7.iii. Service to the Community

Legislation/Governance:
- In 2010 a group of students and I drafted the RI Climate Risk Reduction Act of 2010 which created the Rhode Island Climate Change Commission.
- From December 2013 to December 2014 I led a team of twenty Brown undergraduate interns and consultants to research, draft, and pass the first comprehensive climate change legislation in the state’s history, called the Resilient Rhode Island Act. Including coordination with the Office of the Governor, the Senate Policy Office, the Department of Environmental Management, and the Environment Council of Rhode Island. The bill passed nearly unanimously and was signed into law August 1, 2014 by Governor Lincoln Chafee.
- I was appointed by Governor Gina Raimondo to the Scientific and Technical Advisory Board of the Executive Climate Change Coordinating Council (the EC4), where state agency heads coordinate planning for climate change in Rhode Island, as mandated by the Resilient RI Act.
- From January 2015 to the present I am co-leading a team of student interns and consultants in developing legislation on pricing carbon and dispersing revenue (including dividends and funding to weatherizing low-income housing and small businesses). See EnergizeRI.org. Both projects were funded by the Office of the President, Brown, the Merck Family Fund and the John Merck Fund.
- In 2017 my Climate and Development Lab provided research support for the Massachusetts effort to allow taxpayers to make a voluntary contribution to the Least Developed Countries Fund of the UNFCCC, introduced by Senator Bennett in March.
