatric Services in Long Term Care

2001-present Psychopharmacology Consultant, Orlando Regional Memory Disorders Clinic

2000-2006 President and Geriatric Psychopharmacology Specialist, Pharmacotherapy Solutions, Orlando, FL

MEMBERSHIP IN SOCIETIES

1986-present American Society of Consultant Pharmacists
- Member, Educational Advisory Committee, American Society of Consultant Pharmacists (1994-1995)
- Member, Educational Advisory Committee, American Society of Consultant Pharmacists (1998-1999)

	- Chair, Educational Advisory Committee, American Society of Consultant Pharmacists (1999–2000)
	- Board of Directors, American Society of Consultant Pharmacists (2001-2003)
2000-present	College of Psychiatric and Neurologic Pharmacists
2008-present	Alzheimer’s Association International Society to Advance Alzheimer’s Research and Treatment (ISTAART)
2009-present	International Society for Pharmacoepidemiology

GRANTS AND CLINICAL RESEARCH

Orlando Regional Healthcare System 10/01/99-12/19/00 (completed)
 This study is to identify the types and frequency of drug-related problems in patients presenting to a memory disorders clinic
 Role: Principal Investigator
 Direct/Total Costs: \$5500

Administration on Aging 2/01/01 – 12/20/02 (completed)
 Orlando Senior Resource Alliance
 This study is to investigate the impact of providing psychopharmacology consultation to high risk elderly residing in the community.
 Role: Principal Investigator
 Direct/Total Costs: \$20,000

RO1 #AG16335
 NIH/NIA Brian Ott (PI) 09/15/01-5/31/07 (completed)
 A longitudinal study of drivers with dementia.
 This study is to define the course of driving impairment in Alzheimer's Disease and develop computerized test predictors of impaired road test performance.
 Role: Sub-Investigator
 Direct/Total Costs: \$1,089,390/\$1,439,916

2 RO1 #AG016335-05

NIH/NIA

Brian Ott (PI)

04/1/07-3/31/11 (ongoing)

Naturalistic assessment of driving in cognitively impaired elders.

This study is to define the basis of driving impairment in Alzheimer's disease and develop computerized test predictors of impaired road test performance and driving ability in the natural home environment.

Role: Sub-Investigator

Direct/Total Costs: \$1,171,313/\$1,783,538

1R18 HS017281-01

NIH/AHRQ

Kate Lapane (PI)

09/30/07 – 8/31/10

Tailored DVD to improve medication management for low literate elderly patients

This project focuses on developing and testing interventions that seek to improve the patient experience of care through health information technology, improved shared decision making and patient-clinician communication, as well as self-management of chronic conditions.

Role: Sub-Investigator

Total Costs: \$1,199,549

1K08 HS017735-01A1

07/01/2009-6/30/14

NIH/AHRQ

Lori Daiello Pharm.D (PI)

Neglected by the evidence: the intersection between medical complexity and dementia

The focus of this career development grant is the building of skills in comparative effectiveness research methods and data analysis to investigate the effects of discontinuing cholinesterase inhibitors in nursing home patients with dementia and the effects of general anesthesia on the rate of cognitive and functional decline of nursing home patients with dementia.

Role: Principal Investigator

Direct/Total Costs: \$706,018

UNIVERSITY TEACHING ROLES

Institution: The Ohio State University College of Pharmacy, Columbus, Ohio

Course: Psychopharmacology

Dates: January 1986-1996

Students: 85

Topics: Psychiatric assessment, safety and efficacy of psychopharmacologic treatment of schizophrenia and mood disorders, treatment of Alzheimer's Disease

Institution: University of Florida, Working Professional Pharm.D Program, Tampa, FL

Course: Geriatric Psychopharmacology

Dates: January 1997-2000

Students: 150

Topics: Psychiatric assessment, safety and efficacy of geriatric psychopharmacology, treatment of Alzheimer's Disease

Institution: Warren Alpert Medical School of Brown University

Lecturer: Geriatric psychiatric and geriatric medicine, neurology, neuropsychology programs

Dates: May 2009-present

Topics: Safety and efficacy of geriatric psychopharmacology, assessment and treatment of behavioral symptoms of dementia, treatment of Alzheimer's Disease
