“RI Allows Parents Of Children With Autism To Experiment With Medical Marijuana” Interview on The Public’s Radio/National Public Radio. December 2018.

INVITED PRESENTATIONS

1. “Urgent and Emergent Child Psychiatric Management”
Description: Guest Lecturer
July 2006
To Whom: Pediatric Residents at Hasbro Children’s Hospital, Providence, RI
No of Students: Approx. 50

2. “Mental Status Changes and the Mental Status Exam”
Description: Guest Lecturer
January 2007
To Whom: Pediatric Residents at Hasbro Children’s Hospital, Providence, RI
No of Students: Approx. 50

3. “Roundtable Discussion on Bipolar Disorder in Children”
Description: Guest Panel Member
February 2007
To Whom: Community Psychiatrists at Bradley Hospital, East Providence, RI
No of Students: Approx. 40

4. “Neurobiology and Behavior in Children and Adolescents”
Description: Guest Lecturer
May 2007
To Whom: Child Psychiatry Fellows at Bradley Hospital, East Providence, RI
No of Students: Approx. 10

5. “Effects of Prenatal Cocaine Exposure on Special Education”
Description: Guest Speaker at the Women and Infants’ Hospital Pediatric
Research Colloquium
January 2008
To Whom: Staff and Researchers at Women and Infants’ Hospital, Providence, RI
No. of Students: Approx. 40

6. “Psychopharmacology Challenges in Children with Autism Spectrum Disorders”
Description: Guest Speaker at the 2008 Fernandes Center for Children & Families
Symposium on Children with Special Healthcare Needs
March 6, 2008
To Whom: Health care and education professionals
No. of Students: Approx. 50

7. “Psychiatric Medication Challenges in Children with Autism Spectrum Disorders”
Description: Guest Speaker at the 2009 Families for Effective Autism Treatment
of Rhode Island conference entitled “Autism: Sharing the Knowledge”
April 4, 2009
To Whom: Parents and education/healthcare providers
No. of Students: Approx. 90

8. “Psychopharmacology Challenges in Children with Autism Spectrum Disorders”
Description: Guest Speaker at The May Institute Professional Continuing
Education Seminar Series, Randolph, MA
April 6, 2009
To Whom: Education and healthcare providers
No. of Students: Approx. 60

9. "Psychiatric Evaluation of Children with Autism Spectrum Disorders"
 Description: Invited Speaker at the International Conference for Infant, Toddler and Preschool Mental Health, The University of Auckland, Auckland, New Zealand
 February 20, 2010
 To Whom: Medical and mental health practitioners and researchers
 No. of Students: Approx. 400

10. "Understanding Anxiety in the Context of Asperger's Syndrome"
 Description: Invited Speaker at the conference "Asperger Syndrome and Anxiety: Perspectives and Intervention" sponsored by the Asperger's Association of New England in partnership with MGH YouthCare.
 March 26, 2010
 To Whom: Medical, mental health, and education practitioners
 No. of Students: Approx 300

11. "Anxiety and Arousal in Children with Autism Spectrum Disorders"
 Description: Invited Speaker at the Rhode Island Hospital Pediatric Grand Rounds
 July 16, 2010
 To Whom: Pediatric trainees and attending physicians
 No. of Students: Approx. 60

12. "Anxiety and Arousal in Children with Autism Spectrum Disorders"
 Description: Guest Speaker at the Women and Infants' Hospital Pediatric Research Colloquium
 February 4, 2011
 To Whom: Staff and Researchers at Women and Infants' Hospital, Providence, RI
 No. of Students: Approx. 30

13. "Autism Spectrum Disorders: Clinical Encounters"
 Description: Guest Speaker at the Home for Little Wanderers, Boston, MA
 March 10, 2011
 To Whom: Therapy staff
 No. of Students: Approx. 50

14. "Psychiatric Evaluation of Children with Autism Spectrum Disorders"
 Description: Guest Speaker at The Emma Pendleton Bradley Hospital's *Parenting Matters* Conference
 March 19, 2011; March 17, 2012; April 6, 2013; March 21, 2015
 To Whom: Parents and community-based providers for children
 No. of Students: Approx. 40

15. "Behavioral Assessment of Children with Autism Spectrum Disorders"
 Description: Guest Speaker at the RI Extension of CMSE/ Beacon Health Strategies
 September 15, 2011

- To Whom: Case managers
No. of Students: Approx. 60
16. "Behavior Assessment of Children with Autism Spectrum Disorders"
Description: Guest Speaker at New York-Presbyterian Phyllis and David Komansky Center for Children's Health: Weill Cornell Medical Center
May 11, 2012
To Whom: Parents, families, and professionals
No. of students: Approx. 60
17. "Behavior Assessment of Children with Autism Spectrum Disorders"
Description: Guest Speaker at the Asperger's Association of New England's summer lecture series
July 25, 2012
To Whom: Regional educators and school staff
No. of Students: Approx. 60
18. "Physiologic Arousal to Social Stress in Children with Autism Spectrum Disorders"
Description: Invited symposium speaker "Autism: Looking for Autonomic Markers" at the 16th World Congress of the International Organization of Psychophysiology: Pisa, Italy, September 16, 2012
19. "Anxiety & Autism: A Dynamic Duo"
Description: Invited speaker for *Bailey's Team for Autism Education Series*
To Whom: Regional (Rhode Island and Southeastern Massachusetts) families, educators, and professionals affected by autism spectrum disorders.
April 10, 2013
No. of Students: Approx. 140
20. "Anxiety in Autism Spectrum Disorders"
Description: Invited speaker at the Youth Action Initiative International Conference in NY, NY
May 9, 2013
To Whom: Families, educators, and professionals affected by autism spectrum disorders.
No of Students: Approx. 300
21. "Health Care for Individuals with Autism Spectrum Disorders: Disparities and Transitions"
Description: Invited Speaker at conference entitled *Supporting Healthcare Transitions from Adolescence to Adulthood* sponsored by Coastal Medical
May 22, 2013
To Whom: Medical Professionals
No of Students: Approx. 30

22. “Behavioral Assessment of Children and Adults with Autism Spectrum Disorders”
 Description: Invited Speaker at conference entitled “Intellectual Disabilities in Elderly Conditions” at the Centre Espoir et Joie ASBL in Brussels, Belgium.
 March 31, 2014
 To Whom: Professionals working with adults with developmental disabilities
 No of Students: Approx. 120
23. “Autism Spectrum Disorders and Family Relationships”
 Description: Invited Speaker at the 13th Biennial Social Work Symposium through the National Association of Social Workers, Massachusetts Chapter
 Presented with Dr. Jean Twomey
 April 4, 2014
 To Whom: Social Workers from New England
 No of Students: Approx. 50
24. “The Impact of Anxiety on Attention and Learning”
 Description: Invited Speaker by the North Attleboro Special Education Parent Advisory Council
 March 25, 2015
 To Whom: Parents and Education Professionals
 No of Students: Approx. 40
25. “Adults with Autism in Rhode Island: How they are living and what they are facing”
 Description: Invited Speaker to the conference *Supporting Individuals with ASD: Current Trends and Models* sponsored by the Groden Center
 April 2, 2015
 To Whom: Families and Professionals
 No of Students: Approx. 60
26. “Working Together: Understanding the Link Between Diagnosis and Special Education Eligibility”
 Description: Invited Panelist for conference sponsored by the Rhode Island Consortium for Autism Research and Treatment
 April 16, 2015
 To Whom: Families, clinicians, and educators
 No. of Students: Approx. 230
27. “Behavior Assessment of Children with Autism Spectrum Disorders: Symptom Identification and Treatment”
 Description: Invited Speaker at the conference 41st Annual Problems in Pediatrics in Waterville, Maine
 July 14, 2015
 To Whom: Pediatric clinicians
 No. of Students: Approx. 30

28. “Medication Challenges in Children with Autism Spectrum Disorders”
 Description: Invited Speaker at The May Institute in Randolph, MA
 September 17, 2015
 To Whom: Clinicians working with children and adults with special needs
 No. of Students: Approx. 70

29. “Office Treatment of Behavior Problems in Patients with Autism: Tools for the Primary Care Provider, Psychiatrist, and Beyond”
 Description: Autism treatment seminar in Barrington, RI
 March 30, 2016
 To Whom: Clinicians working with children and adults with special needs
 No. of Students: Approx. 40

30. “Behavioral and Medication Assessment of Complex Learners: Symptom Identification and Treatment”
 Description: Invited Speaker at The Wolf School Conference on Complex Learners
 October 15, 2016
 To Whom: Families and professionals
 No. of Students: Approx. 60

31. “Supporting College Students on the Autism Spectrum: Discussions on Academic, Social, and Behavioral Approaches”
 Description: Invited Speaker at the New England College Health Association Annual Meeting
 November 3, 2016
 To Whom: College professionals
 No. of Students: Approx. 60

32. “Internet Use in Children, Adolescents, and Adults with Autism Spectrum Disorders: A Survey from a Clinic Population”
 Description: Invited Speaker at the Child & Adolescent Grand Round Series: Department of Psychiatry and Human Behavior of the Alpert Medical School of Brown University
 March 8, 2017
 To Whom: Community mental health professionals
 No. of Students: Approx. 70

33. “Anxiety in Autism Spectrum Disorders: Symptom Evaluation and Medication Treatment”
 Description: Invited Webinar speaker for the Asperger/Autism Network (AANE)
 May 23, 2017
 To Whom: Community professionals
 No. of Students: Approx. 30

34. “Behavioral Medication Assessments in Autism Spectrum Disorders: Symptom Identification and Treatment”
Description: Invited speaker for the Daniel W Rosenn Annual AANE Connections Conference
Dec 2, 2017
To Whom: Community Professionals and families affected by ASDs
No. of Students: Approx. 70

GRANTS

1. Elaine Schlosser Lewis Pilot Research Award for Learning Disabilities
Funded by the Elaine Schlosser Lewis Fund and the American Academy of Child and Adolescent Psychiatry
Principal Investigator
\$9,000
2006-2007
The study goal is to examine the effects of prenatal cocaine exposure on special education outcomes in school-aged children.
2. Bailey’s Team Foundation: Identification of Very Early Infant Signs of Autism in Children Observed From Birth
Co-Investigator
\$10,516
2010-2011
The goal of this project is to identify infant signs of autism by investigating the early development of children with autism who are members of two large longitudinal cohorts.
3. R01 MH078033-06, Fetal and Neonatal Neurobehavior and Prenatal Antidepressant Exposure: The Child
Co-Investigator
\$490,000 Annual Direct Costs
2/1/13-1/31/18
This renewal project will continue to examine the effects of prenatal antidepressant exposure and untreated maternal depression on sleep, neurobiological rhythms, and socio-emotional development in children through age 5 with the goals of identifying guidelines for the treatment of depression during pregnancy and biomarkers for developmental psychopathology
4. Grant # 383663. Simons Foundation Autism Research Initiative: Biomarkers of Emotion Regulation, Social Response & Social Attention in ASD
Co-Investigator
09/01/15 – 08/31/17
\$496,313

The goal of this project is investigate the relationship between symptom severity and biomarkers of social attention and social responsiveness. The goal is to develop and validate a battery of biomarker measures that may be sensitive to treatment response in young children with Autism Spectrum Disorder.

BROWN UNIVERSITY TEACHING ROLES

Honors Thesis Advising

Elaina Ramos (2014) “Internet Usage of Children, Adolescents, and Young Adults with Autism Spectrum Disorder: Compulsion, Special Interests, and Social Communication”
Towards Degree of Bachelor of Arts with Honors in Sociology

Mara Quinn (2016-2017) “Internet Use in Children, Adolescents, and Adults with Autism Spectrum Disorders: A Survey from a Clinic Population”

Zoe Kaplan (2017-2018) “Technology use Among Adolescents with Autism” Submitted in partial fulfillment of the requirements of the Degree of Master of Public Health in the Brown University School of Public Health

Undergraduate Research Mentorship

Jessica Sachs and John Pfeiffer (2014-2015) Internet Usage in Children and Adults with Autism Spectrum Disorders

Medical Students

Longitudinal Ambulatory Clerkship Supervisor (2012-2013): Kevin Coughlin (BMS 2013)

Klingenstein Third Generation Foundation Program Mentor (2012): Helen Johnson (BMS 2015)

Research mentor (2011-2015): Greg Elia (BMS 2015)

Guest Speaker to the Disability Awareness Group (2012)

Longitudinal Preceptor for CNS clerkship (2017): Nathan Thomas, Deanna Nardella

Residents/Fellows Clinical Supervision

Preceptor in the Autism Spectrum Disorders Clinic at Women and Infants Hospital:

Wendy Froehlich (2008-2009) Triple Board Resident

Gisela Porras (2009) Developmental and Behavioral Pediatrics

Ana Garnecho (2009) Developmental and Behavioral Pediatrics

Carol Baum (2010) Developmental and Behavioral Pediatrics

Pei-Chi Wu (2011) Developmental and Behavioral Pediatrics

Yamini Howe (2011) Developmental and Behavioral Pediatrics

Sheryl Kho (2011) Developmental and Behavioral Pediatrics

Michael Adragna (2011-2012) Child Psychiatry

Marta Majczak (2012) Triple Board Resident

John Caskey (2012) Triple Board Resident

Michelle Palumbo (2012-2013) Triple Board Resident

Otema Adade (2013) Child Psychiatry

Diana Deister (2013) Child Psychiatry

Benjamin Lederer (2013) Child Psychiatry

Natalia Lukankina (2013-2014) Developmental and Behavioral Pediatrics
Ruby Lee (2013) Child Psychiatry
Ivan Aldea (2013-2014) Child Psychiatry
Joshua Blum (2013-2014) Child Psychiatry
Anish Dube (2013-2014) Child Psychiatry
Luisa Cala Cala (2014) Developmental and Behavioral Pediatrics
Roxanne Almas (2014) Developmental and Behavioral Pediatrics
Anastasia Wermert (2014-2015) Triple Board Resident
Timothy Blegen (2014) Pediatrics
Michelle Beller (2014) Pediatrics
Colleen Gerrity (2014) Pediatrics
Timothy Menz (2015) Pediatrics
Salmed Majeed (2015) Child Psychiatry
Hassan Minhas (2015) Child Psychiatry
Naomi Gershon (2015) Developmental and Behavioral Pediatrics
Paul Stevens (2015-2016) Triple Board Resident
Danielle Morris (2015) Psychiatry
Ayesha Cheema-Hasan (2016) Developmental and Behavioral Pediatrics
Carrie Kelly (2016) Developmental and Behavioral Pediatrics
Bridget Thompson (2016) Developmental and Behavioral Pediatrics
Sean Binns (2016) Pediatrics
Christie Babson (2017) Developmental and Behavioral Pediatrics
Margaret Preissler (2017) Pediatrics
Andrea Patrico (2017) Pediatrics
Angelica Robles (2017) Developmental and Behavioral Pediatrics
Danielle Sipsock (2018-2019) Child Psychiatry

Resident/Fellow Research Supervision

Paul Stevens (2013-2015) Triple Board Resident: “Emergency Department Experiences of Families Presenting with Children with Autism Spectrum Disorders”

Ayesha Cheema-Hasan (2015-2016) Developmental and Behavioral Pediatrics Fellow: “Initial validation of Self Report PROMIS Measures for Peer Relationships and Psychological Distress in Youth 12-17 years old with Autism Spectrum Disorders who read at or above a 3rd grade level”

Naomi Gershon (2015-2017) Developmental and Behavioral Pediatrics Fellow: “Initial validation of Self Report PROMIS Measures for Peer Relationships and Psychological Distress in Youth 12-17 years old with Autism Spectrum Disorders who read at or above a 3rd grade level”

Lecturer in the General Psychiatry Residency and Child and Adolescent Fellowship didactic seminars: Autism and Developmental Disabilities (2011-present)
