7.iii. Service to the Community

Legislation/Governance:

• In 2010 a group of students and I drafted the RI Climate Risk Reduction Act of 2010 which created the Rhode Island Climate Change Commission.

• From December 2013 to December 2014 I led a team of twenty Brown undergraduate interns and consultants to research, draft, and pass the first comprehensive climate change legislation in the state’s history, called the Resilient Rhode Island Act. Including coordination with the Office of the Governor, the Senate Policy Office, the Department of Environmental Management, and the Environment Council of Rhode Island. The bill passed nearly unanimously and was signed into law August 1, 2014 by Governor Lincoln Chafee.

• I was appointed by Governor Gina Raimondo to the Scientific and Technical Advisory Board of the Executive Climate Change Coordinating Council (the EC4), where state agency heads coordinate planning for climate change in Rhode Island, as mandated by the Resilient RI Act.

• From January 2015 to the present I am co-leading a team of student interns and consultants in developing legislation on pricing carbon and dispersing revenue (including dividends and funding to weatherizing low-income housing and small businesses). See EnergizeRI.org. Both projects were funded by the Office of the President, Brown, the Merck Family Fund and the John Merck Fund.

• In 2017 my Climate and Development Lab provided research support for the Massachusetts effort to allow taxpayers to make a voluntary contribution to the Least Developed Countries Fund of the UNFCCC, introduced by Senator Bennett in March.

Pro Bono Policy Research and Service on Advisory Boards

2015-present Appointed by Governor Gina Raimondo to the Scientific and Technical Advisory Board of the Executive Climate Change Coordinating Council, State of Rhode Island

2010-2014 Appointed to the Rhode Island Climate Change Commission; co-chaired the Health and Well-Being subcommittee.
2012 Worked with University of Rhode Island’s Coastal Resources Center in developing a website on climate change in Rhode Island.

2012, 2013 Worked with the City of Central Falls in updating their Hazard Mitigation Plan to include more current climate information and some consideration of likely future climate impacts.

2013 Reviewed the State of Rhode Island’s Vulnerability Assessment and Hazard Mitigation Plan and proposed revisions.

2010-present Board member, EcoEquity.org, an international climate justice organization.
2012-13 Member, Environmental Sustainability Task Force of the City of Providence, RI
2004-09 Board member, James City County Concerned Citizens
2005 Williamsburg Accessibility Project study leader
1993-1997 Executive Committee member, Louisiana Chapter of the Sierra Club

I routinely give public speeches on climate change, such as at the Foreign Affairs Council of Providence (2017), Lincoln School (2017), Interfaith Power and Light annual conference (2011, 2015), the Unitarian Universalists church in Providence (2015), Blackstone Park Conservancy (2016), Environment Council of Rhode Island (2016), and People’s Power and Light (2017). I have given speeches to groups as diverse as Occupy Providence and the Lions Club of Williamsburg, Virginia.

Other Consultancies:

2016 Inter-American Development Bank, position statement on Latin America and global climate action, Legal Division.
2012 Freidrich Ebert Foundation (Germany). Policy briefing on China, Latin America, and Climate Change. With Guy Edwards.
2009 Department for International Development (DFID), government of the United Kingdom. Assessment of the proportion of the DFID portfolio of projects which could help developing countries adapt to climate change.
1990 Research Consultant, Municipal Planning Secretariat, Parauapebas County, Pará, Brazil. Conducted research and analysis on economic and social conditions in an Amazon boom town.
8. Academic honors, fellowships, honorary societies:
