CURRICULUM VITAE
BETH A. JERSKEY

Adjunct Assistant Professor
Department of Psychiatry and Human Behavior
Alpert Medical School of Brown University
Beth_Jerskey@Brown.edu

Executive Director of Training and Research
Head of Professional Development
Senior Expert in ASD Assessment
Clinical Neuropsychologist
Boston Child Study Center

EDUCATION

Undergraduate

Boston College, Psychology, BA 1998, Deans List, Magna Cum Laude

Graduate

Boston University, Psychology, MA 2001
Boston University, Clinical Psychology, Ph.D. 2007
Mentor: Michael Lyons, Ph.D.

POSTGRADUATE TRAINING

Internship	Massachusetts General Hospital, Neuropsychology Track, Cambridge, Massachusetts, 2005-2006
Fellowship	Brown University Training Consortium for Clinical Psychology, T32 Postdoctoral Research Fellow, Providence, Rhode Island, 2006-2008 *Mentor: Lawrence Sweet, Ph.D.*

ADDITIONAL CLINICAL TRAINING

2013	Autism Diagnostic Observation Schedule – 2 (ADOS-2) Advanced Clinical/ Research Training Bradley Hospital [Instructor: Robert Joseph, Ph.D.]
2013	Autism Diagnostic Observation Schedule - 2 (ADOS-2) Clinical Training New York University [Instructor: Ellen Hanson, Ph.D.]

HONORS AND AWARDS

2025	Karl F. Heiser APA Presidential Award for Advocacy
2010	Travel Award – Symposium on Early Alzheimer's Disease, Miami, Florida
2006 - 2008	NIH Institutional National Research Service Award (T32 AG020498)
2007	The Warren Alpert Medical School of Brown University, 11th Annual Research Symposium on Mental Health Sciences, Postdoctoral Poster Award, Second Place
2004 - 2005	Ruth L. Kirschstein Pre-doctoral Individual National Research Service Award (F31MH071017)
1998	Magna Cum Laude, Boston College

PROFESSIONAL LICENSES AND BOARD CERTIFICATION

2015 - present	Massachusetts Psychology License 10163
2009 - present	Rhode Island Psychology License PS01156

ACADEMIC APPOINTMENTS

2018 - present	Adjunct Assistant Professor, Department of Psychiatry and Human Behavior, The Warren Alpert Medical School of Brown University, Providence, Rhode Island
2009 - 2018	Assistant Professor (Research), Department of Psychiatry and Human Behavior, The Warren Alpert Medical School of Brown University, Providence, Rhode Island
2008 - 2009	Instructor (Research), Department of Psychiatry and Human Behavior, The Warren Alpert Medical School of Brown University, Providence, Rhode Island

HOSPITAL APPOINTMENTS

2013 - 2015	Research Coordinator, Rhode Island Consortium for Autism Research and Treatment, Bradley Hospital, Providence, Rhode Island
2008 - 2011	Research Psychologist, Butler Hospital, Providence, Rhode Island
2005 - 2006	Clinical Intern, Neuropsychology track, Massachusetts General Hospital, Cambridge, Massachusetts
2004 - 2005	Extern in Psychology, Massachusetts General Hospital, Cambridge, Massachusetts
2002 - 2004	Extern in Psychology, Beth Israel Deaconess Medical Center, Boston, Massachusetts
2001 - 2002	Extern in Psychology, Veteran Administration, Jamaica Plain, Massachusetts
1998 - 2000	Study Coordinator, St. Elizabeth's Medical Center of Boston

OTHER APPOINTMENTS

2026 - present	American Psychological Association's Presidential Taskforce on Practice, Member
2026 - present	Society of Clinical Child and Adolescent Psychology (SCAAP, APA Division 53), Webinar Committee Member
2025 - present	APA Division 31 Ethics Code Revision Working Group, Co-chair
2025 - present	Parents for Peace (P4P), Expert Area Consultant
2024 - present	Frontiers - Pediatric Neurology, Review Editor
2022 - present	Massachusetts Psychological Association, Board Member and Director-At-Large
2021 - present	APA Division 31 Ethics Code Revision Working Group, Member
2021 - present	The Warren Alpert Medical School of Brown University, Department of Psychiatry and Human Behavior, Community & Belonging Council: Education Committee (previously Anti-Racism Steering Committee (ARSC), Educational Programming Subcommittee)
2021 - present	The Boston Child Study Center, Diversity, Equity, Accessibility, and Inclusion (DEAI) Taskforce, Member
2021 - present	Boston Medical Center, Autism Friendly Initiative Steering Committee Member (volunteer position)
2021 - present	Boston Medical Center, Autism Friendly Initiative Scientific Advisory Board Member (volunteer position)
2020 - present	Bailey's Team for Autism, Vice President and Funding Coordinator
2020 - present	Rhode Island Psychological Association - Ethics Committee, Chair

2019 - present	Federal Advocacy Coordinator, Massachusetts
2019 - present	Massachusetts Psychological Association - Advocacy Committee, Member
2018 - present	The Boston Child Study Center Foundation, Clerk and Officer
2017 - present	The Boston Child Study Center, Executive Director of Training and Research, Head of Professional Development, and Senior Expert in autism spectrum disorder assessment
2017 - 2024	Boston Neuropsychological Service, Neurodevelopmental Specialist
2017 - 2020	Bailey's Team for Autism, Funding Coordinator
2016 - 2021	Massachusetts Psychological Association - Ethics Committee, Member
2016 - 2018	Massachusetts Psychological Association - Ethics Committee, Chair
2016 - present	Massachusetts Autism Commission, Sub-Committee for Birth-14-year-olds, Committee member
2016 - 2018	APPIC Newsletter, Associate Editor (Neuropsychology)
2016 - 2017	May Institute, Institutional Review Board, Chair and Member
2015 - 2017	May Institute, Vice President Professional Training and Research
2015 - 2017	May Institute, Director of Clinical Training
2015 - present	Bailey's Team for Autism, Board Member
2015 - 2016	Frontiers in Psychology - Psychology for Clinical Settings, Review Editor
2013 - present	Rhode Island Psychological Association - Ethics Committee, Member
2010 - 2012	Brown University, Supervisor, Medical Student Training and Research Experience in Aging and Mental Health (MSTREAM)
2010 - 2012	Brown University, Pediatric Neuropsychologist, Brown University Advanced Baby Imaging Lab

HOSPITAL COMMITTEES

2013 - 2019	Bradley Hospital Ethics Board
2008 - 2025	Butler Hospital Institutional Review Board, Board Member

UNIVERSITY COMMITTEES

2018 - present	Postdoctoral Fellow/ Resident Advisor, Neuropsychology Track, Brown University Training Consortium for Clinical Psychology
2013 - present	Brown Institute of Brain Science, Brown University
2012 - 2017	Safety, Education and Training Committee, the Magnetic Resonance Imaging Facility, Brown University
2010 - 2015	Genetics Core, The Department of Psychiatry and Human Development, The Alpert Medical School of Brown University
2010 - 2015	Resident Advisor, Neuropsychology Track, Brown University Training Consortium for Clinical Psychology
2008 - 2015	Admissions Committee, Neuropsychology Track, Brown University Training Consortium for Clinical Psychology

MEMBERSHIP IN SOCIETIES

American Psychological Association, Member
American Psychological Association, Division 31, Member
American Psychological Association, Division 40, Member
American Psychological Association, Division 53, Member
International Neuropsychological Society, Affiliate Member
Massachusetts Psychological Association
Rhode Island Psychological Association

PUBLICATIONS LIST

ORIGINAL PUBLICATIONS IN PEER-REVIEWED JOURNALS (* denotes shared authorship)

1. Lyons, M. J., Koenen, K. C., Buchting, F., Meyer, J. M., Eaves, L., Toomey, R., Eisen, S. A., Goldberg, J., Faraone, S. V., Ban, R. J., Jerskey, B. A., & Tsuang, M. (2004). A twin study of sexual behavior in men. *Archives of Sexual Behavior, 33*(2), 129–136. https://doi.org/10.1023/B:ASEB.0000014324.84777.3c

2. Tsuang, M., Domschke, K., Jerskey, B. A., & Lyons, M. J. (2004). Agoraphobic behavior and panic attack: A study of male twins. *Journal of Anxiety Disorders, 18*(6), 799–807. https://doi.org/10.1016/j.janxdis.2003.09.005

3. O'Connor, M., Jerskey, B. A., Robertson, E., Brenninkmeyer, C., Ozdemir, E., & Pascual-Leone, A. (2005). The effects of repetitive transcranial magnetic stimulation (rTMS) on procedural memory and dysphoric mood in patients with major depressive disorder. *Cognitive and Behavioral Neurology, 18*(4), 223–227. https://doi.org/10.1097/01.wnn.0000193620.33298.a5

4. Lyons, M., Hitsman, B., Xian, H., Panizzon, M. S., Jerskey, B. A., Santangelo, S., Rende, R., Eisen, S., Eaves, L., & Tsuang, M. (2008). A twin study of smoking, nicotine dependence, and major depression in men. *Nicotine & Tobacco Research, 10*(1), 97–108. https://doi.org/10.1080/14622200701704924

5. Hefter, R. A., Jerskey, B. A., & Barton, J. J. S. (2008). Figure–ground assignment and detecting faces at a categorical level are impaired in prosopagnosia. *Perception, 37*(9), 1412–1425. https://doi.org/10.1068/p5836

6. Hoth, K. F., Haley, A. P., Gunstad, J., Paul, R. H., Poppas, A., Jefferson, A. L., Tate, D. F., Ono, M., Jerskey, B. A., & Cohen, R. A. (2008). C-reactive protein as a risk factor for cognitive decline in older adults with cardiovascular disease. *Journal of the American Geriatrics Society, 56*(10), 1898–1903. https://doi.org/10.1111/j.1532-5415.2008.01932.x

7. Cohen, R. A., Poppas, A., Forman, D. E., Hoth, K. F., Haley, A., Gunstad, J., Jefferson, A. L., Tate, D. F., Paul, R. H., Sweet, L. H., Ono, M., Jerskey, B., & Gerhard-Herman, M. (2009). Vascular and cognitive functions associated with cardiovascular disease in the elderly. *Journal of Clinical and Experimental Neuropsychology, 31*(1), 96–110. https://doi.org/10.1080/13803390801982791

8. Jerskey, B. A., Cohen, R. A., Jefferson, A. L., Hoth, K. F., Haley, A. P., Gunstad, J. J., Forman, D. E., Sweet, L. H., & Poppas, A. (2009). Sustained attention is associated with left ventricular ejection fraction in older adults with heart disease. *Journal of the International Neuropsychological Society, 15*(1), 137–141. https://doi.org/10.1017/S1355617708090040

9. Aloia, M. S., Sweet, L. H., Jerskey, B. A., Zimmerman, M., Arnedt, J. T., & Millman, R. P. (2009). Treatment effects on brain activity during a working memory task in obstructive sleep apnea. *Journal of Sleep Research, 18*(4), 404–410. https://doi.org/10.1111/j.1365-2869.2009.00750.x

10. Irani, F., Sweet, L. H., Haley, A. P., Gunstad, J. J., Jerskey, B. A., Mulligan, R. C., Jefferson, A., Poppas, A., & Cohen, R. A. (2009). An fMRI study of verbal working memory, cardiac output, and ejection fraction in elderly patients with cardiovascular disease. *Brain Imaging and Behavior, 3*(4), 350–357. https://doi.org/10.1007/s11682-009-9070-6

8. Jerskey, B., Nir, T., Lyons, M., Kirkhart, E., Simpson, J., & Tsuang, M. (2004, November). The relationship of combat-related emotions to current well-being in Vietnam veterans. Paper presented at the Gerontological Society of America Annual Meeting.

9. Morgan, A. K., Lyozkowski, D. A., Jerskey, B. A., & Thiele, E. A. (2005, December). Neurocognitive profiles of a pediatric epilepsy population. Paper presented at the American Epilepsy Society and American Clinical Neurophysiology Society Joint Annual Meeting.

10. Haley, A. P., Hoth, K. F., Gunstad, J. J., Paul, R. H., Jefferson, A. L., Poppas, A., Forman, D. E., Tate, D. F., Sweet, L. H., Ono, M., Jerskey, B. A., & Cohen, R. A. (2007). Reported cognitive dysfunction at baseline predicts global cognitive decline at one-year follow-up in patients with cardiovascular disease. *Journal of the International Neuropsychological Society, 13*(S1), 225.

11. Hoth, K. F., Haley, A. P., Gunstad, J., Paul, R. H., Poppas, A., Jefferson, A. L., Tate, D. F., Ono, M., Jerskey, B. A., & Cohen, R. A. (2007, February). C-reactive protein predicts longitudinal cognitive change in elderly individuals with cardiovascular disease. Paper presented at the International Neuropsychological Society Annual Meeting.

12. McCaffery, J., McGeary, J., Tate, D. F., Jerskey, B., & Cohen, R. (2007). Variation within VWF gene predicts subcortical disease among cardiac patients. Paper presented at the American Psychosomatic Society, Meeting Abstracts, A-4.

13. Sweet, L. H., Cohen, R. A., Wellen, J., Mulligan, R. C., Haley, A. P., Jerskey, B. A., & Paskavitz, J. F. (2007, April). The role of the medial thalamus in working memory. Paper presented at The Warren Alpert Medical School of Brown University Department of Psychiatry and Human Behavior Annual Research Symposium on Mental Health Sciences, Providence, Rhode Island.

14. Sweet, L. H., Gunstad, J. J., Haley, A. P., Hoth, K. F., Poppas, A., Tate, D. F., Jefferson, A. L., Mulligan, R. C., Jerskey, B. A., Paul, R. H., & Cohen, R. A. (2007, April). Severity of cardiovascular disease and brain activation in older adults. Paper presented at The Warren Alpert Medical School of Brown University Department of Psychiatry and Human Behavior Annual Research Symposium on Mental Health Sciences, Providence, Rhode Island.

15. Sweet, L. H., Cohen, R. A., Wellen, J., Jerskey, B. A., Mulligan, R. C., Haley, A. P., & Paskavitz, J. F. (2007, April). Changes in brain activity during sustained working memory. Paper presented at The Warren Alpert Medical School of Brown University Department of Psychiatry and Human Behavior Annual Research Symposium on Mental Health Sciences, Providence, Rhode Island.

16. Jerskey, B. A., Panizzon, M. S., Jacobson, K. C., Neale, M. C., Grant, M., Schultz, M., Eisen, S. A., Tsuang, M. T., & Lyons, M. J. (2007, April). Marriage and divorce: A genetic perspective. Paper presented at The Warren Alpert Medical School of Brown University Department of Psychiatry and Human Behavior Annual Research Symposium on Mental Health Sciences, Providence, Rhode Island.

17. Haley, A. P., Gunstad, J., Cohen, R. A., Jerskey, B. A., Mulligan, R. C., & Sweet, L. H. (2007). Neural correlates of visuospatial working memory in healthy young adults at risk for hypertension. *Journal of the International Neuropsychological Society, 13*(S2), 84.

18. Mulligan, R. C., Haley, A. P., Jerskey, B. A., Irani, F., Poppas, A., Sweet, L. H., & Cohen, R. A. (2008, February). Endothelial function predicts fMRI activity in the medial prefrontal cortex. Paper presented at the Thirty-Sixth Annual Meeting of the International Neuropsychological Society, Waikoloa, Hawaii. *Journal of the International Neuropsychological Society, 14*(S1), 48.

19. Sweet, L. H., Cote, D., Rao, S. M., Trittschuh, E., Jerskey, B. A., Mulligan, R. C., & Paskavitz, J. (2008, June). Cortical thickness mediates relationships between lesion area and verbal working memory performance in multiple sclerosis. Paper presented at the 14th Annual Meeting of the Organization for Human Brain Mapping, Melbourne, Australia.

20. Sweet, L. H., Mulligan, R. C., Finnerty, C., Jerskey, B. A., Cote, D., Clark, U., David, S., Cohen, R., & Niaura, R. (2008, July). Effects of nicotine on working memory and associated brain activity. Paper presented at the Annual Mid-Year Meeting of the International Neuropsychological Society, Buenos Aires, Argentina.

21. Irani, F., Sweet, L. H., Haley, A. P., Gunstad, J. J., Jerskey, B. A., Mulligan, R. C., Poppas, A., & Cohen, R. A. (2008, February). An fMRI study of verbal working memory, cardiac output, and ejection fraction in elderly patients with cardiovascular disease. Paper presented at the Thirty-Sixth Annual Meeting of the International Neuropsychological Society, Waikoloa, Hawaii. *Journal of the International Neuropsychological Society, 14*(S1), 85.

22. Sweet, L. H., Vanderhill, S. D., Jerskey, B. A., & Cote, D. M. (2009). Cognitive processing speed and verbal working memory in multiple sclerosis. *Journal of the International Neuropsychological Society, 15*(S1).

23. Sweet, L. H., MacKillop, J., Wier, L., David, S. P., Jerskey, B. A., Mulligan, R. C., Ray, L., Cohen, R. A., & Niaura, R. S. (2009). Brain response to smoking cues and relationships to severity of nicotine dependence. *Journal of the International Neuropsychological Society, 15*(S1).

24. Mulligan, R. C., Sweet, L. H., Finnerty, C., Jerskey, B. A., David, S. P., Cohen, R. A., & Niaura, R. S. (2009, April). Early life stress and inhibitory control among nicotine dependent adults. Paper presented at the Annual Meeting of the Society for Research on Nicotine and Tobacco, Dublin, Ireland.

25. Clark, U., Sweet, L., Mulligan, R., Finnerty, C., Jerskey, B., Hassenstab, J., Cohen, R., & Niaura, R. (2009, June). Brain response to negative facial expressions among smokers in withdrawal. Paper presented at The Neuroscience of Emotion Conference, Tufts University, Medford, MA.

26. Hassenstab, J., Sweet, L. H., Finnerty, C. E., Mulligan, R. C., Clark, U. S., Jerskey, B. A., David, S. P., Cohen, R. A., & Niaura, R. S. (2009, July). The effect of withdrawal on brain response to smoking cues. Paper presented at the Annual Mid-Year Meeting of the International Neuropsychological Society, Helsinki, Finland.

27. Sweet, L. H., Mulligan, R. C., Finnerty, C., Jerskey, B. A., Cohen, R., & Niaura, R. (2010, February). Effects of nicotine withdrawal on verbal working memory. Paper presented at the Annual Meeting of the Society for Research on Nicotine and Tobacco, Baltimore, Maryland.

28. Jerskey, B. A., Sweet, L. H., Paul, R. H., de Dios, M. A., Mulligan, R. C., David, S. P., Gatt, J. M., Gordon, E., Cohen, R., Clark, C. R., Pogun, S., & Niaura, R. (2010, February). APOE and smoking: A gene × environment effect on vigilance. Paper presented at the Annual Meeting of the Society for Research on Nicotine and Tobacco, Baltimore, Maryland.

29. Sweet, L. H., Vanderhill, S. D., Jerskey, B. A., Gordon, N., Paul, R. H., & Cohen, R. A. (2010, February). Subvocal articulatory rehearsal during verbal working memory in multiple sclerosis. Paper presented at the 38th Annual Meeting of the International Neuropsychological Society, Acapulco, Mexico.

30. Mechanic-Hamilton, D., Sweet, L. H., Jerskey, B. A., & Aloia, M. S. (2010, February). Withdrawal of positive airway pressure treatment and default network response to a verbal working memory challenge in obstructive sleep apnea. Paper presented at the 38th Annual Meeting of the International Neuropsychological Society, Acapulco, Mexico.

31. Finnerty, C. E., Sweet, L. H., Jerskey, B. A., Mulligan, R. C., Clark, U. S., Vanderhill, S. D., Cohen, R. A., & Niaura, R. S. (2010, June). fMRI response to emotional stimuli: Effects of nicotine. Paper presented at the 28th Annual Mid-Year Meeting of the International Neuropsychological Society, Krakow, Poland.

32. Sweet, L. H., Finnerty, C. E., Jerskey, B. A., Mulligan, R. C., Clark, U. S., Cohen, R. A., & Niaura, R. S. (2010, June). Brain response to a working memory challenge as a function of nicotine use and nicotine dependence. Paper presented at the 28th Annual Mid-Year Meeting of the International Neuropsychological Society, Krakow, Poland.

33. Cote, D. M., Clark, U. S., Jerskey, B. A., Walsh, E., & Sweet, L. H. (2011, February). Altered blood oxygen level dependent response independent of cognitive function in older adults. Paper presented at the 39th Annual Meeting of the International Neuropsychological Society, Boston, MA.

34. Deoni, S. C. L., Dean, D., Liu, F., Quigley, C., & Jerskey, B. A. (2011, August). Linking myelination with behavioural development in healthy infants. Paper presented at the ISMRM White Matter Study Group Meeting, Iceland.

35. Deoni, S. C. L., Dean, D. C., Dirks, H., & Jerskey, B. A. (2011, August). Investigating myelin development over the first 2 years of life. Paper presented at the ISMRM White Matter Study Group Meeting, Iceland.

36. Deoni, S. C. L., Dean, D. C., Dirks, H., & Jerskey, B. A. (2011, August). Linking myelination with behavioural performance at 6 and 8 months of age. Paper presented at the ISMRM White Matter Study Group Meeting, Iceland.

37. Ahern, D. C., Rabinowitz, A. R., Jerskey, B., Deoni, S., Salloway, S., & Correia, S. (2012, February). Lowering the floor on Trail Making Test Part B: A new scoring metric. Paper presented at the 40th Annual Meeting of the International Neuropsychological Society, Montreal, Canada.

38. Treem, J., Rabinowitz, A. R., Jerskey, B., Deoni, S., Ahern, D. C., Salloway, S., & Correia, S. (2012, February). Brain correlates of a new scoring metric for Trail-Making Test B. Paper presented at the 40th Annual Meeting of the International Neuropsychological Society, Montreal, Canada.

39. Dean, D. C., O'Muircheartaigh, J., Dirks, H., Waskiewicz, N., Lehman, K., Jerskey, B. A., & Deoni, S. C. (2012). Investigating myelination differences in children with hearing impairment. Submitted to Rhode Island Hearing Assessment Program, Providence, Rhode Island.

40. Dean, D. C., Dirks, H., Jerskey, B. A., & Deoni, S. C. L. (2012, April). Modeling myelin maturation in healthy infants. Paper presented at the Pediatric Academic Societies Annual Meeting, Boston, MA.

41. Dean, D. C., Dirks, H., Jerskey, B. A., & Deoni, S. C. L. (2012, April). Investigating hemispheric differences in myelination trajectories of healthy infants. Paper presented at the Pediatric Academic Societies Annual Meeting, Boston, MA.

42. Dean, D. C., O'Muircheartaigh, J., Dirks, H., Waskiewicz, N., Lehman, K., Jerskey, B. A., & Deoni, S. C. (2012). Modeling myelin maturation of healthy males and females under 2 years of age. Paper presented at the Society for Neuroscience Annual Meeting, New Orleans, LA.

43. Dirks, H., Dean, D. C., O'Muircheartaigh, J., Waskiewicz, N., Lehman, K., Jerskey, B. A., & Deoni, S. C. (2012). Practical guide to pediatric magnetic resonance imaging. Paper presented at the Society for Neuroscience Annual Meeting, New Orleans, LA.

44. Waskiewicz, N., Dean, D. C., O'Muircheartaigh, J., Dirks, H., Lehman, K., Jerskey, B. A., & Deoni, S. C. (2012). Myelination differences in preterm infants and toddlers. Paper presented at the Society for Neuroscience Annual Meeting, New Orleans, LA.

45. Dean, D. C., O'Muircheartaigh, J., Dirks, H., Waskiewicz, N., Lehman, K., Jerskey, B. A., & Deoni, S. C. (2012). Modeling myelin maturation of healthy males and females under 2 years of age. Paper presented at the Society for Neuroscience Annual Meeting, New Orleans, LA.

46. Deoni, S. C., Dean, D. C., O'Muircheartaigh, J., Dirks, H., Waskiewicz, N., Lehman, K., & Jerskey, B. A. (2012). Investigating myelination differences in children with hearing impairment. Paper presented at the Society for Neuroscience Annual Meeting, New Orleans, LA.

47. Jerskey, B. A., Dean, D. C., O'Muircheartaigh, J., Dirks, H., Waskiewicz, N., Lehman, K., & Deoni, S. C. (2012, November). Comparing myelin differences in a very young child with traits of ADHD: A case study. Paper presented at the Society for Neuroscience Annual Meeting, New Orleans, LA.

48. Dean, D. C., O'Muircheartaigh, J., Dirks, H., Waskiewicz, N., Lehman, K., Jerskey, B. A., & Deoni, S. C. (2012, [Month]). Modeling myelin maturation in healthy males under 2 years of age. Paper presented at the Neural Development Gordon's Conference.

49. Morrow, E. M. M., Sheinkopf, S., Jerskey, B. A., Gerber, A., Johnson, A. H., & Anders, T. (2013, October). Rhode Island Consortium for Autism Research and Treatment (RI-CART): Preliminary report and potential implications. Paper presented at the Rhode Island Healthcare Showcase, Warren Alpert Medical School of Brown University, Providence, Rhode Island.

50. Jerskey, B. A., Correria, E., & Morrow, E. M. M. (2014, May). Informed consent in adults with autism: Ethical and legal considerations. Paper presented at the IMFAR Annual Conference, Atlanta, Georgia.

51. Troyb, E., McLean, R., & Jerskey, B. (2016, February). Examining the relationship between restricted and repetitive behaviors and executive functioning among children with autism spectrum disorders. Paper presented at the International Neuropsychological Society Annual Conference, Boston, Massachusetts.

52. Kavanaugh, B., Jerskey, B. A., Gerber, A., & the Rhode Island Consortium for Autism Research and Treatment. (2016, February). Distinct patterns of younger versus older seizure onset in individuals with autism spectrum disorders. Poster presented at the International Neuropsychological Society Annual Conference, Boston, Massachusetts.

UNIVERSITY TEACHING ROLES

2023 - present	Lecturer: Warren Alpert Medical School of Brown University Course: Psychology Intern core seminar series
2017 - present	Co- Lecturer: Warren Alpert Medical School of Brown University Course: Postdoctoral Fellow core seminar series
2015 - 2022	Guest Lecturer: Tufts University Course: Clinical Methods (Undergraduate)
2012 - present	Co- Lecturer: Warren Alpert Medical School of Brown University Course: Neuropsychology core seminar series (approximately 10 residents and post-doctoral fellows)
2009 - 2015	Co- Lecturer: Warren Alpert Medical School of Brown University Course: Ethics Seminar Series (approximately 20 post-doctoral fellows)
2007	Co-Guest Lecturer: Warren Alpert Medical School of Brown University Course: Epidemiology of Chronic Diseases (12 students)
2002	Teaching Assistant: Boston University Medical School Course: Forensic Neuropsychology (7 students)

2000-2001 Teaching Fellow: Boston University, Department of Psychology
Course: Introductory Psychology (100 students)

INVITED TALKS

October 2017: Alpert Medical School of Brown University Program in Educational Faculty Development 2016-2017 Series
e-Professionalism: Considerations for Supervising and Mentoring Medical Residents in the Social Media Age

RESEARCH GRANTS

1R34DA039291 03/01/2016 - 02/28/2019
NIH/NIDA
NEUROIMAGING PREDICTORS OF RELAPSE DURING TREATMENT FOR OPIATE DEPENDENCE
Role: Co-Investigator
